# THE VERMILION STANDARD

Vol. LVI. No. 27. $3.00 a Year Vermilion, Alberta, Thursday, January 7th, 1965. 8 Pages 10c

Alberta Provincial Library Dec 65 Govt. of Alta.

**Samoil, Lavoy, Appointed Reeve**

## Minburn Council Holds First Statutory Meeting

The first statutory meeting of the newly instituted County of Minburn No. 27 was held in the county office at Mannville on Monday, Jan. 4th when all the councillors took the oath of office.

Forming the first council of the County of Minburn are the following members:

Division 1 — Frank H. Eyben, Vermilion

Division 2 — A. W. Roland, Minburn

Division 3 — Stanley Tymchyshyn, Mannville

Division 4 — George Graham, Innisfree

Division 5 — B. D. Samoil, Lavoy

Division 6 — Robert E. Robert, Vegreville

Division 7 — Michael Barlott, Vegreville.

B. D. Samoil of Lavoy was elected to the position of reeve, with Robert E. Robert as deputy-reeve.

John Tymyn was appointed to the position of secretary-treasurer of the new county.

The County of Minburn is formed by the amalgamation of the two municipal governing bodies, the Vegreville School Division and the Minburn Municipal District. It becomes the twenty - seventh county to be formed in the province.

**BEER DRAW POSTPONED**

Draw for the heifer which is being raffled with proceeds for the Bob Carlton family, has been postponed from Jan. 12 to Feb. 23rd. 27-9

## VERMILION BOWL SOLD IN YEAR END TRANSACTION

Bill and Flo Howe, who come from Rimbey, Alberta, are the new owners and proprietors of the Vermilion Bowl pardoning the popular recreation spot from Steve Zazulak and Bill Karmas. The transaction was effective on Jan. 1st.

Mr. and Mrs. Howe have one son and one daughter.

The plans of the former proprietors, Steve and Bill, are indefinite, but both hope to remain in Vermilion.

Steve will assist at the Bowl for the month of January.

## Makes $52.18 In 3 Minute Shopper Spree

Shown above is Mr. Irvin Gordon receiving congratulations from Lillian Klutz, President of the Canadian Order of Foresterettes, on winning the Shopper's Spree. Mr. Gordon chose to shop at Hareuther's Tomboy Store and was able to gather up $52.18 worth of groceries in three minutes. The Foresterettes hope to make the Shopper's Spree draw an annual affair.

## 1965, Salvation Army's 100th Anniversary

This year marks the 100th anniversary or centenary year of the founding of The Salvation Army. Salvationists and friends around the world, are not only looking back to the early days of the Army when opposition and struggle for growth and recognition were the by-words of the day for it, but more than ever we are looking to the present and the future.

**ESTABLISHED IN VERMILION IN 1918**

Locally the Army has been established in Vermilion and area since the spring of 1918, when during the flu two young ladies were out helping those who were sick. Captain Chagnon and Lieutenant Beamed commenced the work here and since that day the Salvation Army moved about the town until the location is on the corner of 50th Avenue and 49th Street.

To mark the Centenary Year and bring it and its meaning to the eyes of the public, the Army has covered with a mass of Watch-Night service New Year's eve, to the founder's Birthday, April 10th, a period of 100 days of Prayerful and Outreach Endeavour across the world and this nation. Three thousand Salvationists and friends met in Massey Hall in Toronto, Ontario—the headquarters city of the Army—to dedicate themselves afresh to God and the Army on New Year's Eve.

A number of Soldiers and friends met in the Salvation Army Hall this same evening to enjoy fellowship and fun for each one before the Watchnight Service. They then met in prayer and dedication after hearing words from a book by the Founder and his voice via a record, and a message from the Scriptures relative to his life and ours as prophets for this century, as he was for his.

**THE FUTURE?**

Thus we look at the present, but what about the future? Plans have been made that these 100 days locally will be days filled with opportunities for service both to God and man. Revival classes will be held in order to prepare those in the battle for God against the enemies of their soul and thus equip them to be better citizens in their community.

Special emphasis will also be upon prayer, for without it man has control with a mass of Watch-Night service New Year's eve, to the founder's Birthday, April 10th, a period of 100 days of Prayerful and Outreach Endeavour across the world and this nation. Three thousand Salvationists and friends met in Massey Hall in Toronto, Ontario—the headquarters city of the Army—to dedicate themselves afresh to God and the Army on New Year's Eve.

A number of Soldiers and friends met in the Salvation Army Hall this same evening to enjoy fellowship and fun for each one before the Watchnight Service. They then met in prayer and dedication after hearing words from a book by the Founder and his voice via a record, and a message from the Scriptures relative to his life and

## Preparing For 100th Anniversary

Captain Oates of the Salvation Army who is in charge of the local Corps and is busy preparing for participation in the 100th anniversary observances of The Salvation Army. Captain and Mrs. Oates recently came to Vermilion from High River, Alberta.

## Deep Freeze Now In Sixth Week

The longest and coldest spell in recent years has now commenced its sixth week. The temperatures slipped well below zero the last week in November and have never really risen during the night since that time, and commencing in December, only briefly has it been above even during the daylight hours.

The cold has been accompanied by snowfalls which have gradually piled up until now the snow has become quite a problem on side roads and to farmers with feed hauling to contend with.

Stock is suffering greatly as there never has been a break to get the wind-driven snow from their coats, and with the exceptionless winds, they are chilled all the time. Many farmers are already casting anxious eyes on feed supplies.

Apart from the blizzard of Dec. 15th and 16th, there has been little interruption with the normal school attendance and routine. Attendance has been good and bus drivers make their trips steadily and on schedule, coming in for much praise.

Town water mains and gas lines have stood up well and all services have been carried on without interruption.

The low point of the winter to date was 49 below early Tuesday morning, January 7th.

All statistics are by courtesy of the Vermilion Department of Transportation Station.

DAILY TEMPERATURES

| Date | High | Low | Snow |
|---|---|---|---|
| Dec. 30 | -15 | -28 | 2 |
| Dec. 31 | -15 | -27 | |
| Jan. 1 | -30 | -27 | |
| Jan. 2 | -30 | -47 | |
| Jan. 3 | -11 | -18 | |
| Jan. 4 | -34 | -38 | |
| Jan. 5 | -22 | -40 | 1.5 |
| Jan. 6 | | -31 | |

## Fire Call At 38 Below Zero

Vermilion firemen turned out to a call at 1:15 Tuesday morning in the Clandonald area recording 38 below zero. The fire was in a small C.N.R. building and extensive damage was done to the interior by the blaze. It was thought to have started from an oil heater.

## Vermilion Old Timer Passes Away

George Emery, aged 79 years, who lived in Vermilion from 1906 to 1920 passed away at the University Hospital, Edmonton, on Saturday, Jan. 2nd. He leaves to mourn his loss his wife Hattie, two sons and four grandchildren. Carl Johnson of Vermilion is a brother-in-law.

Adam Cartwright, eldest son in the television Bonanza series will be killed in one of the February episodes. He viewed Robert's interminating his contract.

## Vermilion Lady Dies In Edmonton

On January 1st, Mrs. Elizabeth Mary Anne McKone, wife of the late Joseph McKone, passed away in hospital at the age of 77 years. She had been residing with her granddaughter Linda at 11324B 97 Street, Edmonton.

She also leaves one son Bert of Prince Rupert, B.C., and one daughter Isabel of Seattle, seven grandchildren and one great-grandchildren.

Mrs. McKone resided in Vermilion from the very early days until about 1937 when the family moved to Edmonton. The McKones were very active in promoting many worthwhile projects in Vermilion, including the arena and the original Agricultural rink.

Mrs. McKone was a life member of the Queen Esther Chapter, Order of the Eastern Star No. 22, of Vermilion.

## Mannville Elks Hold Kiddies' Day Treat

MANNVILLE — On Dec. 19th the Elks Lodge at Mannville held its annual Kiddies' Day at the local theatre. The kids were treated to a free show, pop and popcorn, the latter two items being an extra treat from Joe's Service and Gerry Dary, the Imperial Oil dealer. As the show ended the children were greeted by Santa Claus who had just arrived at the theatre with a load of treats for each of them.

Santa then journeyed to the hospital accompanied by some of the Brother Elks, where he spread his cheer among the patients and staff, leaving each one a bag of treats. Thanks are extended to Mr. Panter and staff for their help, by the Elks.

**TURKEY BANQUET**

On Dec. 20th, the Mannville Elks again held an annual affair the turkey banquet for widowers and bachelors. Thirty-seven of those gentlemen were seated at the tables and were served a delicious meal, complete with all the little extras, and served by the Elks themselves. After the meal the guests were treated to a very fine film, shown by Castle Scott, on his recent trip to Red China. This film was very interesting. The Elks thank the widowers and bachelors who came out to be their guests, despite the cold weather prevailing at the time.

## Winter Session '65 Begins At V.A.V.C.

### *Largest Enrolment In Fifteen Years*

Amidst the pounding of hammers and whining of saws in the V.A.V.C. residence the largest number of students in the last 15 years was registered for the winter session. A total of 175 student's registered in various classes on Monday, January 4th.

Besides regular classes in the various Agricultural courses, Home Economics and Commercial, a number of students are taking mathematics 30, Chemistry 30 and a new Technician course in Animal Reproduction.

**RENOVATION PROGRAM**

The public area of the residence and a part of the residential area is in the midst of a comprehensive renovation program. This will limit to some extent extra-curricular activities for the time being but regular courses will continue without interruption. The classrooms in the new Animal Science Building are ready for use. All the classrooms available will be taxed during this session.

**FIRST CLASS OF A.I.**

The first class of Artificial Insemination Technicians in Canada is in training. Students will cover extensively animal reproduction and livestock breeding. They will also receive training in Bookkeeping, Office Procedures and Filing. Upon graduation these young men will be eligible to accept employment with any A.I. Unit licensed to practise in Alberta and when they meet the apprenticeship requirements they may then become registered A.I. Technicians. Employment prospects are good and it is planned to offer this course once a year.

**NEW APPOINTMENTS**

In connection with this course, the V.A.V.C. is very pleased to announce that Dr. C. Rouget, D.V.M. of Vermilion and Mr. J. Corbiere, A.I. Technician, have been appointed to part time lecturership.

## *Islay Hospital Has Baby Derby Winner*

For the second successive year the winner of the baby derby for north-eastern Alberta was Miss Jo Ann Englund, and to a couple from Dewberry.

This year the derby winner was born to Mr. and Mrs. Vernon Keast of Dewberry. Born at 12:45 noon on Tuesday, Jan. 5th, the bouncing baby boy becomes the first brother for six sisters.

Second new arrival for 1965 was a daughter, born to Mr. and Mrs. Mervyn Lyon at the Vermilion Hospital. Mr. and Mrs. Lynch came here last August. He is a member of the teaching staff of St. Jerome's School.

One year ago the first baby born was to Mr. and Mrs. Robert Walker of Dewberry, a son, one day earlier than the winner this year, Jan. 4th, 1964.

By a coincidence the little daughter of Mr. and Mrs. Lynch arrived the same date as the first baby in the Vermilion Hospital one year ago. On that occasion it was a daughter to Mr. and Mrs. Lawrence Webb.

## A. W. Chrysler Dies at Mannville

On January 1st Albert Wallace Chrysler of Mannville passed away in the Mannville Hospital at the age of 57 years. He leaves to mourn his passing his wife Ethel, two sons, Bernard and Barry, both of Edmonton, and two daughters Mrs. Walter (Barbara) Gerhart of Edmonton and Mrs. Darrell (Bestrice) Jansen of Mannville. He also leaves all his loving friends, Mr. and Mrs. Jack Chrysler of Mannville, two brothers, Arthur and Ernest, and grandchildren.

Funeral services were held on Tuesday, Jan. 5 from the United Church in Mannville. Interment followed in Mannville Cemetery. The Rev. C. Miller of Vermilion officiated.

Donald's Funeral Home was in charge of arrangements.

## Purchase Purebred Angus Cattle

Frank Gibson and son Ernest from near Dewberry in the Riverbend Angus farm at Benalto, Alberta, ten head of Registered Angus bred cows and heifers and a registered bull were purchased by Mr. Bud McBride, manager of the farm, delivered them on Dec. 21st.

## Juvenile Bob Cats Down Maidstone

Vermilion Juvenile Bob Cats romped to a convincing seventy 7 points in a January 2nd hockey game as they downed the Maidstone Club by a score of 10 to 6 at the Stadium.

Leading the pack was Wilson with 4 points, followed by John MacLean and Barry Walsh with three points each. Gannon, Heinrichs and Neil McLean picked up two points each during the game with the remaining four points scattered among four players.

**NEXT GAME FRIDAY**

The next game in the schedule to be held in Vermilion will be at the Stadium Friday night at 8 o'clock with St. Paul Canadians the visitors.

**MINOR HOCKEY SCHEDULE**

**BANTAM**

Wednesday, Jan. 6 — 4:30 to 6 p.m., Jones vs. Bill Isley.

Thursday, Jan. 7 — 6 to 8 p.m., Bill Isley vs. Bob Isley.

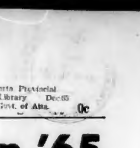
**PEEWEE**

Friday, Jan. 8 — 4:30 to 6 p.m., Winter vs. Goldsmith.

Saturday, Jan. 9 — 8 to 10 a.m., Goldsmith vs. Kent.

Sunday, Jan. 10 — 9 to 11 a.m. every Saturday.

Monday, Jan. 11 — 5 to 12 noon, Jan. 9 — Clouston vs. Winter.



MUNGO G. FORBES

## Takes Seat On County Council

Mungo G. Forbes, well known Vermilion district farmer, took his seat on the Council of the County of Vermilion River on Monday, Jan. 3rd, at the statutory meeting.

Mr. Forbes lived as a boy near Islay, moving to his present farm with the family when he was 13.

Having grown up in the district he is conversant with conditions relative to the whole area. Being a family man he is deeply interested in educational matters of the county.

Mr. Forbes is the only change in the personnel of the Vermilion River County Council. He was elected in a four candidate contest to represent Div. 3. He succeeds Mr. Don Wilson, who resigned.

**F. McGURGAN REEVE**

At the meeting Mr. F. McGulgan was re-elected reeve and Mr. Jas. D. Stone deputy-reeve.

## Ernest Brass Funeral Friday

Ernest Brass, well known Vermilion district farmer, died in the hospital on Wednesday, Jan. 6th at the age of 71 years. Mr. Brass had come to Canada in 1913 and to Vermilion in 1928.

Funeral services will be held on Friday, Jan. 8th at 2 p.m. in the First United Church. Interment will follow in the Vermilion cemetery.

Donald's Funeral Home is in charge of arrangements.

Former friends were interested to receive cards from Mrs. R. K e n n e y, formerly Mrs. W. Hawkins, who lived at Vermilion for quite a number of years.

## Tigers Earn Split In Two Games

Playing with eleven men at Lloydminster Saturday night, the short-handed Tigers were beaten by the Border Kings by a 5-3 score. Tigers had Late Arrival Barber with injuries, while Baker left his duties in Edmonton. The Tigers however seemed to thrive on the extra work and never seemed to be in danger throughout.

Notching the counters were Paterson 2, Moore 2, Frank Joyal 1.

The Tigers used a new defence man, Ron Wawryk from Edmonton who is assistant coach of the Golden Bears.

**E.A.H.L. Standings**

| Team | P | W | L | T | Pts | F | A |
|---|---|---|---|---|---|---|---|
| Veg | 8 | 7 | 1 | 0 | 14 | 56 | 32 |

Best goalkeeper, Turner of Vegreville Rangers, 4.12 goals against.

## Bantams To Play Here Saturday

The Vermilion Bantam hockey team will play Lloydminster this Saturday afternoon at 2 in the Stadium.

Vermilion Tigers lost their home appearance last Wednesday night when they bowed to Lloydminster by 6 to 4 decision. Tigers started out like winners, were out in front 2 to 1 at the end of the first period and increased this margin to 4-1 early in the second. From then on the Lloydminster Vagabonds Rangers took command and scored eight unanswered goals for a 9-4 victory.

The game was a clean one, only seven minor penalties being handed out by Referee Van Dean and Curley Breault.

**LINEUPS**

Vermilion: Hemmin, Kinnaird, Kitt, Smith, Gregory, Paterson, Baker, Fleming, B. Hart, Wall, Moore, Mink, P. Joyal, G. Hartwell, Hodgson.

Lloydminster: Turner, Kucy, Wasylik, Cowan, Townsend, Kiesman, Chelenko, Duncan, Conrad, Belcourt, Concur, Worosehuk, Shaw, Ak.

**Statistics**

1st period — Shaw-hook (Zukowsky); Joyal (Gregory); Baker (Paterson, Fleming); Pen. Kitt, Kucy.

2nd period — Paterson (Fleming); Gregory (Baker, Fleming); Cowan (Zukowsky, Shawhook); Townsend (Kucy); Chelenko (Conrad (Duncan); H. Wasylik (Townsend); Pen. B. Hartwell.

3rd period — Wasylik, Townsend, Worosehuk (Townsend); Worosehuk (Duncan); Pen. Kitt, Smith, Kingston, Kassian.

**NEXT GAMES**

Vermilion at Vegreville Wed. Jan 6th; Lloydminster at Vermilion Sat. Jan 9; Game at Vermilion Wed. Jan. 13th.

## The Army's Centenary

There are few organizations in the world which have such a secure hold on the Canadian public's admiration as The Salvation Army. This year 1965 marks the 100th birthday of the founding of this unique army of "Soldiers Without Swords", an apt description of a fighting organization whose wars have ALWAYS been waged on man's cruelest enemies — poverty and hopelessness.

Since 1865 when The Salvation Army was founded in London, England, the hearts of its members have held a lot more of the noble quality of compassion than is ordinary. Even the perennial cynics and scoffers admit to a grudging respect for its record of achievement, recognizing as do most of us, a compassion that is pure and non-discriminatory.

Through the years — and always at the community level — The Salvation Army has offered help to those in need in common-sense kind of aid, dispensed with a speed and dispatch quite remarkable in an age where red tape unwinds only at a slow and stately pace.

More than 900 centers of operation throughout Canada are at the immediate service of such disparate groups as children from underprivileged homes, lonely senior citizens, young frightened unwed mothers, alcoholics, inmates of correctional institutions, disaster victims, — indeed the homeless and forgotten everywhere.

It takes stamina to attain the ripe old age of 100, and The Salvation Army has the necessary vitality and purposes in abundance. We congratulate it on its Centennial, as in 1965 it starts another century of service to God and man.

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

### WINTERING BEEF COWS ON RESCUED RATIONS

The Central Dominion Experimental Farm at Ottawa has been conducting a series of experiments on rations for wintering beef cows. There are a lot of interesting results. Pregnant beef cows were wintered three consecutive years on four levels of feeding ranging from a high of ten pounds of hay and fifty pounds of corn silage a day to a low of five pounds of hay and twenty pounds of silage a day.

The cows on the low level feeding lost as much as one pound per day during the winter and 2½ pounds during nursing. They regained this weight during the summer when on good pasture. Calves produced by all four groups were normal and daily gain to weaning was also similar, therefore as far as production goes the l.w. level of feeding had little or no effect.

The experiment is being continued to determine long-term effects of such feeding. The experimental farm does not recommend this as a new level of feeding, but does feel it may be a helpful guide to farmers low on feed and not wishing to sell their cattle. It says that winter rations should be governed by the condition of the cows, the quality of roughage available and the pasture prospects for the coming year.

I would like to add my word of warning to not take these results too literally. It may be good practice to let your cows lose up to a pound a day (200 pounds in winter) but conditions and feeds are so different here that the rations which will do this are bound to be much different. In addition, this will have to be governed very much by the condition of your cows last fall. You must also be sure to give them adequate protein, vitamin and mineral levels. Flushing your cows up with increased feed for breeding or so before calving is also good practice.

As the experiment shows, though, you can let your cows (if they are in good shape in the fall) lose some weight during the winter with no detrimental effects.

### SURVEY SHOWS LESS GRUB DAMAGE

The amount of damage to cattle hides caused by warble grubs is gradually being reduced, according to a survey conducted earlier this year by the Meat Packers Council. Alberta and Saskatchewan showed the greatest improvement when compared to the previous survey of 1958.

Ontario hides are eight to ten per cent better than in 1958, while Quebec hides are improved by six to seven per cent. Manitoba shows a small improvement, but Saskatchewan is actually in slightly poorer position than six years ago.

The overall improvement of about five per cent is considered to be a result of better control programs involving a greater use of systemic insecticides by Canadian cattlemen.

The above was taken from "A letter on Canadian livestock products" put out by the Meat Packers Council of Canada.

### EASY TO GROW HOUSE PLANTS

Growing plants indoors with only a moderate amount of attention is simply a matter of choosing the right kinds. This is because the average home selecting plants that will thrive in low levels of light and quite dry air. Here are some you can try: the jade plant (Crassula arborescens), zebrina (Zebrina pendula), chamaidorea (Chamaidorea elegans), the snake plant (Sansevieria), the rubber plant (Ficus elastica), the aspidistra (Aspidistra elatior), ivys and several varieties of philodendron. These are all very long-suffering plants which will grow with a minimum of care. About the only thing which adversely affects them is too much water or too much fertilizer. Both these things will cause leaf drop, yellowing and other abnormalities. However, give these plants some attention and a fair amount of light and they will grow for years.

## SUNDAY AT THE ALLIANCE CHAPEL

Now members were received and the sacrament of Holy Communion was observed in the morning service at the Alliance Chapel on Sunday, Jan. 3. Pastor J. H. Bell officiated, assisted by Messrs of the church, Mr. Albert Peach and Mr. Robert Mix. The two there received were Mr. and Mrs. Den Bell

Pastor Bell spoke at both services, his sermon titles were "A Soft Pillow for Weary Hearts" and "Noah's Faith — the World's Unbelief". Piano and organ accompaniment for the singing was played by Mrs. J. H. Bell, Miss Margaret McLennan and Mrs. Den Terrell. Vocal duets were by Mrs. Al Curtis and Miss Margaret Lennan and a vocal solo by Mrs. R. Tildsbury.

Visitors from out-of-town in the services were Miss Darrell Currah and Mr. George Curran, Edmonton, visiting Mrs. Grace Currah for the week-end; Jim Pawlak, Edmonton, visiting his family.

## Allandale News

Weather — getting accustomed to the cold.

### A CHRISTMAS TREE

Though the weather was cold over a hundred gathered at the Allandale Community Hall on the evening of Dec. 22nd, for the yearly Christmas tree gathering.

A two hour concert was enjoyed—recitations, plays, songs, pantomimes, and an accordion solo. Santa arrived in his joyful manner, and had gifts and a candy bag for all the children.

Lunch ended the evening. Thanks to all who helped, and our appreciation to Alvin and Evelyn Thrasher, for their extra work—warming the hall, and cleaning the yard of snow.

Mr. and Mrs. Vernon Nelson and family were at the home of Mr. and Mrs. Lee Nelson and family on Christmas day.

Mr. and Mrs. Idelore Nelson and son Leslie were at the home of Mr. and Mrs. Jimmy Martin and family on Christmas day.

Mrs. Mary Wilson and family, and Mr. and Mrs. Ernest Dennison were at the home of Mr. and Mrs. Donald Wilson and family.

All at the home of Mr. and Mrs. Ralph Stromne were Mr. and Mrs. Alvin Thrasher and family, Mr. and Mrs. Gus Throndson of Vermilion, and Mr. and Mrs. Cliff Sheppard and daughters Patti and Donna of Kitscoty.

Mr. and Mrs. Cec. (Frances) Parchewsky and family were with Frances' mother, Mrs. Lee Beisech of Vermilion.

Mr. and Mrs. Steve Gordey and family will have Stella's mother, Mrs. Nick Nastiuk of Mannville, join them. Steve, Stella and family have moved into their new home, and are enjoying the warmth of a modern home.

At the home of Mr. and Mrs. Herb McPhee and sons Leonard and Billie were their daughter Irene of Edmonton, daughter Myrna and Tom King, Mr. and Mrs. John David, Mr. Dave McPhee and daughter Joan of Vermilion, and brothers Norman and Lorne from Pelican Lake.

Mr. and Mrs. Jimmy Arm strong and family had as their guests Albert Armstrong of Kitscoty, and parents, Mr. and Mrs. William Armstrong, and Mr. and Mrs. William Krasar of Vermilion.

Pleased to hear Mrs. Norn Ronaghan is out of the hospital. She spent Christmas with her daughter Rena, Mr. and Mrs. Leslie Sherwood and family.

Mr. and Mrs. Harry Butler and family, and Grandma Butler of Vermilion, spent Christmas with Jean's mother and brother, Mrs. W. Landells and George, north and east of Islay.

Mr. and Mrs. Tommy Roehford and family were home for the day.

Mrs. Mabel Lee spent Christmas with her daughter Isabel, and family at Sherwood Park. She will holiday with her daughter Anna, Mr. and Mrs. Ernie Strang and family of Lloydminster for New Year's.

As 1965 stretches out, may you all find A Blessed Year, full of happiness, contentment, and the best of health. May your dreams all come true, for dreaming is an act of hope, and working to make those dreams a reality, is an act of faith." Happy New Year, all."

## U.S. Social Security Official Invites Calls

Mr. Raymond Pedersen, representative of the United States Social Security Administration will be at Consulate General, Calgary, on January 9th and 16th. Persons having questions regarding the U.S. Social Security system are invited to call or write to the Consulate General at 802 Eighth Avenue West, telephone 266-8962.

## Announcement

We wish to announce that we have purchased the Vermilion Bowl formerly owned and operated by Steve Zazulak and Bill Karmas. Effective December 31, 1964.

The Vermilion Bowl will continue to operate as a well run family recreation centre.

*Mr. and Mrs. BILL HOWE*

## THANK YOU!

We have sold the Vermilion Bowl to Mr. and Mrs. William Howe, effective December 31, 1964.

We wish to thank everyone for their patronage and support in the past, and hope the same co-operation will be extended by the bowling public to the new owners.

*Steve Zazulak*

*Bill Karmas*

## Help Wanted

### The Town of Vermilion, Alberta

Requires a works superintendent. This man is to be responsible for, and to direct the overall works program, to include public works, garbage removal, waterworks, cemetery, parks, boulevards and any other work of the Town. There will be 10 to 12 men to supervise and direct.

Knowledge of this type of work is necessary and engineering or surveying experience helpful. Kindly state experience and qualifications, age and marital status, and salary expected.

Duties to commence March 1, 1965, and applications to be in the hands of the undersigned by January 18, 1965.

D. P. MITCHELL,
Secretary-Treasurer,
Town of Vermilion.

## Mrs. May Snelgrove, Pioneer, Laid To Rest

Funeral services were held at St. Saviour's Anglican Church, on Monday, Dec. 7th for May Gertrude, age 71 years, widow of Stephen Charles Snelgrove, who died in 1947. The Rev. B.A. Hart officiated.

Mrs. Snelgrove came to Vermilion in March, 1906, from Bristol, England, with her mother, brothers and sisters to join her father, brother Alfred and sister Edith, who were in residence here. She was married in 1905 in advance of the railroad. She leaves to mourn, three sons, Stephen, Tom and Maurice of Fairview, Alberta, Edward of Calgary and Robert of Vermilion; six daughters, Mrs. W. (Margaret) McDonald, Vermilion, Mrs. W. (Alfreda) Dixon, Vermilion, Mrs. Doris Rice, Yakima, Wash., U.S.A., Miss Evelyn Snelgrove, Vancouver, B.C., Mrs. R. A. (Blanche) Henry, Vancouver, B.C., Mrs. Verne (Ellen) Marsh, Scarboro, Ont., thirty-three grandchildren and four great grandchildren; four sisters and three brothers, as well as a host of friends in the community. A large attendance at the church, testified of the esteem in which the deceased was held.

Now the labourer's task is o'er
Now the battle day is past
Now upon the farther shore
Lands the voyager at last.
Father in Thy gracious keeping
Leave we now Thy servant sleep-ing.

Pallbearers were L. C. Hicks, Harper Gunderson, Mr. Lee Beisech, O'Neill, Hugh Pearman, E. H. Buckingham.

Donald's Funeral Home was in charge of arrangements.

### CARD OF THANKS

We wish to extend sincere thanks and appreciation to our friends and neighbors for the floral and memorial tributes in memory of our mother, Mrs. E. J. Hart, the pallbearers and all the others who helped in so many ways.

The Snelgrove Family.
Alfreda and Bill.
Marguerite and Ward.
Margaret and Bob.

## 6½ Million Income Tax Forms Are Now In the Mail

The massive mailing of 6½ million personal income tax forms direct to taxpayers is scheduled to begin on Jan. 8. This is a new method of distributing tax forms according to an announcement from the Department of National Revenue.

In addition, farmers and fishermen, for whom a special "Farmer and Fisherman's Guide" is printed, will be receiving these about one week before they get their tax forms.

Ever taxpayer who filed last year will receive a "personalized" tax form with his own name, address and identification number, together with an extra copy to keep for their records. Included will be a tax guide, a brochure explaining the new procedure and a return envelope.

Taxpayers should begin receiving their forms in Alberta, British Columbia and Saskatchewan Jan. 18th.

In the past, employee taxpayers got their forms from their employers. Self - employed people, including farmers and fishermen, picked up their forms at the post office.

New taxpayers, taxpayers who spoil their "personalized" returns or who do not receive them because they may have moved during the year, may get extra forms at their local post office or district taxation offices.

## Ice Capades

The well-known adagio team, Dick and Janice Maxfield, perform their amazing lifts and graceful ballet on ice in "A Salute to Jerome Kern" and in "Viva Italia", two of six magnificent production numbers and twenty great acts in the all-new 1965 edition of Ice Capades which opens Tuesday, Jan. 12th for a 5-day engagement at the Edmonton Gardens.

I'm Waiting For CRAIG'S CLEARANCE

# NEWS from ISLAY

(Held over from last week)

Some very colorful decorations on the homes in Islay were seen for the holidays.

Family gatherings were many over the holiday season. At the Dave Martin home for Christmas Day there were twenty-four in all; Betty and Dave Laycock were home; Dianne and Miss Rose Keiser down from Edmonton; the Bill Hancocks, the Dan Marrs, the Midgleys and Onets and Artie Kent.

Rabbi and Bessie Anderson were at the Bill Young home in Dewberry for Christmas.

Elaine Hanna and Harold Brown were down from Edmonton, and they, with Mrs. Lee Hanna, the Bob Barnett and the Jamieson families, were at the home of Mr. and Mrs. Lloyd Hanna at Hardeline.

Mrs. Sybil Posburun of Calgary is visiting her grandma, Mrs. Pearce. At the Bill Axley home, a family gathering. Mr and Mrs. Monroe and Tom, the Bob Fluppart family, the Jimmie Monroe family from Bad Deerford, and Mr. Sheppard Sr and Ken from Edmonton.

Saturday evening Mr. and Mrs. Bill Axley visited Mr. and Mrs. Jack Bowman.

Mrs. Faye Critchley (McLennan) who is in hospital in Edmonton is quite on the way to recovery. She was greatly missed at the family gathering at the new home of Mr. and Mrs. Bruce McLennan. Mr. Vince Critchley was down from Prince George to be with Mrs. Critchley and came on down to Islay to have Christmas with his children Ken and Carol and the McLennan family. Also at this gathering was Mrs. Betty Olsen of Kitscoty, Mr. and Mrs. Ken McLennan, Mr. and Mrs. Clifford McLennan and Miss Margaret.

All here are quite proud of Dalt Torrance who acted the Highway Good Samaritan. We have since learned that it was Gordon Edward's Drug store at Wainwright he stopped and Gordon gave first aid to the lady before Dalt took her on to an Edmonton hospital. Gordon, many will remember, was druggist here several years ago, then went to Mayerthorpe. He recently sold there and is now in Edmonton at 10543 Saskatchewan Drive.

Mr. and Mrs. Lyle Anson and Iris spent the day with Mrs. Thelma Armstrong and family.

Mr. and Mrs. Don MacFadyen had as guests at their home Mrs. Lily MacFadyen and Billy. Jack and Ruth Knowle, Mary and Emmett Tarnstrom. On Sunday all were at the home of Jack and Ruth.

There was a family gathering at the Schaffner home, brother Douglas Olds, also Mr. and Mrs. Adam Ducsek and two children from Vermilion.

Noticed home from the U. of A. Jim Marie, Joanne Redmond, Gerald Inman, and from Tech, Jim Shaw.

### CARD OF THANKS

I wish to extend my sincere thanks for the gifts, money, cards and good wishes received on my Christmas time. Such kindness and generosity will never be forgotten.

Mrs. Ada Fraser,
Vermilion Valley Lodge.

According to our scientist, the Islay Standard could store about 90 times more information than is contained in the 9,000 volumes of the Library of Congress.

### CARD OF THANKS

We wish to thank Dr. Evans, Dr. Stephens, Miss Jean McPhee, the nurses and staff of the Vermilion Hospital for the kindness and care we received while patients there. Thanks to the Rev. C. Keenan, Rev. C. Gauthier, Mrs. Margaret Herman and our kind neighbors and friends from Vermilion and Mannville for the acts of kindness, cards and letters, our heartfelt thanks.

Mr. and Mrs. Jim McLaughlin.

### CARD OF THANKS

We wish to extend our heartfelt thanks to everyone who helped us in any way during our bereavements, father and grandfather, John McMorrow on June 1st 1963; mother and grandmother, December 19th, 1964. Mrs. Mary McMorrow.

Words cannot fully express our sincere appreciation of the thoughtfulness shown by so many.

The McMorrow and Logan Families.

### CARD OF THANKS

We wish to thank our friends and relatives for the lovely gifts and cards received on the occasion of our Silver Wedding Anniversary. Special thanks to those who went to all the work of making this such a happy event.

Lorentz and Therese.

### CARD OF THANKS

We wish to express our deep appreciation to friends and neighbors for all the kindness shown us in our recent bereavement. Thank you.

The Daley Family.

In memory of Ken Urquhart to the Retarded Children's Fund: Mrs. A. Manyluk, Melvin and Olga.

## Death of Mrs. Flora Jane Husby

Mrs. Flora Jane Husby passed away on Friday, December 25th at Edmonton, Alberta. She was 52 years of age.

Born, Flora Jane McDougall, in 1912, she lived all her early life in Mount Forest, Ontario. She was a registered nurse, having taken her training in Scranton, N.Y. All her married years were spent in southern Saskatchewan. In 1962 Mrs. Husby came to Vermilion and took up residence in the Valley Lodge. In February, 1964, she was transferred to Clareross where she passed away.

Mrs. Husby was predeceased by her husband Paul Martin Husby, in 1958. She is survived by three sons, Paul of Rexdale, Ont.; Philip of Grande Prairie; Archie of Vermilion, and twelve grandchildren.

A family funeral service was held in Donald's Funeral Chapel, Vermilion, on Sunday, Dec. 27th at 2 p.m. with the Rev. Carlton Miller officiating.

Interment was in Mooseomin cemetery where graveside service was held on Tuesday, Dec. 29 at 4:30 p.m. with Rev. Sinnard officiating.

Pallbearers were Messrs. I. Burden, A. Watt, T. Moomtney, S. Ramsdale, F. Jenkins and M. Sanderson.

Donald's Funeral Home, Vermilion and Carnadden Funeral Home, Mooseomin, were in charge of arrangements.

## 16 Years Ago Today

**JAN. 6th, 1949**

Stores began closing at 7 p.m. on Saturdays for the winter.

A new water line was hooked up at Clandonald marking the most important development in years.

Hairauthers opened a new meat market and locker service.

Mrs. Melvin Hill was elected president of the Canadian Legion W.A.

The weather was on its best behavior for Christmas Day and the week following. Temperatures were well above zero and roads open. On Jan. 3rd the temperature was in a low of 40 below, but on Jan. 5th a chinook swept in and the ice melt that snow is mellow and streets are slushy.

* * *

## 32 Years Ago Today

**JAN. 5th, 1933**

Art Wiebe was called to report to the Chicago Blackhawks. He had been with the St. Louis Greyhounds.

Harry W. Harper, manager of the Royal Bank, and Col. Hugh Watson were given a farewell party by the Board of Trade.

The Vic Waldenbergers rink won the New Year's Bonspiel at the local rink with Vern Cloppenburg's rink second by one rock.

Vermilion Seniors had four wins and no defeats in the Big Four Hockey League.

Following a cold snap when, in the mercury dropped to 26 below zero and which lasted for several days, the weather moderated on Wednesday afternoon. Forecast is for mild weather.

Turkeys were being advertised for 6c a lb. at the Davies' Meat Market in Vermilion.

* * *

## 48 Years Ago Today

**JAN. 2nd, 1917**

A beautiful new altar has been placed in St. Saviour's church by J. M. Bateman as a memorial for his father.

The New Year's Day Bonspiel held by the local club was won by the Bill Twiford rink.

Wm. F. MacKenzie was installed as Master of the Masonic Lodge No. 24. Immediate Past Master was Harry Taylor.

The Boston Clothing Store was advertising a January clearance sale with the leading lines being offered a limited style basis at $7.75 each.

## BIRTHS

Born at the Vermilion Municipal Hospital to:

**KEYS** — Mr. and Mrs. Paul Krys, on Dec. 29th, a boy, Murray Lee.

**CLARY** — Mr. and Mrs. Ron Clary, on Dec. 31st, a boy, Steve Clayton.

**LYNCH** — Mr. and Mrs. Mervyn Lynch, on Dec. 30th, a girl (Vermilion Hospital's New Year's Baby).

## Islay Locals

Mr. and Mrs. Percy Golby left on Christmas morning by CN Railway to spend the day with their daughter and family in Edmonton. The following day they were guests with Mr. and Mrs. Raymond Cossbow where several friends and relatives called. Those included Mr. and Mrs. Ernie Fletcher (the former Helen Cocsbow) and young daughter Dianne from Bad Deer and Mrs. Fred Gould from Islay.

Mr. Jimmy Dakin, 17, of A. student, was home to spend Christmas with his parents Mr. and Mrs. John Maire.

Mr. and Mrs. Alf Purser and daughters Lynn and Leona were Christmas Day guests with Mr. and Mrs. Jack Cossbow.

Mr. and Mrs. Clarence Flood of Edmonton spent Christmas with the latter's parent's Mr. and Mrs. Ed McFadyen. They were their former guests on Saturday with Mr and Mrs. John Maire.

Mr. and Mrs. Harold Fowlie and Ellen Louise from Valley view, were home with Garry's parents, Mr. and Mrs. R. Fowlie for Christmas Day.

Mr. and Mrs. Wm. Potvin and Brent from Wainwright came home on Sunday, a Russian Christmas celebration was enjoyed. Callers during the evening were Miss Maurie Hanna, Mr. and Mrs. Gary Gardiner from Marwayne.

Mr. and Mrs. Roger Leon, Ronnell and Andrea of Edmonton visited during Christmas week on the latter's aunt and uncle, Mr. and Mrs. W. Potvin.

Mr. and Mrs. Freeman French came to dinner on Wednesday with Mr. and Mrs. W. Potvin, also calling in the evening were Mr. and Mrs. Maire, Gerald and Johnny. A very enthusiastic game of bridge took place.

All were sorry to learn that Leon Roberge, four-year-old son of Mr. and Mrs. Art Roberge of Lloydminster, was a patient at the Aberhart Memorial Hospital in Edmonton. He has been there since last June and all wish him an early recovery.

Mrs. Sylvia Gould left Dec. 18 to spend a few days in Edmonton with son Maurice and family. She then went on to Wetaskiwin court to spend Christmas with her daughter Mrs. Laura Thatcher and family.

Mr. Omar Easton and his nephew came to take him to a family reunion of the Eastons in Edmonton. Omar is the only surviving uncle.

Mrs. A. Mercier is at present recuperating at the Islay Hospital.

Mr. and Mrs. Percy Golby were visitors with Mrs. Laura Dupuit and family last week.

# Health Unit Notes

**SABIN PROGRAM FOR 1965**
**January — April**

Concerns: Adults, school children, pre-schoolers and some infants.

Eligible are: Adults who have had three injections of Salk vaccine (polio) before Christmas who have had four injections of Trivalent (diphtheria, tetanus and polio) or three injections of polio; preschoolers and infants who have had four injections of Quad (whooping cough, diphteria, tetanus and polio; adults and school children who have had 3 injections of Bial (tetanus and polio).

For those who have had two doses of Sabin (oral polio) no further reinforcement is necessary at this time. For those who have had one dose (one sugar lump) please return for your second dose.

The two doses of Sabin are given not less than six weeks apart. The Sabin feedings will be conducted at regular Well Baby Clinics during the four month period Jan. to April. Would the adults please attend the Well Baby Clinics in their district for their Sabin feedings.

The school children will be given their Sabin feedings at schools.

Please read the Standard and listen to your radio, and for further information please contact your local Health Unit either in Vermilion phone 853-2201 in Wainwright phone 842-4077.

We would appreciate your assistance in making this program a success. Polio vaccine injections plus Sabin oral feedings gives you almost 100% protection against the crippling disease of poliomyelitis.

### WELL BABY CLINICS

Monday, Jan. 11th — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.; Derwent (School) 10:30 to 12 noon.

THE Homemakers
BY CAROL B. CURRIE
BEFORE YOU BUY A CARPET WHAT YOU SHOULD KNOW—
The vast choice and variety may overwhelm you. It is difficult to keep informed on the ever - widening world of carpet developing. Although buying a carpet or rug can be a very exciting adventure in home decorating, it can also be one of the most unsatisfactory purchases. This year she has more fibres, construction and colors to choose from than ever before. To make sure you get your money's worth in carpeting, it is a good plan to do a little research beforehand. Send for booklets and samples, review newspapers, magazines, advertisements and mail order catalogs to compare prices and the types of carpeting available.
Beware of "bargains". The word free is often used to mislead the consumer. If the carpeting is to be installed free or the padding is included with the cost of the carpet — ask for the individual prices. Chances are you are paying for the added services and buying a poorer carpet. Good carpeting is sold by price per square yard. Any bargain should include information telling the fibre content.
Is the carpet guaranteed? Check for a written guarantee which should state the manufacturer and the wear and conditions of the warranty. What about repairs, replacement, refunds, etc? Be sure you receive a sales slip or contract stating the manufacturer, trade name, fibre content, price per square yard and number of square yards purchased.
What color should you buy? Remember, the dull and dark shades hide soil best. The lighter and brighter colors tend to show the soil more easily. Blues, greens, violet hores, and browns or beiges along with grey tend to conceal the soil best. Brown beige will not gray as will the rose-beige colors.
Which fibre suits you best? No matter which fibre you buy, note that there are excellent and poor qualities available in each fibre type. Wool, nylon and acrylic fibres are the most crush resistant while rayon and cotton pile carpets are less resilient. Fibre is determined by the pile density. The firm, solid-pile carpets look the best and wear well. A good quality carpet contains 25 oz. of wool fibre per sq. in.; 25 oz. acrylic; 20 oz. nylon, 30 oz. rayon, 24 oz. cotton, 22 oz. polypropylene. The carpet backing should be firm yet flexible.
A Reminder: The term "Broadloom" describes a width of carpet (not the type of weave or the style). It means any seamless carpet made on looms six feet wide or greater.
Mrs. Tom Brugger writes from R.R. 5, Edmonton, stating that she has enjoyed receiving the Standard for the past year and is looking forward to all the coming issues in 1965.

## LOCAL NEWS

Mr. and Mrs. Bob Carmichael of Calgary were visiting in town during the holiday season renewing old acquaintances.

At the home of Mr. and Mrs. E. Roehl on Christmas Day were Mr. and Mrs. Joe Ratcliffe and daughters, from Edmonton; Mr. and Mrs. Robt. Carmichael and little Colette, of Calgary; son Herbert of Lindberg and Mr. and Mrs. Russell Sutton and family of Lashburn.

AC2 Brian Carlson arrived at his home on Dec. 21st from St. Joan P.Q., for the Christmas holidays. He is taking a Medical Assistance Course in the R.C.A.F. Brian left Edmonton by jet Dec. 31 for further training at Camp Borden.

Mr. and Mrs. Walter Carlson of Islay entertained 18 persons to dinner Christmas Day. Those present were Mr. and Mrs. Bill Carlson and family, Don, Dianne and two children and their son Brian from St. Jean, Que.

Bob and Betty Stonehouse of Wetaskiwin and children Robert and Richard spent Christmas with Bob's mother, Mrs. Lillian Stonehouse. They also visited over the week-end with Betty's parents Mr. and Mrs. Lyle Hudson and with brother Bill and Darlene at the farm.

Visiting at the home of Mr. and Mrs. Russell Bramwell over the New Year holiday week were Russell's sister and family from Meadow Lake, Saskatchewan. Mr. and Mrs. Keith Griffiths and their daughters Sherilyn Karen, Val and Penny.

Mr. and Mrs. Bob Martin and daughters of Edmonton were guests at New Year's at the home of Mr. and Mrs. George Swiffert.

Mr. and Mrs. Bernie Ackerman of Edmonton were guests at the home of Mr. and Mrs. Carmen Long.

Miss Patricia Stewart, U. of A. student, returned on Sunday to Edmonton after spending the Yuletide holidays with her parents, Mr. and Mrs. Fred Stewart.

Mr. and Mrs. Bill Pettigrew spent New Year's at the home of their daughter and son-in-law and family, Mr. and Mrs. Gary Fleshelman and family at Rocky Mountain House. Their grandson Kevin accompanied them home and will visit his grandparents for awhile.

A further donation in memory of Mr. Lou Bowyer, to the Inland United Church Building Fund has been received from Mr. and Mrs. Bert Gould.

Mrs. Jessie Burns returned on Wednesday, Dec. 30th from a trip to Toronto. She visited in St. Petersburg, Fla., for two weeks. The trip was made by car in company with Mr. and Mrs. Clif Smallwood of Lloydminster. Mrs. Smallwood is a sister-in-law of Mrs. Burns.

The home of Mr. and Mrs. W. Pettigrew was the scene of a family gathering at Christmas time with those present being Mr. and Mrs. Ken Miller and five children from Forestburg; Mr. and Mrs. Gerald Miller and son Roddie of Hardisty and Mr. and Mrs. Donald Miller and two children from Edmonton.

Mr. Ernest Seal of Willowdale, Ont., is in town for a few days on business, having come up from Edmonton where he visited with his brother and sister-in-law Mr. and Mrs. G. L. Dobko and grandchildren of St. Albert over the New Year's holiday.

Mr. and Mrs. Allan Gannon and family of St. Albert were visitors at the home of parents of both, Mr. and Mrs. Cecil Gannon and Mrs. Verna Cooper for the holiday week. They returned home on Saturday afternoon.

Welding School Planned

A Lincoln Farm Welding school will be held at George C. Webb and Sons in Vermilion starting Tuesday, Jan. 19th at 7:30 p.m. The classes will continue for four weeks.

Full details and an entry form will be published in next week's Standard. ad/c

### BOWLING

## Marwayne News

(Held over from last week.)

Congratulations to Mr. and Mrs. Ron MacAfee, a former Marwayne student, who were married in Edmonton, Saturday December 19th. Mr. and Mrs. W. Meiklejohn and Mr. and Mrs. Ted Carson attended the wedding.

Joe Tow son of Mr. and Mrs. Dan Tow of the R.C.M.P. is now stationed at New Westminster.

Mr. and Mrs. Doc Cooke and family have moved into their new home. Mrs. Wellman will move into the Currie house just vacated by the Cookes. Mr. and Mrs. Dennis Mock and daughter have moved into the Vernie Franklin house and Mr. and Mrs. Billy Keown and family in the Utz house.

The children started skating in the new arena on Friday, December 18th. The first hockey game was played on Tuesday, December 22nd between Paradise Hill and Marwayne Comets. The score was 8 to 3 for Marwayne. There was a good attendance for the first game and much enjoyed by all. The Comettes are asking everyone to please put Nabob coupons in the jars placed in the Curtis, Berg and Co-op stores for a second coffee urn for the arena booth.

Lloyd Kenny is the manager of the new bulk oil station here. A cordial welcome is extended to Mr. Kenny.

Miss Dorothy Mathison of Dewberry is now employed in the bank.

Miss Eunice Gray left on Saturday morning to spend the rest of the holidays with a friend in Portland, Oregon.

Some of those home for the holiday season were Audrey Hardcock, Allen Midgley, Harvey Graham, Billy Curtis, Chris Swan, Grant Spence, Joan Harrington, Linda Folinsbi, Ella Daull, Dale Tanner.

Mrs. Duncan Addison and Phoebe Joy of Vancouver, B.C. visited with friends here for Christmas.

Piano pupils of Miss Margot Folinsbi and Mrs. Margaret Wilson gave a very pleasing recital in the United Church on Monday, December 21st. The program included an instrumental number by Marilyn Hathaway and a chorus of carols as well as piano numbers. Lunch was served to all.

Sincere sympathy of the community is extended to Mrs. John Tyner and family in the very sudden passing of Mr. Tyner on Christmas morning in Lloydminster hospital. Mr. Tyner was a very old timer of the Willowlea District; he would have been 81 years of age shortly.

Happy New Year, all.

## ISLAY

There will be no church service in the United Church on Sunday Jan. 10th as Rev. Mr. Richardson is to take the service in Grace United, Lloydminster, it being the beginning of the Week of Prayer. You are welcome at all these services all through the week.

Sunday school is now at 11 a.m. There are classes for all ages. Try and attend.

The New Year's Eve dance in Islay was again a success. The Gould orchestra supplied music which seemed to be enjoyed by all. A nice and enjoyable time was reported with the usual fun makers and the special night lunch.

## NEWS from Clandonald

The weather continues to be very "cool".

The Boxing Night dance, sponsored by the curling club, was well attended, although proceeds showed attendance was down 98 from last year.

Many were home for Christmas, among them being: Marvin Chupka, Wayne Goddard and Teresa Cusack, daughter of Mr. and Mrs. Sid Cusack, from the University of Alberta; Edmonton; Ivan Olsen, from Edmonton, where he is taking an X-ray technician's course; Frances Logan of the bank staff, Coronation; Ellen Logan, Johnny Chatchum, Joe and Anna Leslie, Gussie and Harriet Stuparik, all of Edmonton; Mr. and Mrs. Bobbie Shyska and the former's brother Bill Shyska.

Mr. and Mrs. Nick Malcevec had their son home from Edmonton.

Vivian Trost flew home from the U. of A. to visit her parents Mr. and Mrs. Walter Trost. Lee Trost came from Edmonton and Mitchell from Lethebrige to complete the family reunion.

Mr. and Mrs. Russell Olsen and two children of Port Alberni, B.C., visited the former's uncle, Arnold Olsen and family. Russell is the son of Mr. and Mrs. Dave Olsen.

The Goddard family motored to Dunsmuir for New Year's and visited with relatives in and around there.

Molineux family spent New Year's with Mrs. Molineux's sister, the Romanchuks were in Lloydminster.

Joan Leslie of Tofield came home Christmas Day and spent several days with her parents.

Another big business transaction has taken place here. The Red & White store was sold by Ivy and Henry Dyjar, has been purchased by Bill Specht of the United Purity store. We are all sorry to see another business place close its doors.

Mr. and Mrs. Harry Harcutter and little son visited Mrs. Harcutter's parents, Mr. and Mrs. Rock Dupuis.

Friends will be interested to know that Pat Sachala has just married in Edmonton on Dec. 12. Congratulations and best of wishes from her friends here.

Those who remember Pam and Chen Campbell, elocutor support here several years ago, might be interested in a recital given by in Edmonton now. Joanne is in nurses training and Lorne is in Grade 10.

News of Alex Grant and three children who also moved to Edmonton several years ago. Jimmy the eldest boy is taking Commercial Art at Victoria Composite High School. Muriel is in her second year of psychiatric nursing and doing very well. Johnny, the youngest boy worked in B.C. all summer, but is now

as we may.

We stand corrupt in the method of a door

Thief closes now on all that's gone before.

Like irretrievable, and angels keep

The record till its harvest we shall reap.

Store yesterday is buried with the past.

We can't overlit it, for the die is cast.

The past is static; nothing we do now

Can change the record or new life endow.

The future is dynamic: that's our clue.

To transfigure it by everything we do.

Make your resolutions; make them great,

As God now leads you through this New Year's Gate.

## Christmas Party Held at Vermilion Valley Lodge

On the Tuesday before Christmas residents at Vermilion Valley Lodge enjoyed a Christmas dinner at which they entertained guests. A Christmas tree and party. At the dinner the invited guests were Ashley Cooper, M.L.A. and Mrs. Cooper, Charles Thompson, chairman of the Board of the Vermilion Valley Lodge and Mrs. Thompson, Captain and Mrs. Oates of the Salvation Army. Mr. and Mrs. Ernest Gendenning, Mr. and Mrs. Charles Barr who entertained with several musical numbers, Mr. R. Feenstra and Mr. Raymond Mercier, good and helpful friends of the lodge guests.

Following the dinner Santa made his appearance and gifts were distributed. The Christmas tree is decorated in the lovely and spacious games room, and here Santa is seen starting his pleasant task of handing out gifts. Santa, as you will probably recognize, is one of the Lodge guests, Mr. Ernie Brailsford.

Others appearing in the picture are, from the left, Mrs. Kuruez, Santa, Mrs. McClelland, Mrs. Wilson, Miss Craig, Mrs. Tremlett.

## Ganton-Watson Red Cross Holds Annual Meeting

The annual meeting of Ganton-Watson Red Cross Auxiliary was held at the home of Mrs. Dorothy Setzer on Dec. 9th. After the usual meeting procedure the ten members present heard the reports of the different committees which were held during the year. Mrs. Setzer was re-elected president for the coming year. Mrs. Ethel Hall was elected secretary-treasurer.

Christmas parties were held for the children of the district. Donations were made to TB seals, to an orphanage in Seoul, Korea, to UNICEF Seoul Fund, to March of Dimes and Vermilion Red Cross Branch. A child was sponsored through the Canadian Save the Children Fund, a boy of nine from Pusan, Korea. Cards and gifts were sent to three new members in the auxiliary and cards sent to others, and get well cards, fifteen in all. Money for all these enterprises was raised by events, collections, donations, sale of Christmas cards, etc., a successful tea and bazaar.

The proceeds of the latter enables the auxiliary to carry on the care of their sponsored child for another year. The members wish to extend special thanks to non members who so kindly donated food and bazaar articles, coal, and help to get the hall ready and warm to make the arrangements for the bazaar a success it was to carry on this special work.

The following officers were elected for 1965: President, Mrs. Dorothy Setzer; Vice-Pres., Mrs. Flo Midgley; Treas., Mrs. Margaret Watson; Sec'y., Mrs. Dolly Van Wagenengen; Sick Convener, Mrs. Betty Lysenko; Work Committee, Mrs. Mary McGrath, Mrs. Dorothy Setzer and Mrs. Flo Midgley.

It was 25 years ago on Dec. 9th, 1939, this auxiliary was formed at the home of Mrs. Clarence Watson with those then members joining and the following are the present Mrs. Flo Preston and Mrs. E. Hind, seven have passed away, here are still five of the original members in the group, Mrs. M. Watson, Mrs. A. Postlewaith, Mrs. M. McGrath, Mrs. D. Van Wagenengen and Mrs. Dorothy Setzer.

## Pastor Uniat Issues New Year's Message

The following New Year's Message is issued by Rev. Father E. Uniat, pastor of North-Eastern Alberta Seventh Day Adventist Churches:

The old year has gone. We are all aware of the fact that time waits for no man. Each passing moment is an eternity which we must some day meet. What a solemn thought! Thousands of time are slowly but surely slipping by. Each year brings with it the accumulation of problems and realities, all of which remind us that we are living in a world of sin and that we all need God and His saving grace in our daily lives.

As we face another year, with the old year's debts cancelled with us, let us look forward in faith and put our trust in God who is our creator, maker and friend. Let us take time to get acquainted with Him through the reading of His holy word and by having communion with Him in prayer. For indeed, we know that to know Him is life eternal, for "And this is life eternal, that they might know Thee the only true God, friends, is a knowledge that transforms man into His image of God. It gives to man the mastery of himself, bringing every impulse and passion under the control of the higher powers of the mind. It brings Him into communion with the minds of the infinite, and fills Him with the rich treasures of universe.

So let us all, dear friends, as we enter the new year, seek this knowledge that we may truly live. Then will dawn upon us of a truly happy new year, a year full of blessing and good will. Let me conclude my message in the words of A. A. Fetah, who said:

"Another New Year's gate now opens wide,
Inviting us to come and look inside
And turn our eyes from history that is dead
To prophecies and dreams that lie ahead.
The future is before us, and the duty
Given us the chance to mold it as we may.
Let us not fear the future, but go forward
Into the year with courage and with prayer,
Knowing that God is with us and will guide
Our every step, if we but seek His care."

Our Constant Search For Added Knowledge

The practice of pharmacy requires us to be informed about the new drugs which are continually being discovered. Your prescriptions now contain very few of the medicines we learned about in college.

We read the medical and pharmacy journals, evaluate their clinical reports and keep in close contact with physicians so that we will have in stock whatever is prescribed.

## NOTHING BUT THE TRUTH by Arnold

## WILDMERE WINKS

Happy New Year to everyone! The cold weather persists even though it did get up to 27 above on Jan. 1st, and back to 12 below on Jan. 2nd.

The Christmas concert was again an outstanding success. Santa Claus made his usual visit to find a well-laden tree. Treats are and pupils are to be congratulated on such a fine performance. Having the party at the hall made plenty of room for a good-sized crowd.

Mr. and Mrs. David Dibben and family went to Red Deer to spend Christmas with Mrs. Dibben's parents.

Mr. and Mrs. Ken Shepherd and family of Edmonton spent Christmas at the Crothers home where all the members of the family were able to be present.

Mr. and Mrs. Bob Shepherd of Edmonton spent Christmas at the Albert Smith home.

Mr. and Mrs. Wm. Smith, Adam and Linda, B.C. spent Christmas in Edmonton visiting relatives.

Mr. and Mrs. C. Wilson spent a few days in Edmonton visiting their daughter Mr. and Mrs. Gordon Bell and family and Mrs. Wilson's mother who is in the hospital.

Diana and Georgina Smith, daughters of Mr. and Mrs. Norman Smith of Edmonton, spent a few days visiting their uncle and aunts Mr. and Mrs. William Smith.

Mr. and Mrs. Albert Matteau and family of Edmonton visited the Hornby and Smith home over New Year's.

Mr. and Mrs. Dan Ford and family of Edmonton visited the Norman home and family in town over the New Year's week-end.

Sincerest sympathy is extended to Mrs. Yvonne Prest of Calgary, the former Miss Yvonne Smith, on the loss of her eldest son in a car accident on Dec. 31st. Mrs. Crothers went to Calgary to attend the funeral.

The New Year's dance was well attended and was the usual gala affair.

Mrs. Bob Smith left Monday to spend her daughter and family, Mr. and Mrs. Raymond Lynch in Illinois.

Everybody back to work and students back to school after a long stretch until Easter. Good luck to all and may 1965 be as good to us as 1964 with health and happiness in abundance.

## Christmas Party Held at Vermilion Valley Lodge

On the Tuesday before Christmas residents at Vermilion Valley Lodge enjoyed a Christmas dinner at which they entertained guests. A Christmas tree and party. At the dinner the invited guests were Ashley Cooper, M.L.A. and Mrs. Cooper, Charles Thompson, chairman of the Board of the Vermilion Valley Lodge and Mrs. Thompson, Captain and Mrs. Oates of the Salvation Army. Mr. and Mrs. Ernest Gendenning, Mr. and Mrs. Charles Barr who entertained with several musical numbers, Mr. R. Feenstra and Mr. Raymond Mercier, good and helpful friends of the lodge guests.

Following the dinner Santa made his appearance and gifts were distributed. The Christmas tree is decorated in the lovely and spacious games room, and here Santa is seen starting his pleasant task of handing out gifts. Santa, as you will probably recognize, is one of the Lodge guests, Mr. Ernie Brailsford.

Others appearing in the picture are, from the left, Mrs. Kuruez, Santa, Mrs. McClelland, Mrs. Wilson, Miss Craig, Mrs. Tremlett.

## Brighten Up Town With Christmas Lighting Displays

The Vermilion Chamber of Commerce had as guests at the luncheon meeting last week the winners in the annual Christmas lighting contest. Tribute was paid to all those who decorate with lights and thus brighten up the town at Christmas time. The contest was arranged by the Civic committee chaired by Charles Upshall. Shown from the left standing are Mr. Upshall, prize winners Mrs. Dorothy Pettigrew, Mrs. Victor Dowhaniuk, Mr. Claude Underdown, president of the Chamber. Seated are Wm. Pettigrew and Victor Dowhaniuk who also shared in the prizes. Unable to attend were the third couple, awarded a $20.00 prize, Mr. and Mrs. Bev Baldock. The contest is sponsored annually by the Chamber of Commerce and the Canadian Utilities Ltd. Each of the prize winning couples receive a prize of $20.00.

# Alberta All-Risk Crop Insurance This Spring

### Program Designed For Benefit Of Farmers

Alberta all-risk crop insurance will be introduced into the province this spring in two or three test areas. This is a self-help program in which farmers will carry their own insurance on their crops. It is intended to take some of the risk out of crop production.

Crop insurance will not cover the minor fluctuations in crop production but it will give protection against the major losses which occur from time to time and cause real hardship. These losses may be on the individual farm as a result of hail or some other natural hazard or they may occur over wide areas as a result of drought or other causes.

**INDIVIDUAL FARM**

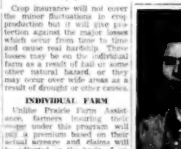
Unlike Prairie Farm Assistance, farmers insuring their crops under this program will not pay a premium based on their actual acreage and claims will be adjusted on the basis of experience on the individual farm.

**TEST AREAS**

In 1965 crop insurance will be limited to two or three "test" areas in the province but eventually it should be available over a wide area. The specific areas will be announced soon.

Despite the obvious benefits of crop insurance there are a few in the province where it may prove to be practical because of the frequency of crop failure. In these high-risk areas premiums may necessarily be high and not be attractive to farmers.

Because crop insurance will provide stability of farm income, it is good not only for the farmers themselves but also for the business communities in which it is available.



BILL HOWE

## New Proprietors Entertain Bowlers

Last Saturday and Sunday, Mr. and Mrs. Bill How entertained many Vermilion district bowlers in a "get-acquainted" week-end at the Vermilion Bowl. Mr. and Mrs. How took over operation of the Bowl at the end of the year from Steve Zaziuk and Bill Karmas.

## LOSES LIFE IN TWO-CAR CRASH

**Miss Carol** Diane Currie, aged 22 years, District Home Economist for this area of North-Eastern Alberta, was instantly killed late Saturday afternoon, January 9th, in a two car collision.

The fatal accident occurred on Highway 17, eight miles north of Lloydminster about 6:15 p.m. Miss Currie had spent the week-end with a friend, Mrs. Ruth Holmen at Dewberry. Mrs. Holmen was driving her Volkswagen and the two young ladies were on their way into Lloydminster. At a point on the meridian highway eight miles north of Lloydminster, they were involved in a collision with a large 1965 model car driven by Mr. Hunt who was accompanied by Mrs. Hunt. Mr. Hunt's car apparently went out of control on the snow covered road.

Miss Currie was killed, Mrs. Holmen suffered several injuries including a fractured arm and ankle and a broken bone in her neck. Mr. and Mrs. Hunt were hospitalized with lesser injuries. Mrs. Holmen has since been removed to the University Hospital for further treatment.

Miss Currie was a daughter of Mrs. Ellen Currie of Edmonton and the late Mr. Wilbur Currie. The family is well known in Vermilion, and in Clandonald where they lived for a number of years. Carol was born in Vermilion, spent a few years in Clandonald before the family moved to Edmonton which was her home until entering dietetic at Wainwright as District Home Economist for this area. She completed her high school education at Victoria Composite high school, and then attended the University of Alberta, graduating from the School of Home Economics. She has written a column for the Standard every week since her appointment in July.

Mrs. Holmen (nee Anne Hagen) is a Clandonald girl, the only daughter of Mr. and Mrs. Hugh Hagen.

Left to mourn the death of Carol Currie are her mother, one brother Kenneth, and one sister, Mrs. A. (Marian) Manning, all of Edmonton.

Funeral services were held on Wednesday afternoon, January 13th at the Connolly-McKinley Funeral Home in Edmonton. Interment was in the Evergreen Memorial Gardens. The Rev. J. E. McNeill officiated.

## Four Students Honored At Preston Concert

Four students were honored at the annual Christmas concert held at Preston Central School.

Diane Seale, daughter of Mr. and Mrs. Delbert Seale, received the plaque and pin awarded by the Wildrose Women's Institute for general proficiency in Grade nine. The presentation, on behalf of the W.I., was made by Naomi Crutcher. Diane is now attending high school in Wainwright.

Three honor pins from the County of Vermilion River were presented to Linda Coburn, Grade 8, daughter of Mr. and Mrs. Howard Coburn. Maria Dibben, Grade 7, daughter of Mr. and Mrs. Roy Dibben; Anne Seale, Grade 7, daughter of Mr. and Mrs. Burton Seale.

Mr. H. Sherk, Superintendent of Schools, made the presentations.

## NEW COLD RECORDS SET

Just as everyone has been certain would happen, the current cold spell has set some new records. With relief from the frigidity arriving on Wednesday morning, records are now being examined, and the following new low marks set:

As from Dec. 10th when the extra severe weather set in, to this Wednesday morning, Jan. 13th, the mean temperature was 13.4 below zero, 24.4 lower than the normal mean temperature for the period which is 11 degrees above.

This was the longest unbroken cold spell since the period from Dec. 10th, 1940 to Jan. 31st, 1950. The cold spell that winter set in the same day, Dec. 10th, and continued two weeks longer.

| Date | High | Low | Snow |

## Anglicans Plan Annual Meeting

Members of the Parish of St. Peter's will hold the annual potluck supper and annual meeting in the church hall on Thursday, Jan. 21st commencing at 7:00 p.m.

Reports of the various organizations will be presented, members of the vestry will be elected and plans made for the ensuing church year.

## New Law Practice Opened In Vermilion

Ronald L. Tibbitt, B.A., LL.B., barrister and solicitor, has opened an office for the practice of law in the Bichnell block in Vermilion.

Vermilion's new lawyer is a graduate of the University of Saskatchewan. Following graduation he articled in Calgary, then received experience at Brooks, Alberta, where his brother has a law office, and at Trochu as a junior member of a law firm.

Having gained several years of experience he decided to open for a practice of his own and selected Vermilion.

Mr. Tibbitt is a married man and his wife is on the high school teaching staff at Trochu. She will join her husband in Vermilion at the end of the school term in June.

## Mannville 4-H Begin Public Speaking Contests

MANNVILLE — On Thursday Jan. 7th the 4-H Clubs of Mannville met for their preliminary public speaking contests. Despite the extreme cold a goodly number of members, parents and friends turned out; the members to speak and the parents and friends to encourage with enthusiastic applause.

The judges were Mrs. Gamble and Mr. Betty of the local teaching staff and although all the speakers did very well, it was of course necessary to make decisions as to who will go on to the next contest where will be held later in the season.

The top five in the Beef Club were: 1st, Linda Wilker; 2, (tied) Kenny Jury and Cheryll Jackson; 3rd, Sara Barber and Janice Bebiuk.

In the Grain Club Gordon Wallace placed first 2nd (tied) Terry Wallace and Georgina Wallace, 3rd (tied) Carol Tyler and Lana Pomeroyweth.

This is a very worthwhile project and the members did very well. They have come a long way since their first meeting and if they persist will reap many benefits.

## Juvenile Bob Cats Win Game 4-0

Vermilion Juvenile Bob Cats won a regular league fixture at the Stadium on Friday evening when they shut out the St. Paul Juveniles. Dale Halterman in the Bob Cats goal turned in a faultless performance, while Cameron notched two goals, Bird one and Wallet one. Heinemann assisted on 1 and Morrison 2.

Cameron was named to twelve penalty minutes — Paul getting two.

League standing with 6 games played: Vermilion 10 points, St. Paul 8, Mannville 4, Lloydminster 4.

EASTERN ALTA. JUVENILES

Tonight (Tuesday) Vermilion Bob Cats Saturday for both in the Stadium at 8 p.m.

## New Players To Bolster The Tigers

Tiger management are bringing in new players in order to add both scoring punch and defensive strength. Beginning next Wednesday evening, Jan. 13th, will be Lyle McMillan, formerly of the Golden Bears and currently a member of the Edmonton Estevan Combat Team.

Pierre Joyal who has just returned from Fort St. John, will be back at centre, and Dale Harder, a hard-hitting defence man, will be on hand for Saturday night's game at Mannix.

A change is being made in goalies, and for Wednesday night Edmonton juvenile all-star goalie Algie Rasmussen will be in Vermilion net. Algie has just been signed by the Chicago Black Hawks for next season and they are anxious that he gets plenty of work. He is just 18 years old.

## Tigers In Relapse Lose Game 10-2

After turning in a winning performance at Lloydminster and a very creditable showing at Vegreville where they lost out only by the odd goal in 7, the Tigers suffered a serious relapse before more than 900 home town fans on Saturday night and absorbed a 10-2 shellacking at the hands of Lloydminster Border Kings. It was a big night for Bill Armstrong and Gordie Hubbard who amassed ten scoring points between them.

For Vermilion Rippel scored at 10:01 of the first period with Hodgson notching the second marker. Hubbard also helped on the goal.

Lloydminster Smith scored at 1:45in Armstrong 2, Woodhouse 1, Hubbard 1 and Barry 1 while Robert Hodgson 1 and Townsend Veg 1 netted single goals.

Phil Headley, secured by Lloydminster from Moose Jaw Pla-Mors, turned in a scintillating goal-tending job on his first appearance with the Border Kings.

**LINE-UPS**

Lloydminster — Headley, Bay-er-Semeniuk, Pasterfield, Bebiuk, Olson, G. Armstrong, Arm-strong, Hubbard, Barry, Kerr; St. Paul at Vermilion.

| Player | G | A | Pts | Pen |

Best goalkeeper, schultz, Bonnyville, 4.35 G.A.

**NEXT VERMILION GAMES**

Saturday, Jan. 16, Vermilion at Mannix; Wednesday, Jan. 20, St. Paul at Vermilion.

## Initial By-Law of 1965 Receives First Reading

The following is a summary of a regular meeting of Council, Town of Vermilion, held on Monday, Jan. 4. Present were Mayor A. Ben King and Crs. Martin, Underdown, Waldenberger, Dowhaniuk, Brimacombe, Garnett.

Minutes of Dec. 14 meeting were accepted as presented.

Correspondence was received from: Provincial Planning Director re Wt's Lot 19, Blk. 36, Plan 6359; Pt. NW 29-50-6, Pt. NE 29-50-6; Canadian Utilities meeting Jan. 6th; AGT re radio telephone; Associated Engineering Services re Paving By-law; Alberta Emergency Measures Convention Jan. 21 and 22; RCMP December police report; Can. Utilities Ltd., letter of thanks; Workmen's Compensation Board re Mrs. Charlotte Urquhart.

Other Business: Pest Control Officer; Building Permit Report; Petition; Xmas Carols Broadcast; Airport, winter maintenance; Dog control; Committee reports.

Motions: The following motions carried: That Council approve subdividing of Lot 19, Blk. 36, Plan 6359.

That approval be given to monthly rental of $74.25 for radio telephone in the police car.

That By-law No. 1-65 relating to the borrowing of money to provide for paving, monolithic sidewalk, curb and gutter, standard curb and gutter, land acquisition and utility relocation be given first reading.

That Marvin Hopestad, Pest Control Officer for the County of Vermilion River be appointed Pest Control Officer for the Town of Vermilion.

That the Mayor and Secretary-Treasurer be authorized to sign a contract for one year with Western Natural Gas Ltd. to visit Vermilion once a month to control dogs running at large.

That police report for Decem-ber be adopted.

Further Business: Mayor and Secretary to meet with General Manager of Canadian Utilities Ltd. in Edmonton to discuss matters relative to paving of High-way 41 fronting the Vermilion plant.

Cr. Underdown to be delegate to Emergency Measures Organization convention to be held in Edmonton on Jan. 21 and 22.

Gordon Allen met with council to discuss winter maintenance of airport. Cr. Martin to investigate the situation.

Petition was received request-ing the playing of Christmas carols over a loud speaker on Main Street during the Christmas season. The Council felt the town should not provide this service and mentioned that the present by law does not prevent anyone from doing this if they so wish.

Building permits totaling $12,-000 were reported.

Cr. Martin reported on plans for the repair and overhauling of the lander.

Cr. Brimacombe reported that a Recreation Commission study is being prepared.

Cr. Underdown reported on Welfare, Nuisance Grounds, Garbage Disposal and the Health Unit meeting.

## 4-H Beef Club Re-organizes

The reorganization meeting of the Vermilion 4-H Beef Club was held on Thursday, Dec. 3rd in the Animal Science building at the V.A.V.C. There were twelve members and 3 adults in attendance. From these the new leader and officers were chosen for the coming year: Leader, Mr. Mike Simonet; President, Don Jacula; Vice-President, Terry Simonet; Secretary, Barbara Wilson; Treasurer, Margaret Kostic; Club Reporter, Bill Williams.

The next meeting will be held on Jan. 20th at 8 p.m. in the Animal Science building, V.A.V.C. All interested people are invited.

## V.A.V.C. Glee Club Supply Entertainment

Supplying entertainment at many functions at the V.A.V.C. is the Glee Club shown above. The girls standing from left to right are Marie Benson, Susan Zak, Doris Schneider, Joan Sterling, Lorraine Potter, Gail May, Irene Stashuk, Lois Leslard, Wendy Feather-stonhaugh. The boys who are visible are from the left Don Deaville, Rev. Cunningham, George Sanders. The director is Mr. Art Boggs.

## Islay Hospital Board Organizes For Year

At the annual meeting of the Board of Trustees of the Islay Municipal Hospital held in the hospital on Tuesday, Jan. 5th, the following board members took the oath of office for the year 1965. Mr. H. B. Sturgeon, representing Div. 2; Mr. G. Black-lock, Div. 1; Mr. D. H. Martin, Div. 3 and Mr. J. C. Anderson, Div. 4. The fifth member of the board is Mr. J. S. Rice who represents the Village of Dewberry. Representing the County of Vermilion River as ex officio members is Mr. P. McGuigan, Reeve.

Officers and committees appointed for the year are: D. H. Martin, Vice-Chairman; Finance Committee — Sturgeon and Martin; House and Grounds Committee — Blacklock and Anderson; W.C.B. Safety Committee, all board members.

## ONE FOR THE YOUNG-TIMERS

No doubt the present winter will feature in the weather anecdotes of present day young people when they become old timers. There is little doubt that the mean temperature of the past six weeks will measure up to any previous period since the turn of the century, and this just when the consensus of opinion was that the winters had become milder. The 48 below at the weather station on Tuesday morning was the official low for this winter and for several years, but the same night at the Canadian Utilities power plant in the river valley a reliable thermometer recorded a low of 63 degrees below zero.

★ ★ ★

## TREES FOR 1965

District farmers are warned that the deadline for ordering trees for 1965 planting is January 31, 1965. Persons wishing trees for hedges or farm shelterbelts are advised to contact your District Agriculturist's office in Vermilion, or your Field Supervisor, at the County Office, Kitscoty.

### NEW WEED CONTROL HERBICIDE

Good news for those who have in the past found weed control in shelterbelts to be a troublesome chore is the new herbicide "Simazine". This chemical may be sprayed over the shelterbelt or spread dry on the ground under the trees. When applied according to directions it is claimed that Simazine will prevent the germination of weed seeds for a period of about two years without hurting the trees. It would appear that there may be a great future for this chemical.

Your children will soon be men and women, with responsibility to their children to make them happy, useful citizens. You, as father or mother, can enrich, or you can impoverish your child—a's lives. Of course you want to enrich their lives, so we invite you to write for the free pamphlet "Your Child's Mental Health", to the Canadian Mental Health Association, 616 Revillon Building, Edmonton.

THERE'S A BUMPER CROP OF PRIZES IN THE

**Elephant Brand**

**BEST IN THE WEST CONTEST**

**GRAND PRIZE**

new 1965 GMC 2-ton truck

Plus 5 tons of Elephant Brand Fertilizer

A modern workhorse with all the features to make it a valuable extra hand on your farm! Complete with 5 tons of dependable Elephant Brand fertilizer for extra profits!

**20 ADDITIONAL PRIZES**

Each 1 ton of high-quality Elephant Brand Fertilizer as prizes

*Elephant Brand Fertilizers are proved in performance—they pay off in profit!*

**See your Elephant Brand dealer now! Get your entry in today**

Don't miss your chance to win! It's the biggest contest in the West! The prizes are the best in the West. And it's brought to you by the leading fertilizer in the West. A quality product through and through. High analysis for greater value. Water-soluble for faster action. With uniform-sized granules for better, more efficient application. And we've got the equipment and service to back it up. So drop in soon, get your entry in the Best In The West Contest!

It's easy and it's fun—a contest the whole family can enjoy. Just drop by and pick up your official form. Play the Winning Word game and fill in your entry form. Your Elephant Brand dealer will sign it before you put it in the entry box. You can enter as often as you like up to March 15th. So drop in soon. Enter now—and enter often! Don't miss your chance to win!

COMPLETE CONTEST RULES AND ENTRY FORMS AVAILABLE AT:

THE MOST COMPLETE LINE OF FERTILIZERS IN THE WEST.

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

**LIQUID OR PELLETED**
**(Quoted from Manitoba Co-operator.)**

It all boils down to a matter of cost when Manitoba farmers are debating over purchase of pelleted and liquid fertilizer, according to fertilizer researchers with the University of Manitoba and the Brandon Experimental Farm.

Widespread trials conducted during the past summer on the comparative merits of standard pelleted fertilizers and liquid 10-20-0 applied with the seed, revealed that the liquid product produces a crop response in relation to the amount of nutrients applied. In all trials on wheat and barley the additional crop yield from application of liquid 10-20-0 did not pay for the fertilizer.

For example, trial results on a modern district farm on fallow wheat showed that liquid 10-20-0 applied to the soil in the row at 1.9 gallons per acre gave a yield increase of 1.80 bushels per acre. Application of 16 gallons of liquid 10-20-0 gave a yield increase of 10.63 bushels per acre over the nearest unfertilized check strip. The fertilizer cost $44.00 and the added crop return was worth only $26.97 per acre for a loss of $17.43 per acre. On the same farm an application of 100 lbs. of pelleted fertilizer drilled gave a yield increase of 9 bushels per acre. The cost of the fertilizer was $4.46 per acre resulting in a profit of $4.54 per acre.

The liquid fertilizer 10-20-10 costs $2.75 per gallon or $407.50 per ton, while 10-30-10 pelleted fertilizers cost $195.00 per ton. On the basis of plant nutrients per ton, the same nutrients in the liquid 10-20-10 cost approximately four times as much.

Based on a number of research trials, the foliar (leaf) application of 10-20-10 gave no significant yield increase.

Research data indicates in general liquid fertilizer should be compared with pelleted products on the basis of the cost of plant nutrients.

Similar results were obtained at the Lacombe Experimental Farm.

### SHORT OF FEED

The cattleman who is short of feed has to make adjustments and it is important that these adjustments are made when there is some forage left. Cattle require some roughage e.g. mature cows 4 lbs. per day and yearlings 2 to 3 lbs. To augment these minimum roughage allowances a beef cow will require 10 to 12 lbs., a yearling 6 to 8 lbs. and a calf 4 to 6 lbs. of grain. This will provide only maintenance or survival in cold weather. Straw can replace hay as roughage, but to get the same results the grain must be stepped up by one pound to every 2 lbs. of straw. Cattle have been wintered on less roughage than suggested above but in so doing the risk of nutritional disorders are great. Pregnant cows should be receiving 30,000 I.U. of Vitamin A per day and one lb. of protein supplement. Protein supplement costs money but only that much more than the grain is displaced in the ration.

It could money to winter cattle on a high grain ration but it also costs money to buy hay and leave calves and cows later in the season. If a ton of medium quality grass hay costs $25.00, a ton of good oat straw should comparatively cost $20.00, wheat straw $14.00 and about 2 cents a pound for feed grain. Don't forget the mineral. Cows require salted salt, bone meal—source of phosphate) under normal conditions but this is more important when feeding high concentrate rations. Cattle on very high grain rations should have some of the bone meal replaced with limestone.

A bulletin is available at the D.A. office "Adjusting Livestock Rations to Available Feed Supplies".

### FEED LISTING

A few farmers are running short of straw and hay, others with a surplus of either on hand have a readily marketable commodity. The D.A. office is taking listings of available feed in the area and will be pleased to put supplier and consumer in touch with one another. The phone number is 853-3553 Vermilion.

### MEASURE YOUR FARM BUSINESS

Farmers are business men! Some of the sharper local farm operators have been asking for some method of measuring it's business efficiency. There is a method, a good method used by six years on Alberta farms which measures the farm business. It measures the overall efficiency compared to an average operation under similar conditions and measures the various contributing factors. In addition to this, the farm operator receives a written report on his farm, pointing out any management weaknesses. Using this information a farmer may adjust his management to increase his net returns.

This service costs the farmer a fee of $10.00 payable to the provincial treasurer and requires him to fill out an analysis form. The D.A. is available to help operators with the form. This information is fed into a computer, interpreted by an economist and returned to the farmer. All individual information is held in strictest confidence.

This is a sound analysis. It includes a net worth statement but it also runs down the net profit in every enterprise on the farm and indicates what contributed to a loss or profit if there was any.

Contact the D.A. office tomorrow and we'll you think you could use this service in your operations.

## Irricille Anglican Women's Auxiliary

The December meeting of the Irricille Anglican Women's Auxiliary was held at the home of Mrs. B. Kent on Tue. 10th.

The members extend a thank you to the Marwayne and Clandonald W.A. for helping in the St. Andrews Day worship service on Nov. 30th. Rev. Wright's sermon on St. Andrew the patron saint of the W.A. was most enlightening.

Following the December business discussion the Educational Secretary Mrs. G. Gardiner gave a brief account of the next study "The Church in the Next Six Months". The eight members present then played a "Who Am I?" contest on churches of the world.

Since this was the Christmas meeting the usual exchange of gifts took place and a pleasant time was spent admiring them. Christmas gifts were brought to the meeting to be sent to the W.A.'s adopted friend in Lloydminster Auxiliary Hospital.

The clothing bale packed and sent in November to the Edmonton Social Service has already been distributed and more warm winter clothing would be appreciated. Anyone having outgrown or unused clothing taking up space in trunks and closets may leave it with Mrs. A. Parker in Hamilton to be packed to another bale.

The January meeting is to be held at the home of Mrs. M. MacLean with roll call to be a favorite Bible text.

### HAPPY THOUGHT

A grandfather was walking through the front hall when he heard his granddaughter repeating the alphabet in a tone of voice that sounded like a prayer. "What are you doing?" he asked the little one. She explained: "I'm praying, but I can't think of exactly the right words to say, so I'm saying the letters and God will put them together because He knows what I'm thinking."

From the errors of others the wise man corrects his own.

## Pleasant Valley

**(Held over from last week)**

The Christmas bells are put away once again and school bells have rung once more.

The weather played havoc with the Christmas season but even at that folks travelled near and far to greet their friends.

The Frissells of Wainwright visited at the Clarke home where a goose dinner was greatly enjoyed; Dennis and Douglas Hannan spent their holidays on the farm. Sunday night dinners set down to a turkey dinner at the writer's home.

The writer and husband spent Christmas with son Laurence and family.

On New Year's Day Percy and Esther Colby, Marvin and Agnes Gould were dinner guests at the home of Mr. and Mrs. Bert Gould.

Sylvia Gould is away to Whitehorse visiting with her daughter Laura and family.

Gordon and Doreen Gould had most of the Shaw families for Christmas Day. Wayne spent the day with his aunt and uncle Edith and Dick Bootsman in Edmonton. Mary and Clifford Beck and family were Xmas guests with Clifford's folks.

It was very cold and windy but the snow plows kept them out and roads were good Saturday night when Keith Inman and family from Vermilion were supper guests at the home of Christie Gould. The children didn't seem to mind the cold as they played outside most of the evening.

What can equal the sight of a high ball moose on a winter night, silently spreading the sheen of its glow like a sequined mantle, over the snow?

MR. AND MRS. RICHARD WATLING
*—Photo by Wooders of Photocraft*

## Watling-te Kampe Nuptials At Mannville

MANNVILLE — Saturday, Nov. 14th at 3 p.m. Mudgeon Memorial United Church, was the setting for the doublering ceremony which united Miss Jetty Dirkjen te Kampe, only daughter of Mr. John te Kampe and the late Mrs. te Kampe of Mannville, to Judy machinery man Mr. Richard Frederick Watling, eldest son of Mr. and Mrs. Fred Watling, also of Mannville. The Rev. Carlton Miller of Vermilion officiated at the ceremony before a chancel banked with fresh cut flowers, basket of white mums, gladioli, baby chrysanthemums and carnations.

The wedding music was played by Miss Ronnie Proudfoot, Miss Diane Livingston was soloist and sang the Wedding Prayer.

The bride was charming in an elegant floor length gown of white peau de soie which featured a fitted sweetheart neckline and detailed with formed panels of bodice. The gown's full bouffant skirt terminated in chapel length train and was attached to the bodice with a band of re-embroidered lace. Her fingertip length veil was held in place by a dainty fabric arrangement.

The bridal attendants were Miss Carolyn Rempfer as maid of honor, the Misses Lillian Werbitsky and Karen Stanley, both Royal Alexandra nurses who trained with the bride were bridesmaids. The bridal attendants were identically attired in princess pink peau de soie party dresses with matching headpieces and shoes, each carried a bouquet of white carnations. Their jewellery was rhinestone and pearl necklaces, gifts of the bride.

The groomsman was Mr. Jim Sargent. Allen Marc and Robert (Butch) Panter were the beaters.

Ushers were Douglas Livingston and Gerardus Watling, brother of the groom.

For this happy occasion the groom's mother chose a floor length dress of woolknit, complemented by black accessories and a corsage of yellow roses.

A reception for 180 guests was held in the Orange Hall at Mannville where Douglas Livingston was master of ceremonies. The toast to the bride was proposed by the bride's cousin, Gerrit te Kampe, and was replied to by the groom. The toast to the brides maids was proposed by Jim Sargent.

A three tier wedding cake held pride of place at the bride's table. The cake baked by the bride was beautifully decorated by the groom's aunt, Mrs. Dorothy Bauer, and rested in a bed of net upon which dainty roses similar to those on the cake were embedded. The bouttonaired fountain on the cake held tiny love red roses.

Miss Anne Groeneveld was in charge of the guest book. Out of town guests were as follows: Mr. and Mrs. Harry Hass, Mr. and Mrs. Bob Hemmeway, Mr. and Mrs. Jim Bauer, Mr. and Mrs. George Lewis, Mr. and Mrs. Max Schrader, Mr. and Mrs. Gerald Moore, Mr. and Mrs. Gerrit te Kampe, Mr. and Mrs. Oscar Goldstick, Mr. and Mrs. Ed Abraham, Mr. and Mrs. George Dirkjen, Miss Mary Dirkjen, Mrs. Sofie Werbitsky, Mr. Nelson Nodin and Hazel Bauer, Mr. and Mrs. John Winters, Mr. Tom Lewarenko, Mr. Max Stanley, Mr. and Mrs. Fred Bauer of Edmonton.

Mr. and Mrs. W. Hinton, Mr. and Mrs. P. Hawley, Mr. and Mrs. P. Bowles, Mr. and Mrs. F. Van Der Zalm, Mr. and Mrs. Jack Winters and Mr. and Mrs. Jan Bootsman all from Vermilion.

Mr. Joe Van Hoeve, Mr. H. den Dooker, from View Hills.

Mr. and Mrs. Peter Mosk of Viewville, Mr. and Mrs. Hugh Mik of Strathcona, Mr. and Mrs. Art Bootsman and Mr. and Mrs. Jan Bootsman of Wainwright.

The bride and groom have since returned from a delightful honeymoon which took them as far south as Tijuana, Mexico by way of the Grand Canyon. They visited many interesting places and returned to Vermilion. It is the west coast of the United States, Mr. Watling is employed by the same company as 4000 street in Mannville by way of the Rogers Pass and Calgary.

## Junior High Echoes

**(Patsy Hanby, P.R.)**

Although the basketball season is nearly half over for Robson High, it has really just started for Robson Junior High. The teams are being organized by Miss Weeks and Miss Trask, the girls' coaches, and Rick Shaw, who is coaching the boys. We are hoping to play a game sometime in the near future.

**PLAY & VARIETY NIGHT**

There is a big night coming on Jan. 22nd for this is "Play and Variety Night" for the Jr. High. The boys Grade 8 class rooms are putting on plays and the Grade 8 classes will add variety to the evening.

Tickets will soon be available from all Junior High students. We hope you will all turn out for this fun-filled evening.

On behalf of the Robson Junior High students I would like to wish you all a Happy New Year.

## Christmas Party At Marwayne

The Marwayne Friendship Club met in the Elks Hall on Dec. 15th to honor Mr. and Mrs. J. Doull Sr. for their Golden Wedding on Dec. 23rd. Mr. Ken Hanby, president Mrs. Doull with a boutonniere. The tables were beautifully decorated for the turkey supper organized by Mrs. Betty Hanby and served at 6:30 p.m. The buffet and dessert of fifty guests and their tea served in gold cups. Mr. Betty proposed the toast to the happy couple and read a poem most appropriate for the occasion and, on behalf of the club, presented them with a gift. Mr. H. Gould read a poem entitled "Friendship". This was composed and written by Mrs. Doull.

As this was also the Club's Christmas party, Santa came looking as gay as ever and giving everyone present a gift.

The C.G.I.T. entertained with a variety program, from Mrs. Doull proposing to his lassie bride, right down to the Jamboree Mrs. Laird sang two solos. By the applause at the conclusion of the program everyone really enjoyed it.

Mr. and Mrs. Doull thanked everyone for making their evening so enjoyable.

Next meeting of the Club will be Jan. 12th.

# Marauders Nip V.A.V.C. In Exciting Games

By DONALD MOREN

Any fans who went to Robson High on Friday night to see the games between the Robson High Marauders and expected a dull, lopsided contest, were certainly disillusioned. Both the Marauders boys and Vermilion girls came up with wins but, to the excitement of the crowd, both games were decided in the last minute of play. The good crowd on hand will agree that these two games were the most thrilling Vermilion has seen for quite some time.

**MARAUDER GIRL SCORE WIN 34 - 32 OVER V.A.V.C. GIRLS**

This game was a duel from the word go! Tight, defensive play and good ball control contributed to the closeness of the score, led 5-3 at the quarter, 13-11 at the half and 19-18 at three-quarter mark by V.A.V.C. In the fourth quarter the Marauders retained away the lead on baskets by Ellen Waldersberger and Mary Williams. With just one minute remaining in the game and the score 34-28 in favor of the Marauders, V.A.V.C. tried desperately to get the ball but the Robson High girls maintained control until the final bell.

V.A.V.C.'s shortage of players was a definite factor. Playing against them as two of their seven players fouled out. Robson High girls showed more poise and confidence in their play and more team spirit than heretofore.

Top scorers for the Marauders were Mary Williams 7 points, Ellen Waldersberger 4 points, Janice Jeffries and Wendy Brown 3 points each. For V.A.V.C. Marie Bennett and Dorothy Lear tallied 8 points each.

**MARAUDER BOYS WIN 45-44**

Blake Tidsbury sank three foul shots at the 1:30 mark of the final quarter to produce the margin of victory over V.A.V.C. boys. The game was close all the way through with the lead changing hands on numerous occasions. Robson High was leading 24-23 at the half but V.A.V.C. came back to take a 34-33 lead at the three-quarter mark.

Ken Seuter was high scorer for the Marauders with 15 points. Blake Tidsbury had 12 points and Ron Gilham 10 points. For V.A.V.C. Ken Hall had 15 points and Ken Hall 12 points.

Next game for the Marauders will be on Friday, January 22 when they travel to Kitscoty.

## ISLAY NEWS

When it comes to giving memorial donations to the Cancer Fund or the Heart Fund you may leave it with Mrs. Violet Schaffer. She has very kindly volunteered to accept donations for these two funds.

**CHURCH BOARD MEETS**

Wednesday evening, Jan. 6th, the Official Board of the Kitscoty Pastoral Charge met at Islay. Although it was bitterly cold there was a good attendance. One certainly feels quite a surprise to see the number of items on the budget and learn what it costs in a year to keep the church operating in our midst.

Mr. and Mrs. Jack Hurst have now gone to reside in Vermilion where Jack is now engaged as caretaker at the Legion.

Islay people were saddened to learn of the death of Mr. Nick Bolyna, of Sandy Lake. For a number of years he and his family lived here as he was the roadmaster on the C.N.R. Sympathy goes to Mrs. Bolyna, Alec and Natalie.

Mr. and Mrs. Bill King and son Grant made a quick visit on New Year's Day to friends in Islay. Bill has again been moved and is now at Derwent.

Mr. Ed Holtzger is the new janitor of Islay Hospital. He will live in the apartment above Mr. Caughlan's store. The Hoerlein family will reside in the former Hurst house.

The people of the community wish health, prosperity and many years of happy married life to Mr. and Mrs. Harold Brown, the former Eloise Hamm, who were married in Islay United Church on Saturday. After a honeymoon at Vernon, B.C., to visit Elaine's brother Lyman and family they will reside in Edmonton where both Elaine and Harold are employed.

Calling Mrs. Merlin Moncrief. Your friends wish you a speedy recovery and hope to see you in Islay often the weather is more moderate.

**Generous Response To World Missions Appeal, 1964**

On behalf of the Seventh-Day Adventist Church members, Pastor P. E. Unlut, north-eastern Alberta Conference, would like to express a sincere word of thanks to the residents of Vermilion and surrounding districts for their generous spirit during the 61st Annual World Missions Appeal, which ended Dec. 31st, 1964.

The richness of the surrounding communities who contributed to the project can be assured that all funds raised go toward extending a world ministry of medical, educational and advantional, medical and spiritual services in Canada, as well as in 191 countries.

The Seventh - Day Adventist Church is known for its public service program, including disaster relief and medical services available to all persons regardless of race or creed. In spite of the far reaching service aspects of this program, only about 9% of the funds are raised through public solicitation. The rest (over $19,000 dollars in 1963) are contributed by Adventists themselves.

By supporting the 1964-65 Appeal the citizens of Vermilion and surrounding districts have again demonstrated humanitarian interest in those less fortunately situated.

To one and all, a hearty thank you for your contribution and may the Lord richly bless every one of you all abundantly in the New Year!

## Curling Draws for the Week

(Draws for Jan. 25 to 29 will appear in next week's Standard.)

## OBITUARY

**MRS. UNA DONAGHY**

On January 4th Mrs. Una (Winnie) Donaghy, widow of the late Patrick Donaghy, passed away in the Vermilion Hospital at the age of 66 years and 11 months.

She leaves to mourn her loss two sons Tony and Alex of Wainwright, two daughters, Mrs. P. F. Whyte (Connie) of Merville, B.C., and Mrs. James Moses (Ruth) of Vermilion, 11 grandchildren; six sisters and two brothers.

Prayer service was held on Wednesday night with the Rev. Father Lauber officiating.

Funeral services were held on Thursday, Jan. 7th at 10a.m. at the Holy Name Roman Catholic Church with interment following in the Roman Catholic Cemetery. The Rev. Father Clement Gouthier officiated.

Donald's Funeral Home was in charge of arrangements.

THE Homemaker

BY CAROL D. CURRIE

What shall I do now? Is this a question your little pre-school-ers are asking you at the moment? Now that the cold weather is here your children will be indoors most of the time. Trying to keep them busy and happy is a winter-long task. Perhaps some of the following ideas will appeal to them.

Transferring Pictures: If you have a housebound child, keep him amused transferring some of his favorite comics. The trick is to place a sheet of waxed paper, wax side down, on top of a sheet of colored comics. Rub the surface with the edge of a spoon or tongue depressor. Then lift the wax paper. Lay it face down on a plain sheet of paper and rub again. The original picture is picked up by the wax and then deposited on the new sheet.

Crayoning, Painting and Using Clay can be very enjoyable and satisfying to a youngster. Often plain pages allow for more experimenting especially for the child who is not yet able to color outlines properly. Finger painting allows for a great deal of freedom of expression. Fingerpaints are commercially prepared but can be made at home. Mix one cup laundry starch in cold water and adding 2 cups boiling water to this constantly until thick. When nearly cool add ½ cup of mild soap flakes and ½ cup inexpensive talcum powder and stir. When cool, pour into small screw top jars and color with poster paint or vegetable coloring. The clay is a mixture of 1 part flour, 2 parts salt and water. It makes dandy clay for rolled snakes, marbles, snowmen, etc.

Play Dough is particularly favored by the little girl as it offers her a more miniature "pretend" foods. The dough will harden in air in less than a day and can be colored to imitate foods. The playdough required is cup cornstarch, ½ cup cold water, 2 cups table salt, ½ cup water, food coloring. Mix the cornstarch and ½ cup cold water and add slowly to heated mixture of salt and ¾ cup water. When thick and cooked, knead the coloring into the dough as necessary. Mold items and dry 24 to 36 hours. Unused dough will keep indefinitely in a plastic bag at room temperature.

Fabric Art can be used to make attractive pictures from scraps of fabric and trimmings pasted on cardboard. All children are marvelously imaginative. If you want to stimulate your youngster's creative instincts, encourage design-it-yourself projects. Children will have no touch for creating things for themselves.

**Lemon Juice Recipe Relieves Arthritic & Rheumatic Pain**

If you suffer rheumatic, arthritic or sciatic pain, try this inexpensive recipe that thousands are now using. Get a can of 90-125 Compound, a 2 weeks supply, today. Mix it with a quart of water, add the juice of 4 lemons and 2 tablespoonfuls of sugar and shaken. Take only 1 tablespoonful 3 times a day. Often within 48 hours, and usually within a week, splendid relief is obtained. Remember, you must get

## Paradise Valley

Christmas and its joys and glitter are past and we embark on a brand new year. May the editor and all who read this col-

umn be blessed with health, happiness and peace in the year 1965.

During the hectic Christmas rush news has been neglected so this may take us back some time.

The Minard on December 16th blocked roads and severe weather followed but Mr. Wm. Davidson with his snow plow was on the roads early and late helped to bring many people together for the Christmas festivities. The High School Christmas Capers was a happy occasion as usual. The decorations by the Grade XI students were beautiful and the lunch served by the Grade X was all that could be desired. The queens were chosen by popular vote of students. Congratulations go to Miss Diane Hartin as senior queen and Miss Sandra Orbeck as junior queen.

A large crowd attended the concert put on by the pupils of the Elementary school. In spite of blocked roads and sickness the teachers and pupils are commended for the very fine performance.

Mr. Philippi fr. spent Christmas at Hinton with his family. Mr. and Mrs. W. McLaren of Beth and family and Mr. and Mrs. Glen Henry, Doreen and family at Hinton also.

Mr. and Mrs. Jim Sturrus Jr. of Calgary spent Christmas with Mr. and Mrs. J. Sturrus Sr. and Mr. and Mrs. Stanislaw Diuff in Rivercourse. Visitors also at the home were Mrs. C. Shoidor of Veseliu, Manitoba, and Mrs. DeLeu of New Westminster, B.C.

Mr. Don Henry was home for the New Year's holiday.

Congratulations to Mr. and Mrs. Harvey McLeod on the birth of a daughter on Dec. 19; Mr. and Mrs. Cyril Flint, a daughter on Dec. 31st; Mr. and Mrs. Rex Hatchard of Valley, a son on Jan. 5th.

Sympathy is extended to the Ben Brassington family on the death of Mr. Bennet Jenkinson.

Home for the holidays were: Mr. Perry Churchill from Red Deer, Miss Linda Stepenoff from Ontario, Doreen Stepenoff from University Hospital, Dorothy Deaville from Vermilion Agricultural and Vocational College; Dennis and Elden Sunderland, Jim Doty, Linda Adams and Sharon from the Edmonton University; Muriel McLaughlin and Darlene Adams from Walkwright telephone staff.

Mr. and Mrs. W. Jackson of Lloydminster spent Christmas at the Dodson Pulpham home.

Mr. and Mrs. Murray McConald have moved to Blackfoot.

Mr. and Mrs. M. Hobbs have moved into F.Y. and a warm welcome is extended to them. They have taken up residence in the Baxter home.

Mrs. Gladys Baxter and Sherill spent a few days visiting friends here during the holidays.

Mr. and Mrs. Ken Chase and Frank came from Edmonton for Christmas.

Rev. R. McGee, Mr. R. Adams and Mrs. H. Adams returned on Friday from a visit to Penticton.

Mr. and Mrs. T. Rayson spent Christmas with Jim, Helen and Dick Rayson in Edmonton.

Mr. and Mrs. J. Gallagher and family spent Christmas in Edmonton.

Mr. and Mrs. J. Rogers spent New Year's at the T. Rayson home.

In the Canadian manufacturing industry 69 per cent of all employees are covered by retirement pension plans; nearly one-quarter of the plans are entirely company financed.

## 16 Years Ago Today
JAN. 13th, 1949

Hartford Barnes, formerly of Islay, passed away at Riverton, B.C.

Edwin Sweetman was re-elected president of the Canadian Legion.

John Chudyk was the New Year's baby.

Following nice weather during Christmas week conditions have changed, turning colder and with winds which have filled in the roads. The low point was 25 below on Jan. 2nd. At press time however it was 26 above.

Mrs. Wyndham Gould of Islay celebrated her 80th birthday by baking her own cake for the occasion.

## 32 Years Ago Today
JAN. 17th, 1933

All honors pass list has just been released by the Department of Education for the June exams for Grade 12. V.H.S. had two honors students, Anders Aalberg and Ethel Shields.

Tribute was paid to prize winners at Toronto Royal at a banquet. Those so honored were W. L. Robinson, Miss C. Morgan, H. S. Patrick, D. A. Andrew.

Heavy snow falls with considerable drifting had cut motor traffic to a minimum.

Mrs. George Law was elected president of the United Church W.A.

Mr. and Mrs. Tom W. Boyer have arrived from Calgary to take up residence in the Royal Bank building here. Mr. Boyer succeeds Mr. Harry Harper as manager of the bank here. Mr. Harper has been transferred to Banano.

## 48 Years Ago Today
JAN. 20th, 1917

John W. G. Morrison, a new trustee, was sworn in as a member of the school board. J. Dawson Stephens was re-appointed auditor, and H. F. Long as secretary-treasurer. Applications from two members of the teaching staff for a raise in salary were favorably considered and an increase to $70 per month granted.

Mr. and Mrs. T. J. Berridge have moved to Edmonton where they plan to reside in future.

It is with great regret and feelings akin to sorrow that this district sees the retirement of George Powell, the pioneer postmaster of the Vermilion Valley. A huge two-day stock sale was held at his Island Hill Ranch and $50,000 worth of stock changed hands under the hammer of Auctioneer Charlie Henry.

## Here are three important reasons why it will pay you to renovate and redecorate your home now!

**1 SKILLED MEN ARE AVAILABLE—NOW!** Although more and more building is being done each winter, summer activity does slow down during the cold weather. As a result, home improvement contractors are skilled craftsmen seek out the smaller interior jobs that they are unable to handle during the summer. You benefit—with skilled workmanship by experienced tradesmen when it's most convenient to you!

**2 DISCOUNTS AND LOANS ARE AVAILABLE—NOW!** To create incentives that will balance their sales and keep their staff employed throughout the year, building supply dealers run winter sales. These special discounts help you renovate and redecorate at the lowest possible cost. You'll find your bank a good place to visit, too—for low-interest Home Improvement Loans under the National Housing Act; up to $4,000.00, with up to ten years to repay!

**3 MATERIALS ARE AVAILABLE—NOW!** When building slows down, materials become more readily available. Result: irritating delays in completing your job because of late delivery of supplies are eliminated!

*There's no doubt about it. Winter is the very best time to spruce up your home (and your place of business)—quickly, efficiently, inexpensively!*

*For advice and assistance call your National Employment Office*

**Everyone benefits when winter work is increased. DO IT NOW!**
Issued by authority of Hon. Allan J. MacEachen, Minister of Labour, Ottawa. ISS 1154

IT WAS SAID: "He who is of a calm and happy nature will hardly feel the pressure of age, but to him who is of an opposite disposition, youth and age are equally a burden." Plato.

MR. AND MRS. JOHN FRANCIS CREWS

## Marea Davis Becomes Bride Of John Crews

A pretty wedding was solemnized in the First United Church, Vermilion, when Marea Marion Louise Davis, daughter of Mr. and Mrs. Tom Davis of Vermilion, became the bride of John Francis Crews, of Kitscoty, son of Mrs. Kathleen Crews of Lloydminster.

Rev. Carlton Miller performed the ceremony before the altar banked with white mums and red carnations.

The bride entered the church on the arm of her father, looking radiant in a white satin gown with lily point sleeves. The hooped skirt ended in a short train. Her shoulder-length veil was held in place by a crown of pearls and she carried a bouquet of white carnations and sweetheart roses entwined with red rosebuds. Her only jewelry was a ruby pendant, gift of the groom.

The maid of honor, Miss Jenet Alvell and bridesmaid Miss Florence Nettleton, were identical street-length dresses of blue brocade with shoulder-length veils held in place by a white carnation and carried white carnations and lily of the valley. Their jewelry was a black diamond pendant, gift of the bride.

The little flower girl, Noreen Graham, niece of the groom, wore a pink nylon dress with matching headpiece and carried a basket of cornflowers and lily of the valley.

The best men were William Crews, brother of the groom and Don Selke. The ushers were Norman Fouster and Del Dancey.

Mr. Jack Brown played the wedding music and during the signing of the register Mr. John Webb sang "God Bless This Day".

For her daughter's wedding Mrs. Davis chose a red knitted one-piece dress with black accessories and a corsage of yellow roses. The groom's mother wore a red figured silk dress with black and white accessories and a corsage of white roses.

Following the ceremony a reception was held in the United Church basement for ninety-five guests. Miss Helen Crews, sister of the groom, was in charge of the guest book and Miss Linda Crews was in charge of the gifts.

The bride's table was laid with a lace tablecloth centred by a lovely three-tier wedding cake, made and decorated by Mrs. Fred Sjoeberg and flanked by candles and bouquets of red carnations and white mums.

The knife used to cut the cake was one used by the groom's mother and grandmother at their wedding.

Mr. Gordon Williams of Strathcona, acted as toastmaster and Mr. Ernie Wotherspoon gave the toast to the bride. The names of ceremonies was Mr. Jim O'Neal. A telegram was read from the bride's brother Lonnie.

A wedding dance was held in the Eagle Hall with a large crowd in attendance.

The honeymoon was spent in Edmonton.

### Showers Honor Young Couple

A shower was given in the Eagle Hall for Marea and John by the community. The hall was packed and the bride and groom-to-be received a multitude of gifts from well-wishers of the district. The evening closed very successfully with a beautiful lunch.

The Dr. Sancta Rebekah Lodge gave Miss Marea Davis a shower and presented here with a lovely pole lamp and matching desk lamp. The shower was held at the home of Mrs. Hazel Cook, hostess where a delicious lunch was served.

An miscellaneous shower was given by Mrs. Florence Perkins for Marea Davis at which she received many useful gifts. Games were played and a lovely lunch served.

## R.C.M.P. Wedding For Kitscoty Man

The Sharon Lutheran Church in Calgary was the scene of a beautiful red and white R.C.M.P. wedding November 14th at 4:30 o'clock in the afternoon when Helena Hansen of Calgary became the bride of Constable Lloyd Brooke of Kitscoty. The double ring ceremony was performed by the Rev. Magoe. The church was decorated with red and white mums.

The bride, given in marriage by her uncle, Mr. Hans Gaede, was radiant in a floor-length gown of white peau-de-soie. The gown with lily point sleeves, featured lace applique at the neck line and down the front. A large bow with wide pleats at the back, in a bouffant style. The bride carried red Fire King rosebuds on a white Bible.

### Wedding Social Planned

A Lincoln Farm Wedding Social will be held at George's by Webb and Sons in Vermilion Saturday Tuesday, Jan. 19th at 7.30 p.m. The chorus will rehearse time for five weeks.

Full details and an entry form will be published in next week's Standard.

Mrs. Attending the bride were Mrs. Sharon Robson and Mrs. Ellen-beth Sutherland, both of Calgary. They were dressed in identical white brocade sheaths with white peau-de-soie cummerbunds. Their headpieces were white velvet bows and they carried bouquets of red and white carnations.

Miss Maxine Franks, niece of the groom, was flower girl. She wore a dress of white nylon lace over white nylon. Her headpiece was a white velvet bow and she carried a miniature bouquet of red and white carnations.

The mother of the bride chose a dress and jacket outfit of beige, brown and gold brocade accented by a pink rose corsage. The mother of the groom wore a corded knit dress of rust with her corsage was of yellow roses.

The groom was attended by Constable Ron Bayko of Red Deer and Constable Cliff Kroeker of Kitsam.

A reception for the bridal party was held at the Banff Hotel. Mr. Bill Gaede, uncle of the bride, was master of ceremonies. Mr. Carl Gaede proposed the toast to the bride to which the groom very capably replied. Following the reception the guests enjoyed dancing in the Rocky Room where all were welcomed by the Standard.

For their honeymoon to Banff the bride donned a royal wool and cashmere suit with white and black accessories and a white and beige mink paw jacket.

Constable and Mrs. Franke will reside in Lloydminster, Alberta.

## HOW TO HAVE A Happy Retirement

Over 65? There's no need for you to spend time worrying about money. Let a Sun Life of Canada IMMEDIATE ANNUITY guarantee you a steady income during your retirement years — STARTING FROM THE DATE OF PURCHASE. You may choose to receive a monthly cheque for 10, 15, 20 years, guaranteed, or for the rest of your life.

You owe it to yourself to look into a Sun Life Annuity. Why not give us a call today!

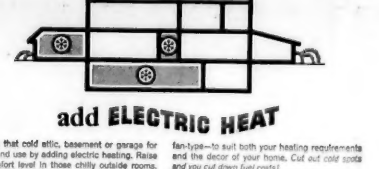
## Warm up the cold spots your furnace can't reach



**add ELECTRIC HEAT**

Reclaim that cold attic, basement or garage for year-round use by adding electric heating. Raise the comfort level in those chilly outside rooms. Plain insulation won't solve the problem. Additional electric heat will—and without the necessity for costly duct work or perhaps a larger furnace! Enjoy the safe, sure, economical warmth of electric heat . . . in a wide choice of thermostatically controlled models—radiant, convection and fan-type—to suit both your heating requirements and the decor of your home. *Cut out cold spots and you Cut down fuel costs!*

No more overheating the rest of the house trying to warm cold attics, basements and bedrooms with your regular heating system. Add to your comfort by adding electric heat—safe, economical. Why not discuss it with your electric heating contractor or local electric utility office.

## Attention—Re: Dogs

It is recognized that many people like dogs and are willing to pay a license to keep them in town. It must also be recognized that many people do not like dogs bothering their children and running through their yards, ruining gardens, shrubs and trees.

The Town of Vermilion has By-Laws for the licensing and control of dogs and it intends to see that these are enforced. To this end I wish to announce the following:

1. The Town has contracted with Western Animal Care Ltd. to enforce the provisions of the By-Law.
2. The By-Law is being changed to raise the amount to be paid to retrieve a dog from the pound, to $20.00.
3. Unlicensed dogs not claimed from the pound in 48 hours will be destroyed.

The co-operation of everyone in these matters is requested.

A. BEN KING,
Mayor.

PUBLIC EXPENDITURE AND REVENUE STUDY COMMITTEE

Left to right: F. C. Bodie, Alberta Federation of Labour; J. M. McKay, Alberta Association of Municipal Districts; R. A. Splane, Committee Secretary; Honorable R. Reierson, Minister of Labour and Telephones; Honorable N. A. Willmore, Deputy Chairman, Minister of Lands and Forests; Honorable A. O. Aalborg, Chairman, Provincial Treasurer; E. Newman, Union of Alberta Municipalities; C. E. Parry, Associated Hospitals of Alberta; Dr. G. L. Burton, Alberta Federation of Agriculture; V. M. Duntzer, Alberta Catholic School Trustees' Association; and J. K. McIntosh, Farmers' Union of Alberta.

## Representatives Study Public Expenditures

Representatives of both the Alberta Government and various provincial organizations from the Public Expenditure and Revenue Committee, now conducting a factual study of public expenditures in Alberta and the manner in which they can be controlled and financed in the best interests of the people of the province.

In making comprehensive and thorough studies of the programs of government departments, the committee consults with provincial associations in various fields. These organizations present their views on the operation of the departments under study.

To date, studies have been completed in the Department of Public Welfare and the Department of Highways. The Salvation Army, Edmonton Family Service Bureau, Catholic Charities (Archdiocese of Edmonton), and the Edmonton Welfare Council were all consulted during the study of the Department of Public Welfare. The Department of Highways survey included representations from the Canadian Association of Equipment Distributors; the Alberta Road Builders Association and the Alberta Motor Transport Association.

A similar study of the operations of the Department of Public Health is now almost complete.

A detailed interim report of the studies completed by the Public Expenditure and Revenue Committee will be submitted to the government for tabling at the 1965 session of the Legislature.

## Health Unit Notes

SABIN PROGRAM FOR 1965—JANUARY TO APRIL

Concerns: Adults, school children, pre-schoolers and some infants. Eligible: Adults who have had three injections of Salk vaccine (polio). School children who have had four injections of Triod (Diphtheria, Tetanus and Polio) or three injections of polio. Pre-school children and infants who have had four injections of Quad-el (Whooping Cough, Diphtheria, Tetanus and Polio) Adults and school children who have had three injections of Bisd (Tetanus and Polio).

For those who have had two doses of Sabin (oral polio), no further reinforcement is necessary at this time. For those who have had one dose (one sugar lump) please return for your second dose.

The two doses of Sabin are given not less than six weeks apart. The Sabin feedings will be conducted at regular Well Baby Clinics during the four month period January to April, 1965. Would the adults please attend the Well Baby Clinics in their district for their Sabin feedings. The school children will be given their Sabin feedings in school.

Please read your local Standard for the date and times of the Well Baby Clinics in your district; for further information please contact your local Health Unit Offices; in Vermilion at 853-3270 and in Wainwright at 842-3077.

We would appreciate your assistance in making this programme a success! Polio vaccine injections plus Sabin vaccine feedings gives you almost 100 per cent protection against the crippling disease of poliomyelitis.

ATTENTION TO RESIDENTS OF MANNVILLE, MINBURN AND DISTRICTS

Please note that the Mannville Well Baby Clinic which is held every third Friday of each month will have the clinic hours extended due to the increase in attendance; the hours will be 10 to 12 noon and from 1:00 to 3:00 p.m. The Minburn Clinic which was held on the afternoon of every third Friday of each month will now be held on every third Tuesday of each month; the hours will be the same, 2:00 to 3:30 p.m.

WELL BABY CLINICS

Friday, Jan. 15 — Mannville (School) 10 to 12 noon; Minburn (School) 2 to 3:30 p.m.; Paradise Valley (School) 2 to 3 p.m.

Monday, Jan. 18th — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Tuesday, Jan. 19th — Wainwright (Health Unit Office) 2 to 4 p.m.; Kitscoty (School) 11 to 12 noon; Minburn (School) 2 to 3:30 p.m.

Wednesday, Jan. 20th — Kitscoty (School) 2 to 3 p.m.

Thursday, Jan. 21st — Edgerton (Office) 2 to 4 p.m.

Friday, Jan. 22nd — Irma (School) 2 to 3:30 p.m.

## Christmas Capers Feature at P. V.

PARADISE VALLEY — The Paradise Valley High School said a gala farewell to 1964 on December 18th with her annual "Christmas Capers".

The school auditorium was decorated by the grade eleven class, using one large spruce tree in the centre of the floor as the principal object of interest. It was lighted by hundreds of white bulbs. The theme continued with several well-lighted spruce bough halos suspended from the ceiling. In each side basketball net was a tiny spruce tree. Spotlights situated strategically throughout the room enhanced the electric bulbs on every bough and tree.

A buffet lunch consisting of sandwiches, cakes, cookies, pickles and many other delicacies was prepared and maintained throughout the evening by the grade ten class.

In spite of temperatures zooming below zero, the first of over 300 guests began to arrive at around 8:30 p.m.

One highlight of the evening was the crowning of junior and senior "Capers Queens". An election within the Students' Union resulted in the choice of Diane Harbin, Grade ten as the junior queen; Sandra Orbeck, grade nine, as junior queen; Marion Mack, grade eight and Della Miller, of grade seven, junior princesses.

A dress for a turkey dressed by Mrs. Bedwell was made with Mr. August Hartel of Rivercourse the recipient. This was the climax of a raffle sponsored by the Students' Union.

The evening of dancing to the music provided by the Top Hats terminated at approximately 1:30 a.m.

## Activities of Derwent Guides and Brownies

Linda Nester, Guide Reporter.

Both Guides and Brownies went camping this last summer. Brownies Diana Wintonyk, Barbara Zack, Ruby Willmer, Eileen Nester, Dionne Jarema, Elizabeth Boyko, Deborah Yurko, Beverley Fenerty, Penny McConnell, and Bonnie Dutka spent Parmer's Bay week-end at a fun filled Brownie Pack holiday at Muriel Lake under the leadership of Helen Nester (Brown Owl), Helen Wintonyk and Elizabeth Boyko. Linda Nester and Janice Andrishak assisted as leaders. Guides Beverley Hicks and Linda Kozij spent a week at Sandy Lake in July with an Edmonton Cb. Linda Nester went to a Patrol Leader training camp and to a Pioneer tent camp both at Tangleroot, the Provincial Guide campsite at Pigeon Lake.

Guides and Brownies presenced in the fall. Brownies with an increase and Guides with a decrease. December 19 staged the annual Guide and Brownie Christmas Party. Susan Cornell, Elaine Zaninkul, Marlene Smechuk and Lynn Sept were enrolled as Brownies. Service stars and various other badges were awarded to Brownies. Diana Wintonyk flew up to Guides and Debbie Yurko walked up to Guides where they were welcomed by Captain Helen Wintonyk. Mothers and fathers of the girls were present. Games and a sing song were followed by the opening of presents and a lunch which was enjoyed by all.

One girl in Brownies and three in Guides are looking forward to and working hard for their enrollment as Guides and Brownies which will be held the latter part of January.

## News From MARWAYNE

The arena was thoroughly enjoyed by skaters during the holidays. Hockey practices are in full swing with hopes of games to come. The Comets were defeated in Lashburn 8-0 and then at home with the Carpenters in Lloydminster. In an exhibition game on Saturday, with Elk Point the visitors here, the score was 5-6 in favor of Elk Point.

Mr. Doull Sr. was rushed by ambulance to Lloydminster hospital on Sunday Jan. 3rd. Following a heart attack. Mrs. Doull will stay with Mr. and Mrs. Norman Doull.

Mr. and Mrs. Gene Chester and family have returned home after an extended visit with friends due to illness.

Mrs. Ida Wellman has taken up residence in the Harris house.

Leander Pretka is on a trip to Hawaii. He is accompanying an aunt from Manitoba.

Most of those of their homes for the holidays were: Mr. and Mrs. Ernest Isley, Atlantic; Mr. and Mrs. Mac Hancock and their family, Rimbey; Mr. and Mrs. Neil Hancock, Gloria McCleon, Gerald Kvill, Gail Gardner, Diana Adamson, Shirley Hale, Betty Ann Hachereau, Mr. and Mrs. Roland Ford and family; Mr. and Mrs. Cecil Kruger, Mr. and Mrs. Hugh Kerr and family, all of Edmonton; Mr. and Mrs. Geo. Malone and family, of Calgary; Mr. and Mrs. Jim Kent and family, Cold Lake Air Base; Mrs. Peggy Bass and son, Terry, B.C.; Mr. and Mrs. Tom Spence and family, St. Albert; Mr. and Mrs. Alfred Hillsley and family, Whitfield, B.C.; Mr. and Mrs. Wayne Laird and family, Wood Center; Mr. and Mrs. Ed Stolner, Onion Lake; Mr. and Mrs. R. Bednar and family, Paradise Hill; Mr. and Mrs. Angus Smith and family, Mr. and Mrs. W. Hancock and girls of Vermilion.

The F.W.U.A. of Marwayne will hold their annual smorgasbord in the Elks Hall on Friday, January 29th with a dance to follow. Watch for more information on Posters.

## Three Rivers Scouting News

The meeting of the Three Rivers District Council was held in the Vermilion Boy Scout Hall, President Bob Tilsbury presided over the 22 members present. The meeting opened with the Leader's Prayer and Investiture led by Rev. Swinton of Mannville.

It was decided that the meeting date should remain the last Friday of the month. The meetings for January, February and March are to be held in Mannville. The executive will decide where the remainder of the meetings will be held.

With the increase in numbers of new Scouters in the district it would be possible to run a Pack and Troop Basic 'A' provided that there are twelve registrants. Group committee members are eligible too. Please check with your group and bring a list of interested persons to the next meeting. Some training courses are held in Edmonton and here is a list of them. Should you be able to attend contact the Leader who will k...nate an application form.

Pack Scouter Basic Courses — Cost $1.50 — held in Edmonton. Meals — candidates bring their own box lunch—where indicated — supper provided.

Monday, Jan. 17, 9:00 to 10:00 p.m., supper and box lunch, at Scouting Service Centre; Mon., Jan. 18, 7:30 to 10:00 p.m., SSC; Tues., Feb. 16, Wed. Feb. 17, 7:30 to 10:00 p.m., SSC; Thurs., Feb. 18, Fri., Feb. 19, 7:30 to 10:00 p.m., SSC; Mon., Thurs., Wed., and Thurs., March 15, 16, 17 and 18, 7:30 to 10:00 p.m., SSC; Sat. April 10, Sun., April 11, 7:30 to 10:00 p.m., supper, SSC.

Troop Scouter Basic Courses, Basic 'A', Mon., Thur., Wed., and Thurs., March 22, 23, 24 and 25, 7:30 to 10:00 p.m., SSC.

Basic 'B', Wed., April 21, 7:30 to 10:00 p.m., SSC; April 24 and 25 Sat., 9:00 a.m. thru Sun., 4:00 p.m. at Camp Poole.

Pack Scouter Extension Courses: Campfire planning, Fri., May 7, 7:30 to 10:00 p.m. SSC. Fee $1.00. Cub Camp planning: Wed., May 26, 7:30 to 10:00 p.m., SSC. Sat., Sun., May 29 and 30, Sat., 9:00 a.m., SSC, Skeleton L. fee $4.00.

Troop Scouter Extension Courses: Campfire planning, Fri., June 4, 7:30 to 10:00 p.m. SSC. fee $1.00.

Part 1 of Wood Badge should be completed by every Scouter within two years of receiving an appointment. The Group Committee should present this phase of training to the new leader along with the three basic handbooks appropriate to his section. Let's sprout some more Wood Badgers in this district! At present there are only two and one of these is inactive.

Training Certificates were presented to the following: Art Olyslager, Troop Scouter Basic 'A' and 'B'; Doug Herbert, Wayne Short, John Bell, Donald Long, Brian Corkery and Ken Glover, all Troop Scouter Basic 'B'.

Part Two Wood Badge Certificates were presented to: Bob Parker, Glen Parker and Ken Glover, all Part II Cub Wood Badge.

Re the luncheon following the Vermilion Rally, the cost comes to $1.50 per person, so those of you who were at the luncheon please bring this amount to the next meeting.

Firelighting: Manville held a successful ceremony, Vermilion held a very successful ceremony with about 150 people present. Lloydminster and Kitscoty had no fire. Marwayne had no fire. Due to an abundance of wet weather in weeks previous to March are to be held in Vermilion. Leaders were not going to spend a night any place else but on their combines.

Scout Exchange Visits: A letter was received by the D.C. from the Provincial commissioner stressing the fostering of Scout exchanges with the United States and with other parts of Canada. Anybody interested in these visits is asked to contact the D.C. who will forward the names to Provincial headquarters. Inter - district visitation should be encouraged.

Scout Handcrafts: Each district in the province was contacted in the hopes that there would be some Scout, Cub or Cover handicraft items which might be sent down to the National Headquarters building in Ottawa for display. Afterwards these items could be sold with the proceeds going to help handicapped Scouting in Canada. The following jewelry articles are available for selling and should fall under the following headings:

1. Wood Carvings, book ends, candle wall decorations; 2. Pottery, bugs, trays, plates, wall plaques; 3. Sculpture, clay or stone figurines, ornaments; 4. Miscellaneous, items in brass, copper, aluminum, leather work, jewelry etc.

It is suggested that no power tools, commercial kits of artificial color, etc. be used.

Group Committee are requested to send a copy of their minutes and any pictures to Mrs. Fred Hill at Marwayne. These would be used in press releases and the scrap book.

Group Committee Insurance. Each Group Committee should have claim sheets which are available from the district commissioner. These are to be made out within 30 days of an accident.

Vermilion Group Committee Minutes. The last meeting of the Vermilion Group Committee was held in the Scout Hall. The Group agreed to pay $125.00 to the District for outstanding dues also the expenses of the Firelighting ceremony.

Marwayne Group Committee Minutes. The November meeting of the Marwayne Group Committee was held in the Elks Hall with president Albert George occupying the chair. Very few members were present.

Cub Leader Lloyd Recitt announced plans for Cubs to sell citizens of the district their Christmas supply of nuts and chocolates. The Scouts were to organize a day of evergreen tree cutting for their annual sale of Christmas trees.

The annual Father and Son Banquet is to be held in February ... date to be announced. It is hoped that Mr. Owens of Lloydminster will consent to be guest speaker for the occasion.

## Riverton News

Continued bitterly cold weather seems to be the rule now, with more snow and an occasional stormy day. Everyone is getting tired of it and are hoping for a break before long.

Christmas has come and gone once more and we hope it was a happy one for all our readers.

The Jim Elliot family and the Harold Zitzel family went to Edmonton to spend the day with their respective daughters.

Mrs. Dick Vivian went to Edmonton after Christmas to spend the holiday week-end with her mother and sisters. Her youngest son Kenny accompanied her.

The Riverton Christmas tree was held Dec. 19th on a bitterly cold night. The weather kept many folks away but all who did turn out had a very good time. Very many were entertained by pictures shown by Norman Mathison, then the big moment for the children arrived when Santa Claus made his appearance and handed out the gifts. After this came lunch and all the ice cream one could eat.

Mr. and Mrs. Cyril Parr from Queenstown left for Calgary a couple of weeks at first Parr's visiting Cyril's mother who is a patient in the Isley Hospital. We are glad to report that she is very comfortable and fairly well, also quite contented there.

Curling has not started yet owing to the cold weather. It is hoped it will not be long now before the games get going.

Mr. and Mrs. Jack Hansen have gone to Edmonton where they intend to spend the winter.

There was a house-warming party at the new home of Mr. and Mrs. Harold Mathison. The evening was well attended in spite of the very cold night.

Miss Ellen Thrasson spent Christmas with her family in Riverton.

We wish the editor and staff and all our readers a happy, healthy and prosperous 1965!

## Kitscoty News

Mr. and Mrs. Eugene Ledoux of Vancouver, the former Sylvia Sheppard and Miss Donna Sheppard, of Southbank, B.C., spent the Christmas holidays here with their parents Mr. and Mrs. Clif Sheppard and sister Patti.

Mrs. John McWhinney, the former Sheila McCrury, of Mission Creek, B.C., is spending a winter holiday here with her parents Mr. and Mrs. James McCrury.

Mr. Burton Parker who is a patient in the Auxiliary Hospital at Lloydminster, spent Christmas here with his family.

One Bag Full

A polythene drawstring bag that's light, roomy and tough is just the thing for toting hockey gear. In a tan bark color, and waterproof. It can be used as a lunch bag, for protecting outdoor sporting equipment and for all-around storage purposes. By Canadian Industries Limited, polythene drawstring bags can be purchased at most hardware stores.

## Treated Grain Violations

J. R. Curtis, Supervisor of Crop Protection and Pest Control with the Alberta Department of Agriculture, stresses that left-over treated grain must not be sold to elevators.

Mr Curtis says that farmers and grain handlers should thoroughly clean out grain bins, truck beaters and augers to ensure that treated seed does not contaminate grain destined for human or animal consumption. Meat from animals which have eaten treated grain can contain harmful chemical residues.

Many Alberta farmers are horrified that the odd load of treated grain is still being delivered to elevators despite repeated warnings. The Board of Grain Commissioners reports that over 300 grain cars, unloaded at terminal positions during the 1963-64 crop year, were found to contain some chemical residues from treated grain. Farmers themselves are advocating stiff penalties for anyone selling contaminated grain. Alberta Wheat Pool elevators passed a resolution at their annual meeting recommending a minimum fine of $250 for this offence.

Last fall several thousand bushels of grain were condemned by Board of Grain Commissioners' inspectors because one load of treated wheat was delivered to a local elevator. Investigations revealed the culprit and a charge was laid. The elevator agent lost his job for failing to detect the treated grain and the farmer was convicted of careless use and fined accordingly. If civil action had been taken, he could have been liable for damages equal to the amount of grain condemned. Treated grain must not be sold for human or animal consumption. Left-over treated seed should be properly stored and used the following season.

★

## Personalized Income Tax Forms

Two hundred and sixty thousand personalized income tax forms with the taxpayer's own name, address, and identification number have been mailed to individuals resident in the area of the Edmonton Taxation District, which includes Vermilion. If you have not received yours yet, you probably will within the next few days.

In the past employee taxpayers obtained their forms from their employers. Self-employed people, including farmers and fishermen, picked up their forms at the Post Office.

This year all an employee has to do is to keep his envelope safely until he receives his T4 slip showing his deductions and exemptions from his employer. Self-employed people who have their returns prepared by an accountant should deliver their personalized form to their accountant.

New taxpayers or persons who spoil their personalized returns or who do not receive them because they have moved during the year, may obtain an unlabeled form at the local post office or the district taxation office.

## Cigarette Manufacturers Agree On Advertising Code

Canada's cigarette makers have signed a voluntary code regulating the advertisement of their products. The code forbids cigarette ads on television before 9:00 p.m., bans product appeals to youth, permits billboard or poster advertising "immediately adjacent" to schools, and rules out the use of athletes, models under 25, appeals based on health, and advertising that promotes smoking in general rather than a particular brand.

The Canadian code has no sanctions against violators but industry sources say it is generally being observed.

Mental illness claims bills, but it cripples more people than all the well-known physical diseases put together. But hope for the mentally ill is now higher than it has ever been. The thrilling story of how Research is finding the answers to the riddle of the ages is told in a free pamphlet entitled "The Quiet Disaster", available from the Canadian Mental Health Association, 616 Revillon Building, Edmonton.

## PLAY IT SAFE!

A snowfall or a blizzard is no place to drive a car. But if you have to, don't be lulled into a false security by driving with parking lights on. Use headlights *every* time. Usually, a car being driven in a blizzard can be seen long before its parking lights can be seen, and that's too late. Turn on the headlights and be sure. Besides, snow builds up dirty slush on the lights and the other drivers are too busy minding their own driving to pay proper attention. Chances are they'll pile into your car unless you do everything you can to let them know you're there. Unless there's no other way, stay off the road or street in a storm. Check the weather forecast before you start out.

PLAY IT SAFE!

District Agriculturist

### LIQUID OR PELLETED FERTILISER

D. E. Meredith, Plant Nutrition Officer for Central and Eastern Alberta, reports on liquid and pelleted fertilizer. During the summer of 1964 one experiment was conducted at the Lacombe Experimental Farm, using a liquid fertilizer with analysis 10-30-10. Some typical results are as follows:

| Treatment | Yield of Barley Bu/Ac | Approx. Cost |
|---|---|---|
| Check | 34.7 bu. | |
| 3 gal. 10-30-10 with seed, 2 gal. spray | 42.6 bu. | $15.00 |
| 11-48-0 at 50 lbs./acre | 43.4 bu. | $ 3.80 |

Statistical analysis of the data revealed that both of the above treatments produced yields significantly greater than the check. The difference between the above treatments is not significant. Where the liquid fertilizer was used as a spray alone it resulted in yields not significantly different from the check unless a total of 7 pounds of actual N was applied. The results from this experiment do not show the use of liquid fertilizer to be profitable. Further research is necessary before recommendations of its high cost. Additional experiments at other locations, particularly on soils of lower nutrient status, should produce results somewhat different from the above.

### FARM BUSINESS ANALYSIS

Every farmer in Alberta would do a better job of farming if he knew for certain which crops were making money and which were losing money. The results of the farm business analysis will supply this information and indicate the strong and the weak points of the operation. It will supply the operator with a standard, a dotted average with which he can compare himself. The results of the analysis may be used for planning the best possible place to invest the operator's money for greatest returns. The Farm Business Analysis is a service that farmers who have a good account of receipts and expenses plus a beginning and year end inventory can use. Cost per farm. There is a service fee of $10 per farm.

## 16 Years Ago Today

January 20th, 1949

Robert Fair M.P. left Vermilion for Ottawa to attend the sessions of the House of Commons which opens on January 25th.

Mrs. H. N. Stephens was presented with a life membership in the W.M.S.

Insistence high school rink went the Taylor and Pearson curling play-off for this month.

Municipals of Alberta were meeting with the terms of Mayor Morrison, Reeve Hamilton, Reeve Kehoe and L. S. Dawson expiring on the town council, and there was talk of chairman Don Taylor and trustees Roy Mitchell and Mrs. Nina Wilde on the school board.

Another cold snap was underway with a high of 11 below and a low of 40 below registered for this week. Wednesday was the coldest day of the year, the mercury went down to 39 below and the low 40 below.

W. Lyle Robinson was elected president of the Vermilion Agricultural Society and R. Carl Heckbert was secretary manager.

## 32 Years Ago Today

January 19th, 1933

Cold weather blew in with subzero temperatures as low as 35 below being registered each night.

Wheat was 38 cents for No. 1 Northern, oats 20 cents.

Friday, January 20th was to be a memorable day as the Lieut. Governor of Alberta, along with officials of the Provincial Boys' Scout Association were to visit Vermilion to present awards for gallantry to local scouts.

Relief measures outlined 10 points to effect economy in the municipality, at the public meeting at the Orpheum school.

Mrs. H. W. Harper was installed as Worthy Matron of the Queen Esther Chapter, O.E.S.

Mr. and Mrs. James McGinnis, fathers and all Vermilion, celebrated their Golden Wedding anniversary.

## 48 Years Ago Today

January 17th, 1917

A three-day Chinook has been experienced along with an afternoon of snow; rain and sloppy sidewalks Sunday afternoon drove most open all afternoon.

The first meeting of the fourth council of the rural municipality of Vermilion Valley was held with councillors McLellan, West, Brown, Lord and Crabbe present. Norman McCrimmon was elected reeve.

Charlie Chaplin was playing at the Columbus theatre at 1 a.m.

## Claysmore Clippings

Belated congratulations to Mr and Mrs Frank Dickenson on the birth of a son.

Barry Lowe have been no Clippings for a couple of weeks. Your correspondent was called to Cam rose due to the passing of her father the late Mike Kaliszuk. She remained to spend a week with her mother.

WANT ADS make you money!

Tom Hudson of Kathyrn showing the Yorkshire boar which won the grand championship at the Royal Winter Fair in Toronto. The boar was first in its class and also won the Junior Champion class. It was the first time an Alberta boar has won the Yorkshire grand champion award at the Royal. Seven of Mr. Hudson's 14 other entries placed in the top ten in entire competition.

## Four Special Test Farms For Canada

OTTAWA, January 14, 1965 — Agriculture Minister Harry Hays announced today the signing of an agreement will put into operation the first of four special test farms proposed for Canada.

Under the agreement, G. D. Jones will operate a 320-acre test farm in the Almonte, Ont., area for the Canada Department of Agriculture. The contract is for a period of three years beginning February 1. (Almonte is about 25 miles southwest of Ottawa.

The test farm program, under which it is also planned to establish a farms in the Maritimes, one in Quebec and one in Western Canada, is aimed at pointing the way to increased farm efficiency and revenue in areas where land is of marginal value.

Each farmer will serve as a practical model to show farmers how they can get the most out of their operations — or a field of demonstration unit.

The farm near Almonte will be geared to the problems of Eastern Canadian farmers whose lands are marginal and whose income is uncertain at this stem mostly from the production of milk for manufacturing.

"One of the most serious problems facing these farmers is the imbalance of the expenditure-to-revenue ratio," Mr. Hays said.

At Almonte a practical evaluation will be made of the possibility of improving the income of these farmers through the rearing and marketing of calves reared by beef bulls out of Holstein dams. Revenues from the sales of these crossbred calves could supplement those from sales of manufacturing milk.

For the project, a herd of 60 Holstein cows will be supplied by the Department. They will be bred to beef bulls. The contractor will supply the land, buildings, equipment and labour.

All aspects of the Almonte project including livestock weights, feed costs, labour expenditures and revenues — will be documented carefully to provide data for other farmers.

Operating costs, plus management fee, will amount to about $27,000 annually for this almost will be reduced by returns from sales of milk and calves.

### FACTS FOR THE FARMER

Fat drippings, margarine cream etc. make excellent winter bait carriers for water soluable insecticides used in the control of rats and mice. Both rats and mice relish the fat which never freezes to the point where they cannot gnaw it.

The reason people who mind their own business succeed is because they have so little competition.

## Letters to the Editor

Dear Editor

In your issue of the 14th I note with some interest the article on Oral Salk Vaccine treatment. Most everyone will remember what happened through the use of the drug Thalidomide and the tragedy resulting from its use. Fortunately the evil results from the use of it was discovered and banned from sale. It is taken for granted by most of the populace that the manufacturers of the various drugs are competent and reliable people and in addition there is legislation "The Food and Drug Act" to see that such things are guaranteed and safe for human consumption. It seems that at times some do get past certain restrictions, which should not, as in the case of the Thalidomide. Now I have in my possession a paper clipping to the effect that from an investigation of a committee of seventeen appointed in the U.S.A to find out results from the use of Sabin Vaccine. The finding of the committee was that 87 cases of paralytic polio have been found that were, to quote "Compatible with the possibility of having been induced by the vaccine". The vast majority of the 87 cases involved adults The U.S. Public Health Service recommended that the oral Sabin Vaccine for polio be discontinued to adult persons over 18. We recall that the U.S.A was first to ban the sale of Thalidomide drug, and one wonders if it will be necessary for the Department of Health here to issue a recommendation for the discontinuance of the oral Sabin Vaccine.

With such conflicting reports as the foregoing and that published in The Standard of the October 15th, on the use of oral Salka Vaccine, one wonders if it would be advisable and safe for human consumption of such drugs.

Chas. Young.

## Riverton Ladies Club Meeting

The Riverton Ladies' Club met on Jan 7th at the home of Mrs. Mary Mathison. It was a bit chilly cold day but ten ladies did brave the elements and a pleasant time was enjoyed. It was the annual meeting. Most of the officers were re-elected by acclamation. Quilt blocks were handed out to be embroidered by the ladies and later to be made up into a quilt which will be raffled in the spring.

When men speak ill of thee, live so that nobody will believe them. Plato.

Vermilion Standard.

Dear Sirs:

May we take this opportunity to express our thanks and appreciation to the churches, lodges, businessmen, organizations and individuals, for greetings, gifts, courtesies and services rendered to the hospital patients and staff at the Christmas season and throughout the year of 1964.

Our special thanks to the doctors and dentists practising in the hospital, members of the clergy, and church visiting committees, Donald Funeral Home and Ambulance, the R.C.M.P., the Town of Vermilion staff and Public Works Department, Cr. Don Wilson and gradsman Ed Barsky of the Vermilion River County and all of the business and trades people on whose services we depend.

We acknowledge and thank the Ladies of the Royal Purple, Derwent, for gifts and toys for the children at Easter; the Hardisty Ladies for sewing done on hospital linen; Miss Lillian Eyolfson for dresser scarves, handmade; the Vermilion Rotary Club for flowers in season on many occasions; the Vermilion Kinette Club for regular library services to the patients; the Vermilion Foresters for two transistor radios for patients; Long's Drug Store for his "Vermilion Standards" each week for the rest year for patients; Mr and Mrs. A. Goldsmith for Christmas turkey; the Women's Institute for cards for patients' trays; the Vermilion United Church Ladies for Christmas novelties and holders for patients' trays; the Salvation Army for favors and treats for patients and for Xmas music Mrs. Pullen and her accordion students for music at Christmas; the C.G.I.T. staging group for carols and hymns; the many individuals who sent cards, candy, fruit and treats to staff and patients during the year and at the Christmas season.

We greatly appreciate the courtesy and consideration of all individuals, staff, public patients and visitors who co-operated with us during the year by respecting hospital property and regulations, speed zones, traffic and parking signs. Your doing so have helped us to serve you and yours better.

Yours very truly.
Vermilion Municipal Hospital, W. L. Roebuck, Secretary-Treasurer

## OBITUARIES

ERNEST BRASS

On January 6th, 1965, Mr. Ernest Brass, who first came to Vermilion in 1910, died in the Vermilion hospital at the age of 71 years.

He is survived by his loving wife Mary, one son Albert of Vermilion, and three granddaughters, two brothers Sidney of Vermilion, and Harry Thatcher, and three sisters, Marion Brass and Nellie Brass in Yorkshire England, and Mrs. Bowles living in Scotland.

Funeral services were held on Friday, January 8th at 2 p.m. at the First United Church and Interment was in Vermilion cemetery. The Rev. C. Miller officiated.

Donald's Funeral Home was in charge of arrangements.

MRS. ROSE BABI

Mrs. Rose Babi passed away on January 2nd, 1965 at her residence in Mannville at the age of 65 years. She had resided in the district since 1930.

Mrs. Babi passed away three days before her husband Nick in March, 1965, and is survived by three sons, Fred, Edmonton; Joe, Nelson, B.C.; Bill, Endiang, and one stepson Alex of Mannville. There are 11 grandchildren.

Funeral services were held on Monday, January 11th at 10 a.m. from the Greek Catholic Church at Mannville with the Rev. Father Roman Barnycz officiating. Interment took place in the Mannville cemetery.

Donald's Funeral Home was in charge of arrangements.

## Canada To Supply 750,000 Doz. Eggs

OTTAWA, January 4, 1965 — Agriculture Minister Harry Hays today announced that the Canada Department of Agriculture will purchase approximately 750,000 pounds of powdered whole eggs as a contribution to the World Food Program.

This will represent about 25,000 thirty dozen cases of eggs.

Mr. Hays said that the powdered eggs will provide a high protein concentrated food for World Food Program purposes. Purchasing will begin shortly and it is expected the powdered eggs will be delivered in family the packages for early distribution.

The World Food Program is an international effort by governments to make food available quickly to meet emergencies, to raise nutritional levels of children, and to use food as a capital asset in initiating economic development.

Since the program went into effect on New Year's Day 1963, almost 70 countries, two-thirds of them developing nations have contributed more than $94 million towards a $275,000,000 goal in commodities services and cash. Canada is now in the third large contributor exceeded only by the United States and Germany.

Canada made an initial pledge of $5.4 million to the Program and the last month the federal government announced further pledges to the value of $2,000,000.

Vermilion town council hopes to undertake a major reconstruction of 7th Avenue (Main St.) during 1965.

### Death of Victoria Agnes Sullivan

Victoria Agnes Sullivan passed away at the Misericordia Hospital in Edmonton on Friday, January 15th. She was a member of a pioneer Vermilion family which settled north of town in 1908, coming from Port Arthur, Ontario, where the deceased was born.

Surviving members of the family are one sister, Genevieve Sullivan of Edmonton and Vermilion, and one brother George of Albuquerque, New Mexico, two nieces and one nephew.

Funeral services were held on Tuesday, January 19th at 11:00 a.m. at the Holy Name Catholic Church in Vermilion interment followed in the Vermilion Catholic cemetery.

## Vermilion Pee-Wees Trim Mannville

Playing at Mannville on Tuesday, Jan. 20, the Vermilion Pee Wees trimmed Mannville PWs by a score of 7-1.

Scoring for Vermilion was done by 1st period — Joe Winter from Hunter Rondeau. 2nd period — Brennan from Mynaud.

3rd period — O. Goldsmith from Kent; J. Mirsault from Kent and Brennan.

The Mannville goal was scored by J. Rosata.

NEW BANTAM UNIFORMS

Vermilion's bantam hockey players will be blossoming out in new uniforms in the very near future, maybe in time for the Minor Hockey Week games next Friday and Saturday, January 29th and 30th.

The uniforms will be presented to the boys, courtesy of the Foresters, Lions and Legion.

Arctic falcons are being brought onto Shearwater Naval Air Base near Halifax, Nova Scotia, to drive away seagulls and starlings that soar up to 30-ton endangering planes. Bird experts say that six falcons will keep the base clear of other birds.

## Back To School For Insurance Agents

Thirty leading Alberta insurance agents will go back to school February 1 to 6 — to the Banff School of Fine Arts for an advanced seminar on general insurance.

The week long sessions will feature detailed reviews of insurance programmes, personal planning, new trends in the insurance business and changing trends in capitalism.

An impressive list of lecturers has been gathered for this sixth annual seminar to be staged at Banff by the Insurance Agents Association of Alberta. They include Dean F. D. MacKenzie of the University of B.C., Robert W. Lovie, a well-known Edmonton accountant, and insurance specialists J. C. Meen, of Ontario, and W. R. Lee, president of a Chehalis, Washington, agency.

Classroom sessions will be held from 9 a.m through to 4 p.m daily with additional evening sessions as required. "Students" will also live at the Banff school during the seminar. Enrollment fee is $150.00 per person.

Vermilion agent C. T. Heckbert will be among those attending the seminar.

## Baby Pidruchney Wins N. Y. Honors At Mannville

Minister Robert Allen Pidruchney won the honors of being the first baby born in the Mannville hospital in 1965. He arrived at 10 p.m. on January 4th, 1965, weighing in at 8 lbs. 8 oz. and 21 ounces.

Robert is the third son of Mr. and Mrs. Peter Pidruchney, whose farm home is located 4½ miles north of Clyde.

Robert, his mother said did well receive many gifts from Mannville business firms.

Further donations in memory of Mr. L. D. Bowser: Gideon Bible Society — Mr. and Mrs. R. McKerihan and Rob; Memorial Hymn Books to Isbay U. C. — Connie and George Capeise; Sympathy cards — Clara, Sid and Donald; Gladys and Arnold; Neil and Floris; Mr. and Mrs. E. Buckingham; Isbay U.C. Building Fund — Muriel and Gladys Stone.

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts. In the loss of our beloved daughter and sister Carol.

Mrs. Ellen Curtis, Marion and Allan, Ken and Ian Iselin.

CARD OF THANKS

We would like to thank all our friends for the lovely flowers sent to my mother's home, the donations to the Cancer Fund, the many sympathy cards and baking sent to the house. To Mrs. Peyer, Mrs. Webster who came and stayed with our children when my beloved father passed away. To each and everyone of you who helped in any way, our sincere thanks.

Vi and Allan Olsted and family, Claymore

By advertising a product, a manufacturer sells more and by selling more he can cut the unit cost of production, thereby making the product cost less.

Output per person employed in Canadian manufacturing increased by 47 per cent from 1949 to 1963; in the period the average hourly wage increased by 97 per cent.

## LOCAL NEWS

Mr. and Mrs. Wilfrid McLennan and Margaret travelled by car to the International Airport Sunday, January 10th, where Margaret boarded a jet liner on her return trip to Ottawa, where she is presently employed. Margaret spent three weeks visiting her parents in Vermilion as well as visiting relatives and friends in Calgary, Three Hills, Edmonton and Wainwright. She was also a guest at a number of *Friends* in Vermilion.

Mrs. H. P. Long returned recently from a visit to Salmon Arm, B.C., where she spent the holiday season at the home of her niece and family, Mr. and Mrs. J. Pawlura. Mrs. Long visited for several days in Edmonton on the return trip at the home of her son-in-law John Morgan and her two grandsons, Keith and David.

Mr. and Mrs. Hubert Jansen of Pembroke, Ontario, have just adopted their 12th child one is part Negro and three others are part Indian.

Mr. Hays said he hoped the purchases would have the added benefit of giving a boost generally to the Canadian egg market. Egg production in Canada was a year ago, with the main increases being in Prince Edward Island and Ontario.

Dr. and Mrs. Harold Clarke returned on January 16th from a vacation during which time they visited their two sons in Toronto, Dr. and Mrs. Donald Clarke and family, and Dr. and Mrs. Robt. Clarke and family. While in Toronto they also visited Dr. and Mrs. Clarke's daughter-in-law Miss Edna Moore.

Dr. and Mrs. Clarke travelled to New York and spent two days there. While there they made many visits, and attended a concert in Carnegie Hall, the New York Philharmonic concert, New York Ballet, the Radio City Music Hall which holds 6000 people. They also attended the Metropolitan Opera House, and visited all the famous museums.

Among the many sending along good wishes for the New Year were Dr. Jim Raitray and his wife Evelyn, who reside in Edmonton. Jim and his colleagues recently opened a new general veterinary hospital at 11403-143 street, Edmonton

Former residents of Derwent, Mr. and Mrs. George McConnell now of Victoria, flew to Edmonton to attend the funeral of their niece, Miss Carol Currie on January 13th

Mr. and Mrs. Clarence Algot and Mrs. Phyllis Nesbitt of Lac La Biche were guests of the funeral of their niece and cousin Miss Carol Currie in Edmonton on January 13th

Dr and Mrs C. W. Stephens have left for our first 6 month's holidays which they plan to spend with Victoria

Mr and Mrs Jim Robson left last week-end for visits in Calgary, Vancouver, and possibly Hawaii. Jim is away on vacation.

Dr A. R. Anderson and Dr Jim Brown are attending the annual convention of the Alberta Veterinary Association which is being held in Red Deer from Thursday to Saturday this week

Mr and Mrs Chas Hooker and their two daughters have moved to Edmonton where they will make their home in future.

Mr and Mrs George Jack returned on Wednesday, January 13th from Edmonton where they had spent the holiday season at the homes of their two daughters and families.

IN MEMORIAM

In loving memory of
PHILP, LEE
who passed away Jan 21 1960
"A faithful husband
One of the best
May God grant him eternal rest"
— Sadly missed by wife and family

IN MEMORIAM

In loving memory of
Mrs. Louise Dell Ashley
who passed away at the University Hospital Jan 7 1961
"Sweet was her memory as it is still
But in our hearts she lives still"
— Ever remembered by Hiram and family

IN MEMORIAM

In loving memory of
"Dad" — Jimmy A. Cyril
who passed away Jan 20 1951
"Mother" — Thelma C. Cyril
who passed away Mar 1 1955
"Brother" — Andy Cyril
who passed away Mar 31 1960
Just a thought of sweet remembrance
Just a memory and that is all
For the love and sweet devotion
Of those who think of you
— The Family

Mr. Vic Tillet attended the 20th anniversary celebration of the 6th battalion which was held in Edmonton last week-end. He was pleased to meet Leigh Tyner and Frank Pillis, members of the original 49th, and formerly of

## Kinettes Enjoy Christmas Party

The last meeting of the Vermilion Kinette Club was held at the home of Mrs. Kaye Dewtaniuk on Dec. 10th. The meeting took the form of a Christmas party. A letter from Crossetta Pasquina, the Kinette foster child was read. Mrs. Pat Wulff and Mrs. Marge Flechuk are to write the reply to her for this month and also look after the magazines for the hospital

The theme for the spring fashion show was selected and convener of the show, Mrs. Pat Wulff will have more to report at the next meeting.

Mrs Mary Morgan announced that the by-laws are ready to be read by the club and this is to be done at the January meeting

## Pre-Nuptial Affairs Honouring Bride Of December

On Wednesday evening, Dec. 2nd, thirty-five guests gathered at the home of Mrs. Jessie Stephens to honor Miss Edna Moore in a pre-nuptial evening. During the evening the guests compiled a scrapbook of the Marshall's future life together. The book was later signed by all those in attendance. Gifts were presented to Edna in two large umbrella. The gift theme was adopted by Miss Lila Porter in opening the gifts. Mrs. Ruth Samuelson created a bonnet for the bride from the gifts received. Miss Edna thanked the guests following which a lovely lunch of jello salad, fruit bread and cookies was served.

On December 11th a wedding rehearsal supper was held at the Seagrins Restaurant for George Marshall and Miss Edna Moore. The supper was provided by Mr. and Mrs. R. Allen, Miss Moore's employer. In attendance were the bride and groom, Mr. and Mrs. Ron Lindall, the best man and bridesmaid, Miss Lila Porter, bridesmaid, Mr. and Mrs. Charles Moore, parents of the bride, and Mr. and Mrs. R. Allen and Miss Elaine Liebelt. A delicious chicken supper was served and all the guests later departed for the wedding rehearsal at Holy Name Roman Catholic Church.

## Marwayne Pioneers Celebrate 50 Years Of Marriage

MARWAYNE — Mr. and Mrs. John Doull, pioneers of this district, celebrated their Golden Wedding Anniversary on Dec. 19th, 1964.

Their daughters, Miss Ella Doull and Jeanette (Mrs. Gordon Hodgson) had four guests with their families, a few close friends, 38 in all, sat down to a delightful dinner, served by the ladies of the FWUA in the Legion Hall at 12:30 p.m.

The tables were decorated with golden mums and pine cones and centred with a beautiful three-tier wedding cake, made and decorated by Mrs. Doull. The bride was made by Carl Harrington, who is also a pioneer of the district. His remarks were of yesteryear and of the friendships and goodwill this wonderful couple has shown to others.

The groom replied with words of gratitude to his wife and family and ended with the reading of a poem which he had written, expressing his thanks for all the good things of life. After dinner the grandchildren put on a short program, which followed by cake all.

Tea was served in the hall from 2:30 to 5 p.m. to welcome the many friends of this grand couple and to help them on their home from 7 to 9 o'clock.

Their many friends wish Mr. and Mrs. Doull many years of continued health and happiness.

## Sunday At Alliance Chapel

Pastor J. H. Bell was the speaker at both services in the Alliance Chapel, Sunday, Jan. 17. His morning titles were "The Heart of Christ's Slave" and "The Divine Fragrance."

Special music was provided vocally by Mrs. Al Curtis and instrumentally by the junior orchestra conducted by Mrs. Albert Tovell. Offertory solos were also accompanied at the piano and organ by Mrs. Bell and Ken Tovell.

Announcement was made of the service next Sunday evening, Jan. 24th, when Miss Anne Shaw, recently returned from missionary activity in Peru, S.A., will show pictures of that country.

Out-of-town visitors in the services included Hugh Geake, Cranbrook, B.C., visiting his parents Mr. and Mrs. Earl Geake and family for the week-end; a group from Irma and Mannville attended the evening service.

**OBITUARY**

**MRS. MARY McMORROW**

On December 19th, Mrs. Mary McMorrow passed away at the Vermilion Auc ary at the Lloydminster Auxiliary Hospital at the age of 78 years.

She is survived by one daughter Mrs. H. J. Logan of Clandonald and two sons, John of Clandonald and Jim of Renata, B.C.

Funeral services were held on Wednesday, Dec. 23rd at 10 a.m. at the St. Barnabas Church in Clandonald. Interment followed in the Clandonald Roman Catholic cemetery. The Rev. Fr. Le Purcell officiated.

Donald's Funeral Home was in charge of arrangements.

Per capita personal income in Canada rose from $979 in 1950 to $1,734 in 1963.

*Suggested minimum retail price of a Viva sedan and heater as delivered at Vermilion

• Price quoted includes delivery and handling charges, fully synchronized transmission and floor mats and heater are not included.

MOTOR TREND

## the 1965 Victor

It's gracefully wider and elegantly longer 11 in how the 1965 Victor 101 gets its brilliant new stance. And lots more is new besides. A new roominess that comes from the new curved glass side windows and extra 4 inches of shoulder room that takes the squeeze out of three-abreast seating There's new luggage space in the bigger trunk. New year "normal" driving control on Victor's new heating and ventilation system. New efficiencies in self-adjusting brakes. New durable ceramic metallic sealing and weld coolers. New extra quiet ride. On the other hand, some things haven't changed. Like Victor's pocket-saving gas economy and delightfully easy handling. They're permanent Vauxhall features. But only first-hand experience could ever tell you all the new Victor 101 has to offer. So don't delay! See and test drive the 1965 Victor 101

OPTIONAL EXTRA AT LOW COST

# ARDA Spending to be Increased

Significant realignment on emphasis in resource planning is the essential ingredient for successful implementation of the Agricultural Rehabilitation and Development Act. This was visualized by Mr. A. Davidson, Director of ARDA, in his address to a meeting of 150 agrologists of the Regina Branch of the Saskatchewan Institute of Agrologists held in Regina recently.

Mr. Davidson provided the keynote speech for an agricultural workshop designed to explore the implications of rapid economic and technological changes currently affecting the agricultural industry. There are essentially two new precepts under the Act, which have caused this change. The first is the view that problems of resource development must henceforth be taken as a whole rather than as segmented or separate disciplines. The second is that in future local focus of concern will be more on the social and economic aspects of resource development than hitherto has been the case. With this goal in mind, Mr. Davidson stated, ARDA has now almost completed three years of operation which have been largely a matter of planning and investigation, and may be regarded as the initial phase. On the basis of this a new 5-year program has been proposed for federal government participation. Over this second period the proposal is to spend upwards of $350 000,000.

# Formulate Plans For Music Festival At Lloydminster

Being now well past Christmas and its festivities, thoughts are turned to the coming year, and for 1965 in the hearts and minds of many the forthcoming music festival is one of the key events of the Spring. The dates for the Lloydminster Festival this year are March 24th, 25th and 26th and the closing weeks earlier than last year. This means that teachers and pupils alike must get right down to business in order to get their numbers in shape for presentation.

The Lloydminster Music Festival has made an excellent name for itself in the past two years and the committee in 1965 adjudicators. In the meantime, that the standard be maintained. To assist entrants a entries in this class

Announcement will be made will receive by the Minister; and in return, the Agrologists were asked to study the three basic items of concern and make further presentations to the Alberta Government. As a result, the Lloydminster Branch of the A.I.A. are looking into facts covering the credit and bankruptcy of the Calgary branch is preparing recommendations covering freedom's policies and the Edmonton branch on taxation and farm improvements.

Other business at the Council meeting covered the A.I.A. Practical Scholarship which will continue to remain testable at the Edmonton campus of the University of Alberta or its affiliated colleges. The meeting also gave approval to commencing a study of books and bulleting in the agricultural section of public libraries. First-hand reports indicated that there are too few suitable references on agricultural topics in most public libraries. After a complete survey of the situation, the Council will approach proper authorities in the matter in an effort to correct the problem.

## ISLAY LOCALS

**CHRISTMAS IN PARIS**

We received word from Mr and Mrs. Barry Smith from Amsterdam, Holland, saying that they had enjoyed a Christmas trip to Paris immensely. While there they visited the richest street in the world known as "Jewellery Street", Notre Dame Cathedral and Louvre. They plan to return there during the summer when all the flowers are in bloom.

Mr. and Mrs. Bert Gould and Mr. and Mrs. W. Potvin were dinner guests at Mr and Mrs. Barry Smith's Thursday last.

Mr and Mrs. W. Potvin had dinner with Mr and Mrs. Ed McFadyen on Friday. They also enjoyed coffee with Mr and Mrs. Ken Wilson later in the evening.

James Maire of the U. of A. was home with his parents Mr and Mrs. John Maire for the week-end.

The "Grandmother's Dinner" Club met at the home of Mrs Linton. It was well attended and enjoyed by all present. The place to meet again next month.

Mr Dewey Deford celebrated a very happy birthday last Saturday evening. Over twenty sat down to a delicious dinner.

Congratulations to Mr. and Mrs Art Wielicko of Inuvik, N.W.T., on the birth of a daughter Jan. 18th, a sister for Brian.

## New Executive Appointed by F.U.A.

Paul Babes President of the F.U.A. has announced the appointment of Mr Douglas Galbraith to the newly established position of executive assistant

Mr. Galbraith is a graduate of the University of Alberta. He obtained a degree in Commerce in 1964. Prior to that he had experience as an office manager and as a collective statistical information Mr Galbraith also has considerable practical experience as a farmer. He owns and operates a grain and beef enterprise in the Vulcan district south east of Calgary.

Commenting on his new duties Mr Galbraith said that the work of the F.U.A. is increasing. The amount of telephone and personal contact from the people in all parts of the province is increasing. It was felt that consideration in this respect could be organized more effectively. Increased personal contact is necessary.

He was pleased in accepting this position in that it is a great opportunity to serve agriculture in the province. He is married and has a home in Calgary.

## Pleasant Valley

[illegible] Mrs. Ed Mc[illegible] and husband [illegible] Mrs. Ken Wilson [illegible] evening with friends.

We enjoyed supper at the Gelay home Thursday night also with Mr and Mrs Potvin On Saturday night we were up to Christie's home for supper and on Sunday Laurence Christie and family were dinner guests at the same home.

Mr. Lila and Bill Waterhouse have arrived back home from their visit. We wonder if they had a good holiday. Chris [illegible] and Shirley are in bloom for the spring — in the house that is!

Being now well past Christmas and its festivities, thoughts are turned to the coming year, and for 1965 in the hearts and minds of many the forthcoming music festival is one of the key events of the Spring. The dates for the Lloydminster Festival this year are March 24th, 25th and 26th and the closing weeks earlier than last year. This means that teachers and pupils alike must get right down to business in order to get their numbers in shape for presentation.

The Lloydminster Music Festival has made an excellent name for itself in the past two years and the committee in 1965 adjudicators. In the meantime, that the standard be maintained To assist entrants a entries in this class

Announcement will be made will receive by the Minister; and in return, the Agrologists were asked to study the three basic items of concern and make further presentations to the Alberta Government. As a result, the Lloydminster Branch of the A.I.A. are looking into facts covering the credit and bankruptcy of the Calgary branch is preparing recommendations covering freedom's policies and the Edmonton branch on taxation and farm improvements.

Other business at the Council meeting covered the A.I.A. Practical Scholarship which will continue to remain testable at the Edmonton campus of the University of Alberta or its affiliated colleges. First-hand reports indicated that there are too few suitable references on agricultural topics in most public libraries. After a complete survey of the situation, the Council will approach proper authorities in the matter in an effort to correct the problem.

# Agrologists Will Make Presentations

Concern over farm credit and arrested late in December was bankruptcy, taxation and governmental freedom policies high in return, the Agrologists were asked to study the three basic items of concern and make further presentations to the Alberta Government. As a result, the Lloydminster Branch of the A.I.A. are looking into facts covering the credit and bankruptcy of the Calgary branch is preparing recommendations covering freedom's policies and the Edmonton branch on taxation and farm improvements.

## Wildmere W. I.

The first meeting Wildmere W. I. 68 was held at the home of Mrs L. Howard

There were eight members present with three visitors: Mrs Gordon Green, Mrs. Gary Green, Mrs. Howard Caburn

The topic: Canadian Industry and Agriculture was given by Mrs Frank Tillson. Johnny Jump Up was won by Mrs Frank Tillson. A lovely lunch was served by the hostess. The next meeting will be held at the home of Mrs W. Weetman on Wednesday, Feb 3rd

Pictured are five members of the executive of the Derwent Curling Club, from the left are Paul Zaduk, Peter Toporowski, Larry Sept, Albert Willmer and Arnold McNeil.

The ladies ably supported the men in building the new rink and have taken over all the concession duties. Shown here are Mrs. Pat Osypyk, Mrs. H. R. Lychak and Mrs. Elsie Hendel, taking a rest between draws at the Farmers' spiel.

# Welcome New Industrial Arts Teacher, Mannville

MANNVILLE — The staff and Harkavitsu journeyed t this week of Mannville school re Some at North Battleford Mr Mrs. Harkavitsu came to Yorkton and Mr Stasiuko visited Calgary and friends at Vegreville. Miss Gray accompanied by Mr. Ron Gray and Mr. R. McFarlane took a Panc trip to Mexico City and Acapulco. They found it most interesting and a very pleasant interlude in our cold weather. Mr. Carden visited in Medicine Hat, Vancouver and Seattle.

Several of the teaching staff and students from New Lowne Everett, a member of the Mann also staff now teaching in the Department of National Defence School at Hemer, Germany. She is enjoying the whole wonderful experience of living working and traveling in Europe. Part of her Christmas holiday was to be a considerable distance Mr Sept in London, England.

# Allandale News

Weather: To date, Jan. 19th, we have been enjoying 40 above temperatures for the last few days, going down to around 20 above during the night.

Mrs. Gus Throndson, town, is getting along very well. She suf fered a light stroke on New Year's morning, and was in the hospital for a week.

Our deepest sympathy to Mrs. W. (Ellen) Currie and family, on the loss of a dear one, daugh ter and sister: Carol. She will be a loss to a large number of friends, many who came to know her from her picture, and spoke did your "The Herald-ser" in the Standard. She was our District Home Economist.

Our thoughts are with Mrs. (Ced) Ann Heinen in the Uni versity Hospital, a speedy re covery to you and your many friends.

Mrs. Donald (Hilda) Wilson is getting along well after surgery in the University Hospital, Ed monton, on Jan. 8th. She will be recuperating for a few days at her sister Della's, the home of Mr. and Mrs. James Walsh and family in the city. Their sister Orlene (Mrs. Paul Whelan, of Ottawa) underwent surgery ear lier, and is getting on very well.

The first whist was at the hall on January 16th. Prizes went to ladies, Mrs. Dalsie Strome, Ralph Strome and Orley Omness; men: Donald McPhee, Herb Mc Phee and Tom McPhee.

Closing Thought: "The sin of gluttony. What must the people of the 'have not' countries feel about our extravagances? Is there any longer a place, and waste no longer wicked." In our age of superciety the great er slogans should centre around equal distribution."

TOWN OF VERMILION
PROCLAMATION
As Mayor of the Town of Vermilion, I earnestly invite the citizens of Vermilion to co-operate whole-heartedly in the Winter Employment campaign to level out and help eliminate the seasonal unemployment situation.
Skilled tradesmen are readily available during winter months and can give particular attention to your project. Householders desiring to have repair work, re-building and remodelling done should plan it for the cold winter months when men and materials are available. By doing so you will avoid serious inconveniences and delays on your project and ensure employment for more people when they need it.
Co-operation is the prime ingredient of prosperity and you will be doing your part to make this area more prosperous by giving careful consideration now to planning projects that can be carried out this winter.
A. MEN. KING,
Mayor, Town of Vermilion.

See pp. 3, 4 and 5 section 2 for "Do It Now" advertisements.

## 10 Day F.U.A. Tour For Workers

A ten-day tour of the Pacific northwest is members of the FUA who did the best jobs of canvassing in the recent FUA membership drive. It is to be upon award by the United Farmers of Alberta Co-operative Ltd. This is the third year that the UFA Co-op has provided this incentive to FUA membership drive winners. Previously trips have been to Ottawa and to Montreal to Paul Mann. The tour will visit farm organizations co-operatives and industries in B.C. Washington and Oregon.

The members will also visit the UFA Co-op in Calgary.

## L.E.R. Has A New Home In Edmonton

The Loyal Edmonton Regiment (1 PPCLI) has a new home. After 50 years as the main unit housed in the Prince of Wales Armoury, the militia unit this week completed a move to the former HMCS Nonsuch in the river valley.

The move coincides with the historic year of the 50th anniversary of the formation of the unit early in January 1915 by Lt Col W. A. Griesbach. The Regiment was named the 49th Battalion.

The new quarters provide ample training for the unit's Student Militia and regular Army program, the latter is to be expanded with the Regiment undertaking a recruiting program to enlist 100 young men between 19 and 25 years of age.

Training emphasis will be in Infantry Corps tactics, with special courses in winter warfare survival, skiing, climbing and other outdoor activities.

Accommodation is also being provided in the former HMCS Nonsuch property for the 6th Intelligence Training Company, the 19th Alberta Dragoons Cadets, the Sea Cadets and the Navy League Cadets.

# Activities of The Wildmere U. C. W. For Year 1964

The Wildmere U. C. W. which consists of eleven members, carried out many varied and interesting activities the past year.

Two congregational potluck suppers were held at which the Auburndale congregation was invited. Slides of Lake Whitney Camp were shown and three Bibles presented to young people leaving this district to further their education.

In March the ladies held the annual church service one Sunday, each one taking a part.

Prior to the student ministers return in the spring the members held a housecleaning bee at the church.

In addition to meeting the St. Paul Presbytery U.C.W. also donations at Bible Camp were made to St. Stephen's College Lake Whitney Camp Easter Jelly work Alkoholics Home in Edmonton and the Deer and Above Treaty Indian Fund.

Two ladies, Mrs. Worship A. Newman and Mrs. G. H. Dawes, Super intendent of Mission Bands, Mr. J. W. James Assistant superintendent of Secondary Schools for Calgary and the Ven. Archdeacon Lovell Sidebottom also from Calgary were guest speakers at the conference.

Mrs. Willa Rice, teacher-sponsor for the high school and Mrs. Muriel Lang, both of Mannville, attended the conference. Mrs. Lang gave a brief talk on Junior Red Cross magazine which is used in her classroom as part of her reading program.

Most of the members present contributed to the success of the Saturday conference and felt that it could be value had been gained from the meeting.

## Teachers Discuss Junior Red Cross Programme

MANNVILLE — More than seventy teachers from schools throughout the province attended a Junior Red Cross Teachers' Conference at the impressive Queen Motor Hotel in Red Deer during the late fall.

The conference program set by Mrs. A. J. Mumford, Alberta Director of Junior Red Cross, was aimed at furthering development of Junior Red Cross in the schools and familiarizing program sponsors and coordinators with the many facets of service open to students through the Red Cross youth program.

Delegates were greeted and welcomed by Mrs. H. E. Bedingfield, President of Canadian Red Cross Society, Alberta Division; Mrs. James Lampard, President Canadian Red Cross Society Red Deer Branch; His Worship Alderman Mayor of Red Deer and Mrs. G. H. Dawes, Superintendent of Mission Bands.

Mr. J. W. James Assistant superintendent of Secondary Schools for Calgary and the Ven. Archdeacon Lovell Sidebottom also from Calgary were guest speakers at the conference.

Mrs. Willa Rice, teacher-sponsor for the high school and Mrs. Muriel Lang, both of Mannville, attended the conference. Mrs. Lang gave a brief talk on Junior Red Cross magazine which is used in her classroom as part of her reading program.

Most of the teachers present contributed to the success of the Saturday conference and felt that could be value had been gained from the meeting.

An local Sun Life representatives, may we call upon you at your convenience?

SUN LIFE ASSURANCE COMPANY OF CANADA
A MUTUAL COMPANY

To create a daily ton of newsprint manufacturing capacity in 1963 required a capital investment of $2,150,000 in $1,200,000 expansion of paper and wood supply about three times as much as prior to World War II.

Of Canada's 4,757,000 homes in May 1961 85 per cent had electric refrigerators 81 per cent had television sets 87 per cent had powered washing machines and 71 per cent had home freezers.

## Widwood (East)

(Held over from last week)

Best wishes for 1965 to all.

The cold weather is still with us as this is being written. The farmers are beginning to worry about the great amount of feed required to keep the cattle this cold winter. Unless a break comes soon feed will be scarce.

Mr and Mrs. A. Jack spent Christmas at Tofield with Mrs. Jack's sister-in-law.

Mr and Mrs. E. Bath were at home for Christmas but their daughters, Eileen and Doris, and two grandchildren arrived shortly after and stayed until Jan. 2.

All of the Bob Dyrdale family were home for Christmas.

The Gerbig family visited at the Erb home in Lloydminster for Christmas and the following day at Lake Lenore in Mallaig view.

Gene and Verna Presley and family also were holiday visitors in Mundare.

Gerald and Betty Franklin were at the home of the latter's parents, Bill Fiddimore.

Mr. and Mrs. Fred Christopher and boys of Sherwood Park, visited at the Bob Shone home.

Several cars of feeder calves have been sold this past week to buyers from Lloydminster. We are told they are wanted for feed lots in Eastern Canada.

Mr. and Mrs. J. Jack and Mr. and Mrs. D. Jack attended the funeral of Mr. and Mrs. Harold Irwin on Saturday. Harold walked for Jack a few years ago.

Best wishes to the bride and groom.

# Marwayne F.W.U.A. Enjoy Xmas Meeting

MARWAYNE. Joy and merriment ignited the Christmas meeting of the Marwayne F.W.U.A. on Saturday, Dec. 19 at the home of Mrs. Midgley. Co-hostesses were Mmes. Chapman and Dorothy Cooke. Thirty-four members, including Mildred Sir Clair, coming from Lloydminster braved the intense cold to attend the meeting and were not disappointed for their efforts.

The meeting opened with some lively carol singing. Laura Crich then gave a most interesting report on her portion of the annual convention which she attended in Edmonton. Ella Martin was the winner of the car raffled by the F.U.A. at the convention.

A questionnaire by the Mental Health Association was discussed and filled out.

A motion was made and passed that whether the president or the secretary be required to host or be co-hostess at a meeting. It was felt that their work was heavy enough and that there are plenty of members to do this.

There will be a social evening in the Legion Hall Saturday, Jan. 30th for the F.W.U.A. and F.U.A. at which time Mr and Mrs. Jim Hale are being asked to show their pictures of their trip to Europe last summer.

F.W.U.A. coffee spoons were presented to officers and those who had perfect attendance at meetings. Christmas gifts were exchanged and names of Pollyannas revealed with much fun and surprise. Pollyannas for the coming year were drawn. Angeline McClean volunteered to pick up the hystic articles.

The Jan. 25th meeting will be held at the home of Gladys Hutchinson. Angeline McClean will continue the convention report. Please bring your used cards and stamps.

A sumptuous lunch was enjoyed by all.

## Dewberry News

Mr and Mrs. W. Parker, Mr and Mrs. Bob Parker, Richard, Jeff and Mrs. Phillis Parker, Anna motored to the home of their daughter Joyce and family for Christmas.

Mr and Mrs. Jack Kline spent Christmas Day in Edmonton with their daughter Irene and family.

Donald and Lynette Maltais were home for Christmas. On the 26th they were in a car accident near Elk Point. Donald escaped with bruises and was well enough to return to his work. Lynette was badly lacerated requiring numerous stitches and was hospitalized in Elk Point.

Mrs. Headly Twenill, Mrs. Clay McEvoy and Kelly Applegate were patients in the hospital last week.

Mrs. J. S. McKay and Mr and Mrs. J. Kent and family spent part of the holidays at the home of Mr. and Mrs. J. Whiteside. This was home for New Year's.

Some of the people home for either Christmas or New Year's were Mr and Mrs. Fred Rainey, Louise Rainey, Beverley and Dennis Lemp, Fred and Nita Marbach, June Craige, Marjorie Redman, Valerie Kent, Lynn Pope, Mr. Marion Braithwaite and Mr and Mrs. Henry Benson and family.

The Christmas concert put on by Grades 1 to 6 was well attended and enjoyed by all. The little Grade 1 and 2 pupils stole the show again.

Despite the cold the skating rink has been busy at times. The ladies' curling club had a friendly whip-spiel January 9th with seven rinks participating. All enjoyed a roasterie supper after the curling.

Sincere sympathy is extended to the Frank Parr family on the loss of their father and grandpa by fire on Wednesday, Jan. 6th.

Congratulations to Mr. and Mrs. V. Kent on the birth of a son — also for the first baby to arrive in the year 1965 in Vermilion.

A hearty welcome to Mr. and Mrs. Stannard and family, the new owners of the Dewberry Hotel.

Sylvia and Raymond Yakimchuk spent part of the Christmas holidays at Mr. and Mrs. Nick Yakimchuk's.

Mr. and Mrs. Tom West moved into their new home the week between Christmas and New Year's.

Rudy Holmen and Mr. Bill Webedale are in the hospital at Elk Point.

## Expo 67 Hostess Uniform

The Expo 67 Hostess Uniform, worn for the first time by Miss World, Ann Sidney, is a practical, but pretty, three-piece outfit, a jumper, blouse and jacket. There is even an attractive oilskin cape for inclement weather.

The jumper has a graceful white culotte-skirt with emerald green bodice and softly rounded neckline featuring maize-colored piping. Worn with the jumper is a long-sleeved white blouse printed with the Expo 67 symbol in green and maize, finished with a dainty collar and bow.

The emerald green jacket is long-sleeved, semi-fitted and features maize-colored lapels, two large buttons and two pockets.

A pert maize cap with tiny peak adds a touch of jauntiness to the uniform.

The white cape is ideal protection in rain, sleet or snow, as it is made of waterproof oilskin and has detachable pure wool lining and hood.

Ann Sidney, who won the Miss World Contest last November over 42 contestants, was born in the small village of Poole, in Dorset County, in the south of England twenty years ago. Miss Sidney is the first person to wear the proposed Expo 67 Hostess Uniform. An attractive brunette, Miss Sidney is a taller-than-average five-feet-nine inches and her other measurements are 37½-25-36.

## More British Autos – "Greatest Year" Predicted

1964 may well have been the greatest year so far for the British auto industry. While final statistics are now being assembled, the British Automobile Manufacturers Bureau in Toronto estimates that more than 1,000,000 British cars and 450,000 trucks were produced during the year, of which 675,000 autos and 170,000 trucks were exported. In 1963 1,091,000 autos and 425,000 trucks were built, with exports totalling 615,000 and 138,000 respectively.

Britain's auto exports to Canada almost trebled during the January - November period. The latest available figures show that shipments totalled 32,681 compared with 11,887 in the first 11 months of 1963.

## Stroke... The Killer That Can Be Curbed

Each year, strokes kill 16,000 Canadians. Many more are crippled so severely that they are heavily dependent on family and state. Now doctors are discovering ways to detect early warning signs and prevent disaster from striking says the Reader's Digest.

Known to doctors as recurring vascular accidents (CVA), strokes are varying forms of breakdowns in the supply of blood to the brain. Researchers have found that CVA's rarely develop suddenly. Instead they come on over a period of years. Sometimes even childhood blues times warnings are given in the form of "little strokes". But few know what they mean, or take advantage of the great medical advances which can now stem the frightful toll of strokes.

How can you recognize such a little stroke? There are many signs and they do not usually come alone. A temporary numbness or paralysis of a limb, not to be confused with a momentary fall-asleep because of external restrictions, or a headache for at least five minutes. Fifty-fourth you notice a part of your body affected limb and the slight paralysis is often accompanied by dizziness or loss of balance. You may feel faint and confused and your vision and speech may be affected. You should call the doctor immediately and describe what has happened. If your family's early experiences in the past clash with your doctor book.

Now that you know about stroke, what can you do to prevent strokes or to lessen the severity of a second stroke in those who have already had one? Some things and treatments actually are when the stroke is from the first stroke. Millions of people have suffered strokes and the medicines which lead to CVA. Then doctors discovered new could help ward off strokes which might come for years later.

For the most part the symptoms for the doctor will look for can be unnoticed in routine physical checkup. New techniques of examination are sometimes detect the threat of stroke and combined with angiography, a way of X-raying arteries can help localize the blockage to a patient who has had a stroke. Many victims can be helped by surgical techniques already available. Artificial arteries, developed artificial arteries. Many others benefit from anticoagulant drugs which must doctors believe can not only lessen the tendency of the blood to clot, but also keep blood vessels which have been narrowed by atherosclerosis from being closed.

## Egg Support Price Unchanged

OTTAWA. Agriculture Minister Harry Hays has announced that the support price for eggs to be paid Oct 1, 1964 to Sept 30, 1965, will remain unchanged from the previous year's. Mr. Hays Board will support the price of Grade A large eggs by a deficiency payment program at a national weighted average price of 34 cents per dozen to producers.

In the 1963-64 period, the national average price amounted to 32 cents per dozen resulting in a deficiency payment of two cents per dozen to producers. Total payments amounting to approximately $700,000 have been made.

The maximum for a deficiency payment remains unchanged at 600 dozen eggs per producer. This covers Grade A Extra Large, Grade A Large and Grade A Medium sizes. The program this year however provides that payments shall not be made on quantities of eggs that would result in payments of less than $2 per individual.

To be eligible for payment producers must be registered with the board and must have marketed their eggs either through registered grading stations, or to retail outlets as producer graders.

Housewives of Richfield Village in Clifton, New Jersey were up in arms this week because the apartment owners took down the birch yard clotheslines and worse did it at 4:00 a.m. The women asked "Why can't men have us planet things like this?"

ANNOUNCEMENT

FIRST AND SECOND FEEDINGS OF

SABIN POLIO VACCINE

will be administered during all regular Well Baby Clinics and regular school programs.

Starting in January and continuing through April

Recipients must have had a previous course of Salk Vaccine within the last year or its equivalent in mixed antigens.

## Local Tradesmen And Businesses Support 'Do It Now' Campaign

In the not so distant past, winter in Vermilion and district, as in the rest of Canada, was a time to be dreaded by the tradesman, salesman and employer. No one ever thought of getting any normal "warm weather" work done, or of buying or arranging anything needed in the warm months.

As a result of this attitude of "you can't do anything outside (or in) during the Canadian winter," employers and employees did little all winter but sit at home and think thoughts of the long hours of work ahead in the summer, doing jobs that could just as easily be done in winter.

New materials, new techniques and most important of all, a new attitude on the part of everyone has resulted in a "spreading out" of the work throughout the cold months.

Today, everything from a redecorating job to a complete building is being done during the winter months, evening the work load, enabling the contractor, worker and customer to plan their activities to give the most satisfaction.

But the "Do It Now" idea for Canadians in the winter is extending far beyond the construction industry. It is beginning to permeate all business and industry from the farmer who wants to get his machinery and tractor overhauled, to the man who is hunting for an "extra good" buy in a car, truck, farm implement, tractor or what have you.

Those who DEAL in the winter find that it pays, both buyer and seller have time to give to the finer point of the "dicker".

WHY WAIT FOR SPRING? DO IT NOW!

Switzerland, no larger than a small state of the U.S., is only 15,944 square miles in area.

## Two Straight Wins For Marauders At Home

by Don Morse

Robson High Marauders marked their second home game of the season with their second consecutive double sweep of both the girls and boys games last Friday. The girls exploded in the second half with 14 points to defeat Kitscoty girls 23-20. The boys on the second game of the night romped to a 67-16 victory over the Kitscoty boys. Almost 100 people attended the games.

ROBSON HIGH GIRLS 38, KITSCOTY 20

Kitscoty started out with strong aggressive play in the first and several quarters and were tuned on weak Marauder rebounding to lead the half 14-9. Mary Williams was the only sparkplug on the Marauder offense with 8 points. Freshers in Their Socks Sorbe piled up most of the Kitscoty points.

Pat Stewart was top scorer for Kitscoty with 5 points.

ROBSON BOYS WIN 67-16

Marauder regulars took a back seat in this lop - sided contest against a youthful Kitscoty team. The youth in the Marauder lineup including Ken Flagate, Bill Callas, Ron Herbert, Albert Dibben, Pat Moncrieff and Ray Hindson gave the crowd a fine display of Marauder potential in the years to come. The locals grabbed a big lead early in the game on fine shooting by Dibben and Flagate who were the top scorers with 9 and 12 points respectively. Defensively, Herbert and Moncrieff did a fine job of rebounding. It is interesting to note that every player on the Marauder team figured in the scoring. Kitscoty moved the ball well but fell behind on poor shooting and loose defensive play in their own end. Top scorers for the visitors was Lyle Anderson with 9 points. The Marauders are now well ahead of the rest of the Southern Division with a record 6 to 0 record.

Winter's the time...

## NEWS from ISLAY

Keep in mind Bible Society Sunday for Nov. 21st at 7:30 p.m. Rev. Mr. Wheelock will show the new film Freedom in Their Souls. There will be the opportunity to give a special offering at this service, hope that we will not need to canvass.

Mrs. Fay Critchley arrived back from the University Hospital Friday.

Noticed the Misses Peggy and Marilyn Hancock again at Islaytogh town on their way to visit their cousins Janice and Ian Marr near Marwayne.

Mrs. Jim Barnett from Vermilion Valley Lodge was down on Saturday, also Mrs. Winnie Torrance who has been spending a week-end here with relatives and friends.

Jim Shaw and Jim Maire were home from their different halls in Edmonton over the week-end.

AWARD PINS PRESENTED

The award pins given by the County School unit were presented by Mr. P. McGuigan during the school Christmas concert to Ken Hendricks, Iris Anson and Bruce Gould for Grade 8 and to Randy Jarvis for Grade 7. Names are in order of merit.

Ice fishing on Lake Lauvier is all the go right now. Don MacFadyen and Stan Walper are back west Saturday and Stan enjoyed it much he went again on Sunday. They had good luck and weather was good too.

Mr and Mrs. Horricks and family are now settled in the Hurst home.

PREMIER REQUEST GRS

We are sorry and saddened to report the passing of Mrs. Mary Armstrong (nee McEachern) in the Toronto Western Hospital on Jan. 6th. The funeral was held Jan. 8th with interment in Lindsay cemetery. Mabel Catherine is employed in Lindsay.

Jerry Maire, Ben and Dorothy Sheppard attended the Ice Capades in Edmonton.

## MARWAYNE

SPORTS NEWS IS HERE!

In regular league basketball games results were: At Dewberry, Mon. Jan. 11, Dewberry girls won over Marwayne girls 39 to 22; Marwayne boys 34, Dewberry 33. At Marwayne on Friday, Jan. 15: Marwayne girls 38, Heinsburg 27; Marwayne boys 38, Heinsburg boys 32.

In hockey all games played in Marwayne Arena: Wednesday Jan 13th, Lloydminster Carpenters defeated Marwayne Comets 6 to 5 in overtime. On Saturday Dewberry Bantams 5, Marwayne 1; Kitscoty Pee Wees 5, Marwayne 2; Kitscoty Minos 3, Marwayne 0. On Sunday, Jan. 17th: Edmond Juveniles 4, Marwayne 3. This was a fast, well played game delighting the spectators. All scores have been verified attended. The Arena Auxiliary wishes to thank all those who gave so generously to the kitchen shower.

HOCKEY TOURNEY JAN. 30

The Junior hockey tournament will be held on Saturday, Jan. 30th. This is Young Canada Hockey Week.

Mr. Perks was the first unfortunate hockey casualty. He was hit with a flying puck during the Wednesday's game and received several stitches in his lip.

Mrs. Pepper, son of Mr. and Mrs. Ivy Pepper was admitted for several days with an infected finger.

Mrs. Bacon is a patient in the Elk Point Hospital.

Sympathy is extended to the Hale families in the death of their aunt, Mrs. Sarah Hale of the Jubilee Lodge. She passed away Wednesday, Jan. 13th at the age of 88. Funeral service and interment at Lloydminster.

Miss Phyllis Hunt, nurse-in-training at Lamont, was home this past week-end.

BOWLING EVENINGS

At a well attended social evening of the PFHA and PWUA, Mr. and Mrs. Jim Hale showed some of the slides of their trip taken last summer while on tour of southern Europe and Scandinavia. The pictures were most interesting and enjoyed by all.

The new reception of the Roman Catholic Church held the first service in the new church on Sunday last, Jan. 17th.

## Employment Campaign Provides Work & Wages

"Most unemployed people want to work; they want wages, not a subsidy," W. C. Stewart of Winnipeg, prairie regional director of the Unemployment Insurance Commission, declared today. He strongly urged both householders and employers to get behind their Local Employment Committees and Winter Employment Committees which have conducted plans for winter employment campaigns across the province. The "Kick-off" for most of the community employment drives is set for January. The National Employment Service works closely with the committees.

"The unemployed person who really wants to work but can't afford it suffers a loss of morale as well as a financial loss," stated Mr Stewart. "Any job, no matter how small, will help, and there is so much work which can be done more promptly in winter when qualified men and materials are more likely to be readily available."

The U.I.C. official paid high tribute to "the public spirited committee members" who completed final details before launching their campaigns. "The efforts of these prominent citizens merit our full support," he stressed. "It is virtually impossible to gauge the number of jobs found through these campaigns, but we do know that last winter's campaigns were a great success, and early indications are that this season's employment drive will turn up even more jobs."

Mr. Stewart warned against any tendency to become "lulled into a false sense of security" by comparatively low joblessness figures now prevalent on the prairies. Although the latest DBS figures on unemployment list the prairies at 2.7 per cent of the labour force, there are pockets of unemployment which exist the country and these will increase as winter progresses he stated. The U.I.C. director urged householders and employers alike to study their needs with a view to doing work which might just as well be done now as next spring.

"When everybody works, everybody benefits" may have been a rather trite expression, but it is nonetheless true" said Mr. Stewart. The provision of any winter job no matter how small, boosts the purchasing power of your community and so bolsters the general economy."

The U.I.C. official also emphasized importance of the Municipal Winter Works Incentive Program. "It looks as if this season's Municipal Winter Works Program will provide a record number of jobs," he pointed out, referring to figures released by the Hon. Allan J. MacEachen, Minister of Labour. Mr. MacEachen revealed that projects approved up to mid-November will create jobs for an estimated 86,000 man - months time this winter and provide about 1,900,000 man days of work -71,300 men and 1,630,000 man days at the same time a year ago. Under this program the federal government pays half of the direct labour costs of certain municipal winter works while in the case of the Winter Housing Building Program an incentive payment of $300 is paid if certain conditions are met. Mr. Stewart stated

## WILDMERE WINKS

Everyone gave a sigh of relief last Wednesday when they awoke to find the weather had finally warmed up so they could get caught up on several jobs. Dr. Sumbaroo and Waldon Westman are taking advantage of the warmer [illegible] to get the Banga [illegible] home. Albert South, Hill [illegible] for Preston was also busy tagging the calves.

Sympathy is extended to Mrs. Clayton Moore and Mrs. Jim Moore [illegible] on the loss of their brothers.

Linda [illegible] spent part of last week in her room [illegible] Red Deer with her parents, Mr. and Mrs. Albert [illegible].

We [illegible] to see Mrs. Chuck Stewart [illegible] a week in the hospital [illegible] young [illegible] at her home.

Mr. Howard Landes and family [illegible] to reside in the house [illegible] Mr. Landes has purchased from Mr. Howard.

Mr. and Mrs. Clarence [illegible] and their two children [illegible] Mr. Clarence's brother [illegible] Mrs. Clarence's brother [illegible] Edmonton.

Mrs. Tom [illegible] which was [illegible] Mrs. Clarence's brother [illegible] Mrs. Clarence's brother [illegible] Communications [illegible] and [illegible] have moved [illegible] cabin.

Wildmere [illegible] weather came [illegible] and a few are [illegible] protect [illegible] the dirtbikes [illegible] basis.

[illegible] from Wildmere are [illegible] left in the Cyder [illegible] curling team. Good [illegible].

[illegible] with reserved home [illegible] Mrs. Brenda [illegible] her daughter and [illegible] of Mrs. Desmond [illegible].

[illegible] and Mrs. Leroy Atchison [illegible] up the good spirit [illegible] by [illegible] to [illegible] their new home [illegible] of those [illegible].

WHY WAIT FOR SPRING?

Winter Is The Time

to get your farm machinery in shape for a new season's work.

Bring In Your Tractor or Other Farm Machinery — Let Us Put It In Shape

DO IT NOW!

DO IT

In a matter of a few weeks farmers will be back on the land.

Some, with equipment in good shape will go right ahead. Others will have trouble all season long — because their machinery was not looked after when shop time was available.

See to your tractor now. We can make arrangements to bring your machine in for overhaul if you wish.

[illegible] some 6 [illegible] persons were estimated to have changed their usual place of residence within Canada during the previous year [illegible] prior to the 1961 census.

Net general revenue of provincial governments in the fiscal year ending March 31 1965 is forecast at $3.971 million and expenditure at $4.354 million; principal items of expenditure will be health and social welfare $1.191 million, education $1.361 million, transportation [illegible] million.

# Bethesda U.C.W.

The January meeting of the United Church Women of Dewberry was held in the Christian Education Hall with ten members present.

Minutes of the last meeting were read and adopted, after which financial statement was given.

Billie the reading of the Bible study report it was moved and seconded to use the balance of this fund in aid of a district family. Some correspondence was dealt with and tabled until a later date.

The annual meeting took place with the following as officers for the ensuing year: President, Mrs. K. E. Jones; Vice-President, Mrs. M Hodgson Sec'y Rivers, Mrs. A Purser; Christian Citizenship and Social Action, Mrs. J Whitelaw; Christian Education and Missionary Education, Mrs. Jones Finance, Mrs. A Purser, Flowers, Mrs. Hodgson; Literature, Communication, Program and Membership, Mrs. Whitcombe; Press and Publicity, Mrs. W. H. Young; Supply and Social Assistance, Mrs. Hodgson; Social Functions, in charge of the executive.

In place of the December meeting the members met in the hall and packed 21 Christmas boxes of food for the bachelors and other deserving people in the community.

Happy Birthday was sung to a member and with the benediction the meeting came to a close. Lunch was served by the hostesses Mrs. C. McVeety and Mrs. Hodgson. Next meeting will be held at the home of Mrs. Young.

# Children's Eyesight Far From Perfect

Your child on his first day of school has far from perfect eyesight according to Alberta vision specialists. The six-year-old has only 20/30 vision. Normal vision and speed of seeing have a long way to go for peak efficiency. But, this is the eyesight with which he must begin his long career of learning.

Besides that, says, the Alberta Optometric Association, the chances are one in four that he does not have vision normal for his age. Studies show that 27 per cent of all elementary school children are in need of visual care which they are not getting.

What can be done about the alarming number of children who don't see as they should?

Teachers and parents can do a great deal to spot these sight deficiencies says the Alberta Optometric Association. There are always danger signals when any school child's eyesight is below par.

It does little good to ask the small youngster about his vision. According to Alberta's Optometrists he doesn't know what "blur" is — he thinks everyone sees as he does. He has no yardstick for comparison. What he does is more important than what he says.

The child in grade school should be able to read, draw and romp on the playgrounds without strained squinting, watering eyes Bright sun, TV, movies and ordinary light should be taken in stride with no signs of trouble.

Alberta's vision specialists urge parents and teachers to watch for behaviour patterns which are a most important clue to visual difficulty. Avoiding use of eyes accompanied by a variety of excuses including mild behaviour temper tantrums, over-sensitivity can have a visual background.

Related to reading, the following may be signs of visual difficulty Dislike for reading being done avoiding close-work, omission of words or lines "jump ing" holding reading too close, head movements, frowning or squinting and facial distortions.

The Alberta Optometric Association urges parents and teachers to be alert to the symptoms of visual problems in children. Alert attention and correction of these symptoms which might hinder a child's school progress can also save his precious vision.

# News From MARWAYNE

(Held over from last week)

**FORM ARENA AUXILIARY**

Marwayne Arena Auxiliary has been formed to operate the lunch booth Officers are Pres Mrs. Kay Ioall Sec'y Mrs Frances Gras Treas Mrs Flores Mac Convener Mrs Pidzarko Mrs Norwell Laverie Mrs. Ford Berg and Mrs Audrey Mac Donald Four are needed in the booth for each game and more for tournaments. MR. AND MRS. WILLIAM L. ROBINSON

—Photo by Wooders of Phoscroft

# Darlene West Becomes Bride of Wm. Robinson

Darlene Yvonne, the youngest daughter of Mr. and Mrs. Orvin Cole West of Clandonald, Alta., became the bride of William Lyle Robinson, only son of Mr. and Mrs. W. Lyle Robinson, Vermilion, in a ceremony at the Elim United Church, Vermilion, at 2.30 p.m., November 27. Mr. A. Fredrickson performed the double-ring ceremony.

Given in marriage by her father, the bride was charming in a floor-length gown of white satin brocade, styled with empire waistline and long sleeves, trimmed to lilly points at the wrists; train of the gown was attached at the dress flowed softly from the waistline. Her chapel length veil was cascaded from a crown of lace and pearls. Her only jewelry was a cultured pearl and diamond drop necklace and earring set, a gift from the groom. She carried a bouquet of pink sweetheart roses and white feathered carnations, centred by a white orchid.

The bridal attendants, Mrs. Barbara Grossman, sister of the bride, and Miss Anne McCrae, cousin of the bride, were identical turquoise wool sheath dresses with white fur trim and matching headbands. They carried white fur muffs, adorned with pink feathered carnations and wore diamond drop necklaces, earrings, gifts from the bride.

Attending the groom were Mr. Thomas Hildebrandt and Mr. Robert Barr. The ushers were Mr Keith Barr and Mr. Allen Forbes. The wedding music was played by Mr. Jack Brown.

For her daughter's wedding Mrs. West chose a blue, three piece double knit dress with hat and accessories, with white mums as corsage.

The groom's mother chose a dress of printed silk crepe, in shades of red and wine. Hat and accessories were in brown and her corsage was of white mums.

Tables were laid for 250 guests at a reception held in the Legion Hall. The bride's table was centred by a three tier wedding cake, flanked by bud vases of lilies and white mums, and pink roses. Mr. A Friesen acted the wedding.

Mr. Robert Barr was master of ceremonies and called upon Rev. Ken Dauphinee to propose the toast to the bride to which the groom fittingly replied.

Miss Marie McCrae, cousin of the bride was in charge of the guest book.

A dance followed the reception for which the Dubue Orchestra of Verreville provided the music.

For a honeymoon trip to Vancouver, Victoria and the Western States, the bride changed to a red two-piece double knit suit, black pillbox hat and accessories in black. She wore an orchid corsage

Out-of-town guests were from Edmonton, Wetaskiwin, Lloydminster, Wainwright and Vermilion.

The happy couple are now residing on the groom's farm west of Vermilion.

# tv Talk

The big news in television this week is that Red Foley's hardcore singing star Stu Phillips has been signed to host a country-and-western series in the U.S. The series entitled "Country A Go Go" will be widely distributed throughout the United States, Central and South America.

As host of "Country A Go Go", Stu Phillips will introduce the top country and western guest stars as Webb Pierce, Ray Price, Marty Robbins, Lefty Frizzell, Jackie Lee and Cousin Minnie Pearl. There is no word yet on whether the series will be carried in Canada. If the case arises, Phillips will commute from Hollywood to Winnipeg to continue on Red River Jamboree until a suitable replacement can be found.

**"GOD ON THE CAMPUS"**

How do university students feel about religion? What is the claim of "God On The Campus" Heritage, Sunday, January 24th at 1.00 p.m. will attempt to answer these and other questions used in a survey of religious practices taken among fourth year students and four clergymen comment on the questions

**HERO OF THE WEEK**

The Show of the Week, Monday evening at 8.00 is another on the "Wayne and Shuster take an affectionate look" series This time the subject of their interest is the comedy team of Bud Abbott and Lou Costello Johnny and Frank will trace the rise of Abbott and Costello from burlesque through vaudeville and radio to Hollywood success and will screen some of their favourite film scenes, perhaps the famous "Who's on First" sequence? Let's hope so.

There should be plenty of laughs in store Tuesday night when another old-time comedian Jack Benny, finds himself a reluctant star. The Dennis Day Jack's cell becomes a little over crowded when he is joined by the Kingston Trio, Mel Blanc (the voice of Bugs Bunny), a Mexican police captain, his assistants, and an orchestra. The Jack Benny program is scheduled for 8.00 p.m. January 26th.

**"MAGNIFICENT YANKEE" REVIEW**

The Festival feature Wednesday at 9.30 p.m. is "The Magnificent Yankee". Broadway drama recreating the public and private life of famed U.S. Justice Oliver Wendell Holmes. Set in Washington from the turn of the century to 1933, the drama stars the great acting team of Alfred Lunt and Lynn Fontanne as the Justice and his wife, Fanny Dixwell Holmes.

**NEW SEVEN PART SERIAL**

A new seven part serial begins Thursday at 4.30 p.m. It's "The Reluctant Agent", an espionage thriller set in the James Bond tradition, concerning a master plot to destroy seven major Communist cities by germ warfare. In the first episode George Mc Kenna, a respectable young Toronto lawyer and his hostess girl friend Jenny Maunder join a government conspiracy to disrupt Canada and U.S. relations and the NATO alliance. The serial stars John Horton, Diane Cilento, Murray Davis and Carol Wiggins.

# News from Clandonald

The dance scheduled for last Friday night here was cancelled at 11 o'clock as only a few people had turned out. It is to be hoped in future that anyone wanting to dance will be in the hall earlier and get their money's worth of dancing!

Mr. and Mrs. John MacGillivary had Edmonton visitors for Christmas, their son Don and daughter-in-law Joyce (Cooper) and children Lewis, Barbara and Janet. Also Mr and Mrs. Roger Leroy and little Russel and Audrea. Roger is Mrs. MacGillivary's nephew and his wife is the former Blanche Roberge.

The Lasilas enjoyed the company of Miss Jo Anne Myrick of Gander Bay, Nfld., on the New Year's week-end.

Joe Lesile, who has been employed in Edmonton and attending night school, has taken a month's leave to be home to study his subjects before he writes his final test.

Congratulations and all best wishes to Mr. and Mrs. Delvin Dancey, the former Miss Helen Lovell of Landonville, who were married in Clandonald Jan. 9th.

On Jan. 15th Arnold Olsen left for Edmonton to attend three weeks of schooling for the Imperial Oil Co. In his absence Peter Matyschuk is looking after the business of keeping the fuel barrels filled and other jobs.

Mr. and Mrs. Harold Schoonmaker attended the wedding of the latter's nephew, Harold Brown of Islay, on Jan. 9th.

Snow and inclemencies are the only problems that disappear if you ignore them long enough!

Lighting the way of men to betterment is the finest profession known.

# More Job Placements By Employment Office

Year-end employment figures, just released by Mr. E. Goulding, Manager of the National Employment Office for this district, show a marked increase in placement activity by the local office. 797 placements were recorded in 1964 as compared to 503 in 1963. Applicants seeking work at year-end exceeded those registered at the close of 1963 by about 10 per cent.

Mr. Goulding attributed the almost 60 per cent increase in placements to the buoyant economic conditions in the local area while increased employment staff enabled the office to serve employers and applicants more effectively.

Tomorrow is the greatest labor-saving device of today.

A "gentleman" burglar entered Mrs. Emma Oldfield's apartment in Folkstone, England, found her on the floor Leaden after a fall. He picked her up, put her in bed, gave her a goodby kiss and left quietly with her purse.

# Swimming Pool For The Handicapped

Sunday, June 21 marked the opening of the new swimming pool for the handicapped at Camp He-Ho-Ha at Lake Isle, 48 miles west of Edmonton. The pool was donated to the camp by the Associated Canadian Travellers and will serve both handicapped adults and children attending this camp from all parts of the province.

In the 16 years since its inception the associated Canadian Travellers has provided financial assistance for 1500 needy children suffering from crippling conditions. Approximately half a million dollars has been disbursed from this fund for medical, surgical and hospital care for crippled children, who, through lack of funds or aid from other agencies, might otherwise be condemned to a lifetime of severely curtailed activity.

The opening of this pool is another of the many Easter Seal Services co-ordinated by the Alberta Council for Crippled Children and Adults.

# Islay Local News

Mr. Omar Easton returned home a few days ago after spending a very pleasant week in Edmonton with his nieces and nephews. The occasion was a reunion of the Easton family, and there of his family. Those present at the home of his niece Mr and Mrs. N. Calvert (Patsy), Robert and Calvert, the celebration, were their mother, Mrs Anna Easton from Vancouver, Mr and Mrs. Ralph Easton and their youngest daughter from Fernie, B.C., Mr and Mrs. Chas Easton and two children from Vancouver, Mrs. Lois Currie and two children from Calgary, Mr and Mrs. Bruce Easton and four children Edmonton. Mr Currie could not attend owing to serious illness in his family.

Omar stayed at the home of his nephew Bruce where he enjoyed the abundance of well cooked foods including three kinds of wild meat for the farewell dinner.

Mr and Mrs Bruce McFadyen and children from Wawota, Sask., were visitors with their uncle and aunt Mr. and Mrs. Ed McFadyen recently.

Mr and Mrs. Wm Betton and family spent New Year's Day with Mr and Mrs. E. Steinhauer and George.

Mr and Mrs Wm Potvin were Sunday visitors with the former's sister Mrs. Rose Kennedy and family.

Congratulations and all best wishes to Mr and Mrs. Bevan Hilaire Hanna who were married in Islay on Saturday.

A successful recovery is wished Mrs McFadyen and Mrs Mercer from the results of the axes who are patients in the Vermilion Hospital.

# Brewery Industry Bread and Butter To Many Canadians

# Hog Marketing Average 149,000 Head Weekly

Heavy hog marketings and somewhat lower prices to producers compared with last year are forecast for the final quarter of 1964 by Canada Department of Agriculture experts.

Marketings should reach their highest levels in late October and November but decline somewhat in December. Prices are expected to remain close to present levels.

According to the Dominion Bureau of Statistics September 1st hog survey there were 5,200,000 hogs on farms in Canada — an increase of six per cent over the 1963 level.

In Eastern Canada hog numbers increased two per cent while numbers in Western Canada were 12 per cent greater than at September 1st 1963.

Farmers indicated that farrowings next increase in Eastern Canada and 8% in the West for a total of 2,750,000 for Canada. This is a 9% increase over last year.

On the basis of the 1964 survey, hog marketings are expected to total 2,900,000 head — an average of 149,000 head per week in the final quarter of 1964. This is a 5% increase over the total for the same period of 1963 and the highest quantity ever moved in any quarter since 1951.

Slaughter rates may be somewhat lower than in the third quarter of 1964 but will be higher than in the fourth quarter of 1963. Marketings in the first quarter of 1965 are expected to total 2,850,000 head — an increase of 5% over the same period of 1964.

Weekly marketings are expected to average 92,000 per week with the main increase coming from Quebec

the new look of success... '65 PONTIAC

Pontiac is excitingly new and different this year. And more luxurious than ever. With its striking new styling, sleeker, lower profile and majestic new grille, Canada's Success Car has outdone itself beautifully for 1965. And there's so much more than good looks to Pontiac's success story. It's the best handling, smoothest riding, roomiest and most comfortable Pontiac yet. A new extra-strength perimeter frame, wide wheel track, new suspension and steering are just a few of the things that make the tie on that Pontiac ever. Here indeed is the new look of success for 1965!

Be sure to watch "Telescope" and "The Rogues" now showing on television. Check local listings for time and channel.

The above chart reflects the relative range of estimated yields, in Western Canada. Based on reports from their correspondents October 23rd the Searle Grain Company estimated the average wheat yield for the three Prairie Provinces at 20.7 bushels per acre. This compares with the long-time average yield of 16.9 bushels per acre. By provinces the estimated average yield per acre is: Alberta, 21.8 bushels; Saskatchewan 18.1 bushels and Manitoba 24.7 bushels. Yields in Manitoba were uniformly good following the better than normal growing season runs. In both Saskatchewan and Alberta the wide differences in growing conditions and in the amount of rainfall received made for wide [illegible] in yield.

By B. E. JHA

## RIVERTON

[illegible] Riverton is enjoying this balmy weather though the change has been somewhat [illegible] the natives of it a shock. There was quite a dif[illegible] between 50 below temperature on Tuesday to rain and loadings up to above freezing on the [illegible] days are lovely and the [illegible] nights are simply beautiful.

Curling is underway at last and a number of rinks are [illegible] a small bonspiel is just [illegible] for the local rink [illegible] sympathy of the district [illegible] Fran's Parr and fam[illegible] in her recent loss [illegible] home.

Congratulations to Mr and Mrs Flunt on the birth of a daughter at Grandview Nursing Home, Athabasca.

Mrs. Gene Mattheisen is in the hospital in Vermilion having undergone surgery and be[illegible] very well and will soon be home.

Mrs. Helen Timmons was a visitor in Edmonton where she took in the Ice Capades.

### HALL ASSOCIATION MEETS

The annual meeting of the Community Hall Association was held Jan 13th with an attendance of fourteen. Mostly routine business was attended to, election of officers, plans for the year were discussed and discussion of finances

Annual meeting of the Conservation in Riverton is extended to Mrs. Rudi Holmes and families in the serious injuries she suffered in the tragic death of her friend [illegible] in the accident.

### LAW and ALCOHOL

Carrousing and driver while consumption of liquor has only been a curse of society.

The earliest mention in [illegible] Irish Liberation of drunkenness as an excuse for irresponsibility is to be found in the Penitential of Theodore Archbishop of Canterbury, who, from 668 to 690 A.D. Theodore is said that someone killed a man while drunk shall be guilty of homicide; he commits sin by [illegible] and whether by killing a Christian, Theodore by fasting is enjoined to restore that guilty man to the favour of the Lord. Centuries later, old law as found in the writings of Sir Edward Coke (1551-1633), and Sir Matthew Hale (1609-1676) regarded intoxication no "domestic affection" or acquired medicine, aggravating the guilt of any crimes whose predisposing cause it was and in no way affording an excuse for the commission of a criminal deed for unlike insanity it had been produced voluntarily and to produce it was a crime morally and also legally. This was so but not necessarily on the principle of Lord Coke's convicted British judge who argued that he remains as bad even when drunk, what must he be when sober.

As for the present position, both Hainsbury's Laws of England and Canadian Jurisprudence state the law as it stands today simply as: "A person who becomes drunk as the result of his own voluntary act is not excused from criminal liability by reason of his drunkenness alone, for a person drunk, drunkenness may be capable of forming an intention and therefore of committing an act." However two [illegible] rules have emerged

(1) The rule drawing a distinction between voluntary and involuntary intoxication as a defence.

(2) The rule acknowledging intoxication, drunkenness as a disease.

To take the first rule first. In Beard House of Lords decided that [illegible] drunkenness [illegible] in [illegible] [illegible] [illegible]

## Make Compulsory School Age Higher

Students should be compelled to stay in school until they are 16 years of age or have finished grade 10, is the opinion of the Alberta Home and School Associations and of the F.W.I.A. The Standard agrees wholeheartedly with this opinion and many reasons can be given in support.

Students of course should stay in school much longer than age 16 and should have much more education than a mere grade 10 put in reaching the age but it is a start one step in the right direction. The young person has matured by one year and is more likely to realize the importance of continuing at school.

There is little doubt but that this recommendation will receive its correct consideration of the Alberta Legislature at the [illegible] session.

* * *

## TV Commercials Flushed Down

Pete Lesnikas doesn't need a TV survey to tell him which are the most popular commercials.

He just watches the gauges at the city water treatment plant, where he is chief engineer.

When a popular television show ends, says Mr. Lesnikas, the needle on the pumping apparatus swings up to as high as 42 million gallons per day. Normal pumping pressure in Edmonton is about 30 million gallons a day.

The increased demand for water usually lasts about four or five minutes, then drops back to normal.

Shorter periods of fluctuations occur at 6:50 p.m., 7:55 p.m., 8:30 p.m., 9:55 p.m., 10:25 p.m., 9:55 p.m. and 10:30 p.m. — which doesn't say much for television's commercials.

— *Edmonton Journal.*

## "LIGHTS ON" . . .
## Example set by Optometrists

Optometrists from all parts of Alberta will be driving to Calgary on Sunday, January 31st, with their headlights on — in the daytime.

They will be on their way to the Alberta Optometric Association's 45th annual convention to be held at the Calgary Inn in Calgary, February 1st and 2nd. The reason for the headlights on in the daytime is to set a safety example for all Alberta motorists.

Alberta's vision specialists have many facts and figures to back up their claim that headlights on in the daytime is an important safety measure. Their findings have been endorsed by inter-city bus lines and trucking companies in Canada and the United States who report accident reductions of 40% as a result of driving with "daylights".

Dr. D. J. McCrimmon of Edmonton, President of the Alberta Optometric Association, explains "The main cause of highway deaths is the head-on collision. Headlights can often double the distance at which a car is visible in the daytime and so reduce the incidence of these collisions. Also, the lights tell other drivers where your car is approaching them or travelling in the same direction."

* * *

## Pierre Berton Has Faults Too

The Reverend A. C. Forrest, editor of The United Church Observer, takes on Pierre Berton's new book, The Comfortable Pew, in a vigorous review in the February 6 issue of Maclean's magazine. Berton's book, undertaken on the invitation of the Anglican church is a rough attack on the religious establishment of Canada's major Protestant churches, and while Reverend Forrest finds much to applaud in Berton's sniping, he finds just as much, he writes, that is unkind and downright unfair.

Forrest calls Berton's criticism of some old-fashioned ministers' attitude toward alcohol, for instance, "cliche and thoughtless," and he strikes back at Berton's criticism of clergymen who rush into print with comments on frivolous topics, like topless bathing suits, but not so crucial world issues. The fault, Forrest argues, lies not with clergymen but with newspaperman who hound clergymen for quotes on unimportant but sensational issues.

"I have always found in my editorial work," Forrest writes in Maclean's, "that if we say something lighthearted on clear girls wearing earrings, or beer or sex, the newspaper reporters — many of them juveniles — think it worth quoting, but a careful comment on a great issue is ignored or so distorted that you don't recognize it."

Many of Berton's criticisms, Forrest contends, are on the same level as this one — that is cause of Berton not knowing all the facts about the churches and churchmen he is attacking.

# GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

**BUSINESS ON HATCHING**

The Alberta Department of Agriculture will analyze a farmer's business for a fee of $10. To use this service a farmer must have an account of receipts, expenses and a good inventory. Everyone keeps accounts of receipts and expenses for income tax. An inventory is a horse of another color. Few farmers know what it is and still fewer have one.

[illegible] to be compelled to keep [illegible] the past [illegible] available [illegible] land during the winter may be raised direct to the countryside and sent over summer pastures. [illegible] done to improve the pasture situation in the north-east is overstocked. The researchers, however, say that any future expansion of the beef industry will have to take place right here in the Parkland and it will most likely be done by ordinary farmers. Farmers that still get most out of their pasture more beef, longer grazing season and more feed. On native pasture, brush has reduced the grazing capacity. The Experimental Farms Service report that cultivation wherever possible is the best method to control poplar and willow. Good brush control increased native grass production by 700 additional pounds per acre. By seeding the same land to brome grass and alfalfa the total pasture production was further increased by an average additional 200 pounds.

**WHEAT TESTS**

March 8th to 12th inclusive at the Vermilion Alberta Provincial Vocational College Registration at the D.A office.

**CAR INSURANCE**

A large area of the County of Minburn and some of Vermilion River has been selected as a Test Area for Crop Insurance. The townships involved are 49, 50, 51 and 52, Ranges 6 to 12 inclusive. Bulletins at Wetaskiwin D.A. office are available which describe All Hazard Crop Insurance in detail.

# Letters to the Editor

Edmonton, Alberta

Dear Sir,

It has been interesting to note that most of the members of the Alberta Fish and Game Association have had a new slate of officers for 1965 and I am sure that its 17,338 members will be eagerly looking forward to the progress that they can achieve in the coming year. While each member they should certainly provide a strong voice in the Legislature to persuade the powers that be to preserve our precious heritage for the future, of a land abounding with wild life, beautiful vegetation, lakes and sparkling brooks alive with fish, or roaming rivers, but all these must be protected from the litter-bugs and fisherman-hogs who do not seem to be too conscious of our natural heritage.

There is no country in the world that has the privilege of going out in a country full of fresh air clean rivers and lakes, flowers and wild fruits and a great deal of wild life that Canada — especially when you do not have to go more than 20 miles and the 17,338 sports men in the Fish and Game Association must do everything in their power to conserve it. But they must have the co-operation of the public and be willing to lend and advise those questions on issues pertinent to carry it through. This is the job of all the new executives, and with the Department of Fish and Wildlife and with a three-day convention coming up in Red Deer on the 8th, 9th and 10th of February the year's agenda will be interesting to see and the reports on the progress that has been made.

Further the new administrators must show the public a large percentage which are not members of the Alberta Fish and Game Association that they are going to be beaten down by the unprovoked hostility of the fraternity of fish, birds our wildlife for the fun of killing or destroys our vegetation in any way that they please and by and let commercial industries despite it for the almighty dollars. They must show the public that they are making progress in their duties and services.

By doing this they must start by informing the public bringing the Association to the limelight and there is no better way than having a very competent information officer in a well run office. An office where information is given correctly and our remedy for young and old in no discrimination do the young and old miss as well and I for one have had my life enriched by them both. But for years I have heard many comments from the public in the East that industry time

there is no one in the Fish and Game office. This is not the way to win friends for our aims and ambitions. The public, as well as the members, must always have a good source of information about the Association and its many branches could ably in front of them. They must be able to read and hear about the work that we all hope will be done by the new staff and they certainly must be able to see that we who love our great outdoors and realize it is a privilege to live in having it, are making progress by many projects to conserve it.

We wish them a very success 2nd Convention and the very best in their 1965 season.

L. Mason,
An Ardent Sportswoman.

# News from KITSCOTY

Mr Hugh McGregor has returned to [illegible] after spending the past three weeks here visiting with his mother-in-law and daughter Mr and Mrs. Arvid McLean and the children and with George. He also renewed acquaintances with some of his old friends and neighbors.

Dennis Mallett and Eugene Mikeha and Malcolm Stewart motor to Edmonton to attend the Ice Capades.

Mr L. Wright of Edmonton is a recent visitor here with his brother in law and sister Mr and Mrs. Alf Frasher.

Visiting last week-end at the Frasher home were Earl Flander and the children from Fort Saskatchewan.

Mr and Mrs. Cliff Flinder spent several days in Edmonton recently when Cliff had surgery on his nose. Arlene was a guest at the home of her aunt, Mrs. R. Milligan while they were in the city.

Mr C. L. Browne spent four days in Edmonton last week on business with his father Mr. A. C. Linsdell and other members of the family.

Best wishes for better health are extended to Wilfred Parker in the Isley Hospital; J. W. Johnson, Bill Bustraan and Bill Hall, members of the garment and painting in the Lloydminster Hospital.

A speedy recovery is wished for Mr. Bill Hall and Mr. Bill and all the folks who are ill at home at present.

The warmer weather has brought an influx of young chicks and the ones we noticed [illegible] many young broilers [illegible] the first time last week.

# The Living Law

By R. E. Hall

**DESTRUCTION AND WASTE**

According to a report on alcoholism, there is no doubt that this and various kinds of drug addiction are causing a tremendous and increasing social waste. There is abundant evidence of this to be found even among persons who are seldom suspect. Absenteeism from responsible positions and matrimonial conflicts are commonplace occurrences. The resulting loss of time from employment alone has been estimated to cost industry huge sums and professions many millions of dollars every year in this country. It is impossible to calculate the losses indirectly caused by such addiction. Motor accidents involving dreadful injuries or death, suicide, untold property damage fires destroy ing property and lives, are every day evidence of the ravages of alcohol and drug addiction, to say nothing of the cost to the public in the form of permanent disabilities, increased taxation and bankruptcies indirectly related to these diseases.

See report of the committee on alcoholism of the Medico Legal Society of Toronto.

**EFFORT TO CURE NEEDED**

The problem of alcoholism and drug addiction is a complicated one and its destructive social influences are many. It must be attacked on many fronts. It is significant to note that throughout the world "social progress" is used in lieu of all the other derogatory terms previously used in Statutes and Judicial decisions. Logically, elaborate measures are provided for combating the disease.

True, in recent years some of the provinces of Canada have passed certain statutes and set up special bodies, to study mental health and allied problems. True, there are indications of widespread educational concern over finding effective solutions. But it is unfortunately admitted that piecemeal palliatives provided by the existing "mental health" and "mental diseases" statutes simply will not do. What is needed is a concerted effort to cure. Any human endeavour directed to the attainment of this objective is worthwhile. Therefore, a certain amount of money spent on the promotion, encouragement and coordination of facilities for the scientific study, dissemination of information relating specifically to alcoholics and drug addicts is eminently worth while. Public opinion must be aroused.

Next week I propose to discuss problems and law relating to juvenile drinking.

# Young Couple To Live At Cold Lake Air Base

McDOUGALL—MOORE

A very pretty wedding was solemnized at 4 p.m. on Saturday, December 12th at the Holy Name Parish Church, Vermilion, when Edna Rose, only daughter of Mr. and Mrs. Chas. Moore of Vermilion, became the bride of Cpl. George MacDougall, son of Mr. and Mrs. Donald MacDougall of East Bay, Nova Scotia, in double-ring ceremony.

The lovely bride entered the church on the arm of her father in a white floor length gown of peau de charm with lily point sleeves and scoop neckline with fitted bodice waistline that dropped to a deep V-a at the back with full skirt. She wore a shoulder-length veil held in place by a pill box headpiece. Her only jewelry was a pearl pendant, a gift of the groom. She carried a bouquet of red roses with a white orchid corsage in the centre.

The maid of honour was Mrs. Alice Lindahl of Cold Lake and the bridesmaid, Miss Lila Porter of Vermilion. Both ladies wore street-length dresses of duchess satin in floor length styles with [illegible] and [illegible] and carried bouquets of yellow mums.

The groom's attendants were Mr. Norman Lindahl, R.C.A.F. Station, Cold Lake, and Mr. Wilfred Gendron, R.C.A.F. Station, Namao, Alberta.

Ushering were Mr. Wayne Taylor of Saskatoon, and Mr. Glen Archbald, R.C.A.F. Station, Cold Lake.

For her daughter's wedding Mrs. Moore chose a floor length peacock blue dress of lace over taffeta with matching hat and black accessories and a corsage of pink carnations.

Following the ceremony a reception was held at the Legion Hall where some ninety relatives and friends gathered. Mrs. Shirley Moore, sister-in-law of the bride, was in charge of the guest book.

The bride's table was laid with a beautiful crocheted table-cloth made by the bride's mother. It was centred by a three-tier wedding cake, also made by the bride's mother, and decorated by Mrs. Orlo Childers of Allendale. It was flanked by bouquets of flowers.

Grace was said by Mr. Gib Stephen.

Master of ceremonies was Mr. Angus Smith, one-time school teacher of the bride. Toast to the bride was given by Mr. Bob Allan of Vermilion. Ellen had worked for several years. The groom very ably replied.

Telegrams were read from Cpl. Cecil Williams, B.C. and Pte. Brampton, Ontario.

Out-of-town guests were from Cold Lake: Master Riley Andrew Allwell and Saskatoon, Sask.: Sylvia Lloyd, Norma Lloyd, Irene Bustard; Ripsel (Hodgson, Partenheimer; Linda Parker; Pte. Bulard Kingston (?).

In the calendar year 1963 all Canadian banks made loans in almost $12.9 billion in revenue, spent over $13.6 billion and had

# Timanson Rink Wins Dewberry Challenge

DEWBERRY. — The L. Timanson rink of Riverton won the Grand Challenge at the Dewberry bonspiel last week. Other winners in the Challenge were: 2, Cloudy Dunn; 3, Tyrell Harper; Marwayne; 4, Sperbt, Clandonald.

Second Event — 1, L. Graham, Marwayne; 2, Bowman, Dewberry; 3, Kuzyk, Marwayne; 4, Dewberry Hotel (Brett). Dewberry.

Third Event — 1, Donald, Vermilion, skipped by R. Long; 2, Peterhoff, Viking; 3, Bob Heinsburg, 4, Neil Jones, Dewberry.

The members of the Ladies Curling Club provided a turkey banquet on Tuesday evening. Everyone was pleased to see Grandma Sharpe in the club again this year and to have Carl Heckbert and Dr. Clarke of Vermilion attend the curlers' banquet.

After the fine turkey banquet provided by the Dewberry Ladies' Curling Club, Arvid Lee, master of ceremonies in his usual humorous fashion, presented Mrs. Fryerhuth, President of the Dewberry Curling Club, welcomed the curlers to Dewberry and thanked the ladies as drawmaster to the satisfaction of all concerned, called on the rinks from Vermilion, Elk Point, Marwayne, Clandonald, Riverton and Rivers Lee for a few words. Carl Heckbert, who was very active in the curling for the first time in a few years, attended the banquet as an invited guest, thanked briefly as did Dr. Clarke and Andy Wood.

Altogether in spite of the icy roads and cold weather, it was a mild weather it was a very well conducted and enjoyable bonspiel.

Treasurer of the Challenge Event was Bob Tim [illegible] Timanson skip; Ronald Mathison, Jim Mathison, Frank Mathison.

The Vermilion rink which won the third event was composed of Riverton: Tim Timanson skip; Bob Barr; F. Donald Graham Skinner.

## Sub-Local A.T.A. Holds Supper Meeting Wednesday

The sub local meeting of the Alberta Teachers' Association was held on Wednesday, January 20 with Mr. Charles Mc Cleary in the chair.

Reports were given by Miss Marjorie Knapp, who dealt with A.T.A. pensions and with curriculum polls; by Mr. John Kinderchuk who spoke on the work of the local executive; and by Mr. Archie Busby who reported on the recent rally at Kitscoty, at which Mr. Joseph Berlando Field Service Assistant from the Provincial Office of the A.T.A. was the guest speaker.

Other business included the course of the A.T.A. Scholarship and the matter of group insurance plans for the sub-local participation in the annual banquet, which will be held in Vermilion on Saturday, January 30, were completed.

## Kinsmen Midgets Holding Their Own

Decimated by players moving up to the Juvenile Bob Cats, the Vermilion Kinsmen Midgets are nevertheless holding their own in play with other midget teams in the district.

The local Midgets, who dominated district midgets over the past two years, came up with a "player problem" of their own this year. In addition to losing several boys who 'aged' reached the age limit, five of last year's team still eligible to play midget hockey are with the Juveniles. I wapite this the boys have won one game, tied two and have lost one. Their last game was Tuesday night, when they tied Wainwright 2 - all.

Rud Baldwin is the club manager and Clark Wolff is coach.

## Sunday At Alliance Chapel

Pastor J. H. Bell was speaker at both church services in the Alliance Chapel Sunday, Jan. 24. His sermon titles were "The Trail That Brought the Greatest Revival" and "Four People You Must Meet". Special music was provided vocally by Mrs. J. H. Bell, Mr. Albert Mix and Mr. Jake Hamm. One selection, a trio, was accompanied at the organ by Mrs. Al Curtis. Otherwise the singing was accompanied at the piano and organ by Mrs. J. H. Bell and Ken Tovell.

Announcements were issued of the annual meetings of the Women's Missionary Prayer Union, to be held Thursday, Jan. 28th.

Visitors from out of town included Darreen Curvan and Mr. Geo. Comas, Edmonton, visiting her mother Mrs. Grace Curran. Mr. and Mrs. Wm. R. Mix, Mallaws, B.C., visiting members of the family. Mr. Jim Lister a new resident from Meadow Lake, Sask., employed on the Roger Watt farm.

## LOCAL NEWS

### ENGAGEMENT ANNOUNCED

Mr. and Mrs. William Watt of Edmonton take pleasure in announcing the engagement of their youngest daughter, Marilyn, to Raymond Victor Kowalski, only son of Mr. Leo Kowalski and the late Mrs. Kowalski of Islay. The wedding to take place Saturday, February 27th, at 7:00 o'clock in the evening at St. Faith's Anglican Church in Edmonton.

---

George Law drops a line from Vancouver and says that they are just recovering from the big snowfall experienced during the past few weeks. He could not get his car out of the lane until the day before writing on Jan. 19th. George says "We are keeping well and wish all our good friends and acquaintances in and around Vermilion the very best in 1965."

---

Johnny and Cora Maxwell have now moved to Killam Alberta where they have a barber shop and beauty salon. They want all friends to drop in and say hello when in that area.

---

Mrs. Emma Howgate returned recently from a vacation trip to Vancouver and Seattle where she visited relatives.

---

Denis Terrien writes from Imperial Mills, Alberta, to say that all was going very well in their new town and that business was good. Even the weather had turned fine.

---

Mr. Bill Hogan, manager of the Canadian Imperial Bank of Commerce at Provost, until recently, has now moved with his wife and family to Rocky Mountain House where he has taken over as manager of the branch there.

---

Miss Joan Trach, who is presently taking a course in hairdressing in Edmonton, was home for the weekend to visit her family and friends.

---

Mrs. Cecil Sneden returned on Thursday Jan. 21 from Vancouver where she had been called due to the illness of her mother. Mrs. Mary Harvether Elale reports that her mother is much improved. The trip was made by aircraft.

---

BORN—To Mr. and Mrs. Ronald Nyshus (nee Marilyn Smith) at the Lamont Hospital on January 11, 1965, a daughter, Ronda Lynn, weight 6 lbs. 12 oz. A first grandchild for Jim and Peggy Smith of Hythe, Alberta.

---

Items for this column are invited by the Editor.

Lemon Juice Recipe Relieves Arthritic & Rheumatic Pain

If you suffer from arthritis, rheumatism, neuritis, neuralgia, lumbago, sciatica, or muscular aches and pains, try this simple inexpensive recipe that thousands are using. Get from your druggist 4 oz. Jad Salts. Add juice of 4 lemons. Drink a glass daily as needed. Many people quickly relieve pain and stiffness, and feel years younger. Jad Salts is a combination of time-proven ingredients, each one helping the other for more effective relief. Try it!

## MARWAYNE

Sports — The Hillmond All Stars defeated Marwayne Comets by a score of 11-4 in a game played at Hillmond, On Wed., Jan. 20th in a game played in Marwayne the Comets won over Lashburn 11-4. At this game there were 450 cash customers.

On Saturday, the 23rd, in Marwayne, Hillmond Midgets over Marwayne 3-1. Marwayne Peewees over Hillmond 6-1. The same evening, Marwayne Midgets over Kitscoty by the walloping score of 20 to 4.

Marwayne will terminate the Minor Hockey Week with a grand Junior Tournament on Saturday, Jan. 30th. Play will start early in the morning and continue all day. Bring your boy and stay to watch him play.

In basketball the High School teams travelled to Vermilion on Thursday for an exhibition game with Robson High. The girls won their game in 3 minutes of overtime by the score of 24 to 22. The boys losing for the first time this season 72 to 38. The teams have two more league games to play.

Services in the United Church for Jan., Feb. and March are held at 11:00 a.m. with Sunday School at the same time.

Congratulations to Mr. and Mrs. W. Fisher, old timers of the Bardgrove district and still living on their farm, on their Golden Wedding Anniversary, Tuesday, Jan. 26th. All good wishes of the community go to Mr. and Mrs. Fisher.

Mr. and Mrs. R. Milne have gone to Peace River to visit their daughter and son-in-law Con and Mrs. Dean Fisher and the new grandson Dwight.

Jerry Krat and Bob McKethan are spending their second winter at Herriot Bay on Quadra Island B.C. where they are doing carpenter work for the Pacific Coast Children's Mission, as Homewood. Russel Swanson has worked at this mission for the past 13 years.

The Home and School card party will be held on Friday, Jan. 29th at 8:30 p.m. with whist and crib played.

Congratulations to Mr. and Mrs. Glen Ewen on the birth of a daughter, Mrs. Ewen was a former teacher here.

The Provodnik Club will hold their next meeting on Tuesday, Feb. 9th in the Elks Hall.

Birthday greetings and good wishes in January go to Mrs. Annie Hansen and W. Davidson.

## Big One Coming Up For Bob Cats Sunday

Vermilion Juvenile Bob Cats travel to St. Paul this Sunday afternoon for the "big one" as far as Eastern Alberta Juvenile hockey league standings are concerned.

To date the Bob Cats have won one and tied two with St. Paul losing only one game all season and to Maidstone when rain trouble prevented four Vermilion boys from arriving in the Saskatchewan town to play.

## Juvenile Bob Cats Win Two More

Vermilion's Juvenile Bob Cats are still flying high and are up to three decisions over the weekend.

On Saturday last playing before a home town record the Bob Cats ran wild and trimmed Lloydminster 10-0. Hatfield got a well deserved shut out.

Scoring for Bob Cats was by D. Beattie 1, J. MacLeod 1, Lee Bellows 1, Ken Hatfield 1, B. Cameron 1, K. Whitlock 1 and S. Williams 2.

Assists went to Walsh Cameron, Wilson, Heinemann, Beattie, N. McLeod, J. McLeod 2, Gannon

**WIN 41 AT LLOYDMINSTER**

Playing back at Lloydminster on Monday evening the Bob Cats came through with a 4-1 victory. Lloydminster scored the opening goal from there on the Bob Cats outscored with goals by John MacLean from D. Cameron, S. Williams from Neil MacLean, R. Cameron from Bill Wilson, Bill Wilson from John MacLean.

**NAME OMITTED**

The name of Mrs. Thos. Watts was inadvertently omitted from the welfare committee of the Vermilion Branch, Alberta Division of the Canadian Cancer Society, in the December 10th account of the annual meeting of the Vermilion Branch.

**THANK YOU**

The Chatsworth Country Club extends sincere appreciation to those who contributed donations of cash in the glass jars placed in business places of the town, in aid of the "Freedom From Hunger" project.

Also a sincere "Thank you" to the Vermilion Standard for publicity given this undertaking, and to the Co-op store, Redman's, Macleod's, Ole's Pharmacy, Leap's Food Shop Store, Craigs' Ltd. Stephens Ltd., Tomboy Store, Scoggins Restaurant, where jars were placed.

The sum of $27.69 was contributed.

**CARD OF THANKS**

We wish to express our heartfelt thanks and appreciation to our many friends and neighbors for the messages of sympathy, the floral tributes, memorial gifts and acts of kindness extended to us in the loss of our beloved husband and father

Mrs. Ruth Moser
and Family

**CARD OF THANKS**

We wish to express our sincere appreciation of the kindness shown us during the illness and passing away of our beloved husband, father and grandfather. Also for the floral tributes, memorial gifts and acts of kindness extended to us in the loss of our beloved husband, father and grandfather.

## Regional 4-H Leadership Training Courses in Alberta

A series of 18 one-day 4-H leadership training courses for adult leaders are being conducted throughout Alberta during January and February.

Three courses, arranged by the 4-H Division, the district home economist, and the district agriculturist, are designed to present new ideas and to provide an opportunity for participants to discuss the present 4-H program. Any problems the leaders may have will also be brought up for discussion.

Junior Leaders" is the foremost topic on the agenda. Since safety is being emphasized more and more in the club program, a new farm safety activity designed for clubs will be introduced. Multi-project clubs, introduced this year, and a new approach to measuring achievement of each member will both be discussed.

Junior leadership and club executive courses will be held in conjunction with the senior courses at Lacombe, Red Deer and Vermilion. Sessions will outline responsibilities in the club program with specific attention being given to both cases to program planning.

Leaders and assistant leaders of all 4-H clubs are urged to attend the course scheduled for their area. Registration will be at 9:45 a.m. Further details on places and dates can be obtained from local district home economists and district agriculturists.

Making Effective Use Of

## NEWS from ISLAY

January 31st in Bible Society Church at 7.30 p.m. and will show the new film "Freedom in Their Hearts". It is hoped you will be present where you will have the privilege of contributing to this cause thus eliminating a summons.

Thanks to the kind folks who sent used stamps to me. Recent ones by me, every seven ounces, it takes hundreds of stamps to weigh that much. Keep saving them please.

Zig Budzilas had a birthday on Jan 21st. The Ivan MacFadyen family had supper at Zig's home to celebrate the event.

Recent visitors at the home of Peter and Margaret Kostin and family were Mr and Mrs. Art Kleats of St. Albert.

**ANNUAL TURKEY SUPPER**

A very successful evening was spent at the school on Wednesday, Jan. 20th when the staff, with husbands and friends, wives and the local board with their wives and the janitor gathered together for their annual turkey supper. Special guests were Mr and Mrs. Hurst the former principal. It was a welcome also to the new janitor Mrs. La Hanne. In the evening games and an evening of what was enjoyed. A very beautiful old painting, a view at Four Pitt, done by Mrs. Alex Linton, was presented to Mrs Hurst by the Students' Union also gave them a very loved ash tray. Mr and Mrs. Hurst were genuinely surprised. Mr. Hurst made a very nice reply to the presentations.

Another light shows up in our hamlet. Mr Peter Pynten is now residing in what was Mr Shamel's home Welcome to the community.

We learn that Jeannie Adley will have been in hospital in Edmonton beginning Feb 1st. Good luck is wished her and we are sure Jeannie will make a very pleasant and effective nurse.

U.C.W. will meet Feb 3rd at 2:30 p.m. Visitors are very welcome. Meeting is at the nurse home.

We are sorry to note in the Allandale news of the illness of two daughters of Mrs Orley Ormesa. We wish them a speedy and thorough recovery, also the sister and sister-in-law of Mrs Ormesa.

## NEWS From Dewberry

[illegible] to Mr and [illegible] on the birth of a daughter on Jan. 17th.

Mr and Mrs. Ivan and Mathison have just returned from a trip to Vancouver. They are now planning a motor to Arizona this coming week.

**CAST BALLOT**

The Dewberry C.G.I.T. rallies will be held on Monday, March 1st at [illegible] Kitscoty. The Intermediate Rally at Vermilion March 12 and 13.

Thought for the week. Think like a man of action and act like a man of thought.

The first step to self on the value of your goods is yourself

## Three Rivers District Scouting News

The November meeting of the Three Rivers District Council was held in the Dewberry High School where vice president Moe Hoffman presided over the 18 members present. The meeting opened with the Lord's Prayer led by Harold Vanderwalker.

Old Business.

Kitscoty Dewberry Vermilion Clubs have yet to turn in registration forms. These were due October 31st 1964.

A list of training courses being offered in Edmonton were included with the last news release. Please refer to this, and if anyone is interested the DC will be very happy to assist in their registration. The extension courses also of particular interest. Perhaps some from this area could attend.

The Scout paper special guests were Mr and Mrs. Hurst and former principal Mrs. Glover. The visit was considered a success. Thank you to the janitor who could be improved for future events. Some items could have been in front of the curtain while props were being arranged behind them. Stage fright and ineffectual use of microphones were evident. Letters of thanks are to be sent to Mr and Mrs. Hurst, Mrs Glover and Mrs Jean Inman accompanist and Mrs Ormesa.

The firelighting item was tabled from the last meeting. It was decided that the firelighting ceremony be held in the Fall with the following year.

The letterhead notepaper has still been received 1100 sheets. The stencil we have cost $6.65 each. Paper and ink readily obtainable.

Group insurance claim. Forms are available at the next meeting.

DC will meet Feb 3rd at 2:30 p.m. Visitors are very welcome. Meeting is at the nurse home.

We are sorry to note in the Allandale news of the illness of two daughters of Mrs Orley Ormesa. We wish them a speedy and thorough recovery, also the sister and sister-in-law of Mrs Ormesa.

The report on the Apple Drive showed a net profit of $250.25. A Court of Honor will be held in Laurence Harvather for his excellent organization of this event. Murray Gratz and George Doherty were to attend the Training Course to be held in Wainwright Dec 13.

The Secretary was instructed to write a letter of thanks to Art Glasgow for his excellent work as a Scout Leader. He is now working at Johnston Motors 5th Avenue Main Street Vermilion 30

The question of the G.C. payment for uniform allowance for leaders was raised. The Group Committee news Ken Glover for 3 terms of 22 rabbet long rifle shells which the boys used at target practice led by Clarke Wolff.

George Webb volunteered to be the care of "The Holly Wreath Sale Project

Norman Henderson has volunteered to replace Art. Another Scouter is still needed. Ken Glover gave a report on the overnight hike at Islay.

## All-Risk Crop Insurance

**NOW AVAILABLE**

THE ALL-RISK PROTECTION YOU HAVE BEEN ASKING FOR IS NOW OFFERED TO FARMERS IN RANFURLY-VERMILION AREA

PROTECTION FOR MAJOR CROPS against all natural perils — drouth, hail, frost, excessive moisture, flooding, insect pests, disease, wind and wildlife — is available now to farmers in a few selected areas.

**YOUR DISTRICT OUTLINED IN MAP ABOVE HAS BEEN SELECTED**
**as one of the first to benefit by this all-coverage plan**

- ★ You can insure now for major crops — spring wheat, oats and barley.
- ★ Premiums will be set for individual districts — and sometimes for individual farms.
- ★ Your benefits will be based on your own losses — not on average losses in your area.
- ★ Good farming practices will be recognized in giving discounts from premiums.
- ★ Farmers taking crop insurance will be exempt from one percent P. F. A. A. levy on all grain deliveries.
- ★ No crops can be insured after April 30th.

**AGENTS WILL BE APPOINTED SOON IN YOUR AREA**

Watch for announcements in this paper. Meanwhile further information may be obtained by writing:

**Alberta Crop Insurance Corporation**
705 5th Street S.W., Calgary, Alberta

About 20% of the total telephone calls received from the average newspaper are classified advertising

# Marauders Win Exhibition Series

By Mike Ekstein

On Jan. 21st Mareayne Wildcats visited the Robson gym to mingle with the Marauders in an exhibition basketball series.

GIRLS LOSE IN OVERTIME

The first quarter of play was dominated by Marayane and the outscoring Marauders 9 to 7. Marauders found themselves on Despite the fact that the Vermil the short end of an 8 score in the ions outscored the Lea second quarter however the tenacious quarter they were in Marauders let they stroke with a basket. With six seconds remaining in the game Mary Williams hit from the foul line for the locals to tie the score at 22-22 and send the game into overtime

EXCITING THIRD

The third quarter proved to be very exciting with the Wildcats time period the visitors managed the score back and deserved the Marauders 9 to 4 to go ahead 22 score. Heidi Sexsmith for Maraayne were Mary Hannah and Darlene Hye with six points each; while Mary Williams scored eight and Ellen Wandenhoven seven for Robson

FOURTH SCORE

Eighty three minute over Despite a three minute over Marauders 9 to 4 to go ahead 22 score. Heidi Sexsmith for Maraayne were Mary Hannah and Darlene Hye with six points each; while Mary Williams scored eight and Ellen Wandenhoven seven for Robson

WARRIOR BOYS DOWN NORTHERN LEADERS

The home team was expected to put up a real fight but the Warriors proved to be the superior team and defeated the Northern Leaders by a score of 49-37. Ken Mackenzie was the game's leading scorer with 17 points. Ken Mackenzie was also the outstanding player in the exhibition game. Terry Lemire had the second highest point total with 12 points.

WASTE NO TIME

The Marauders wasted no time in building up a 20 to 8 first quarter lead. At half time the locals held a comfortable 42-15 lead. The Marauders' first half success can be attributed to the fine shooting ability of 11. Thibury. Young and Gillman who shared 34 of the first half points.

The last half of the game followed the pattern of the first half with the Marauders holding a 67-28 third quarter lead. In the final quarter Marauders outscored the Wildcats 14 10 and in the game 79-38.

Gordon Hawcroftor and Gary Tolsbury led the Marauder attack in the second half dumping twenty points between them.

Top guns for Marayane were Larry Hillaby with 15 points and Rick Hutchinson with 11 points.

Blake Tidebury paced the Marauder attack with 20 points followed by Rick Young with 18, and Vic Gillman and Gordon Hawcroftor, 12 each.

# Marauder Boys Gain Revenge

The Marauder boys who previously in the year had suffered their only defeat of the season at the exhibition game at the hands of Wainwright High, turned the tables and downed the visitors 54-47 last Saturday.

CLOSE FIRST HALF

The Wainwright squad held a 26-21 first quarter lead but by half time the Marauders had battled right back into a 29-28 lead.

FREE-SCORING THIRD

The third quarter developed into a free-scoring affair with 60 points being scored, much to the delight of the fans. At the end of the quarter Marauders led 60 to 47.

SUPERB BALL CONTROL

In the final quarter the Marauders thrilled the fans with superb ball control and held the Wainwright boys to only two points which is quite a feat against any team and especially so when the opposition has an average height of six feet!

To pick out one star from the game would be unfair as the Marauder victory was a great team effort. Vic Gillman paced the local attack with 15 points, followed by Jack Young with 11.

For Wainwright Dave Grant scored 11 points and Arden Hattin.

MISSING FINE BASKETBALL

To the general public who have not as yet seen the Marauders in action this season you are missing some of the finest high school basketball in the province

# Robson High Girls Show Scoring Power

(By Don Moren)

ROBSON HIGH GIRLS DOWN WAINWRIGHT 38 to 30

The Robson High girls showed their greatest scoring power of the season as they downed their Wainwright girls in a contest played here in Vermilion last Saturday. This marked the first game of the season in which the girls amassed a total of thirty or more points and the first time a Marauder girl hit double figures in scoring. Ellen Wadenberger tossed in five buckets for ten points.

NUMEROUS FOULS

Play was marked with numerous fouls as six players from the Marauders fouled as did 3 from Wainwright. The game was a close contest until late in the fourth when successive baskets by Waldenberger, Hatton, Williams and Clendenning put the game out of reach. The Marauder girls were particularly tough around their own basket as they rebounded strongly and blocked numerous shots.

The exhibition win gave the Marauder girls a six to four won-lost record over the season.

Top scorers for the Robson High Marauders were Waldenberger 10 points, Clendenning 6, Williams 8.

The Marauders next home game is this Friday night, Jan. 29th against Paradise Valley at

## Claysmore Clippings

Mr and Mrs Grant Good and Kelly spent the week-end at Maidstone While there they attended the hockey game between Maidstone and Lloydminster. Grant was interviewed by a radio reporter at the game

Saturday supper guests at the Steve Warawa home were Mr. and Mrs. Bill Rothan, Mr. and Mrs Jack Semeniuk, Mr and Mrs Bill Wowchuk, Mr and Mrs John Wynnyshuk, Mr and Mrs. Paul Yarmuch, Mr and Mrs. Frank Fidrychuy, Mrs. Mary Pistrychuy Mr and Mrs. John Hawaniuk and boys Mr. and Mrs Allan Olstad and family. Mr and Mrs Mike Weyerstraten entertained the lovely turkey supper and later some very lively games of cards Steve and Stella sisters were surprised when these present rose from a set of four stools for their wedding anniversary dinner on Friday.

Mr and Mrs. Steve Warawa attended the 70th birthday party at Lavoy on Sunday honoring their parish priest Father Chevalonski They report a very large attendance at this event

Mr and Mrs Allan Olstad and family and Mr and Mrs Joe Fraser and boys were Sunday supper guests at the Fred Watling home Manville Also there was their son Richard who later showed slides of his recent wedding and honeymoon trip Jeff was unable to be there as she was on duty at the Vermilion Hospital

Mr and Mrs. Alec MacLeods were recent visitors to Edmonton for a few days

The Alberta Wheat Pool held the annual show and meeting at the school on Jan 19th. The show was enjoyed by all Attendance wasn't quite as good as other years due to many other events on the same evening All were pleased to see that Mr and Mrs. Gerry King were able to make it to the school that evening.

## Bowtell Bulletin

Some of these items may be late folks due to your writer not getting our bulletin written for the past few weeks.

Mr and Mrs. J. Millar enjoyed a trip to Calgary during the holidays to visit son Jim and family.

We wish to extend our deepest sympathy to the Brass family in their recent sorrow.

Mr. and Mrs. J. Repp celebrated their 10th wedding anniversary Jan. 22nd and Mr. and Mrs. Walker Sr. their 44th on Jan. 29.

Many happy returns of the day, although a bit late, to Mr. E. Jones who was 83 and Mr. H. Van den Dolder 84, on Jan. 16th.

The Warawa and Semeniuk families journeyed to Edmonton recently to see the Ice Capades.

Visitors to the home of of Mr. and Mrs. Les Sherwood a short time ago were Mr. and Mrs. C. Clarke, Mr. and Mrs. R. Repp and Mrs. Giles and family.

Mrs. Nora Monaghan is at present visiting her son Jim and family in Edmonton.

Sore throats and colds have put many in our district on the sick list.

Mr. and Mrs. Beck and family visited Tuesday evening at the Robinson home

Mrs. Bagley, Barbara and Roy were dinner guests Sunday at the home of Mr. and Mrs. J. Repp after which skating was enjoyed by quite a number of young folks, followed by a wiener roast.

Your Bowtell scribe would appreciate receiving any news to add to our column, either by phone or mail.

We visited the Knutson home Friday. Mrs. Barnett was also visiting there the same day.

Miss Barbara Bagley celebrated her twelfth birthday on Sunday, Jan. 24th. Many happy returns Barbara.

A very enjoyable evening was spent at the home of Mr. and Mrs. B. Maggs Friday to help Bob celebrate his birthday. Those present were Mr. and Mrs. Lye, Mr. and Mrs. C. Maggs, Vic McKee, Mr. and Mrs. K. Inman and Allan Courts.

Since the census of June 1961, the annual rate of growth of Canada's population has been only 1.8 per cent, compared to three per cent through the 1951-61 decade

## PUBLIC NOTICE

TOWN OF VERMILION

### Minor Hockey Week in Canada

WHEREAS, the week of January 23rd is being observed throughout Canada as a period to focus public attention on the physical, character-building and other benefits of hockey for our youth, and

WHEREAS the game of hockey is recognized as Canada's National Game which teaches our youths to develop a competitive spirit, co-operation with others, body-building, and respect for authority, and

WHEREAS the Minor Hockey Association in this community has earned the commendation and support of every citizen, and

WHEREAS Minor Hockey is the foundation from which accomplished hockey players develop,

NOW THEREFORE, I, as Mayor of Vermilion do hereby declare the week commencing January 23rd be observed as

"MINOR HOCKEY WEEK IN CANADA"

and request that all parents and others support this observance by attending games during Minor Hockey Week and thereafter until the minor hockey season ends.

21st January, 1965

A. BEN KING, MAYOR.

# Mayor Urges Support Of Minor Hockey Jamboree

Mayor A. B. King of Vermilion has called upon all citizens to support Minor Hockey Week Jamboree in Vermilion which winds up officially this Saturday night, January 29.

In voicing his support of young Canada's most publicized week, His Worship said "It is not only my pleasure, but my duty to suggest that every citizen should visit the arena this week and in this way demonstrate his or her support of the wonderful minor hockey program we have in our town.

"Although practically every community in Canada has a Minor Hockey organization of some sort, we in our town have been blessed with a program that needs take a back seat to no other We have a fine group of volunteer workers who make sure that every youngster in town has an opportunity to take part in Canada's National Sport under properly supervised conditions, and I draw your attention particularly to the two day "Minor Hockey Jamboree" being held in the Arena and Stadium on Friday and Saturday of this week.

"Realising that minor hockey is a community affair, I commend this Minor Hockey Week to every one of our citizens, and on behalf of our Council, urge that each and every one of you make it a point to show your support of Minor Hockey and its workers by attending the Minor Hockey Week program." The Mayor concluded by saying "In this way we can show the appreciation of the corporation for the fine work that is being done for our boys."

**Minburn - Vermilion Health Unit**

## Health Unit Notes

The following editorial by Dr Gordon Bates, General Director of the Health League of Canada, is republished by permission.

The battle to fluoridate communal water supplies goes on. The Municipal Council of the City of New York, the largest municipality in North America, has decided to fluoridate the water supply of more than ten million people. On the other hand during the last few weeks in Ontario a popular vote has decided for fluoridation in two localities, namely Whitby and Blind River and in four other municipalities, namely, Port Arthur, Thornbury, Goderich and Kingsville popular vote has defeated the possibility of fluoridation for another year.

One wonders why thousands of people should be so misled that they vote against a public health measure which has been proved beyond all reasonable doubt to be safe and which has the support of competent scientific authority in North America.

This brings us to the manner of the pink pamphlet. In most areas where fluoridation has been a popular vote vigorous efforts have been made to defeat fluoridation by people who undertake to distribute hundreds of thousands of pamphlets containing misleading information. As a fill the pamphlets are printed on pink paper, and this may have some significance. The origin of the pamphlets is unknown.

At the same time, in various cities where there have been votes, there has been extensive advertising paid for by among mass groups, posing under various names such as Citizens' Rights Committee. The question as to the origin of the financial support which makes this expenditure in misinformation possible is uppermost in the minds of health authorities, but we do not know who pays for it. It seems to be fantastic that intelligent people should vote against something which will ultimately protect the health of themselves and their children in spite of the fact that Medical, Dental and Public Health authorities believe in fluoridation and endorse it.

There are two lessons which it would seem arise from an examination of this situation. The first is, that procedures which concern the health of the people, such as fluoridation pasteurization, immunization, should never be put to a popular vote involving the options of uninformed voters. There is no doubt in the minds of many authorities that fluoridation should be mandatory just as pasteurization is in Ontario"

**WELL BABY CLINICS**

Monday, Feb. 1st — Vermilion Health Unit Office: 9:30 to 12 noon. 2 to 4 p.m

# Variety of Items On Town Council Agenda

The following is a summary of the minutes of a regular meeting of council held Monday Jan 18th with Mayor A Ben King and Crs. Martin, Underdown, Waldenberger, Donald, Brimacombe, Garnett present

Minutes of the meeting of Jan 4th were accepted as presented

Financial statements for month of December were accepted as basis

Correspondence. Alberta Building Officials Assoc. Membership; Shorts Foods, Termination of business Union of Alberta Municipalities. Acknowledgment letter Mr and Mrs. Geo Doherty. Letter of thanks; Dept Municipal Affairs, Alberta Planning Commission; Municipal Supplies Ltd., Financial statements Vermilion Seed Cleaning Assn. Plant location. Workmen's Compensation Board, Safety Clinic

Over Business. Vermilion Bowl Ltd. Trade License, Edmonton Journal Advt. Street light conversion program 1965. Assessor for 1965. Meter deposit system. Committee Reports

The following motions carried. That membership of fill in Alberta Building Officials Assoc be paid

**FINANCIAL STATEMENTS**

That the 1964 financial statements be placed in pamphlet form by Municipal Supplies Ltd.

**1965 ADVERTISING PROJECT**

That a contract for advertising in the amount of $700 be entered into with the Edmonton Journal, Crs. George Martin, Stan Waldenberger and W. T. Garnett opposed.

**TRADE LICENSE**

That Council approve granting of a license to Vermilion Bowl Ltd to operate a pool hall.

**STREET LIGHT CONVERSION**

That Canadian Utilities Ltd. be authorized to go ahead with the 1965 portion of the street lighting program.

**ASSESSOR FOR 1965**

That Chief Provincial Assessor be authorized to appoint an assessor for the Town of Vermilion for 1965.

**OTHER BUSINESS**

Mrs. W. E. Cross interviewed the council relative to drainage problems at her home. She also mentioned garbage removal and the problem of people turning around on a dead end street. C. Martin to investigate and report.

Attendance at Provincial Planning Conference to be decided at the next meeting

Secretary to write CNR and Vermilion Seed Cleaners Association for further information on location at plant.

Secretary presented a plan for study in respect to meter deposits on utility accounts.

**SPECIAL MEETING**

Council decided to hold a special meeting on Monday, Jan. 25 at 7.30 p.m. to consider administration procedures and supplications for position of works superintendent.

**REPORTS**

Cr. Martin reported on airport and recommended that the town assume maintenance of runways. Cr. Garnett reported on fire department regulations. Cr. Brimacombe reported that the Recreation Commission is suitably recognizing Minor Hockey Week in Canada Jan. 23 to 30. He also reported that the minor hockey program is working well and that the Recreation Commission is satisfied with its progress.

Mayor King reported on the meeting of himself and secretary in Edmonton with the management of Canadian Utilities in respect to Highway 41.

There will be a total of nine Minor hockey games in Vermilion this Friday and Saturday.

The gross selling value of new farm implements and equipment reached a record high of $287,-239,723 in Canada in 1964, an increase of more than 20 per cent over the previous year.

## "A Kid and His Dog"

The author Berton Braley, wrote a poem entitled a dog and a kid, which starts out with the line "No one will invest as much as one ever did . . . a happier pair than a dog and a kid". The pair above are inseparable pals and the title "a dog and his kid" would be just as apt. Who are the pals? Diana Cooper, 3 year old son of Mr. and Mrs. Stewart Cooper and the dog is Kelly.

## Enjoy Pictures Of The Far North

DEWBERRY. — When Mr. and Mrs. Jim Bloom and family of North Battleford were visiting at the home of Jim's parents, Mr. and Mrs. Dave Bloom, Jim expressed several neighbors by a showing of slides he had taken while on a trip to Inuvik, N.W.T. on the Arctic Sea.

Jim was hired to take a helicopter to Inuvik from Fort Smith and to return with another one to Calgary.

The pictures taken during the 1600-mile trip were very interesting and were enjoyed, following as he did the mighty MacKenzie River most of the way, right up to the Delta. The fall colors of the Arctic Tundra were most beautiful while pictures of the Herring Sea were very interesting.

One scene we liked very much was of an Eskimo "Queen" who consented to have her picture taken by Jim at one of his stopovers.

On the trip Jim was pleased to meet a former classmate whom he had taught while teaching in Marwayne; also to meet and chat with Jack Brock, formerly of Dewberry.

The enjoyable showing was made more enjoyable by the accompanying commentary run on the tape machine, made by Jim describing the trip, so good was this commentary that we thought it was made a "trained commentator"

Since returning to North Battleford he has been employed as a Fish & Game meeting and as a Jaycee member.

Other pictures shown were of the enthusiastic welcome on his return, from his family, also one of the "better half".

Thanks are extended to him and we hope to see more pictures in the not too distant future.

## Farm Loans Hit Record High

OTTAWA. — Increased demand by farmers for short and long-term credit to expand their farm businesses is reflected in the latest announcement from Farm Credit Corporation

Figures released today by FCC Chairman George Owen show that $87,867 loans amounting to $143 million were approved in the first nine months of the current fiscal year.

This compares with 8,284 loans totalling $102 million in the same period in 1963, an increase of over 16% in the number of loans and a record increase of 43% in the amount lent.

Three main reasons are given for the upsurge in lending:

1. Increased awareness by the farmers of credit and services provided by the Corporation.

2. Recognition by farmers of the value of credit in developing sound farm businesses.

3. Increase in farm values effective in June 1964. Since mid-summer over 1600 loans have been made in excess of previous loan limits.

The fact that the Corporation may now make loans under the F a r m Improvement Loans Credit Act adds an intermediate-term type of credit to the already established long term credit service it can bring to farmers

## To Elect Three School Trustees

Three trustees will be elected to the Board of the Vermilion School District No. 1446 at the annual meeting, which will be held on Monday, February 8th in the J. R. Robson school at 8 p.m.

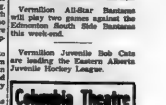
Terms of trustees C. N. Brennan, Dr. A. R. Anderson and Alex Calixa expire. Anderson is for two years and the other members of the Board are John Webb and Ashley Cooper.

Sitting on the board also are Mrs. Lois Hall, the only representative of the town of Vermilion on the Edmonton Committee of the County of Vermilion River; Mr. Mungo Forbes, councillor for Div. 2 of Vermilion River County; Mrs. Margaret Sandberg, Mr. Merle Fourman and Mr. Hugh Stewart, representing the rural areas.

The Board acts in an advisory capacity, passing on its recommendations and the requirements of the town schools to the education committee of the County Council through the town representative Mrs. Wright, county councillor Mr. Forbes and the School Superintendent Mr. Boyce.

Everyone is invited to attend the annual meeting, to discuss educational matters in general and local problems in particular.

President Claude Underdown of the Vermilion Chamber of Commerce is shown (on the right) taking the oath of office from Vermilion's Deputy Mayor Stanley Waldenberger, at the Chamber's annual meeting last week. Mr. Underdown is President of the Chamber for a second term.



James Champion, on the right, is re-elected as vice-president of the Chamber, is sworn into office by Deputy-Mayor Stan Waldenberger.

## A. C. Underdown Re-elected President Vermilion Chamber

A. Claude Underdown was re-elected President of the Vermilion Chamber of Commerce at the annual meeting held on Wednesday at noon. Re-elected Vice-President was James Champion. The installation was carried out by Deputy Mayor Stan W. Waldenberger. Prior to the election Mr Underdown gave a very interesting review of the Chamber's activities for the year 1964, which is being carried in full by the Standard.

The complete executive and committees in the following list Heat President, Phil Weisshaupt; Past President, A. C. Underdown, Vice-Pres., James Champion, Sec. Treas., F. J. Rathbun, Farmer Rep., Mervin Douglas Dir of Publicity, Ashley Cooper

**DIRECTORS**

Directors for two-year term — Fred Pfeil, Ivan Hill, Bill Boyce, Vic Dashaniuk, Dr. J. H. Love Nick Klemenhagen

Directors for second term — Gordon Allen, Russell Carroll, John Kennedy, Keith Ryman, John Stewart.

Standing committees of the Vermilion Chamber of Commerce were appointed as follows with the first-named being the chairman.

Retail — John Stewart, Sam Kinniburgh, Pauline Andrusyan

Entertainment — Fred Pfeil, Jerome Allen, Kent Keith Ryman, Lawrence Cullen, Russell Carroll, F. J. Smith, Reg Mitchell, Airport — G. Allen, C. Tyshall, Norman Henderson; Agricultural — John Johnson, Morley Douglas, Bob Anderson, National Affairs — Bill Baranyk, B. K. Johnston, Bob Webb, Angus Mac-Millan Publicity — Ashley Cooper, F. J. Richardson, Civic and Ways & Means — Russell Carroll, Nick Klemenetsch, Bill Brown, Norman Wilson, Parks — Bill Sutherland, Gus Mirsault, Dr. Lowe Membership, A. J. Champion, Frank Donald.

## Kinsmen Entertain At Guest Night

On Monday, Jan. 25th the Vermilion Kinsmen entertained several guests at their regular supper meeting held at the Rio Cafe. Almost all Kinsmen present brought a guest or guests, their employer, their opposition or a prospective candidate for the Kinsmen Club.

The guest speaker was Rev Terry Cartwright who gave a most interesting talk on "The Youth of Today". The evening was a complete success and enjoyed by all present.

## "Dick" Hines Collapses, Dies At Hockey Game

MARWAYNE — The community of Marwayne was stunned and saddened by the death of Dick Hines on Thursday, Jan 28th. Mr. Hines collapsed at the Marwayne arena at the hockey game passing away.

He was 59 years of age.

He is survived by his wife, seven sons Terry, Lloyd, Ken, Bobby, Leon, David and Lyle six daughters, Mrs. Lloyd Lawrence, Camp, Phoebe, Myrna Keel, Mrs Ellen Martin (Edna) and Ruth, also thirteen grandchildren, five brother and four sisters.

Funeral services were held at the Marwayne Elks Hollow Monday, Jan. 1st, with Rev. Mr. Skitch officiating. Interment was in the Marwayne cemetery.

## Owes Life To Local Landing Field

A young pilot probably owes his life to the fact that Vermilion has a landing field and it is kept in condition for landing even in a winter of heavy snow such as this.

Mr. Nurse was piloting his plane from Lloydminster to Calgary B.C. where he has business interests. Nearing Vermilion on the east of Vermilion an oil line broke his oil pressure dropping to zero and worse yet the oil from the broken line was spattering all over his windshield and soon he was having great difficulty in keeping even a small peep hole clear and his visibility was practically nil.

He contacted the Radio Beam Station at Vermilion told of his trouble. The operator at the station had to first of all spot the plane as the pilot could not see the field due to his oil covered windshield and then immediately guide the pilot in by instruction The landing was made safely and repairs effected here.

"Lucky this happened as it did" the pilot "and not over the mountains" he added with a shudder However with the plane in ship shape again he took off once in the final instrument hop his narrow escape The occurrence took place on Saturday last Jan 30th, at 11.35 a.m.

**SHADES OF DEPRESSION!**

**BREAD SELLS 2 FOR 7c!**

A weekend special featured one of a real bread war in Vermilion with prices for the staple dropping from 5 loaves for 39c to 2 for 7c

This caused old timers to recall that bread wars were common in the days of the depression when the lowest price recalled being 2c per loaf.

## It's Stuck!

The weather this past week in the Vermilion district has been "in an icy rut!" With the temperature reaching a low for the week of 35 degrees below it would be hard to say for sure how much snow was to reach zero which it did on two occasions, last Friday and Saturday

**DAILY TEMPERATURES**

| | High | Low | Snow |
|---|---|---|---|
| Jan 27 | 9 | 18 | 1 |
| Jan 28 | 1 | 17 | 1 |
| Jan 29 | 0 | 15 | 13 |
| Jan 30 | 23 | 0 | tr |
| Jan 31 | 2 | 19 | |
| Feb 1 | 3 | 19 | tr |
| Feb. 2 | 3 | 20 | |
| Feb. 3 | 36 at 8 a.m. | | |

## Marauders Finish Schedule On Friday

Tomorrow night (Friday) the Marauders finish out their conference schedule at Robson High gym against the Lloydminster Border Bears. For the Robson High girls, Lloydminster will be only their first conference first place and a win by the local girls would assure them the The Marauder girls will also be out for revenge as Lloydminster defeated them 26-21 in their previous encounter For the boys a win would mean a perfect conference record, but Lloyd minster is always good for a good game is in store for Vermilion fans. Game time is 7:30 p.m with the boys' game following the girls.

## Officers Installed By Queen Esther Chapter

At the regular January meeting of Queen Esther Chapter No. 22, Order of Eastern Star, the ceremony of installation of officers by Sister M. Donnell was installed by Sister D Pet Installing Marshal, with Sisters Clemens and Rogan assisting

The following officers were installed: Worthy Matron — Sis H Beck Worthy Patron Bro A Wentz

W. A. Donates $300.00 To Innisfree Legion

## Canadian Legion Makes Plans For Polio Drive

During the week of February 15th to 20th the usual polio canvass will take place in Vermilion and district. The Ladies' Auxiliary of the Legion will make a personal canvass of all homes in the district and committee of Legion members will visit all business firms for donations

**QUOTA OF $1600.00**

The quota assigned to Field Marshall Lloyd Johnson is $1600. It is hoped that this objective may be exceeded.

Marshall Jackson, President of the Vermilion Branch, wishes it to be made known that every polio case receives assistance from the Legion. Funds for this come from "end for veterans" funds, Poppy application in government with new Salk vaccine

Mr Jackson states that since the outbreak of polio in 1954 over $10,000 has been donated by citizens in the yearly canvasses No area in Alberta had as many cases as the Vermilion district Over the years more funds were dispersed to patients here than was taken in from local canvasses

**REHABILITATION**

Everyone is quite aware that polio cases have been greatly reduced in recent years due to the general use of Salk and Sabin vaccines. Funds are now needed for rehabilitation of patients who have been crippled from polio attacks. Through no fault of their own these polio victims are being denied many things, requiring in some life of work such as brace shops, polio exercises that planes can be leased to them to develop or go business with most month, a couple of $100 wide recreation for the Headquarters to help in the rehabilitation of a young student in this area who was crippled by polio

## New Curling Rink Opened at Derwent

DERWENT Representatives of Provincial and Municipal governments, curling club officials and local dignitaries all participated in the official opening of the fine new two sheet curling rink at Derwent. The ceremony was held on Saturday, Jan. 23. The opening was held in conjunction with the annual bonspiel

**DEPUTY MAYOR CUTS RIBBON**

Cutting the ribbon was Deputy Mayor Nick Bickle who dedicated the rink to recreation good curling and good sportsmanship. Representing the curling club in the cutting of the ribbon the bonspiel committee was seen in the National Hall. Allen Williams, president of the Derwent Curling Club and Mrs. Ed Kratz, secretary, were Mr. Kratz, secretary-treasurer of the Derwent Curling Club.

Expressing greetings and congratulations from neighboring communities were Mr Buck of Two Hills, Mr Sloan of Mannville, Mr. Krawchuk of Dewberry, Mr. Mizak of Mannville and Mr. Donald of Vermilion

on part of the farmers there while another part of the membership will be used for a grand ball. There is little doubt that as the time approaches as well as the bonspiel and the events will be a town wide effort to make the opening of the new rink a successful one.

Tentative plans visualize the installation in the Stadium being utilized as the convention hall banquet tables will be set up in the

## Play-Off Hockey Friday at 8:00 p.m.

BANTAMS VS. COLD LAKE

Vermilion Bantam All-Stars will meet Cold Lake Bantams in the first round of the provincial play-offs in the Vermilion Stadium on Friday evening, Feb. 5. Game time is 8:00 p.m. The second game will be played at Cold Lake on Saturday afternoon of next week.

Seventy-one per cent of the persons who read a newspaper read it page by page. 37 per cent read by scanning

## Vermilion Minor Hockey Jamboree A Great Success

Viewed from any angle, that of fun, player or any other — Vermilion's Minor Hockey Jamboree last week-end was a howling success.

From the six year old, who happily reported to his dad after a Mite game that he had "touched" the puck once, to the fans who sat in on the best hockey game played in the Stadium this season when the Juvenile Bob Cats tangled with Edmonton Colts and won 5 to 4, everyone enjoyed themselves.

Minor Hockey Week was an unqualified success in Vermilion with all class of junior hockey being given a share of the game limelight Following are the game results:

BANTAMS The Edmonton South Side Bantams, a team from the capital city, were in Vermilion to Bantam B played two highly exciting games with the Vermilion Bantams losing a tough struck which netted them a 1-0 victory in the first game.

Scoring for the Vermilion Bantams were Ken Kratz and Ken Lee. In the Edmonton Bantam B goals were scored by Dave Brennan 2 goals Larry Hall 1 goal and Malcolm MacKenzie 1 goal and 2 assists. Ernie Heinemann 4 assists Wayne Ma 1 assist Ruth MacPhee 1 assist.

Vermilion boys were blanked here overnight and on Saturday afternoon received a measure of revenge by turning the tables on the homesters by a 4-2 count.

Second game Bob Mallin 1 goal, Dave Parkman 1 goal, Danny Donald and Dean Mangiuk one assist each

**PEE WEE TEAMS PLAY**

Another fine attraction was the Pee Wee between Mannville and Vermilion Pee-Wees. This was a real fine game for the Vermilion boys the Tadpoles were defeated by a close-checking Mannville team. Scoring for Vermilion were Chatelain Mark Mirsault and Ken Lee.

**MORE ON PAGE FOUR**

## V. & C. L. Railway Incorporated - Not Built

MARWAYNE I wonder how many of the Elks of Elks Lodge No. 1 Marwayne would remember a certain meeting held in the Elks Hall on the night of January 13th, 1913 when it was decided to incorporate a railway which was probably laughed at by many.

In act to incorporate the Vermilion and Cold Lake Railway Company" was given May 1st, 1913 by the Legislature of the Province of Alberta. The Directors were Messrs Alexander Hamilton Moore of Edmonton in the Province of Alberta, Gentleman, Thomas Mayhew Daly of the same place, Barrister-at-Law, and Hamilton Cassels Ingram of the same place, Gentleman.

The Railway Company was authorized to construct a railway from a point on the Vermilion River at or near the Town of Vermilion in the Province of Alberta, thence in a northerly direction to a point on the Cold Lake at or near the Town of Marwayne in the said Province, a distance of about 40 miles.

The Railway Company was authorized to construct, equip, maintain and operate a railway with all necessary sidings, switches, turnouts, bridges, stations, depots, warehouses, elevators, workshops, offices and other buildings and conveniences for the purposes of the railway and the business thereof, and to construct, maintain and operate telegraph and telephone lines upon the railway for the purposes of the railway and the business thereof, and to transmit messages for the public and collect tolls therefor, and to lease portions of the railway for the purposes of any such telegraph or telephone lines, and to enter into agreements with any other company for the exchange, working or use of any such telegraph or telephone lines

## Timely Paving Program

The paving program for roads and sidewalks as planned by the town council, to be carried out in conjunction with the provincial Department of Highways, is a timely one and should receive the endorsation of the ratepayers of the town.

The paving to be replaced has served its usefulness so that the need for new hard top is apparent. A study of existing paving was made by competent engineers, culminating in a recommendation for replacing all but one block of this now in use.

The climax to the plan at the present time is that the Department of Highways of Alberta is quite ready to proceed with paving 41 thousand square yards, some five blocks of first grade hard top plus the river hill road. The Department is willing to do this work at the same time as the town work, so that the large contract should attract competent contractors and result in a faster job with disruption of town streets for a shorter space of time. The Department of Highways also undertakes in this instance to pay 80 per cent of the cost of storm sewer, along with curb and gutter adjacent to highway 41 through Vermilion.

The fact that the Province will pay $177,000.00 of the estimated cost of $295,000.00, leaving $118,000.00 for the town, is a very attractive feature of the proposal.

The $118,000.00 for which the town is responsible will be repayable by debenture with 63% of the costs being met by frontage taxes and only 37% from general revenue. The ratepayers, apart from businesses on which the frontage tax is being levied, is involved in only a minor part of the cost.

The town can use the new and additional hard top, sidewalks, curb and gutter, storm sewer, and never will more favorable circumstances exist to obtain them at such little cost

## White Cane Week — Feb. 7 - 13

There are many ways in which the sighted person can help someone who is blind, in addition to making financial contributions to the Canadian National Institution of the Blind. If you see a sightless person making his way along the street, ask if you can help him across the road. Your services in reading to blind people might be acceptable as might the offer of a car ride. Taking care of your own eyes by avoiding injury either at work or home, wearing glasses when necessary and having efficient lighting for close work, will help you to preserve your precious sight.

★ ★ ★

## New Highway Safety Triangle

A new type of highway safety warning device is beginning to appear on Canadian highways, announced the Canadian Highway Safety Council.

This new safety red triangle is clearly visible day and night, at a distance of 1,500 feet. When a vehicle, for any reason, is stalled on the side of a highway, the safety device is placed 100 feet behind the stalled car or truck. Constructed of aluminum, surfaced with red reflective material, it is always visible, day or night, in any weather condition, and there is no danger of failure from a power source.

The Royal Canadian Mounted Police have equipped their patrol cars with this new safety red triangle. It has been accepted in many countries around the world as a standard highway warning emblem

The Canadian Highway Safety Council recommends every vehicle on Canadian highways should be equipped with such emergency warning equipment

★ ★ ★

## FACTS FOR THE FARMER

The Department of National Revenue is mailing out numbered "personalized" income tax forms to every taxpayer in Canada for the first time this year

The main reason for the new system is that all tax forms are now being processed by computers.

Anyone who loses his form or for some reason does not get one will have to get the blank type form from his local post office or district taxation office. It will probably not be processed as quickly as the new forms.

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

### WELDING CLINIC

There is still lots of room left in the Welding Clinic to be held March 8 to 12 inclusive at the VAVC. This is a five-day course giving participants theory and actual practice with welding. Cost to you is only $5. I encourage any of you who have not had a welding course to consider this course. Register at the D A office in Vermilion.

### CHEESE OUTLOOK

Canadian fine prices are expected to remain at about the same level as they were during the 1963-64 crop year Flax acreage increased from 93,000 in 1963 to 320,000 in 1964. Lower yields were responsible for the supplies remaining the same as last year. Since the 1964 acreage increase was mainly due to favorable prices, a similar increase in 1965 is expected in 1965. Any increase, however, will probably be minor because the trade is a small to accept a large crop. Canada can still meet export obligations.

Rapeseed prices are lower than a year ago due to Canada's increased production resulting from an increase in world production of oilseeds. Alberta rapeseed acreages increased from 223,000 in 1963 to 388,000 in 1964, a 45% gain.

Alberta farmers are likely to continue growing the same acreage of crops this year even at lower prices because it is the crop most suitable to northern and central parts of the province. No major change in rapeseed acreages is anticipated for 1965

### LIVESTOCK SALE

The annual Vermilion Spring Livestock Sale will be held on Friday, April 23rd for cattle and 23rd for bulls. Applications are now available from Claude Brunton, Secretary-Manager of The Vermilion Agricultural Society or at the Vermilion D.A office. Closing date for entries is March 15th. Sale will be conducted by C. Lovig, of Vermilion Auction Mart and C. J. Blacklock, of the Blacklock Auction Service, Bull and swine sold at this sale are eligible for government bonus.

### CANADIAN MARKETINGS

Canadian cattle marketings in 1964 reached a new record. 2,407,000 head were marketed, 10.6 per cent higher than in 1963, the previous record year. As far as exports are concerned, although exports of dressed beef nearly doubled, total exports dropped by 32.6%. Quality of beef marketed continued to improve. Beef grades A and B increased by 94.3 per cent of inspected carcasses being choice or good. Only 32.1 per cent were choice or good in 1953.

Hog marketings were also up from 1964 by 10%. Total marketings of over 7,170,000 head. This was the highest marketings since 1959. Quality in hogs also continued to improve. Grade A carcasses made up 37.4% in 1964 compared to 26.6% in 1963.

### WHY NOT SELL?

Why not sell milk in pop bottles so that it can be sold from conventional vending machines? Well, it's being done. Here's the just this and report it as doing very well. Dairy Queen has company's management "It's so simple and so clean and sanitary. We didn't try it before We've never seen an item in our lives that so appealed to one is right now in sales appeal."

## New Flag Stamp To Be Issued

Canada's new flag will be honored on a special commemorative stamp issued by the Post Office on June 30th, this year. The announcement was made by the Hon. John R. Nicholson, Postmaster General of Canada.

Date of issue was chosen to coincide with July 1st, our national holiday. The stamp will feature the new flag, flying from the flag pole, against a sky of blue. The word Canada and the denomination will also appear in the middle left position. The words "Post Office" and "Poste" are included at bottom left.

## Plans For Cancer Campaign Are Now Underway For 1965

CALGARY Plans for the 1965 Cancer Campaign are progressing favorably said M. L. (Pittie) Hanson, the Provincial Campaign chairman but Hanson said it has been erroneously announced that the Cancer Society fund raising campaign would not be held this year "This just isn't true," he added.

Mr Hanson said that considerable organization and preparation has been accomplished throughout the 15 district and branches in Alberta He said volunteers are returning to help with the campaign this year and he is confident that more workers are offering their services A provincial campaign conference will be held in Calgary very soon and the provincial objective along with the city objective will be announced at that time.

The continuation of cancer research is imperative Funds also are required to conduct information programs and meet approved welfare services. Thousands of well dedicated volunteer workers and canvassers will need the co-operation and support of the public throughout Alberta.

Vermilion, Alberta.

Dear Sir:

The Vermilion Chapter No. 28 of the Alberta Association of Registered Nurses wishes to extend to your staff a sincere vote of thanks for your co-operation during the past year.

Alma I. Saunders, R.N.
Secretary.

Dear Editor:

Please accept our many thanks for your generous support and service during the past year in the advertising and publication of our activities.

We appreciate very much the co-operation and assistance which you have given to the Society in the promotion of such services.

R. W. G. Chamberlain,
The Alliance Chapel.

## The Living Law

By R. K. JHA

In the article published in this column in two installments in which we discussed the disastrous ravages of alcoholism and drug addiction, I referred to the wonder of some of the leading medical and authorities in the field and also drew attention to the efforts which are being made in British, continental Europe the U.S.A. as well as in Canada to grapple with the problems arising from alcoholism and drug addiction. There you will have seen that the entire effort of government and medical research is based on the results of medical research and scientific findings which conclude that alcoholism and drug addiction are in a category of mental diseases.

Today I would like to talk about something unrelated to mental abnormality, i.e. some of the problems and law relating to juvenile delinquency.

### MOTOR VEHICLE OFFENCES

First of all, everyone must realize that juvenile who is also is driving a motor vehicle under the influence of alcohol, he is committing a serious crime. One must never forget that alcohol removes inhibition and self restraint, impairs the appreciation of the consequences of any act or deed, delays reaction time and in general renders movements gross and clumsy. Even more emphatically, therefore, when a young and inexperienced juvenile doing the same thing under the influence of alcohol, not even exception leads to disastrous consequences. The rapacity of a juvenile to drive fast and con trol the effect of alcohol is not comparable with his adult counterpart Naturally, therefore, the risks taken by him are bound of to be excessive Alcohol produces in him a much more exaggerated notion of his abilities while at the same time in fact reducing them. Quarter from his early grating greater hazards frequently with accidents and deaths as a result a menace to other road users

### ACTS OF VANDALISM

Consumption of liquor by a youngsters prompts him to commit most mischievous acts of wilful destruction of public and property Far too frequently we hear about incidents such as setting fire, breaking windows, slashing tires damaging property, pulling down and defacing sign boards and, several other similar acts of meaningless acts of vandalism. It is true that many a time there is no proof that the vandal was of under the influence of liquor Frequently, there is no more by a gang for going to or com reason than an uncontrollable desire of deliberate flouting and defiance of authority. But the law enforcement agencies tell us that more often than not liquor has something to do with it.

### SEXUAL AND OTHER CRIMINAL ASSAULTS

Liquor, no doubt, has been held responsible in many cases for acts of physical violence resulting in serious bodily harm to the victim. Incessant interference with children and young persons and sexual assaults upon others have more often than not occurred when the accused was under the influence of alcohol. Juveniles when subjected to the painfully harsh penalties prescribed by law have been known to acquire a defiant attitude and defiance against the law and law enforcement agencies. Instead of learning a lesson and correcting themselves, they become thoroughly anti-social and sometimes drift into full scale criminal activities.

### ADULTS TO BLAME

I have no doubt in my mind that in the majority of cases where juveniles have gone astray, adults are chiefly at fault In order to remedy matters adults must acquire it. How do they do it? Quite simple. There is someone who will buy it and supply it To stop the liquor from the supplier, with the knowledge that minors and juveniles are going to consume it is a criminal I have been appalled to hear from people who give liquor to their "kid" brother or even son because the latter was going to a party with a bunch of friends is just have "a good time"; that they never realized that the results would turn out to be so catastrophic.

To these people, the suppliers I say: (1) Under the law of Canada, they are contributing to juvenile delinquency and being a with a fine of up to five hundred dollars and imprisonment of up to two years, and (2) Under the law of Alberta they are liable to a fine as I am concerned for knowingly supplying liquor to young sters, on a first offence imprisonment for two years less a day. As an option of paying a fine would be a mockery to punishment. A father or guardian who makes avail able to his son or ward the use of a motor vehicle with the knowledge that it will be used by a gang for going to or com

from objectionable gatherings and rowdy parties is to say mind guilty of a grave moral and social misdemeanor.

### A WORD TO THE YOUNG

The society recognizes that a vast majority of our teenagers are not only able-minded and able bodied young men and women, but that they are fully responsible and reliable people with a live conscience and a creditable purposefulness. Some totally innocent and harmless youngsters do get led astray by a strong-willed but misguided ring-leader who will dare them to drink, call them "chicken" and "yellow" if they do not. When any of you is confronted with a situation where you are being dragged into doing something which is against your will, against your conscience, against your judgment REFUSE in no uncertain terms. Be strong and courageous. Be a leader and not a follower. Have the courage to say "No" refusing to fall into bad ways. Stand by your principles of conduct. You will most certainly command respect for it. Have faith in yourself. Last, if you know of your minor friends who have been getting into trouble, or are on a "celebration" it is your duty to inform the police regarding the whereabouts of these friends That will be a true act of friendship to your friends in that you may save them from untold harm; possibly you will save their lives and properties as well as the lives and properties of other people That will also be a service to your community

## Annual Meeting Of St. Saviour's I.A.'s

The Junior Auxiliary of St. Saviour's Anglican Church held the annual meeting in the rectory on Wednesday, Jan. 20. Thirteen girls were present and two leaders, Mrs. R. A. Hart and Mrs. H. Bonham.

The new slate of officers elected was as follows: President, Colleen Jones; Vice-President, Marilyn Rowe; Secretary, Jane Bonham; Asst. Secretary, Georgina Isley; Reporter, Cathy Green; Scrap Book, Marilynne Isley.

Following election of officers Mrs. Hart gave a talk on the J.A. Package Sunday School by Post and Sunday School Vase.

The study book for this year is entitled "New Flags Are Flying" and deals with the three new countries, Sierra Leone, Malaysia and Indonesia. The meeting closed with prayer.

# Vermilion Marauder Boys Win 7th Straight Game

(By Donald Morse)

The Robson Marauder boys' seventh consecutive victory and an exciting overtime win by the Marauder girls highlighted play at Robson High game where the Marauder Panthers defeated the Valley before 150 fans.

### MARAUDER GIRLS 38, P.V. 36

Friday's contest was a display of close defensive play on the part of both teams as they covered up well in their own ends. The score remained close throughout the game with Marauders retaining a slight lead. Carol Benson of Paradise Valley tied it up 19-19 with 50 seconds left in the game, then Canada Cummings of the Marauders rallied with a foul shot to put Robson High 1 point ahead. Sandra Adams of P.V. forced overtime when, with 2 seconds remaining, she sank a pressure-packed shot to make up the game A dramatic reversal of form by the Marauders in the 3 minute overtime period led to 4 unanswered baskets by Cheryl Benning, Karen Richardson, Mary Williams and Wendy Brown. The Marauders' lead by then was too overwhelming for the P. V. Girls and game victory was clinched by the Vermilion quad. Top scorer for Vermilion was Cheryl Benning with 9 points; for P. V. Adams with 10 points.

### MARAUDER BOYS 72, P.V. 18

The Robson High Boys had little trouble with a youthful, inexperienced Paradise Valley team as they romped to their 7th straight conference victory without a defeat. Once again, as in their game with Edgerton, the Marauders had every player score through two points, and the second string got some more playing experience under their belts. Top scorers for the local boys were Gilbson 19 points, B. Tidsbury 13 points. Brian Cardon of P. V. came through with 4 points.

### BOYS TEAMS AT TOP

Both the Marauder girls and boys are in first place in their respective divisions according to the standings released by the Three Rivers Basketball League. The Marauder girls are in first place with 5 victories and 0 defeats for 10 points, 4 ahead of their nearest rivals. The Vermilion boys are 4 points ahead in their division by virtue of their perfect 7-0 won-lost record.

The following is the standing in the Three Rivers High School Basketball League:

### NORTHERN DIVISION BOYS

| Team | P | W | L | Pts |
|---|---|---|---|---|
| Marwayne | 7 | 6 | 1 | 12 |
| St. Jerome's | 7 | 5 | 2 | 10 |
| Clandonald | 7 | 3 | 4 | 6 |
| Hardisty | 7 | 3 | 4 | 6 |

# Bob Cats Win Feature Game Of Minor Hockey Jamboree

Saturday night's game between Vermilion Bob Cats and Edmonton Colts was the "frosting on the cake" The Bob Cats having a good season in league play, got off to a shaky start, allowing Edmonton two first period goals without being able to retaliate However before the second period was much over half way finished, Heinemann from Beattie and Walsh, and Cameron from Neil MacLean and Walsh had tied it up, only to see Edmonton go ahead with about five minutes to go in the middle frame and end the period leading three goals to two

The Bob Cats tied the score once more at 7.30 in the final frame on a goal from Joan MacLean from Beattie.

With just over 3 minutes to go in the winner, and as "Hockey" goal to Stadium patrons here was scored by Neil Cameron from John MacLean, with Judy Wilmer getting an assist.

MacLean perked up the puck test heads the Edmonton line before and he and Cameron started it on the goal with Cameron carrying the puck. Wilson drew along side the puck carrier, and gave him impression that he was expecting a pass. Instead of that, he skated across the front of the Edmonton goal just outside the crease and in front of Cameron carrying the puck, pulling the Edmonton defence out of the play and blocking the goal keeper's view long enough for Cameron to flick the puck into the net.

More hockey jamboree to come.

MORE ON PAGE ONE

## Minor Hockey Week Features

Free pop was provided to all minor league hockey players on Friday and Saturday with the compliments of Alberta Kent of Vermilion Beverages.

All children and students were admitted free to the hockey jamboree in Vermilion on Friday and Saturday.

## Mites Attraction For Minor Hockey Week

Vermilion's tiniest hockey players, the Mites, were featured in Minor Hockey Week in town.

On Wednesday the little fellers played before the Tiger game with Kevin Kent's team scoring a 3-1 victory over Peter Mirsault. Dale Reid scored both goals for the winners with Glen Smith counting for the losers.

On Friday night the Mites again did battle and this time Peter Mirsault scored a 1-0 win from Kevin Kent Glen Smith was the hero scoring the lone goal of the game.

Wally Wenman and Lloyd Engelking are the managers of the Mites while Stan Manyluk is in charge of organization for the Recreation Commission. Lee Wilhauk coaches all the minor hockey league teams.

# Bob Cats All But Cinch League Title

Vermilion's Juvenile Bob Cats Sunday downed St. Paul Canadians for the second time this year, and, in doing so for all practical purposes cinched first place in the Eastern Alberta Juvenile Hockey League.

In winning Sunday's game by a 4 to 0 score, the Bob Cats brought their total points for the season to 18, with 8 wins, 2 ties and 1 loss in the 11 games played. St. Paul has 16 points in the same number of games.

Each club has a game left with Lloydminster but as neither club has had any trouble with the border city boys during regular league play, an editorial of the Bob Cats says that it is likely both Vermilion and St. Paul will default, as Lloyd has trouble getting ice time With the provincial play-offs and league play-offs coming up, it is felt that the two games (with almost forgone conclusions) would be better skipped.

### HALFSMAN OUTSAND-ING IN ST. PAUL

In Sunday's game at St. Paul, although the Bob Cats were outplayed for the first two periods, the Vermilion boys were never really in trouble because of the outstanding performance of Dale Halfsman in the Bob Cats net.

Barry Walsh scored at 7:45 in the first period on an individual effort and the period ended 1-0 for Vermilion. The only other statistic in the first as far as Vermilion was concerned was two minor penalties to John MacLean, one for hooking and the other for kneeing.

### TWO IN SECOND

Walsh's second goal of the day at 6:26 in the second, followed by Vermilion's unsatisfied effort some 4 minutes later, gave Vermilion a 2-0 lead at the end of forty minutes of play.

Vermilion penalties again amounted to two minors, one each to Neil MacLean and one

## Midget Play-Offs Now Arranged

Something new in the way of hockey play-offs has been lined up for midget teams throughout the Vermilion district.

Teams involved have been split into two groups, with Vermilion Kinsmen, Kitscoty, Mannville and Vegreville in one, and Lloydminster, Maidstone and Marwayne in the second.

Each group will play a six game round robin series, with the eventual winners will tangle for the title.

Vermilion's next home game will be at 2:30 p.m. Sunday at Stadium Thursday night, with Wainwright providing the opposition.

to Russ Cameron.

### FINAL PERIOD BOUGHERS

A rash of five minor penalties and Billy Wilson's misconduct at the game at 6:39 were Vermilion's highlights of the final stanza. John MacLean drew two for an assist on the final goal.

Vermilion penalties again in the period included minors to Halfman for delaying the game; Barry Walsh for high sticking and P. Convey two minutes each for slashing. Neil MacLean drew the booking and Cameron for high sticking.

Of the sixteen penalties handed out by the referees, Vermilion drew ten.

### Juvenile Bob Cats Scoring Record

| Player | G | A | Pts |
|---|---|---|---|
| B. Wilson | 14 | 12 | 26 |
| J. MacLean | 11 | 14 | 25 |
| B. Walsh | 10 | 10 | 20 |
| D. Heinemann | 7 | 7 | 14 |
| R. Cameron | 3 | 10 | 13 |
| S. Williams | 7 | 5 | 12 |
| D. Beattie | 5 | 5 | 10 |
| M. Reid | 3 | 5 | 8 |
| K. Gannon | 2 | 5 | 7 |
| K. Whitlock | 3 | 3 | 6 |
| P. Convey | 1 | 1 | 2 |
| D. MacLean | 0 | 1 | 1 |
| W. Maughan | 1 | 0 | 1 |

### NEW HOCKEY OUTFITS FOR BANTAMS

The three Bantam hockey teams have been outfitted in new splendent in their new hockey uniforms for some three weeks now. As previously mentioned in The Standard these uniforms were donated by three organizations in town, the Foresters, the Legion and the Elks.

The Vermilion Lions are a new club and this was their first venture into community service for which the organization is famous.

## Kitscoty C. of C. Plans Banquet

KITSCOTT—The Kitscoty and District Chamber of Commerce will hold the annual banquet on Friday, February 12th, at the Kitscoty Legion Hall, commencing at 7:00 p.m. Tickets are on sale and can be obtained from any chamber member

The guest speaker on this occasion will be the Rev. Len Dewes of Lloydminster who has proven himself an able interesting and humorous after dinner speaker. 30-31

Dear Editor

I was very disgusted to read in last week's Standard in the minutes of the meeting of the town council that those we have entrusted with our purse strings saw fit to give a donation of $700 to the Edmonton Journal This apparently some sort of an advertising gimmick by that paper

However I was pleased to see that not all our councillors were in favor of this gift. We know now our big spenders and for whom to vote when election time around again.

Penalizer.

## New Program Proposed For Agricultural Fairs

The new federal program governing Canadian agricultural fairs limits the number of live stock entries in each class regardless the number of names in it, crosses the prize money and governs the agricultural grants program.

S. S. Graham, Alberta's Extension Director, represented the provincial government at a recent meeting with the Hon. Harry Hays, Federal Minister of Agriculture, on the position of agricultural fairs Other representatives at the Ottawa meeting included personnel from provincial and federal governments, breed associations fairs and exhibition associations.

### TWELVE VALUE STUDENTS

Mr. Graham says the new system is designed to put more emphasis on the quality of the various classes of livestock, to increase breeder and spectator interest and to provide loans for the further development of community centres which could be used by all segments of the population

(continued next week)

### OBITUARY

MRS. LILA ANDERSON

Funeral services for Mrs. Lila Anderson of the Landonville district, were held at Landonville Community Hall on Dec. 30th at 2 p.m. The organ music was supplied by Mrs. Eileen Gaul. Interment followed in the Landonville cemetery with Rev. Carl-ton Miller officiating.

Lila Anderson was 45 years of age, having been born at Consort, Alberta on Aug. 30th, 1919, the daughter of Mr. and Mrs. Anton Quirkstad. In 1938 the Quirkstads moved to a farm in the Landonville district.

On August 20th, 1939 she married Frank Anderson, also of Landonville.

Left to mourn her passing are her loving husband, Frank, one daughter Mrs. Tony Nowosad (Helen) and one son, Richard and Larry. Also surviving are two parents Mr. and Mrs. Anton Quirkstad, eight sisters, Mrs. Chester Chetting (Bertha), Mrs. Eddie Etherington (Elda), Mrs. Roy Page (Ella) in California, Vancouver, Mrs. Wilfred Sanders, Mrs. Ron Jeffery (Dorothy), Vasterena (Anna), Gwendolyn Sandra Garnier (Mable), Dewberry, Mrs. Gerry Bernard Sargent), Clara Cadonald, Mrs. Bev Woods (Helen), Calgary, Mrs. Ken Hunt (Marion), Mrs. Arthur, Edmonton, Walter, Vancouver, Floyd, Landonville; and Mrs. Anderson.

Mrs. Anderson was predeceased by an infant son Wilfred in 1940 and by a brother Selmer Quirkstad in 1964.

The pallbearers were Messrs. Lawrence Waltz, Mike Onischuk, Peter MacNamara, Ralph Batts, Henry Dyker and Horace Smith.

Donald's Funeral Home was in charge of arrangements.

Beautiful floral tributes were received from The Family, Mother and Father, Brothers and Sisters, George, Blanche Bird and family, Victor and Jessie Hammond and family, Ben Quirkstad and family, Edward, Dorothy, Lowell and family, Lucille, George and Wayne Clark, Ervin Garnier and family, Bill and Helen Boyce, the Clandonald Community.

Interlake Children's Association: Mrs. Cora Carlton, Mrs. Malenek and Margie, Mike, Marion Mayowski and family, Lee and Sophie Feder and family, Robert, Phil and Muriel Lovell and family, Mr and Mrs. Colin West and family, Mr. and Mrs. Ed Trach, Mr and Mrs. Mike Trach and family, Mr and Mrs. William West

Cancer Fund: Mr. and Mrs. Geoff Dorey and family, Irene, Clive Dorey and family and Ann.

Landonville Cemetery Fund: Mr. and Mrs. Ed Lovell

Donations for the family Mr. and Mrs. H. A. Dyrjar and family, Mr. and Mrs. F. Hansard and family, Mr and Mrs. I. ### BUDGET-MINDED MEAS

Many thoughts are turning to spring and warmer weather. Fabrics are quickly being seen into new spring clothes; new purchases for the home are also being discussed. Are you wondering just how your household dollars can be stretched to include some of the desires ex-tras?

Begin how by careful planning and economizing. A dollar saved here and there adds up in the end. A few suggestions to consider when spending money:

Buy food in quantities, particularly staples.

Prepare a shopping list so that unnecessary extras are not purchased on the spur of the moment.

Avoid paying for fancy packages and containers.

Advertised items are usually more expensive than non-advertised items.

Purchase the cheaper, less tender cuts of meat — they are just as nutritious but require more slower and longer cooking.

Skim milk powder at 70 cents a quart either used alone or to extend fresh milk, is a real saver for casserole dishes and baking.

Mid-week is the best grocery ads in the Vermilion Standard for week-end savings. Incorporate these into your week-end meals.

Desserts which are economical and nutritious include bread pudding, cream pies, milk puddings.

In most cases, vitamin preparations are not necessary if a normal adequate diet is available

### VEGREVILLE, Alta.

Women should be informed about wills, estate planning, inventory, etc. Ignorance often costs money in the end.

Before purchasing clothing plan an inventory of your family wardrobe. Unplanned purchases are often costly.

The least expensive garments fall apart early and look shabby after several wearings. Quality is preferred in clothing.

Savings are small when sewing housedresses but large when sewing suits or coats.

Garments in simple styles, good quality fabric and dark basic colors can be worn for years without looking dated.

Look into your new cake-cupcard dry cleaning — it is very economical.

White sheets and pillowcases are less expensive than prints and colored linens.

Cooking the entire meal in the oven is cheaper than using the oven and several units at one time.

Generally speaking, electricity is the most expensive fuel.

Consider borrowing from the bank before undertaking a investment credit or a loan from a finance company.

It's smarter and cheaper to pay cash.

CANADA MILK COUNCIL

Born at the Vermilion Municipal Hospital to

WICKHAM — Mr and Mrs. Jim Wickham, on January 27th, a boy, Darrell John.

## LOCAL NEWS

Mr. and Mrs. Cliff McCormick left for Los Angeles and points south Wednesday. They expect to be gone for at least a month.

Bill Polishkowski who has been employed at Stephens store, left with his wife on Saturday last for Myrtmore where he intends to operate a farm in the future.

Mrs. Michel returned to Victoria on January 28 after spending six weeks visiting at the home of her daughter and son-in-law, Mr. and Mrs. Art Brenner.

Mrs. Fred Stewart spent the week-end of January 30th in Edmonton at the home of her daughter and son-in-law, Mr. and Mrs. Jack French.

Mr and Mrs. Don Taylor returned from Winfield, B.C., and want to thank all those who so kindly warranted the address of Vegreville and changed to Lloydminster as someone had jokingly written it, as Cards started arriving from here. Even Winfield had a Vegreville resident and for two or three days in December it was down to 18 below. The Taylors spent Christmas and New Years in Edmonton and southern Alberta and had a wonderful time despite the cold. Don retired as Chamber of Commerce Manager in Commerce and was presented with a silver water set-flee pers-olator and teapot for his good work with the Chamber.

Mr. and Mrs. Bill Misko left last week for a trip to Toronto with stops at many intermediate points in Sask. and Manitoba.

Gerry Ominsen of Kimberly, Sask., was a visitor in Vermilion and district last week.

Fred Scott is in Saskatoon this week attending the annual meeting of the Federated Co-Operatives 140 delegates are in attendance.

Charles Herbert is in Banff this week attending an advanced seminar on general insurance held at the Banff School of Fine Arts. The seminar is sponsored by the Insurance Agents' Association of Alberta.

BORN To Mr. and Mrs. Jack French of Edmonton on January 27th at the Misericordia Hospital, a son, Stewart Gregory, a brother for Trevor

### CARD OF THANKS

We wish to thank Dr. Jan Miller, the matron and nursing staff of the Elk Point Hospital for the kindness and care that we received while patients in the hospital during emergency and a most sincere thanks to all the kind friends and neighbors who so willingly donated in many ways during our sad loss and sudden disaster.

Richard and Larry Anderson, Mr. and Mrs. Anderson, Tony and Helen Nowosad

### CARD OF THANKS

We wish to express our heart felt thanks and appreciation to our many friends and neighbors here and in Calgary, for the messages of sympathy, the floral tributes, memorial gifts and acts of kindness extended to us in the loss of our beloved son and brother.

Mr and Mrs. W. R. Lamport and family.

### IN MEMORIAM

In loving memory of

HAAKON EKELAND

—who passed away Feb. 9, 1965.

You're not forgotten father dear Nor ever shall you be.

As long as life and memory last We shall remember thee

—Ever remembered by his loving wife, sons and family.

Of some 80 urban transit systems operating in Canada, only two — in Toronto — are still operating electric street cars, as compared to 33 in 1946.

All governments in Canada spent $7.22 per capita in 1963, and took in $6988.

## MARWAYNE MINOR HOCKEY TOURNAMENT

Marwayne on Saturday, January 30th was a hive of activity as the hockey spectacle Week was climaxed with a hockey tournament. Eight Minor Hockey Teams competed in three events and played to visiting games Only time was given to scrape the ice between games, the schedule was kept very close to time

Winners in Bantams 1st Hill mond 2nd Kitscoty. PeeWees 1st Kitscoty, 2nd Marwayne; Mites 1st Dewberry, 2nd Hilldale.

Kitscoty and Marwayne Town Thumbs (8 years and under) played for the Banff Mayor's Trophy Kitscoty the winners. This game was witnessed by a capacity crowd interest as very often the stick is twice as big as the boy This is surprising in spite of their many falls are so enthusiastic and try hard.

At 9:30 in the evening the games were finished off by a last, well played game between the Marwayne and Lashburn Midgets. The score of 6 to 1 in favor of Marwayne was not indicative of the play.

Good clean play was shown, and a very good crowd attended making the day highly successful.

A big thank you goes to the coaches, referees, time keepers, the Arena Board workers—the youth and to those who donated to the booth for making it a very interesting day.

Winter Bargains at Chandlers Consolidated 5 to $ Store Limited display Page 7, Section 1 of this Standard

Defence expenditure in Canada declined from 39.3 per cent of budgetary expenditures in 1953-54 to 23.1 per cent in the current fiscal year.

## LETTERS TO THE EDITOR

Dear Editor:

In reply to Hon. Harry Hays in his criticism of the Honorable John Diefenbaker: I would like to ask Mr. Hays why we had to take five and one-half cents per bushel less for our final payment on our wheat as soon as the Liberals got in power — and that was on a sellers' market.

What have the Liberals done for us farmers, after that march on Ottawa of over one thousand farmers for deficiency payments on wheat? In lieu of that he (Diefenbaker) gave us up to two hundred dollars of acreage payment which wasn't much but was money gone. But it was a wonderful help. I paid the rent on a one-quarter section and groceries for a month. Then the advance payment on wheat which was a real help — especially the year crop weevils were on it rife on the West Coast — and we could not sell our wheat.

Then the rise in the price of wheat on a buyers' market. He gave us the first break we have had for years in the wheat board issue.

Two years ago I took off for the East — and the first time I came here in 1908. Then again last fall I went back as far as Quebec. The first trip the people thought we were getting our monthly dividend. We are supposed them of that delusion and again in Quebec last fall. People who lived in Alberta forty years ago looked upon me in consternation when I told them there was not truth in it. It was a blatant delusion. From the source it was propagated from, they were dreadfully taken aback. Because they had believed that we were getting our basic cultured heritage dividend, as it was preached.

Regarding this flag business — In 1945 and 1946 according to Premier Lesage on the program "This Hour Has Seven Days" when so many of King's Liberals threatened to leave the party if the oneign was kept. Mr. King was good enough to drop the issue and also Mr. Diefenbaker. I believe that when he saw what he would create he let it lie. When Mr. Pearson got in he forced the issue. Mr. Diefenbaker knew this would happen. So many loyal citizens wanted the red ensign kept that Mr. Diefenbaker was bound to fight the way he did. But not so with Mr. Pearson. As I see it he used the flag issue to bring it in. Here in the West, as we all know, Britain is our best market for our wheat, which we appreciate. It behooves us not to do anything that will jeopardize it.

H. J. Anderson

## Annual Meeting Of Greenlawn Club

The annual meeting of the club was held at the home of Ada Lumley with 19 members and one visitor present.

The financial report was read and adopted, showing a very successful year had been enjoyed.

"Happy Birthday" was sung for one member following which new business was discussed.

Officers for the coming year were elected as follows: President, Doris Jones; Sec. Treas., Blanche Stone. Vice-Pres., Alberta Lumley. Sunshine Committee, Myrtle McMullen, Verna Boyce, Alberta Lumley.

It was moved and seconded that a donation be sent to Mr. Parr and family whose had the misfortune to lose their home by fire. It was also passed that the club make a quilt for Mr. Parr.

To raise money for the quilt the ladies are making a quilt which will be raffled at a later date.

The next meeting is to be held at the home of Alberta Lumley. Whist will be played.

After the close of the meeting Ada had a contest to see who could pin a tail on a donkey, blindfolded. This donkey had tails from the saddle to off the picture completely! Josephine Grey was the lucky winner. On each tail something was written and each contestant had to act it out. Annette Stone was the lucky winner this time, doing the Indian war dance.

Following the contest the hostess served a lovely lunch assisted by some of the members.

Ross Taylor who acted as chairman at the annual meeting of the Vermilion Savings and Credit Union on Tuesday evening. Business was conducted and was efficiently carried through Mr. Taylor injected a lot of good humor and fellowship into the meeting.

## Credit Union Banquet Attracts An Even Hundred

The banquet and annual meeting of the Vermilion Savings and Credit Union attracted an even one hundred to the Legion Hall on Tuesday evening of last week. Acting as emcee for the banquet program was the president of the organization, Mr. Wm. Garnett. Head table guests invited to speak were George Martin Deputy Mayor, Town of Vermilion and Ashley Cooper M.L.A.

The guest speaker for the occasion was Mr Harold Hogg, Supervisor of Credit Unions for the Province of Alberta. Among the interesting facts given was the fact there are 211 Credit Unions in the province with 108,000 members. Mr. Webber gave an interesting resume of the many ways in which a Credit and Savings Union can be a help to the neighborhood to friends and to neighbors.

Following the banquet program Mr Ross Taylor was moved to the chair with the business of the annual meeting all carried through thoroughly and well.

Reports were given as follow: William Garnett, Board of Directors; Tom Lysons Financial and Statistical Affairs Angus MacMillan Credit Committee; F. Van Waasbergen Jr. Supervisory Committee

**DIVIDEND DECLARED**

A dividend of four per cent as recommended by the Board of Directors was approved by the meeting.

Note was taken of the Silver Jubilee year of the Vermilion Savings and Credit Union during the past year until now there are 413 members with new entrants practically every day.

**OFFICERS ELECTED**

Retiring directors Harold Mack and Phil Taylor were re-elected with Jim Kaiser and Morris Hunter elected directors. Tom Hogg and Gerry Schmidt from the credit committee Mr F Van Waasbergen Sr is the Supervisory Committee.

Catering to the banquet was by the Legion Ladies Auxiliary their Legion and coffee was greatly served at the conclusion of the business session.

Guests for the evening were Harold Hogg Supervisor of Credit Unions for the Province of Alberta, Ashley Cooper M.L.A. for Vermilion-Viking, Mayor and Mrs. Martin, Reeve and Mrs. Hall, Mr. and Mrs. Webber, Mr. and Mrs. Ross Taylor, Mr. and Mrs. Wainwright Savings and Credit Unions

Harold Hogg, Supervisor of Credit Unions for the Province of Alberta, was the guest speaker at the annual meeting and banquet of the Vermilion Savings and Credit Union.

Wm. Garnett who was master of ceremonies at the banquet of the Savings and Credit Union. Mr. Garnett is president of the organization.

## Wildwood East

Congratulations to Mr. and Mrs. Wes Williamson of Lloydminster on the birth of a daughter Jan Lee, 8lb. 7½oz. and 21 inches tall, sister, sister grandparents Mr. and Mrs. Jack Drysdale while Helen was in hospital.

Teresa Boucher has just had a new well drilled on his farm.

Mrs. Lyon is back on the farm after spending several months visiting relatives in Nova Scotia.

Those sick are being held and are slowly improving.

Mrs. Jim Wilson and daughter Wendy Jan Wilson visited with Mrs. Wilson's parents Mr. and Mrs. Jack Drysdale on Tuesday.

Teresa Boucher and Cyril Lussier left on Feb 01 will be a 300 night. They hope

Bill Twidale has received his discharge from the army and is visiting his parents

The monthly meetings for the Ladies Aid Telephone Co. and the U.C.W. will be held on Thursday, February 11th at the home of Mrs. Lyon. The U.C.W. hopes to have someone from the Fish and Game Association to show slides of their meeting, which will be on Mar. 4.

Alfred Nadeau, Lionel Lang and Ernest Lang left on a vacation to a warmer climate

## Pleasant Valley

The mild spell certainly didn't last very long but it was enjoyed by most people with some visiting done.

Laurence Gould and Chrissie accompanied Alex and Ann McFayden to Lloydminster to celebrate Burns' Night. A very enjoyable evening is reported.

Betty Clarke and family were Sunday visitors at Ann Clarke's home on Sunday.

Lavern Dugrait and Dewey were supper guests at the home of the writer Tuesday night and showed lovely pictures of their Shetland ponies and of trips to the coast and the north lakes.

Some of the men of the district went to Medicine Hat during the antelope season. They took many nice pictures of the country down there It is very rugged in places. The trip was enjoyed, each got an antelope

The seed catalogs have arrived with many new shrubs listed and green and gold bulbs which should prove very novel.

Our windows, at present full of blooming plants, look much like spring

# Chamber of Commerce Activities Reviewed

The following review of the activities of the Vermilion Chamber of Commerce was given by President Claude Underwood at the annual meeting on Wednesday Jan. 27th.

It is my privilege to give you the President's Report for the Chamber for the year ended today.

It has been an honour and a pleasure to serve you as President I feel the Chamber has had an active and successful year owing to the interest shown and cooperation given by many members and I extend my thanks to all members for your assistance in this connection.

I would like to express my appreciation to the Executive and Directors for the co-operation and assistance given me during the year.

**FINE GESTURE**

Right here I wish to express to the Treasury Branch of the Imperial Bank and to Mr. Kinver the manager of the branch here our sincere appreciation for the co-operation and assistance given by the manager in the general handling of Chamber affairs.

Further thanks to Mr. Ed Rinfret, Chairman of our Entertainment Committee for carrying on this event in this connection Mr. Kinver initiated and brought about. It was a pleasure to see that so many members were not what it should have been I sincerely trust that will be the case during this season.

(4) The Chamber promoted the Tourist Information booth which well was manned during the year by Ashley Cooper and the Vermilion Standard.

**CHAMBER ACTIVITIES**

**SUGGESTIONS**

May I say, perhaps on behalf of the Chamber that in the past year the Executive and Chamber in general have received many suggestions and proposals. I am pleased to say that all suggestions were considered and where possible acted upon. A few of these suggestions were not carried out, but only for the reason that conditions were not favourable at the time. Many of these suggestions were of a minor nature, but nevertheless important to the individuals concerned, and it is hoped this will be continued this year.

The members of this Chamber's executive for next year in requesting their station

I recommended a swimming pool be built in Vermilion last year for the town.

We entertained the members of a Trade Mission from the Edmonton Chamber of Commerce.

(13) Our annual Spring Clean Up Day was successfully handled by the Girls and Boys and Means committee under the chairmanship of Mr Charles Uzabiak

**ROAD COMMITTEE**

14- Roads committee under the chairmanship of Mr Roger Rowe was one of the busiest and brought to the attention of the Chamber many matters regarding highways and the streets in town regarding which the Chamber might or should take some action.

(15) The National Affairs committee under the chairmanship of Mr Fred Foster did not have much to do last year. However, we have lately with this committee the brief of the Canadian Chamber of Trade on the Pension Plan for study and a report on the same to this Chamber.

**PARK COMMITTEE ACTIVE**

(16) Mr Romile chairman of the Parks committee and his committee are to be complimented on the excellent work they did last year in connection with the Park. We wish particularly to thank Mr Kreale for his unremitting personal attention to the affairs of the park.

(17) We tendered our annual Kiddies' Christmas Treat last December which was attended by more children than ever before and greatly enjoyed by them.

**CHRISTMAS LIGHTING**

(18) Our Christmas Lighting Contest resulted in many beautiful home lighting decorations at Christmas. A feature of the competition was the Santa Claus Parade last year which the success of the event should make a special effort to have the parade starts and premises decorated more expensively than they have been in the past. This will have the attention, I hope, of the new executive

(19) As in past years we sponsored the Farmers' Dinner.

(20) The Chamber last year again arranged for transportation of the Tiger Hockey Club team to and from games played.

(21) Thanks to Mr Aldous Kent our Parade Marshal for the lighted of various other teams this publicity Vermilion.

The Chamber took up various other matters which I have not mentioned because it would take too long to cover everything in the time I have given myself.

**AFFILIATED TALKS**

On behalf of the Chamber members I would like to voice our thanks and appreciation to His Worship Mayor Ring for the various talks he gave at several of our luncheons during the past year on the activities and projects undertaken or proposed to be undertaken by the town. These talks let us know what has been recently done or is proposed to do. It has been very good of His Worship to take of the time he has in connection and we appreciate it.

We also acknowledge and thank the town council for the grant made to the Chamber this year without which we could not function effectively.

We also wish to thank Mr Bennett, principal of the Agricultural College for his invitation to lunch last year at the College extended to the members of this Chamber which was very much enjoyed by the members.

As you know it has been proposed that an Association of Chambers of Commerce in this area be organized. Representatives of our Chamber attended a meeting at Lloydminster intended to form such an association but the meeting was not very successful. Another meeting was held at Camp Whitney, the New Curriculum, God and His Purpose old week groups and many other topics have been covered by the Rev. Gregory.

The Supply and Social Assistance report shows over 2200 lbs. of clothing, 90 lbs. of yarn for baby shirts and gowns, personal kits and many other items being sent to Welfare Industries, Vancouver, for overseas relief. 135 pair of glasses went to India and Pakistan, layettes and bandages to Dr. Helen Houston in Nepal. Communion cloths to a mission in Rhodesia, books to Trinidad, used Christmas cards to a leper colony in Africa, and many more items to our missionaries abroad.

**1964 AN ACTIVE YEAR**

On the home front, clothing was sent to Saddle Lake, Goodfish Lake, Bissell Institute, Edmonton, John Howard Society, John Noll Hospital, Cold Lake, as well as many needy local families. Gifts were sent to the Oliver Mental Hospital as well as cards, pictures, wool and clothing to Retarded Children's schools.

In the literature section, just over $800.00 worth of literature was sold at workshops and meetings.

**NEW EXECUTIVE**

The President, Mrs. A. Ham then expressed her thanks to the 1964 executive and asked Rev. V. Barkwell, of Viking, to conduct the installation of the officers for 1965. The new executive is as follows:

President, Mrs. J. A. Hamilton
Vice-President, Mrs. A. Scholten
Secretary, Mrs. A. Vegreville
Treasurer, Mrs. J. Gordon, Paradise Valley

Mrs. Hamilton then took over the meeting with a very impressive Communion Service conducted by Rev. C. Miller of Vermilion, who was assisted by 10 elders from the group assembled.

"The warm hospitality of the people of Newfoundland to the members of General Conference was overwhelming" said Mrs. W. Emerson, of Edgerton, as she spoke of their trip to the 1964 sessions held in Gower St. United Church, St. Johns. Mrs. Emerson showed slides of the country, the people, Gower St. United Church, and the welcome banners at the Provincial and along the route. We saw slides of Premier Smallwood's ranch home, boats large and small, in the many harbors, the rocky terrain and the broad Atlantic. All present were given an insight into the lives and ways of the people of our 10th province. On display were some of the many souvenirs Mr. and Mrs. Emerson brought back to enable them to share their inspiring trip to General Council with their many friends and parishioners.

A brief business session to deal with recommendations from the new executive, followed by a very fitting Memorial Service conducted by the Paradise Valley U.C.W. brought a very interesting and informative day to a close.

# Vermilion U. C. W. Host Third Annual Meeting Of St. Paul Presbyterian Held In United Church

First United Church Vermilion, was the scene of great activity on Wednesday, January 27th, as 168 women met for the third annual meeting of the St. Paul Presbyterial U.C.W.

The need and the opportunity to help our fellow man is the day to day living was stressed by Mrs. F. Pearson of Marwayne in her opening devotions.

A warm welcome was extended to delegates and guests by Mrs. A. Tivoll, President of the Vermilion U.C.W.

Reports show a very active group with many varied interests, much work being done, both at home and abroad.

Some of the year's highlights include the visit of Miss Dorothy Greaney associate secretary of the Board of Women's Work, Toronto at the Presbyterial Workshop held in Wainwright. Local workshops were held at St. Paul, Mannville Hills, Paradise Valley, Irma, Auburndale and Marwayne, with Miss Aileen Ratz missionary to the poor worker from Halifax, as guest speaker at several points.

The 1964 allocation of $4,361.20 to Missionary and Maintenance was met, as well as $1,239.67 added to Over and Above projects.

Miss Joan Lynch of Mannville, studying at Alberta College and Mrs. J. Ruxton of Lloydminster, in training at St. Stephen's College and serving Hidden charge, were the recipients of the St. Paul Presbyterial U. C. W. Bursary fund. This bursary was set up by the U.C.W. to give encouragement and financial help to those wishing to take further training in the ministry or as lay workers. Seventy-three donations of $826.23 available for students in 1965

**Marwayne News**

The home of Mr and Mrs. Leslie Robbie was completely destroyed by fire on Friday, January 29th. They were away to Union Lake at the time of the fire, so nothing was saved.

W. Ashworth as a guest of Mather Ferguson left on a visit to Mexico.

L. Payne and Burnett Graham attended a Lord Cameron Convention in Edmonton recently.

Remember the Friendship Club meeting on Tuesday, February 9th.

There were four tables for whist and four for cribbage at the first Home and School card party on Friday, January 29th. Whist prizes were won by Mrs. Pollinsky and Don Mary. High; Mrs. Clarkson and Mrs. Culford (cont.); low; Crib. Mrs. Reichen baugh and W. Curtis. High; Mrs. J. Milne and Earl Gray, low. Watch for date of next party.

**CHURCH NOTES**

On Sunday, January 24th the Marwayne and Wainwright Junior Choirs went to Hillmond for two games of hockey Marwayne who edged out by Wainwright 4 to 3, but won over Hillmond 9 to 5.

On Monday in Marwayne the Canucks defeated India's Crank by the score of 10 to 3.

Thursday January 28th in Marwayne, Hillmond All Stars played the Canucks in one game 8 to 7. Proceeding the game the Juniors from Thursday over Marwayne 3 to 1.

Tuesday, January 26th the possibly organize such an Association. This has not come to pass but I think perhaps the matter should have further consideration in the coming year.

**A Small Business Management** course is being given also proposed to be held at Vermilion but for some reason or other this did not take place last year I am hopeful we will be able to have this course at Vermilion during 1965

**FALL FAIR EXHIBITION**

At our last meeting we had an interesting and informative address by Mr. Anderson President of the Vermilion Agricultural Society. I believe some of the suggestions he made in that talk should be considered and possibly acted upon by the Chamber

**COMMUNITY SERVICE**

In conclusion, as I think has been expressed by one of my predecessors in office "there is challenge to everyone to get on and help with community services. It seems to me this thought is one that we lost sight of in our Chamber of Commerce. If we keep it in mind, and if our Chamber can help in any way the community it will always be in a healthy and living condition.

**APPRECIATIVE REMARKS**

This Chamber does not exist simply for the town but also for the surrounding community and to properly serve the agricultural environment, we should have a goodly number of farmer members I hope in 1965 this will be achieved and a drive made to that end.

I wish to extend to the new executive my best wishes for a successful Chamber of Commerce year in 1965. Thank you."

# Curl-O-Rama Underway From Coast to Coast

TORONTO, Jan. 28 — Canada's largest bonspiel, the Curl-O-Rama, is underway from coast to coast in Canada, and more than 25,000 farmers are busy at the season an' slane.

Curl - O - Rama, sponsored by Massey - Ferguson, Industries Limited dealers across the country, has more than 8,000 rinks currently competing at the dealer level. Under the rules of the 1965 bonspiel, only bona fide farmers who live by rearing purse may compete. Winners of the dealer contests will move up to district playdowns, and the winners of district contests will vie in the national playdowns.

The goal of the competitions is to reach a new high in Canadian farmers bonspiel, to be played at the St. George's Curling Club in Toronto, during the week of March 8.

In the three years that Curl-O-Rama has been a national bonspiel, rinks from western Canada have prevailed over the others. Last year's rank-and-file Curl-O-Rama champion was South Saskatchewan's entry, from Regina, underskip Ed Lindsay, with a very impressive Communion Service conducted by Rev. C. Miller of Vermilion, who was assisted by 10 elders from the group assembled.

"The warm hospitality of the people of Newfoundland to the members of General Conference was overwhelming" said Mrs. W. Emerson, of Edgerton, as she spoke of their trip to the 1964 sessions held in Gower St. United Church, St. Johns. Mrs. Emerson showed slides of the country, the people, Gower St. United Church, and the welcome banners at the Provincial and along the route. We saw slides of Premier Smallwood's ranch home, boats large and small, in the many harbors, the rocky terrain and the broad Atlantic. All present were given an insight into the lives and ways of the people of our 10th province. On display were some of the many souvenirs Mr. and Mrs. Emerson brought back to enable them to share their inspiring trip to General Council with their many friends and parishioners.

A brief business session to deal with recommendations from the new executive, followed by a very fitting Memorial Service conducted by the Paradise Valley U.C.W. brought a very interesting and informative day to a close.

northern Alberta rink from Edmonton was runner-up, with five wins and one loss. Interest in the eastern provinces, especially Ontario, is growing however, however and close competition in the east is expected this year.

Curl-O-Rama began five years ago on a comparatively small scale in the Regina area, when a Massey-Ferguson branch dealer-members of General Council was overwhelming" said Mrs. W. Emerson, of Edgerton, as she spoke of their trip to the 1964 sessions held in Gower St. United Church, St. Johns. Mrs. Emerson showed slides of the country, the people, Gower St. United Church, and the welcome banners at the Provincial and along the route. We saw slides of Premier Smallwood's ranch home, boats large and small, in the many harbors, the rocky terrain and the broad Atlantic. All present were given an insight into the lives and ways of the people of our 10th province. On display were some of the many souvenirs Mr. and Mrs. Emerson brought back to enable them to share their inspiring trip to General Council with their many friends and parishioners.

# Annual Report Issued By Local Chapter Reg. Nurses

Nine meetings of the Vermilion Chapter No. 35 of Registered Nurses were held during 1964 with an average of 18 members present.

The executive consisted of: President, Mrs. Edith Walbergerger; Vice-President, Miss Margaret Eyden, Secretary, Mrs. Elizabeth Sadlouki; Treas. Miss Edith Forrest

In January three new committees were set up: 1. Archives; 2. Publicity; 3. Telephone. The president and vice-president attended the Presidents' Institute in Edmonton on Jan. 15 and 16.

**MEMORIAL SCHOLARSHIP**

April 1st was set as the dead line for applications for the Alice Keith Memorial Scholarship and after careful screening of applications the committee chose Miss Glenda Brennan, nurse in training at the Royal Alexandra Hospital, as a recipient of the school

arship for 1964. A scroll and a cheque for $50 was presented to her at a meeting held in June.

**LUCKY DRAW HELD**

A lucky draw was held for two hampers, one in May which proved very successful, bringing a sum of $168.25. Each member donated $1 to purchase the contents of the basket.

**ANNUAL CONVENTION**

Delegates to the annual convention in Banff were Mrs. Edith Walbergerger and Mrs. Violet Elliot.

**PRESENTATION**

Diane Whitelock of Hughenden, Alberta, having the highest standing in Home Nursing was presented with a traveling case at the graduation exercises of the Vermilion Agricultural and Vocational College held July 3rd. On July 15 the Chapter entered

to the Hospital Regional Conference held in Vermilion.

**BUZZ SESSIONS**

During several of the spring meetings Mrs Margaret Eyden conducted a quizz in the form of buzz sessions on the Society's Report every member was given an opportunity to speak, the meaning and the implications of the report brought these efforts

**NURSES' RALLY**

On Sept. 25th a rally was held in Vermilion with a total of 41 nurses attending. Members from northeastern and Lloydminster Chapters were present as well as several from Mannville, Edmonton and the Health Unit. The AAUN office was represented by Mrs. Shirley Stiles and Miss Todd. The guest speaker was Dr. Mary Crowe whose theme was "Individualized thinking by presenting new issues in the general nursing field

Mary Crowe has been due to other commitments assigned as a replacement in September 21 was forced to leave the post open until the following year

It is expected there will be played in the Roman Catholic Church in Vermilion on Feb. 7th at 8:00 p.m.

For dances was set in Medicine Hat Chapter for the years 1965 to be presented on A.A.U.N. office

Lake Wainwright Institute on Nov. 6th was attended by Mrs. Elizabeth Sadlouki.

During the year four films were shown and two very good films were loaned

The sale of flowers by Mrs. Elizabeth Stadlouki, Vice Pres. Miss Edith Forrest, Secretary Miss Dina Tomchuk Treasurer Miss Edith Forrest

# Varsity Guest Week End Feb. 18 to 21

February 18 to 21 has been announced as the dates when the University of Alberta, Lethbridge, will throw open its doors for the thirty-first annual Varsity Guest Weekend. An expected record attendance of 20,000 Albertans has necessitated budget planning in excess of $7,000

Since its inception in 1962 the Weekend has tried to fulfill two purposes. To introduce prospective students to campus life and to give citizens the opportunity to see the University. Through hobbies, displays and special activities the academic side of University is presented to the public and to acquaint prospective students with the many events are scheduled to afford the public a glimpse of the campus social activity.

Highlights of the Weekend will be Varsity Varieties production area

"How To Succeed At School Without Really Succeeding" and religious music of every variety especially for Varsity Varieties production of Feb. 19 and 20. There will be a number of parties and dances.

Queen contests

The Leaning Tower

The main east old Leaning Tower of Pisa would fall and Queen Contests

Tower will be closed to the public for the duration of the Weekend. Tours of the tower will be conducted by Varsity Varieties production area

## Princess Anne W.I. Notes

On January 21st the Princess Anne W.I. met at the home of Mrs. F. Deugan with twelve members present. Discussion and plans were made re catering to the Chamberlain Women's Institute on Feb. 6th. It was also decided that a quilt be made.

A delicious lunch was served by Mrs. Stewart and Mrs. M. Skinner. Next meeting will be Feb. 18th at the home of Mrs. C. Bland.

On Jan. 22 a wiener drive was held at the home of Mr and Mrs A. Skinner with six tables. The prize were won by Ladies 1st, Mrs W. Hall; 2, Mrs Hodgins, consolation Irene Skinner. Men's 1st, W McIntyre 2 W. Hall consolation N. Armstrong.

# Day Long W.I. Workshop And Handicraft Meeting Held January 13 In Vermilion

A very interesting and informative meeting was held on Jan. 13 at the Legion, despite the snowy weather, a good number of W.I. ladies attended the Women's Institute Workshop and Handicraft meeting which was held at the Masonic Temple Hall in Vermilion.

Mrs. A. R. Holmes, Constituency Convener for Alexandria and East Vermilion A.W.I. called the meeting to order and then asked Mrs. Fred Stewart Convener of Handicraft Convener for the day, to take the chair for the handicraft section. After the business was transacted, Mrs. Stewart introduced the guest speaker Mrs. Ethel Wood, former handicraft list. Handicraft articles will be displayed at the Conference when it is held in the spring.

### POTLUCK DINNER

After a very delicious potluck dinner the Princess Anne W.I. demonstrated quilt making. Mrs. Holmes then spoke to us on the seven steps to the organization of Women's Institutes. The W.I. is not only a district organization but promotes provincial federal and also a worldwide organization with a membership of 9 million women in 74 countries of the world.

The Alberta Women's Institute was organized in 1909 and has been serving the home and the country since that time.

It is often asked "What Are Alberta Women's Institutes?" It is an organization of women working together for the improvement of Home and Country; locally, nationally and internationally. It is an organization which is strictly non-political, non-racial and non-sectarian.

### W. I. ACHIEVEMENTS

There are numerous achievements of W.I. such as donations of library books, furniture for W.I. wards in hospitals, beds and blankets for use in schools when children are taken ill while there and presentations of awards and scholarships to students in schools as well as agricultural and vocational colleges.

### TRAVELLING CLINICS

Alberta Women's Institutes were the first to introduce travelling health clinics for child and maternal welfare in isolated areas, have been instrumental in establishing rest rooms, halls, organized recreation, care of convalescents, improvements in schools picnic areas, etc., and welcoming new citizens. They have pioneered homes for nurses and hospitals in isolated areas. In 1938 A.W.I. petitioned the government to institute Cancer Clinics like the TB Clinics and presented the government with $2000 for radium to be used by patients, free. They have supported the campaign to educate and alert the public about cancer symptoms and have donated to Dr. McEachern Cancer Research Laboratory for equipment as well as contributing to relief for national disaster areas such as the Nova Scotia mine disaster, the Manitoba Flood Relief and the Northern Canada Flood relief. Donations have been made to the Junior Red Cross Hospital, Calgary, for making children's braces, the Rheumatism and Arthritis Society, Red Cross, Mental Health and others too numerous to mention.

A.W.I. has representation on a great number of boards such as Agricultural Board, Canadian Save Association, Provincial Canadian Society, Red Cross, Alberta Safety Board, etc.

### INTERNATIONAL GIFTS

Internationally, donations have included tractors for Greece, sewing machines for Korea, training for homemakers and nurses aids for Ceylon, an orphanage in Hong Kong and Land Grants in barley for Korea, food relief for Britain and milk for Red China, contributions of knitting, quilting, food, tons of clothing, diapers, layette, etc. for needy children.

This gives some understanding of the tremendous amount of help and money being done by the Women's Institutes. Be proud to be a member.

### WELCOME HOME

Following this Mr Paillie Holtz who has just returned from Sea Harbour in the far north, very kindly showed us slides he had taken while he was stationed there last year. These were very much enjoyed by everyone. It is interesting to learn of the life of our neighbors to the north.

After coffee and cookies all departed for their homes feeling a very enlightening day, thanks to those who took part.

## Identical Triplet Calves Born on Guelph Dist. Farm

Albert McCarney, R.R. No. 7 Guelph, Ontario, is the proud owner of identical triplet purebred Guernsey heifer calves which were born at his farm December 19th, 1964. R. B. Hodgins, Secretary of the Canadian Guernsey Breeders Association, Guelph, reported that it is the first time that triplet purebred Guernsey heifer calves have been registered by his Association, and estimated that the chances of identical triplet heifer calves being born, and being strong enough to survive under normal care, were exceedingly small — perhaps one in a million.

### ARTIFICIALLY BRED

The calves are the result of several generations of artificially bred sires and dams. Their father is McDonald Farm's Lad's Viceroy a Plus Proven sire of production who is now 11 years old and who has spent all of his life in service at the Hamilton District Cattle Breeding Association, Hannon, Ontario, where semen is produced for use in all parts of Canada.

The mother of the triplets is Pine Lawn Ramona, a daughter of another top cow and sire Maplewood W Sheriff and her dam was sired by the first Guernsey bull used in Artificial Insemination service in Ontario Cairo put Trevenor's Valor.

### FUTURE BRIGHT

While their present and immediate future consists mainly of eating and growing, the parents of the triplets have a bright future to them is showing considerable interest in obtaining identical twins and triplets for various scientific experiments based on controlled feeding and management. If they are not used for the advancement of science they will remain a very interesting part of the Pine Lawn Guernsey herd to supply Golden Guernsey milk for the people of Guelph.

A hair dryer for dogs is on the market. It fits the dog into a sleeping bag and is attached to a common cleaner.

## These Ladies Feed Multitudes

This group of ladies feed thousands of people in a real deluxe fashion during the course of every year. They are members of the Ladies Auxiliary to the Rayol Canadian Legion. Catering is one of their big undertakings and they do an excellent job of it. This group picture was taken following the recent banquet served at the annual meeting of the Vermilion Savings and Credit Union. Standing from left are Mrs Edith Gunn, Mrs. Anne Bullock, Mrs. Margaret Burton, Mrs. Doris Wilson, Mrs. Alma Tuey, Mrs. Kay Shattuck; Seated from the left are Mrs. Alec Davis, Mrs. Ina Webb, Mrs. Hetty Richardson and Mrs. Evelyn Hemingway.

## To Assist in U.S. Income Tax Forms

Mr. C. R. Conad of the United States Bureau of Internal Revenue will be in Calgary shortly to assist persons filling out U.S. income tax forms.

Mr. Conad will be located at the U.S. Consulate General, 802 8th Ave. W., Calgary. He will be available Monday through Friday from Feb. 8 to Mar. 26th for consultation by appointment only. Those having problems to discuss or seeking assistance may make prior appointments to see Mr. Conad by telephoning the U.S. Consulate General, 269-6601 during office hours.

Mr. Conad will be in the Edmonton area from March 29th through April 9th for consultations with persons in that area. Those wishing to make an appointment should communicate with the U.S. Consulate General in Calgary.

Difference between a poor man and a rich man is that one worries about his next meal while the other worries about his last meal.

## News from Dewberry

Mrs. Harold Craigs spent a ten day vacation in Salmon Arm, B.C. She reports that the snow was six feet deep on the level and in two of the towns she passed through it was twelve feet deep. It was a warm day when she left and the snow was melting. En route she spent four days in Calgary with her daughter June.

Sincere sympathy is extended to the McIver family, formerly of Dewberry, on the passing of their mother, Mrs. Martin McIver, last one month after her husband.

Sincere sympathy is also extended to the Jack Hines family in the sudden passing of their loved one, Mr. Dick Hines.

On Friday there was a shower honoring the new bride Mrs. Wayne Garnier. On the Saturday following the happy couple held a wedding dance in the village hall. They have taken up residence on a farm in this district. Best wishes from all new neighbors and friends for a happy and prosperous life together.

Mrs. Lovie and Mrs. R. Wade were recent week-end visitors at the home of Mr. and Mrs. Evans Garnier.

The members of the Cubs and Scouts held a meeting recently. They are planning a tea, bazaar and bake sale. For further information contact Mrs. Don Wilson.

February 24th will be "Parents' Night" in the Christian Education Hall.

Arthur Redman is presently in Calgary attending the Technical College.

Mrs. George Ewen spent a week in Mayerthorpe at the home of Mr and Mrs. Paul Phillip. She looked after her grandchildren while her daughter Peggy (Mrs. Phillip) was in the hospital.

Mr and Mrs. Martin Craigs and family spent the week-end at the home of Mr and Mrs. V. Craigs.

Nice to hear that Mrs. Ann Bystrom is home once again after her recent illness.

### LADIES SPEIL ENJOYED

The annual ladies' bonspiel was held last weekend. There were only fourteen rinks competing but all reported an enjoyable time. The local ladies put on their own banquet this year, tak ing the form of a smorgasbord. It was a fine gesture on the part of the way they ran the booth for the ladies. They have excellent cooks too, as a number of people were heard saying the hamburgers were the best they had ever tasted.

### BONSPIEL RESULTS

Grande Challenge — 1. Iris Hornberger 2. Constance Elk Point; 3. Ewen, Dewberry, 4. Cotton Tewberry

Second Event — Jones, Iwe bers, Gower Marwayne, Dur kin, Dewberry, Bowman, Dewberry

## Paradise Valley

The Paradise Valley U.C.W. held their annual meeting on December 1st at 2:00 o'clock in the church banquet room, Mrs. J. Gordon, President was in the chair and all officers were present. Mrs. F. Brassington led in devotions, assisted by Mrs. Chas Hall. Executive business was taken care of and the election of officers was as follows: Past President, Mrs. J. Gordon, President, Mrs. F. Krogman, Vice President Mrs. W. McLean, Recording and Corresponding Secretary, Mrs. C. Ball, Treasurer, Mrs. J. Gordon Christian Citizenship and Social Service, Mrs. H. Deweille Community Friendship and Visiting, Mrs. R. Thibodeau, Fin ance Mrs. J. Gordon, Flower Mrs. Day, Literature and Communications Mrs. W. Mc Lean Membership Mrs. F. Brassington, Mrs. V. Craigs, Supplies Mrs. J. Gordon, Press and Publicity Mrs. W. McLean, Pianist Mrs. W. Gunn, Social Functions Mrs. Chas Hall, Group Leadership and Recruiting Mrs. J. Gordon, Supply and Social Assistance Mrs. H. Deweille.

Reports were presented until meeting which was held Jan. 20 at 2 o'clock at the home of Mrs. H. Black. Mrs. Gordon took the chair for the last part of the meeting and read the Presidents and Secretary's report of the work for the year. The reports of Committees were also given and all showed an active and successful year. All business was finished and Mrs. E. Craigens the new president took the chair. The executive meeting planned for Jan. 13th was postponed due to cold weather and bad roads until further notice. The next meeting will be held in the church banquet room on Feb. 2nd with Mrs. J. Gordon as hostess. New members are always welcome.

Congratulations and best wishes to Mr. and Mrs. R. Arthurton nee Ruth Walter who were married in Edmonton recently. A marvellous shower was held in the United Church banquet room for Ruth.

### RECREATION CLUB

The Community Hall was filled to capacity for the Telephone Clinic held on Jan. 14th. Much information was given for the operation of the new dial phones which were installed for use on Sunday, Jan 17th.

World has come from Edmonton that Mr. R. Simard is a patient in the Royal Alex hospital

Third hour Methodist Mary and Martha Holiday. Mrs. Anne Bullock, Mrs. Margaret Burton, Mrs. Doris Wilson, Mrs. Alma Tuey, Mrs. Kay Shattuck; Seated from the left are Mrs. Alec Davis, Mrs. Ina Webb, Mrs. Hetty Richardson and Mrs. Evelyn Hemingway.

Solstice Feb 5th will be Youth Sunday at the United Church. A special invitation is extended to all adults to share this event with the young people.

Mr. A. Purser Mrs. R. Brett Mrs. W. Lavell and Mrs. Wm. Lee attended the U.C.W. Presbyterial (fall) held at Vermilion last week.

One of the earliest books dealing with weeds was written about 300 years ago.

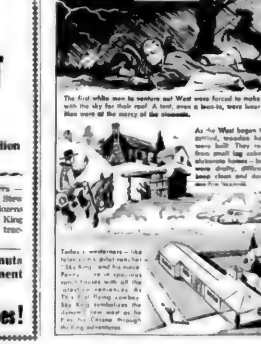
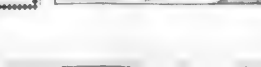
Way Out West.



The first white men to venture out West were forced to make do with the sky for their roof. A tent, even a bed-o, were luxuries. Men were at the mercy of the elements.



As the West began to be settled, Wooden houses were built. They ranged from log cabins to elaborate homes—but all had one thing in common—a deep clean and danger free basement.

# Pioneer Couple Celebrate Golden Anniversary

Mr. and Mrs. Wilmer Hoge, honor of Red Deer, Alberta, celebrated their Golden Wedding Anniversary on Sunday, November 8th in the evening. Held from 1 to 7 p.m.

The bride of fifty years looked charming in her lovely brown ensemble and wore a corsage of yellow and gold roses while the groom wore a white carnation pom-pom from the family.

The assisted couple entered the hall to the strains of The Wedding March played by their granddaughter. The table was covered with a lovely three-tier wedding cake baked by daughter Sadie and iced and decorated in appropriate colors. Beautiful vases of yellow and gold mums and snapdragons adorned the table cloth from the family. Mr. and Mrs. Hoge's daughter, Mrs. Lloyd Jackson of Vermilion, Mrs. Ed. McDonald of Edmonton and Mr. and Mrs. Ed. Hoge of Red Deer.

The guests received from Premier Manning and Lieutenant Governor Percy Page of Alberta.

Out-of-town friends and relatives were Mr. and Mrs. G. A. Logan, Mr. and Mrs. E. Campbell and Mr. and Mrs. R. Logan and family all of Calgary, nephew Bob and Mrs. R. M. Hulse Jackson and family, Lethbridge, sister Isabelle Mr. and Mrs. Hugh Black Jackson and family, Lethbridge, sister-in-law Mrs. Ed. Hoge, Edmonton, Mrs. E. Cook, Mr. and Mrs. Ed. Hoge, Edmonton, Mr. and Mrs. Ed. Hoge, Edmonton, Mr. and Mrs. Ed. Hoge, Edmonton

## Victory Near Over Polio

Polio, an ancient enemy of mankind, has just about vanished from the United States, only 10 years after Salk vaccine opened the way to conquer it.

The U.S. Public Health Service says it is apparent that with a continued effort to vaccinate the yet unreached young people and the newborn babies, we can eliminate poliomyelitis as a public health problem in this country in the near future."

In 1951 there were 37,879 victims of polio in the U.S. of whom 3145 died and nearly 20,000 were left with crippling effects. In 1964, only 121 Americans were stricken. Fewer than 10 died and less than 100 had paralytic after-effects.

Dr. Jonas F. Salk 10 years ago made the first great contribution in the fight against polio with his vaccine. This was buttressed six years later by Dr. Albert Sabin's vaccine.

## Albertans Are Lucky Shoppers Border Hop

Merchants along Saskatchewan's eastern border are chuckling as Manitobans trek over to buy cheaper Saskatchewan cigarettes. For years they have seen their business dollars scampering from "sales tax" Saskatchewan to "no sales tax" Manitoba. Now, with the selective sales taxes introduced in Manitoba last fall, Manitobans find they can save 5c on cigarettes, depending on the size of the package, by crossing the border. And they are buying by the carton and even the case. The only other significant items, at least for free-wheeling shoppers, on which Roblin increased taxes were gasoline and liquor. Thus Saskatchewan residents still going by slipping across into Manitoba to buy TV sets, stoves, clothing. However, many Manitobans who come to Saskatchewan towns for cigarettes are also buying more liquor and gas, and even doing their grocery shopping.

* * *

## Drive Sensibly!

Did you ever try driving the sensible way? Most of you have, but there's always the little groups of show-offs and bullies who can't seem to get it in their heads that taking risks invariably stacks the odds against them They never experience the delight and satisfaction of driving properly, obeying the rules and not trying to out-speed and out-manoeuver everybody else. It's true, you know. There's a lot of comfort and relaxation in driving the right way, signalling, obeying speed limits, staying in the proper lane, giving in to nearly drivers and passing pedestrians. Try it, and you'll never go back to the rat-race style of trying to dominate the scene.

PLAY IT SAFE — Remember this — road traffic is Canada's Number 3 killer. Only cancer and heart disease kill more Canadians than motor traffic. Driving in today's congested, speeding traffic is no round of pleasure, but when the oddballs move into the picture, a motorist could be faced with a loaded gun pointed at his chest. If you drive carefully, also drive defensively — give the nut his way — don't try to educate him then and there. Let him go. He may lead you by a few seconds, but at least you'll stand a much better chance of getting where you're going. Give it a try. You'll like it.

## ST. VALENTINE'S DAY

The symbol of St. Valentine's day is a red heart and this symbol and date have been adopted by the Canadian Heart Foundation for their special day in Heart month

## To Parents of Hearing-Handicapped Children — Please Note

Facilities are available in Ed. Premier for the education of young children. The program begins with pre-school training, progresses on to hard-of-hearing classes in public schools, with the ultimate aim of integrating the child into regular classes. Our nursery school is composed of parents of Hard-of-Hearing children and is mutually beneficial. For further information contact Don Bharel

Provincial Association for Hard-of-Hearing Children, 3020 - 118 A Ave., Edmonton Alberta. 39-33-34

Price of newsprint has gone from $48 a ton in 1913 to $130 in 1963.

From 1957 to 1963 spending on mentally retarded children rose from 0.5 to 13.5 per cent of provincial budget in Canada.

There will be 24 welders and two instructors at each clinic The fee is $3.00 per student Phone or write Lawrence Brown Wainwright, Minburn, Vermilion River and Two Hills Counties. Contact your D.A. or Field Supervisor for further information.

### FARM BUSINESS ORGANIZATION

The District Agriculturists at Vermilion was actively engaged in a training operation eight years ago. This experience left a lasting impression that of all things needed most on the farm was to know how the farm business was doing There was no trouble filling in one tax but there was more than enough trouble for the money the profit arising from the various enterprises. This was especially true when in partnership with two relatives who didn't keep any accounts Consequently, the continual harassment in Green Acres, at meetings, radio, etc. and continued programs in an attempt to assist farmers gain a better knowledge and understanding of their business. This has resulted in 11 farm business groups which have studied management principles, costs, budgeting and accounting. Accountants in this area are now in a limiting factor. Possibly 12 farmers out of the 20 or so already will be able to have their accounts processed. Farmers are capable but they have reasons many do not know what they have or record at the beginning of the year and others are unable to interpret the results of investments that disappeared during the year. Of the many things reported to be for income, the most important is that they make credit easier to obtain and more possible a trip net worth. No one can give a rural net worth unless and without an accounting system.

## 16 Years Ago Today

### FEBRUARY 20th, 1949

J. W. G. Morrison, K.C. who has been mayor of the town of Vermilion continuously for the past 12 years, announced that he will not be a candidate for that office at the forthcoming town elections

Vermilion a lone entry in the Kitscoty bonspiel last week defeated Kitscoty 2 to 1 in the finals. The "mercenary" again proved. The rink is commonly called the "Coca-Cola Kids" and is skipped by Noel Cooper with Wally Antrim 3rd Aldous Kent 2nd, and Harry Fisher lead.

### SKI CLUB ORGANIZED

Monte Hunter was elected president of the newly organized ski club at a meeting held Wednesday. D. J. Martinson is vice president and Beverly Cooper is sec treasurer with Bernice Cooper assistant secretary

Weather Another three Thursday with a cloudy rain

Hansford and Co. are about to open to the farm implement business in Vermilion. The firm will handle the Deering line.

The Vermilion Garage was at last reports in the hands of the creditors.

# NEWS from MARWAYNE

Alvin Swanson went to Red Deer this week to attend the Lockerman's Convention. Mrs. Swanson and children visited with relatives in Edmonton.

Mrs. Saltzberry who has spent the past month and a half with her very good friend Mrs. Holmes has returned to Edmonton and then to her home in Lucombe.

Billy Curtis of Bladster Hat is visiting at home for the balance of his holidays.

Ken Grower has been transferred to the Toronto Dominion Bank at Clandonald.

Mr. and Mrs. D. Mork and daughter have moved to Edmonton.

Home and School card parties will be held in the school on Friday, Feb. 12th and 26th. Whist and cribbage will be played.

Congratulations and good wishes go to Mr. and Mrs. A. Hounch of Streamstown on their golden wedding anniversary on Feb. 10. They are well known here.

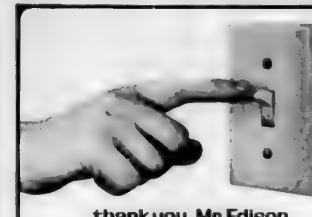
Birthday greetings and good wishes go this Valentine month to Mrs. Ashworth, Feb. 13th, in the Pioneer Ledger; also to Mrs. S. Hayes.

### SPORTS

In the last basketball game of regular league play in Marwayne Friday, Feb. 5th, the Marwayne Whirlwinds defeated the Juvenile boys by maintained their top standing in the northern division by defeating Clandonald 70-34. They have 7 wins and 1 loss. The girls are in 2nd place by a loss to Clandonald 36-32. They have 5 wins and 3 losses. Both teams will compete in the tournament at Vermilion on Feb. 13.

On Monday, 8th inst, the Marwayne Midgets travelled to Lashburn where they won over Lashburn by the score of 9-3. Saturday, 6th, at home the Marwayne midgets tied 2 all with Lloydminster midgets.

The Comets defeated Lloydminster Carpenters 8 to 4 in Marwayne Feb. 6th. The Juveniles were trounced by Dewberry 12 to 1 on Sunday afternoon.



## ...thank you, Mr. Edison

Since Thomas Edison first transformed electricity into light hundreds of electrical servants have been developed. Today we merely flick a switch to light our ways and lighten our work, to cook meals, refrigerate, launder clothes, clean homes, and provide entertainment through radio and television sets. Count the number of times you count on electricity each day and you see why National Electric Week has been set aside as a tribute to Thomas Edison and people the whole world over say "Thank you, Mr. Edison, for your boon to mankind".

## LETTERS TO THE EDITOR

Dear Editor,

At a recent meeting of our local I was instructed to write you regarding a Hog Marketing Board We farmers in this district are concerned at the trend in agriculture during the last few months

This is a mixed farming area. Cattle and hogs provide a market for much of our grain, and the drop in the prices of fall calves is affecting us all. As hogs during the last year the price of hogs has, in our opinion, been far from high, especially as deliveries were relatively light. Recent sales of feeder and weaner hogs are very poor

These factors will undoubtedly have an effect on plans for the spring and may result in a substantial increase in wheat which would heavily be detrimental in view of last week's news. This district is strictly "family farms" and we hope to keep it that way, but with the constant increase in taxes, in machinery prices, in labour costs and in every item of our production, it is doubtful if we can

If farming does not produce as good a living as other work then can we expect our young men to stay on the land?

Surely it is not in the public interest for what are mainly small farms to fall in to the hands of large corporations, some of which may be controlled outside Canada. If a Hog Board such as they have in Ontario was established it would stabilize the market and return to the producer a larger fraction of the consumers' dollar The act as proposed is not satisfactory especially as to the vote

Surely two-thirds of the producers voting should be fair to all This is the usual procedure in other boards

After all if everybody who did not vote at election time were counted as being opposed, I question if we would have a government in Canada during the past 100 years

Hoping that the above will receive sympathetic consideration, I am, on behalf of our 60 farm families,

Yours sincerely,

W. Lloyd Brown,
Irma Local 786 U.F.A.

Successful banking begins with a savings account

Like almost everyone else, you use your local chartered bank as a safe and handy place to build the savings reserve that is so important to your financial future. In doing so, you do more than build a solid foundation for financial plans. You are building a valuable banking relationship and helping to establish your credit. And as you get to know the manager and staff — as you use other banking services to meet personal or business needs — your banking contacts become even more useful to you. And it all starts with a savings account!

THE CHARTERED BANKS SERVING YOUR COMMUNITY

*Through 5,650 branches, all across Canada, the chartered banks bring full-range banking within the reach of everyone.*

# Robson Rink Wins High School 'Spiel

(By Mike Hinton)

On Feb. 6th the second annual J. R. Robson Open Mixed Bonspiel was held. Twenty-five of the original 32 entered rinks leaved the cold and blizzard conditions to participate in the event.

Rinks from as far north as Elk Point and as far south as Paradise Valley took to the ice. The spiel was worked on the 3 point system with each rink curling three games.

### SKIP'S TOP FOUR

First place went to the Shaw rink of J. R. Robson High who emerged with 25½ points out of a possible thirty. The rink consisted of Rick Shaw, Pam King, Rick Young and Linda Webb

Second place went to the Leigh Bond rink from Kitscoty with 24½ points. The Twan Jacula rink of St. Jerome's took third place with 21 points

### WILSON WINS HARD LUCK

Speaking of points, the Bill Wilson rink found they hard to come by and many games were won by three ends. Wilson computed possession of the hard luck prize.

Despite the weather a great time was had by all for curling and great sportsmanship was shown throughout by the students.

# Marauders Finish On Top Southern Basketball League

By DONALD MOREN

The Robson High Marauders completed their regular league basketball schedule last Friday in a winning fashion as both the boys and girls won their games decisively. Despite the near blizzard conditions outside, a crowd of 125 was on hand to see two fine games.

### ROBSON HIGH GIRLS 39, ELK POINT-ESTHER 19

It was sweet revenge for the local girls who had lost to the Border Baronettes earlier in the season by a 26-21 score Up until the fourth quarter the game was close with the Marauders ahead by 2 or 4 points, but in that final quarter two breakaway lay-ups in a row by Mary Williams seemed to break the spirit of the visitors. Both teams showed fine displays on defense but the Marauders gained an edge on better shooting and passing. Spirited play by Barbara Bury of Lloydminster who topped their scoring with 5 points, kept the game exciting and interesting to the crowd. Ellen Oldenbrook put in 7 points and Mary Williams with 6, were the top scorers for the winners.

It was a rewarding finale to the schedule for the Vermilion girls who had started off slowly before Christmas but have won their last four to finish with a 6-2 won-lost record, good for first place and making them the team to beat in the County tournament.

### ROBSON HIGH BOYS 71 LLOYDMINSTER 45

The Marauders boys' victory over the Border Baronettes last Friday surprised no one, as the Vermilion team came up with its usual well polished shooting and fine defensive rebounding. Jeroy Hawnther and Young. Despite their loss the Border Baronettes put on a much improved performance over their first outing with the Marauders Blake Tidsbury popped in 2 points and Gord Hawnther dropped in 13 to lead Marauder scorers George Bissell, Lifford Brown and Jeroy

For the Marauders the victory meant a perfect 8-0 won-lost conference record going into the County tournament and if they play it in like they have all year the championship will be theirs.

### TO COMPETE AT WAINWRIGHT

On Saturday, the Marauders compete in the Wainwright Invitational, and it is there that they are expected to encounter their old rival Balmoral, which was the only team able to defeat the powerful Marauders of 1963-64.

# DEWBERRY

A speedy recovery is wished Mr Frank Bowman and Mr Jim Schreiber who are in the hospital in the University hospital in Edmonton.

Mr Roy Butz is home after his recent operation

The benefit dance put on by the Dewberry Lions Club for the Frank Parr family Friday was quite well attended in spite of the blizzard conditions.

Forty eight ratepayers were present at the Annual School Meeting on Monday Feb. 1.

Congratulations to the Beaupre rink, Jessie Bowman Dora Mead, Mary Axley and Vivian Lively, who won the Grand Challenge in the Clandonald Ladies' Bonspiel

The Bonspiel and R Rawe rinks participated in the Men's spiel in Marwayne this past week.

Neal Jones with E. Jones J. C. Anderson and Phyllis Lively competed in the Mixed Bonspiel held in Lindbrook They won the first prize in the second event

### Thought for the Day

You and I will be "known and read" by everyone we meet today

MR. AND MRS. HAROLD BROWN
— Photo by Wonders of Photocraft

# Pretty January Wedding At Islay United Church

A quiet but very pretty wedding took place in Islay United Church on Saturday, January 9, at 2:00 p.m. when Miss Elaine Hanna became the bride of Mr. Lee Brown and the late Mr. Charles Brown of Islay and Mr. Harold Brown the only son of Mr and Mrs. Jack Hurst, were united in holy matrimony. Rev. Robinson of Kitscoty officiated at the double ring ceremony The bride was given in marriage by her brother Lloyd Hanna of Hazeldine Alta

Mr. Harold Roebuck of Islay, presided at the organ. Mrs. Iris Hodgson of Dewberry sang very beautifully while the signing of the register was taking place

The bride looked charming in a floor length gown of white which featured a full double bell skirt of English lace net and satin. The bodice was very lightly touched with sequins and pearls long lily point sleeves, and small stand-up collar. The short length veil was held in place by a crown of pearls and rhinestones. She carried a bouquet of yellow roses with streamers of yellow rose buds

The bride's attendants were Mrs Norie Barnett sister of the bride as matron of honor. Miss Shirley Dufresne of Lloydminster and Miss Peggy Brown sister of the groom. These dresses were floor length gold and deep yellow velvet with sparkle organza sleeves and overskirts. Head pieces and shoes were of the same color They all carried bouquets of white carnations and white glitter. The groom's attendant was Mr Robert Barnett brother in law of the bride. Mr. Alex Hanna cousin of the groom and Mr Lewis Hanna of Edmonton They were identical suits of black with red ties and red carnation buttonnieres.

Ushers were Mr. Will Dufresne of Lloydminster and Mr. Mike Nowasad of Rapidyla

The mothers of the bride and groom both wore floor length suits of the same shade with deep pink rose corsages and matching accessories

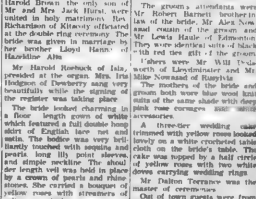
A three-tier wedding cake trimmed with yellow roses looked lovely on a white overlaid table cloth on the bride's table. The cake was topped by a half circle of yellow roses with two white doves carrying wedding rings

Mr. Dalton Fairbairn was the master of ceremonies

Out of town guests were from Edmonton, Hazeldine Dewberry, Marwayne Lloydminster, Forwest Rapidyla, Kitscoty and Vermilion.

For the going away trip to Calgary and Vermon, B.C. the bride wore a suit of beige bouclé and a corsage of dainty red roses with brown accessories

The happy young couple will reside in Edmonton where they are both employed



R. R. WILLIAMS

# New Officer For L.E.R.

The appointment of R. R. Williams (1947) as Superintendent of the Edmonton Division of the Canadian National Railways (CNR) was announced today by W. J. Bennett, CNR vice-president in charge of the Eastern Region.

An officer with the rail line's operating staff since 1947, Mr. Williams succeeds Mr. Bennett in the latter's present position. Mr. Bennett has been selected to represent the CNR at the Coronation and Her Majesty Queen Elizabeth.

A native of Cardiff, Wales, Mr. Williams served with the Royal Air Force during World War II, rising to the rank of Flight Lieutenant. He was active in Air Force Reserve affairs and the north west Indian campaign.

He moved to Edmonton from Calgary after the war and joined the city fire department in 1947. He now holds the rank of Lieutenant with the Edmonton Fire Department.

In value of price tables, the lowest ranks first in Canada's wild life fur production.

## SUNDAY AT THE ALLIANCE CHAPEL

Pastor J. H. Bell spoke at both services in the Alliance Chapel, Sunday Feb. 7th. His sermon titles were "God's Provision for Normal Christian Living" and "The Story of Two Brothers". The morning communion service was held in connection with the morning service.

Musical selections were continued vocally by Mrs. Al. Bell and Mrs. Sorsky and Bette Lou Bell Piano and organ accompaniment for the singing was played by Mrs. J. H. Bell and Mrs. Sorsky.

Immediately after the evening service Pastor Bell assisted by Mr Don Bell showed colored slides of the buildings and compleas at the Canadian Bible College of the Christian and Missionary Alliance Regina Sask. This college has been greatly enlarged in the last five years. Because of greater enrolments, there is a pressing need for further expansion in the early future

Pastor Bell motored to Calgary on Monday, where he attended the Alliance Men's Banquet, a meeting of Alliance Pastors in Alberta and British Columbia. This conference went from Saturday noon to noon. guest speakers were Rev. L. Pepper of New York and Rev E. J. Bailey, Pastor of the Alliance Church Regina, Sask.

The Clan Ismail 4-H Beef Club is sponsoring a dance which will be held in the Columbia Hall in Clandonald, Friday, Feb. 12th. Admission $1.00. Everyone welcome Lunch will be served.

## New Officers of the Vermilion Nurses' Assoc. Take Office

The Vermilion Chapter 26 of A.A.R.N. met in the nurses residence room for the monthly Monday evening which opened with twenty-five nurses repeating the Florence Nightingale Pledge. All were pleased to have Mrs. Nellie McFadden and Miss Joan Stolpera, U. of A. graduate, present.

The reports that were given showed that 1964 had been a very busy and successful year. A vote of thanks was given to the retiring President, Mrs. Edith Waldenberger for her two years in office. The new President, Mrs. Alex Stalinski and Mrs. Alma Teasdale secretary took over their new offices.

Reports were given by Miss Joan McPhee and Mrs. Jean Smet on their research into nursing care and hospital facilities from 1959 to Vermilion and 1919 in Mannville districts. These Alberta archive reports are being put into a book by Mr Tory Chalmers.

Correspondence was read including a letter from Mrs. Ethel Chorley's home

# NEWS from ISLAY

**WHEAT POOL SOCIAL**

Friday Feb. 5 the annual Alberta Wheat Pool social evening was held in the community hall. It was the over-all report of the delegate Mr Bob Gadsby who had attended the convention in Calgary His report most enlightening told of the various group progress of the Alberta Wheat Pool in building as well as handling grain seed etc. The Pool Building in Calgary is a beautiful structure, much of it down the hole and get the ball and then he put in a pole with a flag on it! And that little girl is Karen McLennan.

**WORLD DAY OF PRAYER**

Put a circle around March 5th this year calendar is the "World Day of Prayer. It will be observed in the Islay Knox United Church and all women are invited to attend this service. What Did The Lord Require". The service this year is prepared by a gifted and distinguished American Negro woman, wife of the Rev. Dr Jesse Jai McNeil, pastor of the Metropolitan Baptist Church, Pasadena.

Mrs. Lyle Anson attended the annual Culsor Association meeting ni Calgary during the week-end.

U.C.W. ladies remember the quilting in the church hall Feb. 25th.

Mrs. D. Martin has gone to Calgary to visit her daughter and husband, Mr. and Mrs. Dave Laycock.

Harmless temperature of the sun averages 10,000 degrees Fahrenheit.

## Derwent H. & S. Meet Feb. 17

DERWENT. The Derwent Home & School Association will be holding its regular monthly meeting on Feb 17th in the principles room of the school. After a short business session, there will be shown by Mr Matt Charchun of the Dept of Europe, talent and summer. These slides, along with mementoes shown by Mrs. Charchun, should prove to be most interesting to one and all. Everybody welcome. The next meeting is at Mrs. C. Corley's home

## Mannville Legion W.A. Reviews 1964 Activities

MANNVILLE The Ladies Auxiliary to the Royal Canadian Legion at Mannville had a busy year according to the reports which were made to the Provincial Burial Fund, monies from this fund are used to present qualifying Grade 12 students who are also the children of war veterans with $100.00 bursaries for the further education of their studies also to the Provincial hospital fund and the local library. Funds are also used in the foregoing are: Veterans, McLean's excellent coffee and doughnuts.

**CHILDS COMPETITION OF GOLF**

A certain little five year old girl visited her grandparents over the week-end of course watched TV which was a real treat for her. When she got home in the evening she told what she had seen. "Why daddy, do they call golf golf when a man with a stick knocking a ball around and never is ever right in a gopher hole. He put his hand

**Mannville Klanettes Formulate By-Laws**

The regular monthly meeting of the Klanette Club of Vermilion was held in the Legion Hall January 21st.

It was decided that a bake sale would be held. Mrs. Orville McCleary offered to convene this project.

Proposed by-laws were read to the club by Mrs. Morgan and accepted. The by-laws have now been passed to the Provincial Klanettes Club for their approval.

Mrs. Pat Wolff gave her report on the fashion show which will be held in the spring. Her report showed that while it was doing a good deal of work towards this project. Reports from the various other committees were heard, also letters from our foster child were read.

**CARD OF THANKS**

I wish to express our heartfelt thanks to our friends and neighbors for the many acts of kindness, flowers, fruit baskets, cards and gifts received while I was a patient in the hospital. A very special thank you to Dr. King, the hospital staff and special nurses who took such good care of me.

Jane Kowalchuk

## CLAYSMORE CLIPPINGS

Mr and Mrs. Grant Good attended a wedding at Viking on Saturday. Little Kelly stayed at the Olstad home while her parents were away.

Sunday supper guests at the Warsaw home were Mr and Mrs. John Trath and the RI Killens of Vermilion.

Mr. and Mrs. Russell Van Nest were Sunday supper guests at the Allen Olstad home helping Dougie Olstad celebrate his 8th birthday.

Miss Peggy Hancock was a Sunday visitor at the Good home.

Alice MacKenzie was a recent visitor to Edmonton. Pat MacKenzie of Edmonton was a weekend visitor at the Willes farm

Supper guests at the Good home on Friday, January 29th were Mr and Mrs Allen Olstad. Evening visitors were Harold Jone and Mrs. Bill Barnish and family.

On Sunday, January 31st, Mr. and Mrs Allan Olstad and family and Mr and Mrs George Watling and family were supper guests at the Nelson Tyler home in Edmonton.

Several from this district attended the 25th wedding anniversary for Mr. and Mrs. Eric Lak- rig held in Vermilion recently.

The annual meeting of the Claysmore Community Club was held at the Allen Olstad home on Monday February 1st Now officers are as follows: Mike Woywitka, President Russell Van Nest Vice president, Grant Good, Secretary treasurer. Entertainment committee Steve Warnewitka and Mrs. Martha Radosh

**ENJOY CO-OP BONSPIEL**

A rink comprised of Vern Wilms, Vi Olstad Tim Nelson and Mr. MacKenzie curled in the Co-op bonspiel in Vermilion last Wednesday. They didn't get in the prize but enjoyed the hospitality of the Co-op. It is a real nice way of having members meet one another

Two Willes has been curling in a bonspiel at Lavoy but haven't heard how their rink made out. Although we understand they're in the finals.

Mr. and Mrs. Frank Wagner of Coleville Saskatchewan were over night visitors on Friday at the Jack Wilms home visiting their old neighbors the Alec MacKenzies.

Mr and Mrs. Russell Van Nest were Saturday evening visitors at the Bill Arndt home

**WEDDING ANNOUNCEMENT**

Mr. and Mrs. Donald J. Cooper of Ponoka, announce the marriage of their daughter Bonnie Gaye to Leonard Victor, son of Mr. and Mrs. Metro Daschuk of Endeavour, Sask. The marriage was performed on Feb. 6th, 1965 at 2 p.m. in the Anglican Church.

Mrs. Ted Langridge of Banff and Mrs. Ron Hales of Winnipeg, daughters of Mrs. J. M. Watt, spent several days with their mother. They were here to attend the Golden Anniversary of the Queen Elwin Chapter of the O.E.S. at which time Mrs. Watt was presented with her 50 year pin. She is the only remaining charter member.

Mr. and Mrs. Mike Warawa left on Monday for a ten day sponsored F.I.A. trip to Vancouver and other points on the west coast.

Mrs. Catherine Fyle and Mrs. Betty (Law) Smith, both of Edmonton, were in Vermilion over the week-end to attend the Eastern Star Ball held in the Masonic Temple.

Mrs. Eileen Brewery, R.N., of Edmonton, was a guest at the home of Mr. and Mrs. Lyle Robinson for several days this week.

Miss Glenda Brennan and Miss Sharon Brown of Bezanth, both nurses in-training at the Royal Alex Hospital, Edmonton, were at the home of Glenda's parents, Mr. and Mrs. C. N. Brennan.

Mr. and Mrs. Chas. Upshall, of Mannville, were Mr. and Mrs. Teasdale left on Sunday via CN for Spirit River where they attended the annual meeting of Macleods Limited. Western Division. It is to be held at the Macleod Hotel, Edmonton. Mr. Upshall will be honored at the convention with his 25 - year award.

Friends of Mrs. Nellie McFadden will be pleased to know that she has returned to her home after a lengthy illness that kept her in Edmonton for several months.

Miss Betty Marfleet, student nurse of the University Hospital, is a guest at the home of her aunt, Mrs. Daryl Curruh, this week.

Donation in memory of Jas Edgar Lampert made to the Cancer Society by George and Pat Bootsman

**APPRECIATION**

A thank you to the May teaching staff and community for the lovely gift and corsage we received on presentation day. We would truly appreciate the picture of Prof Pete Which Linton painted. A big thank you also to the Vermilion Credit Union for the use of the van. We were really surprised.

Thanks to all who made such a wonderful evening which we will always remember.

Jack, Nellie and Reg Hurst.

**CARD OF THANKS**

We wish to express our heart felt thanks and appreciation to our many friends and neighbors here and elsewhere for the cards and messages of sympathy the floral tributes, financial gifts and acts of kindness extended to us on the loss of our beloved husband and father

Mr and Mrs W. R Lampert and family

## The Hornadays

By DIANE GILBERTSON R. N.

District Home Economist

Box 519 — Vegreville

**THE VEGREVILLE SEWIST COURSE**

Watch for it! The Annual Vegreville Short Course is coming up very shortly. The dates for the three day short course are 1 March 1st, 16th, and 29th; the times are from 10:45 a.m. to 4:00 p.m.

The first day February 16th, will be a lone session at the Elks Hall for both the ladies and the men. Featured on the day's program will be Dr. G. L. Skoberg, Director of Farm Economics, who will discuss "Family Farm Business Arrangement" and "Transferring the Farm". Mr. J Kosbuta, Local Solicitor, will talk on "Estate Planning", and Mrs. Clark Farm Credit Advisor, will discuss "Farm Machinery Syndicate loans and changes to F.C.C. Act". All homemakers are especially urged to attend the first day of the short course as they hold an important position in farm business today.

Following on Wednesday and Thursday the ladies and men will break up into separate groups. The Clothing Section Report is the meeting place for the homemakers. Much information and many new ideas for improving this business of homemaking are in store for them.

First on the program on Wednesday will be Nancy Zavedisk, Clothing Specialist with the Department of Agriculture. Many homemakers have enjoyed Mrs Zavedisk's talks before and will again this year receive assistance in renovations planned for spring.

Miss Pat Masenluk who many remember as D.H.E. in this area, last spent some time in Vermilion assisting with the Clothing Short Course. Pat is now employed with the Provincial Government in Edmonton.

Weather conditions have been far from ideal in the past few months but comfort can be obtained from thoughts of spring and with it green grass and fresh garden flowers. Mrs. Anne Spidel from Spidel Florists, will give us many new ideas on ways to improve our floral arrangements.

Mr. Stan Neuzen wraps up the topic "Floor Coverings, Types and Care". Whether you are replacing an old carpet or building a new home, the proper choice in floor coverings is essential.

The Men's Program will also be held from 10:45 a.m. - 4:00 p.m. in the Elk's Hall. More information on this is available from Mr. A. Chomlak or at the office.

To plan to attend this year's short course We are sure you will enjoy it!

MARWAYNE — Jack Milne and John Bell were attendants at the Bell - Wallace wedding in Edmonton recently.

A GENERAL MOTORS VALUE

**Multi-stop city driving calls for CHEVROLET**

# workpower

Supt. W. H. Greene, Toronto Carshare, Toronto, Ontario. "We have used pool trucks of various makes for the past 15 years. Nine months ago we put six Chevy-Vans into service and, from our experience with them, we have purchased no more."

"Accurate comparative analysis of our vehicle operation proves Chevy-Vans to be most economical. The six-cylinder engine is really lively with plenty of power. Gas mileage is very good and low given as a substantial saving per unit.

"Maneuverability in city traffic is excellent, resulting in reduced time between calls. Mechanically, Chevy-Vans have proved to be first-class—we have had no failures.

"In summary, I would say that Chevy-Vans are far superior to any units we have previously operated."

Easy operation can point from Chevrolet Dealership—including yours! See your Chevrolet Truck Dealer today.

# New Program Proposed For Agricultural Fairs

The new federal program governing Canadian agricultural fairs limits the number of live stock entries in each class, reduces the number of classes, increases the prize money and revises the capital grants program.

S. S. Graham, Alberta's Extension Director, represented the provincial government at a recent meeting with the Hon. Harry Hays, Federal Minister of Agriculture, on the position of agricultural fairs. He represents fairs at the Ottawa meeting included personnel from provincial and federal governments, breed associations, fair boards and

**UTILITY VALUE STRESSED**

Mr. Graham says the new system is designed to concentrate funds in the utility value of livestock classes and to encourage breeders and spectators to attend and to prove to boards the development of community

**Health Unit Notes**

**SABIN PROGRAMME**

We are pleased to say the turnout of children and adults for Sabin oral vaccine. However feel that the children and other adults of Vermilion and area are not receiving the vaccine as well as we would expect it.

Adults who have had three injections of Salk vaccine are not eligible. We would heartily encourage you to complete this program as soon as possible. The Sabin (oral polio) next January.

**WELL BABY CLINICS**

Monday, Feb. 15 — Blue Quills Health Unit Office: 9:30 to 12 noon; 2 to 4 p.m.

Tuesday, Feb. 16th Wainwright Health Unit Office: 2 to 4 p.m. Ranfurly (School): 11 to 12 noon. Minburn (School): 2 to 3:30 p.m.

Wednesday, Feb. 17 — Kitscoty (School): 2 to 3 p.m. Edgerton (Office): 2 to 4 p.m. Thursday, Feb. 18 — Marwayne (School): 10 to 12 noon; 1 to 3 p.m. Paradise Valley (School): 2 to 3 p.m.

centres which could be used by all segments of the population.

The steer class, instituted for Hereford a last summer on a trial basis at six fairs, was initiated to restore emphasis on utility. The placings were made on the basis of live animal quality and carcass evaluation, including eye of lean measurements. Carcasses were displayed at the show in the form of wholesale cut with the most important criteria being the weight gained per day of age. This made a true assessment of the utility value of the animals possible.

Mr. Graham reports that a number of people attending at the meeting felt that many would-be exhibitors cannot afford to exhibit livestock as the prize money is increased. Prize money has remained fairly steady for the last 30 years but exhibiting costs have greatly increased.

**CLASSES REDUCED**

To remedy this situation the number of classes has been cut from an average of 20 to seven and each exhibitor is restricted to one animal per class. At the five prairie fairs where the pilot project was tested last year, the number of exhibitors increased 40 to 50 per cent in 1965 to 109 in 1964. The average prize money per animal shown rose from $24 in 1963 to $68 last year.

Too many classes and too many exhibits in each class are felt to be the main reasons spectators interest in agricultural fairs has dwindled. Under the new classification, judging will be done much more quickly.

**LIFE INTEREST IN STEER**

On the matter of capital grants, it is felt that the once-in-a-lifetime grant of $100,000 should be changed to a long term low interest or interest free loan. This money could then be used to develop improve and expand community facilities for the entire area. They could be used on a year round basis for skating hockey curling, concerts plays etc.

It is also proposed to offer a pilot project in some areas at fairs for swine and sheep this summer.

**NOT COMPULSORY**

Mr Graham points out that it is not mandatory for any fair to have a public project for the new federal program if the directors prefer the old system.

# News From Allandale

Weather — more snow and lower temperatures, a change on the 6th, a bit above zero.

On Jan 25th Mrs. Ruth Ons tons at Vancouver, Wash., arrived in Vermilion, at the home of her daughter Lurlene. Mr and Mrs. Jack Hobbs and family. Mrs. Ontuess's son, Gerald of Kindersley, Sask., arrived here on the week-end of the 30th. Ruth will return with him to visit the family.

Congratulations to Mrs. Allen Schoonmaker of Ranfurly on winning $90 in a recent radio contest.

Christmas greetings came from Mr and Mrs. Bill Barton — Ann Evans and son David. They reside at Richmond Hill, Ont.

**A Glimpse of Whitehorse, Y.T.**

This frost locked gateway city of the north, the land of the midnight sun, has a population of 8000. The residents hold a carnival, "Sourdough Rendezvous Time" around the first of March. For this grand jamboree, three days and three nights, all shops and offices are closed and men, women and children join in the fun. The men grow whiskers for the occasion, those that don't are fined by a kangaroo court. One of the interesting highlights of the big event is the dog derby for which entries come from all parts of the Yukon. First prize is $200, thus assuring keen competition from the best dog mushers in the country. They usually fly in a dog team, sled and driver all the way from the north outpost of Old Crow near the Arctic Circle. The Beauty Queen contest brings candidates from all parts of the Yukon and the equal of these sentimental favorites would be hard to find anywhere in Canada.

Prizes are offered during the event for the biggest fish caught by ice fishing. Old races, snow shoe races, a mammoth log carnival and a mammoth trade competition on the ice, will be held, the first of its kind ever held in this part of the Yukon. Many other interesting events will take place during the jamboree.

Both in the life being enjoyed very much by Mr. and Mrs. Theodore Throndsen and family who moved to Whitehorse a few years ago.

Closing thought: "Upon books of outstanding merit have a limited circulation. Suppose above all books which have enriched succeeding generations, is the Bible. It has continued to be a universal best seller and it contributes to the deep quest of the human soul."

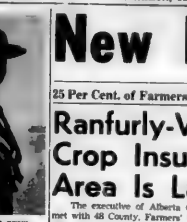
SCOUT DENE COOPER



SCOUT FRANK RENT

# Queen's Scouts In The Making

Pictured above are two members of the First Vermilion Troop of Boy Scouts, who are just about ready to move up from First Class to the Queen's Scout rank.

Members of the Wolf Patrol, both boys have been in the Vermilion Troop for three years. Dene Cooper has 25 badges and Frank Rent has 24.

It is hoped that the boys will have completed all requirements by their Queen's Scout ranks in time to be invested in Red Deer in April.

MORE SCOUT NEWS
On pages two and three of this section of the Standard there is further news of Scouts and Cubs in this area as well as many supporting advertisements from Vermilion and district communities minded business firms.

Through the co-operation of the Scouts and Cub Masters in the district, the Standard has received more pictures of Cubs Packs and Scout Troops as well as stories of some of the boys' activities.

Space limitation prevented the publication of all this material this week, but it is our intention to use further stories and pictures in the weeks ahead.

Sponsored by Agric. Society and C. of C.

Scouts and Cubs of the Three Rivers District are planning to celebrate the 24th consecutive Boy Scout Week in Canada, starting this Sunday, February 21, which is the Sunday closest to the birthday of the founder of the world wide movement, and is known to the Scout movement as Baden Powell Sunday. The observation of National Scout Week includes Church Parades and quite often a Father and Son Banquet during the week.

### CHURCH PARADE IN VERMILION

At least three Scout-Cub organizations in the Three Rivers District are planning special celebrations for the week. Vermilion Scouts and Cubs will hold a Church Parade on Sunday morning at 11:00 o'clock to the Holy Name Roman Catholic Church. Boys who are going to attend their own churches are asked to wear their uniforms. In Dewberry, a special Scout Week program is planned for Wednesday, February 24, while in Myrnam the Cubs will hold a Father and Son Banquet during the week.

Here are the members of the Vermilion Wolf Patrol of Boy Scouts. From left to right they are Patrol Leader Jim McLaughlin, Frank Senz, Dene Cooper, Neil Tidsbury and Mason Stone. Second.

Myrnam Red Six, from left to right, Shaw Bryan Sosnowski, Seconder Dennis Zapernuik, Borden Metrunec, Dennis Metrunec and Douglas Lymkowski. Missing from the picture is Cub Murray Nekolaichuk

## Canadian Scouts To Participate in Overseas Events

Canadian Scouts and Rover Scouts will be thousands of miles away from home when they participate in overseas events in the summer of 1965. Approximately [illegible] Canadian Scouts from Ontario, Quebec and Alberta will be represented. Canada will be the 5th Australian jamboree at Frankston in the name of the Queen's Scout.

At least one scout will attend the European national jamboree in Germany. Hikers and Angkor.

A group of Canadian Scouts will attend at least [illegible] the British national jamboree and a number of Ontario Rover scouts are planning to attend the 5th regular Rover Moot to be held in Sweden in August.

During the same period of time a group will attend the Maple Moot planned for July. Approximately [illegible] Canadian Rover Scouts will attend the Rover Moot.

It is expected that more than [illegible] Canadian Scouts will attend the jamboree. International camp planned for Chats [illegible] Scouts [illegible] Scouts in the World's Fair scheduled in New York City. It is expected that Canadian patrols will participate in this area [illegible] throughout the summer.

## Older Boys' Program In Planning Stage

Some time during 1965 the final and experimental groups of Canada's new program will be [illegible] for older boys aged 14 to 17. The program is expected to be presented several months. The program is the result of the action of the national executive [illegible] and a greater challenge than the program now [illegible] the younger sections.

The council authorized the setting up by the [illegible] formation of this new section of the movement.

Roger Braithwaite, Patrol Leader, stands on the left of this Dewberry Scout patrol. With him from left to right are Arthur Collins, Miles Brett, Roy Braithwaite and David Brown.

# Rural Representation Approved at Annual School Meeting at Vermilion

The policy of having rural representation on the Vermilion local school board, which was inaugurated at the annual meeting one year ago on a trial basis, was unanimously adopted as a policy of the Board. The practise has been found to work exceptionally well, giving the local board invaluable aid and a much broader viewpoint upon which to work. Acting as members of the board since that time have been Mrs. Robert Snelgrove, Mr. Charles Pearman and Mr. Hugh Stewart. It is the intention to add one additional rural member to represent the north for the coming year.

The annual meeting of the... [illegible] ...electors of Vermilion School District No. 1180 was held in the... [illegible] ...library of the J. R. Robson... [illegible] ...Monday, Feb. 8, with a good... [illegible] ...an attendance of 19.

Interesting reports were given by John Meek, chairman of the board; reports A. L. Hobbs, W. F. Stewart and Jack Kindle; and Mr. Harry Stark, school superintendent.

**3 TRUSTEES RE-ELECTED**

The three retiring trustees were re-elected by the board by acclamation. These are C. S. Brenton, Dr. A. R. Anderson and Mrs. Jessie Cummings. Mrs. Cummings has been a member of the board for the Vera Wales and Clear Lake areas for a number of years.

A special appreciation was expressed by Chairman John Meek for the work of the retiring trustees and the services rendered by them to the school district.

**TEXT BOOK RENTAL PLAN**

The text book rental plan which has been in operation in the Vermilion district for the past two years was discussed briefly. A short history of the plan was given by John Meek, chairman of the board. It was pointed out that the plan has been very successful and has been responsible for a great deal of interest being shown by students in their studies. It was also pointed out that the plan has been responsible for a great deal of interest being shown by parents who are not based for university but the school is not big enough to offer all desirable courses.

**INCREASE LIBRARY GRANTS**

The recent increase by the schools education committee in library grants came in for some discussion. It was pointed out that these are now based on the basis of $2.00 per pupil. Thirty-three sets of encyclopedias have been placed in schools in the county.

**TEXT BOOK RENTAL PLAN**

The text book rental plan which has been in operation in the Vermilion district for the past two years was discussed briefly. A short history of the plan was given by John Meek, chairman of the board. It was pointed out that the plan has been very successful and has been responsible for a great deal of interest being shown by parents who are not based for university but the school is not big enough to offer all desirable courses.

**INCREASE LIBRARY GRANTS**

The recent increase by the schools education committee in library grants came in for some discussion. It was pointed out that these are now based on the basis of $2.00 per pupil. Thirty-three sets of encyclopedias have been placed in schools in the county.

**CURRICULUM CHANGES**

Mr. Stark commented on the teacher needs and stated that the people must take a good look at the question of present curriculum. Mr. Stark received a vote of thanks from the meeting for a very interesting survey of school conditions now and proposed for the future.

**REGULAR MEETING HELD**

Following the annual meeting the regular board meeting was held at which the following were appointed:

Chairman, John Meek; Secretary, Lewis Cooper; Auditor, Clark Chapman; Solicitor, Dr. A. R. Anderson; Bonding Company, Canada Bonding Corporation; Bankers, Royal Bank of Canada, Vermilion; Signing Officers, Chairman, River Mr. Mungo Forbes and Secretary-Treasurer, Mr. Harry Stark; Auditors as an audit to member of the Board of Vermilion Municipal Hospital, Mrs. Jessie Cummings and Mr. Hugh Stewart.

The next regular meeting will be held in the J. R. Robson High School on Monday, March 15th.

# Rebekah Lodge Held Installation

Britannia Rebekah Lodge No. 61 recently held a very colorful ceremony of installation when District Deputy President Beryl Stafford installed the following officers for the ensuing year.

Jr. P.N.G., Sister Hazel Coulter; Noble Grand, Sister Mary Vil; Sister Ethel Hodgson, Chaplain, Sister Ruby Samuel; Warden, Sister Marie Martin; Conductress, Sister Alma Cam; Inside Degree Captain, Sister Madge Callin; Miss Sister Addie Dunn; Outside Pd II, Sister Jessie Burns, R.S.N.G., Sister Beth Witherby, L.S.N.G., Sister Annie Cameron, R.S.V.G., Sister Herb Hutton, L.S.V.G., Sister Bessie Coulter; In Guard, Sister Olga Lake; Out Guard, Sister Jessie Stephens; R Sec'y, Sister Ida Cameron; L Sec'y, Sister Vera Carew; Treas, Sister Kay Williams.

Retiring officer was ably assisted by the following Past Noble Grands: Sister Ruby Samuel, Past Noble Grand; Sister Mary Mill, Marie Martin, Deputy Alma Cameron, D. Sister Madge Callin, D. Treas. Jessie Stephens; Inside Guard Alma Carew; Out Guard, Sister Madge Lee; D. Chaplain, Edith Lee.

At the close of installation Chairman Ruby Samuel presented the Gardenettes very sweetly with a gift.

# Krahe Wins at Mannville 'Spiel

MANNVILLE — The Russell Krahe rink from Vermilion won the Grand Challenge at the annual Mannville Bonspiel. Twenty-eight rinks competed from Vermilion, Bellis, Coulee, Minburn, Innisfree and the home club.

A very enjoyable banquet was held Tuesday evening catered to by the Mannville lady curlers.

**THE WINNERS**

First Event — L R Krahe, Vermilion; 2, L. Mann, Mannville; 3, Charlton, Bonspiel; 4 J. Goshko, Mannville.

Second Event — 1, F. Rempel, Bellis; 2, V. Wilson, Vermilion; 3, K. Mann, Mannville; 4 D. Carters, Mannville.

Third Event — 1, C. Larcombe, Mannville; 2, Vermilion; 3, R. Anderson, Innisfree; 4, G. Park, Vermilion.

# Superintendent Hired By Town

Monday night Vermilion Town Council engaged a Superintendent of Public Works in the person of Emil Halvorsen of Tofield, Alberta.

Mr. Halvorsen, who replaces the late Jack Urquhart, is married and the father of five children.

Employed as a Construction Superintendent with Poole Construction Company for the past few years, Mr. Halvorsen begins his new duties with Vermilion on March 1.

# Sports at Marwayne

The Comets had a very hard busy week with three wins in single games and a tournament. At Hillmond Tuesday, the score was 8-1 for the Comets. At Paradise Hill, Wednesday, 9-5. At home on Thursday with Lashburn the visitors 8-5. Saturday the 13th they were winners of the tournament at Paradise Hill.

The Juniors travelled to Kitscoty for a tournament on Sat., Feb 13. The Mites were winners of their competition.

At the Men's Open Bonspiel, Joe Rooks rink of Edgerton won the grand challenge Randy Ewen of Dewberry 2nd event and Burnett Graham of Marwayne the 3rd.

The Marwayne Ladies Curling Club will hold a closed spiel on Sunday, Feb. 21st. This is open to members past curlers, high school girls and new curlers. Six end games will be played and the point system used. There will be a small entry fee and free lunch. Phone your entry to Marwayne 1 or 1808.

The Lion School basketball teams competed in a tournament in Lloydminster Saturday, Feb. 13th. The boys won their first game 31- 11, Kitscoty 49-28 and lost in the semi-final to Lloydminster by the very narrow margin of 2 baskets, 35-31. The girls won over V.A.V.C. 43-25 and lost to Lloydminster 30-11 in the semi finals.

A thank you goes to Vic's Pharmacy, Vermilion, for the donation of a first aid kit and to Rev. R. Mc. Leod, chaplain of the Red Cross for securing a stretcher.

# National Kin Week Now Underway

Vermilion Kinamen Club is in the midst of celebrations started on Saturday and which will end next week.

Highlight of the week's activities is being prepared with all hands working.

# Buys Business

Marshall Jackson wishes to announce he has purchased the Livestock Building operated by Freeman Frech and will continue to operate it as a buying station for Swift Canadian.

# Tigers Enter Prov. Play-offs

Vermilion Tigers have entered the Provincial Intermediates play-offs and meet the Vermilion Tigers on the 23rd and 24th.

The Tigers are strengthening their team with the addition of St. Paul's stop sever Remi Van Brabant, and Bernie O'Neil.

# Old Fashioned Quilting Bee

An old fashioned quilting bee was held recently at the home of Mrs E. Heinemann when a group of ladies gathered to put together a beautiful quilt for donated to the annual afternoon branch of the W.A. Mrs. Zelma Nettleton. The ladies doing the quilting were Mrs. V. Mayfield, Mrs J. Williamson, Mrs. S. Gage, Mrs. G. Goodsell, Mrs. M. Mollineux, Mrs Z. Nettleton, Mrs. E. Heinemann, Mrs. S. Wardrobe.

The finished quilt may be seen in the window of Vermilion Lumber. The ladies of the W.A. have not yet decided how to dispose of the quilt the best way financially for their group. Anyone interested in a very nice home-made quilt please contact any member of St. Saviour's W.A. before spring.

# Majorette Parents' Association Meeting

A meeting of the Majorette Parents' Association was held at the Stadium on Feb 9th with members present. It was decided to charge a fee for the Majorettes to attend the competition at Sherwood Park on Feb 20th.

The Majorettes will be performing at the Bonspiel Curtain and the Kinette Fashion Show.

A doll and wardrobe, donated by the Majorette Corps by Mrs. S. Burnett will be raffled at their spring tea.

# Minor Hockey

BANTAMS — Thursday, Feb. 18th, Civic vs. Legion; Saturday, Feb. 22nd, Lions vs. Civic; Wednesday, Feb. 24th, CCF vs Legion.

**COLOR CODED SHEETS**

Sheets, made by a large textile Canadian company, will soon appear in the store s carrying them on coloured labels to indicate the different sizes of sheets s different colour for each of the nine sizes manufactured by this company. Fitted sheets will be coded with coloured bands and I am sure all of us will welcome this new labelling which will make our task easier when selecting the sheets from the linen closet much easier. Let us hope the other manufacturers who are planning to adopt this colour-coding system will use the same system of colours to indicate size.

And speaking of sheets, a reminder about factors to consider to get a good buy in bed linens

**WHAT NEED YOU KNOW ABOUT WEAVE?**

A closely woven sheet wears and resists soils and wrinkles well. Too tight a weave doesn't let water or air through. Weaves can be recognized by thread count (sum of threads per square inch lengthwise and widthwise). A good practical service weight at minimum cost is one with 172 threads per square inch. This is sometimes referred to as medium muslin. A heavy muslin has 180 to 192 threads per square inch which gives longest wear for money spent. The percale has fewer (181 threads per square inch). It gives excellent service is more expensive light or smoother and softer because the threads are made from carded yarns. It is also combed to remove the short fibres. If the thread count is not indicated on the label take a 1 inch measure and start counting. It will be worth your while.

**HOW TO RECOGNIZE QUALITY SHEETS**

Hems tell the workmanship story. They should be straight, neatly finished with close, even stitches and have closed ends—back stitched to prevent unravelling.

**IS SELVAGE IMPORTANT?**

Very! Good sheets have firm, strong selvedge that is clean and flat without loose untidy threads.

**HOW TO TELL WHEN SHEET IS "FILLED"**

Rub parts of the sheet togeth er or snap the fabric briskly. If it gives off a fine powdery substance appears the sheet is "filled" — the finer it appears, the better quality than it is. The filling washes out in the first laundering.

REMEMBER, price does not always determine quality. The right sheet for the right purpose is your guide here. Select a brand you can count on. All brands total are not equal. Watch the standard for announcement of dates of the games

LETTERS TO THE EDITOR

The Editor
The Vermilion Standard

I would like if you could find space in The Standard for the following. I understand the Town Council is preparing to borrow quite a sum for the purpose of building sidewalks and curb in the business section. The total of this sum to be taken out of general revenue of the town with the result that taxes will go up. It also means that the residential part after being taxed for curb and sidewalk are being taxed to help pay for the same and curb in the business section of the town which I think is very unfair.

There are sections of sidewalks and curbs in the residential section which will have to be rebuilt in the not too distant future and I fail to see the business section helping to pay for that.

There is a class in town, (probably 300 or more) who own their own cattle quite a sum to the average of the town is much more. I wonder if it ever occurred to you gentlemen that there may be some of the pensioners who have a very limited income and any increase in taxes could cause a hardship.

I was pleased to see a letter signed "Pensioner" in regard to the $700.00 which the Council is giving to the Edmonton Journal for advertising purposes, about which I think is ridiculous but then what can you expect from a Council made up principally of business men for they are all ways looking for anything that will help their business.

The Stadium is an example of this and they sure worked hard for it and the people of town in might bring more business to the town. I can't see how it can pay its way for there isn't the population here to support it. There are some of the larger centres who have tried it and have come out in the red. I have a letter from a city in the south part of the province which confirms this.

The vote for the Stadium would never have carried if there hadn't been a government grant for some people have the erroneous idea if they are getting it from the government they are getting something for nothing but they seem to forget they are paying for it through some form of taxation.

The curling rink is an example of this for I have no doubt if there had been a government grant the bylaw would have carried and the town would have been saddled with more debt.

It is possibly true that the time the Stadium was voted on a new skating rink was needed as well that might have been at right but it wouldn't have cost nearly as much and might have been built in a more suitable location.

I think it is about time we had a Taxpayers Association formed to look after the affairs of the general public and not just a section of the town.

I better sign my name as I was accused of being afraid to sign it.

Dave McPhee.

# LOCAL NEWS

Among visitors to Vermilion on the occasion of the 50th anniversary of the Queen Esther Chapter, O.E.S., were Mr. and Mrs. John Cummings of Calgary but who will shortly move to Winnipeg. While here they were guests at Jim's mother Mrs. S. Rogan who received her 25 year pin at the anniversary ceremony.

Mrs. S. Burdett spent several days in Edmonton last week visiting with her daughter and family Mr. and Mrs. D. Young.

Mrs. W. G. Urquhart has returned to her home in Vermilion following a visit of several months in Ontario. While away she was a guest at the homes of her son Doug and family at Port Credit, son Mac in Kingston, and son Jack and Mrs Will Muir of Dundalk.

Mr. Fred Brimacombe, member of the town council, attended the first planning conference held in Red Deer on Monday and Tuesday.

**CARD OF THANKS**

I wish to thank Dr. Kline the matron and staff members of the Vermilion Municipal Hospital also those who sent cards and flowers during my recent illness while I was a patient there. A special thank you to Don Wilson for his help and kindness.

Mrs. Flora Throndson.

**CARD OF THANKS**

It is with sincere gratitude I thank Dr. Kline, the matron and staff for the kindness and care I received while a patient in the Vermilion Hospital. Also to all those who sent cards and flowers, gifts and cards I received, a sincere thank you.

Mrs T. D. Watt

**CARD OF THANKS**

We wish to take this opportunity of thanking all who made our Golden Anniversary such a memorable one. Many thanks for the lovely gifts and cards we received and to those who helped in any way. It is so much a day one we will always remember.

Will and Margaret Fisher
Haraldine, Alberta

**CARD OF THANKS**

I wish to express my heartfelt thanks to friends and neighbors for the many acts of kindness, the flowers cards, fruit baskets and gifts received while I was a patient in the Vermilion Hospital and to those who visited me. A special thanks to Dr. Kline, the nurses and staff of the hospital for the wonderful care I have received.

Naomi Crothers

**IN MEMORIAM**

In loving memory of
**IAN CLARKE**
who passed away Feb. 12, 1965
"A page in book of memories
Is gently turned today"
Ever remembered by
Mary, Albert and family.

**IN MEMORIAM**

In loving memory of
**BETTY MILNE MARJERRIE SMITH**
who passed away Feb. 13, 1960
"We wish today, as we wished before
That God could have stayed
A little more
You left us so suddenly, your
Place is still unfilled
But your left us a memory we
Are proud to own."
—Always remembered by Mum, Dad, Sisters and Brothers.

**IN MEMORIAM**

In fond and ever loving memory of my dear daughter
**EILEEN**
"Thou do we walk with her, and keep unbroken
The bond which nature gives,
Thinking that our remembrance, though unspoken,
May reach her where she lives."
Lovingly remembered by Mother, sisters and brother

**IN MEMORIAM**

In loving memory of
**IAN CLARKE**
and
**BETTY SMITH**
who passed away Feb. 12th and Feb 13th, 1960.
"It does not need a special day
To bring them to our mind,
For they are without a thought of them
Are hard to find."
Ever remembered and sadly missed by sister Pat Lou and Lloyd.

**IN MEMORIAM**

In loving memory of our dear daughter and sister
**MRS. LENA CATLIN**
who passed away Feb. 16 1960 at the age of 19 years.
How little we know when a service that morning
The sorrow the day would bring
For the call was sudden and death came
In answer
To part with one we loved so dear."
Ever remembered by loving father, mother, Doris and Elsie, family, Innisfree and friends.

## News from Clandonald

Our weather is most uncertain, uncontrollable and questionable. Sometimes it is unpleasant and almost unspeakable. At time of writing we have just experienced another brain-quiet, unhoisted and uncivilized snowstorm.

**CURLING HIGHLIGHTS**

Curling seems the highlight of our news, despite the unruly, no south and unsettled weather. This week's draw schedule has Marwayne's Jim Watson vs Clyde Mann at Hendricks. In a fun match on Tuesday, Bill Sperrin's rink went a mile little farther but didn't make the prizes.

**LADIES' SPIEL HELD**

The ladies' bonspiel started on Feb. 9th with fifteen rinks participating. The Grand Challenge Trophy was again won by Louise Ingram and her three maidens Dorothy, second went to Helen Wilson, third to Marwayne and fourth prizes were won by two of our own rinks skipped by Mrs. Chapas and Ethel Ingram. Several event prizes were also presented.

This week's draw schedule has Marwayne's Jim Watson vs Clyde Mann at Hendricks. In a fun match on Tuesday, Bill Sperrin's rink went a mile little farther but didn't make the prizes.

**SMILE**

You need a background of at least ten years of happy marriage before you can laugh at the story of the couple who, on their golden wedding anniversary, were interviewed by a reporter. And a bell rang. He asked them what in all this time together did you enjoy most? Wife replied, "Oh no, not divorce" the little maid lads and but sometimes she paused and smiled at her husband "murder!"

**CURLING**

Mrs. Lawrence Ingram has been named to the Coronation Ball Committee. Mrs. Ingram is the wife of Mr. Hall Ingram, well known Clandonald resident.

Mrs. Lawrence Ingram has been named to the Coronation Ball Committee. Mrs. Ingram is the wife of Mr. Hall Ingram, well known Clandonald resident.

Congratulations to Mr. and Mrs. Hall Ingram on the birth of a baby girl.

A miscellaneous shower was attended Saturday evening in honor of Miss Marie Bertrand Le Bard who is expected to marry Mr. Ed Bouchon on February 20th.

**BANK STAFF ON THE MOVE**

Kenneth Cooper has been transferred from the Commercial Bank at Marwayne to the bank staff at Vermilion.

Frances Lore has been transferred from the Coronation bank to a TD bank in Edmonton.

Congratulations to Mr. and Mrs. Hall Ingram on the birth of a baby girl.

A miscellaneous shower was attended Saturday evening in honor of Miss Marie Bertrand Le Bard who is expected to marry Mr. Ed Bouchon on February 20th.

## OUR NEW FLAG

Now that we have a new distinctive Canadian Flag, let us with mind and heart accept it as such. We all loved the Canadian Ensign and the Union Jack and we can continue holding both those flags in highest regard. We must, however, learn to accept the fact that we have now a new flag, "a distinctive Canadian flag" which completely displaces in priority all other flags within Canada. For those of us who are a little older, it may perhaps take a little longer to "learn to accept" the new flag, but nothing will be accomplished by taking an anti attitude to it and continuing that way.

The Parliament of Canada voted two to one in favor of the new flag. There can be little doubt but that the great majority of Canadians of all parties were pleased that the new flag legislation was finally passed.

Many citizens have always been devotees of the Union Jack and the Canadian Ensign. They will continue to admire both flags because of all they have stood for. Notwithstanding, should be prepared to accept the flag, finally passed and adopted by the Parliament of Canada.

* * *

## Waste Volunteer Effort By Spreading Too Thin

There is a well-known adage that goes "Jack of all trades and master of none."

The same can be said of large numbers of volunteer workers who belong to many organizations, spread themselves too thinly and are of little real value to any of the organizations. Dr. Benjamin Schlesinger, assistant professor of social work at the University of Toronto, told women in Hamilton:

When we do give service, it must be service which has a meaning. Stuffing envelopes is not volunteering. Volunteers feel themselves into thinking they are doing good, but really they're just running around from welfare agency to welfare agency trying to obtain status."

It is the contention of Prof. Schlesinger that volunteers should join no more than two organizations and devote as much time as they can to them.

## 16 Years Ago Today

FEB. 17th, 1949

Last November the four patrols of the Vermilion Troop of Boy Scouts became an inseparable unit and remained so until the end of January. The prize awarded, including hotel and train to Edmonton on Friday, Feb. 11th was for Fitness and Personal Appearance. Personnel of the Eagle patrol are Ronald Hugh Wilkinson (leader), Hugh Wilkinson, Bob Hughes, Ronald Hall, Frederick Mackenzie.

Mrs. Alexander Le Bard and son Bernard left on Tuesday for Edmonton where they will visit relatives.

Mrs. Ed Mackenzie and Mrs. Mel Hall were hostesses at a miscellaneous shower held at the home of Mrs. Hall on Monday evening in honor of Miss Marie Bertrand Le Bard.

Mrs. Lawrence Ingram has been named to the Coronation Ball Committee. Mrs. Ingram is the wife of Mr. Hall Ingram, well known Clandonald resident.

Mrs. Lawrence Ingram has been named to the Coronation Ball Committee. Mrs. Ingram is the wife of Mr. Hall Ingram, well known Clandonald resident.

## 32 Years Ago Today

FEB. 10th, 1933

The rink of Vermilion curlers skipped by Dr. Hall defeated Lord C. Lane, Al Bennett and Harold Mahon of a rink south of the Edmonton Farmers reached a record $1.6 barrels last week, according to Editor Cameron of the Unity Times. Canada Packers at Unity.

Advertised in M. Weiner and Son's store were curling brooms for 50c.

## Sunday At Alliance Chapel

## News From ISLAY

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

**COWS AND VITAMIN A**

Normally cattle receive sufficient vitamin A from good pasture and good winter forage. A pregnant cow requires a basic minimum of 30,000 I.U. vitamin A per day and 40,000 I.U. during the two months prior to calving. There are many ways to assure that the cow has this vitamin A, e.g. injection, drinking water, protein pellets, vitamin A concentrate and good forage. Probably the cheapest source of vitamin A and good winter ration is to have a good supply of high quality silage on hand. Of the 32 silage feed samples tested this winter most of them are high in carotene from which a cow may derive vitamin A. Ranchers in southern Alberta are purchasing vitamin A concentrate and limiting the intake by mixing it with salt or mineral. This mixture must be kept fresh. Stabilized vitamin A is good for only a few days when mixed with salt or mineral. The cattle must have free access to water when offered vitamin A or they will refuse mineral mixture. Carotene in silage is destroyed in salt or mineral mixtures.

**APOLOGIES**

The District Agriculturists working out of Vermilion would like to apologize for the many times they have been out when farmers called. Our available staff has been limited by handling the Two Hills area this winter. The limitation has been further aggravated by the opening of a four year campaign of bookkeeping coming to a head. Farmers who have been keeping accounts were offered and a large number accepted the opportunity to have their business analyzed. These people are scattered throughout the whole area and require considerable farm visiting. These people asking for this service

## Tigers Lose in Battle For Play-off Spot

Vermilion Tigers battled gamely against the top rung Vegreville Rangers on Saturday night but came out on the short end of an 8-6 count to see their last chance of making a play-off spot in the 3-A.H.L. go glimmering. Given two breaks or two, the Tigers could well have skated off with the two vital points, but the breaks didn't come. Their goals were of the hard-earned variety and they couldn't get enough of them against the high riding Rangers. They did enjoy a short lead in the second when they came from behind a 2-0 deficit and climbed into a 43 lead. It was short lived and the Rangers came back with four in a row to clinch the game.

## Vermilion Rotary Club Plans Annual Ice Carnival

Plans are underway for the annual Rotary Ice Carnival which will be held on the Vermilion Memorial Arena on Saturday, March 6th. Chairman for the event is Phyllis Mercer, assisted by Mrs. Ken Hall. Mrs. Mercer has announced that the theme for the carnival will be announced at a later date. Rotarians are busy making plans for the event which promises to be a big one.

## Honored On 30th Anniversary

## Blood Donor Clinic Date Set, April 21

Advice has been received from Red Cross Headquarters, Edmonton that April 21st has been arranged for a blood donor clinic at Vermilion.

It will be remembered that last April citizens of Vermilion and district gave 377 pints of blood. The Red Cross committee in Edmonton commended the Field Marshal Alexander Branch here for the splendid support it has exhibited in organizing blood donor campaigns. It is hoped that this year the record will be broken again.

Your canvasser, the door-to-door canvass announced himself as "We don't want your money, just your blood."

The Legion appreciates the help given by

## Legion To Sponsor 151st Veteran Assn.

At a recent meeting of the Field Marshal Alexander Branch No. [illegible] Canada Legion it was announced that Vermilion would sponsor a re-union of the 151st Battalion C.E.F. World War I.

The 151st Battalion was recruited mainly in the area from Vegreville to Lloydminster and included Wainwright and Vermilion. Headquarters for the battalion was at Vegreville.

Lt. Col. McK. Hughes, formerly of the 151st C. Hughes now lives at Parkhurst, Ont. He is mainly interested in forming the Veterans' Association.

What is wanted now are the names of former members of the 151st so that a list of names can be made up in preparation for a re-union of old comrades. It is proposed to call a meeting in about two months.

It is noted that 151st men were to E. H. Bockenhaen, Vermilion, mentioning the names and addresses of all members of this battalion

| MANNVILLE ORANGE HALL | Tuesday, Feb. 23rd — 2:00 p.m. |
| VERMILION AGRICULTURAL & VOCATIONAL COLLEGE | Tuesday, Feb. 23rd — 8:00 p.m. |

All farmers in this area are urged to attend these important meetings.

## NOTICE OF Annual Meeting

PUBLIC NOTICE is hereby given that a meeting of the electors of the Town of Vermilion will be held in the Elks Hall on Monday, the 22nd day of February, 1965, at 8:00 o'clock p.m. for the purpose of receiving the report of the Mayor, Secretary-Treasurer, Auditor and Chairmen of the various committees of Council for the year ending December Thirty-first, 1964.

Details of the 1965 construction program relating to paving, curb and gutter, storm sewer and curbs will be explained at this meeting in connection with by-law No. 145.

DATED at Vermilion this 15th day of February, A.D. 1965.

D.E.R. MITCHELL
Secretary-Treasurer

**Exercise To Help Your Heart**

When you do no exercise, a portion of your blood tends to accumulate in the veins of your legs. Eventually this accumulation causes aches, pains, swelling and, in severe cases, leads to varicose veins.

You don't have to be an athlete to improve your circulatory system. Moderate exercise each day helps take a load off your heart. Your physician will advise how much you need.

**TREDGER DRUG LIMITED**

STORE HOURS - 9:00 a.m. - 9:00 p.m.
Monday through Saturday
MAIL ORDERS PROMPTLY SENT
ELK POINT — ALBERTA

## No Legislation For Slow Drivers

The Hon. Gordon I. Taylor speed is a reasonable speed ... over 50 mph.

Minister of Highways has stated that he had no intention of proposing legislation at the forth coming session of the legislature to make slow driving an offence. he denied that he had ever said such legislation would be introduced. He did say that he planned ... propose an amendment to the existing law making it an offence to impede ... or block traffic.

For example under present legislation if a driver of a car ... ride operates at 10 or 15 mph on a 60 mph two lane highway. It is not long before there is a line of traffic behind him. In such a case a police officer may ask the driver to pull over to the side until the traffic clears ... or alternatively increase ... speed.

Mr. Taylor said ... suppose ... legislation ... make it an offence ... a person to ... a speed above ... miles ... either speed up or pull over ... the road forward. A very ... alternative ... consideration and amendments ... legislation ... plans.

Mr. Taylor said ... he would be against ... law to ... drivers from using ... roads ... but he was ... to be ... agree that ... is altogether ... drivers from using ... roads ... consider I am ... reasonable ... would be against ... law to ... drivers from ... roads ... such a law would be unfair ...

## Pretty Winter Wedding At United Church

Deanna Currie eldest daughter of Mr and Mrs. Duncan Currie of Vermilion became the bride on Saturday, Feb. 6th, of William Nicholas Hogg, eldest son of Mr and Mrs. Paul Hogg of Wetaskiwin. Although in a double ring ceremony in the First United Church at 1.00 o'clock p.m. on November 14th, 1964.

The bride, given in marriage by her father was radiant in a lovely short dress of white velvet. Her shoulder length bouffant veil was held in place by a tiara of crystal. She carried a bouquet of red roses.

The bridesmaids were Mrs. Myrna King of Vermilion Miss Dianne Hogg, sister of the groom and Miss Teresa Currie sister of the bride. They were identical dresses of red velvet and carried bouquets of white carnations with tiny red flowers. Matching red velvet head bands completed their ensembles.

Best man was Walter Guest and Lyle Pollard of Edmonton acted as ushers. The guests were Lyle Currie brother of the bride, and Ray Rabbitaye of Edmonton.

For her daughter's wedding Mrs. Currie chose a turquoise dress with white accessories. The groom's mother chose a pink dress with white accessories. The mothers wore identical corsages of red roses.

Mrs. Harry Warfleet grand mother of the bride, wore a plum colored suit, a single rosin of oranges and browns completed her ensemble. Organist for ceremony was Mr Jack Revern and soloist was Mr John Webb.

A reception was held at the Legion Hall following the ceremony.

Mrs. Neil MacLean aided the blessing while Mr Keith Mac... fiven, cousin of the bride, was master of ceremonies.

The toast to the bride was given by her uncle Mr. Gilbert Harrison and fittingly replied to by the groom. Miss Jean Trevor, sister of the groom, was in charge of the guest book.

For her going away outfit, Deanna chose a three piece wool suit of brown and white complete with white accessories. The corsage was of cream roses.

Following a short honeymoon the happy couple are now residing in Edmonton

Out of town guests were from Wetaskiwin, Edmonton, Dapp, Port Assiniboine, and Spruce Groves.

A dance was held the following Saturday, Nov. 21st, at Dapp, Alberta with good music

## Generous Donations By Civil Service

Miss Maria Meffert, Secretary of the Alberta Civil Service Welfare Fund Committee, has announced a number of grants made from the Civil Service Welfare Fund to the following charitable organizations: The Salvation Army $2,500.00; The Canadian Heart Fund, $600.00; Girl Guides of Canada (Alberta Council) $1,620.0...

The Alberta Civil Service Welfare Fund is maintained by contributions from all employees of the provincial government and, since 1941, a total of $1,315,000 has been granted to charitable organizations.

JACK KERNS

## Former V. S. A. Teacher Appointed Strathcona D.A.

Jack Kerns, a Penoka and area agricultural District Agriculturist, has been appointed District Agriculturist at Vermilion where he was a member of the A.A.V.I. staff for a number of years.

Mr. Kerns is the son of Mr. Harry E. Kerns, District Agriculturist at Vermilion. Mr. Kerns' transfer will be effective here on Feb.

Mr. Kerns is well known as an Ag. Rep. in Alberta. His experience in the livestock industry, in particular, should be a great asset in his new position.

In 1955 he graduated from the University of Alberta with his Bachelor of Science in Agriculture. After graduation he farmed for seven years and did part time work as an Ag. Rep. assistant. He worked under the Field Crops Branch and later with the Extension Service, Provincial Youth Training Schools. He was appointed District Agriculturist at Camrose where he served for five years. He was transferred to Vermilion in 1961.

Mr. Kerns has had experience and intimate knowledge in a wide range of Agricultural subjects. This makes him professionally well qualified. He and his family will make their home in Edmonton shortly.

Mrs. Cave accompanied her granddaughter from Edmonton to visit over the week-end at the Williams' home

Mr. and Mrs. Playne have their two grandchildren visiting for a few days while their parents, Mr. and Mrs. V. Smith, are attending a wedding in Saskatoon.

We are pleased to report Mrs. Robinson is home from the hospital and feeling better after an attack of virus pneumonia.

David Jackson is doing chores at the Warawa home while the latter is away at the west coast.

Fred Playne was a guest for supper Sunday of the home of the writer

After spending a few days in her daughter's home, Mrs. H. Monaghan has returned to Edmonton

Lavina Sperberg and Darlene Clarke braved the cold weather and rode bicycles on Sunday to visit Beverly Sherwood.

Many happy returns of the day to David Pierman who celebrated his 10th birthday on the 13th.

Mr. and Mrs. M. Maleki and family were visitors Sunday at the home of Mr. and Mrs. J. Rapp.

## APPRECIATION

During the drapping open hosts of Kevelmen's to recover the body of the late Darrel Dwight Wright with was recently left throughout the area. The men assisted the instructive agency operations in all and helped in so many ways. The RCMP officers were on the continuously and spared no effort in the search and later brought in their heavy dredging equipment immediately. Grave note was ordered and picked up by Cpl. Seitz from Dauphin and the RCMP. McLennan, Ross and Bruce Machine Shop made many drag hooks.

All of this procedure cost a great deal and appreciation is expressed to the Town of Vermilion taking over all the rope and drag hooks and now have these available in case of any emergencies of this nature and Ashley Cooper our M.L.A. whose efforts resulted in having all expenses paid by the Provincial Dept. of the Attorney General's.

To all who helped in so many ways sincere thanks from the organizers.

# Dewberry News

Mr. Ken McLean and Mr. Frank McLean visited home from the coast where they attended the funeral of their father.

Mr. and Mrs. Glen Gardhouse have left on a holiday to Texas and other parts of the U.S.

Congratulations are extended to Mr. and Mrs. Clarence Isert on the birth of their son Feb. 8.

Mr. and Mrs. Walter Pariser were in Edmonton last week renewing medical friendships.

Get well wishes are extended to Mr. Wilfred Petrie who is a patient in the University Hospital in Edmonton. Mrs. Petrie is staying in Edmonton with husband is in the hospital.

An organization meeting for Glen L. was held in the hall Wednesday night. Officers for the coming year are: President, Mrs. Sandy Dawn. Secretary, Mrs. Floyd Caton. 1st Vice-President, Mrs. Vic Nelson. Tail Twister, Mrs. Johnny Anderson. The remaining officers will be elected at the next meeting.

Wishes for complete recoveries are extended to Mr. Frank Bowman who underwent an operation in the University Hospital, Edmonton this week. Mr. Ross Bowman and Mr. Jim Strome, also patients in the University Hospital and Mrs. Elizabeth Rainey in the Lloydminster Hospital.

## No Increase In University Fees

The Board of Governors of the University of Alberta recently announced that [illegible] against any increase in fees for the coming year. [illegible] undergraduate and professional Faculties and Schools. The Board also [illegible] report of the Gordon Commission on Financing Higher Education and the views being expressed by the Canadian Union of Students on the need for a national system of income and expenditure will be available before [illegible] comes up for consideration next year.

However effective July 1 1965 there will be an increase in fees for certain other categories of students at the University.

Fees for Summer Session Evening Credit Program and part time students will be increased by $20 to a total of $100 per course. Summer Session fees may be reduced by $5 per annum if [illegible] registration is completed by April 1.

Fees for graduate students will be increased by $65 to $390 a year for tuition plus $10 for registration bringing the total to $400 with appropriate adjustments in special cases where applicable.

The changes will apply to both the Edmonton and Calgary campuses.

## Grants Not From General Revenue

Some concern has been expressed in retired folks that grants were being paid to the Chamber of Commerce, other eligible organizations and for publicity purposes, from general revenue. In other words that it was being paid from taxes paid by everyone alike. This is not so. Provision is made for the payment of grants and for promotional projects by a one mill additional charge on the business tax. This business tax is on business property only, and is thus paid entirely by the business interests of the town.

* * *

## The Equality Of Man

This year, it is being observed during the week of February 21-28. This admirable and idealistic promotion is sponsored by the Canadian Council of Christians and Jews.

It has become trite to lament that the spirit engendered during the week does not prevail all the month. To reduce it to this, that for fifty-one weeks we are free to indulge our prejudices, our blind hatreds, born of ignorance and fear — or bigotries and that only for one noble week is man urged to treat his fellowman as a brother as fellowmen. The work of the Council goes on all the year round, but with its spotlight turned to a mark on the calendar, an interval to preaching and in which leaders in the spreading work for greater understanding between all Canadians seek to publicize the Council's principles.

The gentleness of man cannot be roused in one week or on a lifetime. All we may hope for is that through this year's reminder and in the virtue of the work which interveneth we shall be inspired to greater tolerance between Jew and Christian, Christian and Jew, between men of white skins and those whose skins are red, or black or yellow, between people of different tongues and people of diverse religions may shrink a little. We may hope indeed, we must hope . . . that in time these evil enemies will be dispelled, as more and more it is accepted that under God all men are equal.

BROTHERHOOD FOR PEACE AND FREEDOM
Believe It! Live It! Support It!

## Order Seed Now

Alberta Department of Agriculture officials strongly advise farmers who are going to need seed oats or barley this spring to place their orders as soon as possible.

If seed supplies are not booked early, many farmers may not be able to get good seed because of the shortage which exists in many areas of the province this year.

* * *

## Rabies Precautions — This Area Danger Point

Alberta residents along the Saskatchewan border are requested to report any suspected cases of rabies in skunks or other animals immediately. Reports should be made to a veterinarian, Fish and Wildlife officer, Pest Control officer or Federal Health of Animals' officers at Medicine Hat, Brooks, Drumheller or Vermilion.

Dr. E. E. Ballantyne, Chairman of the Central Rabies Control Committee reports that rabies has already spread half way across Saskatchewan north of the Trans-Canada Highway and is expected to reach Alberta any time within the next three years.

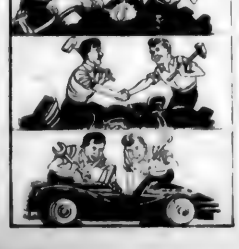
Container depots for shipping suspected rabid specimens are being set up at Cypress Hills Provincial Park at Elkwater, the Fish and Wildlife offices at Medicine Hat and Brooks, Special Area offices at Hanna, Oyen, Youngstown and Consort and with the Pest Control officers on rat control at Acadia Valley, Provost and Chauvin.

According to Dr. Ballantyne, a rabid skunk is quite friendly during the early stages of the disease in contrast to a normal skunk which is highly nervous and avoids when interfered with. A furiously rabid skunk is definitely on the offensive but 90 per cent of the time it will not raise its tail or sweat. Rabid skunks cannot see well to the side and in the final stage of the disease may become totally blind.

Although rabid skunks seem to have a great affinity for cats, young dogs and cattle are the most susceptible to skunk bites. Cattle being naturally curious often investigate a skunk with their nose and get bitten.

Health of Animals veterinarians will investigate suspected cases of rabies in domestic animals such as dogs, cats, cattle etc. Tying up a dog which is suspected of having rabies for two weeks and reporting its condition to a veterinarian is the quickest way of getting an accurate diagnosis. This is especially important when a person has been bitten and the medical officer is not sure whether or not to treat him for rabies.

Animals suspected of having rabies which have to be killed should not be shot in the head, says Dr. Ballantyne, because the brain is used for diagnostic purposes.



## GREEN ACRES

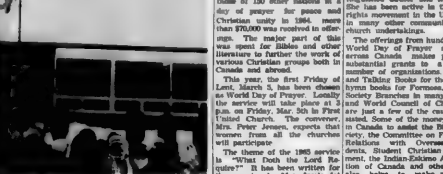
By H. MORLEY DOUGLAS
District Agriculturist

### HAY VERSUS SILAGE

The method of preservation known as hay versus silage is always an important subject. Whether the crop is made in hay silage stacked or fenced is never bet ter than when standing in the field. The starting point of good hay or silage is the standing crop. Bigger yields and better quality should result in more beef per acre. Consequently, it is suggested that a farm operator should choose a crop and fertilize at such a level to secure the greatest yield for the least per ton cost of production. For a number of years we have known how to double the production but in those days the market would not pay enough for beef to make it profitable. The losers of late years are the farmers who have been using fertilizer but not applying enough to get the most out of it. Today's better beef prices are tremendous and should stimulate the use of fertilizer as well. Probably the most expensive animal item in a ranch ration is the protein supplement. Probably the most expensive animal item in a ranch ration is the protein supplement. Probably the most expensive animal item in a ranch ration is the protein supplement

## HAIL . . . AND . . . FAREWELL!

Vermilion citizens took part in the raising of the new Canadian flag on Feb. 15th. Here the new flag is being raised by Army Cadets Sgt. Herbert and Cpl. Currie. The Cadets are shown on parade, with a large number of school children in the foreground. —*A Standard News Photo*



In this picture the well-loved Red Ensign is being slowly lowered by S. Sgt. Garnett and Cpl. Kaiser of the Army Cadets. It was replaced soon after by the new flag for Canada. —*A Standard News Photo*

## World Day Of Prayer At Vermilion March 5th

When Canadian women joined those of 150 other nations in a day of prayer for peace and Christian unity in 1964, more than $70,000 was received in offerings. The major part of this was spent for Bibles and other literature to further the work of various Christian groups both in Canada and abroad.

This year, the first Friday in Lent, March 5, has been chosen as World Day of Prayer. Locally the service will take place at 3 p.m. on Friday, Mar. 5th in First United Church. The convener, Mrs. Peter Jensen, expects that women from all the churches will participate.

The theme of the 1965 service is "What Doth the Lord Require?" It has been written for the occasion by Mrs. Jessie Jaffe McNeil of Pasadena, Calif., the first woman to receive the citation of Layman of the Year" from the Detroit Council of Churches. A trained sociologist, Mrs. McNeil is the wife of a distinguished author and minister. She has been active in the civil rights movement in the U.S. and in many other community and church undertakings.

The offerings from hundreds of World Day of Prayer services across Canada makes possible substantial grants to a large number of organizations. Braille and Talking Books for the blind, hymn books for Formosa, Bible Society Branches in many lands, and World Council of Churches are just a few of the causes assisted. Some of the money stays in Canada to assist the Bible Society, the Committee on Friendly Relations with Overseas Students, Student Christian Movement, the Indian-Eskimo Association of Canada and others. It also helps to make possible Bible for New Canadians and the printing and distribution of Christian literature in French, Finnish, Ukrainian, Hungarian and Italian languages.

## Bob Cats Sink Bonnyville . . . Barrhead Next

Vermilion's Juvenile Bob Cats moved one step closer to a provincial title Tuesday night when they downed Bonnyville by a score of 5 to 2 while completing with a 16 to 8 victory in Bonnyville on Friday night to win in the round 11 to 10.

Several hockey fans in Tuesday's game Darwin Heemann with 2 time on ice, Ron Shave, Bill Wilson and Barry Walsh with one each.

The hard round of the playoffs will begin Vermilion up against Barrhead next

Mr Muir is the grandson of Mr and Mrs Kitching. Mrs Muir is the daughter of Mr and Mrs Allan Hopwood who reside in Calgary.

A call was received by the Paradise Valley Fire Department on Monday, Feb. 15 at 2:30 p.m. to extinguish a fire at the home of Mr and Mrs Ernest Hopwood. Damage was estimated at $100.

Mr and Mrs Jo McMullen had purchased the Providence Retreat and at Dunstable last Wednesday. Congratulations to Miss Clara Maddox Kitching, and James Muir, friends and neighbors of long standing. Miss Muir is the grandda

# Reading Institute Is Planned For Teachers At Kitscoty

This Friday, Feb. 26th, teachers of country schools and of independent school districts in the area will meet at Kitscoty to participate in a Reading Institute sponsored by the School Committee of the County of Vermilion River.

Guest speakers for the morning session will be Mr. Patrick MacQuillan, Elementary School Supervisor for the Edmonton Separate School Area, and Mrs. Lois McLaren, Teacher-Librarian of the Bowden Secondary School.

The afternoon will be given over to reports and workshop sessions related to professional development projects carried out by members of the Vermilion Intermediate Services who have become actively involved this year. The Marwayne teaching personnel for the Glen Allen School staff and Lake Pandera Colony schools will also present their activities. The Paradise Valley school has been interested in applying techniques for teaching spelling to the reading development program. The staff of the Vermilion Intermediate Services will become involved to a greater extent next year.

Larsen subject will be Unitization of School Libraries.

## Five Points W. I.

MANNVILLE — Five Point W.I. met at the home of Mrs. Elsa Calder on the afternoon of Feb. 11th with fifteen members in attendance.

The meeting was opened by the singing of "Let Me Call You Sweetheart".

Mrs. Evelyn Clark attended the Inter-... on behalf of Five Point W.I. ... presents for all ... to attend the next ... meeting on Feb. 27th in the municipal hall.

A committee was chosen to be in charge of the forth-coming bake sale. Prices for food to be sold at the sale were also agreed upon.

It is to be hoped that the constituency convener, Mrs. Dibben, will be able to attend the March meeting which is to be held at the home of Mrs. Jennie Matravers.

C.M.H.A. birthday gifts are to be collected and a box of various articles is to be sent to the School for Retarded Children.

Mrs. Calder gave a paper on "Women in the U.N. Assembly".

The meeting was adjourned and two games of bingo were enjoyed by all.

A tasty lunch, served by the hostess, concluded a pleasant afternoon.

Honor Members of Queen Esther Chapter

Members of Queen Esther, O.E.S., shown above were honored at the 50th anniversary, held on February 6th when they were presented with their 25 year pins. Presenting the pins was by Worthy Grand Matron, Sister J. Kennedy of Calgary, while the spoken tribute was given by Sister Doris Greenwood. Shown receiving their 25 year pins and the year they joined Queen Esther Chapter are from the left, Mrs. L. Clarke, 1940; Mrs. F. Corley, 1929; Mrs. A. Robinson, 1925; Mrs. K. Beckbert, 1937; Mrs. J. Rowe, 1937; Mrs. D. Watts, 1930; Sister Doris Greenwood

TOWN OF VERMILION

## Notice of Proposed Local Improvements

NOTICE is hereb given by the Council of the Town of Vermilion pursua t to the Town and Village Act that the Council intends to construct as local improvements on the streets listed hereto asphal paving, curbs and gutters, non-rolide sidewalk curb and gutter, s- lated curb and gutter and land purchase and that the Council intends to charge part of the cost thereof by way of special rates, benefit assessment or special frontage assessments for local improvements against all lands abutting and or benefitting on that portion of the street whereon or wherein said works are to be constructed at an original annual unit rate as shown, such annual assessments to be paid for a period or twenty (20) years.

AND NOTICE is further given that unless a majority of the owners of the lands that may be assessed therefor, owning at least one-half in value thereof on the local improvements petition the Council against it within two weeks after the last publication of this notice, the said local improvements may be undertaken and a portion of the cost thereof assessed by the system of assessment herein after mentioned.

Any owner on specially assessed may at any time commute the amount of balance remaining unpaid in respect thereof by paying the amount of the original assessment against the land, together with interest and penalties charged in respect thereof less any amounts previously paid on account thereof.

DATED at the Town of Vermilion in the Province of Alberta, this 11th day of February, 1965.

D. R. MITCHELL
Secretary Treasurer

# Revitalization And Urban Renewal

By HADLEY J. CASONE

EDMONTON (CNFE) — Major revitalization of Alberta's northern areas coupled with extensive urban renewal was promised by the government Thursday when the second session of the 15th Alberta Legislature opened here.

Northern development stimulants proposed by the government in the Throne Speech include construction of a new railway into the Grande Prairie area, development of unused agricultural lands and expanded highway construction and upgrading programs.

## A Thought For Service Clubs

With all the travelling that is now being done by junior teams, which organizations rely on transportation by private citizens, it seems that service clubs might investigate a project that has proved very successful at Vegreville

The Vegreville Lions Club has purchased a bus, and this is used for transporting teams to out of town appointments. It was an ambitious undertaking, but was achieved, and is now proving a boon to everyone concerned, the teams, the management, and to Mr. Citizen who was formerly called upon to make the trip with his car.

In a winter such as this with travelling conditions uncertain and at times bad, travelling by bus is much safer and more convenient. Chances of accident are multiplied through the use of passenger automobiles because so many more vehicles are required.

Vermilion is fortunate in having many service clubs and it is hoped that some serious thought and investigation be given to purchasing a bus for such purposes. No doubt full information could be obtained from the Lions Club at Vegreville.

## Crop Insurance Effective In 1965

April 30th is the deadline for obtaining all-risk crop insurance for the current year's three test areas outlined by the Alberta Crop Insurance Corporation

The area in this location extends from Ranfurly to Vermilion, seven townships wide with the northern boundary running along the top of township 52 and the southern boundary along the bottom of township 49

All-risk crop insurance policy guarantees the insured farmer an income from his crop equal to 80 per cent of the long time average yield for the area. Annual premiums will provide protection against losses from drought, hail, frost and other related hazards.

## Vermilion and District People Help Meet Increased Need For Blood

In 1964 the Red Cross Blood Transfusion Service collected 72,283 pints of blood from volunteer donors throughout the province to successfully supply the requirements of some 140 Alberta hospitals. This year's collections were up more than 2,300 over 1963 with major increase noted from the northern half of the province, which has 90 hospitals to supply compared to the southern part which is responsible for 49 hospitals.

In addition to fresh blood supplied for transfusion purposes, 618 pools of plasma were shipped to Connaught Laboratories in Toronto for processing of blood fractions and some 38,312 prenatal and special blood tests were carried out in the two Red Cross laboratories as part of the Blood Transfusion program. Serum collections during the year amounted to 266. Such donations are used for production of serum required in the collection of whole blood.

The obtaining and retaining of blood donors and establishment of maximum utilization and conservation of blood, were listed as major objectives of the Blood Transfusion Committee

## SUNDAY AT THE ALLIANCE CHAPEL

February was Sunday School Emphasis Month in the Alliance Gospel Church Sunday speakal numbers were given by members of the Sunday school on Sunday Feb 28th. "On special selection was a vocal number by Eleanor Evelyn and Lorraine Hill and Karen Curtis.

Pastor Bell spoke to the morning service on the subject "God's Marvellous Verdict". The evening service took the form of a testimony service during which several of those present gave witness to their Christian experience.

## GREEN ACRES

By H. ROWLEY DOUGLAS District Agriculturist

### MILK SHED FEEDING ARRANGEMENTS NOW

Alberta farmers planning to have seed grain tested, cleaned or treated should make arrangements immediately, otherwise unsettable delays are sure to follow.

A. M. Wilson, Field Crops Commissioner with the Provincial Department of Agriculture, points out that delays in receiving reports and the apparent need for expanded services can be overcome by using present facilities over a longer period of time. Obviously all the work can't be crowded into a few weeks before seeding.

Germination tests, says Mr. Wilson, should be started in the early fall and all samples should be sent to the laboratory in September or the October food treating and cleaning should be spread over the winter months. Laboratories and seed cleaning plants will become more useful to more people if seasonal crush ing is avoided.

### BRUCELLOSIS

**RECERTIFICATION OF THE COUNTY OF MINBURN No. 27**

The certification of the Brucellosis Control Area of County of Minburn No. 27 expires Jan. 31, 1966. Two years after the establishment the Brucellosis Ring test on milk and cream and the Market Cow Test will have been carried on for the last two years to detect any further infection in the area. In order to recertify the county as a Brucellosis Control Area for a further three years, it is necessary to retest all dairy cows and heifers in the county. The retesting of these herds commenced in February and will be completed by Jan. 1966. In the previously infected herds, all milk will be tested with the exception of steers, calves under 6 months, spayed heifers and vaccinated cattle under 36 months of age. By using the combination of retesting previously infected herds and the milk producing programs mentioned above, the Canadian Department of Agriculture, Health of Animals Branch, will continue to keep the County of Minburn No. 27 a Brucellosis Certified Area.

Cattle owners desiring further information on the Brucellosis Control Area of County of Minburn No. 27 are asked to get in contact with Dr. R. E. Morris, Health of Animals Branch, Post Office Building, Vermilion.

### FISHING RIGHTS

North - Eastern Alberta Artificial Breeders' annual meeting in Vermilion on March 4th.

Shown Hog Clinic on Tuesday, March 16th at 10 a.m. at Vermilion Auction Market. Mr. Alex Ferguson, Swine Specialist, will examine selection. There will be 6 boars and everyone will have an opportunity to select their choice.

At 1:30 pm March 22nd, at Vermilion Agricultural Service Building, V.A.V.C. these same hogs will be slaughtered and carcass data will be proof of how that pig looks on the inside

### 48 Years Ago Today

MARCH 7th, 1917

A company known as the Vermilion Land & Recording Co. has been organized to take over from the Belgian investment company in Winnipeg a tract of 62,000 acres of land in the Vermilion district. The land is situated about 15 miles north of town. The capitalization of the company is $200,000 thus getting it in the list of really big ranching industries in Alberta

The attributed to a defective flue did some $1000 damage to the home and contents of W. P. Pilloy South Vermilion between 10 and 11 p.m. on Saturday

Mr. Child, the new proprietor of the Brunswick, has taken over the premises

This is the last week of 25 cent hair cuts Monday, March 12th the local barber shops will adopt under prices which are: Hair cut 50c, Razor honing 25c; shave 15c; mush shave 10c.

## CAPITAL REPORT

## Twentieth-Century Uprising

By RADLEY J. CARONE

EDMONTON (CNFS) — About the closest thing to an Indian uprising since chief Piapot parked his tent on a CPR right of way near Qu'Appelle, Sask., in 1882, was staged early last week at the Legislative Buildings here by 111 placard-carrying Slaveys.

The Indians, all from the Hay Lake district 600 miles north of Edmonton, and all currently receiving government relief, marched on the Legislature Monday carrying placards which proclaimed: "We are people first, not just Indians. Full economic development needed, and We want work, not just relief."

The "uprising", repeated the first time in recent years that Alberta Indians have "taken the bull by the horns", was aimed at acquiring relief from what Indian spokesmen described as sub-human living conditions.

### CONDITIONS BAD

And judging from their descriptions, living conditions were indeed "sub-human". More than 1800 persons were on 100 per cent welfare (which amounted to between $40 and $50 per month for food, clothing and shelter); women were forced to chop brush from the nearby timber stands to provide firewood; men slept on bare ground in 30 below temperatures and, in one instance, a sick child was turned away from an Indian Agency Nursing Station because it was after 4 o'clock"

### NOT AFTER CHARITY

**The Indians made it plain at the outset that they weren't after more relief or charity. Said their chief, Harry Chan-hoin: "We are poor people. All of us are on continuous relief and we need long for our livelihood. We are good workers, but we have no jobs."**

Efficient health services good houses with electricity and running water ... like their neighbors, Indian Agency personnel have and a complete training program, were among their requests.

### AIR INVESTIGATION

They also asked for a similar investigation into living conditions in the area. And they came ready to fight for their conditions with the only weapon and ammunition they could muster . . . themselves.

"We'll stay until we have the answers", said Victor Chenhoin, the chief's son. "The men have nothing to go back to only I have a job."

From all reports, the Indians' chances of securing the economic aid they came for are infinitely greater than those Chief Piapot had of staying on the railroad's right-of-way.

A top Indian Affairs Branch trouble-shooter from Ottawa arrived two days after the Indians, apparently armed with the power to make promises for the government. He spent Wednesday talking with Indian representatives and apparently reached an agreement. The Indians left Thursday for their homes.

### ISSUES DECIDED

Some of the issues decided during the talks were: A forestry engineer will be sent to the reserve to evaluate the timber situation and study the feasibility of constructing a sawmill. This individual will also report to the government on marketing potential.

Money will be sought for proposed brushing operations on land un-cleared for use as cattle pasture An attempt will be made to provide machinery for stock-piling gravel and lumber to be used for home construction in the summer.

Efforts to bring electricity to Indian homes, a move which is already underway throughout the province, will be stepped up. The government promised to speed negotiations with power companies and provide capital to give the electrification program added impetus.

Immediate relief, in the form of a small sawmill, a tractor and chain saws, will be transported to the reserve within the next few weeks. The Indian also won a major investigation into the causes of, and development problems in their area.

### PROGRESS SOUND GOOD

Additionally, the government has promised that a standing committee would seek opportunities for industrial development and expansion in the area. This is said to include road construction, agricultural work, house building and lumbering. An official said that the ultimate goal is providing total employment for these Indians

Dogs are believed to have been domesticated about 6,000 years ago.

## Six Contestants In Adventure In Citizenship

Miss Kathleen Ring, daughter of Mr. and Mrs. John Ring, was chosen to represent the Vermilion Rotary Club and the whole area at the Annual "Adventure in Citizenship" contest. The competition consists of the combined score for an essay and a speech on the same subject. Miss Ring represented St. Jerome's School.

The contestants represented Marwayne and Vermilion High Schools. Their names and subjects were: Keith Betty, Mannville, Churchill, Man of the Century; Barry Zavadiuk, Churchill, Man of the Century; Margo Hunby, Vermilion, Problems of Youth; Kathleen Ring, Vermilion, Government is Your Business, Gertrude Pitt Marwayne, Population Boom or Boom-erang; Pat Monteith Vermilion Fairs.

The judges were members of the Lloydminster Rotary Club. It was the expressed wish of the Vermilion Club that ministers be chosen to rate the candidates and make the decisions. The judges were Harold Posey, Leo Owen and Ben Galek. They were accompanied to Vermilion by Bill Skinner. The judges said the range in ability between the highest and the lowest scores was very close

Students sponsored by Rotary Clubs in other Canada areas were Ottawa each year as guests of the Ottawa Rotary Club. Over 120 of Canada's youth will assemble in May for a grand variety of entertainment for five days. One of the highlights of the trip is a visit to the Parliament Buildings and the time spent in the visitors' gallery listening to parliament in session

The Rotary Club had as their guests the following relatives of the contestants: Mrs Malin, Mrs Betty and Mrs Pitt, all of Mannville; Mrs Hunby, Mrs. Ring, Mr. and Mrs. Monteith Vermilion and Charlotte, Vermilion.

The program was arranged by Fred Stewart and Archie Hooley was chairman. Alex Callas thanked everybody who had a part in the arrangements especially expressing the appreciation of Vermilion Rotary to Bill Lloydminster Club for coming to do a good job of the judging.

## Short Course For Ladies March 18

The Vermilion Chamber of Commerce and Agricultural Society are presenting a special program for the ladies in the Legion Hall at 1:30 p.m. Thursday March 18th. Mrs. J. H. Hart, Chairman of the ladies' section Agricultural Society, has consented to chair the session. Mrs Hart was formerly Miss Mabel Armitage of Vermilion and has always been very active in the Vermilion Chamber of Commerce. It is financed by business and professional groups to maintain fair competition, truth in advertising and selling. The Better Business Bureau is sponsored by legitimate businesses to protect buyer and seller and limit fraud. Mr. Brown's topic "Beware and Be Aware" will cover, out of line or pre-stationary measures which the ladies, when dealing with sales people interviewed, can use to help everyone up to date on various schemes currently used by fly by night fast buck artists and people.

Everyone is welcome to the ladies' section of the Vermilion Short Course, Thursday, March 18th. In the Legion Hall. Coffee will be served complements of Canadian Utilities

## SEED WITH A PEDIGREE

The farmer can be assured that the family tree of pedigreed seed will reveal no skeletons, an assurance comes from Art Wilson, Field Crops Commissioner Alberta Department of Agriculture.

Mr Wilson says the greatest aid plant breeders have been long done removed those undesirable and only the blood lines of superior quality have been preserved. The heredity of pedigreed seed is traceable through records, to the foundation stock from which it came.

The commissioner stressed that the foundation stock is a combination of the good qualities of several varieties or strains built into a new variety by the plant breeder through his knowledge of genetics. He said "It is the Royal Flush selected by the plant breeder to meet a particular need in a particular area."

The seed grower has the responsibility of multiplying the foundation stock through two or three generations without any contamination from any outside source and at the same time removing from the stock any spots or rogues that may appear.

Mr Wilson pointed out that the farmer who plants registered or certified seed plants seed with a pedigree He emphasized the seed bears a guarantee of purity to variety, the germination must meet the high standards of the Canada Seed Act and it is rigidly inspected for objectionable weeds. He said "Experienced farmers know the value of a pedigree they regularly renew their seed stocks just to be sure."

## MARWAYNE F.W.U.A.

The Marwayne F.W.U.A. February meeting was held on the 24th with a social evening with Lil Quist and Doris Kvill as co-hostesses. There were 20 members and one visitor present.

A paper on the Associated Country Women of the World was read by Lillian Tupper A donation of $10 was given to the United Church for use of their hall for sewing classes held in January, and also $20 to the Lloydminster Hospital Auxiliary for the purchase of a piece of furniture for the new wing

A letter is being sent to the Better Business Bureau inquiring as to the percentage of donated money actually reached the advertised fund.

It was decided to have a skating party in place of the box supel which had to be cancelled due to the storm. Date of the party is still to be decided.

Articles for a miscellaneous shower for the Robbie family, whose home was destroyed by fire, were to be left at the Coop store by Sun 27th

Each member to bring a bar nut activate to the March meeting which will be held at the home of Barbara Keet

### Alberta Finds New Boom Town

Canada's latest boom town is Cold Lake, Alberta. Alberta is here at last, the tapping of Alberta's vast ocean of sand, impregnated to becoming saturated by Laboratory Reader's Digest

A subsequent report with a population of 5000 McMurray is the second largest town of the north Athabasca River at about the latitude of cities farther by five hours by train from Edmonton. Its growth has been phenomenal. Supplies are brought in by truck, by river steamers and barges. The two very modern hotels, the Anglia Hotel is always with both hooked and with modern amenities and conveniences. Its restaurant accommodates 200 people and serves excellent meals.

Most McMurray residents appear to be normal citizens of all ages and occupations. The huge Athabasca River and Clearwater are the highways of commerce and transportation. Most commercial business is conducted on the banks of the rivers. Here are the warehouses, docks and offices of the companies engaged in the transportation business. Here are the stores and shops of the merchants who supply the needs of the people who live in Canada's most northerly city.

Most of the people who live in McMurray are employed in the oil industry. Some are employed by the oil companies themselves, but the majority are employed by the many contractors who do the actual drilling and construction work for the oil companies. Many of these contractors are from Edmonton and other centres in Alberta. Many are from the United States. Many are from Europe. Many are from Asia. Many are from Africa. Many are from South America. Many are from Australia. Many are from New Zealand. Many are from Canada. Many are from the United States. Many are from Europe. Many are from Asia. Many are from Africa. Many are from South America. Many are from Australia. Many are from New Zealand. Many are from Canada.

# Minburn County Council Holds Regular Meeting

Council meeting of the County of Minburn No. 27 held at Mannville on February 10, 1965 at 10:00 a.m. with the following present: P. H. Eyben A. W. Reid and Stan Tymchyshin, Geo. Gray has D. D. Samoil, R. E. Robert and M. Bartlett with Reeve Sam Gill in the chair.

Superintendent M Gaiil was also present.

Geo. Grabas moved that the whole County School Committee be added to the Councillors' and Agricultural Service Board Carried.

Agricultural Service Board minutes of the meeting of February 9, 1965 were read and approved with the recommendations therein on motion of P. H. Eyben Carried.

It was moved by R. E. Robert that a pocket gopher getter be purchased Carried.

Walter Fenish from R. Angus Limited was present regarding the overhauling account of $2015.15 number in fall of 1964. Mr. Fenish stated that there was no negligence or fault on the part of the company when the unit was overlimited in April, 1963, and that no repairs could be made in the cost of overhauling last fall.

**DOCTOR DRAD PLANNING**

Representatives from Under wood McLellan and Associates interviewed the council and discussed the long term road construction planning, construction and hard surfacing under supervision of engineers and the per mile cost at different parts of the province. No arrangements were made for the future.

Numerous applications for a position of an office clerk were read and discussed.

It was moved by D. D. Samoil that Elizabeth Shirley Farlen be hired as an office clerk for the Vegreville County Office at a salary of $200.00 per month. Cfd. (to be continued)

**APPOINT ASB OFFICIALS**

A. W. Reid moved that R. D. Samoil be appointed as chairman of the County of Minburn Agricultural Service Board. Cfd

It was moved by M Bartlett that Larry Parsley be appointed as secretary of the County of Minburn 27 Agricultural Service Board. Carried.

Agricultural Service Board minutes of the meeting of February 9, 1965 were read and approved with the recommendations therein on motion of P. H. Eyben Cfd.

It was moved by R. E. Robert that a pocket gopher getter be purchased Carried.

Walter Fenish from R. Angus Limited was present regarding the overhauling account of $2015.15 number in fall of 1964. Mr. Fenish stated that there was no negligence or fault on the part of the company when the unit was overlimited in April, 1963, and that no repairs could be made in the cost of overhauling last fall.

**DOCTOR DRAD PLANNING**

Representatives from Underwood McLellan and Associates interviewed the council and discussed the long term road construction planning, construction and hard surfacing under supervision of engineers and the per mile cost at different parts of the province. No arrangements were made for the future.

Numerous applications for a position of an office clerk were read and discussed.

It was moved by B. D. Samoil that Elizabeth Shirley Farlen be hired as an office clerk for the Vegreville County Office at a salary of $200.00 per month. Cfd. (to be continued)

## Marwayne Arena Officially Opened

MARWAYNE Friday, February 26th was the long-awaited day for Marwayne when the new arena was officially opened.

Events started at 12 noon with hockey, followed by broom ball. The ribbon cutting ceremony was at 4:00 p.m. with Mayor Mehlhorn doing the honors. Many dignitaries from Marwayne and surrounding towns spoke to the large crowds attending.

A banquet was held in the Elks Hall at 6:00 p.m.. Those present were special guests, arena directors, members of the hockey association, coaches, mayors, councillors and contractors for the construction of the arena.

In the evening one thousand people crowded in for the figure skating display by the Lloydminster Club, the hockey game and the moonlight dance.

The visiting hockey team, the Cranbrook City All Stars, were here for two games, Friday and Saturday, with the Marwayne Comets winning both.

Music for the dances was supplied by the Elks.

Many hard working women, headed by Mrs. Ida Ewell, supplied the crowds wants at the refreshment booth all day.

## Islay F.U.A. Elect Officers for 1965

The annual meeting of the Islay FUA was held on Feb. 25th in the school with fifteen members present. Officers elected for 1965 were: President, Mike Warawa, Vice-President, Tom Brown Secretary, Dave Martin, Executive, Roland Barbarian, Mr. McGuigan, Melvin Beck, Gordon Gould.

Some members who live adjacent to Beaverhill Lake, and whose crops have been frequently severely damaged by ducks because of proximity to the game preserve, presented a resolution requesting game protection and reimbursement for the damage suffered. The resolution will be presented at the District Conference at Vermilion and at the Provincial Convention.

Karl Markland, as delegate of the FUA to the Hudson's Bay Route Association Convention, held at Peace River, gave an interesting report. It was pointed out that the use of this route directly increases the size of the farmers' final Wheat Board pay ment through savings in transportation charges and would be increased in relation to the use made of this route.

Mr. Markland also read a brief that was presented to the Provincial Cabinet by the FUA, requesting some protection for the western farmer in view of the present price reductions in export wheat sales.

Mr. P. McGuigan, Reeve of the County of Vermilion River, outlined some of the current problems and objectives of the County executive regarding schools, land taxes, etc.

The FUA has fifty farm units enrolled and has room for more.

## THE Homemaker

BY DIANE DERRITSKY B. Sc. District Home Economist Box 519 — Vegreville

**POTATO SUBSTITUTES**

Potatoes, usually an abundant foodstuff on homemakers' shelves are in short supply and very expensive to purchase this season. The long, dreary, cold winter has certainly left its mark.

Macaroni products are coming into their own as a result of this situation and are a favorite potato substitute for this basic staple. Included on macaroni products are macaroni, spaghetti, vermicelli, noodles and a wide range of products whose names are derived from the shapes and flavors These pastes are made from a stiff dough of wheat flour and water which is shaped in special machines and then dried.

How do we differentiate between the macaroni products? It's easy. Macaroni comes in tubular lengths of 10-12" or cut in inch pieces. Spaghetti comes in long slim solid rods Vermicelli is similar to spaghetti, only much slimmer. Noodles are cut in ribbon like strips of fine texture and broad widths and contain eggs They may also be folded. Special products are shaped into rings, shells, tarrots, alphabets and so on.

**TO BUY**

Buy a package that is clean and dry.

Read and compare labels for ingredients net weight of contents and other information

Buy the amount needed for the intended use.

Compare prices. Fancy shapes and special flavors usually cost more.

**TO USE**

Macaroni, spaghetti and also noodles may be used as the basis for tempting main dishes. Try in casseroles or combination with eggs fish, meat poultry cheese or vegetables. Excellent as a supper or luncheon dishes nothing is more inviting than soupy meat sauce wrapped saucy mounds of spaghetti or noodles. The macaroni products also body to many course salads as well and can be used interchangeably

**TO STORE**

Do so in the original package If kept tightly covered and away from moisture these products will keep almost indefinitely.

**TO COOK**

Follow package directions. A generous quantity allows a shorter cooking period than a ready-to-serve product does. The thick starch in the product and the hearty other factors

Drain cooked pasta foods are tender but firm.

Dress with a relish or sauce before serving

## LOCAL NEWS

Mrs. Wilfrid McLennan returned from a week's visit to the coast where she attended the funeral of her brother, Edgar McNeil of Vancouver. During her stay she was a guest of her brother Gordon McNeil of Abbotsford, B.C.

Mr. and Mrs. Sib Thorne of Ft. Saskatchewan, spent the week end at the home of Mr. and Mrs. E. C. Mead, and visited other relatives while here.

Mrs. E. Rooks returned Tuesday from Calgary where she had spent two weeks at the home of her daughter Margaret looking after her granddaughter while Mrs. Carmichael was in the hospital with her new daughter. Mrs. Rooks also visited with her daughter Florence and husband, Mr. and Mrs. R. Baker. On the return trip she spent two days in Edmonton visiting with relatives daughter, Sylvia, Mr. and Mrs. Joe Radcliffe and family.

Mr. and Mrs. Tweedie Parley of Vancouver were guests visiting at the home of Dennis' mother Mrs. Eleanor Parley in town.

Mr. and Mrs. Eddie Lyons and three children of Edson and Mr. and Mrs. Earl Smith and four children of Lloydminster were guests at the home of Mrs. Lyons' mother Mrs. Lillian Peterson at the week-end of the annual banquet in Vermilion at the home of Eddie's and Gwen's parents, Mr. and Mrs. Geo. Lyons.

Ismael Miller of Edmonton was a business visitor in town on Thursday of last week.

Mr. and Mrs. Jim Sinden and son were week-end visitors at the O Willis home.

Mr and Mrs. Cliff McCormick returned this week from a five weeks' visit to the old home there as far south as Los Angeles.

D. B. Mitchell was a business visitor in Edmonton last week

Mrs. M. Woodruff returned Monday evening March 1st, from Camrose where she had spent the past three months visiting at the home of her sister in-law. The usual cold Calgary weather was not at all in evidence, points out Mrs. Woodruff.

Mr and Mrs David Rindra chuk and two children spent the week-end at the home of Caroll's mother, Mrs. Lena Goodwin. Mrs. Goodwin also had her father visiting with her, from Kelowna.

Universits students home for the week-end at their respective homes were: Misses Frances and Beverley Wilson, Miss Patricia Stewart Miss Colleen Reuneck, Miss Sharon Rutherford Ewen Cooper. Also from Edmonton Miss Terry Barnett

Mr. and Mrs. Douglas Williams and family have left Derwent for Sidney N.S where Mr. Williams will take up his new duties with the Department of Transport

Mrs. Paul Wallace and her three children left after Christmas for the home of Paul's parents Mr. and Mrs. C. Stephens while Mr. Wallace left Edmonton for special course in advanced business administration.

Bob Wilcox spent several days in Edmonton this week on business.

Mrs. Louis Collins returned recently from a three week's visit at the home of her daughter and son-in-law Mr. and Mrs. Howard Colby at Carmangay. While there Mrs. Colby presented her mother with a new grandson

# Mannville Boy Scouts Hold Father and Son Banquet

MANNVILLE. — Much may be said in commendation of the fathers who proved to be good scouts when they travelled through drifts and swirling snow to bring their Scout and Cub sons to town for the evening of Feb. 27th so that they could attend the 57th annual Father and Son banquet served to them by members of the Scout Mothers' Auxiliary in the Legion Hall at 6.30 p.m in honor of Lord Baden Powell.

Much may also be said in commendation of the fine ladies who served the meal . . . it was a gigantic task to undertake but they did a marvelous job and nothing was lacking in food, service or hospitality.

Scouter Bryan Cowsay was the capable Master of Ceremonies who called upon the Rev. W. A. Brinston to ask the blessing. Head table guests, including Bryan, were Dr. Ken Glover, Commissioner of Three Rivers Scouting District; Mr Bob Tidsbery, President of the Three Rivers District Council, and Mrs. Tidsbery; the Rev W. A. Brinston, Scout Leader at Mannville, Mr. Alex Hewitterson, Scouter, and Mrs. Hewitterson; Mr. L.J. Cotter, President of the group sponsoring at Mannville, and Mrs. Cotter; Mr. F. C. Peterson, minister of MacQueen Memorial United Church at Mannville; Mr. C. Malin, deputy mayor; Mrs. E. Leidler, press representative.

The dads and their lads were seated at tables at either side and in front of the head table and these guests were welcomed and introduced by Bryan.

At the conclusion of the meal and a short musical item the Queen Commissioner Ken Glover was called upon to speak. He appropriately utilized the fact that we were at the end of Boy Scout Week or as it is also called, Brotherhood Week, taking the opportunity to read Lord Baden Powell's last message which told the audience in part that we should strive for a happy life but to also leave this world a better place for us having lived in it.

Bob Tidsbery was then invited to speak. He made mention of the fact that we were looking back in honoring Lord Baden Powell whose birthday anniversary was on February 22nd and an invitation to all present to attend the Church parade and Church Worship service that would be held in the Anglican church at 11 p.m on the following morning. He finished by thanking all the gathering to repeat the Scout Mizpah with him, which is: May the Lord watch between me and thee until we meet again. He then impressed on the farewell bidding is derived from the Book of Genesis.

It is with much regret that I cannot give any account of the Church Parade and service at this time for although previous plans were made to attend us [illegible] commitments made it impossible to do so.

**Good Seed To Sow Silage**

"I use certified seed to grow my silage crop because I can't risk a poor yield." These sentiments on the use of good seed are those of feedlot owner, Ray Stannard, Red Deer Alberta.

Stannard, one of the largest feedlot operators in the province has facilities for about 1000 head of cattle and approximately 800 head make the trip through his feedlot during the year. Commenting on the use of reliable seed he said "When you have thousands of dollars tied up in livestock you have to make sure of feed for them."

The 600 acres of cropland he uses for silage is sown to a mixture of oats and barley; one bushel of certified seed of each kind per acre. This amount fills a huge pit also measuring 275x35 feet with the silage about 15 feet deep. He packs it well when filling, and tops it with polyethylene held down by old tires.

Besides this amount of silage, the cattle in the Stannard feedlot feed on [illegible] tons of hay each [illegible] of thousands of dollars [illegible] and 100,000 bushels of feed [illegible] of cattle grain.

## Chips Are Down For Bantams and Juveniles

Followers of Vermilion's Minor Hockey are dreaming of two provincial championships this year, and, if it seems to be "counting their chickens before they are hatched", who can blame them.

The Bantams are already into the Northern finals against High Prairie, and the Juveniles will be in the same position if they get by Camrose this week-end.

**WIN AGAINST ALL COMERS**

Hockey like horse racing is by and large a matter of form, and with both the Bantams and Juveniles making a shambles of any opposition they have come up against, it would not seem to be out of line to say "THIS IS THE YEAR."

**BANTAMS OVERPOWER WAINWRIGHT**

Last Thursday in the Stadium the Bantams took on Wainwright in the second game of a two-game total goal series. Going into the game the Vermilion team had a seven goal lead which by the end of the game had developed into a 17-goal bulge in the series as the Vermilion boys slaughtered their opposition 12 to 2.

Scoring for Vermilion was led by Lyle Farkash and Ken Woyewitka with 3 each, Bill Isley and Ron Mathis with a pair each, Bob Isley and Brennan picked up singles.

The next round for the Bantams will be in High Prairie probably the week-end of March 12th.

**BOB CATS BRILLIANT; OWN BARRHEAD 17 TO 9**

By virtue of a 6 to 5 victory at Barrhead last Friday night, combined with a crushing 11 to 4 count in Vermilion Sunday afternoon, the Vermilion Juvenile Bob Cats advanced a rung further up the provincial play-off ladder. Their next adversary is the winner of the Central Alberta Zone, either Camrose or Red Deer.

The Les Kreller-coached Bob Cats were brilliant on Sunday afternoon when they danced to the 11-4 victory over the bigger, heavier Barrhead team.

Noted as a great third period team, the Bob Cats struck early and only 12 seconds had ticked off when John MacLean and Bill Wilson sifted through for the first goal. They never looks t back after this and the first period ended 4 to 0 for the Vermilion sters. Vermilion goalie Dale Halterman stopped ten shots with Fluett in the Barrhead nets blocking five and being well

beaten by four other shots.

In the second the Barrhead boys found their scoring nights and ran in three goals without a reply, and the game stood 4-3.

Heinemann and Isetts in a red ence each to again brighten the picture and the second ended 6-3 Cats Shots on goal were even at ten each.

**HUTS THIRD**

The Bob Cats maintained their record as being at their scoring best in the third and counted five more times to Barrhead's one, to make the final score 11-4. The series total thus was Vermilion 17, Barrhead 9

A crowd of 700 people witnessed the afternoon game.

John MacLean led the Bob Cats' attack with five goals and one assist, Barry Walsh had 2 goals and three assists, Deryk Beatty 2 and 1, Darvin Heinmann 2 and 1.

**LINE-UPS**

VERMILION — Dale Halterman, Wayne Maughan, Neil MacLean, Bill Wilson, John MacLean, Russell Cameron, Melvin Reil, Deryk Beattie, Kevin Gannon, Pat Conves, Scott Williams, Darvin Heinemann, Barry Walsh, Keith Whitlock

BARRHEAD — Maurice Florell, Les Jones, Brian Jeston, Dennis Bivdo, Jim Kripa, Morey Berglund, Deeg Lake, Wayne Rimmer, Alden Tulli, Norm Anderson, Spike Leriger, Paul Parsons, Richard Swan, Dan Rivet, Bob Latz

**Statistics**

## Mannville Telephone Mutual Is Pilot Area For Two Projects . . .

(concluded from front page)

**local co-operation which A.G.T. had received from the directors of the old original Mannville mutuals in completing their amalgamation and in providing much valuable information relative to the construction program.**

Mr. Cooper went on to give some figures relative to the new buried cable development. Such were as follows: Total number of occupied farms in the mutual area 320. Existing subscribers 174. New applicants 44. Total telephones installed 218. Per centage of occupied farms 68. Miles of buried cable 87 miles. Miles of buried wire 11. Existing pole line 7 miles. Installation of private exchange, Mutual company share of cost $9,000.00. Plant investment under A.G.T. ownership $ 34,000.00. Individual cost per home served $1,250.00 (approx.) Total estimated local service, Mutual, Dominion for the province of Saskatchewan.

**DIRECTORS RE-ELECTED**

The regular business of the annual meeting was then carried through with the election of Mr. Walter Jamieson as director. The secretary Mr. Dick Wallace read the minutes and presented the financial statement for the past year. The report of the directors was given by Mr. Cook.

The directors were re-elected in a body by a unanimous motion. It was felt that they had handled a marvellous job during the first year of the amalgamated mutual.

The directors are Walter Jamieson, Castle Scott 1st vice-pres. Albert Hinton, Evelyn McLaughlin, Ernest Pritt, Bruce Scott and Frank Williams as secretary.

## Tigers Finished For The Season

Vermilion Tigers were eliminated from the Provincial Intermediate B play-downs on Friday by Vegreville, losing the two game total goal series by 16 to 9

The first encounter at Vegreville saw the Rangers practically clinch the series by winning 10 to 4. The Tigers put up a spirited battle on home ice, losing a close 6-5 decision.

## Bob Cats Captain Leads Team Scorers

The Juvenile Bob Cat team is probably the best balanced unit that Vermilion has produced since the "buffaloes were calves".

Certainly as a team where everyone is doing his utmost and in truth each member of the Cats could switch a regular scoring team that have come up against it is hard to pick one from the pack.

However John MacLean 17 year-old son of Mr and Mrs. Neil MacLean of Vermilion sticks out even with the Bob Cats.

Playing centre normally John has scored 27 goals in three series since the Provincial Juvenile playoffs started less than three weeks ago. Against St. Paul he got seven in two games against Bonnyville six and in the semi-final Zone 2 and 3 final game against Camrose he got an amazing 14 goals in one game.

The Bob Cats next saw action on Friday, more than one hundred Camrose supporters saw the Vermilion team down the fourth round of the playoffs by the narrow score with Camrose will be back in Vermilion Stadium on Sunday afternoon.

JOHN MacLEAN

**Lunch will be available for purchase in the building.**

TAKE NO CHANCES WITH YOUR EYES

Most people do not give their eyes the best care possible. To further complicate the danger some unscrupulous promoters offer eye products that delay proper treatment, even though causing no immediate harm. Be wary of mail-order medicine men.

Don't be misled by claims that "magic" salves or drops will dissolve cataracts. You ultimately save no money when getting improperly fitted glasses by mail. Depend on your local licensed supplier. And, if your eyes need treatment let no one but a physician tell you what to do.

ELK POINT — ALBERTA

Vermilion's second annual Short Course, jointly sponsored by the Vermilion Agricultural Society and the Vermilion Chamber of Commerce, is slated for Thursday and Friday, March 18 and 19.

The course, with programs for men and women, will cover everything from a discussion of "Today's Fabrics" — to be held on Thursday afternoon in the Elks Hall to a session dealing with "Estate Planning and the Farmer", being held on Friday afternoon in the Elks Hall.

**BACON HOG CLINIC**

While not actually part of the short courses, a bacon hog clinic will be held on Tuesday, March 16, when Alex Charnetski of the Provincial Department of Agriculture will discuss "What's Ho Got Under Skin?", dealing with the selection of hogs on the hoof.

Those attending the clinic will have a chance to do their own selecting. Following the selection Mr. Charnetski will discuss the animals' carcass merits, while the discussion results, some weanlings will be sold at the Animal Science Building, VAVC on Monday afternoon at 1:30.

**Thursday, March 18**

## Rebekah Public Speaking Contest

Plans for the elimination for the United Nations public speaking contest are well underway

**WHO MAY PARTICPATE**

Students must be at least 16 years of age and have just reached 18 years by Aug. 1, 1965 and must have at least one full year in high school

Applicants to qualify, must stand high in character, be of above average ability, interested in community, church and school activities, as well as possess qualifications of co - operative ness and leadership

Successful contestants will be required to fulfill the necessary health and physical requirements.

The student who is chosen as the winner of this elimination will advance to the finals and the lucky winner of the finals wins a once in a lifetime trip to the United Nations in New York, also many historic sites in Canada and the U.S. en route

The public is cordially invited to attend the elimination March 19th which will take place at 8 p.m. in the J. W. G. Morrison School (west end). Come and help to encourage these wonderful young students

## "Spot Checks" For Driver Insurance

Under the terms of the Motor Vehicle Accident Claims Act, the operator of a motor vehicle is required to produce upon request by a peace officer, either

(a) A financial responsibility card (pink card) for that vehicle, or

(b) A certificate (green certificate) issued under the Act acknowledging that a $20 fee has been paid to the Motor Vehicle Accident Claims Fund, formerly called the Unsatisfied Judgment Fund", in respect of the motor vehicle.

It is the intention of law enforcement bodies in the province to commence spot checks of motor vehicles which will be carried out periodically throughout the year. Any person who is found to be driving a motor vehicle without either of the documents mentioned above is liable to a fine of up to $500. Already several individuals have been fined the maximum amount for this offence. Spot checks are now in progress.

Alberta motorists installing their 1965 license application forms will be asked the following question: "Do you have the financial responsibility card or certificate?"

Unless the question is answered with a "Yes" or "No", no license may be issued.

If the answer is No, indicating that the vehicle is not insured in accordance with the minimum limits provided for under the Alberta Insurance Act the owner will be required to pay an additional fee of $20 into the Motor Vehicle Accident Claims Fund. This $20 must be added to the Total Fee Payable on the application for vehicle license and the license issuing office must receive an Insurance Policy for Motor Vehicles Accident Claims Certificate a Driver Certificate at the time of application for license. If the vehicle is insured a separate green certificate application form must be completed and the $20 fee paid for each and every uninsured motor vehicle to be registered. A minimum penalty of $500 may be imposed where the application indicated that a vehicle was insured when in fact it is uninsured. Where a second offence is committed by the same person within a year of the first offence, a minimum fine of $250 is required, and for each subsequent offence within the year a minimum fine of $500 is required.

A driver's card is also required to be in the possession of each driver of a motor vehicle. Failure to produce such a card on demand by a peace officer is liable to a fine of up to $100.

# ★ MARCH IS 'GOOD SEED' MONTH ★

## Cleaning and Treating Grain FOR SEED

COST SO LITTLE YOU OWE IT TO YOURSELF TO HAVE IT DONE

It stands to reason if the seed you plant is weed free and has been treated for wire worm, the crop you grow will be clean, will harvest more bushels per acre, and make you more profit.

**THERE IS TROUBLE AHEAD**

At the moment the Vermilion Seed Cleaning Plant has 47,000 bushels booked. At capacity this represents 20 day, round the clock operation. In other words it will keep us busy until April 1st.

*It takes ONE MONTH from Time of Booking until your Turn comes*

BOOK NOW! BOOK NOW! BOOK NOW!

**Vermilion Seed Cleaning Plant**

Al Cashman, Manager — Phone 853-3668

Hon. Harry E. Strom, Alberta Minister of Agriculture, has declared March Good Seed Month. He examines a sample of pure seed with Elden Klein, President, Canadian Seed Growers' Association, Alberta Branch.

## Strom Declares March "Good Seed Month"

The use of good quality clean seed is well appreciated by farmers, declared Alberta Agriculture Minister Honorable Harry E. Strom today, as he declared the 1965 Good Seed Month in the Province of Alberta.

The minister noted that seed of high quality could be assured by the purchase of Certified Seed of recommended varieties. He said "Tests have shown which varieties are adaptable to an area. Grow those and you can expect maximum results from that type of crop."

"When high quality certified seed is used" the minister added, "a high degree of freedom from disease and weed seeds is assured, and you can look for high germination and uniformity of maturity because of the trueness to variety."

Mr. Strom urged seed dealers and handlers to support the drive for better quality seed. He suggested that seed of known high quality was the best investment protection for the man who wanted to keep his seeding free from the land.

The Minister's words were put to good use by many seed dealers who pay dividends when harvest time comes. Minister Strom said, in calling attention to the increased need for better farm management in this highly competitive age.

## New Crop Varieties Recommended for Alta.

Several new crop varieties have recently been recommended for use in various parts of Alberta.

One of these is a Polish registered variety called Echo. O. G. Bratvold, Supervisor of the Provincial Crop Improvement Service, advises producers growing Polish rapeseed to change to Echo as soon as supplies permit.

Echo has yielded up to 2,500 pounds per acre since it was released last year and has a stronger stem than the common Polish rapeseed.

Pendek is a new variety of rendseed early oats which has a mmon stem rust. The season makes it particularly valuable in areas where lodging is a problem. Mr. Bratvold says it is also recommended for areas where late rusts often cause problems from the point of view of working the straw into the stubble without the trouble of burning.

A new variety of wheat, known as Park, is noted for its early maturity. According to Mr. Bratvold it is especially designed for areas where ... growing season is just a bit short as is often the case in the black and grey wooded soil zone. Although Park gives slightly lower yields than Thatcher, it is easier to thresh and does not bleach readily.

Mr. Bratvold points out that there is always one crop variety which fits the conditions of each farm better than others. He recommends using this variety and buying certified seed to be sure that nothing else is planted.

## Biological Control of Warble Flies Studied

A biological control method for the warble fly is being studied at the Lethbridge Research Station. The principle is to cut down on the warble population by chemically producing sterility in the male and preventing fertilization of the eggs. A similar technique using gamma radiation was more successful on the screwworm in the United States.

According to J. Weintraub systemic insecticides give a good kill but this type of control method offers three advantages. The treated males seek out their mate which may be inaccessible to man when he sprays. It has been proven that the warble population can be reduced more quickly by eliminating the offspring rather than by killing a certain percentage of the population. Most important, it is not necessary to contaminate a food stuff with a toxic chemical.

The principle of producing sterility in the male, chemically or by radiation, is to insert into certain portions of the male chromosomes to prevent fertilization. This presents several problems. An effective dosage is found that will not impair the vigor or alter the behavior of the male or prevent it from going through the mechanics of mating. Since the chemicals used are toxic, the dosage has to be regulated to minimize hazards. Means must be devised to treat large numbers of insects and release them in their natural habitat. The right stage during the warbles life cycle for applying the chemical has to be determined. Mr. Weintraub is at the stage of determining the safe and effective dosage of two or three chemicals in the laboratory when applied to the pupae, adults and newly hatched larvae.

He expects to make faster progress now because of a new technique developed at the Lethbridge Research Station. By bringing in Texas warbles, which emerge during January and February, and infecting cattle at the station, he will have two broods of grubs a year instead of one. The Texas warbles could become established here because they cannot survive the winter.

## Clandonald U.C.W.

The February meeting of Clandonald U.C.W was held at the home of Mr. and Mrs. Harold Schoonmaker with President Mrs. Homer Campbell in the chair and Mrs. E. Nelson taking the minutes. Twelve members were present and one visitor, Mrs. Tweeton, one time teacher of Rosyth school some fifteen years ago. Thanks to Mrs F. Goddard for bringing her to the meeting.

The roll call for five victims was well filled. Mrs. Goddard led the devotional, a continued study period with "God and His Purpose".

The March meeting will be held at the home of Mr. and Mrs. A. Dickens. Lunch committee, Mrs. H. Campbell and Mrs. Glen Carlton. Roll call, clothing for overseas.

Women's Lord's Day of Prayer March 5th at 2 45 p.m. to be in Clandonald United Church. Every body welcome. Let's do our part and see the church well filled.

Miss Annie Shaw will be at Sunday school on Feb. 28th at 10 a.m. You are welcome to attend.

The rolling mill for working metals was first described by Leonardo da Vinci.

**Make Your Seed Cleaning Arrangements Now**

Alberta farmers planning to have seed ... tested, cleaned or treated should make arrangements immediately, otherwise regrettable delays are sure to follow.

A. M. Wilson, Field Crops Commissioner, with the provincial Department of Agriculture, points out that delays in receiving reports and the apparent need for expanded services can be overcome by taking proper fertilizer over a longer period of time. Therefore, all the seed ... cannot be rounded into a few weeks before seeding.

Germination tests, says Mr. Wilson, should be started by the early fall and soil samples should be sent to the laboratory in September and October. Seed treating and cleaning should be spread over the winter months. Laboratories and seed cleaning plants will become more crowded as seeding is approached.

# 'As ye Sow . . so shall ye Reap'

## 1965 Grain Varieties Northeastern Alberta

The newest thing in Alberta at least, is the variety of grain publication for 1965. There is no recommend list, only a list of suggestions. The bulletin is available from the DA office. The area referred to in the following article will be that area from Minburn to Lloydminster and extending north and south of the line perhaps thirty miles wide.

**WHEAT**

Throughout the area "Canthatch" will be first choice with probably "Thatcher" supplanted. It is acreage if not in popularity. The yield potential, milling quality, etc are good and identical. If early maturity is required "Park" must be number one choice. Park is a good yielder, close to Thatcher and considerably higher than Garnet Park has more rust resistance than Garnet, better quality and less tendency to bleach than most of the other common varieties. Quite often a small acreage of Chinook gets this far north probably because of its Royal Winter Fair reputation. A few farmers grow Selkirk and two that I know of had a considerable acreage of it winter wheat spring of 1964. If you have a resistance to rust Selkirk is very well continue to occupy a considerable acreage especially on farms that make oat hay or silage. If there is an all round oat for this area it must be Eagle.

**RAPESEED**

There are two types of rape Argentine Golden, Target and Tanka) require about 120 days to mature. Polish (Ario and Echo) will mature three days earlier than Argentine (generally speaking Argentine only yields Polish. I.e., if the season is four months Tanka is the highest yielding variety of Argentine rape Ario was the best variety of Polish but on rich land it lodges. The new Polish variety "Echo" outyields all other Polish varieties and will be very popular with the oil extraction.

**RYE**

Antelope and Frontier rye are the most winter hardy varieties, but are outyielded by the more tender and larger seeded variety Petkus. For the north country Frontier would be hard to beat year in and year out. If spring rye must be grown, Prairie is a

**MUSTARD**

Mustard is a construct crop and the company ... knows the contract will supply suitable seed. It usually yields less than a similar crop of rapeseed. It is advisable not to grow mustard on the same farm as rapeseed.

**OATS**

Probably the largest acreage of oats will be sown to Garry, and Garry because their acceptation is well known. Eagle is not popular taking a few more days to mature but is a good yielder, longer straw and has a resistance to rust than Garry. Victory will continue to occupy a considerable acreage especially on farms that make oat hay or silage. If there is an all round oat for this area it must be Eagle.

**MALTING BARLEY**

All kinds of barley quality, weights and varieties went malting in 1964. This was not a change in grading simply a shortage, and if there is a good crop in 1965 they will only accept No. 1 Canada Feed. Only two varieties will continue to occupy a considerable acreage especially on farms that make oat hay or silage. If there is an all round oat for this area it must be Eagle.

**FEED BARLEY**

Some satisfactories are concerned about the apparent recession of feed barley acreage in the area during the past years. Probably the farmers should be concerned because Husky or Jubilee treated like a wheat crop will produce more tons of feed per acre than any known crop grown in the area. Good farmers produced yields of Jubilee as high as 90 bushels per acre in 1963. If the barley is to be grown on second or third crop land a two-rowed barley variety has greatly good yields. Herta, another two rowed barley is popular on second and crop land. Other varieties grown are Parkland (Gateway) Keystone, Wolfe Newal and others, but their potential yield is lower than the above mentioned varieties.

**OATS**

Probably the largest acreage of oats will be sown to Garry, and Garry because their acceptation is well known. Eagle is not popular taking a few more days to mature but is a good yielder, longer straw and has a resistance to rust than Garry. Victory will continue to occupy a considerable acreage especially on farms that make oat hay or silage. If there is an all round oat for this area it must be Eagle.

**RAPESEED**

There are two types of rape Argentine Golden, Target and Tanka) require about 120 days to mature. Polish (Ario and Echo) will mature three days earlier than Argentine (generally speaking Argentine only yields Polish. I.e., if the season is four months Tanka is the highest yielding variety of Argentine rape Ario was the best variety of Polish but on rich land it lodges. The new Polish variety "Echo" outyields all other Polish varieties and will be very popular with the oil extraction.

**MUSTARD**

Mustard is a construct crop and the company ... knows the contract will supply suitable seed. It usually yields less than a similar crop of rapeseed. It is advisable not to grow mustard on the same farm as rapeseed.

## GOOD SEED . . . A GOOD BUY

By O. G. Bratvold, Supervisor Alberta Crop Improvement Service

To get the most from his seed the farmer needs to consider three separate factors. He should strive for purity. He does not want to plant weed seeds that will have to be spend money trying to eradicate. He also wants freedom from disease that may seriously reduce his yields. And above all he needs high purity. He will want to realize the benefits of research which has given him better crop varieties. Higher yielding, ... disease resistant seed is ... available to him. Many ... varieties ... for ... which ... seed ... is ... available ... Many ... varieties ... for ... which ... seed ... is ... available ... Many ... varieties ... for ... which ... seed ... is ... available ...

# Health Unit Notes

**TUBERCULOSIS**

The Health Unit nurses have another current consistent program, the follow-up of tuberculin or x-ray patients, their contacts and the periodic mass tous testing of others. The schoolchildren are comparatively easy to do follow-ups on. We are them in school.

Many adults do answer our notices to go for X-ray or come to the Well Baby Clinics for mantoux (tuberculin) tests. However, as in other programs, we have defaulters. Every month notices are sent out to people asking them to report for X-rays or mantoux tests. This can be time consuming but it is rewarding if the said people will do their best to co-operate. If you receive one these notices and for personal reasons cannot keep your appointments please discuss it with us. We do try to be understanding. Please do not ignore the notices sent to you, we are trying to help you.

**WELL BABY CLINICS**

Friday, Mar. 5 — Dewberry (School) 1:30 to 3 p.m.

Monday, Mar. 8 — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Tuesday, Mar. 9 — Wainwright (Health Unit Office) 2 to 4 p.m.; Tulliby Lake (Brown's Cottage) 2 to 3 p.m.

Thursday, Mar. 11 — Kitscoty (School) 10 to 12 noon; Lloydminster — Evangelical School) 1:30 to 3:30 p.m.; Chauvin 1:30 to 3 p.m. (School).

Friday, Mar. 12 — Marwayne (Village Office) 1:30 to 3:30 p.m.

# Marwayne U.C.W. Unit No. 1

Marwayne U.C.W. now has the distinction of having two units with a green, crop-test all. This is a first in the province of Alberta for rural areas.

Unit 1 has voted in favor of assisting the church board in building a much needed addition to the church.

Our yearly allocation has been accepted.

Some very interesting talks and slides have been given on Trinidad. The devotional is being taken from "The Moral Spectrum".

Policemen were voted in again this year.

A collection of 30c per member was taken to assist the C.G.I.T. with their Orphan Fund.

Seven members reported a worth while trip to the annual Presbytery meeting in Vermilion.

All denominations are invited to attend the World Day of Prayer in the United Church on Friday March 5th.

Members are asked to bring soft nylons to the March meeting.

# Canada's Boy Magazine Marks First Anniversary

Canadian Boy, Canada's only national magazine for boys, has just completed its first year of publication. A periodical of the Boy Scouts of Canada, it is produced for all boys and not only members of that organization. Published first in January 1964, the magazine now boasts a circulation of 310,000 copies with all of which are on a subscription basis.

In its first year it has drawn between nine and ten thousand letters from its readers. 88% of them favorable (in photographic contest drew entries from 1,500 boys and more than 3,000 responded to a survey on Canada's proposed new flag, revealing about the same division of opinion as was evident in the debates of the House of Commons.

Most popular feature, according to the boys themselves, has been the colored feature on the life and adventures of Lord Baden Powell, founder of the Boy Scout movement. Other popular features include stories by Canadian authors Farley Mowatt, Scott Young and Max Braithwaite and surprisingly, special features on boys' fashions.

One 16 year old budding author had his first published article in the pages of Canadian Boy, and it is a stated policy of the magazine to encourage young Canadian authors and artists by paying them full professional rates.

Regular features are carried on stamps and coin collecting, records books and models, and Canada's best known film critic, Clyde Gilmour, will join the ranks of contributors this year.

Among the commendations have been two from the Hon. Judy LaMarsh, federal minister of Health and Welfare and the Rt. Hon. John Diefenbaker, leader of the official opposition.

# SOIL TEST RESULTS

Soil testing and fertilization of crops have been controversial topics since their innovation and 1965 is no exception. Since soil tests began some years ago the majority of samples from summerfallow tested relatively high in nitrogen. Scientists explained the effectiveness of 11-48-0 on after summerfallow due to the high available nitrogen. In 1964-1965 most summerfallow soil samples submitted from the Vermilion-eastern Alberta indicated the fields to be extremely low in nitrogen. This had never occurred in so wide an area before. Early recommendations were for high nitrogenous fertilizer after summerfallow e.g. 23-20-0 or 27-14-0. This was short lived because the supplies of these fertilizers were limited. Later suggestions came out from the soil testing laboratory to broadcast 23-5-0-0 on last year's summerfallow and drill in 11-48-0. Different rains were suggested depending on the "efficiency" of available nitrogen. By Christmas everyone was confused including the soils research people at Lacombe. Experimental Farms, namely Don Walker, Mr. Walker is the research officer in charge of soil testing and work with

Mr. Walker expressed concern over changing fertilizer recommendations as the result of a soil test results that best answer results occurred before. Furthermore, there is no established field evidence to indicate yet will happen when the nitrogen levels are raised as suggested from the soil test results. Mr. Walker suggests that two factors will present too high a rate of nitrogen for fertilizer. Only 11-48-0 fertilizer will be available in quantity and most farmers will use 11-48-0 simply because this has been a good fertilizer in the past.

The [illegible] will result from applying fairly high rates of nitrogen on summerfallow land the Agricultural Service Board, County of Vermilion River, will run tests on a number of farms in 1965. The information obtained from these trials will be turned over to both University of Alberta and the Lacombe Experimental Farm for [illegible]

A GENERAL MOTORS VALUE

Parisienne Custom Sport Coupe

**There's much, much more to the Pontiac success story than outstanding good looks**

Parisienne Sport Coupe

Pontiac's new perimeter chassis gives you greater strength and rigidity for a quieter, safer ride. Its improved suspension gives you new smoothness on the roughest country roads. Its new wider track gives you improved cornering power. Its new steering gives new running to precision handling. Its bigger doors and flatter floor give you room more room and travelling comfort. And you get famous Magic Mirror finish, Body-by-Fisher quality, water-washed air-dried rocker panels, Dalcotron generator, dual twist carpets, foam cushioning, cigarette lighter, dual sunshades, locking glove box, 2-key locking system, crank-operated ventipanes and the widest Pontiac choice ever: 40 models, 17 colors, 4 transmissions, and engine selection ranging from 140 hp in the economical yet lively Acme-Six to 400 hp. All of which proves rather conclusively how our cars can lead to another.

# F.U.A. Favors Subsidies For Canadian Wheat

A strong stand in favor of wheat price subsidies for Canadian producers has been taken by the Farmers' Union of Alberta executive meeting in Edmonton in response to demands from many FUA members that their alarm at the current price situation be expressed at the highest levels, the FUA executive has instructed its representatives on this week's National Farmers' Union delegation to Ottawa to state their case in the strongest possible terms. On Mar 2, 3 and 4 the N.F.U. will be making its submission to the Federal Cabinet.

**"FORWARD PRICE"**

Wheat subsidy proposals are based on the premise that producers should not be forced to accept returns of less than the cost of production. A "forward price" for wheat, which would give producers a basis for planning ahead, together with a subsidy to make up the difference when the world market price is below the "forward price" would bring back stability to agriculture. In other industries, such as the automobile industry, the manufacturer sets a price on his product at the beginning of the year and then sells as many as he can at that price. If the price is set too high, he has a surplus on hand which he has to sell at a loss. If the price is set too low, he loses sales which he could have made at a profitable price. If he sets the price right, he sells his whole production at a profit. In agriculture, the farmer produces his crop and then sells it at the best price he can get. If the price is too low, he loses money. If it is too high, he has a surplus on hand which he has to sell at a loss. If the price is right, he sells his whole production at a profit. In agriculture, the farmer produces his crop and then sells it at the best price he can get. If the price is too low, he loses money. If it is too high, he has a surplus on hand which he has to sell at a loss. If the price is right, he sells his whole production at a profit.

**SEE TO $10,000,000 LOSS**

In supporting this position, FUA Vice-President Anders Anderson told Medicine Hat committee that full effects of the price cuts are not yet known. "It is ridiculous to think that a $60 or $70 million dollar loss to wheat farmers will be the only result," he continued. We must consider what unsettling effects the lower wheat prices will have in other sections of agriculture. We may see cheaper feed leading to increased beef production ultimately resulting in even lower beef prices. These wheat price cuts reflect the total economy of Western Canada.

The executive agreed farmers should not be expected to bear alone the full weight of competition by subsidized wheat producers in other countries. Rising costs and falling prices put farmers in the position where they will be unable to [illegible]

# No Increase In Fees At U. of A.

The Board of Governors of the University of Alberta announced recently that it has decided against any increase in fees for the coming year for students in undergraduate and professional Faculties and Schools. The Board hopes that the report of the Bladen Commission on Financing Higher Education and the study being conducted by the Canadian Union of Students on a national scale on student finances and expenditures will be available before this question comes up for consideration next year. Fees at the University of Alberta are the most in Canada.

**SUMMER SESSION INCREASE**

However, effective July 1, 1965 there will be an increase in fees for certain other categories of students at the U. of A. Fees for Summer session and Extension Credit Programs (all part-time students will be charged $2.50 to a total of $100) per course. Correspondence fees may be reduced by $5 per annum if advance registration is completed by April 1st.

Fees for graduate students will be increased by $50 to $300 a year for tuition plus $10 for registration fee totalling $310. A suitable appropriate adjustment in special cases where applicable will be arranged with the Edmonton and Calgary campuses.

CNF C

# Mannville Grows -- Annexes More Land For Building Sites

Annexation of the West half of SW 36-50-4-w4th has been approved by the Local Authorities Board, effective January 1st, 1965, that part of the east side of the Government Road or 47th Street, formerly in the M.D. of Minburn, to within the Village limits and will be included in the 1965 Village assessment.

**ALL REQUISITIONS MET**

All 1964 requisitions have been paid as well as delinquent accounts. The final payments on the debentures on the Fire Hall and the fire truck were paid in December.

Mr. Norman Wharry is caretaker at the local skating rink this season and he is sure the fall has hampered the skating but Mr. Wharry asks for help of Mr. Roder has endeavored to keep the ice in shape.

**OUTFALL DYNAMITED**

The outfall was dynamited but this did not prove too successful and Mr. Neighbour has been contacted to clear it in the same manner as he has done in other years. This summer a better method or system will have to be devised for carrying away the debris. A 24" culvert, time the maintenance man has to make several trips a week to make sure the outfall is kept clear.

**CORNERS CEMETERY**

Mr. Les McLaughlin and Mr. M. Humeniuk met with the council re: the Catholic portion of the cemetery. An orna mental gate to match the one now on the cemetery will be purchased and installed by the Catholic churches. The cemetery will be maintained by the new caretaker and the sale of lots looked after in the Village office. Mr. Chesterton will look after the opening and closing of graves as he has been doing with the Village cemetery. The Provincial Cemetery Inspector has commended the Mannville cemetery on the tidiness of the grounds and the overall good maintenance of the cemetery as a whole. More details in the Cemetery Fund have made this possible

A by law has been passed concerning the installation of water and sewer in those residences on the line that are not now served

**NEW STORE**

Mr and Mrs Johnson of the Spinning Wheel in Vermilion have opened a similar shop in Mannville in the premises form erly occupied by Brewer's Style Shop. The Beauty Shop is also in operation under their management. A Development Council was formed for these two shops

**MALE IS REPRESENTATIVE**

Mr. Merle Main was elected to represent Mannville and Minburn County at the County School committee Meetings are held on the first Wednesday in each month

The snow has been removed from the Main Street several times already this winter, and the side streets are also being cleared. The Village is endeavoring to obtain a used tractor and loader which will be utilized for snow removal as well as other village work.

The Canadian Utilities hav been contacted regarding the flashing light on the highway as it is not proving too satisfactory. The Flasher on the west side is not working

**REPORT TO LIONS**

Dr. Hamloff attended the annual meeting of "Homestead" home for the aged in Vegreville and reported back to the Council. Contributing municipalities have not been requisitioned since the home was first built as it has been self supporting. However, next year it may be necessary to requisition on a percentage basis for the amount of $1,000.00 which is necessitated by salary increases, replacement of equipment, etc.

**NEW ASSESSMENT**

A general assessment will be held this year for use in 1966. The last general assessment was in 1959 for use in 1960

# Production of Rapeseed Being Encouraged Here

Western Canada Seed Processors of Lethbridge has recently announced the appointment of Mr R L [illegible] to Camrose where he will continue to encourage rapeseed production. The past four years he has been stationed in Lloydminster where he has been very active in carrying out undertake rapeseed and sunflower production. Rapeseed has been grown under contract to Western Canadian Seed Processors in an area from Vulcan to Hoshema since the company started its operation.

Due to increased need for rapeseed for crushing purposes for the making of vegetable oil, it is now necessary for the company to expand its contract growing area to include the portion of the province south of a line running east and west of Edmonton.

This east central area of the province has grown rapeseed successfully for several years, but prices have been excellent, having reached an all time high during recent weeks. The vegetable oil plant at Lethbridge guaran tees a sure sale for rapeseed at fairly market prices from its contracted acreage.

Mr Jones lengthy experience in rapeseed production is available to growers by contacting local elevator agents who can supply contracts for the 1965 crop. Seed is supplied by the company to the contracted growers, the cost of the seed being advanced to the growers until the crop is delivered

Rapeseed has proven to be a simple crop to grow, as it can be handled by the usual cereal crop equipment. Yields of from 1000 to 1500 pounds per acre are not uncommon in this area of the province. At recent prices, growers have grossed returns of $60 to $80 per acre

Processing plant now become one of Canada's major crops. Over 700,000 acres were grown in 1964, producing in excess of 11,000,000 lb s of oil. America's crushing industry for vegetable oils in Lethbridge is supplying a market for a portion of this expanding rapeseed acreage

# News From Allandale

Weather - more snow around the 5th a foot or more cold, and wind to block the roads. We appreciate the efforts of our road grader operator, Mr. Bill Alley of Islay, and all others who have had a trying time this winter and who are doing their work well

February 6th, Mrs. Elsa Nelson and Mrs. Ellen Omness entertained an afternoon of quilting at the home of Mr. and Mrs Alvin Throndson. The pattern the "Dresden Plate" making a lovely quilt The next day Mrs George (Vera) Hood, Pa McIntyre and Mrs. Hall, Campbell Lake, were enthusiastic workers on the quilt

Congratulations to Mr. and Mrs Hank McKinnon on the birth of a daughter February 3

**WHEAT POOL MEETING**

The annual Wheat Pool meeting was held at the Allandale Community Centre on February 9th. Our delegate Mr. G.Ughtfoot gave an interesting report Mr George Mead, delegate for the division west also spoke briefly It's amazing how the Wheat Pool has progressed in the last few years Films shown by Mr Ten Knight were interesting and educational Ten gave information on the progress of the Wheat Pool Then spoke on revising the structure of the fertilized plant and it's progress in Calgary.

February 11th Mrs Evelyn Throndson Mrs Ivan Stevens and Mrs. Ellen Omness met at the home of Mr and Mrs Ivan Nelson For the day was spent quilting Sworth spreads to pass to Relief Chute's hospital

Mr. and Mrs John [illegible] Hooley and daughter Judy left Rabbit Lake Saskatchewan on a visit to Miss Hooley Mary

The home of Mr and Mrs Woody Wilson the week of February 11th Mary accompanied them to the city on the 12th to visit Woody We are pleased to hear he will soon be coming home

**LUMBER ON SCHEDULE**

Recently a bob rat (lynx) was very much at home around the buildings at the Ernesma home The large tracks were seen on the snow and could go along on the drifts

Mrs Ruth Ommess was visiting at the home of Mr and Mrs Harley Omness the week of February 16th. She had been visiting see Gerald Jeanne and family at Kimberley Sask and brother David Bury Velda and family at Lloydminster

Closing thought "True victory is achieved only when we have drunk of that well of living water which everlastingly springs up to everlasting life"

# Paradise Valley U.C.W.

PARADISE VALLEY. -- The U.C.W. enter to the Wheat Pool banquet on February 17th. Mrs. N. Deeville reported for Supply and Social Assistance. A letter from Dr. Stewart Allen of Cardinal, Ontario, tells of the missionary work done with sale of used postage stamps which are collected and sent to him. He appreciated that so many have been helpful in separating the old queen's head from the new and also separating the American, British and foreign stamps, using plastic bags. He asks again that a reasonable margin of paper be left surrounding stamps.

The Women's World Day of Prayer service will be held in the United Church this year at 2.30 p.m. All ladies from the village, from the surrounding country, Mrs. C. Gordon and from nearby towns, where this service is not held are welcome.

# Former Vermilion Lady Missing In Air Tragedy

On February 9th, at 11:30 a.m., a four place Mooney Mark 20 aircraft left the airport at Olympia Wash., destination, Las Vegas, Nev. It was to refuel at Redmond, Ore., before 3:00 p.m. after radio checks at Yakima and The Dalles, Wash. No word has been heard from the plane since

Aboard were two couples, the pilot and his wife, Mr. and Mrs. Gordon Berry of Olympia and Mr. and Mrs. R. A. Henry of Vancouver. Mrs. Henry was the former Blanche Snelgrove of the Derwent and Vermilion districts. Both couples were on their way to attend a Mobon's Brewery convention at Las Vegas. Bob Snelgrove of Vermilion left by air for Vancouver and Yakima to see family members and assist if possible in the air search that followed.

## Spring Germination Tests

Farmers who may have to plant tough or damp grain should have it tested for germination this spring.

A. M. Wilson, Alberta's Field Crops Commissioner, says that very little reliance should be placed on fall germination tests on wheat with a moisture content of over 16 per cent or coarse grains with a moisture content in excess of 16.5 per cent. Only tests carried out in February or March are likely to give a true picture of the seed viability.

When wheat shows heavy frost damage, which is indicated by severe blistering of the bran coat, or in the case of obvious immaturity — as indicated by a brongy appearance, the rate of germination can be expected to drop considerably during the winter months. If such seed stocks are being considered for 1965 planting they too should be tested in February or March for germination.

Oats damaged by frost usually show a definite drop in germinative, between fall and spring tests. Barley may not deteriorate in viability as quickly, depending upon the extent of damage. Here again, only germination tests conducted in February or March should be considered.

## Seeks To Prevent Illness and Accidents

The Health League of Canada in co-operation with federal and provincial health groups is launching its 21st annual National Health Week, March 14th to 20th.

During the concentrated campaign, preventative health measures will be stressed through school programs, churches service clubs and organizations and business and industry.

The League is distributing material to all organized groups pointing ou.. the ways in which 50 per cent of all sickness can be prevented.

The Health League has made tremendous strides in bringing the benefits of immunization and pasteurization to millions of Canadians and is leading the fight for fluoridation, which could virtually wipe out Canada's annual $120-million dental bill. But "the tremendous increase in emigration from European countries" in recent years has increased the need for far more public health education.

Among the main educational objectives of the Health League now are venereal disease, fluoridation, industrial health, child and maternal health, gerontology or the study of aging problems, alcoholism and artificial respiration.

Director Phare points out "the prosperity of any country depends on the health of its people, not on the number for whom it provides hospital beds, nor on the number of Welfare Agencies who look after their dependants."

## Respect For The Flag

Justice Minister Favreau says that serious consideration is being given to a suggestion that indignities towards the new Canadian flag be made a criminal offence. We suggest that this might be a grave error, giving the flag the status of an enforced symbol of loyalty might create more dissension than loyalty.

Not that the new flag should not be treated with the greatest respect. It should be and the rules surrounding the use of the flag of the United States might usefully be adopted in Canada as a code of behaviour. But we do not find that the United States makes any derogation from its code a criminal offence. Flags have to earn respect. It cannot be conferred by law.

## Letters to the Editor

Vermilion, Alberta, ... March ... 1965

Dear Editor:

I would like to comment on the thesis letter written by Mr. H. J. Anderson in a recent issue of the Standard. Mr. Anderson is obviously of the opposite side of the political fence to me but I do not like one fair between us in this matter unless we can both have a right to hold a letter Canada.

It would seem that his main complaints are: (a) The reduction of final wheat payments by 20¢ cents per bushel immediately after the Liberal Government took office in October in 1963. (b) An absence of acreage payments to farmers since the advent of the Pearson Government. (c) The dictatorial manner (Mister ... in which the Liberal Government brought in the ... two Canadian flag.

In the first place, contrary to the impression which Alvin Hamilton tried to create when it was to his political advantage it is the Canadian Wheat Board, not any government or minister of government that sells Canadian wheat. If prices is due, such as the case of our wheat to China, then the prices should go up board, just as the ... the board, just as the ... with the board.

In the note referred to by Mr. Anderson the final payment in the spring of 1963 was for the most part on wheat delivered by farmers in the fall of 1962 ... when the ... Government was not in office.

As for Mr. Diefenbaker's ... [illegible] ... there may have been needed under the circumstances that existed through out the country under his government. But the Pearson Government I believe prefers ... that the government always whenever possible ... but ... rather than relying on ... which ... I do not feel ... Minister should have to depend on meagre government handouts ... with a mess just before election time ... to buy his promises and pay his taxes. In fact I think it would be an insult to any farmer to suggest to him that he was on the dole.

I think Mr. Anderson would agree that to argue on the relative merits of our new flag as opposed to the Red Ensign would be pointless. Concerning the method of adoption of our flag ... Mr. Anderson would ... members. That the debate went on in the House of Commons for months that the Liberal Government at the time was a minority government, that the flag was the result of an all-party committee recommendation and that a final vote on the flag was 163 for to 78 against, and that Mr. Smallwood, our N.F., did not oppose his opposition by walking out. I submit that Mr. Anderson's statement about "Hitler tactics" is ... enough.

Eugene L. Mellish

By H. MORLEY DOUGLAS
District Agriculturist

VERMILION SHORT COURSE

The Vermilion Chamber of Commerce and the Agricultural Society are sponsoring the Second Annual Downtown Short Course.

TUESDAY Mar 16th, 10 a.m. — Vermilion Auction Market Mr Ace Carmichael, Supervisor of Livestock Improvement for Alberta, will conduct a Bacon Hog Clinic. There will be six hogs of various types and weights and all those present will be invited to select their choice and determine which ones are Grade A, B, C, etc. Mr Charmichael will make his decision and the hog marketing slide will be projected until Monday, Mar. 22.

MONDAY Mar 22 1:30 p.m. — Auction Market Building — Bacon Hog Clinic. The ... Hog Clinic ... farmers a ... declassifying of what the ... boss like after it has been ... slaughtered.

THURSDAY Mar 18th, 1:30 p.m. Elks Hall. Subject More Beef per Acre Speakers are Mr. Orlan Bratvold, Supervisor of Crop Improvement for Alberta and Mr. Eric Horton, of Heinsburg. Mr. Horton is currently teaching at the Vermilion Agricultural and Vocational College. More Beef per Acre is concerned with the ever narrowing margin that the beef producer must meet. It is generally accepted that we will continue to produce beef in northeastern Alberta, but at the same time many of the people that are now beef producers may go out of business because of their inability to adjust themselves to the new techniques. The meeting will be thrown open to questions and those farmers who are concerned with bettering high costs may have some of their questions answered.

LADIES' SESSION

THURSDAY, Mar. 18th. A special program in the Ladies' Session offered at the Legion Hall at 1:30 p.m. First subject is "Take a Look at Today's Fabrics" The speaker is Mrs. Nancy Zavoduk, Clothing Specialist, Alberta Education Service. The second speaker is Mr. Bruce Bowers, the Manager of the Better Business Bureau Edmonton and his topic will be "Beware and Be Aware" He hopes to expose some of the ... sharp practices which are currently being used on consumers. An excellent film will be shown entitled "Too Good To Be True"

# Bonspiels Enjoyed At Clandonald

MIXED 'SPIEL ENJOYED

Two rinks entered the mixed bonspiel in Heinsburg. Bob Wasylenko with players Mildred Molenaar, Matt and Hazel Kish won second prize in the third event. Jiggs Goldsmith with his wife Lianna and Ethel and Eric Nelson weren't lucky enough to get into the prizes.

MEN'S OPEN BONSPIEL

With good weather and good ice, the men's bonspiel here was most successful. The Grand Challenge was won by a local rink skipped by Art Lawrence Jr., with players Jiggs Goldsmith, George and Tom Bechtler. Second was Tupperwald of Derwent; 3rd to Elnora; Derwent, and 4th to Kent of Vermilion.

In the second event, first prize went to Tupperwald; Derwent; 2nd, Specht; 3rd, John Convey; 4th, Neil Jones, Dewberry.

Third event — 1st, Frank Matheson, Dewberry; 2nd, Dan Vogel, Derwent; 3rd, C. Laird, Marwayne, 4th, Allan Mead.

The banquet was held Tuesday night in the hall, and was catered to by the Ladies' Club. Reports are that it was one of the best.

We are sorry that John Shewfelt's rink had a bit of difficulty getting here one morning when their car and Minard's transport side-swiped, due to the icy roads and high snow banks on 6 miles in the province. No one was hurt, fortunately.

WINS A PIG

The pig donated by Allan and Nat Mead, and raffled by the Curling Club, was won by the Tuscona-Clandonald bank manager at Cold Lake.

The weather — thawing and freezing.

The bingo game held Wednesday night was fairly well attended. Plan ... as follows: Plan ... sheets Mrs. Mark Conroy, ... green blanket, Mrs. Phil Smith; ... cigarette machine, Mrs. Steve ... Kish; pair of towels, Mrs. M. ... Stuparyk; pink blanket, Mrs. ... George Conroy; lamp, Bob Conroy, blanket, Elaine Malik, rug, Mrs. Ken McMannus, bathroom rug, set, Mrs Mary IwaFord toaster, Miss Sarah Martin.

WORLD DAY OF PRAYER WELL ATTENDED

The Women's World Day of Prayer was well attended in the United Church. The world theme was "What doth the Lord require" Mrs. Dewberry read a brief message from the Christian Herald, pertaining to some of our requirements as Christians. The school girls sang "He's got the whole world in His Hands" very beautifully.

The Clandonald ladies' curling club wish to apologize for omitting the following from their thank you list last week Mr F. Kinsella, Vermilion. It was much appreciated.

SMILE

A clergyman who had served a parish for many years, felt that he should perhaps turn his work over to a younger man who might bring fresh energy and inspiration to the work. But before taking action he consulted one of his old parishioners, to explain his thoughts on retirement. "You know, grandfather," he ventured, "they say a new broom sweeps clean."

The old man pondered for a time. "Yes, son," he said, "I know they say a new broom sweeps clean. But my broom knows where the dirt's at."

# ISLAY LOCALS

Mr George Bowen from Edmonton was traveling some old acquaintances in Islay for the day. Looking very well.

Mrs. Wilma Dodd returned to her home last Saturday after spending two months with her daughter Mrs Laura Thatcher and family at Whitecourt Alta. Her son Maurice brought her from Edmonton where she had spent the past three weeks.

Mr Fred Gold who has spent the past three months in Edmonton came back last Saturday. He enjoyed his holiday very much.

Mr. George Groves spent several days in Edmonton recently attending to the sale of his property at Fort St. John, B.C. He also took in the hockey game in Vermilion on Sunday.

Several of the ladies from this area attended the World Day of Prayer held at the United Church last Friday.

Mr and Mrs W. Potvin were in Vermilion to see the Bob Cats and Centennial Juveniles play hockey last Sunday afternoon. It was a pleasure to see such a large crowd in attendance. They had dinner with Mr and Mrs Preston Lynch.

Mr Robert Kennedy left on Monday to attend the annual Bull Show and Sale at Calgary. He is exhibiting two choice bulls.

Mr and Mrs. Ed McFadyen went to Vermilion overnight on Sunday to visit their mother at the auxiliary hospital.

# Brand Inspection Fees Increased

# NEWS from MARWAYNE

Congratulations to Mr. and Mrs. Dale Graham on the birth of a son in Lloydminster Hospital on Sunday, February 28th.

Barrett Graham and son Ray were in Saskatoon this past week to watch the Brier play downs.

Mr. and Mrs. Geo. Perks visited with their son Kevin and family of the R.C.A.F. Air Force at Cold Lake on the week-end.

Miss Joan Herrington and Miss Verona Anderson of Edmonton were at home with their parents for the week-end. Also Billy Curtis of Medicine Hat.

The Junior Auxiliary of St. George's Church joined with the ladies in the United Church on Wednesday, February 3rd for Supper. Mr. Clifton Mrs. Milne, Mrs. Fred Flewell at home and to E. Griffiths of the Pioneer Lodge.

## MARWAYNE SPORTS

On Monday, March 1st the Marwayne Juveniles defeated Hillmond 8 to 6 in a game played in Hillmond Arena.

Wednesday March 3rd the Marwayne Maplets were out to [illegible] to Wainwright in a game played at Wainwright.

Kinsella Juniors went over to Marwayne 7 - 3 in a game played in Kinsella Thursday the 4th.

The Cronets won out in the semi-final of the Saskatchewan Alberta Hockey League in a 4 game three wins and one loss with Lashburn. They meet Hill-

# R. Taylor Attends Leadership Course

Rene Taylor of Vermilion was among 30 people from all over Alberta who attended a course in Rural Leadership at the Banff School of Fine Arts recently.

The course, under the auspices of the Department of Extension, University of Alberta, was jointly sponsored by farm organizations and Co-op commodity groups.

Mr. Taylor represented the U.F.A. Co-op.

# Bob Cats Win Way To Northern Alberta Finals

Vermilion Juvenile Bob Cats scored a no-doubt-about-it 7 to 2 victory over the Camrose Juveniles on Sunday afternoon, and thereby advanced to the finals of the Northern Alberta Juvenile B playoffs. The first game Friday night at Camrose resulted in a 5 to 4 victory for Camrose. Les Keeler's Bob Cats thus won the semi-final round by a total of 11 goals to 7.

At Camrose on Friday, night Vermilion had a close 5 to 4 decision, coming up from facing a 4-0 score at one time. Derry Beattie was the top gun for the Bob Cats, firing 3 goals, with John MacLean notching a single for The Bob Cats were sure that they would fare better in their home stadium with its larger ice surface and they surely demonstrated it.

## THREE-GOAL FIRST PERIOD

Bill Wilson converted Johnny MacLean's pass to tie up the series at 5:45 of the first period. Derryk Beattie combined with Darwin Hiresmann for the second goal, and Kenneth Cameron finished off the first period scoring with Bill Wilson assisting.

Dale Halterman was having a great game in the Bob Cats goal turning aside 11 shots.

Galiens stopped six shots but was well beaten on three others.

## CAMROSE DETERMINED

Camrose came out determined to gain back the early edge and rained 12 shots on Halterman who turned aside 10 of them. A setting by His team mates reverberate tired the goalie as the Camrose net five times but picked the corners and clicked for two goals to maintain their two goal margin on the series

It was John Hiresmann from Barry Walsh and Deryk Beattie for the opener and Ken Cameron, Camrose ace, but Barry Walsh roared back for an unassisted counter. Ladene and Berry finished off the counting in the second the game saw Vermilion 3 Camrose 2 and the total game series stood with the Bob cats 9 to 7 for Camrose

Noted as a good third period team the Bob Cats added two more in the third while holding Camrose scoreless. Barry Walsh Walsh from Wayne Maughan and Deryk Beattie from Darwin Hetenmann Shots on goal were even 10 each for the period.

## GOALIE STARS

Camrose sniffed the Vermilion team 32 to 24, with Bob Halterman really scintillating in the Vermilion nets.

## LINE-UPS

Vermilion Bob Cats — Halterman, Maughan, Neff, MacLean, Wilson, John MacLean, Cameron, Beattie, Beattie, Gleason, Stiles, Berry, Ladene, Hiresmann, Walsh, Williams.

Camrose — Galiens, Niven, Asp, Kinnee, Schmoelzl, Rohl, Hemsher — Anderson, Ramsted.

# Junior High Echoes

(By Patsy Busby)

Robson Junior High played host to Mannville when the two basketball teams met on Mar 2

The Robson girls, led by Helen Hiresman, the top point high scorer, conquered the Mannville girls by a score of 32-11. The Robson girls are coached by Miss Weeks and Miss Trask.

The Robson boys also put on a good show when they won by a score of 22-7. Top scorer for the boys was Clarence Knutson with 8 points. Rick Gardner coaches the Robson boys.

Robson Junior High is hoping to have many more such enjoyable basketball games in the future. We will not always win but hope always to enjoy the team spirit and friendly competition afforded by the games.

To foster international understanding among the young people of the world, Canadian Junior Red Cross members exchange cultural information with youngsters in other lands

## TIPS FOR TABLE SETTING

Have you ever scratched your head about setting the table "just right" for some special guests? An attractive table sets the proper atmosphere for a pleasant meal time. Let's take a look at the appearance of the table and its accessories.

## TABLECLOTHS AND NAPKINS

These should be made of sturdy fabrics which will withstand repeated washings. The choice of linens is limitless. From cotton linen and damask to colorful and plaided and printed cottons or linen blends. There's a place for there is a variety to suit your particular needs. The average size of a tablecloth should allow for a 12 to 15 inch overhang. For more formal cloths an 18 inch overhang is preferred. A pad under the cloth preserves the finish of the table and silences noise.

Napkins may match or contrast the cloth they are used with. Dinner napkins are generally 22 inches square, while breakfast and luncheon napkins are 12 inches square. When folding napkins simply fold in a square or a rectangle and then place them with silverware, to the left of the dinner fork or between the fork and

## Bonnyville Hotel Hosts Vermilion Bob Cats

Bonnyville is a nice town, claim the members of the Vermilion Juvenile Bob Cats, as well as a host of hockey supporters who accompanied them on the 90-mile trip Friday evening two weeks ago. Hands were icy from the rainstorm earlier in the week, and treacherous driving conditions were augmented by a biting sleet, so much so that police forbade anyone to leave Dorchester that night.

Fortunately team coach Les Keeler Albino Kerr (who also drove a carload) along with Charlie Forbes, Al Lorne and Ed Herzog, own the Alex Hotel in Bonnyville and placed the needed ice-hockey at the disposal of the crowd from Vermilion. Not only that but the hotel proprietors refused any payment for the accommodation.

There were no fare-offs at noon the next day, and made the trip home without incident. All were high in their praise for the generous treatment accorded them by their hosts.

# Marauders In Provincial Finals

By DON ROBERTS

St. Albert, two miles north of Edmonton this year will be the scene of the Alberta High School basketball championship for the north eastern Alberta will be represented by J. H. Bolwell Marauders of Vermilion who by virtue of their winning the N. E. Alberta Zone playdowns at St. Paul on Feb. 27th, won the right to compete. The boys defeated Cold Lake Airbase and Vegreville in that order to bring home the trophy emblematic of the Zone Championship.

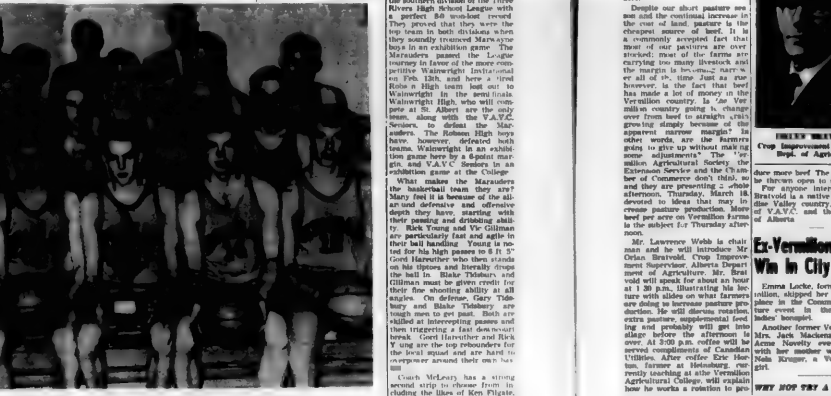
### At St. Albert This Week-end

A very successful year on the basketball courts, finishing atop the southern division of the Three Rivers High School League with a perfect 8-0 won-lost record. They proved that they were the top team in both divisions when they soundly trounced Marie-Anne boys in an exhibition game. The Marauders passed the League tourney in favor of the more competitive Wainwright Invitational on Feb. 12th, and here a tired Notre High team lost out to Wainwright in the semi finals. Wainwright High, who will compete at St. Albert are the only team, along with the V.A.V.C. Seniors, to defeat the Marauders. The Robson High boys have, however, defeated both teams. Wainwright in an exhibition game here by a 6 point margin, and V.A.V.C. Seniors in an exhibition game at the College.

What makes the Marauders the basketball team they are? Many feel it is because of the all-air and defensive and offensive depth they have, starting with their passing and dribbling ability. Rick Young and Vic Gillman are particularly fast and agile in their ball handling. Young is noted for his high passes to 6 ft. 5" Gord Hareuther who then stands on his tiptoes and literally drops the ball in. Blake Thiessen and Gillman must be given credit for their fine shooting ability at all angles. On defense, Gary Tidsbury and Blake Thiessen are tough men to get past. Both are skilled at intercepting passes and then triggering a fast downcourt break. Gord Hareuther and Rick Young are the top rebounders for the local squad and are hard to overpower around their own basket.

Coach McLeary has a strong second strip to choose from including the likes of Ken Filgate, Pat Moncrieff, Ron Herbert and Albert Bilsen. This probably gives you some idea of the power the Marauders have.

Good luck to you, Marauders! You have all of Vermilion behind you!



**Robson High Basketballers After Provincial Title**

Front row, left to right, Gordon Hareuther, Gary Tidsbury, Ray Hinton, Lyle Currie, Henry Rudyk, Tom Hutton, Pat Rick Young, Vic Gillman, Blake Tidsbury. Second row, Ken Moncrieff, Back row, Coach Kay, Mike Hinton, Equipment Filgate, Albert Dibsien, Bill Callas, Ron Herbert. Third row, manager, Head Coach McLeary.

## Missionary At The Alliance Chapel

Guest speaker in the evening services at the Alliance Church on Sunday, March 7th was Rev. Jean Jesperson, newly appointed missionary to Guinea, West Africa. Mr. Jesperson was accompanied by his wife and two small sons. They leave this summer for two years of furlough and further training period of preparation they will proceed to mission field. Until his appointment to the missionary service Mr. Jesperson was pastor of the Alliance Church at Estevan, Sask.

Pastor Bell spoke in the morning service on the subject "Our Living Lord". At the close of this service the Sacrament of Holy Communion was observed.

Special music was provided for the services a vocal solo by Mr. Albert Mix. A ensemble from Mannville Tabernacle sang two numbers. Misses Sandra Kuhn and Evelyn Bauer who were accompanied at the piano by Miss Dorothy Stefanik.

Otherwise the singing was accompanied at the piano and organ by Mrs. J. H. Bell and Mr. Ken Powell.

Out-of-town visitors in the services were Mrs. Mack Palmer from Mannville Tabernacle sang two duets. Misses Sandra Kuhn and Evelyn Bauer who were accompanied at the piano by Miss Dorothy Stefanik.

Otherwise the singing was accompanied at the piano and organ by Mrs. J. H. Bell and Mr. Ken Powell.

Out-of-town visitors in the services were Mrs. Mack Palmer from visiting Mr and Mrs. W. McLennan, Mr. and Mrs. Henry Hoerl, sons and daughters visiting parents Mr and Mrs. P. Dibbert, Barbara Dunbar and George Gomas. Interesting visiting her mother Mrs. Tarlton from Mr and Mrs. Arnold standard received. Also visitors from Red Deer to the employer.

MR. AND MRS. ERNIE TRENCHUK

## United Church Scene of Pretty Wedding

HERWENT Wedding vows were exchanged at a double ring ceremony on May 25th between Miss Betty Ann Chanasky, second daughter of Mr and Mrs Peter Chanasky of Hearwent, and Mr. Ernie Trenchuk, eldest son of Mrs. Caroline Trenchuk and the late Mr. William Trenchuk of Mayham. Reverend C. Miller conducted the afternoon ceremony.

The music of the organ filled the church as the bride was escorted to the altar by her father. She looked radiant in her full length gown made of Chantilly lace over taffeta. The skirt was gathered in a flowered effect at the front while three tiers of lace completed the back. The bodice was styled with a scalloped neckline and lily-point sleeves. A pearled flower motif was also doubled. Tiered waistline length veil fell from a heart-shaped headpiece of red roses that sent the long streamers of lace ribbon beautifully with little red carnations. Her only jewelry was a single strand of pearls a gift of the groom.

The matron of honor was Mrs. Adeline Tkach sister of the bride. She wore a white lace sheath with red sleeves and a red piece. Her bridesmaids, Miss Twojanes suit with a red corsage in the Mayham district.

Diana Chanasky, sister of the bride and Ann Tarkowsky, cousin of the bride, were short white sheath dresses of nylon and rayon lace. They carried shirts that matched the bride's gown. The bridesmaids carried red wedge lilies that matched their dress shoes and headpieces.

Mr. Edward Tkach, brother in law of the bride, was best man. Ushers were Lairie Lange and Nestor Berezanski, friends of the groom.

Mr. Edward Tkach proposed the toast to the bride while Mr. Jack Tomanychuk, uncle of the groom, acted as master of ceremonies during the reception at the Derwent National Hall.

For her daughter's wedding Mrs. Chanasky wore a three piece double knit suit in brown with matching golden accessories. Corsage of red roses completed her outfit. The groom's mother also wore a three-piece double knit outfit in brown with match white accessories. A cor sage of red roses completed her outfit.

For their going away outfit the bride chose a brown narrow sheath with gold accessories and the corsage. Mr. and Mrs. Trenchuk will make their home in the Mayham district.

## Government Inconsistent in Advertising Policy

(From the Vancouver Province)

The government of Alberta apparently thinks the people of that province can't have their minds contaminated by anything matter so long as those responsible for publishing it are not residents of Alberta. At least that is the conclusion one must draw from an order-in-council passed in Edmonton last week.

For years there has been a ban in Alberta against advertising alcoholic beverages in publications printed in the province, but the effect has proved but very modest over the flood of such advertising that pours into every Alberta home in newspapers which spended up delivery and reduced delivery rates.

Recently the publishers of the Financial Post of Toronto made an arrangement to have duplicate copies of the Financial Post printed at Calgary for distribution to subscribers in the west ern provinces. This was a happy arrangement which speeded up delivery and reduced delivery rates.

Then the publishers of the Financial Post were evidently not willing to deny such advertising from the paper so the order-in-council laid on whether or not the law could be changed.

It would be unfair to suggest that the government's action in any way influenced by the fact that the Albuquerque which wished to print the Financial Post has always been sound and friendly to the Manning government. In any case, the world's smallest province changed the law just enough so that the Financial Post with all its liquor advertising may be printed in Calgary and sold throughout the province.

The chairman of the Liquor Control Board is quoted as saying that without the new regulation the Financial Post would have been forced to discontinue its publication in Alberta because of the extra cost of the new method of distribution.

It is strange that the laws of Alberta should so blatantly discriminate against the publishing of a publication which, while practicing ventures of out sides, including Alberta to do so.

There are times when the law is no an

## Greenlawn Goodwill Club

The February meeting of the Greenlawn Goodwill Club was held at the home of Mrs. George Lansley with 18 members and one guest present.

The annual wheat party was enjoyed by all with Alberta Lansley and Gertrude Blacburn being the lucky ones for the ladies prizes. Arnauld Stone and Dug mar Holmen playing as gentle men were the lucky ones. Blanche Stone and Betsy Lansley got the consolations.

A very nice letter was read from Sheila Green thanking them for the money sent to her.

A quilting bee was planned for March 16th at Effie Mathison's. This quilt will be raffled at a Mother's Day tea, the date to be announced later.

The next meeting will be held at the home of Mrs. Mathison. Roads permitting.

Meeting closed to a close with a [illegible] with several ladies helping.

## Chamber Sponsors Farm-Curl Bonspiel

President Claude Underdown was in the chair at the regular meeting of the Chamber of Commerce on February 24th, and welcomed Israel Miller of Edmonton a former president and Mr. Tom Smith.

**FARMERS' SPIEL**

Mr. John Stewart showed the members posters advertising the First Annual Farm Curl Bonspiel and asked for volunteers to take out these posters to surrounding towns. Several members volunteered.

Aldous Kent was appointed as official representative at the opening of the Marwayne Arena on Friday the 26th of February, starting at 1:00 p.m.

**NEW SEED CLEANING PLANT**

Mr. Ralph Wilson addressed the Chamber on the possibility of the Seed Cleaning Plant being established elsewhere than in Vermilion unless the company was able to find a suitable location in Vermilion for the new plant.

The matter of a new location for the Seed Cleaning Plant in the Town of Vermilion was referred to the Industrial Committee for immediate study and report to the Chamber at its next meeting.

There are 102 national Red Cross, Red Crescent and Red Lion and Sun Societies in the International Red Cross movement.

**ANNOUNCEMENT**

As of March 1, I wish to let it be known that I have taken over the Imperial Oil Bulk Agency in Vermilion, formerly operated by R. Bodard.

## IT'S IN! . . . 9 Seconds After Face-Off

A split second after this picture was taken, Derek Beattie (number 9) and left winger Bob Cats flipped the puck into the net, and the Bob Cats were off to an 8 to 3 victory over Fairview in the first game of the Northern Alberta Juvenile finals.

The goal came 9 seconds after the puck was dropped to start the first game of the two game series Saturday night.

Centre Barry Walsh got the draw and passed the puck to Darvin Heinemann playing on right wing, who passed it to Beattie, then to Walsh again, to Heinemann, back to Beattie and into the net. —Photo by Jim Barr

# Building And Renovation Program Proposed At Vermilion College

### Eleven Projects Include Three New Buildings

The Provincial Dept. of Agriculture is proposing a mammoth building and renovation program at the Vermilion Agriculture and Vocational College. This calls for the expenditure of $647,000.00 during the current fiscal year, according to an announcement by Ashley Cooper, M.L.A.

This program comprises eleven projects. Two of these are new buildings, one is the second stage of the Animal Science Building, the remainder include much needed sweeping renovations to the present dormitory, and campus improvements.

The Vermilion-Viking M. L. A. stated that he was tremendously pleased with the continuing progress, to meet the needs of agriculture education at the vocational level. This year's projected plan of increased facilities delivers clearly on the 1964 program which saw over a half million dollar appropriation for the college. The Vermilion Agricultural and Vocational College is one of three in Alberta so serves a large area of the province with a corresponding large number of prospective students.

**DETAILS OF PROGRAM**

Headlining the additional facilities proposed are the following:

A new Home Economics Complex, to meet the needs of agriculture education at the vocational level. This year's projected plan of increased facilities delivers clearly on the 1964 program which saw over a half million dollar appropriation for the college. The Vermilion Agricultural and Vocational College is one of three in Alberta so serves a large area of the province with a corresponding large number of prospective students.

Major items in the renovation program include the following: Built-in stairwells in girls' and boys' wings in the dormitory, $30,000; complete re-wiring and new fixtures in dormitory, $30,000; new cabinets in dormitory kitchen, $15,000; extensive renovations to dormitory dining room and redecoration thereof, $18,000; enclosed entrances at boys' and girls' dormitory doors, $12,000; sewer flooring, tiling, refrosh, etc. in animal nursery, $7,500; program signal and clocks for the whole campus, $3,300; new alarm and campus street lighting, $7,300.

This entire program is proposed for the current year and is presently awaiting approval of the Legislature.

## Short Course Starts Today

Vermilion's second annual Agricultural Short Course opens this afternoon at 1:30 with separate sessions for ladies and men.

The ladies will hold their session in the Legion hall while the men sit in on a discussion of cattle feeding in the Elks hall.

Friday afternoon in the Elks hall a joint session for both men and women will be held at which Farm Estate Planning will be the subject.

Chairmen for the various sessions are Thursday afternoon for the ladies, Mrs J. H. Hart, and for the men's session, Mr Lawrence Webb.

R. C. Hewbert will occupy the chair for the Friday afternoon joint session

District Agriculturist Morley Douglas of Vermilion has been responsible for the organization of the short courses which are jointly sponsored by the Vermilion Chamber of Commerce and the Vermilion Agricultural Society.

## Ladies' Bonspiel This Week-end

The Vermilion Ladies Curling Club Mixed Bonspiel is scheduled to start with either a 2 or 4 rink draw on Friday depending on the final number of entries received.

Deadline for entries is close Wednesday noon. To date 12 rinks have indicated they would be entered in the four-event competition which winds up Sunday.

# Attendance at C. of C. Grows

Attendance at the weekly luncheon meetings of the Chamber of Commerce continues to show steady increase with 35 being present on Wednesday last week.

The president Mr. Claude Underdown was in the chair and welcomed Mr and Mrs Bill Howe who recently purchased the Vermilion Hotel. Mr. Dave Gill and Mr. Morris Long for Le Low in Provo of Mr. Lloyd Kliuli who recently opened a barber shop in town, and Mr Richardson introduced Mr L. Bedier, one of Her Majesty's magistrates resident in Vermilion.

**SUCCESSFUL FARM CURL**

Mr Kent Chairman of the Farm Curl committee reported a successful farmers' bonspiel and thanked everyone who assisted in his committee. Mr Kent stated that he intended to organize a similar bonspiel to be held on Tuesday, March 16th and Monday, March 22nd.

Mr. Underdown announced that a Citizenship Court would be held in Vermilion on the 25th of this month at 1:00 p.m. and the meeting was postponed to attend the National Affairs Committee meeting.

**READY FOR AGRICULTURAL SHORT COURSE**

Mr Morley Douglas reported all arrangements had been made for the Agricultural Short Course to be held next week, and stated that progress some assistance from Vermilion members. Mr Douglas distributed among the members everyone who assisted with this short Course and the Bacon Day to be held on Tuesday, March 16th and Monday, March 22nd.

Mr. Underdown announced that a Citizenship Court would be held in Vermilion on the 25th of this month at 1:00 p.m. and the meeting was postponed to attend the National Affairs Committee meeting.

# Bantams, Juveniles In Alberta Finals

Two Vermilion hockey teams, the Bantams and the Juveniles are now the northern Alberta champions of their respective divisions in the Provincial hockey world, as a result of convincing victories over High Prairie and Fairview. Each of the two game total goal series were played in the Vermilion Stadium on Saturday and Sunday and now the local teams play heads-up hockey to win easily.

**The game results were: Bantams — Vermilion 15, High Prairie 3; Vermilion 10, High Prairie 1. Juveniles — Vermilion Bob Cats 8, Fairview 3; Bob Cats 3, Fairview 3.**

The games were played as double-headers on Saturday night and Sunday afternoon, and attracted crowds of 800 and 1300 in round numbers.

While the visiting teams from the great Peace River country were decisively defeated in each game they never gave up and were strong in goals just as hard at the end of the games as when they started.

**TO PLAY SOUTHERN CHAMPIONS**

The two Vermilion teams now play the winners from the Edmonton district in Alberta and announcement is made elsewhere in this issue of your Standard.

**BANTAMS WIN 15-3; 10-1 LINE-UPS**

# The Vermilion Standard

TWELFTH YEAR

FOUNDER: E. R. P. COOPER — — — 1873 - 1964

Authorized as Second Class Mail Post Office Dept. Ottawa

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, MARCH 18, 1965

Published Every Thursday at the Office Main Street

Toasts of the town and district this week are Vermilion's two hockey teams the Bantam All Stars and the Juvenile Bob Cats. These two teams have won their way into the Alberta finals in the two divisions of hockey and will play for the championships this weekend.

The boys have won their way to the finals by playing hands up hockey, clean and sporty and the ever growing crowds at their games are pulling for them to attach the title, all right. It is great to have these two teams playing the type of hockey which has enabled them to reach the provincial finals.

While every possible credit is given to the players of the teams the Standard feels that those men behind the scenes the coaches and team managers should receive slightly more than the passing comments of the boys on the teams and must be paid in person. Without these officials behind the boys how to play the game to carry on the game from one season to the next and to give the opportunity to play it soon the Vermilion teams wouldn't have developed the skill and the boys wouldn't have had the opportunity to enjoy such an outstanding season of hockey. The men are coach Les Schreiber and team manager Bob Minahan of the Juveniles, and coach Les Williams and team manager Stan Mamchuk of the Bantams. These men have given of their time, energy and knowledge for the sake of the boys and the town and have made an excellent job of their undertaking. Their work and efforts are greatly appreciated.

## Time To Change Seed

If it has been a long time since pedigreed seed, pure of variety was used, it may be time to change seed. This can be done without affecting this year's quota. Up to 600 bushels of commercial grain could be exchanged for a maximum of 225 bushels of pedigreed or certified seed. Local elevator agents have the details.

## LETTERS TO THE EDITOR

**A BIT IN BRIEF**

Approaching Vermilion from east or from west,
The first sight is the Stadium,
it's ours, it's the best!
Throughout the winter good
location we had
Through actively gather to
cheer for our lads
Young and old quickly enter the
game to begin
We like a close contest but so
hopes then wins
Then players line up into the
ice it is to have seen
Then what do we hear? Why it's
God Save the Queen
No one sings a note but then,
that's to be usual
If it were for "Canada" none
that we stood
Come on Vermilion often twelve
hundred strong
We'd sing wouldn't we if they
played the right song?
Maybe others will if it's a new record
you need
My name I'll not sign, if you
care to take heed.

Vermilion Alberta

Dear Editor,

I have noted with a good deal of satisfaction that there is a movement afoot to establish a memorial park in honor of the late American Mr. Kit Carpharr.

I am wholeheartedly agree with such a proposal. However I think it would be more fitting that his memorial take the form of a concrete superstructure to the main street which would make it quicker of the name Urquhart Avenue.

David L. Laurence

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

**RAPESEED**

Probably as a result of the small harvest of rapeseed produced this year, some misinformation has appeared in the news channels. An article appearing in the Free Press Prairie Farmer March 6th, stated that Canada's rapeseed industry was down in the dumps. The article went further to suggest that the reason for the supposed state of affairs was that Canada's rapeseed varieties were no good, others have developed superior varieties, etc. etc. etc.

As mentioned in Northeastern Alberta rapeseeding would indicate that Argo is no better than Common Polish. In some districts Common Polish has not yielded Argo and has a stronger tendency to shatter. In 1964 the Agronomy Section of the Vermilion Standard Grain Growers of Northeastern Alberta in a rapeseed variety trial made available supplied to the Stand and made the article read that Argo had appeared would mature 3 days earlier than Common Polish but that Argo had 10 days earlier than Canadian Argentine.

**SPRING GERMINATION TEST**

If tough or damp grain has been dried it should be tested for germination before being put into storage. Germination tests should show a definite drop in germination between fall and spring. Barley seed does not deteriorate as quickly as oats. Be wise and test your seed for germination now rather than taking a chance.

**TREES**

There are limited supplies of Caragana, Green Ash, Manitoba Maple and White Spruce available for spring planting in 1965. Anyone who has been refused trees in the past two months and still wishes to plant in 1965 should apply immediately.

**GOODBYE**

I would like to take this opportunity to say goodbye to all the people in the Vermilion D.A. district. I have accepted the position of D.A. at St. Paul and therefore will be leaving the Vermilion of fice, May 4th, as Vermilion assistant district agricultural has been promoted to the position. I have made many friends and have enjoyed my stay with all the people here. Being as close as St. Paul, no doubt I will be seeing some of you seems easily and there fore, possibly I should be saying au revoir instead of goodbye.

Dennis E. Berdine

## Health Unit Notes

**YOUR CHILD'S EYESIGHT**

Your child's sight is of each great importance that every consideration should be given to that of her care. Bathing eyes with good clean water, the proper sanitary treatment if dirt or irri tation gets into the eye.

If your child has poor vision he is facing life with a difficult handicap. In early years it has its experience and learns his abilities. Parents may not realize it is poor. He will not com plain of poor sight because he has known no better vision.

At pre school medical examina tions each child is given an eye check by chart by the public health nurse. A child may some

Geo. S. Maxwell

Henry C. Wilson
Phone 853-3760
SUN LIFE ASSURANCE COMPANY OF CANADA

hesitant, awkward and even stupid at school when the real trouble is poor eyesight.

**DEFINITIONS**

1 Oculist — An eye doctor or ophthalmologist, usually confines practice to medical and surgical treatment of eye conditions, including testing of muscle anomalies and prescription of glasses. Some eye doctors also specialize in ear, nose and throat.

2 Optometrist — A non-medical graduate of a college of optometry licensed to test vision, prescribe and fit glasses and treat optical and eye muscle defects without drugs and surgery.

3 Optician — A skilled technician who grinds lenses to prescription fits eye glasses does not test vision unless he is also an optometrist.

Most children are born long sighted. At school age the vision has become normal in 80 per cent of the cases. Of the remain ing 20 per cent only a little more than half (12% of all children) need glasses. The others, 8 per cent have some visual defect detectable by dental tests. No child should be given glasses unnecessarily. School surveys show less than half the children who need glasses have them.

When eye checks are given by the nurse at school, those who are unable to read the eye chart are referred to the family who may choose the eye doctor or optometrist they wish their child to be examined by. The latter will make the decision whether the child needs glasses. If the glasses are not necessary the look for other reasons possibly medical why the child's vision is im paired. The referral of the eye check by the nurse is the initial step to discover what the prob lem might be.

**VERMILION A. R. A. NEWS**

The Vermilion Auto Racing Association was formed on Sept 23rd, 1964. The purpose of the club is to provide amusement and sportsmen with the sport of auto racing. Races will be held on the club's track two miles west of Vermilion. It is hoped to blacktop the track early this year.

The object of the club is Earl Pollard and secretary treasurer is Jack Hadden. New members are always welcome.

Watch the Standard for more notes regarding the club and its operation in the weeks to come.

## 16 Years Ago Today

MARCH 17, 1949

The Vermilion Tigers won the Craig Cup and League Cham pionship in a thrilling final game at Lloydminster on Tuesday night in a score of 5 goals to 4. Immediately after the game the cup, emblematic of the Cham pionship of the Eastern Alberta Hockey League was presented to the Tiger captain Sam Soldan by Mr A. N. West.

J. W. G. Morrison was pre sented with a life membership in the Royal Canadian Legion Post 11 at a regular meeting of the Legion.

Halvore Johre Barney Johre and Harold Haskell competed in the Northern Alberta Ski Jump meet at Edmonton on Sunday. At the banquet in the evening Barney Johre spoke on behalf of the new Vermilion Ski Club

## 48 Years Ago Today

MARCH 21, 1917

The second annual minstrel show given by our local man sirel company at the Columbia Theatre on Wednesday and Thurs day of last week was a big success and drew a crowded house Lorne McLean was a "big hit" and A. E. Kilner as interlocutor was the same cool, easy "go be tween" that delighted the audi ence last year.

The Northern Hardware Co of Edmonton is opening a large branch in Vermilion. The Giles block has been leased by the firm and it is expected to open about April 10th.

Three cars of settlers' effects reached Vermilion this week, al so a large number of cattle and horses. They were all brought in by Mr. Macklin who has pur chased a section of land east of Bonnyville school.

It would appear as if the im plement companies expect a big season this year as Vermilion will have engaged in the business to a greater extent than ever before. These include Jos. McEone R. West, J. A. Reynolds, F. L. Hadley Glassford & Co. and W. R. Dunnett. Business is reported to be bigger and better than ever

## CENTENNIAL GRANT

**Applications are solicited from Community organizations functioning in the hamlets and rural areas of the County and from towns and villages within the County boundaries for a share of the Grant for Centennial projects accruing to the County to be used for centennial commemoration.**

The following projects are eligible for consideration:

(1) The acquisition and construction of buildings and parks.
(2) The acquisition of buildings of historic or architectural merit and furniture or furnishings therefor.
(3) The restoration of buildings of historic or architectural merit.
(4) The writing and publishing of books.
(5) The composition of musical works.
(6) The creation and completion of paintings and sculpture and other works of art.

The project must be of a lasting nature and must have a reasonable chance of completion by 1967

If a building is involved, please give legal description of land on which it will be located and name of title holder. Give description of project, details of costs and where money will come from to meet entire cost

Applications must be received by the County or bear a postmark on or before April 7, 1965.

Applications already in the hands of the County need not be repeated

*County of Vermilion River No. 24*
KITSCOTY, ALBERTA

## Lengthy Agenda Is Handled By Council

The following is a [illegible] minutes of a regular meeting held [illegible] Present were Cr. Daniel Erlina [illegible] Garnett, Martin Tinker [illegible] Waldenberger.

The following matters arrived That the retainer fee for Richard son & Jha for 1965 be $300.

That approval be given to the Vermilion Seed Cleaners Asso ciation to erect a seed cleaning plant on CNR property immediately north of the Pemberton branch.

That R. D. Krake C.A. be appointed auditor for 1965.

That Cr. Geo. Turner and Works Supt. Eric Hansen, journey to Wainwright and Cam rose to investigate garbage re moval equipment.

That the secretary proceed with collection of outstanding ac counts for installation of water and sewer services.

That repairs be made to the TL-12 loader by Waterous Equip ment Ltd., based on an estimated cost of $4300 as presented by this firm.

That remuneration for deputy fire chief be $70 and each captain be $15 per year.

That Art Gaylor be purchased pressure gauge and treatment be made to sewer lines and the lagoon to help cope some odor problems

A motion that the recommenda tion of the Stadium Committee to divide gross gate receipts from [illegible] Hockey Club series to on the basis of 75 to the Tigers Hockey Club and 25 to the stadium with a maximum of $3 000 be accepted was lost.

Secretary D. R. Mitchell re ported on investigations with the water works department of the City of Edmonton in respect to the handling of water and sewer. He reported that a 3-man crew with suitable equipment would obtain an average of two breaks a day. The equipment used was an air compressor and an air impact tool for breaking through the frozen ground.

Cr. Garnett reported on fire protection matters.

Dr. Brimacombe left on file a statement of recreation commis sion operations for 1964. He al so reported on the planning meet ing he attended recently on Red Deer. He mentioned the planned subsidized Regional Planning areas and that there were seven established in Alberta.

Mr. E. Wilkins of Wilkinson & McLean was present and raised by this firm.

## WESTERN ANIMAL CARE . . . PHEW-EE !

There is one Vermilion resident anywhere who has no need for the services of Western Animal Care, the organization under contract to the town to pick up stray dogs.

Early Friday morning a resident of the Imperial Block was awakened by several members of a pack of German Shepherd dogs whom have been running the town, at will for the past few months. Looking out to determine the cause of the commotion the resident saw three of the dogs doing a dance around a bully the skunk, which refused to become excited. Then precisely at the right moment the little animal raised his tail, threw roughly spraying the three aggressors and trotted off down the alley while the erstwhile molesters frantically scrapped around rolling and burning their heads in the soft snow in a vain attempt to eradicate the perfume of the skunk.

Western Animal Care . . . it's a important a few more bucks.

## LOCAL NEWS

Guests at the home of Mr. and Mrs. John Stewart over the week-end were Mrs. Stewart's aunt and uncle Mr and Mrs. H. S. Douglas of Edmonton. They were down for "Open House" at V.A.V.C where their son is a student.

Miss Judy Russell of Edmonton spent the week-end at the home of her parents Mr. and Mrs. W. K. Russell on the V.A.V.C campus.

Miss Donna-Marie Parlash a student at McTavish Business College was home for the week-end with her parents, Mr. and Mrs. Joe Parlash, Jr.

Visiting with Mr. and Mrs. G. Halterman at the week-end were Mr. Geo. Ball and Miss Shelly Ewart from Wasen, Bashaw.

On Wednesday, March 10th, Mr. and Mrs. Ed Hemmingway accompanied Wally Brower to Edmonton to attend the annual Metro Cinema meeting held at the Macdonald Hotel. Mrs. Burdett visited with their daughter and family. (Jean,) Mr. and Mrs. Don Young.

Mrs. A. M. West was in Edmonton last Saturday visiting at the home of her sister and brother-in-law Dr. and Mrs. Dunean. She returned home on Wednesday evening with her brother Mr. J. A. M. Craig and her nephew Mr. John Stewart, who had been in the city to attend the Metro Convention.

Mrs. Lawrence Webb left on Friday morning, March 12th for Saskatoon to visit her father who has been hospitalized there for some time.

Mrs. Herb Hemmingway and little granddaughter Tara Hemmingway of Edmonton were up to Vermilion over the week-end visiting with relatives. While here they were guests of Mr. and Mrs. Ron Hemmingway.

Miss Glenda Brennan of the Royal Alex Hospital, Edmonton, spent a few days at the home of her parents, Mr. and Mrs. C. N. Brennan.

Mr. and Mrs. Carson Long were called to Calgary recently due to the illness of Mrs. Long's mother Mrs. Chown, who passed away quite suddenly on March 8th. The funeral was held on Tuesday March 9th. Mrs. Long returned to her home Monday of this week.

Thirty or more students enjoyed the hospitality of Mr. and Mrs. John Roth on Thursday evening, when a most successful tobogganing party was held there. After the thrills and spills, a delicious lunch was served.

## Wildmere Winks

The usual week-end storm blocked several side roads again. Mr. Lindy Paddon is kept busy with the big plow and Walter Weirman uses the tractor more gently.

Congratulations to Elaine Osterberg for successfully passing exams on Tuesday.

The Vermilion Chamber of Commerce is going to be commended on the fine way the participants of the Farmers' Banquet are royally treated. The banquet was delicious and the prizes (all trophies) were lovely. Out of the five rinks from Wildmere four were in the prizes.

Lloyd Howard's cows are certainly doing their best to increase beef production, having given birth to two sets of twins, all doing well.

The St. Patrick's dance was fairly well attended considering the roads. Everyone enjoyed themselves dancing to the lively 5-piece Templeton Orchestra.

Three rinks from Preston were guests at the Buffalo Onion school spiel on Saturday. None were lucky enough to get into prizes but were close. They all report a very enjoyable day and evening.

The Wildmere ladies 'spiel had to be postponed on account due to poor roads. They hope to play it off on Tuesday and Wednesday evenings.

Linda Ruth Smith returned home from her holiday to Vancouver and the States last week-end.

A speedy recovery is wished for Mrs. Albert Hoite of Vermilion in the hospital having suffered a heart attack, also for Mrs. David Dibben, still in hospital recovering from a jaundice attack. Congratulations to the Vermilion Bantam and Juvenile Hockey teams for again winning their games over the week-end.

## Hi-C Notes From Islay

The Islay Hi-C Club was re-organized recently under the leadership of Rev. [illegible] of Kitscoty, with the following officers: President, Kenneth Hinrichs; Secretary, Randy Jarvis; Treas., Darlene Attfield; Lunch convenors, Judith McLeay and Shirley Van den Polder.

Meetings are held the first Thursday in each month at 7:30 pm.

On March 4th a variety concert was held in the Islay United Church with skits and a play. It was well attended. The evening ended with a sing-song led by Harold Rosbotham, following which refreshments were served.

Mrs. Roley Inman was presented with a small gift by the Hi-C members as an appreciation for her interest in helping the club with its endeavors.

The members of the Hi-C wish to express their thanks to all parents and citizens for support given in this venture.

The group was represented at the Hi-C Rally in Manville on March 12 and 13.

## Old Timer Of Vermilion Dies

Mr Harold Wilson of Vermilion passed away in the Vermilion Hospital on March 11th at the age of 74 years following a brief illness. He leaves to mourn his passing his dear wife, Mrs. Naomi Wilson of Vermilion; five sons, Rev. Ray Wilson of Whitehorse Rev. Franklin Wilson of Calgary, Mr. Gordon of Calgary; Paul and Daniel of Vermilion, five daughters, Mrs. Art (Phillis) Sarin of Edson, Miss Ruth Wilson of Whitehorse, YT.; Mrs. R. (Dorothy) Larsen of Calgary; Mrs Basil (Vera) Cooper of Bowsyn; Mrs. Charles (Gladys) Stanley of Calgary; two brothers, Mr. Percy Wilson of Vermilion and Mr Clark Wilson of Calgary; one sister Mrs. Fern Brown of Wainwright. There are twenty grandchildren.

Funeral services were held from the Alliance Chapel on Saturday, March 13th at 2 p.m. with the Rev J Bell officiating. Interment was in the Vermilion Cemetery.

Dunalli's Funeral Home Ltd. was in charge.

## Manville Old Time Resident Dies

An 80-year resident of the Manville district has died in St. Joseph's hospital, Edmonton.

Ernest Digby (Captain) Wright, 84, was born in Digby, N.S. in 1880 and came to the Fidelity district north of Manville as a young boy where the family homesteaded.

He continued to operate the farm until 1945 when he moved into the town of Manerville and opened a shoe repair and harness shop.

Ernest is listed the Ye Olde Curiosity Shoppe and remained in business in Manville until 1947 when fire destroyed his premises.

Known to everyone in the district as Captain, he took an active interest in church and community affairs.

He was a member of the Loyal Orange Lodge for more than 50 years and was Master in 1908. He also served for 25 years on the vestry of Christ Church in Manville.

## LOCAL NEWS

### GOLDEN WEDDING ANNIVERSARY

An open reception will be held at the farm home of Mr. and Mrs. E. W. Hart on Saturday, March 20th, 1965, from 8 p.m. to 9 p.m., the occasion of their Golden Wedding. Friends and neighbors, please accept this as your invitation. 36-7

Mrs. E. King has returned to her home in Prince Albert after spending the winter with her son-in-law and daughter, Mr. and Mrs. A. L. Sandy.

Mr. and Mrs. Carl Heckbert returned recently from a very enjoyable holiday which took them to Montreal and as far south as Jamaica.

### APPRECIATION

We take this opportunity to thank all our family, friends and neighbors for the farewell parties given to us and our family prior to our departure for Redwater. Sincerest thanks for the purses of monies and the gifts received.

Peter and Onorka Mudryk and family.

Among those in town over the week-end to attend the forthcoming Farmers' Banquet were Mr. and Mrs. Phil Lindquist and their three children from Lone Saskatchewan. Mrs. Richard Hammer and friend of Tofield. George and Dorida Stoeckman and children of Edmonton, and Mr. and Mrs. Ron Himsworth and Barb of Edmonton.

Mr. and Mrs. Jas McEachern and accompanied by Mrs. Maggie Sheffield of Edmonton were weekend visitors at the home of Mr. and Mrs. Pat McCambridge in the Campbell Lake district.

Attending the Fort Saskatchewan Ladies' Open Bonspiel last Friday through Sunday was a local rink skipped by Hilda Cross with Isobel Kent Rose Zarula and Gertrude Hart. In the foursome was Emma Lerke from Edmonton. Although they did not get in on the prizes the ladies reported a very enjoyable week-end.

Mrs. Betty Richardson spent a few days recently visiting in Edmonton.

Jim Teasdale who works for the Federal Government in the Livestock branch is in Edmonton and Glen Teasdale who is with the CNR in Edmonton were over to see their parents and they celebrated their birthday with their parents mother, Mrs. Ora Rankin and their brother Robert completing the "Teasdale Triplets".

A surprise birthday party was held for Mrs. Kay Jarock at her home on Saturday evening, Mar 13th. The very beautiful birthday cake was iced and decorated by Mrs Molly Semeniuk. Fifteen ladies attended and presented Kay with a [illegible] gift for which Kay expressed her thanks and appreciation. A very enjoyable evening was spent, followed by a delicious lunch.

Mr. Al Treber was in Edmonton recently where he assisted our Member of Parliament Hon. Mike Pattyak for the help that was given so freely on Sunday, March 7th. Mr. Treber had the misfortune to slip and break my leg on the road.

Grant and Mary Roberts

### CARD OF THANKS

We wish to take this opportunity to thank our relatives friends and neighbors who made our recent golden wedding such a pleasant occasion. A special thanks to those who served such a delicious supper and to Mrs. Gordie Wells who so remembered him his hockey playing days with the Tigers.

### ENGAGEMENT ANNOUNCED

Mr. and Mrs. Geo Davis wish to announce the engagement of their daughter Sylvia Jeanette to Mr. Russell Edmond Garnier son of Mr. Edmond Garnier and the late Mrs. Garnier of Dewberry. The wedding will take place on Saturday the 27th of March in the Grace Lutheran Church Lloydminster

### CARD OF THANKS

I wish to take the opportunity to thank the staff of the Vermilion Hospital for the kindness shown to me during my recent stay [illegible] cards and [illegible] Sam Samuelson

**News From DEWBERRY**

(Held over from last week)

Mr. and Mrs. Tom West spent a few days in Edmonton last week.

Sandy Ewer, Bruce Bowman, Ely Walker and Bobby Walker participated in the Vermilion Hen's Bonspiel.

Jean Clark of Edmonton spent last week-end visiting her mother Mrs. E. Darcus.

We are happy to see Mr. Jim Strachan home from the hospital.

Congratulations to Jack Reglstad, Neal Jones, John Anderson and Sherry Isert who won second prize in the Grand Challenge at the Elk Point Bonspiel.

Those attended in town due to the blizzard were Mrs. Don Brown, Mr. Bill Hyatt, Miss Susann Hyatt, Bruce Maddes and Harold Illingsworth. Some juvenile hockey players were forced to stay in Marwayne and two curling teams were stranded in Elk Point.

The schoolchildren enjoyed a holiday Friday while the teachers attended an Institute in Kitscoty.

Mr. Frank Bowman has returned home from the hospital and is presently spending a week with his daughter and son in law Mr and Mrs. Bill Romanchuk of Lloydminster

Mr. Clarence and Marjorie McLean attended Varsity Guest Weekend in Edmonton.

Mr. W. Postma is home from the hospital, his daughter Doreen and friend brought him from Edmonton.

Dave and Roy Finlay were in Edmonton last week visiting their parents.

Mrs. Pete Morin of Edmonton is visiting with her parents Mr. and Mrs. Dick Elliott.

**SUNDAY AT THE ALLIANCE CHAPEL**

Pastor J. H. Bell preached at both services in the Alliance Chapel on Sunday, March 14th. His sermon subjects were "The Sublime Announcement" a n d "Silver, Gold and Garments".

The Special music was provided for the services by Mrs. Al Curtis, Mr. and Mrs. Bert Cranknecuk, Mr. Walter Wilson, Mrs. J. Bell, Bell Sisters Trio and Mr. Jake Hansen. These took the form of a quartette, trio and a duet. Piano and organ accompaniment for the singing was played by Mrs. Bell and Mrs. Tisdell

Announcement was made of the Youth Fellowship meeting on Friday, March 19th. The young people will meet at the Chapel at 7 p.m. and motor to Blackfoot for the showing of the film Vaso series.

Special out of town visitors attended the services. Among these were Mr. and Mrs. Barth Gust and family, Mrs. Mary VT Mead and Mrs. Mervin Dowling of Elk Point. Mr. and Mrs. Walter Wilson, Calgary, Mr. and Mrs. Al Cranknecuk of Edmonton, Mr. and Mrs. Tom Vanselow to attend the funeral of Mr. Ray Lynch. Mr. and Mrs. Ed Wilson with Lisa and Kelly of Chapel Crossing.

**CAPITAL REPORT**

**Municipal Economic Bonanza Introduced**

By HADLEY J. CASONE

EDMONTON (CNS) — Legislation authorizing Alberta municipalities to undertake urban renewal and public housing projects was introduced in the Legislature Friday by Municipal Affairs Minister A. J. Hooke.

Economically significant Mr. Hooke's legislation, as interpreted by the most important item of business to come before the government during the present session as far as municipalities are concerned. Essentially it gives municipalities a virtual carte-blanche to undertake any project of renewal development the municipality desires — subject to financial assistance by the province which will be paid on a 50-50 joint federal-provincial scheme.

The announcement was greeted in the east benne boro in the federal government and 25 per cent by the municipality as its part.

Included in the powers for municipalities to undertake urban renewal projects is the power to assist in relocation of persons former charged in the area. And finally municipalities will be authorized to grant or loan property owners funds to aid renewal projects on terms the municipality deems just.

In addition to urban renewal legislation, almost every conceivable topic came under discussion in the Legislature last week from a dissertation on the evils of J. J. Saltzman's Catcher In The Rye and its preponderance of four-letter words to Mr. Lorne Brooks's suggestion that a Peace Park (that "new" word) should be established to advise in John Diefenbaker and Mrs. Bertha Crankenwerk, Mr. Walter Wilson, Mrs. J. Bell, Bell Sisters Trio and Mr. Jake Hansen. These took the form of a quartette, trio and a duet. Piano and organ accompaniment for the singing was played by Mrs. Bell and Mrs. Tisdell

Announcement was made of the Youth Fellowship meeting on Friday, March 19th. The young people will meet at the Chapel at 7 p.m. and motor to Blackfoot for the showing of the film Vaso series.

Special out of town visitors attended the services. Among these were Mr. and Mrs. Barth Gust and family, Mrs. Mary VT Mead and Mrs. Mervin Dowling of Elk Point. Mr. and Mrs. Walter Wilson, Calgary, Mr. and Mrs. Al Cranknecuk of Edmonton, Mr. and Mrs. Tom Vanselow to attend the funeral of Mr. Ray Lynch. Mr. and Mrs. Ed Wilson with Lisa and Kelly of Chapel Crossing.

**AMENDMENTS TO HIGHWAY ACT**

The government enacted an amendment to the Vehicle and Highway Traffic Act which gives police officers the power to order one or more of the highway if he considers the village is impeding traffic and causing a hazard. Previously it was not an offence if an individual refused to order speed up or move off the highway.

**SAFETY HELMETS**

Another amendment to the Highways Act provides that all motorcycle riders must wear helmets of a standard to be approved by the minister. It is also provided that the minister may make regulations governing the construction of motorcycle helmets. Under the new law, however, the minister is not required to make regulations governing the construction of motorcycle helmets. It is also provided that the minister may make regulations governing the construction of motorcycle helmets. It is also provided that the minister may make regulations governing the construction of motorcycle helmets.

**BUDGET CRITICIZED**

On the opposite side Liberal opposition leader Mr. Clark criticized the budget for not providing enough money for the Alberta Hospital Services Commission. He said that the province's contribution to the commission was only $12 million this year, as they are doing.

And he said the increase of $10,000,000 the government is spending on education was not enough. It is enough to keep up with normal increases in education costs, he said but not enough to keep abreast of actual needs, where are greater than ever this year.

## Celebrates 97th Birthday

Following a tradition of the past few years on Thursday, March 11, 1965 Mrs R Spicer of Dewberry entertained relatives and friends of Mrs. Annie Parr on the occasion of Mrs. Parr's 97th birthday. This year Mrs Parr is a patient in the Islay Municipal hospital and through the kind permission of Mrs K Bell, matron, the party was held at the hospital. Calling during the afternoon for tea and a piece of the beautifully decorated birthday cake were: Mr John Parr Sr and Mrs. Bert Parr Mr Frank Parr, Miss Sandra Parr Mrs. Norman Mathison representing the Riverton Ladies Club; Dr. A. H. Sweet and Mr. Fred Maddox who was a patient in the hospital at the time. Also present for the tea were the remainders of the staff of the hospital.

## Big Convention Picks S-C Candidate

A well attended convention of the Social Credit Constituency of Battle River - Camrose federal constituency The convention held at Viking on Saturday was attended by 104 accredited delegates, and close to half that number again as visitors. All delegates must be appointed by the key man at each polling division and must be a member of the Alberta Social Credit League with his membership dues in good standing

**FOUR CANDIDATES**

Four candidates were nominated, George Vallean farmer, of Wainwright Arthur Ramsay, farmer of Camrose, Adair Rasmussen, pipe line constructor of Camrose and Fred Barber, oil geologist of Edberg, who resides in Camrose

Mr Barber won the nomination on the first ballot

Guest speakers at the convention were the Hon. Andrew Aalborg and the Hon. Henry Ramsay Other M L A s in attendance were Ashley Cooper of Vermilion Viking, Alex Corder of Vegreville-Bruce; Chester Sayers, of Camrose, and Jack Hillman, of Sedgewick-Coronation.

Following the convention the annual meeting was held, with the following being elected to office:

President, Ollie Shilvers, Holden; 1st Vice-President, Cecil White Camrose 2nd Vice-President, Roy Pottage Sedgewick; 3rd Vice-President, Angus MacMillan, Vermilion. Secy Treasurer, John Fehrweiler, Daysland.

Mr. Aalborg of Hanna Bay the Northern Lights are visible about 300 nights of the year.

## Couple Celebrates 60th Anniversary

Mr and Mrs. Frank Botterff, of 12859 122nd Ave., Edmonton, pioneer homesteaders in the Fertonush district, celebrated their 60th wedding anniversary Sunday.

Mr. Botterff was born in Ponca, Nebraska in 1879 and came to Canada in 1902 where he filed on the homestead. Mrs. Botterff was born in Wayne, Nebraska in 1887 and came to Canada in 1903.

The couple lived in the Fertonush district until 1949 when they moved to Edmonton.

They have three sons, Floyd, in Vermilion; James in Edmonton, Allan in Shaunavon, Sask. and four daughters Mrs. A. E. Butler (Edie) in Pontiac, Mich.; Mrs. Victor Lindgren (Elsie) in Edmonton; Mrs. Percy Smith (Nellie) in Sedgewick and Mrs. Robert Jensen (Phyllis) in Fertonush.

Mr. and Mrs. Botterff also have 16 grandchildren and 26 great grandchildren.

All their children were present for celebrations held Sunday afternoon at the Scandinavian Centre, 14230 128th Ave.

## Another Hockey Bargain Coming Up

Championship hockey the best bargain on the market? It is in Vermilion!

Once again this week-end, the charge for seeing two Provincial Championship games is the same as for an ordinary Juvenile League game. An adult admission of $1, or a student 50-cent ticket will get you into the Stadium for the Bantam and Juvenile Provincial final doubleheader.

## Owen Watson Guest Speaker at Rotary

Owen Watson of Lloydminster addressed the Vermilion Rotary Club at the regular meeting recently. Owen spoke on U.S. Foreign Policy. What made the speech interesting and unusual is the fact that Owen is only 14 years old. So many have done a lot of research to get all his information in such good order. He is in Grade 10 at Lloydminster High School. His ambition is to become a school-teacher and then a politician. It was agreed among the Rotarians that he will make it all right.

Owen was the winner of the Bryant Oratory Competition at Lloydminster in 1964. He avails himself of every opportunity to practise public speaking. He is quite an orator already.

Angus MacMillan introduced Owen and Bill Sutherland thanked him for quite a wonderful discourse on U.S. Foreign Policy.

It was announced by Claude Underdown, chairman of the Carnival Committee, that all arrangements are completed for the Rotary - sponsored carnival to be put on in the Vermilion Stadium Friday, Mar. 26th.

**HAM BINGO**

A ham bingo will be held in the Fidelity Hall on Wednesday, March 24th at 8 p.m. Proceeds for St. Pres lunch served after bingo. Sponsored by UCWL. 37

## Lone Vermilion Rink in Bonspiel Finals

Only one Vermilion rink made it into the finals of the recently completed 34th annual bonspiel of the Vermilion Curling Club. This was the Clayton Davis rink who lost out in the number two event in a hard fought game against Davidiuk of Innisfree. Left to right: Harry Jacula, lead; Nick Jacula, second; Robert Brass, third and skip Clayton Davis.

—Standard News Photo

## Attends 51st Annual Diocesan Board Meeting

Mrs. E. H. Buckingham, who recently returned from attending the 51st annual meeting of the Edmonton Diocesan Board of the Anglican Church in Canada, exchanged greetings with many friends, all of whom sent best wishes to Vermilionites. They were Mr. and Mrs. Ford Davidson, Mrs. Helen Barr, Mrs. Gertie Simonson, Mrs. Don Keen, Mrs. Mitchell Taylor, Mrs. Ted Kelly, Mrs. Gladys (C.W.) Robinson, Mrs. Loyal Ames, Mr. and Mrs. Harold Reid visiting the Davidsons' their daughter Jean, husband and family are now in Winnipeg, Ken and Bob in Calgary. Mrs. Hutchinson and Mrs. Kent of Marwayne. Mrs. Legg and Mrs Williams of Mannville were also attending the Session. Mrs. Legg was elected out-of-town vice-president. She, as many know has done excellent work for our young people.

Pleasant chats were enjoyed with the Rt Rev Bishop Burch, who, with his wife, recently returned from a holiday in Barbados both with a beautiful tan; and with the Very Rev. T. W. Teape and Mrs. Teape.

Greetings were also exchanged with the Rev. Harvey Stuart, who many will remember visiting here and talking of his dream of Oakhill, a home for boys, a dream come true.

Prior to the Session, Mrs. Buckingham visited in Calgary with her son Kenneth, and ran into David Horne at St. Barnabas Church. After a very beautiful Communion service conducted by the Rt. Rev. Bishop Calvert, a coffee hour was enjoyed in the church hall and Mrs. Buckingham was able to see new acquaintance with the Bishop, who she had met previously at the home of Rt. D. A. and Mrs Fred at Lethbridge Mrs. Buckingham also met Miss Emma Stevenson, previously of Lloydminster, and P.G.M. of the Order of the Eastern Star in Saskatchewan, who now resides in Calgary and sings in the choir at St Barnabas and works in the church office Greetings were also exchanged over the phone with Mrs. Bob Bell

## Mixed Bonspiel March 29th

The Vermilion Curling Club's open mixed bonspiel will be held commencing March 29th. Five entries from Players to play all events. Teams will be three event with trophy prizes for winner of each event. Entry fee is $5 per rink. Entries may be phoned in to Brent Long (draws in the upper hall of Grace at 853-3316 or Lyle Dowdell at 853-3118. 37-0 Entry success!

## Music Festival Notes

Mr. Gordon Hancock, Secretary-Manager of Music Festivals for the Province of Saskatchewan, was a welcome visitor to the final monthly meeting of the Lloydminster and District Music Festival Association on Wednesday March 4th. His remarks concerning the amazing growth of the festival movement all over the province were most inspiring. A new definition of an upsurge in music of high calibre. There was a good attendance at the meeting and the reports by heads of various departments given that the machinery of the festival is running smoothly.

Through the generosity of donors the Association is able to offer 28 awards this year which is well divided in proportion to the number of entries in each division. The sessions in the instrumental department will be more varied this year as 15 accordion and twelve band instrument entries have been received. In all entries have been increased by 80 over last year.

Regarding awards, will those who received trophies or shields last year which are to be won, select again this year, kindly intimate them to the convener Mrs W. Collister at Meridian Post Lloydminster.

Remember the dates. The festival proper commences Wednesday March 24th and closes with the Festival Concert on Saturday afternoon March 27th. Instrumental classes will be played in the auditorium of the Lloydminster High School and vocal classes will be held in the upper hall of Grace United Church. Let's make it a great success!

# Vermilion River County Sponsors Reading Institute

(Continued from last week)

The Paradise Valley Sub-local has been working on an oral presentation of spelling, in its relation to reading achievement, over a period of several months. The members have made a thorough study of at least two spelling books. These texts, Basic Goals in Spelling and MacMillan's Spelling Series have been authorized for use in Alberta schools in the fall of 1965. By means of a panel, the groups reported their findings. The group had investigated the format of the spellers, the use of color, of pictures, and general appeal. By means of charts, they illustrated both the strengths and the weaknesses of the two texts. More over, most valuable of all to their listeners, they reported their own reaction to using the books and their choice. Two groups of teachers handled the panel, and the writer was present when the group considered largely all teachers with comparatively short terms of experience. It was most interesting and heartening to find the group doing such a fine piece of work.

The elementary teachers of the Marwayne sub-local of the Alberta Teachers Association have been doing considerable research into reading in the content field. They have specifically investigated the social studies area and reported their findings to the fourth group.

Their members dealt with four (1) skim reading, to get general ideas; (2) cursory reading, to get answers to specific questions; (3) study reading, for details; (4) critical reading to form an opinion. They pointed out that the skills for all these types of reading are necessary, even in primary grades.

Their written report contained of samples of reading and the accompanying exercises. The group presented all reports in the display three to the spectators, thus providing clarity and interest in use of the new educational aids.

Again, the impression was given of a group which had learned a great deal for their own use and had much to offer to others.

Perhaps the most striking note of the whole institute was a happy and varied display of charts, devices, books, film strips and slides. This material came in from all over the county and was displayed in halls and tables in the auditorium. Teachers explained this, exclaimed over that, and briefly jotted down ideas which no doubt will be developed in their own classrooms. The only regrettable thing was a lack of time for thorough examination.

The institute was enhanced by a noon meal provided at the Memorial Hall and by morning and afternoon coffee breaks at the school.

The question of the value of such institutes is likely to be answered in good deal, both by county administrators and educational officials and by principals and staffs of the various schools. Some 25 to 30 teachers took an active part in presenting the reports, demonstrations and panels. No doubt these people got the most out of this institute, for they were most thoroughly involved in its preparation. Dozens of others brought in display material. The success of such days probably depends on more and more people becoming definitely involved. The institute is really the culmination of months of experiment, research and discovery. It is a symbol of a learning already achieved. It is also an indication of increasing interest in a form of research which is more and more recognized by educators as necessary. Surely teaching methods worked out by a real and energetic minority are of vital value to teachers in other average communities. Their practicability has already been proved by the time the results are made known.

This has not been an easy year for carrying out the projects. Meetings among teachers working on any such research are essential for a positive result. Travel has been very difficult and most involve considerable sacrifice of time and comfort for both teachers and their families. But the necessary meetings have been held, not only among the groups working on the projects reported at the institute, but also by groups involved in research into Mathematics and Science. Whether the hosting of institutes becomes an accepted thing or not, there is every indication that the teachers of today are taking an active part in research for improvement.

# Guest Speaker At Meeting of Vermilion Registered Nurses

The regular monthly meeting of the Vermilion Chapter of Registered Nurses met at the home of Mrs. Eva Carley. The meeting opened with the fifteen nurses repeating the Florence Nightingale Pledge.

President Mrs. Alice Stefinsky welcomed all present and thanked the hostess. The minutes of the previous meeting were read and accepted as written. Treasurer's report was accepted as given. The correspondence was read and dealt with where necessary. An invitation to attend an Institute on Human Relationships on April 14th in Wainwright was received. Open House at the local hospital will be April 22nd for high school students. It is hoped that a St. John's Ambulance Association Home Nursing Course may take place this spring if enough homemakers are interested. A certificate will be received by those taking the requirements of the St. John's Ambulance Association.

The business meeting closed and the guest speaker, Mr. Head, gave a most interesting talk on "Prescription for Tranquility" and "Change and Progress With Modern Medicine". This was followed by a question and answer period.

Lunch was served by Mrs. June Scott and Mrs. Vera Barr. Next meeting is at the home of Mrs. Dorothy Watts.

**COMING SALES**
BY
**Jackson's Auction Sales and Service**
FRANK EYBEN
of Asburndale
Complete line of new big blade long 12 ft. Dr. Cat. D. for range cows.

# DEWBERRY

Week-end guests of Mr. and Mrs. Jack Hammond were Mr. and Mrs. D. Sinnard and Mr. A. Sinnard of Fort Saskatchewan.

Miss Joyce Smith, Mr. George Myron and Mr. Ray Hubbard of Edmonton were guests of Mr. and Mrs. Jim Hines.

Mrs. Norman Fisher of Edmonton spent last week-end here.

Mr. R. Tibbitt of Vermilion was guest speaker at the Lions' Club regular meeting last week.

Last Thursday a number of Lions Intercoral Members attended the Lions' Club meeting in Islay.

Sympathy is extended to Mr. Odell Curtis and family on the death of Mrs. Curtis.

Mrs. George Dawe is presently visiting with her daughter and son-in-law Mr. and Mrs. Norman Dawe of Mannville.

Miss Nina Brown spent the week-end with Miss Maureen visiting her sister.

Transmission Lines Link Alberta Communities In A Vast Grid System

Today Alberta is one vast community with the various areas linked by an electric power grid system. This system, started over 35 years ago . . . built by the investor-owned power companies . . . now crosses the province east and west, from border to border and extends north 630 miles from the U.S. border.

Co-ordination of the generation and distribution of electric power, under government regulation and control, is achieved through the interconnection of all the major plants, both municipal and investor-owned.

Alberta faces a challenging future. Through long-term planning and building we are prepared to meet that challenge with an abundance of low-cost electric power.

# NEWS from KITSCOTY

(Held over from last week)

**MUSIC RESULTS**

At the Royal Conservatory of Music Theory Exams held recently in Lloydminster, Patricia Sheppard won honors in Harmony 3, 75%; in Theory 2 Linda Murray gained First Class Honors 92%; and Tom McLean of Islay Honors, 78%. In the piano Practical Gr 6 held in Edmonton Patti Sheppard gained Honors. These were the only pupils entered by Mrs. Elsie Batty of Kitscoty.

Mr and Mrs. Ken Atkinson of Edmonton were recent week-end visitors here with Marion's parents Mr. and Mrs. J. G. Ingrim.

Miss Kelly Armstrong of Vermilion was a week-end visitor here with her parents Mr. and Mrs. Ted Sheppard and Kathleen. Kelly came on Sunday to Mr. and Mrs. Elmer Lang spent a few days visiting with relatives in Calgary before leaving by train to spend a month's holidays in Illinois.

Miss Gloria Gray of Edmonton spent the week-end here with her parents Mr. and Mrs. Ken C. Gray and also attended the COTT Rally which was held here last week-end.

Visiting at the home of Mr. and Mrs. Ted Joy on Friday afternoon were Mrs. R. Simms and Mr. and Mrs. Dick Vivian of Riverton.

Mr. and Mrs. Alf Franke motored into Lloydminster last week-end with Jack and Earl and family at Fort Saskatchewan.

Mr. and Mrs. Paul Seryiss motored to Edmonton at the week-end where they met their daughter Eunice and son-in-law Mr. and Mrs. Gordon Westcott and baby daughter of Calgary, for a visit.

Mr. Bill Govier of Edmonton was a week-end visitor here with his mother Mrs. A. W. Govier and the family.

Mr. and Mrs. Allan Batty and the children accompanied by Mrs. H. Batty, visited with relatives at the week-end in Edmonton.

Mrs. M. K. McDonald is at present visiting with her son Mr. and Mrs. Norman McDonald in Edmonton.

Best wishes for a speedy recovery are extended to Mrs. J. R. Fox. Mr. Joe Almond and Mr. C. A. Richardson, who are at present patients in the Lloyd minster Hospital.

Cheery greetings and all best wishes to Mrs. A. Whittington, Mrs. L. Patnoe and Mrs. E. Fischer who have been in hospital now for several weeks. Also Mr. Wilfred Parkin and Mr. H. Stokes who are still in Islay Hospital.

# RIVERTON

(Held over from last week)

At last we are enjoying beautiful sunny days, a nice treat after so much cold and stormy weather.

The Riverton Ladies' Club met on March 4th at the home of Mrs. Norman Matthison. It was a lovely day and there were 17 members and one visitor present. Roll call, "My Pet Beef" brought forth a variety of complaints, though there were no satisfactory solutions. It was decided to hold a quilting bee the following week to finish the quilt the ladies have been making. Helen Timmerman and Mary Mathison are in charge of this project. Mrs. Rob Hyatt brought the very useful and attractive quilt she had made for the club to present to the Frank Parr family.

Congratulations to Lorne Timmerman and his rink who won 1st prize in the second event in the Clandonald Bonspiel, also to Ronald Matison who, with his rink, took 1st prize in the third event at the Farmers' Bonspiel in Dewberry. The Timmerman rink won 2nd in the Grand Challenge a problem here.

Rob Hyatt was a patient in the Islay Hospital for a week, but is home now.

Congratulations to Mrs. Annie Parr who celebrates her 97th birthday on March 11th. Grandma is still in hospital but feeling fairly well and we all join in wishing her a very happy birthday.

# County of Vermilion River No. 24

## TENDER

For supply of Diesel Fuel, Transmission Oil, Cylinder Oil, Chassis Lube and Gasoline.

Tenders are solicited for the supply of:

140,000 gallons of Diesel Fuel (Purple)
4,000 gallons of Cylinder Oil (Series 3)
250 gallons of Transmission Oil (No. 90)
2,000 pounds of Chassis Lube.
2,000 gallons of Gasoline (No. 1 Tractor).

to be delivered as required during 1965 at the following points: Paradise Valley, Blackfoot, Kitscoty, Islay, Vermilion, Clandonald, Dewberry, Marwayne, Streamline, Tulilby Lake (grader sheds), and two road construction outfits working at various locations in the County throughout the summer. Storage tanks for diesel fuel are located at each location.

"All diesel fuel to be delivered in vehicles equipped with 'Print-a-Meter' device."

Please quote price per gallon or pound for each product.

Submit sealed tenders to the County Office, Kitscoty, by April 7, 1965.

Lowest or any tender not necessarily accepted.

Unrivalled comfort!
Unexcelled performance!
Unsurpassed ride!

Meteor-
The most beautiful car

Motor Illustrated - Mercheim 2-door hardtop, one of the Ford Family of Fine Products, built in Canada

Meteor surrounds you in the most luxurious manner! Beautiful thick-pile carpeting, piped inserts in broad arm rests and sleek coupe-away dash, deep foam-cushioning under rich upholstery. There is a new suspended accelerator pedal that can't catch heels or trap dirt, a new double-edged key that works either side up, a deeper trunk for more stand-up luggage space and a lower sill for less lifting decisions . . . and lavish chrome like a swoop-away sweep wheel, elegant vinyl roof, courtesy lights, power windows and seats. Meteor has the unrivalled mastery of luxurious comfort in the popular priced class!

Meteor performs with happiness new spirit! The powerful new 240 cubic-inch "Avenger" Six and the hearty 352 cu. in. 290 V-8's take to the road with spirited ease . . . especially with Meteor's 3-speed synchromesh transmission, both fully synchronized, as they performers. You've got the key to driving pleasure when you turn the key in a new Meteor!

Meteor has the most remarkable ride on the road! It is designed to virtually eliminate road shock and vibration with a long 123-inch wheelbase, "torque-box" frame construction and an improved all-coil suspension without that "floating" sensation. You'll feel the difference these engineering refinements make in the unsurpassed quietness and steadiness of Meteor's ride!

Meteor has the year's most beautiful styling! Elegance is beautifully apparent in Meteor's slim, extended fenders . . . sculptured body with restrained use of chrome . . . sweeping trunk deck with tapered taillights. Test-ride your choice of eleven magnificent Meteors at your Mercury dealer's. You'll find Meteor as impressive in every way as it is in appearance!

And the 3-speed and 4-speed manual transmissions, both fully synchromesh, are silky performers. You've got the key

Now 240 Cubic-Inch "Avenger" — Biggest, Most Powerful Six in Canada

150 horsepower and a 234 torque rating achieve a new height in high performance! Refinements in efficiency and durability mean a smoother-running, quieter "6" with a lot in reserve!

Meteor like a "6"—gets like a V-8!
It's the law!

Meteor
Elegance in every way—at a popular price

# Mannville Ratepayers Review Year of Progress

(Continued from last week)

**FIRE REPORT**

The Fire Department Report was given by Mr. Ross, with Dan Laurenenson present to answer any questions. An inventory of fire equipment was taken before the end of the year. 43 fire practices were held, the balance of weekly practises were cancelled in the fall under the direction of Mrs. White presumed quite successful. The Handicraft Club under the able leadership of Mrs. E. R. Allen, assisted by Mrs. Bechtold, has proved a real success and continued interest in hobbies is apparent.

Three board members retired as of Dec. 1964, with the other two given by the municipal members retiring December, 1965.

Mrs. Cockerl reported that more and more citizens are asking the question — "Is there no possible way we could manage a rower for our skating rink"?

The Alberta Emergency Measures Organization (CivD Defence) was reported by Mr. Stevenson of the councillor representing the Village. This organization includes the towns and villages with-in the County of Minburn as well as the rural areas. Two courses were held in 1964 and several meetings have already been held.

**SENIOR CITIZENS' LODGE**

Dr Hasinoff replaced Mr Rudd as village representative on the board of Homestead Home for the Senior Citizens of Vermilion. He attended the annual meeting in January. This year it may be necessary to receive extra contributing organization due to increased wages in salary, replacement of equipment, etc. The amount requested by vmise is $1000 of which approximately 4% would be our share.

The auxiliary hospital should be ready for occupancy about the end of June. It was stated by Dr. Hasinoff that while the hospital will not have anyone from here residing in either Homestead or the auxiliary hospital, we will be responsible for a share in any deficit in any home or hospital in which a resident of the village might be living, unless we contribute to the home and hospital in our area.

**CEMETERIAL REPORT**

A Cemetery Report for the past five years was compiled by the secretary and is as follows: Memorial, $5,038: Sale of plots, $300. Expenses $1,854.38 balance, $1,803.75. A full time caretaker is hired for the summer. The possibility of a well at the cemetery has been discussed and will be looked into further this year.

**GENERAL BUSINESS**

Dr. Hasinoff reported on the annexation and the possibility of a water and sewer extension to this area this year. This will be dealt with at council meetings at an early date.

Dr Hasinoff Mr Ross, along with Mr Hall, Member of Vermilion-Minburn Health Unit made an inspection of the layout at the end of the sewer line. There are large patches of undigested stuffes built up over the last ten years of operation and this is not good for any digesting system. Its presence will also allow the outlet to become more quick than normal. Two anaerobic pits will solve the problem and it is intended to have the work done this fall.

**CENTENNIAL GRANT**

The centennial grant was discussed at some length but no conclusion was made. The suggestion of a skating rink in arena would be started from scratch. It was felt that the village could not support an arena. Committee was appointed to look into the matter of the ice at station was also discussed. Mr. Ross felt that the station requirements for the station would be: 1) that nothing should be done to the ice that would have any effect on the arena.

**COUNTY OFFICE DISCUSSED**

It apparently planned at the present time to build the new county office on the county property on 48th Avenue on a level. Plans have not been drawn up. Meanwhile and Mannville are operating a temporary office in Mannville and the office in Vermilion will be closed. Mr. Ross mentioned the question what building would be used in Vermilion. The possibility of several was in favor of the village continuing to use the present town the county office in Mannville.

The new assessment of land values appeared satisfactory. Canadian Red Cross — Mannville more than doubled its donations of blood in 1964.

There are more than 50,000 files reported in circulation last year and three quarters of all films are unsatisfactory. Carelessness is the largest single source of film removal more than a third but faulty use of electrical appliances and wiring ranks second as the cause of fires and first in property losses.

## Kitscoty Ladies Hold Annual Bonspiel

Twenty-one rinks participated in the Kitscoty Ladies' Bonspiel held Feb. 26, 27 and 28. Doris Jamieson of Lloydminster took top honors in the Grand Challenge with 8 South of Kitscoty town playing second, M. Atkinson of Lashburn, third and M. Christie, Blackfoot fourth. In the Grey Event Mowry of Lashburn skipped a rink to victory after an extra end; 3rd, A. Prusko, Kitscoty, 4th, Dorothy Jamieson, Blackfoot. In the Chiltern Event it was June Jakubec 1st, Anderson of Dewberry, 2nd; 3rd, Fraser, of Lloydminster; 4th, Mrs. Braithwaite, Lloydminster. The Christie Blackfoot fourth in the Grey Event Mowry of Lashburn skipped a rink to victory after an extra end; 3rd, A. Prusko, Kitscoty, 4th, Dorothy Jamieson, Blackfoot. In the Chiltern Event it was June Jakubec 1st, Anderson of Dewberry, 2nd; 3rd, Fraser, of Lloydminster; 4th, Mrs. Braithwaite, Lloydminster. The Christie Blackfoot fourth in all curlers on Saturday, evening Glen Florence of Lloydminster was the winner of the curling sweater raffled by the Kitscoty Club.

In Tracy Memorial Hall was the name of the Bay of Fundy from the Portuguese phrase the Grey Event Mowry of Lashburn skipped a rink to victory after an extra end; 3rd, A. Prusko, Kitscoty, 4th, Dorothy Jamieson, Blackfoot. In the Chiltern Event it was June Jakubec 1st, Anderson of Dewberry, 2nd; 3rd, Fraser, of Lloydminster; 4th, Mrs. Braithwaite, Lloydminster. The Christie Blackfoot fourth in all curlers on Saturday, evening Glen Florence of Lloydminster was the winner of the curling sweater raffled by the Kitscoty Club.

The name of the Bay of Fundy is

# The Vermilion Standard

VERMILION, ALBERTA

FOUNDED: E R P COOPER — — — 1873 - 1904

ESTABLISHED 1909

Published Every Thursday at the Office, Main Street
Authorized as Second Class Mail, Post Office Dept. Ottawa

COOPER BROS. — PUBLISHERS

VERMILION, ALBERTA, THURSDAY, MARCH 25th, 1965

## Nice Things

The Standard listened in to remarks by a lady and a man who complimented Vermilion on the exceptional treatment they and their companions had received during a few days stay in town. The first instance was at the Stadium when the manager of the Canmore Juveniles thanked the sell-out crowd for the consideration they had received while here for the hockey series.

The second occasion was at the curling rink during the finals of the ladies bonspiel and were made by the skip of an Edmonton quartet. She told the Standard how much she and her friends had enjoyed not only the curling, but the social events and the very friendly attitude of everyone they had met. This is a nice impression to have abroad and the people of Vermilion should strive to deserve it more and more.

## Check Farm-Stored Grain Now

Federal and provincial stored grain insect specialists warn farmers that rusty grain beetles, mites, and other pests may be a real threat to farm-stored grain this spring. The delayed, wet harvest in 1964 made it necessary to store considerable amounts of "tough" and "damp" grain on farms. Insects, particularly the rusty grain beetle, thrive under high moisture and high temperature conditions. Experience has shown that wherever the rusty grain beetle has become established the grain invariably heats.

## Worry Warts

A reader of the Herald has submitted a clipping from some unknown publication in which it is pointed out that living is so complicated these days, folks don't even worry right! How true are the following observations:

We worry about the cancer, then get run over by a neighbor's car.

We worry about radio-active fall-out, then get poisoned by nicotine or by spraying the flowers.

We worry about the youngsters running in front of cars, then drag them across the street against the warning of the red light.

We worry about crashing in an airplane, then fall off a ladder painting the house.

We worry about getting enough exercise, then drive two blocks for a cup of coffee.

We worry about getting the car greased every thousand miles, then never get a medical check-up.

We worry about retirement, then go about carelessly to lump from lasting that long.

We worry about H-bombs, then blow our heads off by smoking around gasoline.

We worry about polio, then get crippled by running into a power lawn mower.

We worry about tornadoes, then get liquidated in a traffic accident.

—Courtesy, the Hanna Herald

# GREEN ACRES

By E. MORLEY DOUGLAS
District Agriculturist

### TOO MANY OVERFEEDERS HERE

Mr. Charnetski says Alberta could easily slip back into its previous position of being the lowest grade A hog producing province in Canada unless we did a rousing number of overfeeders at market hogs is curtailed. Federal grading personnel report that too many pigs are being marketed at inappropriate weights for grade carcasses. The accepted range is from 185 - 215 pounds dressed. Mr. Charnetski reports that many grade B carcasses weighing 240 pounds, could easily have qualified for an A grade if they had been 200 pounds lighter. This would have meant a saving in feed and a larger net profit per pig. The difference between A and B grade pigs of the same weight is $4.50 per head. The indiscriminate use of low protein feeds during the early fattening period is a factor contributing to lower grades. This practice prevents young pigs from attaining their full growth potential for red meat development.

### CHECK FERTILIZER BEFORE BUYING

Farmers should check the relative costs of nutrients present in fertilizer formulations before buying. Several new fertilizer products accompanied by misleading claims have recently appeared on the market. Among these are liquid fertilizers to be used on seed drilled in, or sprayed on the crop. Experiments to date have shown that treatment of seed with fertilizer solutions is ineffective in promoting profitable responses in coarse grain yields. A field trial conducted at the Lacombe experimental farm last year showed that liquid fertilizer and 11 other both increased barley yields by eight bushels per acre but the highest fertilizer cost more than five times as much as the dry product. Trials to survey new liquid fertilizer applications used in the Edmonton and Lethbridge areas have also proved a very expensive way of applying nitrogen phosphate and potash to common farm crops. Farmers can find out the number of pounds of plant nutrients required for their crops by contacting the Soils Advisory Committee's recommendations available from district agriculturists or by having their soil tested at the Soil and Feed Testing Lab at the University of Alberta.

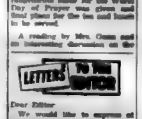
# Paradise Valley U.C.W.

The executive of the U.C.W. met at the home of Mrs. W. Gunn on Tuesday, Feb. 23rd with nine members present. Dates were set for forthcoming events. The programs for the meetings during the year were left to the Program Committee to arrange with the co-operation of standing committees. Lunches served by the hostess.

On Thursday evening Feb. 25 the Program Committee, Mrs. W. Gunn, Mrs. P. Street and Mrs. C. Ball met at the home of the president, Mrs. E. Kingma for the purpose of drawing up a tentative program for the year and to make arrangements for the World Day of Prayer held in the United Church on March 5th with an attendance of 25 ladies from McLaughlin and P.V. communities. This was a well-planned and very fine service of Christian fellowship. The collection was received by the ladies of the host church.

The regular meeting of the U. C. W was held March 2nd at the home of Mrs. Thibodeau and also the hostess. The president opened the meeting with the reading of a Bible verse. Mrs. Mrs Street led in devotions taken from the Christian Home. She was assisted by Mrs. C. Emery. Roll call was answered by "Opinion on Foreign and Home Missions". Encouraging reports were given by convenors of committees. Report of arrangements made for the World Day of Prayer was given and final plans for the tea and lunch to be served.

A reading by Mrs. Gunn and an interesting discussion on the



LETTERS to the EDITOR

Dear Editor

We would like to express at this time a sincere appreciation of the way you have so faithfully published our club news.

Many thanks,

Mrs. Myrtle McMullen, Press Correspondent of the Crane-berry Goodwill Club.

# NEWS from ISLAY

Co-operation is a great topic these days and we do see it in many ways by the kind deeds done helping a neighbor and by the teacher in your school, also. We can do it too by patronizing our town businesses. Consolidation today is apt to lose us what we have won by co-operation and hold some wonderful dances, dinners, concerts, etc.

### CLOTHES SENT TO HUMMINGBIRD

Thanks to those people who so quickly responded to the call for help clothing by Mr. Ernie Robertson, for Buffalo Lake Reserve. A letter was received Monday by Mrs. Vi Schaeffer and on the following Saturday two tubular boxes of clothing were sent on their way. The need is still great as long as the clothing comes.

Monday, March 29th, Rev. Mr. Edwards of Elk Point will be guest speaker in the United Church at 7:30 p.m.

Rev. C. J. Smith of the Islay-Lea Lavers will pay a visit to the church at 2:30 on the 28th. You are invited to attend and hear some of the wonderful help being given, and how you can help.

A choir of 25 voices, from the "Everest Bible Institute" will be heard in the church hall, open to the public, on Tuesday, March 30th. No admission will be charged. This deserves your patronage. We in Islay have been given opportunity served by the Gideons and are very grateful for giving Sunday services.

Our congratulations go out to Mr. and Mrs. Charlie Skettington on the birth of a daughter in the Islay hospital.

Mrs. Ward and Mr. Roberts of Tulliby Lake called at the Mr. and Mrs. Ken McLennan of Lloydminster.

A quiet is being made at the home of Mrs. Annen this week, on Monday it will be put together by

**Goalie Lorne Wasylichen**

Try as they might the Okotoks Bantams could not get a goal past Vermilion goalie Lorne Wasylichen. He shaved off all attacks for five periods. For the last period relief goalie Terry Rogers came on and kept the goal safe from all attacks Bobtikova gave a super display.

## Prizes Offered For "Weeds" Essays

A Weed Essay Contest is again being sponsored this year by the North Central Weed Control Conference which is open to boys and girls between the ages of 12 and 18 years residing in the North Central States and the Province of Alberta. The contest is open to any boy or girl who must be actively engaged in operating a farm. A farm is defined as being owned or rented by the parents of the contestant. For the best essay from the Province of Alberta there will be offered a prize of [illegible] Counties [illegible] $25.00 each [illegible] Counties [illegible] $10.00 each [illegible] Counties [illegible] $5.00 each [illegible] Counties [illegible] $2.00 each [illegible] Counties [illegible] $1.00 each [illegible] Counties [illegible] $0.50 each [illegible] Counties [illegible] $0.25 each [illegible] Counties [illegible] $0.10 each [illegible] Counties [illegible] $0.05 each [illegible] Counties [illegible] $0.01 each [illegible] Counties [illegible] $0.00 each [illegible] Counties [illegible] $0.00 each [illegible] Counties [illegible] $0.00

WHY NOT TRY A WANT AD?

**From OUTER SPACE to the Ocean's Depths**

A man can measure anything today with a glance at his wrist. The ingenious Watchmakers of Switzerland have designed a watch for every purpose and for any environment Willmond Scott Carpenter wore a watch on his tour of outer space that measured speed consumption, rate of climb and descent, elapsed time and a score of other flight computations.

Navigators guiding their planes across oceans and continents have a special watch to tell them where they are, what direction they are travelling, how they should correct the ground speed, the rate of climb and descent and the elapsed time down to a second.

Aquatic adventurers rely on a versatile underwater Swiss watch that warns divers when they must surface, allows them to send signals to other divers distances away and helps them to set level stages and stopping times quickly and easily. K

**RIVERTON**

According to the calendar, spring is officially here but the countryside still looks, and the weather still feels like January

Three rinks from Riverton entered in the Tweberry Mixed Bonspiel last week Only one rink, consisting of Mr. & d Mrs Edward Hyatt and Mr and Mrs Ivor Boothman, brought home any prizes This quartet won either third or fourth in the 3rd event Congratulations Regular curling is still going on at the Riverton rink due to the cold spring

**Major J. S. Kaiser Retires After Twenty Six Years With the Army**

A military career covering more than a quarter of a century comes to an end this Saturday when Major J. S. Kaiser, officer commanding "A" Coy., Loyal Edmonton Regiment, turns over his command to Lieutenant R. J. MacEacheran.

**OFFICER ARMY IN 1938**

Major Kaiser's career in the armed forces started back on Sept. 20th, 1938, at which time he enlisted in the 12th Field Company of the Royal Canadian Engineers. He went overseas the following year, landing in England in June of 1940. He was commissioned in 1942 and transferred to the Royal Canadian Corps of Signals where he served for a short time as an instructor at the Signal Reinforcement Centre. Following this, he was transferred to Canadian Army Headquarters to help form a Heavy Wireless Company there

LIEUT. R. J. MacEACHERAN

he has served as Brnd NCO Drill Instructor, Platoon and Company Junior and Senior N C O schools. It was during the time he was with the Unit that the 23 Medical Company received the Rierson Trophy on five consecutive occasions as the best Militia Medical Company in Canada.

Since moving to Vermilion last year Lt. MacEacheran has served as Second in Command of the Vermilion Militia Unit

**CHANGE OF COMMAND PARADE ON SATURDAY**

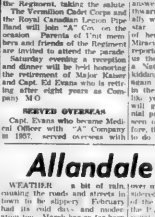
The actual change of command of the Company will take place during a Change of Command Parade to be held at the Armories this Saturday afternoon, March 27th, at 2:30 with Lieut.-Col. R. D. Stanton, Commanding Officer of the Regiment, taking the salute.

The Vermilion Cadet Corps and the Royal Canadian Legion Pipe Band will join "A" Coy. on the Parade. Parents of Unit members and friends of the Regiment are invited to attend the parade.

Saturday evening a reception and dinner will be held honoring the retiring officer, Major Kaiser and Capt. Ed Evans who is retiring after eight years as Coms Pay MO

**SERVED OVERSEAS**

Capt. Evans who became Medical Officer with "A" Company in 1957, served overseas with



MAJOR J. S. KAISER

Another highlight of Major Kaiser's career with the Army occurred during the Invasion of Normandy, when he was in command of a detachment of wireless communications

At the end of the war he stayed in Germany in charge of Communications for North West Germany

**JOINED RED DEER MILITIA**

Upon his return to Canada in 1946 he joined the Militia in Red Deer and was Signals Officer with the 19th Medium Regt of the Royal Canadian Artillery

On coming to Vermilion in 1950, Major Kaiser formed the Vermilion Cadet Army Corps. He took over Command of "A" Coy. from Captain W Scales in 1956 and has served as CO until the present time.

Lieutenant R J MacEacheran will be Commanding Officer of "A" Company of the L E R., started his military career in the Militia in January, 1958 at Bandsman with the 23 Medical Company of the REAMC in Edmonton serving with that unit until moving to Vermilion in January of last year

During his service with the Medical Corps Lt MacEacheran came up through the ranks receiving his commission in December of 1960. During his service the Royal Canadian Air Force During in 1942 he served as an air gunner with the 424 Squadron

**PRESENTATIONS**

At the dinner Saturday evening presentations will be made by Lt.-Col. Stanton to the retiring officers on behalf of the Regiment Among those expected to be on hand are C. Smallwood, M.P. for Battle River Camrose; F. Page, M.P. Vegreville; Ashley Cooper, M.L.A. for Vermilion-Viking; and Mayor A. Ben King of Vermilion

**Stanley Cup Here We Come**

(By DONALD MORTON)

In all the talk of hockey around Vermilion lately the cost of attending is obviously our two provincial championship teams but haven't we overlooked a group who play an even great brand of hockey? A week ago last Tuesday before an enthusiastic crowd at the Vermilion Stadium, the Vermilion Highhats' hockey team played an intra-squad game complete with referees goalie pads and fluore lights.

The game was marked by filthy body-checking miraculous saves by the goalies and numerous free for-alls at centre ice No body was too irreverent in the scrap but the three stars were picked as follows First star Candace Clendenning whose wild endeavor Katrina really shook up the opposition Second star Robin Anderson Vermilion's answer to Glen Hall who thwarted the opposition centre ice with her flying saves third star Marsha Donald by most occasion Parents of Unit members Miraculously no injuries were reported Their manager tells us they are all set to take on a National League team' All kidding aside, the girls go at it again next Tuesday at 7 30 p m in the Stadium and they would like your support All proceeds will go to the school's centennial project If you have never seen organized girls' hockey before, this is your big opportunity to do so

**Allandale News**

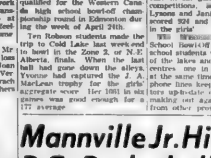
## His Dream Came True



LES KRELLER, COACH

Sunday afternoon in Vermilion Stadium what was probably the biggest dream of an afternoon full of dreams, went up from the crowd as Les Kreller, coach of the Kruser was called to the ice after Kreller's Kats had won the Provincial Juvenile "B" championship.

Active in kids' hockey for many years in Mannville, Kreller took over the Bob Cats three years ago after coming to Vermilion. Since then he's had help from many other fans, but in the main credit for the Bob Cats has been acted as coach, father confessor, manager, baby sitter, financier and if it hadn't been for the generosity of a birth certificate proving him under 18, would have no doubt played hockey for them too!

## Isley Locals

Mr. and Mrs. Wm Potvin and Brent spent last week-end with their parents Mr and Mrs. W Potvin.

Jim Maire, U. of A. spent the past week-end at home with his parents Mr. and Mrs. John Maire.

Mrs. Sylvia Gould was a visitor with the Minnie Hutton last week.

Mr. and Mrs. Marvin Gould and Mr. Sylvia Gould were the guests last week-end with Mr. and Mrs. Joe Bob Cats of Vermilion. Since then we've had help from many other fans, but in the main credit for the Bob Cats has been acted as coach, father confessor, manager, baby sitter, financier and if it hadn't been for the generosity of a birth certificate proving him under 18, would have no doubt played hockey for them too!

Mrs. Sylvia Gould was a visitor with the Minnie Hutton last week.

Mr. and Mrs. Marvin Gould and Mr. Sylvia Gould were the guests last week-end with Mr. and Mrs. Joe Bob Cats of Vermilion. Since then we've had help from many other fans, but in the main credit for the Bob Cats has been acted as coach, father confessor, manager, baby sitter, financier and if it hadn't been for the generosity of a birth certificate proving him under 18, would have no doubt played hockey for them too!

## John Trach Laid To Rest

Funeral services for the late John Trach of Vermilion were held yesterday (Wednesday) morning from the Holy Name Roman Catholic Church.

Mr. Trach, who was 49 years of age, died suddenly last Friday morning. He went to work as usual with Chesher Transport that morning. While at work, he complained of not feeling well, and returned home where he died.

Born in Derwent in 1915, Mr. Trach moved to Vermilion from his wife Anne, one daughter Joan and one son, Peter, all of Vermilion. His father, John Trach of Clandonald, seven brothers

(Continued on Page 9)

## Four Vermilion Students Qualify For Bowl-off

Led by Yvonne Puckett, grade 11 student, four J. R. Robson High School students last week qualified for the Western Canada high school bowl-off championship round in Edmonton during the week of April 25th.

Ten Robson students made the trip to Cold Lake last week-end to bowl in the Zone 2, or N.E. Alberta, finals. When the last ball had gone down the alleys, Yvonne had captured the J. A. MacLean trophy for the girls' aggregate score. Her 1081 in six games was good enough for a 177 average.

Other J. R. Robson students qualifying for the Western finals were Dean Jacula who bowled 1230 in six games in the boys' competitions, and Betty Anne Lymer and Janice Aitken, who scored 924 and 804 respectively in the girls'.

The Vermilion Composite High School bowling squad will represent all high school students west of the head of the lakes and is held in four centres, one in each province. All at the same time, with open telephone hook-ups on how they are making out against their rivals from other provinces.

## Bereaved By Tragic Accident

Miss Joyce Tasheyko who has been employed at W.C.C. for the past eight years was bereaved March 15 by the sudden tragic death of three of the members of her family.

A train, which was outside the city limits of Edmonton took the life of her father, Mr. Tasheyko; her brother, 11 year old Ronald, her sister Irene Estelle who was 13 years of age.

Her mother who was seriously injured, was taken to the University hospital. The family was from Glen Park 12 miles west of Lodge.

The funeral was held on Saturday, March 20th at St. John the Baptist Church in Thorsby.

## C. of C. Workshop

The Canadian Chamber of Commerce announces that work shops aimed at community improvement will be held in Alberta as follows: March 31, Father April 5: Camrose April 7, Red Deer April 12.

The workshops are being organized by the Chamber of Commerce in co-operation with the provincial Chamber and local Boards of Trade and Chambers of Commerce. Objective is to improve the economic appearance possibilities and long-term planning of Canadian communities.

Each workshop will feature specialists in community development. Participants will identify community problems and share the experience of others in finding acceptable solutions.

## Vermilion Valley Lodge News

Once again it is the wish of the matron, Mrs. Hutton, on behalf of the guests to thank the Vermilion Hockey Club and the Foresters, who provided the transportation enabling it possible for them to attend the hockey games recently, eight and Sunday afternoon. These kind deeds are greatly appreciated by one and all.

Thanks also to Mrs. Engeldorf for the bouquet and to Mrs. Dolles for the gift of nice fresh eggs.

We are all happy that Mrs. J. Silverman has made such a good recovery after undergoing eye surgery in Edmonton.

Our best wishes for a speedy recovery go out to Edwin Moore and Elizabeth Wray who are patients in the Islay hospital.

## Mannville Jr. Hi Host B.C. Basketballers

An event of interest recently was the basketball game between Mannville and Buffalo Coulee Jr. High boys. These young players showed that they were making good progress in the game and played with determination. This was shown especially when the Buffalo Coulee team took a commanding lead. The Mannville boys rallied and in the last eight minutes 18 points were scored. The final score was 24 to 23 in favor of Mannville.

The boys and their coach Mr. Harrison are to be congratulated on their success. Members of the team are: Larry Bauer, Peter Chabner, Garry Simmers, Ron Kaskevich, Ken Bell, Rod Malin, Brian Upton, Ken Wowchuka and Danny Shpeley.

Colin Hasinoff and Mr. Sarwan were aver and time keepers Billi Hornsby and Perry Malin officially handled the refereeing.

The boys were elevated to victory by the girls cheering squad composed of Betty Nester, Patsy Pedrucki, Rosanna Mazzei, Georgina Tenny Watling. The girls looked very smart in their black and yellow uniforms.

Mrs. W. Ross is their director.

# THE VERMILION STANDARD

Page 1—Section 2 Vermilion, Alberta, Thursday, March 25th, 1965.

HOPE TRICKS — Able Seaman Ernest Emmott, of Mannville, Alta., starts the whipping on a rope's end to keep it from fraying on board HMCS Yukon. The destroyer escort and two previous escorts, of the Fourth Canadian Escort Squadron left Esquimalt, B.C., late in January for a 10-week Short Service Officer Plan training cruise to ports in Central America.

## Co-op Sales Jump By Fifty Percent

A highlight of the annual meeting of the Vermilion Co-operative Association was the report by Manager Gill, pointing out that sales in 1964 were up over 50 per cent over the previous year.

In his report to the 174 members and 51 visitors present at the meeting, Mr. Gill thanked the members and other customers for the splendid support given the co-op and also both in the old premises and in the new.

The board of directors' report to the meeting showed a total sales during the year of $483,000, with a surplus of $13,220. The auditor's report was read and the meeting accepted, the surplus disposed of the surplus by the directors as per cash dividends and allocation to members equities, with the balance to be placed in reserve as a result of this recommendation, a report was approved a 2 per cent cash dividend, half of which will be in cash.

### DIRECTORS ELECTED

The Association elected a set slate of 334 nominations. Directors elected for a two year terms were Mrs. Dennis Irwin, Fred Scott and Phillip Taylor.

Two directors remain at the end of their terms, they are Bill Garnett and Dave Scott.

The discussion of whether or not the Vermilion Co-op is to go into the feed mill and fertilizer distribution was left to a special meeting which is scheduled to be held March 31st.

## Race Trainer Dies In Crash

MAIDSTONE, Sask. (CP) — Rodney B. Gann, 29, a harness race trainer and former veterinarian, was killed Tuesday when his car collided with a truck.

The collision occurred near Maidstone, a small town northeast of Lloydminster, Sask. Mr. Gann was pronounced dead on arrival at the collision scene.

The driver of the semi-trailer, John Rosebrook of Regina and Fred Fulmer Jr., of Lloydminster, was not injured.

With his wife, the Brad Gann of Saskatoon and Lloydminster and Mr. Gann operated a stable at Barns in Paradise Valley, Alta., near Lloydminster.

The funeral for the driver will be held on Thursday, March 25, at Medicine Hat. Three are survived.

Funeral services were held

## SUNDAY AT THE ALLIANCE CHAPEL

Pastor J. H. Bell preached at both services in the Alliance Chapel Sunday, March 21. His sermon titles were "Bad Habits Made Good" and "Why Masons are Married".

A Special solo was sung by Sue Ellen Clendenning and Norman Dibben. Mrs Bell and Ken Tisdell accompanied the singing of the piano and organ.

A meeting was held Monday evening of the leaders of the girls' and boys' clubs were entertained by the staff of the Sunday School. Results of the club activities were given.

Last Friday evening a good group of young people motored to Mannville to see the Billy Graham film "Worldwide".

After the regular service Sunday March 28th the public is invited to the chapel to see a film made in Winnipeg during the recent Jews Campaign in that city. Mr. Moore and his group will be well remembered by the audience as they presented a similar program a few years ago.

Among the visitors in the service on March 21st were Mr. and Mrs. Bailey Sask visiting the home of Pastor and Mrs. Bell.

## Princess Anne W. I. Notes

The March meeting of Princess Anne W. I. was held on the 18th at the home of Mrs. N. Arm strong with ten members and one visitor present.

The usual procedures followed Mrs. Armstrong gave interesting report bowling party and supper and tea and slide contest. Chum shown by Mr. Scott at Alaskala Community Centre.

Mrs. Tweedie welcomed Mrs. Kabitza as our visitor. Hazel Craft was thanked for the contest leaflet. All articles of handicraft are to be brought to April meeting.

For topic on health Mrs. Hoi future read two short articles "Weight Problems" and Sleep and Our Needs".

After meeting was adjourned Mrs. Armstrong allowed many very interesting slides which were received by all.

Lunch was served by Mrs. Flaten and Mrs. Dutchak by the hostess Mrs. Armstrong assisted by Mrs. G. Strong.

Next meeting in April at the home of Mrs. R. Hall. Roll Call Lunch Mrs. Hoist and Mrs. Hall

## ROTARY ICE CARNIVAL

Annual Rotary Ice Carnival on Friday, Mar. 26th. Many features, Memories, Brian White and the Peace Dwarfs fame, thrilling, chuckwagon races and entertainment ever!

Figure Skating Club Executive Hosts Visitors

On Tuesday, Mar. 16 the annual meeting of the Vermilion Figure Skating Club was host to four members of the Canadian Figure Skating Association from Edmonton. These people had been invited to visit the Vermilion Club to acquaint it with many details concerning relationship with the C.F.S.A. in connection especially with regards to tests for skaters advancement, which might be expected that the girls will make financial savings in other clubs.

The Edmonton quartet very capably handled all questions put to the members of the Vermilion Club with a wealth of information that will model to materially ease the transition period.

Also present on the part of the Vermilion Skating Club was Mrs. Ethel Official of C.F.S.A. Two children's tests and the Preliminary and Pre-Test Combined were passed.

Mrs. Official tried her second test but didn't quite make it. It is hoped to conduct these tests in the club every or once a year from now on.

Mrs. Official who passed were Pat Norman and Fiona

Attend Annual Red Cross Meeting

On the invitation of friends in the Red Cross in Edmonton Mrs. E. H Buckingham attended for a few hours the annual meeting held recently at the Macdonald Hotel.

Spirited discussions took place and a very interesting address was given at the luncheon hour, by Major-Gen. A. F. Winch National Commissioner.

It was interesting to note that Mrs. Mary A. Stevenson of Vermilion was recommended by the Junior Red Cross for the badge of Service Award to teachers

Dr. Buchanan, who may be remembered as the doctor who used to come with the blood transfusion service, was also present.

Mrs. Buckingham made a pleasant acquaintance in the person of Mrs. Graham of Ponoka who at one time attended university with E. H Buckingham Her son is now married to Mrs. L. Elden's daughter

Mrs. Buckingham has reports of various activities that took place, if anyone is interested, please call

# CENTENNIAL GRANT

**Applications are solicited from Community organizations functioning in the hamlets and rural areas of the County and from towns and villages within the County boundaries for a share of the Grant for Centennial projects accruing to the County to be used for centennial commemoration.**

The following projects are eligible for consideration:

(1) The acquisition and construction of buildings and parks.
(2) The acquisition of buildings of historic or architectural merit and furniture or furnishings therefor.
(3) The restoration of buildings of historic or architectural merit.
(4) The writing and publishing of books.
(5) The composition of musical works.
(6) The creation and completion of paintings and sculpture and other works of art.

The project must be of a lasting nature and must have a reasonable chance of completion by 1967

If a building is involved, please give legal description of land on which it will be located and name of title holder. Give description of project, details of costs and where money will come from to meet entire cost

Applications must be received by the County or bear a postmark on or before April 7, 1965.

Applications already in the hands of the County need not be repeated.

**County of Vermilion River No. 24**
KITSCOTY, ALBERTA

# Prominent Marwayne Farmer Dies Suddenly At Hockey Game

The funeral service for the late Mr. A. T. (Dick) Hines, who passed away very suddenly while playing a hockey game in Marwayne on January 26th, was held in the Marwayne Elks' Hall on Monday, February 1st. The Rev. Glen Rosch conducted the service assisted by Rev. Ken Hasse, who read the obituary. Mr. Howard Beaumont played the piano. The hymns sung were "Abide With Me", "Shall We Gather At The River", and "Saved By Grace." Mr. and Mrs. Hesle sang a duet, "Just Such A Friend Is Jesus."

Honourary pallbearers were Oscar Peterson, John Spence, Tom Applegate, Glen Florence, Ed Quist and Bill Curtis. Active pallbearers were Ivor Boothman, Harold Berry, Elmer Wilson, Clarence Johnston, Tom Burke and Brian Boothman.

Left to mourn are his loving wife Agnes, seven sons, Lloyd, Denny, Bobby, Leon, Lyle and David, six daughters, Mrs. Lloyd (Esther) Van Camp, Mrs. Don (Marion) Adams, Phoebe, Myrna, Keri and Ruth, 13 grandchildren; five brothers and four sisters.

No words can express the depth of feeling that is suffered by his family and friends. He was loved and respected by all who knew him. His kindness and understanding of older people and children alike was a hand held out in friendship with a loving smile. His life can be exemplified in the words of Robert Louis Stevenson, who wrote: "That man is a success, who has lived well, laughed often and loved much;
Who has gained the respect of intelligent men and the love of children;
Who has filled his niche and accomplished his task;
Who leaves the world better than he found it;
Who never lacked appreciation of earth's beauty;
Or failed to express it;
Who looked for the best in others and gave the best he had."

Dick, a public spirited man, was a staunch supporter of all community affairs. He was President of the Lea Park Cattle Sales Association Supervisor of the Marwayne Livestock Feeders' Association and a Past Director and member of the Western Stock Grower's Association. He also served a number of years as 111 Calf Club leader.

Following is a list of floral tributes and donations:

KAREN YOCKEY, 9, NOW WALKS, RUNS AND SKIPS

# Karen Good Reason For Buying Easter Seals

Crutches and leg braces are only a bad dream in the life of pretty little Karen Yorkey 9.

She walks, runs, skips and rides a bicycle after once being threatened by legge perthes, a crippling disease of the hip bone.

And Karen, along with her parents, Mr. and Mrs. Bruce Yorkey 11817-61st Street thank all of the people who make the Easter Seal patient program possible. They also whisper a prayer for Dr. Robert R. Henderson and Dr. H. W. Bowerman.

Karen came under the Easter Seal patient program in July 1962. She was in hospital for six weeks and then continued to take treatments at home.

**DISCARDS CRUTCHES**

Gradually the disease which could disintegrate the hip bone was cured and Karen discarded the crutches and the leg braces. That was six months ago.

Today she walks normally, skips, runs, and her mother, in happier times, says she can ride a bicycle.

Karen has kept up her school work and is in Grade 4 at Mulrose School.

And just as a reminder the annual Easter Seal campaign in Alberta opens March 18.

These dollars will help another child!

## Greenlawn Goodwill Club Meets

The March meeting of the Greenlawn Goodwill Club was held at the lovely new home of Effie Henderson on Tuesday the 16th with sixteen members and one visitor present. Each one came with a needle and thimble. Purpose: quilting for the Canadian Maple Leaf quilt. Many thanks to all those who helped in any way with this venture.

This beautiful quilt will be raffled at a tea to be held in the spring.

It was decided to continue for another year the donation of $15 to the Salvation Army South Memorial Home in Calgary.

Our good member and very dear friend, Ada Curtis, who passed away March 6th, is truly missed by all. Deepest sympathy is extended to Odell and family.

As the 1965 Red Cross Campaign was on, a donation of $10 was given to Josephine Gray who is the Red Cross convenor for this district. We were very sorry to learn that Dorothy's daughter Ann is in Elk Point Hospital with pneumonia fever. A speedy recovery is wished her.

The April meeting will be held at the home of Mickey Madden, roads permitting. One more lucky member will be welcomed by the club. At the conclusion of the meeting a delicious lunch was served by the hostess assisted by Mary who proved herself at that than at quilting

## Wildmere W. I.

The last meeting was held at the home of Mrs. W. Steele with seven members and five visitors present. Visitors were Mrs. Hollo, Mrs. Fawns, Mrs. Read, Mrs. Ford and Mrs. Wildman. Also present were two members from the Vermilion W.I. They came to discuss a forthcoming tea and bake sale. Words for posters.

The sewing clinic is being held over to a later date. Roll call was very interesting. "Regrets" from two were read.

Mrs. W. Steele a charter member, was presented with a W.I. ring as she has moved to town leaving our group.

Johnny Jump-up was won by Mrs. W. J. Garnett. A lovely lunch was served by the hostess and her helpers.

Next meeting will be held on April 7th at the home of Mrs. C. Shannon.

On a grain farm, it says to feed grain and concentrate. But NOT to baby chicks. A tiny chick can't eat more than a teaspoonful a day . . . and you can't mix grain and concentrate with enough accuracy to get the right proportions of energy, protein, vitamins and minerals into every spoonful. For strong, step-by, even-sized birds, feed 2 lbs. per chick of Money-Maker Chick Starter Crumbles FIRST. That gives every chick the right blend of nutrients to grow fast while the "urge to grow" is strongest. Turn to grain and concentrate later. This is the way fleet pays.

Money-Maker Feeds Make You More Money
See your U.G.G. Agent or Money-Maker Dealer

United Grain Growers

## Paradise Valley

The annual meeting of the United Church St. Paul Presbytery, was held in Lloydminster this year Mrs. J. Gordon who is U.C.W. Presbyterial representative on the Manse Committee, attended the two-day sessions of this meeting.

Rev. J. C. Smith, Area Secretary for Alberta and Saskatchewan for Mission to Lepers, will speak and show slides in the United Church on April 22nd. This is for all churches in the district and for all people who are interested in this missionary work. There will be a potluck supper and no admission, but there will be a voluntary collection taken for Mission to Lepers. Anyone having Pete the Pig for collecting for Mission to Lepers please bring it in before or to the meeting and give them to Mrs. J. Gordon, treasurer of P.V. U.C.W.

Mrs. J. Gordon and Mrs. G. Wiley attended the funeral of Mrs. Florence Dewar of Chauvin on Monday, Mar. 15.

Messrs. L. Knutson, L. Carolan, W. McLean and H. Deville took in the Farmers' Bonspiel last week in Lloydminster.

A sumptuous turkey supper was enjoyed by twenty people at the home of Mr and Mrs. J. Fahrny one evening last week in honor of their son John's first birthday. Those present were the families of Clifton Meaken, Fred Purcell, M. Hebb and J. Gordon.

## Vermilion's First Alberta Hockey Champions

Here is Vermilion's first All Alberta Championship Hockey Club — The Bantams.

The Bantams won the distinction because theirs was the first of two Provincial Championship series played in the Stadium over the week-end. As a result, the Bob Cats, which took the Juvenile B title, became Vermilion's second All Alberta Hockey Championship team by a matter of a little over two hours.

Shown above they are front row, kneeling, Harold Currie, Davy Dodd, Lyle Farkash and Robert Farkash. Middle row from left to right Bonnie Malin, Malvern MacLean, Ernie Bonnemann, Terry Rogers, Lorne Waychuben, Ron Jones and Dennis Brennan. Back row, left to right, Bob Isley, Bill Isley, Ken Wasylciha, Dean Maryniuk, Stan Maryniuk (Manager), Ken Williamson (Coach), Robert MacPhee, Neil Tolsdorf, Ernie Semeniuk and Murray King.

## CAPITAL REPORT

By JACK DOLAN

# Opposition Hits . . . And Misses

EDMONTON (CNFS) — It clearly wasn't the opposition's week in the legislature. Although the two Liberals and Coalition member captured the publicity spotlights, their gains otherwise were less than normal.

It started Thursday when Liberal Bill Dickie placed 12 of his promised "30 questions" on the legislature's daily order paper. While the 30 questions are designed generally to "dispel rumors" that have been circulating in the province, the first 12 were directed towards drawing some light on suspected carpetbagging in the province's newest boom town — Fort McMurray.

The questions were aimed at ascertaining the nature and extent of interest any cabinet ministers hold or have held in companies purported to be business dealings in Fort McMurray. The companies are: Alberta Fidelity Trust Co. Gar Construction and Equipment Ltd., Anlo Holdings Ltd., Fort McMurray Land Development Ltd., Fort McMurray Land Development Ltd., American Construction and Materials Ltd., Dural Developments Ltd., Mackay Leaseholds Ltd., Paris Investments Ltd. and Canadian Company of Canada Ltd.

Dickie further called upon the government to disclose amount any Treasury Branch has loaned to the above-mentioned companies and the collaterals obtained on the purported loans.

And finally, Dickie suggested the government provide names and addresses of shareholders, directors and officers in the same nine companies. He also sought to list the bankers and solicitors for the building companies, the Bank of McMurray, including names, dates and values of any mortgages, liens, chattels or firms who purchased the mortgages, liens or land owned by the government in the area.

Surprisingly, and contrary to past performances, the legislature was dissolved for the government money Mr. Dickie's questions.

But he was not as lucky on two subsequent queries. Premier Ernest Manning refused to answer Mr. Dickie's question concerning the number of Alberta residents employed in Fort McMurray and the number of individuals or firms who purchased land or leases from the land owned by the government in the area.

Mr. Manning referred to legislative rules which state that questions of any aspects of municipal affairs are not within the jurisdiction of the legislature.

Meanwhile F. C. Garner Co. whose Banff Corbrane attacked the government for supporting unreasonable fees he raised. While Garner contends the fees are exorbitant, they "should not be allowed to" find your students at the university level, he said Alberta is considering raising its fees.

**SHOULD LOWER RATES**

Garner said Alberta should establish low-interest loans for students. The government should set up a fund to back student loans. Besides the new fund would make loans available at rates low enough to cover the (NHA) rate charged.

During the budget debate, Mr. Garner also sought clarification of several departmental estimates. The funds for forests depart ment, he said, should be doubled. Garner also wanted to know why the game area was not increased. The Peace is not only a beautiful area, with its wildlife, but it is also a tourist attraction, though the roads and weather between $700 and $800 per year.

He also criticized the tourism policies of the department of industry and development.

Mr. Garner referred to logger a shortage, but said he didn't believe it was fair that the Priest River Lumber Co. should get cutting while Alberta was paper rate. The Peace is not only a beautiful area, with its wildlife, but it is also a tourist attraction, though the roads and weather between $700 and $800 per year.

He also criticized the tourism policies of the department of industry and development.

# Offers Free Accident Insurance To Farmers

Many changes in Alberta Farm Savings Act and a free accident insurance plan for farmers are announced this week by G. R. Sellers, provincial president.

Probably the best feature of the new plan Mr. Sellers said is the fact it is automatic for those who have never owned land before. Members such as horse breeders, auto dealers and other citizens that double a farmer for more than 90 days can be insured under the revised plan.

These accidents happen so frequently that many more of our customers will benefit from this broader protection.

In addition to the new free policy protection Alberta Farmers are insured with substantial group coverage for accidental death, dismemberment, fractures and disability benefits, Mr. Sellers said.

All benefits are payed to grain deliveries and the nature of the benefits offered by the Handicrafts under the Alberta Dept. of Will those wishing to offer free insurance plan. For four acts of these plans phone instances a farmer who delivers numbers indicated by April 1st at least 500 bushels is an A.F.S.A. Embroidery Member McFadden and elevator in a 12 month period Mary McFadden. Mrs immediately prior to an accident Ritchie and Betty-Lee Chalmers qualifies for free insurance cover age

Consideration for accidental death of farmer customers ranges from $1,000 to $5,000. The plan pays additional amount for loss of hands and feet ranging up to $2,500 for accidental death.

A summary of the benefits and coverages of the plan is being delivered to the Roman Catholic Cemetery.

Beaver Lumber Ireland on June 30th was Wayne Lymaghs Cassell. Assisting with her were Sandra Patrick, who pride themselves on being available for a specialized work and has dependents upon payment of benefit from the broader coverage.

In addition to the new free policy protection Alberta Farmers are insured with substantial group coverage for accidental death, dismemberment, fractures and disability benefits, Mr. Sellers said.

## HANDICRAFT CLASSES

All benefits are payed to grain deliveries and the nature of the benefits offered by the Handicrafts under the Alberta Dept. of Will those wishing to offer free insurance plan. For four acts of these plans phone instances a farmer who delivers numbers indicated by April 1st at least 500 bushels is an A.F.S.A. Embroidery Member McFadden and elevator in a 12 month period Mary McFadden. Mrs immediately prior to an accident Ritchie and Betty-Lee Chalmers qualifies for free insurance cover Spring Millinery age

# High Requiem Mass Held For Long-Time Resident

**MRS. UNA DONAGHY**

Funeral services for the late Mrs. Una Donaghy, a resident of Vermilion for almost 50 years, were held on Saturday, March 20 at 10 a.m. from St. Theresa's Catholic Church. Rev. Father Le Chapre officiated.

Requiem High Mass was celebrated by Rev. Fr. Chevrier. Interment followed in the Roman Catholic Cemetery.

Mrs. Donaghy, a native of Ireland, died on June 30th, 1964 at the age of 74 years. Mrs. Donaghy had been a resident of Vermilion since 1914.

Pallbearers were Messrs. Geo. Challman, David Wickstrom, Wm. McLaughlin, Harry Butler, Tom Taylor and Francis Doyle.

Spiritual bouquets were received from the Family, Sarah and Ruth Beach and Teddy Beach, Mr. and Mrs. Jim Doyle, John, Margaret, Ann, Sue, Kay, Rose, Eileen and Irene Horricks and family, Mrs. Grace Coyle and family, Mrs. Agnes Wickstrom and family, Mr. and Mrs. Roy Jory, James and Irene Horricks and family, John and Hazel Isles and boys, Bruce and Marion McKern.

Vermilion Retarded Children's Association Mr. and Mrs. Lu Thompson, Mr. and Mrs. R. Knutson, Harold and Maybelle Gudeon Hibbs Mr. and Mrs. Rod Semple, Arnold and Marion Maggs and family, Ken and Mary Isles and family.

Sympathy cards Winnie and Rollie Gallegher, Bill and Freda Dixon, Thelma and Slim Beattie and family, Cyprian and Vera Bell, Jack and Evelyn Clark and family Mr and Mrs Rooks and family, Vermilion W.I., Mr. and Mrs. Geo Martin, Wm. and Lena McLaughlin, Myrtle Kehoe, Marguerite and Ward McDonald, Grace and Doreen Curran, Jim and Irene Horricks and family, Margaret Adamson, Kay Jarock and family, Mrs. Ann Rankin, Leila and Roy Jory, Beryl and George Swaffert, Mildred and Gilbert Harrison, Mary and Luther Thompson, Olive Cote and family, Ray and Betty Osterburg, Mrs. Ruthie Re Arnold and Marion Maggs and family, Sandra Harrison, Julia Bauer and boys, Easton Watson Red Cross Aux., Tony and Evelyn Hennigsen, Walter Tvila and Marlene Lyons, Tony and Sarah Bauer and family, Wm. Beach and family, Mrs. Jeannette Dunsmore and family, Mrs. Ruthie Re Arnold and Marion boys Mrs. Schiear and Marlene.

## CARD OF THANKS

We wish to take this opportunity to thank all those who took care of our mother, Mrs. Donaghy, while a patient in the hospital, and to thank all her friends who sent gifts, flowers and cards and visited with her. Our thanks to all our neighbors and friends who extended comforting sympathy and help in our sorrow and for the spiritual bouquets. Floral tributes, memorial donations and sympathy cards and letters. Words cannot express our gratitude, and such kindness will never be forgotten.

Sarah, Ruth, Alex, Tony and our families.

# Claysmore Clippings

**(Held over from last week)**

Supper guests at the Steve Warawa home Friday night were Mr. and Mrs. Ronnie Bauer and family and Mr. and Mrs. Harvey Seymour.

Mr. and Mrs. Russell Van Nest were Friday supper guests at the Allan Cleland home.

Frank Pidruchney and Ostop Woywitka have returned home after a few days spent in Calgary on view.

Mrs. Alex MacKenzie spent a few days at Viking last week.

Mr. and Mrs. Ronnie Bauer and family were Sunday guests at Ella's parents, the Bill Flemings home at Manville.

Mrs. Dale Williams is a patient in the Vermilion Hospital where she underwent surgery last week. We wish her a speedy recovery as wished her.

Congratulations to Mr. and Mrs. George Bauer on the birth of Winters' of Edmonton on the birth of a son recently

# NEWS from ISLAY

**(Held over from last week)**

The annual school meeting was held in the school with 17 present. It was a good meeting and a brief outline follows. Two new members were elected to the board, Mr Harold Roebuck and Mr Jim Herrick.

The local board was directed to inspect the teacherage and send recommendations of any improvements needed to the county council. A motion for landscaping was chosen: Messrs. Ed Bohner, Lyle Anson and Gerry Powell. It was suggested that Grades 1 to 6 might be given extra incentive by awards of some kind and a committee was chosen to work with the ladies on this subject. Mrs. Anson, Mr. Jim MacFarlane and Mrs. Marie Carey were chosen as the committee

County Reeve Mr McGuigan, gave a brief as to what may transpire re educational facilities in the near future. It is quite possible to have two high schools, one at Vermilion and one at Lloydminster, they could link up with the VAVC to disperse with duplications. Some small schools might be closed.

Mrs. Jack, Principal of Islay School, had a report prepared and each one present took one home. At the present time there are six Gr. 9 students to go out and thirteen beginners to start in September.

## CALL FOR CLOTHING

A call has come from the missioner at Sadie Lake, Mr. Ernie Schurman, for clothing of all kinds now. The IUCW is ready to take your bundles, just leave them at the church hall. The winter has been hard and long for many of these people. Remind your neighbor of this appeal.

## ATTEND BIG RALLY

Through the kindness of Russel Buchanan and Jim Horricks the four boys of the IUCW went to the Rally recently at Mannville. They were David Buchanan, Ken Horricks, Delbert Nelson and Randy Jarock. A very worthwhile week-end was spent in a fine atmosphere and the boys enjoyed the meetings and activities very much.

Congratulations and much happiness is wished for Mr and Mrs Phil Mervaan who were married Saturday March 13th in Kitscoty United Church. We are happy to welcome a new family to the Islay community. They will make their home in the farm house on Neil McLennan's farm for the present.

Don Martin was home for the week-end from Edmonton.

Town for the Mervaan Shoe are working were Jean Schaffer and Hilary Brookes U of A students.

Mrs. Nancy Buchanan returned home after a visit with relatives in Victoria spent with her mother.

Mrs. Betty Olsen of Kitscoty was a week-end visitor at the Bruce McLennan home

Mr. and Mrs. Lowell of Clan donald visited with Mr. Jim Al lan one afternoon last week.

# Paradise Valley

**(Held over from last week)**

The annual meeting of civic affairs has been held and the officers for the year are: Pres., L. Black, Vice Pres., T. Beaudry and Sec-Treas., D Sleffer. The volunteer fire brigade consists of L. Black as chief, T. Beaudry, assistant and members, L. Vies, W. Atwood, W. Mattimore, G. McIntyre, V. Philippe

At the annual meeting of the Memorial Hall Association Mr. G. Guy was elected president and Mrs. J. Gordon is vice-president. Directors are Mr. and Mrs. A. Beasington, Mr. and Mrs. T. Reaves, Mr. W. Barnaby, Mrs. F. Henery, Mr. E. Knee, Mr. P. Dodson, Mrs. D. Churchill and Mr. V. Philippe. The secretary-treasurer is Mr. L. Lever.

The main business of the meeting was a decision to hold shows in the hall again commencing March 20th.

We have news from Rev. D. D. Davidson and family, from Mrs. Thibodeau. A picture shows Ruth, Anne, Bruno and Lyle their family. They are now living at Ormstown, N. B.

From Mrs. Stewart we have encouraging news, Mr Stewart has been home from the hospital since Feb. 15 and she feels there has been much improvement in what he can do now.

Mrs. Ken Adams is now Mill dred Teasdale' is now employed at the Co-op Beauty Salon in Lloydminster.

Mrs. Wm McGrath and son Peter visited on Sunday to Pop day at the Gunn home They were all happy guests at the Holborn on Wednesday.

The pancake supper was a success and the ladies shown by Mrs. and Mrs. Evenson and the committee by Mrs. Evenson were enjoyed and much appreciated.

## A Farmer Is Many Things

A recent study has been made by the United States Department of Agriculture to determine the kind of training likely to be required to make a success in farming by 1975. The conclusion was that education must be a combination of chemist, economist, accountant, conservationist, biologist, machinery, marketing specialist and a lot of other persons including farmer.

It is an understatement to say that the education given today to our agricultural colleges must be broad with the emphases on basic sciences and the fundamentals of economics. If we taught agricultural practices instead of fundamentals it would be out of date the day after the boy graduates" says Dr. F. I. Raitz of Purdue.

Only about 12 percent of all agricultural college graduates return to farming, but that's enough to keep our production up to and above the demands of consumers.

The other 88 percent find themselves in demand in many kinds of related agri-business jobs or in occupations outside agriculture. Many employers still prefer a farm boy or girl of their training is adequate.

* * *

## Industry Backs Car-Check Drive

The automobile tire, oil and automobile parts manufacturers will actively support Canada's annual spring car-check campaign this year sponsored by the Canadian Highway Safety Council's vehicle safety committee, the drive will be observed through April and May. A similar car-check campaign will be conducted in the United States during May.

John Atkinson of Toronto, General Chairman of the Council, said, "Until our provinces and municipalities adopt legislation making periodic re-examination of motor vehicles compulsory, every car owner must accept the responsibility of maintaining his vehicle in safe operating condition. If he neglects this, he will be held responsible for any disaster resulting from a failure in his vehicle."

Mr. Atkinson urged every car and truck owner to have his vehicle thoroughly examined by expert mechanics, then correct troubles before they create accidents.

## Turkey Outlook

A recent report published by Alberta's Poultry Commissioner indicates that turkey growers may expect a reasonable market in 1965.

The report suggests that returns will be comparable ot those of 1964. It also notes that contract production between processors and growers is increasing.

## See 'Um—Kill 'Um . . . Then Report!

The increase in Norway rats in the County of Vermilion River during 1964 was more serious than in any other part of the province.

This is a year which saw a general increase in rats, according to J. B. Curtis supervisor of pest control and pest control for the Province of Alberta.

**Over 50 rat infestations were handled within Vermilion River County in 1964. To date, all but half a dozen or so have been eradicated. But the rat is industrious for many other facts, one of which is his ability to breed an even to short order.**

Ralph Wilson, Field Supervisor and Marvin Hergesheimer, Pest Control Officer for the County, have issued a statement stressing that rat control is feasible but the full cooperation of all residents is needed.

If you SEE a rat, THINK you can use a rat, or have heard of anyone owning a rat, contact either Mr Wilson or Mr Hergesheimer through the County office in Vermilion.

## Vermilion Short Courses Attract Over Three Hundred

Organized Short Course

Jointly sponsored by the Vermilion Chamber of Commerce and the Agricultural Society, Vermilion's second annual two day short course drew interested audiences numbering 336 to the three sessions.

A banana hog clinic, run in conjunction with, but not a part of the course, drew another sixty two as its contribution to the outstanding success of the two events.

Dr. Bob Anderson, president of the Agricultural Society officially opened the short course on Thursday afternoon at the Elks Hall, with Claude Underdown, president of the Vermilion Chamber of Commerce, making the closing remarks on Friday.

One hundred seventy-four people attended the short course in the Elks Hall, March 19th. The subject was "Estate Planning" by Glen Purnell, Director of Alberta Agricultural Extension Branch was outside guest speaker ably supported by Fred Richardson, Q.C. and Russell Kirke C.A. The interest shown by the hangers-on who crowded the speakers at adjournment would indicate the Vermilion Short-course 1965 was a resounding success. Mr. S. C. Herberg was chairman at the day's activities.

**SEPARATE COURSES FOR MEN AND LADIES**

Thursday, March 18th, was the first day of short-course activity with Mr. Orbie Bratvold, Supervisor of Alberta's Crop Improvement and Elvie Horton, Heinsburg farmer, leading discussion on the make or more beef from the same pasture. Mr Lawrence Webb was chairman for the afternoon. Only six were on hand for this session.

There was a special feature for the ladies Thursday in the Legion Hall chaired by Mrs. Kay Hart. The first speaker was Mrs Nancy Zaveduk, clothing special ist with the Home Economics Extension Service. Mrs. Zaveduk spoke on new fabrics and what can be expected from them. She was followed by Mr. Bruce Brown of the Swine Industry Bureau, Edmonton. He showed and spoke on the latest gimmicks which consumers are being taken with. Seventy-six ladies were in attendance.

**BACON HOG CLINIC SUCCESS**

A bacon hog clinic was worked into short-course week which started out the Vermilion Auction Market on Tuesday morning. Mr A. J. Charmotell, Supervisor of Swine Improvement for the Department of Agriculture, presented the farmers with six hogs, which he labelled probed and estimated how they would grade. All present were asked to grade the hogs. Most of each pig's carcass was brought back to the Legion on Monday, March 22nd when they were checked over by the local graders. Mr Charmotell gave an illustrated talk on swine breeding.

Vermilion is fortunate in having public spirited Agricultural Society and Chamber of Commerce who are willing to bring such an event to the community. A new touch was added when coffee was supplied by Canadian Utilities and cake by Craig's Ltd.

MORLEY DOUGLAS, B.S.

Morley Douglas, the District Agriculturist, was largely responsible for organizing and running the show.

## The Homemakers

By DIANE SHEITTSKY B. Sc. District Home Economist Box 519 — Vegreville

EAGER HOMEMAKERS LEARN TO SEW

For the past couple of months, the Chinaboine Restaurant in Vegreville has accommodated some twenty eager young homemakers, learning how to sew. These local women took all or part of the Clothing Construction course offered by the Extension Service.

The Clothing Construction course, as initiated by the Department of Agriculture, is a three-part course. Part A is a pre-sewing meeting which covers several weeks before the course. Several hours in one afternoon or evening are spent discussing dates, time and place for the coming Sewing Course, as well as recommended equipment, patterns and material to be used.

Part B is an all-day session held consecutively for three days. A very simple cotton shift dress is made. In an effort to avoid teaching too much too soon, the basic techniques of sewing as well as use and understanding of commercial pattern instructions is emphasized.

Part C, the final session, is held either immediately after Part B or at a later date. Again three days are required and this time, the techniques which are taught are more advanced. A lined, wool dress is constructed.

So, after a homemaker has completed the three parts of our Clothing Construction course, she is familiar with most techniques involved in home sewing. She is now ready to pick up a commercial pattern, go home, and sew.

**CARD OF THANKS**

I wish to my thank you to Dr. Evans, Dr. Stephens, Dr. King and Miss MacPhee and staff for their kindness.

Also the friends who kindly sent fruit, cards and visited me while a patient in the hospital.

C. Bradshaw

**CARD OF THANKS**

We wish to extend our most sincere thanks to our many friends for their many beautiful cards and lovely gifts which we received on our anniversary and all the good wishes which accompanied them.

Most sincerely,

Mr. and Mrs. Edwin W. Hart

**CARD OF THANKS**

We take this opportunity to thank our friends and neighbors for their expressions of sympathy at the time loss of our loved one. Also for the donations to worthy organizations, for the lovely flowers and the kindness shown us.

The Procter Family

Please state pay expected and equipment to be used.

D. R. MITCHELL
Secretary-Treasurer

## LOCAL NEWS

Murray Ross who spent a week and a half between semesters visiting at the family home here, returned to his university studies at Bowman, Montana, on Sunday.

Friends will be interested to learn that Mr. and Mrs. Rod Boake intend to leave Edmonton on April 2nd to spend a three weeks' vacation in Hawaii.

Mrs. Ashley Cooper was in Edmonton last Thursday to attend the banquet and dance held annually by the Social Credit members of the Legislature which took place in the Jubilee Auditorium. On Friday afternoon Mrs. Ernest C. Manning entertained all the wives of the members at a tea in her farm home.

Gordon Allen sold his plane recently and flew the machine to Prince George, B.C. where he delivered it to the new owner.

Mrs. S. Pullen visited Lloydminster last week where she judged the Music Festival. Three of her pupils entered the competition and secured good marks. They were Marilyn Sherk (8), Alison Sherk (10), and Candace Sherk (14).

Mr. and Mrs. Joe Ratcliffe and daughters of Edmonton visited at the home of Mr. and Mrs. Pullen.

Mr and Mrs. Elmer Samuelson are happy to announce the arrival of their chosen daughter Susan Jean.

**EX HOLY BAKE SALE**

A successful EX holy bake sale was held in the Co-op store in Marwayne on March 20th. Each contestant was awarded a free 10 pound bag of Co-op flour for their time and trouble. The sale cleared $47

Mrs. George Mihalchson of Edmonton was in town over the past weekend, a guest at the home of Miss Anne Smayluk.

John Seddon, who is employed by Macleods, has been transferred to the company's store at Melville. He is making a short visit with his parents, Mr. and Mrs. Don Seddon, V.A.V.C. campus before going on to his new location.

Dr. Rex Boake of Edmonton, son of Mr. and Mrs. Ross Boake, has been invited to present a research paper at the Urological Section of the Western Division of the American Medical Association at San Francisco on April 27th.

Mr. and Mrs. Bill Pooks of Peterborough spent the week-end at the home of Mr. and Mrs. Gib Stephen.

A Rotary curling foursome of Frank Donald Jr., Mitchell, Gordon Park and Rod Bayment were in Stettler last week-end participating in a Rotary Bonspiel. They met Bill Ross in one game and were lucky enough to beat him.

Mr. and Mrs. W. J. Bell were in Edmonton for the week-end.

Mrs. Wm. Sinclair of Edmonton was a guest recently at the home of her sister Mrs. Jack Wright.

Mrs. John Baker who leaves this week with her family to make her home in Edmonton was honored at a tea afternoon when Mrs. J. H. Hutchinson and Mrs. Jack Hamilton of the district at her home. Mrs Baker was presented with a beautiful corsage and gift and with her go the very best wishes of the community. A social served by the hostess for the assistants brought a very pleasant afternoon to a close.

Mr. and Mrs. Glen Mead and family of three children of White horse, Y.T., have been visiting at the home of Glen's parents, Mr and Mrs. R. J. Mead. Mrs. Mead and the children plan to spend some time visiting at the home of her mother in Edmonton.

## Marwayne Sports

The rink skipped by Harold Tupper won fourth in the Grand Challenge of the Farmers bonspiel in Lloydminster.

The Marwayne Midgets lost to the Wainwright Midgets 18 - 9 in the total of two games played for the May cup. A game was played in each town.

The Juveniles won 5-4 over Lone Rock Juveniles in a game played in Marwayne Thursday night.

At Lashburn on Thursday the Lashburn Junior B Red Wings won over the Comets 9-4 In a return game at Marwayne Sunday the score was 6-5 for Marwayne.

The Comets lost to Hillmond All Stars in the final of the Vermilion Town Hockey Tournament on Saturday.

## Local Nurses' Assoc. To Sponsor Home Nursing Course

Your local chapter of Registered Nurses is considering the St. John's Ambulance course in Home Nursing for you, the general public.

The course is designed primarily to teach the householder how to care for minor sickness before professional help is required and how to complement the care of the doctor.

The course costs $5.00 per person and the candidates must be fifteen years of age and over. They must have a minimum of eight two hour periods. An examination will terminate the course.

Before finalizing plans we would like to know how many are interested. Those wishing to take the course please apply to Mrs. Ivy Tweedie, R.N. Secretary of A.A.R.N. in Vermilion, Alberta.

## Marwayne News

Mr and Mrs. Garfield Midgley were in Saskatoon this past Thursday to attend the graduation of their son Allen from the Saskatchewan School of Agriculture. He passed with high marks in the two year course. Congratulations to Allen and Jack and Bill.

**ATTEND TRAINING SCHOOL**

Here is more news of achievements of our local boys. At present three Massey Ferguson dealers are attending a school in Edmonton two local mechanics Jack Mansson and Bill Ashworth attained the highest marks in the class. Congratulations to Jack and Bill.

Mrs. Chitts was an Edmonton visitor this past weekend.

Mr. A Kent is a patient in the Vermilion Hospital.

Mrs. Ed Hammond attended the 2nd Annual Drama Night in the High School Auditorium on March 26th. A lot of time, hard work and preparation on the part of students and directors was in production. There were three one act plays. The drama was followed by a social and dance. The proceeds were donated to the Vermilion Hospital Memorial Wing. The evening was enjoyed by all who attended.

Mrs. Tedd Hamilton was chosen to be a delegate to the Drama Festival at Lloydminster on Saturday, April 3rd for provincial competition.

Sincere sympathy is expressed to Mr and Mrs. Brian Rose and Mrs. Mac Reed and families in the loss of their father and grandfather in Edmonton on Tuesday night. Mrs. Reed's sister Mrs Spence Dobson of Edmonton is visiting at the home of Mrs. Reed.

Mrs. Todd is a patient in the Vermilion Hospital.

Mrs. Ed Hammond attended the Ladies Night at the Masonic Temple in Vermilion on Friday night.

**CARD OF THANKS**

The Vermilion Ladies Curling Club wish to thank all those who donated so generously to the Ladies Bonspiel and other helped in anyway to make the Annual Bonspiel such a success this year.

**WEATHER REPORT**

Record of rain, 1st to 28 days of March with 2" temperature above freezing and a low during that period of 30 below is enough to keep people talking about March 1965 for years to come.

Before the deep freeze really set in, the last thawing tempera ture was recorded at the Weather Station in Vermilion on March 19th when the mercury climbed to 35 degrees.

**Major James S. Kaiser Honored On Retirement**

Major James S. Kaiser, on the left, receives the presentation of an inscribed tray from Major W. H. Ross of Edmonton. The presentation was made by the Commanding Officer and Officers of the Loyal Edmonton Regiment in recognition of twenty-nine years in the Canadian Militia. Major Ross is Second-in-Command of the Loyal Edmonton Regiment. In making the presentation he alluded to Major Kaiser as one of the outstanding officers in Western Command, and traced his military career from the time of his enlistment on Sept. 29, 1939, his services overseas from 1940 to 1946, and since his return to Canada. Major Kaiser was formerly with Militia Major Kaiser continued his work with "A" Co., L.E.R., on coming to Vermilion in 1956. In 1959 he organized the Army Cadets of which he is the Commanding Officer. He took over the Command of "A" Co., L.E.R., in 1960, and held that capacity until his retirement on Saturday. The command of "A" is now taken by Lieut.R. J. MacEachern . . . and was Capt. E. G. Evans, Medical Officer with "A" Co. for the past eight years. Capt. Evans was unable to attend and will receive his inscribed tray at a later date

## Wildwood East

## Junior Hockey Officials Are Guests of Chamber

Lyn Kreller, coach of the Juvenile Bob Cats champions of Alberta, Jasper B Lyn Williams and Stan Marshall coach and manager of the Vermilion Bantams champions of the Bantam section in Alberta for the year 1964, were guests of the Vermilion Chamber of Commerce at the dinner meeting on Wednesday. The manager of the B-b Cats, Bob Maughan was unable to attend

LYN KRELLER AND BOB MAUGHAN

LYN WILLIAMS AND STAN MANYLUK

President Claude Lucky Lucas expressed the appreciation of the Chamber to the coaches and players for the fine way they conducted themselves on and off the ice during the games and thanked them for bringing the championship to Vermilion. He stated that the people were proud of the hockey team. Mr Manyluk thanked the Chamber for entertaining the team and expressed appreciation on behalf of the players and parents. Lyn Williams expressed appreciation on behalf of the players for the support given by the Chamber members in supporting the hockey team for the season.

In thanking the Chamber for entertaining the team Mr Kreller said that he was proud of the boys. He said he was extremely proud of the manner in which they conducted themselves on and off the ice.

## Derwent Soldier Home From Overseas

After three years of service with the 4 FD Squadron R.C.E. in future NCO, a Derwent man is flying back to Canada on June 5th. L/Cp Bernard Podlubny, his wife and baby daughter are expected to visit his parents Mr. and Mrs. Frank Podlubny about the 20th of June and hope to spend three weeks here.

WE NEED YOUR SUE

The first permanent weather observatory in Canada was established by the British army in Toronto in 1840. The National Meteorological Service in Canada was set up in 1871.

## Lloydminster Music Festival Finale Very Successful

The over seven hundred people who crowded into the Lloydminster High School auditorium on Saturday evening for the Final Concert of the Lloydminster Inter District Music Festival, were well repaid. Starting with an orchestra item by the Junior Band and going right through to the last number, the enthusiastic and appreciative audience listened to a splendid program of piano, voice and instrumental numbers fr m performers of all ages and in all stages of musicianship. The heart-warming response of the audience left no doubt that Mr. and Mrs. Average Citizen certainly appreciate the best in musical entertainment.

The record number of entries and the widely distributed centres from which the contestants came, not to mention the general excellence of performance is additional proof of the success of the 1965 Festival. Couple this with the helpful criticism of three well-qualified adjudicators in the persons of Mr. Lovell Gaetz, Mrs. Betty Godley both of Saskatoon, and Mr. Dan McIntosh of Bloomtown, and a good turnout of interested listeners, a most successful and we have what it takes to bring joy to the hearts of a hard-working committee.

This committee, of which you can be a member if you so wish, was helped in many ways by many people. The Arts and Letters Association is hereby extended to those many people who assisted in making this year's Festival a success. To the press, local and outside; radio and TV, to the clubs, business firms and individuals who provided scholarships, awards and financial help, and most of all to teachers, parents and students go the heartfelt thanks of the Association. Very greatly appreciated also, was the help given by a small army of volunteer workers who came along each year to give a hand.

As soon as it has been prepared a complete list of winners will be published. A full attendance is requested at the April meeting of the Association to be held at Reeves Business College on Monday, April fifth.

### IN MEMORIAM

In loving memory of
**ALBERT EDWARD PRISSELL**
who passed away Mar 29, 1961.
Loving and kind in all his ways,
Upright and just to the end of his days.
Sincere and kind in heart and mind.
What a beautiful memory he left behind.
Lovingly remembered by his wife and family.

## OBITUARY

## Junior High Echoes

(By PATSY MUNRO)

The Robson Junior High has hockey team was defeated by Kitscoty on Tuesday, Mar. 16th. The Kitscoty girls really "clobbered" the Robson girls with a high score of 27-5. Helen Pearman made four of the five Robson points and Linda Murray scored the points for Kitscoty. Our coaches, Miss Weeks and Miss Trant and Mr. Tennant, Kitscoty coach, were all with us.

The boys did considerably better than the girls, but lost by a score of 27-20. The Kitscoty boys had Ken Shepard as the high scorer with ten points; Terry Gilborns scored ten for Kitscoty; Rick Shaw, the Robson boys' coach, was present.

The Robson teams showed improvement on March 17th when they met St. Jerome's. The girls, led by Helen Pearman, won over St. Jerome girls by a score of 11 to 9. Mr. Heady coaches both girls' and boys' team of St. Jerome's.

The Robson boys overcame the St. Jerome boys by a score of 20 to 9. High scorer for Robson was Terry Gibbons with 10 points.

On both occasions we were disappointed at the small number of spectators and would certainly appreciate a better turnout at future games. We need your support!

Coming first was the Dean Jacula rink from the Vermilion Beef Club. Second was Russell Willes fourrsome, also from the Vermilion Club. Fourth and fifth were taken by rinks from the Clandonald Beef Club, while the monopoly of the Vermilion and Clandonald Clubs was broken by a foursome from the Dairyness Beef Club, which took third. The Standard has no picture of this rink but the members were Lead, Patsy Whiting; Second, Elizabeth Rekinowich; Third, John Rekinowich; Skip, Garry Clark.

## ANNOUNCEMENT

*Dr. J. H. LOVE*

Announces that his Chiropractic office will be closed

FRIDAY and SATURDAY
APRIL 9th and 10th

He will be attending the Annual Alberta Chiropractic convention in Red Deer.

## Happy Centre W. I.

Happy Centre W.I. met at the home of Mrs. C. Finlay on Friday March 12th. There were two visitors, and 14 members present. Mrs. Hubbard welcomed the visit rs and the meeting opened in the usual way.

There was a heavy agenda of business some of the highlights being plans to serve donuts and coffee at the opening of the Red Hill on Tuesday, March 23 in the Legion Hall Plans for rummage sale were eared for. Our scrap book is coming along and it is hoped we can see it completed by June. A numbe of recipes were turned in for our Centennial cook book. Nancy Cosford was appointed to inquire about lights for our east CNR crossing. A welcome wagon was discussed.

Mable Finley gave a very interesting paper on weights and

Roll call was a loaf of bread Fay McLaughlin was the prize given by Ruby Young with the right answer of 22 oblisives

An enjoyable hour was spent over the tea cups with a delicious lunch served by Nora Leonard and Nellie Cobb. The menu being sandwiches, The Thin The Strip, The Tease A pig in the poke was won by Mary Kelly cookie

## Discrimination Against Indians

Canadians outside of American attitudes toward negroes should consider Canadian Attitudes to ward Indians states Mrs. H Johnston president of the Edmonton Women's Union of Alberta

In an article published this week in the F.U.A. official organ "The Organized Farmer" Mrs Johnston took issue with her fellow citizens who have become absorbed with the fight for civil rights in Alabama but have forgotten that many native Indians still meet discrimination in Alberta The Indians are no different a people apart she says They are a part of our local community and should be treated as such

Again this year the F.W.U.A. will be conducting a Canadian Citizenship Camp in cooperation with the Citizenship Branch of the Department of Indian Affairs The camp is designed to do something practical to help native girls make contact to native members of Alberta communities to understand the people and members of the women's culture

The theme remain in this series which is held in 1962 This camp will those which have been held each year since the first two made available at the F.U.A. operated Guide-wise Leadership Training centre. On the outskirts of Red Deer in the Rocky Mountain Foothills It is hoped there will be 50 guests at the Citizenship camp to be held the first week of July, 1965

Both rural and the urban have much to contribute and lack of knowledge from a difficult to adjust to our rapidly changing society states Mrs Johnston in her article, which continues says we will need fairness leaders in the F.W.U.A. Canadian Citizenship Camp to provide a dynamic experience for rural young Canadians of two races social back ground. that will create them to understand themselves to understand other people, to recognize the desire and to develop the social and vital leadership abilities

1965

# BEEF CLUBS SWEEP 4-H CLUB BONSPIEL

The annual 4-H Club Bonspiel was held in Vermilion Curling Rink last Saturday, and when it was all over the Beef Club boys and girls had taken all the marbles.

The spiel drew 16 rinks, representing 11 clubs throughout the district and was run by the District Agriculturist's office in Vermilion.

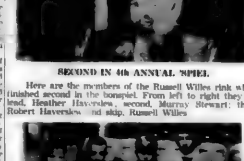
Coming first was the Dean Jacula rink from the Vermilion Beef Club. Second was Russell Willes foursome, also from the Vermilion Club. Fourth and fifth were taken by rinks from the Clandonald Beef Club, while the monopoly of the Vermilion and Clandonald Clubs was broken by a foursome from the Dairyness Beef Club, which took third. The Standard has no picture of this rink but the members were Lead, Patsy Whiting; Second, Elizabeth Rekinowich; Third, John Rekinowich; Skip, Garry Clark.

WINNERS OF GRAND CHALLENGE

Here are the winners of the Bonspiel. From left to right the members of this Vermilion Beef Club rink are Anthony Simonet; second, Barbara Wilson; third, Don Jacula and skip Dean Jacula. Incidently Don Jacula is president of his club, and Miss Wilson is secretary.

SECOND IN 4th ANNUAL SPIEL

Here are the members of the Russell Willes rink which finished second in the bonspiel. From left to right they are lead, Heather Haverdale; second, Murray Stewart; third, Robert Haverdale and skip, Russell Willes



CLANDONALD CLUB TAKES FOURTH

Andrew Conivey of the Clandonald Beef Club skipped this rink to fourth place in Saturday's spiel. From left to right we see lead, Mary MacGhee; second, Terry Stachniak; third, Irvin Strome and skip Convey.

TOOK FIFTH IN BONSPIEL

The members of the Clandonald rink took fifth place in Saturday's compilations. Left to right they are lead Rodena MacMillan; second, Leslie Nelson; third, Emily Trachuk and skip Robert Stachniak.

## Celebrates 97th Birthday in Hospital

Thursday, March 11th was a very special day for Mrs. Annie Parr who celebrated her 97th birthday in the Islay Hospital.

With the kind permission of the matron, Mrs. Bell, Mrs. Darla Parr, assisted by Mrs. Bob Spicer served tea. The beautifully decorated cake was made by Mrs. Spicer. Mrs. Parr's sons Frank, John and Bert and granddaughter Sandra, along with Dr. Bissett and the hospital staff, joined in making this a very happy day.

Mrs Parr, who is an honorary member of the Riverton Ladies' Club, was presented with a gift from the Club. She also received many other presents and cards of congratulations.

## Gideons Sponsor Calgary Choir

A fact capacity crowd enjoyed the sacred concert presented in the Legion Hall on Friday 26th of March by the Calgary Men's Bethany Bible College Choir.

The program was directed by Wm. I. Anderson and also accompanied by Mrs. Arthur D. Cornell executive secretary of the College.

Solos, trios and piano selections were interspersed as well as several selections by the choir. Mayor of the town Mr. Little also gave a short address. Mr. Cornell was the guest speaker.

Several people attended from out of town especially from Islay and Mannville.

The Gideons were happy to sponsor the appearance of this choir in Vermilion as a Christian service. They take this opportunity to thank those who so willingly assisted in the catering to the needs of the choir upon arrival to Calgary

### CARD OF THANKS

Ltd., Rowe & Sons, Marshall Wells Ltd Herron Motors Ltd Vermilion Builders Ltd, Beans Lumber Co. Ltd., Vermilion Co-op Ltd., Canadian Utilities Ltd. Alberta Brewers Agents Ltd., Swift Sweet, Mask Brothers, Clandon ald Hardware.

## Lloydminster T.V. Asks For Satellite

VANCOUVER The Lloyd minster Canada Man said Wednesday he has made no progress fighting for certain of its rights in a satellite station to beam television into north Alberta.

CKSA TV said it's bid to the board of broadcast governors that channels needed a larger industry of which to locate transmissions.

In seeking permission to build a satellite station at Bonnyville CKSA TV asked the BBG not to approve the application for another television station to build a similar satellite in the same general area.

He would cover two persons son that would be covered by a satellite station in Lloydminster, said Arthur F. Mosteller president of CKSA TV Limited.

He said that if the BBG approved the application for CKSA TV would be able to build a satellite

He said CKSA TV's estimated population would be 40,000 and would be cut by about one-fourth if CFRN was permitted to build a satellite station in Edmonton.

Mosteller said CKSA TV would be able to cover a substantial area of Saskatchewan in the future if the Board deferred decision on the application until the CKSA TV bid was heard.

Mr. Mosteller said if CKSA TV's proposed satellite would not affect Cold Lake on NAF base with a population of about 8000 as the CFRN TV a satellite would.

[illegible] pete with a satellite station from CFRN TV for the time being he said the Lloydminster area will not have an increase in pop ulation

CKSA TV carries CBC television network programs CFRN TV is a CTV affiliate

## Elks Fund Aids Local Children

ONE OF CANADA'S MOST UNIQUE NATIONAL CHARITIES

Few people here realize that the local lodge of the Benevolent and Protective Order of Elks of Canada and its auxiliary, the Order of the Royal Purple, will grant assistance to any needy child 16 years or under in this community, who may need medical attention surgery, glasses, hearing aids, dentures, braces or his limbs artificial limbs or the essential necessities of life which they are being deprived of through unemployment of a parent or the parents.

Sam T. Dare Grand Exalted Ruler of the B.P.O. Elks of Canada said in a recent statement that last year B.P.O. Elks and OOOR Purple lodges

O.O.R. Purple Lodge contributed a total of $75,000.00 to their National Objective in aid of children throughout Canada.

"Communities such as this need only apply to the local lodge and state the case of a child in need for their consideration," he said. "The National Fund," he added is solely supported by contributions from B.P.O. Elks and OOOR Purple lodges."

"This fund is unique in respect to other national charities as it names no specific disease or illness and provides assistance to any child in Canada regardless of race, creed or color," he concluded.

## CAPITAL REPORT

# Government Delays Appointing Ombudsman

By HADLEY J. CASONE

EDMONTON (CNFS) — The appointment of a guardian of citizen's rights, an individual empowered to investigate and act on complaints of government injustices, has been delayed at least until next year, at the urging of Premier Manning.

In the Legislature Thursday, the Premier called upon party members to defeat a motion made by Calgary member F. L. Gainer (Banff-Cochrane) which suggested an ombudsman be appointed as soon as possible in this province.

Mr. Gainer said that would result from the increasing powers of accumulation trial and conviction with an appeal delegated to civil servants.

In his submission, Mr. Gainer cited three instances where an ombudsman could have alleviated untenable situations. They included the case of a woman going to jail for not paying a parking ticket, a feud between two companies over a fence where government intervention was delayed indefinitely and delays in getting approval for new signs.

While asking for the defeat of the motion Premier Manning did, however, stress that he agreed with the principle behind the motion but suggested that any action wait until the proposed officer's duties and powers were clearly outlined, and until the government's report from a committee studying the powers of government boards is received.

Meanwhile two other revelations of major importance were placed before the Legislature during the week. Firstly Provincial Treasurer A. O. Aalborg told the Legislature it is not realistic to consider lowering taxes at the present time.

Replying to suggestions by members of the opposition during the final stages of the budget debate Mr. Aalborg said this is not the time to use surplus funds to reduce taxation, as some other provinces have. (Namely Saskatchewan, where its newly elected Liberal government, with a surplus of about $12 million, has cut several sales and gasoline taxes recently.)

The expenditures of Alberta are rising rapidly, Mr. Aalborg said. "We find that the per capita expenditure of provincial and Municipal governments combined in the highest in Canada while the 1964 tax burden of the two combined is the lowest . . ."

The other significant item placed before the Legislature was a special report on teacher-trustee collective bargaining which upheld the teachers' right to negotiate.

The report was tabled in the Legislature by Committee Chairman Albert Ludwig Secred M.L.A. for Calgary East. "In view of evidence submitted to it, and in view of the fact that strikes and other forms of coercion are utilized in provinces where strikes are not legally permitted the committee has come to the conclusion that no practical purpose could be served at the present time by denial of the right to strike to teachers" the report states.

Meanwhile results of the Leth-bridge Crystal Feeders Co-operative judicial investigation were tabled in the Legislature Monday by Premier Manning.

Judge L. S. Turvette who conducted hearings into the organization's affairs after a group of Co-op members petitioned the government placed the blame for the Co-op's $600,000 debt on its former Supervisor Stuart Hatch, now a resident of Riverside Cafe.

Mr. Manning informed the Legislature charges were being drafted by the Attorney-General's Department to prosecute Mr. Hatch, who has generously agreed to return to Alberta to face the charges.

Judge Turvette, in his 307-page report, suggests that Mr. Hatch be charged with three offences: theft by conversion, theft by failing to account — punishable by a maximum of 10 years in jail — and falsification of books and documents with intent to defraud which can bring a maximum of five years.

## Town of Vermilion

**By-Law No. 7-65**

Being an amendment to Zoning By-Law 17-64

The purpose of the by-law is to amend Zoning By-Law No. 17-64 as follows:

Lots 22, 23 and 24, Block 23, Plan 635V be designated as C.I. (Commercial-Industrial) zone.

Take notice that the proposed By-Law No. 7-65 has been introduced to and has received First Reading by the Municipal Council of the Town of Vermilion.

As provided for in the Planning Act 1963 and amendments thereto a public meeting will be held in the Town Office on Tuesday, April 20, 1965, at 7:15 p.m. to hear any objections against the proposed amending by-law.

A copy of the By-Law No. 7-65 may be seen in the Town Office during office hours.

Dated at Vermilion this 22nd day of March, 1965.

D. R. MITCHELL
Secretary-Treasurer
Town of Vermilion

MR. AND MRS. RAYMOND KOWALSKI

## Kowalski-Watt Wedding Solemnized in Edmonton

A quiet but very pretty candle light wedding took place in Ed monton at St. Faith's Anglican Church on Saturday, February 6th at 6:30 p.m. when Miss Marilyn Watt became the bride of Mr. Raymond Kowalski.

Mr. and Mrs. W. H. Watt of Edmonton are the parents of the bride and Mr. and Mrs. Mary Kowalski of Islay are parents of the groom. Rev. Canon C. Fidler officiated at the double ring ceremony.

A lovely candlelight reception was held in the Corona Hotel where 57 guests gathered to extend congratulations to the happy couple. The bride's table was covered with pink and white carnations, wedding bells flowers and candles. The bride's table was centered with a beautiful three-tier round cake which was made of by the bride and groom.

The toast to the bride was given by her brother-in-law, Mr. Bill Rima and fittingly replied to by the groom.

The Misses Frances and Joyce Kowalski sisters of the groom were in charge of the guest book.

For travelling the bride wore a two piece suit of French mist with accessories matching. Her corsage was a white cymbidium orchid.

The happy young couple will make their home in Edmonton.

The bride is a graduate nurse from Calgary. High River was the home town of the groom. Both are graduates of Vermilion High School.

For her daughter's wedding Mrs. Watt wore a pale blue brocaded lace dress with matching accessories. A corsage of pink gladioli was also worn.

Mrs. Kowalski chose a navy blue dress with white accessories for her son's wedding. Her corsage was of white gladioli.

For her honeymoon trip to the Maligne Lake area the bride changed into a navy blue suit with white accessories and pink carnation corsage.

The couple will reside in Edmonton.

Mrs. Peterson and Mrs. Lazarenko were presented with corsages on behalf of the members.

Several guests were present from the Vermilion area. The president Herman Lazarenko, Mr. and Mrs. Tom Taylor and family, Mr. and Mrs. Lazarenko and family, Mr. and Mrs. Ed Gerrard and family, Mr. and Mrs. Ed Gerrard and family, Mr. and Mrs. Ed Gerrard

## Town Moves To Purchase Garbage Packer Unit

At the meeting held on Monday, March 15, the town council moved to purchase a much needed 17 cubic yard Leach Garbage Packer Unit at a price of not more than $20,000. Local Stock dealers are being asked to tender on a 3-ton truck chassis for the garbage unit.

In attendance at the meeting were Mayor A. Bea King, councillors Fred S. Britton, Walter Dey, C. Underdown and Stan R. Weinberger.

Average hourly wages and fringes (not in Canadian money) for factory workers are $2.35, compared to Sweden $2.44, West Germany $1.14, Great Britain 95 cents and Japan 73 cents.

# Red Cross Appeals For More Blood

Last week Mr. P. G. Arnot Director of Donor Panels for Alberta visited the local committee in charge of Blood Donor clinics in Vermilion and district. Mr. Arnot made an urgent call for this district to do everything possible to maintain the record number of citizens in Vermilion who donated blood last April.

You will recall that we were asked for a special effort last year as an emergency situation existed in Northern Alberta in the matter of a real shortage of blood for operations. 277 donors came forward in April and 288 in October. The shortage is more alarming than ever now owing to the weather which was so unfavourable for lining donors or for them to attend clinics.

The age limits are from 18 to 65. This means that quite a few young people become eligible every year. We appeal to them to come forward and take their part in this wonderful pr gram. There is the thought of course that sometime you may need blood transfusions yourself

CANVASSING GOING ON

Almost 45 ladies have undertaken the canvassing of the homes of Vermilion for the listing of blood donors. Church groups do this canvassing. This year the United Church Women, the Catholic Women's League and the Happy Hour Women's not possibly canvass country districts would rural people please consider this an invitation to attend the blood clinic.

Auxiliary of St. Saviour's Church are doing this work.

Everyone is welcome. One does not have to be on the list to give blood. Anyone can come to the Legion Hall on April 21st, between the hours of 2 to 4.30 and from 7.00 to 9.00. As we can-

QUOTAS

Dr. H. D. Mayhew of Edmonton, chairman of the provincial Blood donor committee has this to say in his report:

"The following clinics substantially exceeded their quotas, earning our warmest thanks and commendation Fairview, Peace River, Rocky Mountain House, Vermilion and Wainwright.

Our quota this year is 900 donors. Won't you do your part in helping us to achieve this number? We don't want your money, just your blood.

## WILDMERE

(Held over from last week)

First days of spring ushered in at 28 below zero

Congratulations to Mr and Mrs Wm Veitch of Battleview on the birth of a son in Wainwright Hospital.

Sincerest sympathy to the Proctor family of Hendrille on the loss of a wife and mother Mrs. Otto Wesenberger of Tro chu formerly lived in this area

Jim Ibbeen was in Edmonton over the week-end attending career days at the technical school.

Home from varsity were Allister Hughes and Joanne Hughes for a spring break

Mr. and Mrs. Lloyd Howard and Susan accompanied by Mrs Fay Dibble motored to Edmonton Monday.

Pleased to report Mrs. David Ibbeen is expected home this week to convalesce from her recent illness also our friend Mrs. Albert Holtte is steadily improving in the hospital.

The Westman rink competed in the ladies' bonspiel in town at the week-end returning bowed but reporting a good time with no success. The girls' rink got into the prizes in the 4th event

Nice to see our old friend Mrs Ida Martin down from Edmonton with a visit over the week-end down on Saturday for a nice visit

Mr and Mrs. Wm Smith returned home Sunday from their holiday to Vancouver and the States to be greeted by very much below normal weather

## Paradise Valley

Congratulations to Miss E. Teasdale and her group of girls and boys who won first and a certificate with their Musical Revenders in the Lloydminster Musical Festival on Friday.

In the Sudbury News, we see pictures of Mrs. Dorothy Clarke, formerly of Paradise Valley, as the Women Auxiliary to the Sudbury Police Association, presented by the senior citizens of the town Manor, where she is the organizer.

Congratulations go to Mr and Mrs Gerald McLean who were married in Lloydminster on Friday March 26th with a reception in the United Church hall and a dance in Paradise Valley Memorial Hall.

On Tuesday, March 16th Mr. H. H. Corse was killed in a car accident. Funeral service was held in the Presbyterian Church Lloydminster on March 20 and interment was in Golden Valley cemetery. Sympathy is extended to his wife and family and to his brother W. A. Corse and family.

Mr. and Mrs. Earl McKenzie and [illegible] were guests at the Mr. and Mrs. Clifford Wood home [illegible]

Mr. and Mrs. Carl Strand and [illegible] from Hi view are guests of the Glen Berry home.

The Glen Berry and Floyd Berry families attended the rodeo in Edmonton.

Mr Eperjesy from Dunseith, N. Dakota visited recently with his daughter Mrs. Jim Brown and family.

The UFW meeting will be held at the home of Mrs. Thibodeau on April 6th at 2 p.m.

## Be Modern HEAT WATER ELECTRICALLY

## Observe Diamond Anniversary

Mr. and Mrs. Ira Schurman of Vermilion are shown above with their three sons as they celebrated their diamond wedding anniversary at a family gathering in Scuggins Restaurant in Vermilion. Mr. and Mrs. Schurman were married in Montreal on April 4, 1905. Coming west the same year, they farmed near Innisfail until 1908, when they moved to the Claymore district. They moved to Vermilion in 1945. Mr. and Mrs. Schurman's sons, shown standing behind their parents in the picture are, from left to right, Ralph of Drayton Valley; Ernie of Vilna, Alberta and George of Edmonton. Mr. and Mrs. Schurman now live at the Vermilion Valley Lodge.

## Explorer Group Of Manville Have Busy Year

The Explorer Group of the Manville United Church under the leadership of Mrs. I. Larcombe is having a busy and interesting year. Recently the girls finished their Mission Study which gave them an insight into the life of boys and girls in Trinidad and Brazil. To show their experience the girls invited their mothers and friends for a tea. Mrs. Allan Nicoll assisted Mrs Larcombe for this occasion and the girls proudly displayed their cups and dainties. After the tea the girls conducted their regular meeting with Brenda Larcombe as president, Dorothy Bain as keeper of the log and Esther Schock treasurer. The girls repeated their purpose and sang the Explorer motto. "This is My Father's World. The girls and Mrs. Larcombe were pleased to have Mrs. J. Whitney with them. She accompanied the singing.

As proof of faithful attendance and participation a number of the girls received stars for their middies. The ceremony of presentation was effectively carried out by Mrs. Larcombe Lenore Larcombe, Dorothy Bain and Esther Schock received their second third and fourth stars. Bobbie Boe her second second year blue star and Theresa Ritchie, Sharon Peterson, Georgina Lassiks and Lynda Wharry the second first year red star. The other members, Marilyn Johnston, and Debra McIntyre will try to achieve their stars in the weeks ahead.

Mrs. Larcombe gave a brief summary of the study books. Mrs. Ross Johnson thanked the girls each gave a few facts about Trinidad and Brazil.

Esther Schock lit a candle at the World Day of Prayer service and the group closed the meeting with the Lord of the Light of the World. This was followed by the worship service during the girls took part by reading several scripture passages based on their mission study.

Mrs. Larcombe thanked the ladies for coming Miss Ruth Gray expressed the appreciation of the group for the invitation and the opportunity to share an hour of fellowship with the girls and their leader.

The meeting closed with the members forming a prayer circle and singing the well known hymn "Children Who Walk in Jesus' Way"

## Rotary Carnival Enjoyed By Enthusiastic Audience

Heather Hughes. Boys 10 to 12 — 1. Joe Mansuit, 2. James Anderson, 3. Robert Mayer Girls 12 and over — 1. Heather Hawreliuk; 2. Marilyn Gibbons; 3. Janice Maggs. Boys 12 and over — 1. Darwin Heinrichman; 2. Ronny Jones; 3. Don Brennan.

COSTUME AWARDS

Boys under 6 — 1. Mark Inman 2. Rodney Engelking; 3. Larry Baddock Girls under 6 — 1. Cindy Kirke 2. Peggy Lambhorn 3. Linda Rodgers Girls 6 to 12 — 1. Mickey Machnah 2. Leila Horricks Boys 6 to 12 — 1. Wayne Bwahandik 2. Jamie and Heather Anderson 3. Greg Halterman. Boys 12 to 16 — 1. Dennis Mannens Jim Ferraro 2. Brent Bannon, Cecil Jones 3. Gary Hunter. Girls 12 to 16 — 1. Janice Mayer, Jean Teasdale and Pam Osborne 2. Marilyn Gibbons and Judy Heinrichman 3. Susan Hoar

Over one thousand people turned out at the annual ice carnival put on by the Rotary Club in the Vermilion Stadium.

Ann and Isabel Taylor of Edmonton gave a fine display of figure skating. Two comedians, Chas Hastings and John Frey had all Maidenform doing a skit by to the program. Grower Halferman was a great help in organizing the carnival.

The Majorvine under direction of Mrs. Aldous Krake gave a wonderful display of baton twirling

The Vermilion Figure Skating Club presented "Snow White and the Seven Dwarfs" under direction of Mrs. Jennie Nelson, who also gave a solo performance of figure skating. She was assisted by Mrs. R. Snelgrove, Mrs. J. Webb, Mrs. Jean Kowalchuk and Mrs. H. Goldsmith.

The Rotary Club wishes to acknowledge and thank those who took part in training the performers and supervision of the carnival in any way.

Underdown and Jack Harms were the entertainment committee on behalf of the Rotary Club.

The chuckwagon race was full of excitement. The placing in this event were: 1st Vermilion Johnnieballs School 2nd Junior High 3rd St. Jerome's School There were five entries

## Local C.G.I.T. Hold Anniversary Tea

On April 3rd the Vermilion C.G.I.T. girls sponsored a 30 Anniversary Tea in the United Church Hall. This was a special and most successful project to celebrate the 30th birthday of C.G.I.T.

The hall was decorated with blue and white streamers meeting the letters Happy Birthday. Underneath these streamers were C.G.I.T. emblems surrounded by pictures of past C.G.I.T. groups. Blue and white streamers trimmed the three serve and refreshment tables were placed one on either side of the room. Uniforms of the past years were modelled by some of the C.G.I.T. members. Bloomers long skirts and long middies

The proceeds will be donated to the overseas C.G.I.T. project. Representing these activities will be a member of the C.G.I.T. executive.

We are happy to say it was a wonderful success. We would like to extend a special thank you to the following ladies who prepared tea and coffee. Mrs. Miller, Mrs. Robinson, Mrs. Smith and Mrs. R. C. Herbert. We would also like to thank the ladies who served in the kitchen and to all who came to the tea, helping to make it a successful event

## The Winner!

Rodena MacMillan was the winner at the 4-H District Interclub public speaking contest held at the V.A.V.C. on Friday, April 2. There were seventeen contestants, representing as many clubs. Rodena is a daughter of Mr. and Mrs. Alex MacMillan, and represented the Clandonald 4-H Beef Club. The contest is sponsored jointly by the Vermilion Rotary Club and the Alberta Dept. of Agriculture. Here we see Mr Jack Kneale, president-elect of the Rotary Club, presenting Rodena with an inscribed tray.

*Standard News Photo*

## Vermilion Spiel Winds Up In Manville

Winners in the fourth event of the Vermilion Ladies' Bonspiel which finished up in Manville when it was found that both rinks involved in the final lived in Manville, were the McLeagh 1st rink, 2nd, Grey; 3rd, Doris Martin, Vermilion. 4th, the Gibson foursome of high utmost standings.

## Banquet In Honor Of Hockey Champs

A Spectacular Banquet in honour of the Vermilion Twin Pines Hockey Champions, Bantams, Juvenile and Juvenile Colts will be held Wednesday, April 14th. This banquet is being sponsored by the Vermilion Lions Club and will be held in the Vermilion Legion Hall. Tickets are available from any Lions member at $2.50 per person.

## Curling Club Debt Retired In Three Years

MANVILLE — A very successful season was concluded on April 2nd in Manville curling rink. The season marked a very notable achievement the final payment on the curling rink mortgage was made. This is a short three years after the rink was built in order to do this some members had to double up their membership fees for the first year. Many others made generous donations to the building fund.

The annual banquet before the curling season opened also was a unique experience for all present. Most unusual was also the fact that the banquet was served by the husbands of the curlers. The menu was excellent and was served in a very efficient manner.

The annual meeting

### Tribute to Former Vermilion Teacher

Many people in Vermilion and district will be interested in the following tribute to a former Vermilion high school teacher, then Miss Ernestine Capsey, for many years now Mrs R. L. Whitney of Red Deer. As Miss Capsey she taught mathematics in the Vermilion high school from 1936 on for several years leaving here to accept a position on the staff of the Red Deer high school.

The tribute was penned by Stan Reid who writes for the Edmonton Journal, covering the Red Deer area, and appeared as follows:

"This is the kind of teaching story that restores one's faith in something or other.

"More than 30 years ago, taking Grade 12 in Lloydminster, the class I was in had a lady mathematics teacher who instilled the intricacies of trigonometry, etc., in her students in an almost magical fashion. Memory of her classes and the subsequent satisfactory and lasting results, has stuck with us, and probably thousands of former students ever since.

The years have rolled around and today, Mrs. R. L. Whitney, the former Ernestine Capsey, is teaching math at the Composite High School in Red Deer. One of her pupils is the oldest member of my family, a lad perhaps more pointed toward success in sports, and he is bringing home good math marks. I know why. Mrs. Whitney, incidentally, is a member of a well-know Camrose family. Several members of the family, as I recall, made teaching their profession."

### Reading Is The Key

Canadian Library Week, April 10th to 17th, through its combination of national and local activities promotes libraries of all kinds, public, university and school. It stresses also the value of books in the home — chosen for their appeal to the individual — personally selected and purchased from the local bookseller — read as ; re-read and cherished.

Visit your local library anytime. It's a friendly place — but especially during Canadian Library Week — Learn to know its resources and normal activities — Support your library in its budget needs. Help it to expand and improve its services. Remember more and more Canadians need more and more books and more and more libraries

Canadian Library Week stresses the importance of reading and the corresponding importance of libraries in Canadian life, especially in an age which demands so much knowledge and so many skills. Today Canada's vitality and indeed the very existence of the world depends on the degree to which its people form the habit of reading to discover, to intelligently interpret and weigh ideas, and to reflect on the history, civilization and history of past ages.

Canadian Library Week is to be celebrated not as an isolated seven days but as the culmination of a year of continuing promotion of books, reading and libraries by publishers, booksellers, librarians and Canadians who believe that reading is the key for all time and all persons, opening the door to continuing education, to inspiration, wisdom and enduring pleasure.

### Getting a Better Parliament

When the Commons gets into one of its chronic snarls The Financial Post says, election rumors fly. Inside the House it is plain that many of our parliamentarians believe things won't go on like this forever. But people outside parliament are entitled to ask what good an election will do. The answer: The Financial Posts suggests, is that it would not necessarily mend matters, at all, and might even make them worse. There is no guarantee that a quick election would return a government with a working majority. Furthermore, though the "normal" life of a parliament is supposed to be roughly four years, we have had four federal elections in the past eight years. The country has had its fill of elections and non-stop politicking inside parliament. An election now might only result in more of the same Canada's real prospect of getting a better parliament lies in the redistribution of parliamentary seats now under way, and due to be completed by midsummer, 1966.

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

SEED TREATMENT

TREE PLANTER

Fungicide and insecticide treat ... The Counties of Vermilion River, Two Hills and Minburn ... will provide a tree planter for ... ratepayers at cost. The farmer ... must indicate to the Field Supervisor as early as possible that he will require the service of the planter. If the tree planter is in your planning for the spring of 1965, don't leave it to chance. There will be more trees planted in these counties than in any previous year. Make that appointment today.

SOIL EROSION CONTROL

A farmer concerned with water erosion and willing to do something about it can secure financial and technical assistance by contacting his field supervisor. Counties have policies to assist farmers to fill gullies and grass them down. Gully filling is often more complicated than many people think. It costs money, so make sure by contacting your field supervisor.

A. S. B.

Possibly one-third of the farmers do not know what the initials A.S.B. stand for. A.S.B. are the initials of the Agricultural Supply Board - a board of the M.D. which has close ties with agriculture. These boards were originally intended to consolidate weed control in and before the appearance of the large municipal districts (undoubtedly they have served their purpose well but have done more, branching out into Brucellosis Control, tree planting, pest control, roadside brush removal, shortcourses, soil conservation, g o o d farming awards, etc. The board consists of two councillors, two farmers and a D.A. An A.S.B. can only recommend to the County or M.D. council. A field supervisor is the employee responsible to carry out the program of the board.

## 48 Years Ago Today

APRIL 11, 1917

The town has now taken over the hospital with the former standard of service to be maintained. It will be controlled by the town pending the putting into operation of the Rural Hospital Act, as passed at the last session of the legislature. As a temporary measure the town has taken over the private hospital owned by Nurse Boyd who is leaving for the East. The rates have been reduced to $2 from $3 and a qualified nurse is to be engaged as matron of the hospital. The committee in charge is J. A. M. Craig, Chairman; W. J. Sood, Wm. Bryden and J. Law.

Thought music has gone from around town and the sounds are drying up nicely, there is still much snow in the country. That however is now going fast and a week should see many roads pretty well cleared of snow

Miss V. Sullivan, stenographer at the Immigration Hall, Edmonton, spent Easter at her home north of town

* * *

## 32 Years Ago Today

APRIL 8, 1933

At a recent meeting of the members of the Vermilion Turf Club it was decided to hold a race meet here during the summer. Steps are being taken to get the support of Lloydminster, Vegreville, Wainwright, St. Paul, Marwayne and Bonnyville.

Mrs. B. Calvert was re-elected W.M.S. President at the 8th annual meeting of Presbyterian held in Leonard last Wednesday

Craig Bros. were advertising choice meat cuts: shoulder roast choice beef per lb. 8c; sirloin roasts 12c per lb.; round steak 12c per lb.; Young pork leg roasts 10c per lb.

* * *

## 16 Years Ago Today

APRIL 17, 1949

Not to be outdone by the senior stockmen of the Vermilion district, the juniors also were very much in the fore at the Edmonton Stock Show last week. Bobbie Barry, young son of Mr. and Mrs. Maurice Barry was awarded the Edmonton Exhibition Challenge Trophy for showing the best beef heifer. Patsy Cross, daughter of Mr. and Mrs W. F. Cross won a similar prize for her Aberdeen Angus calf and was second in the district awards.

Mayor W. P. Pilkie and Cr. Tom Stark spent Wednesday in Saskatoon attending a paving clinic held by he Husky Oil & Refining Co.

Joe Elkins is at present in Eastern Canada visiting friends and relatives and on his home he will consider Toronto. He will also pay a visit to Illinois.

DENNIS BERDINE

## Appointed D.A. For St. Paul

Dennis Berdine has been appointed District Agriculturist at St. Paul, succeeding John Zaine who was transferred to Barrhead.

Mr. Berdine, a native of Lacombe, and graduate in Agriculture from the University of Alberta, was trained at Vermilion and so is well acquainted with farming in this area.

Mrs. Berdine is married and will be making his home in St. Paul.

## Local Nurses' Assoc. To Sponsor Home Nursing Course

Your local chapter of Registered Nurses is considering the St. John's Ambulance course in Home Nursing for you, the general public.

The course is designed primarily to teach the housewife how to care for minor sickness when professional help is not required and how to complement the care of the doctor.

The course cost is $5.00 per person and the candidates must be fifteen years of age or over. They must have a minimum of eight two hour periods. An examination will terminate the course.

Before finalizing plans we would like to know how many are interested. Those wishing to take the course please apply by letter only to: Mrs. A. Tanchuk R.N., Secretary of A.A.R.N., in Vermilion, Alberta. 39-40

Items from this district through out province are considering Red Cross appeals during the spring months.

## Military Badges Talk Heard At Rotary Club

Some years ago E. H. Buckingham presented a sizeable collection of military badges to Field Marshal Alexander Branch of the Royal Canadian Legion. Since that time he has been curator of the collection which has been built up to over 1130 badges and buttons.

Last week Mr. Buckingham addressed the Rotary Club on this collection which actually is an interesting hobby that compares with postage stamp and coin collecting.

The speaker illustrated his talk with references to incidents in the history of some of Britain's famous regiments. The British army dates back to 1660. In this year Charles II came back from forced exile in France to take the throne of England. He brought with him many refugees who had followed him into exile. The force was named the First Guards Regiment. Many years later it was called Grenadier Guards after its great success in the Battle of Waterloo.

The second regiment was the Coldstream Guards. It was recruited in 1661. The youngest regiment in the army is the Rifle Brigade which was born in 1798, just 167 years ago.

Each regiment has a distinctive badge of its own usually besides the regiment's name the battle honors earned in the wars have been added. The badges of British's regiments are acutually a history of Britain's battles in every part of the world.

Churchill's regiment was the Queen's Own Hussars. This regiment was raised in 1685. It was another regiment, the 17th/21st Lancers in which Churchill rode in the cavalry charge at the Omdurman in 1897.

Mr. Buckingham related the story of the Charge of the Light Brigade and how the mistake was made which resulted in the loss of nearly 600 cavalry soldiers. It was the turning point in the battle as the 25,000 Russian soldiers who attacked the British army that morning immediately retired to the nearby fortress of Sevastopol.

Ken Rowe introduced Mr. Buckingham.

### Tie, Loss, Skunk — Skip Baddock Retires

Yes. It's true veteran skip Jack Baddock has announced his retirement from the roarin' game. It all came about on Sunday afternoon when the Legion sponsored a social bonspiel. At the tee of a good looking ring was Jack Baddock, with Larry Basler, Hector Boris and Eddie Herzog to form what looked like a formidable foursome. Not results. one tie game, one lost game and one skunked game. "I can stand the tie and the loss, but a skunk after 30 years of playing the game is too smelly to bear — I'm retiring

I'm hanging up my broom — no more curling for Jack", stated Jack. From the left in the picture are ex-skip and ex-curler Jack Baddock, Larry Basler, Hector Boris and Larry Pare who stood in for Eddie Herzog, absent when the picture was taken. Next winter when Jack is curling in the open bonspiel, we'll show him this picture.

## Appreciate Vermilion Hospitality

Stan Manyluk, manager of the Vermilion Bantams, has received the following letter from Mr. Bill Curtis coach of the Okotoks Bantam team, which played the Alberta finals in Vermilion two weeks ago. Mr. Curtis' letter follows:

I wish to thank you and all the people who assisted us on our recent trip to Vermilion.

Everyone was greatly impressed with the hospitality and efficiency of all those connected with your Recreation Commission an organization which is a credit to the people making up the commission and to the community.

We truly enjoyed our trip your hockey team was some what rough on us and hope to meet the same team in the last year of their B Minor even petite.

Congratulations again on being Alberta Champions.

**MINOR HOCKEY TOURNEY HERE SAT. APRIL 10th**

## A.T.A. Meeting Held At Mannville

The Buffalo Coulee-Mannville-Minburn sub local A.T.A. met recently in the Mannville school for the bi-monthly meeting.

The honor plaque to be presented to Floyd James Falcon of Buffalo Coulee school was on display. Floyd was the top academic grade nine student for the 1964-65 year in this sub-local. Congratulations are extended to Floyd for his fine achievement.

Mr. R. G. Wilhelm, group supervisor for Mutual Life spoke on a group life insurance plan for the teachers of the County of Minburn. There is much to be gained in this plan and it is hoped that the teachers will support it as the required 75% of membership can be realized.

Mr. E. Krider gave a report on the Hardisty meeting.

Plans were made for the annual family picnic in May.

## Marwayne News

Congratulations to Mr. and Mrs. Alec Nobuychuk on the birth of a daughter, Mar. 29th in Lloydminster Hospital.

There will be a general meeting of the U.C.W. in the church hall April 22nd at 8 p.m.

Judy, a daughter of Mr. and Mrs. Tom Carmichael of Tulliby Lake and a former Marwayne resident, is now visiting in Montreal.

A house-warming was held for Mr. and Mrs. Ted Carson in their newly-renovated home on Saturday, March 20th. They were presented with a battery-operated clock from their many friends.

Mrs. Anderson and Mrs. S. A. Berg are patients in Lamont Hospital. Mrs. Berson is progressing favorably after a few days stay there.

Mr. and Mrs. Dennis Meek and daughter have moved back to Marwayne and are living in the Bunby house.

Birthday greetings and good wishes for the month of April go to Mrs. S. A. Berg, O. H. Quist, C. Mills, Mrs. Pat Curtis, Mrs. R. Milne, Mrs. G. Midgley, Mrs. Geo. Lake, Mrs. Thompson, Mrs. Hunble, Mrs. Polinsky.

**SPORTS BRIEFS**

Tuesday, Mar. 30th, the Lone Rock hockey team visited here. Scores were Marwayne Bantams 7, Lone Rock 3. Marwayne Juniors 10, Lone Rock 6. During the course of the game many young folks whose parents were former residents of here, have played on visiting teams. This week two sons of Mr. and Mrs. Floyd Hollands are playing on the Lone Rock teams.

## Vermilion Valley Lodge News

The guests and the Matron of the Lodge have enjoyed many outings recently and wish to thank the following for their kindness: Mr. and Mrs. Ed Cowell, Mr. A. Busby and Alex Callea for their transportation they provided for the guests to the Pastel and Bead Carnival which they thoroughly enjoyed. To the principal and students of the J. R. Robson High School for the invitation to see the three one act plays on March 25th and to Mr. McCleary for his kindness in driving us to and from the school, three were much enjoyed. Mr. Shepherd, principal of St. Jerome's School for the kind invitation to view their plays and for the transportation he provided. The students and teachers are to be commended for their efforts in producing these plays, all present greatly enjoyed them. To Frank Donald for insisting it possible to run the bingo games at the Stadium. Nearly last, but not least to Gordon Allen and Hugh Stubbs, members of the Lions Club for the evening at the J. R. Robson High School to see the Great Cole Show. All these kindnesses help to brighten the lives of the Lodge residents.

As did the beautiful pots of Easter lilies given to the Lodge by Mr Alex Galloway.

On Saturday March 27 in the afternoon, Rev. Bell of the Alliance Mission brought the Berean Bible College group of Calgary to entertain, the singing was much enjoyed. Bingo cards were given by Mrs. F. Donald. For all these acts of kindness we say "Thank You" one and all.

*VISITORS TO THE LODGE*

Mr. and Mrs. Dan Nobuychuk and Mrs. Ed Cowell, Mr. and Mrs. Ed Cowell and Loretta, Clara Bonnie Blanton Lido, Sharon Rose Norton, Arrowwood, Orva Street Leadville, Donna Wiley Penhold, Lenore Wilson, Rosebud, Anderson, Mary Nanaimo B.C. A. D. Cornell, Brian and Murray Hodges, Clyde Johnson Sharon Anderson, Dwight Heller Brian Cumming, Leslie Beaven Heather Laing all from Calgary; Michael Glover of Mc-Gillis ton, Lloydminster; Vera and Iris Anson Islay

## Riverton News

The weather is beautiful but now and it looks as though spring may be just around the corner at last. The odd gopher and some crows have been seen and it seems the curling season has finally come to a close.

Curlers are going to have to find some other way to spend their evenings from now on. On Sunday, March 28th a bonspiel was held at the rink to wind up the season. Winner of the first event was Bennie Tenamon and his rink, they took home loud some trash ash trays. Winners of another ash trays were the rinks of Ronald and Frank Mathison. A good time was enjoyed by players and visitors alike.

Lorne Tenamon is seen drooling a new Pontiac.

Mrs. Donald Vivian's sister, Miss Annie Shaw of Lesotho missionary who is home on leave from the jungles of Peru, is a visitor at the Vivian home.

The Riverton Ladies' Club met on April 1st at the home of Mrs. Willard Mathison, with an attendance of seventeen members and four visitors. There were four quilts and one top on display including the one the Riverton ladies are going to raffle. Several ladies in the district have been given the quilt-making bug and the results are very worthwhile indeed. Miss Annie Shaw was present and showed beautiful and interesting slides of the country where she has been working. Miss Shaw was dressed in native costume and jewelry made by the Indians and lodging by these samples of their work the ladies are very clever and ingenious.

Several Riverton residents are the southern sky lit up by the blazing flash of light from a descending meteorite last Wednesday night.

Belated congratulations to Mr. and Mrs. Ted Joy of Kitscoty who celebrated their 38th wedding anniversary March 19th. Mr. and Mrs. Joy were pioneer homesteaders in the Riverton district about 60 years ago. Their many friends of these days wish them all happiness and many more anniversaries.

are in Lloydminster Hospital.

**FAREWELL PARTIES**

Two farewell parties were held for the Dudlykes on the week-end, one by the Legion on Friday, April 2nd, where Mr. Dudlyke Sr. and Mrs. Flo Dudlyke were presented with gifts. In the Anglican Church Saturday evening Mr. and Mrs. Ike Dudlyke and Mr. Dudlyke Sr. were presented with gifts and many good wishes from the congregations and Irelandville friends and neighbors. They will leave for B.C. shortly after the sale. Mr. and Mrs. Ford have bought their place.

Mr. and Mrs. Dan Ure have sold their farm, so many changes are taking place.

Mr. and Mrs. Dennis Meek and daughter have moved back to Marwayne and are living in the Bunby house

Birthday greetings and good wishes for the month of April go to Mrs. S. A. Berg, O. H. Quist, C. Mills, Mrs. Pat Curtis, Mrs. R. Milne, Mrs. G. Midgley, Mrs. Geo. Lake, Mrs. Thompson, Mrs. Hunble, Mrs. Polinsky.

**SPORTS BRIEFS**

Tuesday, Mar. 30th, the Lone Rock hockey team visited here. Scores were Marwayne Bantams 7, Lone Rock 3. Marwayne Juniors 10, Lone Rock 6. During the course of the game many young folks whose parents were former residents of here, have played on visiting teams. This week two sons of Mr. and Mrs. Floyd Hollands are playing on the Lone Rock teams

## LOCAL NEWS

R. J. Elliott, principal of the school at Lashburn, accompanied by Mrs. Elliott and son Clarence, spent the week-end in Vermilion visiting Mr. Wm Elliott who is a guest at the Vermilion Valley Lodge, and other relatives.

Mr. and Mrs. Curtis Martin were in the city recently visiting their daughter Sharon who is attending Alberta Business College.

Mrs. Don Flint and her three children of Lloydminster, spent a week recently at the home of her parents, Mr. and Mrs. W. J. McIntyre.

Mike Mayr who for 34 years farmed in the Clayamore district, retires from farming and brought the Standard up to date on happenings in his store keeping here from two years ago. Mike spent about one year in the University hospital as a patient for treatment as an arthritic. He is leaving for Penticton, B.C. where she will make her home with her daughter.

Mr. and Mrs. Tom Wilson and two children of Edmonton were week-end visitors at the home of Mr. and Mrs. Walter Fish.

**AFFECTATION**

We would like to thank all our friends for the farewell gifts and the many kindnesses shown us while we have lived in Vermilion.
Edna and Mrs. Nordstrom.

**CARD OF THANKS**

We wish to thank all who filled their help and showed kindness during our time of sad bereavement, with special thanks to Mr. and Mrs. Gordon Black and Mr. and Mrs. Ben Grey, Mr. and Mrs. Bill McMillin, Mr. and Mrs. Jack Rainey, Mr. and Mrs. Francis Gray, Mr. and Mrs. Roy Allan Gray and Mr. and Mrs. John Avery.
Odell Curtis
and Family

**CARD OF THANKS**

I would like to thank Dr. King, Dr. Stephens, Dr. Evans, Miss McPhee, nurses and staff of the Vermilion Hospital for their kindness to me while a patient there, also to many friends for cards, flowers and candies and those who visited me, many thanks. Each kindness was greatly appreciated.

**CARD OF THANKS**

We wish to extend our sincere thanks to Dr. Stephens and hospital staff for their kind attention while patients in hospital. We also extend a hearty thank you to all who sent cards, flowers, wishes, flowers cards and gifts. All were much appreciated.
Albert and Janet Holte

**CARD OF THANKS**

I wish to thank the ladies of the town and district for the nice farewell party and gift given to me on my departure from the district and to the members of the Good Deed Club for the lovely party and gift. Such kindness will be long remembered.
Julia Hauer

**CARD OF THANKS**

I wish to thank Dr. King, Dr. Stephens, the nurses and all the staff for the kind and efficient care I received while a patient in the Vermilion Hospital. Also thanks to all who sent me fruit and flowers and other gifts and get well cards, and to Mr. J. Brooks and Mrs. Evans for taking me to the hospital home and Percy Hislop for bringing me home. Thanks to all the kind neighbors and friends who were so kind to me before and after while I was away. Such kindnesses will not be forgotten. Thank you one and all.
Mrs. Cora Carlton

Mrs. and Mrs. Earl Pollard left at the week-end for a holiday to be spent visiting points of interest along the Pacific coast of the U.S.A.

## New Lawyer Is Admitted To Bar

William M Wintermute of Calgary was admitted to the Alberta bar Monday in a ceremony before Mr. Justice J. V. H. Milvain.

Mr. Wintermute was presented by Mr. G. H. Egbert, with whom he had articled. He will commence practice with the Calgary law firm of Walsh, Egbert and Hartrose.

Mr. Wintermute is married to a Vermilion girl, the former Donna Black, daughter of Mr. and Mrs. T. A. Black, now of Castlegar, B.C.

## Send Greetings To Friends Here

Mr and Mrs. Percy Cross of Winnipeg sent Easter greetings to their many friends in Vermilion with special mention of the members of the Golden Age Club. They appreciate receiving letters every week and eagerly look for news of everything that's going on. A very cold winter had been experienced and at time of writing on March 31 a heavy blowing and snowing by Percy recently celebrated his 70th birthday and daughter Doris was hostess at a party in his honor during the afternoon. He received a phone call to m ake a trip to Toronto and family from Percy's sister and family who live at Cape Alberta. Percy and wife plan to visit Cape this June with a stay in Vermilion on the trip

Russell Kupin who is now employed by Reiten and Rhude of Mrs. Joe McNeil, on Tuesday April 13th at 2 p.m.

**WEDDING ANNOUNCEMENT**

Mr. and Mrs. Frank Polisbuzy wish to announce the coming marriage of their eldest daughter Jean Juanita to Mr. Ronald Wayne Chocquette, son of and Mrs. Ernest Chocquette of Winnipeg. The wedding will take place on Monday, April 19th, 1965 at St. John's Parish in Calgary

**IN MEMORIAM**

In loving memory of a dear husband, father and grandfather

**BILL SWEENEY**

called home Apr 9th, 1954.
If all this world were ours to give,
We'd give it yes and more,
If we could see our loving Dad
Come smiling through the door.
It's a lonely life without you,
And sad has been our way;
For life at home is not the same
Since you were called away.
Each evening we pray
And in the hearts that love you,
You always will be there."
Never forgotten and sadly missed by loving wife, Ruby and family.

**IN MEMORIAM**

In loving memory of
**ELIZABETH SMITH**
who passed away April 1963.
Peaceful be thy rest dear mother
It is not to speak the name;
In life we loved you dearly
In death we do the same
Ever remembered by
the Family

GEORGE MARTIN

## E. M. O. DIRECTOR RESIGNS

Active in the civil defence work almost since its start, George Martin, Emergency Measures Organization Director for the County of Vermilion River, retired from office effective at 5:... p.m. last month.

Mr Martin attended one of the first Civil Defence Training Schools held in Alberta during September and October, 1951.

The following year, in April, he was appointed Director for the County. When M.D. of Vermilion River, assuming the same position for Vermilion town in August of the same year.

Mr Martin took over as Emergency Measures Director a couple of years ago when the Civil Defence Organization became the E.M.O.

When asked the reason, Mr Martin said it was primarily lack of interest on the part of the public which prompted his resignation.

**PLAY AT HOCKEY CAMP**

Barry Wadsworth and Derek Beatty of the Vermilion Bob Cats joined the Boston Bruin hockey camp at Ponoka on Saturday and played three games with other young and aspiring hockey players. Wayne Maughan was also invited but was in hospital suffering from a cut to his face received during a previous game

# County To Spend $15,700 On Office In Mannville

The March meeting of the Misburn County Council approved the recommendation of Reeve Samoil that offices in Mannville and Vegreville be renovated at a total cost of $19,100.00

Members present at the meeting were: F. H. Eyben, A. W. Roland, Stan Tymchyshyn, Geo. Graham, R. D. Samoil, R. E. Robert and M. Bartlett, with Reeve Samoil in the chair. School Superintendent M. Gault was also present.

Minutes of February 10 and 15, 1965 meeting as read were adopted on motion of A. W. Roland.

Financial statement for the month of February 1965 was perused and approved on motion of Stan Tymchyshyn.

**COMMITTEE INSURANCE**

Jas J de Groot from UGG Insurance Agencies and on behalf of Jubilee Insurance Agencies was present with regard to the accident coverage for members of the county and committees and the preparation of the quotation of the insurance rates on the county schools and other buildings. Mr. De Groot stated that the school committee members were covered by the present insurance policy as at this date in case of accident and also that he will endeavour to submit the quotations on insurance rates with regard to schools and other county buildings at the earliest possible convenience.

Stan Tymchyshyn adjourned the meeting for lunch. Meeting reconvened at 1:30 p.m.

**Power Steering** — R. E. Robert moved that one power steering for a change-over from hydraulic be purchased for the Austin-Western motor-grader now lost in Division No. 4. Carried.

## Alberta's Proposed Provincial Centennial Project

A $5,000,000 initial stage of Alberta's provincial Centennial project has been approved by the Executive Council of the Alberta Government. Preparation of working drawings for the project, the Provincial Museum and Archives of Alberta, are being drawn up by the Architectural Branch of the Alberta Department of Public Works. Underwood and McLellan are the mechanical and electrical consultants. Jack Keating the structural engineering consultant. Completion is slated for the end of 1966, with tenders to be called this fall.

Cost of the project will be shared equally by the Federal Centennial Commission and the Alberta Government. Future expansion will be financed with provincial funds. Basic objective is to establish a fine public museum which will portray and preserve the heritage and human history of Alberta and provide related educational services. Object of the archives is to assemble and preserve significant historical documentary materials of Alberta.

## ANNOUNCEMENT

*Dr. J. H. LOVE*

He will be attending the Annual Alberta Chiropractic convention in Red Deer.

## Youth Pilgrimage to U.N. Underway This Summer

James Canton, son of Mr. and Mrs. Art Canton of Vermilion, has been selected as the winner of a contest among teen-age high school sophomores and juniors to take part in the 16th annual United Nations Pilgrimage for Youth this summer.

James Canton will visit New York from July 2 to 12 as one of many than 1000 student observers of the United Nations from throughout the U.S. and Canada. The project is sponsored by the Odd Fellows and Rebekahs

Delegates will study and observe the UN in action, see committees and commissions at work in the five official UN languages and learn of the vast work done throughout the world by such UN departments and agencies as UNO, UNESCO, FAO and the technical assistance departments. They will visit the American Association of the UN and the headquarters of the U.S.-Canadian Mission to the UN, as well as those of various other member nations.

International House, where the graduate students from more than 80 countries live under one roof, will be visited, and a special dinner will be a day at the New York World's Fair — the theme of which is "Peace Through Understanding" — and whose symbol is the unisphere

In recognition of having won the contest, James will be presented with a parchment certificate in September at Vermilion Certificates of merit have been presented to the following students who won honorable mention in the contest: Billie Hattrey, Wainwright and Elaine Johnson, New Norway

Sponsors who will pay for the week in New York are the Odd Fellows and Rebekah Lodges of District 6 in north-eastern Alberta. The awards were presented by E. W. Allot, district chairman.

## Red Cross Will Conduct Water Safety Course

## Businessmen Invited To Special Program

G. L. Roger, President of the some 100 exhibits of Canadian Edmonton Chamber of Commerce extends an invitation to all businessmen in 120 Alberta communities from Red Deer north, to attend a special program organized by the Chamber on Tuesday April 20th at the Northwest Canadian Trade Fair.

The object of the Northwest Canadian Trade Fair is to promote the industrial and trade development of the Canadian North-west. This year there will be manufacturers and foreign governments including Japan, Holland, France and Italy.

The program on April 20th begins at 3 p.m. with a conducted tour of the Trade Fair in the Sports Building of the Edmonton Exhibition.

The Chamber hopes that many businessmen in Central and Northern Alberta will attend this special program and see the many exhibits at the Trade Fair.

## Claysmore Clippings

A card party was held at the Claysmore School on Friday March 26th with seven tables in play. Winners were guests high Ed Wasylik, second high Bill Jarvis, consolation Metro Radish, Ladies high Vi Olstad, second high Donna Olstad, consolation Janet Van Nest

Our deepest sympathy goes to the Trach families on the sudden passing of John Trach of Vermilion.

Mr and Mrs Peter Trach and Keith of Standard were Friday night guests at the Steve Warwa home.

Mr and Mrs Tim Nelson of Vermilion were Sunday supper guests at the Allan Olstad home.

Grant Good is spending this week in Calgary at a training school sponsored by the U. G. G. While he is away Mrs. Good and Kelly are visiting with Marg Arvis parents at Maidstone Sask.

Recent guests at the Barney Beard home were Mrs Beard's daughter and family of Calgary. The Beards recently spent a Sunday at Vegreville visiting an other daughter.

There was a very large crowd in attendance at the Lunch sale on Saturday Mr and Mrs Raymond Lynch and family of Calgary are spending a holiday visiting relatives and friends here.

Mr and Mrs. Grant Good and Kelly were supper guests at the Miller home Friday night.

Allan Olstad accompanied Joe Ferguson Alberta Wheat Pool truck around this district and three other Wheat Pool agents to Edmonton on Saturday to curl.

## Health Unit Notes

**HOW BACTERIA CAUSE FOOD POISONING**

**Part 1**

You probably know somebody, perhaps a whole family, who suffered from distressing attacks of nausea, vomiting, diarrhoea and stomach pains. If not, perhaps you have read newspaper reports of such miserable experiences coming as a shock to a wedding breakfast, a picnic or a church supper. Outbreaks of illnesses of this kind are nearly always recognized as food poisoning caused by certain bacteria.

Many kinds of bacteria can grow in foods if the foods are kept warm enough and contain enough moisture. Only a few can cause illness. They do this in one of two ways: (1) When food is eaten after bacteria have had a chance to multiply in it, a sufficient number of them may be present to overcome our "natural defences". The bacteria invade the tissues lining the stomach and intestines. This causes inflammation which leads to abdominal pain, vomiting diarrhoea and perhaps fever. The bacteria sometimes known as the enteric fever group belong in this way; (2) Other bacteria may produce poisonous substances called "toxins" as they grow in foods. Being tasteless, the toxins cannot be detected when eaten. The toxin formed by the "Staphylococcus" bacteria causes nausea, vomiting, diarrhoea prostration. It may develop in many different kinds of foods.

Before food can cause poisoning of bacterial origin, these things must have happened: (1). The food must have become contaminated by the right kinds of bacteria. The usual sources of contamination are: the use of unpasteurized milk or dairy products when preparing other food (staphylococci often are present in the cow's udder); the use of unprotected wet fingers diseased animals, preparation of foods in unsanitary factories or in a dirty kitchen, handling with unwashed hands or by people suffering from infected sores or boils, bad coughs, diarrhoea, exposure to flies, rats, mice or other vermin or to dust. (2) After contamination, the bacteria must have had a chance to multiply and the toxin producers must have had time to produce toxin. (3) Dangerous bacteria only grow and produce toxin if: (a) the food is a suitable kind and is moist enough; (b) the foods are kept at a temperature higher than 50F; (c) the foods are at temperatures lower than 50 degrees for four hours or more.

**WELL BABY CLINICS**

Monday, Apr. 12 — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Tuesday, Apr. 13th — Wainwright (Health Unit Office) 2 to 4 p.m.; Tulliby Lake (New's Cottage) 2 to 3 p.m.

Thursday, Apr. 15 — Edgerton (Office) 2 to 4 p.m.; Paradise Valley (School) 2 to 3 p.m.

Please note that the Paradise Valley Clinic will be held one day earlier for April and the Mannville Clinic will be held one week later for month of April due to the holiday on Friday, April 16th, Good Friday.

## Barley Will Be A Good Cash Crop For 1965

Present indications are that barley will be a good cash crop in 1965. The Dominion Bureau of Statistics reports that barley acreage intentions for 1965 are 12% higher than the acreage per planted in 1964. However, production varies at a low level last year and current use of barley is likely to exceed the 1964 production.

Intended 1965 barley acreage of 5,801,000 acres in the Prairie Provinces and the most recent 10 year average yield per acre of 27.7 bushels would give a total production of 162 million bushels. This is only 5 million bushels greater than the 1964 production and is 36 million less than the average production for the last ten years.

With good seeding and cultural practices, gross dollar per acre returns from barley compare very favorably with returns from other cereal crops.

Early seeding and proper fertilization are important if maximum yields are to be obtained. This will result in reductions of 10 cents to 40 per bushel. Barley generally responds very well to fertilizer, particularly on stubble land. Yield response has been variable but in several trials, increases yield increases of 30% to over 60% have been obtained. Phosphate is the major application. Results from soil tests are the best guide for fertilizer needs.

In the production of malting barley, high quality seed, true to variety is an important factor. Parkland, Manitou, Olli, Gateway and C.A.C. 21 are acceptable malting varieties for 1965 plant. Seed of the new variety, Conquest, will not be readily available until next year.

With proper attention to production practices, barley could be a profitable cash crop in 1965.

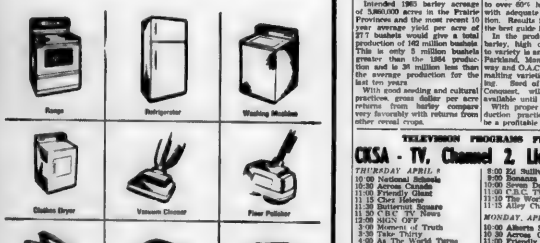
## How many servants do you have?



Thanks to electricity, modern homemakers have dozens of dependable servants ready to work at the flick of a finger. There are kitchen appliances to make food preparation fun . . . laundry equipment to provide added hours to pleasure-time . . . vacuum cleaners and floor polishers to make short work of floor-maintenance . . . power tools, radio and television to supply greater hobby enjoyment and entertainment.

Be sure you have all the servants you need to maintain a modern home — see the 1965 electric servants at your appliance dealer's today

## Alberta Centennial Officer

The Provincial Secretary, the Hon. Ambrose Holowach has announced the appointment of Bud Salloum as Centennial Officer for the Province of Alberta.

Mr Salloum was born and educated in Saskatchewan. He has been employed for the past five years by the Edmonton Chamber of Commerce, first as Division Secretary and during the past two and one-half years as Membership Director.

His duties will be to assist the various municipalities in the northern part of the province with the preparation and forwarding of applications for Centennial funds, and to provide liason between Centennial organizations throughout the province and the Provincial Government.

Persons required by will visit municipalities to assist the local Centennial organizations, which, by reason of the fact that all applications for approval of projects must be received on or before Dec. 31, 1965, have no doubt already been established

**APPRECIATION**

The Wildmere Ladies' Curling Club would like to take this opportunity to thank all those who helped to make our banquet a success especially the folk-sing who donated cake and merchandise Geo C. Webb & Sons, Dr Anderson, Wayne Ireland, Ken Greenwood, Mitchell Motors, Mrs H Batke, Chester Transport, Vermilion Feed Mill, Dr Brown, Martins Plumbing & Heating Dr Glover, Community TV, Mathews Seedmans, Stephens Clen dennings, Craigs Vivians, Lang's Drug Store, Robinsons

On a grain farm, it pays to feed grain and concentrate. But NOT to baby chicks. You can't eat grain then a teaspoonful a day . . . and you can't mix grain and concentrate with enough accuracy to get the right proportions of energy, protein, vitamins and minerals into every spoonful. For strong, steady, even-sized birds, feed 3 lbs. per chick of Money Maker Chick Starter Crumbles FIRST. They give every chick the right blend of nutrients to grow fast while the "urge to grow" is strongest. Turn to grain and concentrate later. This is the way that pays.

## CAPITAL REPORT

## Human Rights For Albertans

By HADLEY J. CASONE

EDMONTON (CNFS) — A bill of Human Rights will probably be enacted in the Alberta Legislature during the next Session.

An amendment to a Bill proposed by the Liberal Opposition was approved in principle by the House Thursday following a lengthy debate. Three sections of a resolution introduced by William Dickie (L-Calgary-Glenmore) were deleted in the amendment which was proposed by Socred member Ed. Benoit, member for the Okotoks-High River constituency.

First part of the amended resolution reads: Whereas recognition of the inherent rights of all members of the human family is the foundation of freedom, justice and peace in the world and is in accord with the Universal Declaration of Human Rights as proclaimed by the United Nations:

"And whereas it is desirable to proclaim as public policy in Alberta that every person is free and equal in dignity and rights without regard to race creed, colour, nationality ancestry or place of origin.

"Therefore be it resolved that this Legislature favours the passage of legislation in the form of a Bill of Human Rights."

One Socred M.L.A. Glen John son of Ponoka, spoke out in opposition to a rude, saying the whole thing was just a scheme to law yers. Lawyers want a route to earn fees by taking people to court, he said.

"This is a trap set by those who have those caught in the trap will be allowed to be added Attempting to imitate a Hutterite sect, Mr. Johnson said he told a Hutterite friend of his: "Now you are religious people don't you think a Bill of Rights is for the benefit of men and not in the books of lawyers."

Premier E. C. Manning speaking after Mr. Johnson said he would be surprised and disappointed if all the members didn't agree with the principle of the resolution. "I want to make this clear," Mr Manning said "there is no political movement in Canada more resolutely opposed to discrimination than the Social Credit movement."

But the Premier said there is no such thing as an organized society where some measure of discrimination does not exist. Furthermore the Premier added we cannot change the attitude of men and women by legislation. There must be a program of education for young people

Just about every finance manager in Canada will give you credit for buying this car.

They're experts when it comes to economy.

They know, when it comes time for you to make your last payment, chances are your VW will still be looking as nice as the day you bought it.

In 1953, we sold 960 Volkswagens.

And at last count, a few months ago, we found 955 years still on the road.

That's why, when you want to buy a VW, you'll find it's not very difficult to get backing from one of the finance companies that stand behind us. Or any bank, finance company or credit union you choose.

And become a Volkswagen sells for about $1,800.00 less than the average spent on a new car in Canada, the payments you make are likely to be smaller. Or fewer.

Does a VW demand a big down payment? Not very. In many cases, your trade will do the trick.

And we're hiding all kinds of trades. Big cars. Small cars. Old cars. Late model cars. Compacts.

But the really nice thing about buying a Volkswagen is that it's priced low enough so you can pay it all in one lump sum.

Or we can agree to terms.

## Not For Everyone

Are we Canadians in some danger of losing all sense of proportion when university education is concerned? It would seem so.

Certainly some of our young people (and parents) are fast developing a neurosis on the subject. Many who will never make it to university appear fearful that failure to do so will doom them to a kind of second-class citizenship and a collapse of earning potential.

What nonsense this is! Quite obviously, a university education is not for everyone. Hundreds of thousands of youngsters now attending high school are for a variety of reasons quite unsuited ever to tread the campus, and indeed the same can be said of some already there who will never gain a degree.

Yet most of these are far from being clods. Many will in fact emerge from technical institutions, art schools, and the like better equipped to earn a good living and make something of themselves than some who have attended the higher centres of learning.

There is nothing new in this. It has always been true — and recent emphasis on the importance of young people not entering the labour market until they have completed their education does not make it less so.

Clearly, the mistake being made is to confuse a "completed" education with a university one, when they are not necessarily the same thing at all.

We had better clear our minds on this before we sow the seeds of new and absurd social divisions and inflict upon the coming generation an untold number of unwarranted inferiority complexes.

A rising level of educational attainment on the part of both young and not so young certainly is vital to Canada's future, but for many this cannot and does not mean going to university and the manner this is frankly admitted the better.

* * *

## Child Safety To Be Stressed

From coast to coast, Canada's adult population will be reminded of its responsibilities in safeguarding children from injury and death, on Child Safety Day, Sunday, May 2.

The National Safety League of Canada and the Canadian Highway Safety Council, sponsors of the national campaign, have the co-operation of clergy, parent-teacher groups and safety organizations. They will bring to the attention of every Canadian the dire need for action to save young lives.

It has been reported that accidents kill more children and youth of school age than the combined totals of the 13 diseases most frequently causing death. Gay McLaren, general manager of NSL, said, "The great tragedy is that child deaths caused by accidents are needless. They can be prevented."

## ROAD DAMAGE

We bring to your attention a County By-Law under which you can be prosecuted for damage to county roads through the indiscriminate use of truck, tractor or other heavy vehicles. Damage is defined as breaking through the surface of the road or causing rutting or braking chunks from the road surface. Ten special constables are patroling all roads, so for your own benefit and a saving in the long run, avoid travelling with heavy vehicles when the roads are soft.

### ALL RISK CROP INSURANCE

1965 is the first year for All Risk Crop Insurance in Alberta. It is a scheme to assist farmers. Crop Insurance was introduced at the request of farm organizations. There is a possibility that some individuals may be asked to participate in the Farm Forum scheme. But this will happen in your area only if the majority of the farmers in the area change. Forbes is the area. It is more than pleased to call on farmers and explain how much crop insurance will cost you and how it will benefit you.

Crop Insurance is not particularly expensive because those farmers insuring do not have to pay the P.F.A.A. levy. Perhaps you thought P.F.A.A. didn't cost much — go and figure it out again! The cost depends on your past. So one more step and divide the total dollars paid out to P.F.A.A. by the crop acreage or by the wheat acreage. This amount will be your cost. Crop Insurance is taken out. Crop Insurance is designed to protect a farmer money for fuel, seed, fertilizer interest and a little over. Crop Insurance is available until the end of the year.

### S.F.P.F.

S.F.P.F. stands for swine pathogen free and is applied to hogs removed from the sow by Caesarian or the progeny of such sows and raised under sanitary conditions. S.F.P.F. preserves the breeding strain but breaks the cycle of disease. [illegible] sows and other animals must be carried from one to three litters are raised in an incubator. Such pigs can only be kept healthy under careful management. S.F.P.F. pigs achieved a 5 lb per day gain and a saving of a hundred lbs of feed for every 100 lbs of pork produced. Many of the prominent S.F.P.F. herds of two years ago have since been reinfected with rhinitis but the feed conversion is still high. It is now assumed that the high level of management and the special environment taken to prevent outside infection contributed as much to the increased gains as the original S.F.P.F. stock. Farmers with average swine herds can step up the feed efficiency without spending a nickel. The answer is management and nutrition on the same level called for by S.F.P.F. pigs.

## 16 Years Ago Today

* * *

## 48 Years Ago Today

APRIL 12th, 1917

Jas Lee is enlarging his restaurant and making considerable other improvements to his premises on the Victoria Calle.

Pte Harry Stephens, son of H N Stephens arrived in town on Wednesday from Portland.

Wheat reached $2.06 on the Edmonton market.

The erratic weather conditions of the week now give promise of a pleasant change. Plowing has started.

Seed grain being offered for sale: 600 bushels of Stanley [illegible] wheat, $2 per bu. at his

## HEALTH UNIT NOTES

### WHY GET ILL FROM FOOD? Part II

To keep foods safe from the threat of bacterial food poisoning they must be given proper care from production source to the table. This involves the producer, the factory, the distributor, the retail store, and most of all — at home.

The officers of the Food and Drug Directorate of the Department of National Health and Welfare in collaboration with other Government agencies, food producers, manufacturers and retailers, continuously try to ensure that Canada's foods as offered for sale are safe and wholesome. But the consumer must do his part from there on.

If the housewife attends to the simple rules listed below she will do much to reduce the risk of food poisoning. (1) Buy from reputable dealers; patronize only clean stores. (2) Ask for meat that bears an official stamp of government approval. (3) Do not buy foods supposed to be frozen but which are thawed. (4) After marketing, place frozen foods in the freezer compartment of your refrigerator or in a deep freeze until ready to use. (5) Do not allow foods to go through a "thaw-freeze-thaw" sequence. (6) Wash fruit gathered from foods like TV dinners and meat pies, also stuffed poultry, for the time and temperature recommended on the labels. Read the labels. (7) Avoid letting meat preparing foods containing eggs, meat, milk, gravy, salads with dressing; serve them within two hours or else refrigerate. (8) Refrigerate "left-overs" from prepared dishes within an hour and keep refrigerated until re-serving or re-heating. (9) Do not prepare sandwiches or "picnic" dishes, buffet luncheons, etc., more than four hours before they will be eaten unless you refrigerate the foods. (10) Avoid, if possible, making up sandwiches if you have infected cuts or a bad cough. (11) If canning food at home: (a) Always follow professional directions carefully; (b) Never can non-acid foods such as meat, fish, meat-vegetable mixtures, soups, or non-acid vegetables like beans, peas, asparagus, corn, etc., unless a pressure-cooker, properly attended, is used. (12) Do not eat foods that have an "off" flavour. (13) Keep everything about your kitchen clean. (14) If you or your family think you have suffered food poisoning report it immediately to a public health agency or call your family doctor.

Proper refrigeration of perishable foods (other than fresh fruit and vegetables) is the most important way to avoid food poisoning. The housewife (and modern "chef operator") can help reduce food poisoning a great deal by attending to this.

Remember, cooking of foods gives no guarantee of safety. Cooking temperatures will kill most bacteria, but the staphylococcus toxin will not be destroyed. You must prevent the bacteria from having opportunity to produce their poisons in food.

**WELL BABY CLINIC**

Monday, Apr. 19 — Vermilion (Clinic cancelled due to holiday).

Tuesday, Apr. 20th — Wainwright (Health Unit Office) 2 to 4 p.m.; Rasmuby (School) 11 to 12 noon; Minburn (School) 2 to 3:30 p.m.

Friday, Apr. 23 — Manyville (School) 10 to 12 noon; 1 to 3 p.m.

## Derwent C.W.L. Elect New Officers

DERWENT. — The regular monthly meeting of St. Joseph's Parish Council of the C.W.L. was held on Sunday, April 5th at the home of Mrs. Rose Mistal.

The meeting opened with the Holy Rosary led by Mrs. Rose Myshak. A new slate of officers was elected as follows: President, Mrs. Elsie Hendel; 1st Vice Pres., Mrs. Helen Nester; 2nd Vice-Pres., Mrs. Rose Mistal; 3rd Vice-Pres., Mrs. Lillian Woloshyn; Treas., Mrs. Ann Boker; Secretary, Mrs. A. Hendel; Membership, Mrs. Leon McNeil; Hospitality, Mrs. Mary Nester.

Father Murphy thanked the outgoing officers for their work on behalf of the C.W.L. and also gave his blessings to the newly-elected officers. The meeting concluded with a delicious lunch.

The next monthly meeting will be held at the home of Mrs. Jennie Zach.

## Chauvinist U.C.W.

March 11 meeting of the Chauvinist U.C.W. was held at the home of Mrs. and Mrs. A. Delong. The devotional was conducted by Mrs. Harold Cooper. The minutes were read by Mrs. Eric Nelson.

A motion was made by Mrs Harold Schumacher that Mr. Bill Thompson build cupboards in the church porch, carried.

Mrs Harold Cooper made the motion we send for a Mixed Church Observer seconded by Mrs A. Delong, carried.

A card was sent to Mrs. Basil Fenwicks on her 70th birthday, Mar. 10.

The next meeting will be held at Mrs. Arnold Olsen's residence on April 8. Lunch Mrs. Johnny Forsythe and Mrs. Florence Hagan.

Deepest sympathy is extended to Mrs. Reg. Lowell and family on their recent bereavement.

Congratulations to Mr and Mrs. Charles Lovell on the birth of a daughter.

## MARWAYNE

Congratulations to Mr and Mrs. Bobby Milne on the birth of a son, Dale Robert, April 7th at Lloydminster hospital.

Mr and Mrs. A. V. Smith were Edmonton visitors this past week.

It is with regret that we report the death of Mrs. Roy Hines of Kamloops, B.C. Sincere sympathy is extended to her sisters Mrs W Hansen, Mrs. Wood and Mrs Dawson and to the Hines family. Mrs A T Hines was there at the time of her passing.

Mrs. Alex Wilson of Quesnel B.C. is visiting her mother Mrs Ford of Lloydminster and her sisters Mrs McCleon and Mrs B. Graham. Mrs. Turnbull is recovering from a cataract operation.

The Marwayne High School students presented the play "Heroism From Bond Street" following a two-thirty play at Marwayne Hall on Dec. 29 and this past Friday night. A very small crowd attended.

Mr and Mrs. C. Collins and family of Edmonton visited at the parents' home. Mr and Mrs. J. Collins this week-end. They also honored Mrs. Richardson for a visit with her friends here.

In the final games of the women's series of card parties by the Hines and Schaal districts the winners were for Crib: high Mrs. Middleton and consolation Low Mrs. W Ash worth and Lori Gray Whist high Mrs J. Calfred and H Hutchinson. Low Mrs Wellman and Mrs. Carlson spoil. A aggregate prize for ribbage was won by Mrs Mary Dale with 6 points runners up were Mrs Middleton 126 and Mrs W MacDonald 120. Aggregate prize for whist Mrs R F Tyler ran over up Mrs Hutchinson.

Remember the Easter Tea and Bake Sale by the U.C.W. in the Church hall on Thursday April 15th from 2 to 5 p.m.

F Cunningham is a patient in Manorville hospital and Mrs Avis Bystrom in Vermilion hospital.

**"The Ghost Of Farley's Farm"**

The cast of "Ghost of Farley's Farm" is shown above, back row, standing from left to right: John McAleese, Silas Peters; Dwayne Haack, The Sheriff; Kathleen Ross, The Gypsy; Olga Starko, Louise; Judy Winter, Mary; Robert Macphee, Tom Deming. Sitting, middle row, from the left: Emily Koblyka, Pansy; Diane Wynnyk, Polly; Geraldine Cherien, Mrs. Farley; Lois McDonald, Mrs. Jones-Thomson; Beverly Zaharko, Eden; Larry Stoyles, Robert. Sitting, front row, left to right: MacLellan, Fred (a ghost); Terrance Rogers, Jim; Kenneth Jarsenco, Black Carson (a ghost).

## February Sign of Spring In April

One of the earliest flowers in the spring is the pansy. A few days of sun in February and on into the next gave . . . there is Mr. or Mrs. Pansy.

This year was different, even those short of memory will remember there was no weather for even pansies in February, the result being that the first pansies of the year were not reported to *The Standard* until Monday of this week, when Morton Tovell who lives on 50 Avenue in Vermilion brought the season's first into the office.

READ and USE the WANT Ads

## St. Jerome's Junior High Drama Night Enjoyed

St. Jerome's Junior High School dramatics staged April 1, were thoroughly enjoyed by a [illegible] and they certainly deserved this and. The youthful audience (small) appreciated the three comedies in which they were presented.

*The Standard* until Monday of this week, when Morton Tovell who lives on 50 Avenue in Vermilion brought the season's first into the office.

**THE GHOST OF FARLEY'S FARM**

The evening's entertainment opened with a three-act play "The Ghost of Farley's Farm" staged by Grade 8. A large cast of fourteen was cleverly handled by the producer to portray a family crisis which developed when Mrs. Farley announced her children and house staff that she had decided to sell the farm to Mrs. Jones-Thompson who was coming to see the place that evening. Jim Mrs. Farley's nephew succeeded in frightening Mrs. Jones-Thompson into believing that Farley's farm was haunted. However, a ghost interposed at this stage of the game and the crisis was brought to a satisfactory conclusion. In commending the cast on a splendid performance, perhaps special mention should be made of Jim Mcdonald who played Mrs. Jones-Thompson and Suzanne Haack and Lorraine Bilyk who played the part of Sheriff Wilcox and nephew Jim.

**ROMANTIC MARY**

After a short intermission, the [illegible] Grade 9's staged a three-act play "Romantic Mary" by Kenyon Nicholson. Romantic Mary's life was filled with dramatic incidents from the moment she awakened in the morning until she retired for the night. Time and time again she had to make decisions concerning her own affairs and those of her friends. Mary Webster portrayed the part of Romantic Mary with a finesse that would make a professional actress envious. Paul Kennedy as Wade Sanderson, Paul Kennedy as Wade Sanderson, Jim Mac [illegible] and Mary Webster as Mary Webster.

**WILDCAT WILLIE GETS THE WOOLIES**

This provided hilarious comedy with Kenny Wilkinson in the main role which must have been created just for him. Having planned a canoe trip with his friends, he is waiting confidently for the birthday gift which never fails to come from Aunt Ida. But instead of a red canoe the parcel contains a pair of red flannels which Wildcat is forced to wear because Aunt Ida is sending to a satisfactory conclusion. In commending the cast on a splendid performance, perhaps special mention should be made of Lois McDonald who played Mrs. Webster, Wildcat's mother. Lois has had previous experience in dramatics and her portrayal of Mrs. Webster was very convincing. Kenny Wilkinson as Wildcat Willie was [illegible] Laurie Hennig as Aunt Ida, Larry Stoyles as Uncle Ben, Terrance Rogers as Jim, Kenneth Jarsenco as Black Carson, Fred Mac [illegible] as Fred and Diane Wynnyk as Diane. Wildcat Willie" was [illegible] Laurie Hennig as Aunt Ida, Larry Stoyles as Uncle Ben, Terrance Rogers as Jim, Kenneth Jarsenco as Black Carson, Fred Mac [illegible] as Fred and Diane Wynnyk as Diane.

## Pioneer Couple Celebrate Their Diamond Wedding

On April 4th Mr and Mrs. J. Schuffman, well known pioneers of Vermilion, celebrated their Diamond wedding anniversary following their marriage in Montreal in 1905. Mr. and Mrs. Schurman moved to a homestead in the Innisfail area of Alberta. In 1908 they left Innisfail and moved to the Claymore district west of Vermilion. Here they remained until 1934 when they left to farm in the Cold Lake district. In 1944 they moved to Vermilion where they have since resided. They presently live in the Vermilion Valley Lodge.

On Saturday April 3rd they were guests of their three sons Ernest of Wilna Ralph of Drayton Valley and George of Innisfail and their wives at a dinner party. Congratulatory messages were received from Her Majesty Queen Elizabeth, The Honorable L. B. Pearson, Prime Minister of Canada, Gordon Taylor, Member, His House Mr. Percy Page, Lieutenant-Governor of Alberta, Premier Manning and Mr. Andrew Cooper M.L.A. for Vermilion as well as from friends and relatives in many parts of Canada.

No formal reception was held but Mr and Mrs Schurman received many guests at Vermilion Valley Lodge on Sunday, April 5th.

# NEWS from ISLAY

**CENTENNIAL PROJECT**

We said last week that tickets on the home made quilt were going fast so hurry and get yours. The Centennial Committee is also planning a Handicraft Bingo on April 20th. Articles already offered are Mrs Linton's pastel, Mrs. McLennan's leather work, hunt to mention a couple. A section of the committee is gathering Salads and Blue Ribbon cuppers. If you have any prize ideas to Mrs. Gerry Powell or Mrs. Elsie Hansen.

Mr. and Mrs. Allan attended a birthday supper party at the P. Mc. Lodge home on Saturday evening for Mr. Will Junk who is going to Ireland for a holiday. All members of the family were home to bid Grandpa God speed and a safe return.

We were pleased to have at church on Sunday the Bill Hancock family from Vermilion, and Mr and Mrs. Orley Cremona. Mrs Cremona invited the U.C.W. to her home for the May meeting which is a week later than usual, it is on May 12th.

Tom MacFadyen is wearing that happy smile he is driving a new car today from Edmonton.

# Bantams To See Edmonton Oil Kings Play Regina Pats

The Vermilion Bantam hockey players are travelling to Edmonton Thursday where they will see the Edmonton Oil Kings play the Regina Pats for the right to continue in search of the Memorial Cup and the junior hockey championship of Canada.

Mr and Mrs Orv and family, our district neighbors are all settled now on the Roland Bissett farm. Roland is living in Islay for the present

Reserved seats have been arranged in the Gardens. The outing follows a grand season of hockey during which the boys won the Bantam B championship of Alberta.

The trip was arranged by Stan Manyluk and coach Les Williams.

It is expected Vermilion's new soccer pitch will be usable by June of this year

1. Goldsmith, Clandonald. 2. D. Eyben, Buffalo Coulee; 3. R. King, Vermilion; 4. N. Jacula, Vermilion.

No. 3 EVENT

1. L. Puckett, Vermilion; 2. D. Jacula, Vermilion; 3. B. Eyben, Buffalo Coulee; 4. Bill Carey, Islay.

TROPHY WINNER

Club champions of the men's draw and winner of the Bereuter Trophy was the Geo. C. Webb Jr. rink.

# Lloyd Seath Speaks On "Farm Management" At Rotary Meeting

At Vermilion Rotary Club last Friday, Lloyd Seath spoke on "Farm Management: What Is It." Mr. Seath said that the business of farming has become so much involved during the last few years that accounting has become very necessary in calculating the enterprises that fit into the set-up on any individual farm.

A business man would call it cost accounting, and actually it applies to farming also. It is particularly valuable when it comes to the time that income tax statements must be prepared.

The speaker made it clear that the individual study of farm enterprises is necessary in order to make decisions as to which are the most profitable.

In introducing Mr. Seath, Al Trebor said that the speaker came from Provost. He graduated from the University of Alberta in 1950, farmed two years in his home district and then became an instructor at the School of Agriculture in 1952.

Mark Norton thanked Mr. Seath on behalf of the Rotary Club for delivering a very instructive and interesting address.

# "Town & Country" Completes Schedule

The Town and Country Bowling League ended the season with a delicious turkey supper catered to by the Legion Auxiliary

The various prize winners were as follow: 1st, Ed Wasylik team of Lil Wasylik, Bill and Stephanie Jacula; Pauline Kaziechko, second Captain Steve Warawa, Stella Warawa, Bill and Geneva Woywitka, Mary Pidruchny; 3rd Viv and Lil Klatz, Ernie and Tillie Heinemann, Fran Sherwood. Men's high average, Art Gilpin, 229. Ladies' high average, Stephanie Jacula, 188. High triples, Ed Wasylik and Lillian Fry, High singles Bill Woywitka, Pauline Andreveyshan

Others in the remaining three teams received consolation prizes so that everyone went home happy with a small gift or trophy.

**LEVY HERVE CASHES SALMON**

Running out of new ideas for what to cook in the way of meatless dishes? Why not serve canned salmon, a foodstuff enjoyed by all and which lends itself to a variety of appetizing dishes.

Last nothing be wasted when using canned salmon. Whether for a simple sandwich filling or an elegant dinner dish, use the liquid, skin and bone crushed in the recipe. These are both flavorful and nutritious with the abundance of of calcium and phosphorous. We all know the importance of these in our daily diets.

**FIVE KINDS OF SALMON**

Three varieties are found in larger grocery stores and differ only in color and quality of the flesh. The nutritive value is about the same for all five. The higher priced, deeper colored varieties for dishes in which color is a consideration. The lighter, more economical varieties are ideal for **casserole dishes** and cooked mixtures when color is of minor importance.

**Sockeye Salmon** — Rich in oil, red colored flesh; used: salads, eating out of the can.

**Coho Salmon** — Medium red-colored flesh; lower oil content than sockeye, good general purpose salmon; used: salads, sandwiches, smoked dishes.

**Chum or Keta Salmon** — Pale flesh, low oil content, low price; used: cooked dishes.

**Spring Salmon** — Oil rich in oil content, separates into large flakes, color varies from deep red to white; used: salads.

Are you on a salt-restricted diet? There is a special pack of canned salmon which contains no added salt. Other specialty packs include canned smoked salmon and salmon sandwich spreads.

Available free of charge from this office is the publication "Let's Serve Canned Salmon". Write in for it soon.

**WINNER OF BOSTON CRAB**

The winner of the hostess chair raffled by the Mannville Ladies' Curling Club is Mrs. Elsie Hendel of Derwent.

**ENGAGEMENT ANNOUNCED**

Mrs. Mary Lewytzkyj of Vermilion, Alberta is pleased to announce the engagement of her daughter Alice Jean Winters to Mr. Daniel J. Lewytzkyj, son of Mr. Fred Lewytzkyj of Wolfe Lake. The wedding is to take place at Norwood United Church, May 22, 1965, 2 p.m.

**IN MEMORIAM**

In memory of
**JOHN ERIC NETTLETON**
who passed away Apr. 15, 1962.
Our hearts still ache with sadness
And secret tears still flow
What it meant to lose you
No one will ever know
Time takes away the edge of grief
But memory turns back every leaf.
A loving thought a silent tear
A heartache for many years
Ever remembered by your loving wife Zelma and family
Mr. Florence, Rosevarie and Art and grandchildren Richard and Rhonda

# Dramas at Robson High Are Successfully Presented

(By Margo Husby, Asst. P.R.O.)

Robson High School Playnight, March 27th, proved to be a successful and enjoyable evening. The Drama 10 classes presented two plays "Goodnight, Please!", a comedy and the "Ring Story" from The Merchant of Venice, a comedy of serious undertones.

**GOODNIGHT, PLEASE**

The cast of "Goodnight, Please" was: Meredith Whitehouse — Don Webb, Vivian — Linda Vandenberge, Lucy — Carole Bowman, Burton — Lyle Currie, Mr. McWhistle — Rod Eveland, Basil, Herb Gould, Cook — Judy Harrison, Director — Ray Hibbert, Prompter — Janice Jeffery.

**MERCHANT OF VENICE**

The cast of "The Merchant of Venice" was: Bassanio — Bob Wilson, Antonio — Gayle Wilson, Gratiano — Bill Porter, Salerio — Pat Norton, Lauranzo — Ron Herbert, Lorenzo — Candace Clendenning, Jessica — Betty Anne Lysons, Nerissa — Peggy Snerigrove Portia — Robin Anderson, Stephano — Beverly Sherwood, Servants — Vicki Romans, Barbara Peterson, Lenore Rudyk, Commentator — Susan Good, Director — Candace Sherk, Costumes — Vicki Romans, Barbara Peterson, Lenore Rudyk.

**DRAMA FESTIVAL ENTRY**

Also presented was the Robson High play "The Ring Story" School Drama Festival. "The Man in the Bowler Hat". This play went to Tofield for the competition Saturday, April 2.

The cast was: Mary Marilyn Kaiser, John Mobley, Man in the Bowler Hat — Tom Smith, Hero — Bill Collins, Heroine — Margo Husby, Villain — Hans Dummerauf, Bad Man — Norman Hilbert, Director — Sandra Gould, Prompters, Sharon Nelson and Tom Hutton, Stage Crew — Ron Hilbert.

The advisor - director for all three plays was Miss Kay Pulcher. During the intermission Pat Moncrief presented Miss Pulcher with a corsage in appreciation of her help with the plays. Also, Barry Williams presented a $20 check to Mr. A. Callas. The money is to be used for the Retarded Children's Association in Vermilion.

The students and staff at R. H.S. would like to thank all who attended these plays. It helped to make the night the success it was.

## Bowtell Bulletin

Mr. and Mrs. Walter Lee and Alex spent Monday and Tuesday in Edmonton.

Mr. and Mrs. Hutton and Jason Ely and Ross Rindals were guests for supper Saturday at the Wyman' home.

That By-law No. 1645 relating to the purchase of a Tractor compressor unit and air hammer be given first, second and third reading, and finally passed and unanimously adopted by Council.

**ANNEXATION PLANNED**

That Council petition the Local Authorities Board to annex the remainder of the North half of Section 30, the remainder of the West half of Section 31 and the subdivided portion of the South-West corner of the North-West of Section 33, all in Township 50, Range 6, W4th M., to the Town of Vermilion.

That a ruling be sought from the Department of the Attorney-General in respect to Sunday closing of businesses.

**NEXT MEETING APRIL 20**

That the next meeting of Council be held in the Town office on Tuesday, April 20th, 1965, starting at 7:30 p.m.

That a load hailer be purchased for the use of the Fire Department.

That tender of Rowe & Sons Ltd. be accepted to supply a truck for garbage hauling.

**COMMITTEE REPORTS**

Cr. W. T. Garnett reported a meeting of the Library Board.

Cr. A. C. Underdown reported on meetings of the Vermilion Foundation Board and of the Midnorth-Vermilion Health Unit Board.

Meeting of Council to study the budget is to be held on Wednesday, April 14th in the Town Office starting at 1:30 p.m.

## Midget, Bantam Tourneys Wind Up Hockey Season

**MENZIMANN TROPHY TO WAINWRIGHT; WALSH TROPHY TO VERMILION**

The Wainwright Midgets and the Vermilion Bantams were the winners of the hockey tourneys held in the Vermilion stadium last Saturday. To the winning Midget team was presented the Ernie and Tillie Menzimann trophy, the presentation being made by Ernie Menzimann. The Walsh trophy went to the champion Bantams with Stan Manyluk presenting the trophy to Captain Ronnie James, on behalf of Joy and Percy Walsh.

These tournaments completed the most successful junior hockey in Vermilion's history.

**WAINWRIGHT WINS MIDGETS**

In the first round of the Midget tourney Lloydminster defeated Elk Point; Wainwright defeated Vermilion.

In the semi final Wainwright defeated St. Paul; and in the final Wainwright won from Lloydminster 3-2 in overtime.

**VERMILION BANTAMS WIN**

In the Bantam tourney four teams competed. St. Paul over Wainwright; Vermilion over Lloydminster.

Vermilion defeated St. Paul 9-1 in the final.

The trophy for the Bantam tournament, presented by Percy and Joy Walsh for competition 4 years ago, has been won once by Vegreville, twice by St. Paul, and now once by Vermilion.

## Craig's Again Leaders In Easter Fashions

Craig's Department Store in Vermilion is once again "showing the way" for the fashion wise lady, who is shopping for Easter Finery.

**LOVELY STYLES ARE DOMINANT**

There is only one way to describe the wonderful variety of coats you will find on display on the Fashion Floor at Craig's . . . "Fashion Firsts." coats designed with YOU in mind!

Perfect styling lovely glowing colors and a wide price range make shopping for your new Easter Coat at Craig's a real pleasure. The perfect topping for your new Easter outfit is a Spring Coat from Craig's

**HAT BAR IS READY FOR EASTER!**

The Hat Bar at Craig's has a lilt of spring, derived from the Craig flair for fashion.

The styles on display here are fresh, exhilarating, alive and all together lovely. You will enjoy your trip to Craig's Hat Bar for your new Easter Bonnet!

**CLOTHES FOR THE WHOLE FAMILY!**

Mlthah is certainly the only member of the family who does well when shopping for clothes at Craig's. Everyone, from grandpa to baby, looks better, feels better and gets better value for every dollar spent when they shop at Craig's for their wardrobe.

This Thursday or Saturday prepare for the Easter Parade (the last ecclesiastical wrap-up to Craig's Vermilion fashion) [illegible] advt

## "Slim" Hammond Sends Greetings From City

The Editor has received a very interesting letter from Slim Hammond former CJVR Station Agent here Mr. and Mrs. Hammond are now living in Edmonton and many friends will regret that Slim hasn't been well things however are looking better now. Slim in his letter says in part

"I have just been released from the hospital a few days ago having been in the Royal Ales for four weeks having a complete check up including a balancing diet for a diabetic condition. I am feeling much better but will require continual check ups as my stubborn chest condition. I am feeling much better but will require continual check ups as my stubborn chest condition.

We cannot let our wonderful subscription run out as we always enjoy reading about

# Minburn County Council Holds March Meeting

(Concluded from last week.)

Machinery For Hire — Steve Mishro and Peter Petesh rep presentative from M & B Contractors Ltd at Two Hills were pres ent stating that they will have machinery available for hire at no expected change in rates as that they have been in 1964. The council was also requested that some consideration of machinery purchase or ownership may be possible to individuals as well as that granted to the County for the use and date requested.

OFFICE RENOVATION

It was moved by R. E. Robert that the Reeve's report in connection with the estimated cost of renovating the Vegreville and Mannville offices at $3,610.00 and $1,770.00 respectively for suitable facility requirements be a Carried. Councillors Ronald Fyben and Tymchyshyn opposed the motion.

Mandatory For Hire — Wm. Mishro's statement in connection with machinery [illegible] that the Reeve's report in connection with the estimated cost of renovating the Vegreville and Mannville offices at $3,610.00 and $1,770.00 respectively for suitable facility requirements be a Carried. Councillors Ronald Fyben and Tymchyshyn opposed the motion.

ANNEXATION

It was moved by A. W. Roland that an application be made to the Department of Municipal Affairs to annex Part [illegible] and part of all Section [illegible] of Highway 16 and Sections 13 and 24 Township [illegible] West from Division No. 2 to Division No. 2. Carried.

SUBDIVISION APPROVAL

M. Bartlett reported on the reply received from the Department of Municipal Affairs in connection with the approval of the Subdivision of S.E. 13-52-13-4.

A. W. Roland moved that M. Bartlett's report be adopted and that a letter be written to the Town of Vegreville stating that this subdivision is of its concern and suggest that it is the petition of the council to build the road under the contingency of appropriation to the west boundary of the Vocational Academic school site which is the west boundary of the town, and that the road level south of the site is very much higher than the proposed school grounds which if not lowered, there will be a lot of spring and wash to run runoff that may cause a lot unnecessary cost to the public. Carried.

Appointment — A. W. Roland moved that the appointment of [illegible] as Minburn County representative by the Vermilion No. 2 Council be confirmed. Carried.

Farewell Banquet — Letter from Dean Hannah emphasizing about the commencement certain functions everyone was present to the reunion. It [illegible] moved that A. W. Roland be appointed as councillor to represent the County at the next meeting. Carried.

GRAVEL RESERVATION

Letter was read from the Department of Lands and Forests in connection with the county's gravel reservation in Pt S.W. 26-52-14 north of road requesting the council to confirm whether it is its intention to retain the sand and gravel reservation as shown. The letter also stated that Albert Anderson is interested in leasing this land under the Cultivation Lease Agreement and the department will require an approval from county council to the statement of assessment dated March 4, 1965 and issued to F. H. Eyben to Mr Anderson to enter on this land for breaking and breaking purposes.

Mr. Roland moved that F. H. Eyben's statement of authority to Albert Anderson be approved and that upon the County receiving the gravel reservation and reserves the right of entry onto the land at all times without any cost or hindrance to the County. Carried.

ADJOURNMENT

A. W. Roland moved that the meeting be adjourned to 10:00 a.m. Friday March 12. Carried.

FRIDAY, MARCH 12

Meeting reconvened on Friday, March 12 at 10:30 a.m. with all councillors present.

ANNEXATION

It was moved by A. W. Roland that an application be made to the Department of Municipal Affairs to annex Part [illegible] and part of all Section [illegible] of Highway 16 and Sections 13 and 24 Township [illegible] West from Division No. 2 to Division No. 2. Carried.

SUBDIVISION APPROVAL

M. Bartlett reported on the reply received from the Department of Municipal Affairs in connection with the approval of the Subdivision of S.E. 13-52-13-4.

A. W. Roland moved that M. Bartlett's report be adopted and that a letter be written to the Town of Vegreville stating that this subdivision is of its concern and suggest that it is the petition of the council to build the road under the contingency of appropriation to the west boundary of the Vocational Academic school site which is the west boundary of the town, and that the road level south of the site is very much higher than the proposed school grounds which if not lowered, there will be a lot of spring and wash to run runoff that may cause a lot unnecessary cost to the public. Carried.

COMPLAINT

Peter Grykulich was present in connection with the complaint of the assessment of some of the land. Mr. Grykulich felt that he was less operation of some of the machinery purchased from the estate of Mr. Ruptash's yard and that while travelling northerly between section 26 and 27-55-13-4, he noticed that the fence and gates entrance of Mr. Ruptash's yard had been removed. The gates had been standing on the west half of the unopened part of the road, and since he had made no motions or signs to him to stop, he, as an operator, continued at the regular speed of snowplowing until he was just about abreast in line with Mr. Ruptash when he attempted to jump in front of the machine, but being on the level a short course was made and avoided completeness that may have arisen.

FARM PURCHASE BOARD

Application by Joseph Tymchyshyn, Jr. to purchase the N. ½ of 1-52-14-W3 from the Public Trustee for $12,625.00 under the Farm Purchase Credit Act was perused and discussed.

Since his application was found to be satisfactory, it was moved by P. W. Eyben that it be recommended for approval to the Provincial Board. Cd.

Stan Tymchyshyn adjourned the meeting for lunch. Meeting reconvened at 1:20 p.m. with all councillors present.

ALBERTA LAND TITLES

GENERAL MEETING

Letter from the Alberta Association Municipal Districts regarding the general meeting at the ballroom of the Macdonald Hotel in Edmonton on March 30, at 10:00 a.m. was read.

It was moved by M. Bartlett that any council member or secretary was attend if circumstances permit. Cd.

AGT

M. Bartlett moved that R. D. Samuel and George Drahos be appointed or councillor to peruse the map prepared by the Alberta Government Telephones in connection with barring telephone cables in the Lavoy and Ranfurly districts and report at the next regular meeting as to their views with the subscribers as to whether they will agree to have the line buried on their properties within a certain distance from the fence line. Cd.

SIGNS

A. W. Roland moved that ten safety signs be purchased from Imperial Oil Bee Clean Oil. Cd.

PURCHASE OF MOTOR

It was moved by Stan Tymchyshyn that a new No. 271 complete motor be purchased from the Adams 220 grader. Cd.

PARKING COMPLAINT

Letter from J. L. Jones was read with regard to the Bonding in NW 2-52-14, resulting from the drainage of water after the road was constructed.

A. W. Roland moved that Mr. J. L. Jones be advised that no action from the Department of Water Power is being executed in the matter.

SALE OF TWO GRADERS

Stan Tymchyshyn moved that the used Dresdden grader in Division No. 4-7-4 be sold to Henning Hvidsten for $1250.00. Cd.

EUCLPTUS PARK

R. E. Robert moved that George Drahos be authorized to make certain improvements to the Eucalyptus Park and order the necessary play-ground equipment. Cd.

ADJOURNMENT

R. E. Robert moved that the meeting be adjourned and that the next meeting be held on April 7/65 at 10:00 a.m. Cd.

ALBERTA WHEAT POOL

The Government of the Province of Alberta has proclaimed the week of April 18-24 as Nursing Week. All over Alberta, schools of nursing and hospitals are inviting interested students and their parents to discover what a career in nursing has to offer. If life with a purpose figures in your plans for the future, take a long look at nursing. There are many avenues well worth exploring. Today, nurses are employed not only by hospitals but in many other fields such as industry, the armed services, rehabilitation and as private practitioners. A nurse is always sure of being needed and respected in every community. Contact the school of nursing of your choice for their application forms and calendars.

DIRECTOR OF NURSING RECRUITMENT

# Ballet Company Comes To Vermilion May 1st

On May 1st the Edmonton Ballet Company will present a complete program at the F. R. Hudson High School in Vermilion commencing at 8 p.m. Processing's material is sponsored by the Vermilion Rotary Club.

The company making the tour will consist 37 dancers. The program chosen is a very varied one including the colorful ballet at its pursuit (Crystal Pantasy, a traditional story ballet starring Sherry McBurney and Leslie Couture with a corps de ballet of ten) Choreography by Ruth Carse, the company's Artistic Director, and the music is Glazounow's "The Seasons", with special an re-creation be ported from Russia.

In complete contrast is Ballet Hot a ballet with a bootscramm theme in four movements, choreographed by Ruth Carse. Ballet Hot is danced to traditional folk music [illegible] with Pa [illegible] Wilson, Elizabeth Richards and Ruth Jaspersen. "The Harm ious Song" with the whole cast; Minstrel, dance to a jazz beats by Donna Valle Scottish Reel Leslie Couture and Jeremy Leslie Couture and Jeremy Leslie Trailer" the finale again with the whole cast. Pas de Deux by Donna Harrison.

Then there is the gay and light Pas de Deux "Tarantella" made by Johann Strauss the Younger, which tells the charming story of a [illegible] and her lover. Choreography by Ruth Carse and you have yet to be introduced to this art [illegible] you certainly choose a better starting-off point

THE FLEA BEETLE...he can destroy your Rape and Mustard

with NEW fast flea

THIRALIN

specially formulated dust seed dressing. Before you even start worrying about the problem, flea beetles are at work destroying rape and mustard seedlings. Often, poor stands are blamed on the wind or on low germination . . . but well-fed flea beetles did the damage.

A small purchase of NIAGARA'S THIRALIN seed dressing, just ½ oz. per lb. of seed, protects against flea beetles and against the other soil borne enemies of rape and mustard: "damping off", seed decay, and seedling blight. Application is easy, because free flowing THIRALIN sticks to the seed.

For higher yields, greater profit, treat rape and mustard seed with THIRALIN.

Sunday Sport Issue Will Be Reviewed

By HADLEY J. CASONE

EDMONTON (CNFS) — It's seldom, if ever, Premier E. C. Manning's actions in the Legislature are contradictory

But that's just what happened this past week

Coming out moderately in favor of Human Rights Legislation Friday, the Premier said "we cannot change the attitude of men and women by Legislation". This was spoken in opposition to certain clauses in the proposed Bill of Human Rights.

Less than a week later, Thursday, while debating an Opposition motion favoring Sunday sport, the Premier let it be known in no uncertain terms that the Government was going to prevent the people of Alberta from the process of erosion which would ultimately lead, he said, to a wide-open Sunday, the halfmark of part of the United States.

This did not come about however, until a number of sacred [illegible] and back-benchers had their views entertained. On the ultra-right, was Rev. Bob Straughan who felt opening Sundays to sports would be a "real attack on the moral fiber of our nation". "We are in danger", he said, "losing a sense of the real value of life. I cannot accept Sunday becoming a fun day, the Holy Day becoming a holiday."

Concerned [illegible] another aspect of the question [illegible] Ludwig said commercialization [illegible] social effect on amateur sport [illegible] but others in the Government ranks felt approval of Sunday sports would lead automatic [illegible] to open rock tail lounges, [illegible] taxi cabs and other activities.

Liberal-minded, including Dr. S. J. Geldart and E. H. Gerhart [illegible] shared similar views. Dr. Geldart said there should be no fear of wide-open Sunday revelry from legislation allowing sunday sports. The present laws he said are confused and in need of amendment.

Mr. Gerhart said all forms of entertainment should be allowed on Sunday. "We cannot legislate morality or religion."

Premier Manning was in the [illegible] during the entire day's debate. The vote resulted a split in the Government ranks. The final stand-ing was 42 to 15 in support of a resolution asking the Government to consider new legislation on Sunday commercial activity.

RED CROSS IS ALWAYS THERE WITH YOUR HELP

# NEWS from ISLAY

(Held over from last week)

A Hi Neighbor Tea bunch of neighbors called on the new bride Mrs. Bill McGuigan on Tuesday. They were Mrs. Mac Mrs. Gabrielsen Mrs. Shaw Mrs. Alex Rawlson Mrs. R. McLennan and Mrs. P. Mc-Guigan.

# Funeral Rites For Harold C. Wilson

Mr. Harold Carlton Wilson, age 74 years, a long time resident of Vermilion, passed away here on March 31st at 9:15 a.m.

He was born on June 4th, 1890 in the Bridgeport, Nebraska, Kent, U.S.A. district and came West in 1908 to homestead near Vermilion.

Mr. Wilson married Edith Glenn Scrimgeour on Feb 16th, 1921. She predeceased him in 1956.

Farming on the Wilderness district he served on the school board and as councillor and was instrumental in many ways to better his surroundings. For conservation he always be spent most of his life.

He and his family faithfully attended the Wilderness Bible Class and the Vermilion Gospel Hall, as well as the Alliance Chapel when it began here. Mr. and Mrs. Wilson maintained a consistent Christian witness before his children and friends. A friendly light of his home attended Bible College and several are active in Christian service.

In 1947 Mr. Wilson was married to Naomi Ruth McIntosh. In 1953 he retired from farming and took up residence in Vermilion where he established an apartment building. Here he had been for 4 years an active member of the Alliance Chapel serving for a number of terms as a board member.

Mr. Wilson leaves to mourn his passing, his widow, Naomi Wilson and their two sons, Paul and Robert of Vermilion; also Rev. Ray Wilson of Whitehorse, Y.T., Rev. Francis Wilson and Carol, both of Calgary. Mrs. Art (Edith Sarah) Olson, Ruth Wilson Whitehorse, Mrs. Harold (Dorothy) Larsen and Mrs. Chas. (Gladys) Stanley of Calgary, Mrs. Basil (Dollye) Cooper of Grimshaw; two brothers, Bruce of Fairview and Clark of Calgary and one sister Mrs. Fern Brown of Wauneyata. There are twenty one grandchildren and many nephews and nieces.

Funeral services were held on Saturday, March 13th at 2 p.m. at the Alliance Chapel with Rev. John Bell conducting the service. Mr. Albert Mitchell sang a solo "Beyond the Sunset", a favorite of the deceased. Mrs. Bell accompanied the singing at the organ. The service concluded with a request played on the organ, "We'll Say Goodnight Here but Good Morning Up Above".

The large attendance at the funeral paid tribute to the esteem in which the deceased was held by the community. Interment was in the Vermilion Cemetery.

Tetzlaff Funeral Home Ltd was in charge of arrangements.

Honorary pallbearers were F. W. Hill, J. S. Travis, N. McCrimmon, W. L. Langport, O. Pearce, J. B. Wilk. Active pallbearers were Frank Hudson, Mahan Hill, Abe Dicke, Richard Reed, Ralph Wilson and Elwood Clendenning.

Beautiful floral tributes and memorial donations were as follows:

Floral arrangement placed in memory were from the Bridge Family, Slowcoin Boat and family, Ruth Travis and family, Mrs. Harvey and family, Beatrice Lake and family, Beatrice and Jim Aldridge, Doris and Harvey Towers, Lillian and Bob Koehler.

Flowers in the house were Mervyn and Margaret Wilson, Miriam and George Jensen, Gordon and Agnes Wilson, Margery and Al Jon Currie, Mr. and Mrs. C. D. Stanley Sr. Bill and Gwen Garnett and family, Mr. and Mrs. O. Pearce, Mr. and Mrs. F. W. Hill, Abe and Hazel Mahan and Mildred Dirk and Mary; Ralph and Doreen, Bernie and Alice; Women's Missionary Prayer Band of the Alliance Chapel; Bethany Evangelical Free Church; F. R. Robson, High School Geog. Class.

Colleen Ebbes, Harold and Dorothy, Jessie Wilson, Lowell, Ethel and family, Johnnie and Beulah, Violet Wilson, Margo and Al, Curtis, Harvey, Bruce and family, Mr. and Mrs. Ira Schramm, Angus, Yules and girls, Mr. and Mrs. John Mix, Albert and Kathy, Mix, Bob and Jean, Pelsbury, Elmer, Beulah and family, Mr. and Mrs. Ernie Clendenning and girls, Mr. and Mrs. Harry Tweddle and family, James H. Towell, Mr. and Mrs. Norman Blackford, Mr. and Mrs. George Pearce, Mr. and Mrs. Art Little and family, Hazen and Lena Hodgins and family, Bill and Hazel Mix, Mr. and Mrs. Lorne Harries and family, Mr. and Mrs. Sam Hardy and family, Hobden Family, Calgary, Bethel Baptist Church, Mr. and Mrs. Mike Kitsch and Russell, Mr. and Mrs. Raymond Stephenson, Mrs. Al Stephen and George and Lil, Mr. Hilbert and Family, Mr. and Mrs. Jack Ebbes and family, Mrs. Lena Mader, Bob Service, Mr. Lennan and Rooks, Fe and Mrs. Lorne Lawrence and Eunice Mayhew, Ralph and Kate Wilson and family, Bruce and Marion Harrison, Mr. and Mrs. H. Anderson, Mr. Morton Towell, Steve and Elizabeth Short, Lloyd and Lee Warkentin, Rosebud Baptist Church, Hazel and Ivan Watkins, Bill and Gen Garnett, Herman, Lena and family, Mrs. Cora Rankin, Walt Kay and family, Earl and Nellie Geake and family, Mervyn Margaret and family, Dave, Marcella and family.

Alliance Chapel Building Fund, Mr. and Mrs. Chas. F. Thompson, Mr. and Mrs. Floyd Bedford and family, Mr. Jessie Will and the Wilson Par...

Retarded Children: Amoria Hon, Wes and Phyllis, Jasper Mr. and Mrs. Gordon Terry, Bobbie and Rena Mullen; John Pfenning and Darlene Eyben, Mr. and Mrs. John Fredrich, Classmates and Teacher of Grade V.

Alberta Heart Foundation: Ray Shurtuck and Ileen Roy.

Cash donations: Mr. and Mrs. John Mix; Mr. and Mrs. Ranolph Hutchinson, Mr. and Mrs. Hutchinson; Mr. and Mrs. Phillip Wilson, Clark Wilson; Shirley and Everett Harris.

### THANK YOU NOTICE

We wish to sincerely thank our friends, Dr. Stephens, hospital staff and neighbors for their thoughtfulness, flowers and cards of sympathy received during our bereavement at the loss of our husband and father, Harold Garfield Wilson. Your care and concern will never be forgotten.

Mrs. H. C. Wilson and family

# Beware Early Spring Water Hazards! : NSL

April and May have worse records for drownings than do the summer months according to the National Safety Council of Canada. For this reason the League has issued a warning which is followed by early spring boaters, especially on rainy days.

First NSL suggestion is to wear the boat, motor and safety equipment are in good condition before venturing into waters where ice may still cling to shorelines or remain in open areas. Be careful not to overload the boat.

Special attention ought to be given to all boats not safely equipped, urged the League. Check position, care and loading before leaving. Life jackets not approved by the federal government or showing signs of deterioration should be discarded. A sudden spill into cold water, combined with heavy clothing, would be fatal without a dependable life jacket, the League warned.

# The Homemaker

District Home Economist

Box 519 Vermilion

### CALLING ALL HOME SCHOOL GIRLS!

Are you a young girl in your final year of high school? Are you wondering just where you go from here — to work, to secretarial school, agricultural college or the university?

My purpose in this newscolumn is to tell you on the Home Economics profession as a prospective career. You really can't lose. Whether we are in the horse-and buggy age or in the rocket and missile era, homes and families must go on.

Are you artistic? Scientific? Pretty much a homebody? Business-minded? A fashion - fan? Or are you a girl who just wants to make life a better, happier place in which to live? The world of Home Economics has a niche for each and every one of you.

You have all heard or said that Home Economics only involves cooking and sewing, get out! Well it doesn't! College courses which lead to a Bachelor of Science degree in Home Economics include chemistry, physiology, biochemistry, bacteriology, to name just a few. These are enough to satisfy our mentally - minded co-ed. From these sciences, you find out why people need to eat certain foods, prepared in a certain way or the chemistry behind the luxurious, washable fabrics that confront us on our shopping. Through study of art and interior decorating, principles of good design can be applied to clothing and to homes. Courses in history, sociology, psychology and economics enable you to understand people and our fast-moving world better. From here you could work out wise programs for improving home living. This problem of home living and family relationship is becoming one of the most pressing problems of our society.

Where do you go after three years of study at the university level?

1. Teaching is always satisfying to many. An additional year of teacher training is required after a B.Sc. Remember, a Home Economist has a B.Sc., a teacher has a B.Ed., with a major in Home Economics.

4. The field of Extension Work provides practical instruction in many branches of homemaking and community life, primarily in rural districts. It involves travelling, provides much variety and is very rewarding, as experience has shown this District Home Economist.

5. If you are more interested in working in a laboratory doing Research, this is available also. Post-graduate work towards an M.A. or Ph.D. is often necessary [illegible]

6. Business. Working with a business firm operating for profit is also challenging. The utility companies or with food or textile companies, advertising agencies, magazine, newspaper or radio are a few examples.

And if you marry right out of college, the knowledge gleaned will always be with you, making your married life smoother and happier.

# NOW IS THE TIME TO GET YOURS

It will pay you to have your fertilizer on hand for seeding. We can supply top quality Elephant Brand Urea. Call now for prompt delivery.

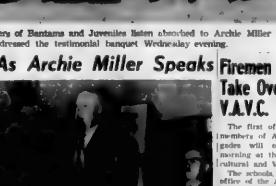
## THE BOYS LISTEN . . .

Players of Bantams and Juveniles listen absorbed to Archie Miller of Lloydminster as he addressed the Invitational Banquet Wednesday evening.

## . . . As Archie Miller Speaks



Mr. Archie Miller, the guest speaker, is shown giving a stirring address at the hockey banquet. At the left is Mrs. Les Kreller and on the right, Mr. Fred Brimacombe, chairman for the well arranged and conducted program.

# Provincial Champions Honored At Banquet

People of Vermilion and district, over 200 in number, gathered in the Eagle Hall Wednesday evening to pay tribute to two teams of champion hockey players, the Vermilion Juvenile Bob Cats and Vermilion Atom Bantams. These two young hockey teams each won the champion ship of their respective divisions. In doing so they provided the hockey fans of this district with thrilling play-off series, the Juveniles taking part in play-offs against six teams while the Bantams played five teams on their way to the championship.

For the same town to win two provincial hockey titles in one year was heretofore unknown in the annals of Alberta hockey and in recognition of this hockey fans paid honor and tribute to members of both teams in two evening.

The banquet and program was arranged by the Recreation Commission of the town, and the Chamber of Commerce.

Acting as master of ceremonies was Fred Brimacombe, chairman of the Recreation Commission of Vermilion. During the course of the evening he paid tribute to team manager Basil Shemiak, coach Les Kreller and every member of the Bob Cats. Juvenile Provincial Champions of Alberta. In turn manager Stan Manyluk, coach Les Williams and every member of the All-Star Bantam Provincial champions of Alberta.

Added words of praise in turn were Claude Rousseau, President of the Chamber of Commerce, Frank Dwenik, Deputy Mayor Archie Cooper M.L.A.

Acknowledging the plaudits were coach Les Kreller for the Juveniles and manager Stan Manyluk of the Bantams. Coach Les Williams was absent through illness.

### PRESENTATIONS MADE

Terry Rogers, diminutive goal tender of the Bantams made a presentation to coach Kreller on behalf of the team with a neat little speech. Receiving the gift on behalf of his father was Scott Williams, a member of the Juvenile championship team.

Bill Wilson, forward of the Bob Cats, then voiced the deep appreciation of the Juveniles to their coach, Les Kreller, presenting him with a plaque containing the names of all the players on the championship team.

Mr. Brimacombe voiced the apreciation of the community to the players for helping with hockey or at the Stadium during the past winter. These included Lloyd Engelking for his work with the "Mighty Mites", John Gordey, Martin Mayers and Gordon Williams; the Stadium work crew; Paul Misial of the Referees' Association, Bill Sutherland and his helpers of the Stadium Committee Joe Ferguson and Neil McLean, Gordie Hubbard, former coach for senior hockey here the Vermilion Standard for publicity and photos.

### MILLER GUEST SPEAKER

Guest speaker for the evening was Archie Miller of Lloydminster. Archie was introduced by Chairman Brimacombe and then proceeded to hold the boys mesmerized for the duration of his energetic and inspiring address. Archie has been an athlete of note in many fields, including hockey, baseball and track. He spoke to the boys on sportsmanship, co-operative willingness to strive hard, the will to win, clean

(continued on page 8, sec. 1)

# Firemen Will Take Over On V.A.V.C. Campus

The first of four schools for members of Alberta's Fire Brigades will open on Monday here on the Vermilion Agricultural and Vocational College.

The schools, conducted by the office of the Alberta Fire Commissioner are of one week's duration each and are for the purpose of giving members of the various fire brigades instruction in the latest fire fighting techniques.

The course starting Monday will see 29 taking part. The other three courses scheduled for this summer will start on May 31 and the third on June 28.

Exeter holidays are over for Vermilion children on Monday, April 26.

# All-Risk Crop Insurance In Effect This Summer

## 145 Bulls Will Be Sold Friday

The 5th annual sale of registered livestock sponsored by the Vermilion Agricultural Society will be held on Friday, April 23rd in the Stadium. Due to the large entry, it is hoped to get at least some of the selecting and culling done on the evening of the 22nd. The committee in charge of this important part of the sale will be Dr. Frank Creech, Lloydminster; Mr. J. Kidd Alberta Department of Agriculture, Dr. Geo. Summers, Vermilion and Mr. J. S. Cross for Cattle. Swine will be selected by Mr. Charnetski, Alberta Dept. of Agriculture; Dr. Geo. Summers, Vermilion and G. Larsen Board of Trade.

This year's offering is a total of 160 head of particular interest to buyers due to the large number of two year old and steer bulls. This is an important change to be noted this year, as in the past several sales and Mr. Jack Blackwood of Saskatchewan who is recognized as the best judge and auctioneer in Western Canada.

Sale time will be 10:00 a.m. Bar-b-que and 12:30 p.m. Free Lunch.

If you are in the market for a bull, heifer or steer, if you are only interested in seeing good herds, this sale is to be held at the Vermilion Stadium on April 23rd. You will all be welcome.

Auctioneers for this years sale will be Clarence Levig of the Vermilion Auction Mart who has been back in the sale ring for just several sales and Mr. Jack Blackwood of Saskatchewan who is recognized as the best judge and auctioneer in Western Canada.

The order of sale for this year will be Shorthorns, Herefords and Aberdeen Angus. Consignments from a large number of cattlemen in the district are represented in the list. The sale will a number of names that are well known to be sale at the Vermilion Stadium on April 23rd. You will all be welcome

Entry blanks are available at the Vermilion Auction Mart who has been back in the sale ring for just several sales and Mr. Jack Blackwood of Saskatchewan who is recognized as the best judge and auctioneer in Western Canada.

### Paving Figures

Do towns share of this sum in each municipality? Vermilion calls for 13,750 square yards of well-cement base asphalt paving.

## Minimum Sign-Up Exceeded

All-risk crop insurance offered this year for the first time in Alberta, will definitely go into effect this spring.

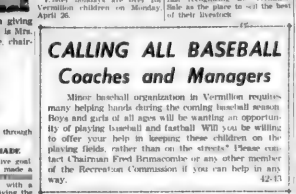
E. A. Patching, general manager of the Alberta Crop Insurance Corporation, announced this week that the minimum required sign-up of 25 percent of eligible farmers had been exceeded in each of the three test areas.

# CALLING ALL BASEBALL Coaches and Managers

Minor baseball organization in Vermilion requires many helping hands during the coming baseball season. Boys and girls of all ages will be wanting an opportunity of playing baseball and fastball. Will you be willing to offer your help in keeping these children on the playing fields rather than on the streets? Please contact Chairman Fred Brimacombe or any other member of the Recreation Commission if you can help in any way. 42-1

# Local Girl Graduates

Miss Rose Stephens daughter of Mrs. Betty Stephens was among the nurses graduating from the University of Alberta Hospital last week. Ceremonies took place in the Jubilee Auditorium.



Master of Ceremonies, John Nienhuis, is shown at the giant telephone dial to be used in the AGT "Teleshow" at Mannville on April 29th

# A.G.T. Teleshow At Mannville April 29th

Mannville and district residents will have the opportunity of seeing the latest types of colored telephones and a selection of

## Student Ministers Appointed To Local Fields

The Board of Home Missions of the United Church of Canada recently announced the appointment of the student ministers to fields in the Vermilion area. The appointments are L. Ron Hall to the Lindbergh field and Rupert J. Rae to the Clandonald field.

Mr. Rae is a student at Pine Hill University Hall Halifax, Nova Scotia. He is a candidate for the ministry in the Tunbridge Presbytery in the Newfoundland Conference. He expects to begin his work in Islendale and Wildcat on Sundays, May 9th.

Rupert is to give a sermon at Hillcrest Memorial Park Cemetery on Victoria Day, May 24th. Mr. Rae is married to Joan Rae and has four children. He is a native of Newfoundland.

Mr. Hall has completed his first year in Theology at Emmanuel College in Saskatoon. He will conduct his first service on Clandonald Charge Sunday, May 23rd.

# Vermilion Scouts To Hold Bottle Drive

Vermilion Boy Scouts and Wolf Cubs are holding their annual Spring Bottle Drive on Saturday, May 8.

During the drive the boys will go from door to door picking up empty beer bottles, returnable pop bottles and non-returnable bottles.

Bottles given to Vermilion will officially fill off the Job Per Bob Week and the emergency fund of all residents is asked in these projects

# Vermilion Student Receives Legion District Award

Margo Husby, Grade 11 student at the J. R. Robson High School in Vermilion is shown receiving a $25.00 cheque from Bill [illegible] president of the Provincial Command of the Royal Canadian Legion. The award was made at Miss Husby during the Vimy Night celebrations at the Vermilion Legion. Margo's entry in this Legion district on the subject of Remembrance Day. The essay contest was nation wide and attracted 30,000 entrants of which 1,000 came from Alberta.

## Always Exercise Supervision

The Alberta Fire Commissioner makes a special appeal for added fire precautions in the home. Commenting upon the death by fire of a two and one half year old boy in the Beaverlodge district, Mr. Bridges said "This brings the death toll from fire in Alberta to date in 1965 to five — two children and three men.

In 1964 there were 70 deaths by fire of which 30 were children. With full public awareness of fire dangers it is hoped that the 1965 fire death record could be much improved. Consequently it is necessary to be on guard always against fire in the home but most important to guarantee the safety of small children they must never be left without a responsible adult exercising careful supervision.

★ ★ ★

FACTS — Never use the parking lights when a car is in motion, says the Alberta Safety Council. They tend to distort the distance to oncoming drivers. When visibility is reduced, use headlights.

★ ★ ★

## Tips For Tots — For Safety

Child Safety Day, on Sunday, May 2, will aim at reducing the injury and death of Canada's children. The one-day awareness campaign will be jointly sponsored by the Canadian Highway Safety Council and the National Safety League of Canada.

In this interest, the League and Council offer some tips for the tots:

Bike riders — slow down and look carefully before riding out of an alley or driveway.

Good manners are safe manners, riding a bike or playing the considerate of others. Playing rough can hurt the rough player, and others, too.

Wait for the right time to cross the street. Jumping in front of cars is the sign of a show-off. Nobody likes show-offs.

Watch for cars, not only on streets, but coming out of driveways, alleys or garages. A car being backed up can hide children from the driver.

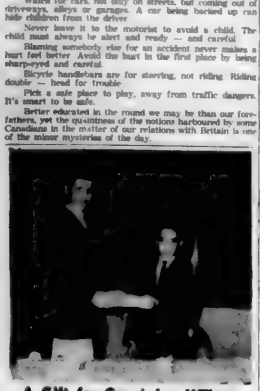
Never leave it to the motorist to avoid a child. The child must always be alert and ready — and careful.

Blaming somebody else for an accident never makes a hurt feel better. Avoid the hurt in the first place by being sharp-eyed and careful.

Bicycle handlebars are for steering, not riding. Riding double — head for trouble.

Pick a safe place to play, away from traffic dangers. It's smart to be safe.

Better educated in the round we may be than our forefathers, yet the quaintness of the notions harboured by some Canadians in the matter of our relations with Britain is one of the minor mysteries of the day.



**A Gift for Coach Les Williams**

Terry Rogers decorative goalie of the Bantams, made a presentation to coach Les Williams on behalf of the team, with a neat little speech. Unfortunately Les was ill and unable to attend so his son Brett, a member of the juvenile champions accepted the gift on behalf of his Dad

## GREEN ACRES

By H. HORLEY DOUGLAS
District Agriculturist

CSGA FEE SCHEDULE 1965

A new fee schedule for crop inspection and membership in the Canadian Seed Growers' Association has been approved by the Canada Department of Agriculture and the Board of Directors of the CSGA and will be implemented for the 1965 crop year. The new schedule is as follows:

1. SEASON FEE $10 not refundable — covers the first 20 acres — except for corn — and one Certificate

2. ACREAGE FEE 30 cents per acre for each acre over 20 acres — except for corn which is 75 cents for each acre inspected.

3. CROP CERTIFICATE FEE $5 for each additional Crop Certificate over one Certificate

4. FOUNDATION PLOT FEE $10 for each Foundation seed crop plot and includes the seeding of one Foundation Crop Certificate

5. BRANCH FEE Collected for each Branch by the CSGA. The rates will be established by the Branch but an average fee and will be published in a later issue of Seed Growers.

6. LATE FILING FEE: $5 if application received by CSGA after the deadline date.

All fees including the fees previously paid to the Plant Products Division, are now payable to the Canadian Seed Growers' Association at the time of the application. The fees must be calculated from the total acreage on the application by the applicant. The Association will make adjustments to the applicant's account on the basis of the acreage indicated on the Report of Crop Inspection, and will either collect or refund as the case may be. If the grower intends to harvest any of the acreage from the application, he is being instructed to keep it separate from the balance. Plant Products Division Officer serving his area, prior to the visit of the crop inspector.

(Seed Scoop)

SUMMERFALLOW

The Indian Head Experimental Farm Mr McCurdy reports that if a farmer willing to accept fluctuations in yield, rope with weeds and an increased soil problem, he may now be able to make as much money from continuous cropping as alternate wheat with summerfallow. Over the last seven years summerfallow did not materially increase total production but cut down the fluctuation in annual production. During this period there was one year with less than three inches of rainfall. Continuous wheat with 100 lbs. nitrogen averaged 19.3 bushels per acre. Yields varied from a complete failure in 1961 to 35.5 bushels per acre in 1962. During the same period wheat grown on summerfallow with 40 lb

## 16 Years Ago Today

APRIL 22, 1949

Announcement of the election of the Rev T W Trapp as Canon was made Tuesday by the Rt. Rev. W F Barfoot, Bishop of the Anglican Diocese of Edmonton. (Rev. Trapp is now Dean Trapp of All Saints Cathedral, Edmonton.)

Official opening of the new primary school will take place on Friday, April 22nd at 2 p.m. Officiating at the brief ceremony will be W. D. Cornish, M.L.A., Jas. D. Adam, divisional trustee and Don Taylor, chairman of the local school board.

It was with a sense of deep regret that Vermilion and district people learned the R. Sinclair Reikie has resigned as minister of the First United Church here. He has accepted the appointment to the United Church in Dawson Creek, B.C. Duties will commence July 1st.

## 32 Years Ago Today

APRIL 30, 1933

A snowfall to the depth of two inches covered this entire district on Monday. Snow commenced falling at 6 p.m. and continued throughout the night. Roads are very bad around the country.

L. N. McLean was a business visitor to Edmonton to attend a General Motors dealers' convention this week.

Sidney Millward was seen Broadway along Main Street after participating in the first football practice of the season.

## Its Background and Responsibility

# Recreation Commission

Dear Mr. Editor:

For the information of many newcomers to our town and community, and for the general information of our citizens at large, may I respectively request some of your valuable newspaper space at this time. There are times when it appears appropriate and necessary to relay some facts in order that important truths are conveyed in a proper perspective from public bodies and organizations.

As chairman of the Vermilion Recreation Commission it is seemed to me quite timely that the background and responsibility of this body should be publicly reviewed. The Vermilion Recreation Commission is a body duly constituted by a town By-Law, (No. 5-54) This group is directly responsible to the Mayor and Council of the Town of Vermilion. One representative at least, from the town council must be placed on this seven man committee. The terms of reference are very clear and I shall review the responsibilities and also some of the present organization particulars.

The present Commission comprises Messrs. Dr. R. Payment, Donald Henning (Secretary-Treasurer, A. L. Purse to a standard or bush type tree. This new Alberta Horticultural Guide is available at your DA office

4-H SAFETY SLOW VEHICLE

4-H members in Saskatchewan, Alberta and Manitoba will soon start distributing a new traffic sign known as the "Slow Moving Vehicles" emblem. The sign has been developed to identify farm, industrial and other equipment which normally travels at speeds under 25 m.p.h. The new emblem is triangular-shaped with a fluorescent red centre and a reflective red border. The design was adopted after exhaustive testing by the American Society of Agricultural Engineers. The 4-H Movement in Western Canada has undertaken to distribute the slow moving vehicle signs as a spring and summer safety project. Farmers, constructors, municipalities, municipalities and all other groups and individuals who operate slow moving vehicles will be asked to buy signs for their equipment

OBITUARY

ELDER EDWIN FORSYTH

On April 13th James Edwin Forsyth of 4907-83 Street, Edmonton, aged 66 years, passed away. He is survived by his wife, Helen, and son Robert of Edmonton and two grandchildren.

Funeral services was held on Monday, April 19th at 1:30 p.m. in Bankhead's Chapel, Edmonton with Dr. D. J. Thom officiating. Interment was in the Evergreen Memorial Gardens.

Hainstock and Son, Ltd., were in charge of arrangements.

# Did You Know?

(By MARY SCHNEIDER)
Regional Dir., Region 4, 4-H & Y. Myrnam.

Did you know:

(1) That the Accident Insurance to protect all children in school, going to and from school, is in force? Also that under the School resolutions were passed, by the Alberta Government and approved?

(2) "That books rentals in schools" was a project also undertaken by the Home & School? All our children benefit from this today.

(3) Withdrawal of the six-week teacher training course Strong influence was again exerted by the Home & School Association.

(4) More and better radio, TV and film programmes for young

(5) Royal Commission on Education and New Vocational Education Here again the H. & S. played a leading role

The above are only a few of the achievements and accomplishments of the Provincial Home and School Association. These things can only be done if the parents take a keen interest in what the Home & School is doing. This can be done in many ways. The best place is to strengthen the local Home and School, attend the monthly meetings, send delegates to the annual conventions and attend the conferences or workshops. The Area Director Mrs. Mary Coughlin and Mrs. Mary Semeniuk, hope all teachers, parents, and all who love their children, to come and attend such a conference to be held at the Myrnam School on Friday, April 30th at 7 p.m.

Please plan for this big day and come out. Theme "With a Mission, Act Responsible"

Missouri, A. Healey, S. Mazyluk, F. Brunacombe (chairman and council representative). Three members whose terms expire this month are Messrs. Payment, Donald and Haverstock. All members are unpaid and offer their services in the hope of promoting more active sport and recreation in this area. Volunteers are invited at all times to help in this work.

One particular sector of sport promotion is that group of boys in baseball and hockey up to and including the eighteen year old boys or Juvenile classification. The figure skating programme, swimming and several other groups also receive as much attention as we find it possible to give. Two particular bodies are specifically named as being outside of The Recreation Commission's area of responsibility. These two groups are The Vermilion Curling Club and The Vermilion Tiger Hockey Club. Other adult groups of course are not necessarily under the guidance or supervision of this Commission but may come to us for assistance

In hockey and baseball it is our aim to have all minor teams up to and including Juvenile sponsored by local organizations. If a team has a sponsor, then all records and operational accounts are the responsibility of the sponsoring organization and must be reported accordingly. If a team in this minor classification has no sponsor and is unable to get one it is satisfactory to the Recreation Commission then the Commission has automatically undertaken to act as sponsor and demands the same requirements as though a private group was the sponsor. During the past few years, we have received very fine cooperation indeed from the various service clubs, fraternal bodies and lodges. The Town of Vermilion can be justly proud of its record in supporting these young teams and thus contributing so much to the spring life of the community.

This letter is going forward today with a twofold purpose. Firstly we are canvassing solicitation continued cooperation from the many individuals and groups who contribute in this very important task. Secondly we hope that this public explanation might make more clear to parents and youngsters alike the aims and hopes and demands of our Vermilion Recreation Commission.

This year and the next and for some time to come we hope that all will act in the best interests of retaining this happy relationship between surrounding citizens and that priceless group of volunteer ladies who have no other desire than to make our common is a better place to which to live.

Sincerely,
Fred Brunacombe
Chairman, Vermilion
Recreation Commission

Successful banking begins with a savings account

Like almost everyone else, you use your local chartered bank as a safe and handy place to build the savings reserve that is so important to your financial future. In doing so, you do more than build a solid foundation for financial plans. You are building a valuable banking relationship and helping to establish your credit. And as you get to know the manager and staff — as you use other banking services to meet personal or business needs — your banking contacts become even more useful to you. And it all starts with a savings account!

THE CHARTERED BANKS SERVING YOUR COMMUNITY

*Through 5,630 branches, all across Canada, the chartered banks bring full-range banking within the reach of everyone.*

Vermilion Stock Sale Friday

**Ordinary.**

We took the body off this Volkswagon 1300 to show you.
Let's start at the back.
With the engine.
What's out of the ordinary about it? Everbody knows we're famous for air-cooled engines in the rear.
We made the 1300's engine more powerful. And so flat it fits right into the back of the car and still leaves room for a luggage compartment.
And that leaves you with two trunks. There's no engine in the front!
Now notice the chassis. The floor is one solid piece of metal! Covers the bottom of the VW 1300. So nothing hangs down. And gets damaged. By rough weather. Or rough roads.
And even though we made the VW 1300 for families, you don't drive it like an ordinary family car. You sit on a comfortable bucket seat and shift through four fully-synchronized gears on the floor.

**Out of the ordinary.**

Take a look at that suspension system up there. Inside that black metal tubing there's a torsion bar for each front wheel. And it's the same idea at the back. Each wheel in the VW 1300 is independently suspended. So [illegible] for instance, you only the wheel that goes over it. Not the whole car. And everybody in it.
We even put an anti-sway bar up front. With the result that the 1300 tracks upward wheel variation as possible.
Why not visit a VW dealer and d[illegible] the ordinary things about the Volkswagen.
He may not take a car apart for you. But he will let you drive one.

## St. Paul Hosts Dental Society

The April bi-monthly meeting of the North Eastern Alberta District Dental Society was held in St. Paul on April 10th with Dr. Lawton and Dr. Mandin hosting the gathering.

Dr. Cec Marriott and his wife of Bonnyville were honored by the association on the occasion of their impending moving to Edmonton, where Dr. Marriott will resume his dental practice. An engraved wall plaque was presented to Dr. Marriott on behalf of the society by Dr. Mandin. Dr. Mandin paid tribute to his classmate and one of the founders of the North Eastern Alberta District Dental Society by stating how sad we were that Dr. Marriott was leaving our district.

Mrs. Marriott was presented with a dozen long stem roses by Mrs. R. Mandin at the reception.

Following this the ladies left the dental room to attend the Idylle High School while the business of the dental society went on. Relative to the Health Unit, Dr. Lawton showed some slides which the St. Paul district had had obtained and which their dental department uses for public information.

The next meeting of the society will be June 26th at Bonnyville.

## Wildmere Winks

A cold storm weekend hard went to Edmonton to visit Mrs. er the Easter bonnets. Anyway, Dibbon who is a patient in the Tofield hospital.

Visitors at the Westman home on Saturday evening to help celebrate Walston's birthday were his sister and family Mr and Mrs. Jake Taylor and their daughter and son-in-law from Kenaston, Sask., and Mr and Mrs. Herb Hemmingway of Edmonton.

Mr. and Mrs J. C. Wallington of Lloydminster at the Clarence Labourene home. Hewitt Dibbon, Some from Calgary Tech at the Ron Dibbon's. Mr and Mrs. Bud Hather and family of Lloydmin and Mrs. Hazel Dalbec of town at the Westman home.

Mrs. [illegible] spent the week-end with her parents Mr. and Mrs.

# District Scouts Again On "Job For Bob"

The Three Rivers District Council of the Boy Scouts of Canada is once again sponsoring the "JOB FOR BOB WEEK", May 8th to 15th. This project not only promotes Cubs and Scouting, but enables them to raise funds to help carry on the duties assigned to the Three Rivers District Council.

During this week Cubs and Scouts will call and do various chores such as tidying out garbage cleaning yards, washing windows or cars and any other jobs you feel they are capable of doing. They will accept any reasonable payment for these jobs and the proceeds should be marked on the work cards in possession of the Cubs and Scouts.

These young people are not looking for hard outs, they are trying to earn funds to carry on the Scouting Movement in their communities. The funds are used by the District Council, to promote Camporees and Cub Rallies, supervision of the Cub and Scout Movement in the Three Rivers area, registration of Cubs and Scouts, granting of Charters, appointment and training of Scouters, recommending of decorations and awards, selection of personnel attending National and International Scouting events and water safety training.

If you have work these young people can do please notify your Scouting representative in your area. The Three Rivers District includes the Scouts and Packs in the following communities: Dewberry, Kitscoty, Lloydminster, Marwayne, Marwayne, Myrnam and Vermilion.

## WE GOOFED!

Last week in reporting on the Pee Wee Hockey finals played at the Stadium between Oliver Goldsmith's team and the Guy Kent outfit we reported the wrong team won.

It should have said that the Kents downed the Goldsmiths by a score of 5 goals to 1 in the final game.

# Winners Announced For Cancer Poster Competition

Response was most gratifying in the annual Poster Competition, conducted by the Vermilion Branch of the Cancer Society. Mrs. Evelyn Hemingson, Education Chairman of the Vermilion Branch reports. The number of posters entered in Grades 7 and 8 was 49; in Grades 9 and 10 there were 20 competitors and in Grades 11 and 12 for a grand total of 70. Entries were original, varied in design and showed much thought and work.

Prizes of $10 for first, $8 for second, $3 for third, and $2 for fourth, are awarded in each of the 14 districts of the Cancer Society, in the Province of Alberta. These prizes have been provided by a special contribution made for this purpose to the Society by two life members. In addition to the local prizes, Grand prizes are awarded on a provincial basis. These are: Best in contest in Alberta, $50; Best in Grades 7 and 8, $25; Best in Grades 9 and 10, $25; Best in Grades 11 and 12, $25. Designs which are particularly effective and adaptable may be incorporated into posters printed for general distribution throughout the province.

Winners are as follows: Grade 7 1st. Beverly Anne Thompson, Woodvale 2nd. Barry Hamilton Eelementary; 3rd, Wayne Hobbis Woodvale; 4th, Mary Agnes Killen St. Jerome's.

Grade 8 1st, Jean Ruud, Woodvale 2nd, Kathleen Dion, St Jerome's 3rd, Emily Kobylka, St Jerome's, 4th, Bobby Mead, R. Rohaan Jr. High, Wyndham.

Grades 9 and 10- 1st. Marilyn Ruud, Woodvale; 2nd, Lloyd Thompson, Woodvale; 3rd, Meryl Morgan, Vermilion; 4th, Linda Crocker, Woodvale.

Grades 11 and 12 -Only one entry received from St. Jerome's.

Receiving Honorable Mention in Grades 7 and 8 were Brian Catrapoulli, St. Jerome's, Murray Young, Woodvale, Judy Ann Frederick, Vermilion Intermediate Shirley Miller, Murray Thompson, both of Woodvale

Forwarded to Calgary for judging in the province wide competition are Grades 7 and 8 (combined) - St. Jean Ruud, Woodvale 2nd, Kathleen Dion, St Jerome's 3rd, Beverly Anne Thompson, Woodvale; 4th, Betty Wong, Vermilion.

Grades 9 and 10, 11 and 12, as aforementioned.

The posters were judged by Mrs. Edgar Mc. Paul Harvey, and Mrs. Neil Larson, and appreciation of their kindness is expressed by the Branch for same.

### CARD OF THANKS

I wish to express my sincere thanks to Dr. Milne, Miss McPhee and all the nursing staff of the hospital for their kindness to me while a patient there. Also special thanks to friends and neighbors for gifts, cards and help. Thank you again.

Lloyd Engelking

### CARD OF THANKS

We wish to take this opportunity to express our thanks to friends, teachers, classmates and Coaching for the many courtesies extended to us during our departure for Kimberley, including farewell teas, parties, and for the gifts received.

Bill, Mary, Adele and Larry

David Partner of Merritt, B.C. spent Easter week-end in Vermilion with relatives and at Cheelwers with his uncle Mr. and Mrs Alf Purser and family and his aunt and family Mr. and Mrs. Alf Redman.

Weather for Easter Sunday was chilly with snow flurries. Temperatures for the week were much below normal and to say the least ... phooey!

## LOCAL NEWS

Mr. and Mrs. S. Nelsen and their three sons of Calgary and Mr. and Mrs. Wally Murray and family of Edmonton spent the Easter week-end at the home of Mr. and Mrs. Geo. Caron.

Mr. and Mrs John Hurst and their daughter Peggy, accompanied by Mrs. Lou Harsa of Islay spent the Easter week-end visiting with Mrs. Hurst's son Harold and Mrs. Brown. Mrs. Harsa is Mrs. Brown's mother. Peggy spent the Easter week in the city with her brother.

Mr. and Mrs. Hugh Stubbs and their two sons, Calvin and Colin left Thursday for Wrentham, Sask., to visit with Mrs. Stubbs' parents. Mr. and Mrs. Nevel Ragsdael for Easter. The boys stayed to spend the Easter holidays with their grandparents.

Visiting at the home of Mr. and Mrs. Stan Charles for Easter were Mrs. C. Comer and Mr. A. Wyery of Saskatoon.

MERCERIZED Treatment for cottons using caustic soda at a low temperature. This makes the cotton stronger, more lustrous more absorbent and more susceptible to dye.

SUPIMA -- A high quality of Pima cotton. Fibre is stronger and finer than other varieties. It dyes well and feels silky.

SATEEN -- A cotton fabric characterized by flat weave running crosswise. It is usually mercerized.

POLYNOSIC — This is a new fabric appearing now in a well known fibre. It will retain the same itself describes a highly stable rayon fiber. It has a high resistance to stretching when it is wet. It may be used alone or be blended with cotton.

These are just a few of the hundreds of textile terms which confront us today. If you are interested in learning more about textiles, here is an excellent book set available from the following address: A Dictionary of Textile Terms, Dan River Mills, Danville, Virginia, U.S.A.

## I.O.D.E. Notes

The April meeting of the I.O.D.E. was held at the home of Mrs. W. Dixon. Mrs. Florence Gibson was installed as Regent, but Miss K. Fulcher carried out the meeting. Mrs. Gibson is the delegate to attend the convention held in Edmonton this month. Mrs. Dowdell and Mrs. A. Mead plan to take in one day of the convention.

Pairs to fill useful bags for boys and girls were chosen. Pair list was talked over but tabled for next meeting. Mrs. Radcliffe zone meeting to be held in Vermilion in May.

A delicious lunch brought the meeting to a close.

## CANUCK ROLL CALL

Born at the Vermilion Municipal Hospital to:

BOGAN — Mr. and Mrs. Ed Rogan, on Apr 15, a boy, Bradley Allen.

LUYKX — Mr and Mrs Wm Luykx, Paradise Valley, on Apr 19, a girl, Connie Irene.

ZAHARKO — Mr. and Mrs. Mike Zaharko, Derwent, on Apr 20, a boy.

YOUNG — Mr. and Mrs. Chas. Young, on Apr. 20, a boy.

The following item was taken from the 30 years ago column in the Vermilion Standard: "William Muir of Alberta is visiting his brother, Walter Mr. Muir who has been in the West for 30 years, last came east in 1921". The Mr. Muir in the 30 years ago column is Mr. Muir of Islay and Vermilion, and now once again at Dundonald, Ontario, from whence he came 60 years ago.

Mr. and Mrs. George Seed, Wendy and Frank spent the Easter week-end visiting relatives in Edmonton.

Mr. and Mrs. Bob Wedderspoon and little daughter Carl-Lynn of Lloydminster spent Easter at the home of Mr. and Mrs. Stan Wedderspoon for Easter.

Home from Edmonton for Easter with their parents Mr. and Mrs. Manson Barr and the family were Louise and Keith.

Wayne Romans who is now employed by an upholstery firm in Edmonton spent Easter at home with his parents Mr. and Mrs. Russell Romans and family.

Visitors at the home of Mr. and Mrs. Roy Jory for Easter were Mr. and Mrs. Norman Cleveland Alvin Rounds (Mrs. Jory's brother) all of Edmonton.

Mr. and Mrs. Bill Wilson and family spent the Easter week-end visiting friends in Edmonton.

Mr. and Mrs. Ed Hurst and family spent the Easter week-end visiting friends in Edmonton.

Visiting at the home of Mr. and Mrs. Sid Burdett over the Easter week-end was their son Art, Maxine, Barbara, Carol and Judy of Battleford. Also their daughter Jean Don Jimmie and Darleen of Edmonton.

Mr. and Mrs. Jack Hall and their two small daughters spent the Easter week-end visiting in Edmonton.

Visiting at the home of Mr. and Mrs. Sid Burdett over the Easter week-end was their son Art, Maxine, Barbara, Carol and Judy of Battleford. Also their daughter Jean Don Jimmie and Darleen of Edmonton.

Mr. and Mrs.

CROWN Springtime SPRUCE UP Values

NEED Seeds and feed storage? Machinery and equipment protection? Beef fencing here?

If so, you need a CROWN LUMBER DOME COVERALL

$5,886

Erected on Your Farm

CONSTRUCTION IN JUST 7 DAYS START TO FINISH!

You can do all three - and more - with the revolutionary new Dome Coverall from Crown Lumber's AIDS TO AGRICULTURE. Easily adaptable, too, to any specialized farm or commercial operation. For whatever use, the Dome Coverall provides more efficient, versatile operation - at far less cost - than average farm buildings. Aerodynamic shape sheds wind and weather - won't drift, frost or steam up. Fibreglass skylight vent provides abundant fresh air and continuous air flow. Railway equipment door allows piece-by-piece equipment to hitch-up position (uncoupled open door optional).

DOME COVERALL features:

- 60' diameter, 20' high at centre
- 5,028 sq. ft. post-free, allowing easy manipulation of machinery, easy cleaning
- 50,000 bu. grain capacity
- Finished with 2[illegible] asphalt shingles
- Also available in diameters of 52' (2[illegible] sq. ft.), 67' (3[illegible] sq. ft.) and 82' (5[illegible] sq. ft.)

"AIDS TO AGRICULTURE" HAS COMPLETE DETAILS ON THE DOME COVERALL. SEE YOUR CROWN LUMBERMAN ABOUT IT THIS WEEK.

HE CAN ARRANGE FINANCING, TOO!

WE HAVE A TIME PAYMENT PLAN TO SUIT YOUR NEEDS. IF REQUIRED—NO PAYMENT FOR 6 MONTHS AND UP TO 15 YEARS TO PAY!

CROWN LUMBER COMPANY LIMITED

Saltaux W. I. Notes

Due to road conditions the Saltaux W.I meeting which was to have been held at the home of Mrs. Ted Bebuk was held at Mrs. Ed Bebuk's April 14th. There were nine members and two visitors present. Mrs. Roy Ishbon conducted the business and Mrs. Roy Johnson

Conference for the meeting were Mrs. Evelyn Maurer, Mrs. Dorothy Behreyer and Mrs. Ann Sydnaes. The hostess gift was won by Mrs. Rheta Smith, was given by Mrs. Ann Bebuk

The business of the meeting was dealt with promptly. Mrs. Lois Staden and Mrs. Rheta Smith are to be delegates to the convention in Vermilion Apr 29

Mrs. Ishbon then addressed the meeting. She mentioned the A.W.T.V. convention to be held in Edmonton on June 1, 2 and 3, and suggested that a visitor as well as a delegate should be sent from each branch. She touched on the A.W.T.V. projects such as coupon 307, Lady Aberdeen Scholarship and A.W.T.V. Scholarship fund. This scholarship is available to a student majoring in sociology.

Guest speaker for the meeting was Mrs. Ann Sydnaes. Her topic was "Canada's Centennial". She told us that Canada is celebrating its 100th birthday this year. Many projects are being planned to commemorate this occasion. Some of these projects are: Centennial Train, Centennial Caravan, Centennial Canoe Trip, Centennial Voyageur Canoe Trip, Centennial Flame, Centennial Medallion, Centennial Flag, Centennial Coin, Centennial Stamp, Centennial Year Book, Centennial Project, Centennial Scholarship, Centennial Medal, Centennial Concert, Centennial Caravan, Centennial Canoe Trip, Centennial Voyageur Canoe Trip, Centennial Flame, Centennial Medallion, Centennial Flag, Centennial Coin, Centennial Stamp, Centennial Year Book, Centennial Project, Centennial Scholarship, Centennial Medal, Centennial Concert.

Annual Meeting Of V.A.R.C.

The annual meeting of the Vermilion Association for Retarded Children will be held in the School for Exceptional Children, Vermilion, Tuesday, April 27 at 8 p.m. New officers will be elected and financial and progress reports given. ## "Socceries" Are Organizing

Two meetings this week-end will see the Soccer season off the ground for another season.

On Friday evening at 8 p.m. in the Bill Lundin Junior Library there will be an organizational meeting for both the senior and minor divisions of the Vermilion Soccer Association.

Sunday at 2 o'clock also in the Library a meeting of representatives from the district will make plans for a soccer league to operate this season.

At the moment Lloydminster, Cold Lake, Wainwright and Vermilion are certain starters in the new league, and it is expected Provost will be on hand Sunday with its entry.

---

## LOCAL NEWS

Mr. and Mrs. Sam Soldan and family of Oyen, spent the Easter week-end in town.

Mr. and Mrs. Pete Thiesen and family motored to Edmonton to spend the Easter week-end with their daughter and son-in-law, Mr. and Mrs. Albert McGrean and family.

The winner of the doll raffled by the Majorette Mothers' Association last year was by Mrs. Arnold Maggs.

Mr. and Mrs. J. K. Thompson of Edmonton have been visiting in Vermilion and district prior to their departure for B.C. where they expect to reside.

Miss Joan Stephens of the University hospital, Edmonton spent the long week-end visiting her mother Mrs. Betty Stephens.

Baillie Holte of the DOT at Lac La Biche spent a few days last week at the home of his parents Mr. and Mrs. Albert Holte.

Mrs. Kellso and her son Alfred from Regina were Easter Sunday visitors with her daughter Mrs. Marsen Gould. They left on Monday for Edmonton to visit with Mr. and Mrs. Kellso there.

Donald and Douglas Inman are at present spending the holidays with their grandparents, Mr. and Mrs. A. Gould.

Vermilion has one of the finest nine hole golf courses in Alberta.

---

## Pay Tribute To Their Coach

Bill Wilson, speedy forward of the Vermilion Bob Kats, paid a tribute to coach Les Kreller on behalf of the team and presented him with a plaque inscribed with all the names of the Champion Juveniles.

---

## Hockey Champions Honored . .

(concluded from front page)

living, in a stirring address such as only Archie Miller can deliver.

In voicing the thanks of all present Gus Mirosoff suitably called Mr Miller a great humanitarian and stated that a human touch as a caring person, one who cares about everything and everyone and this was Mr Miller.

### THOUGHTS PRESENTED

As a gift from the Community every member of each hockey club was presented with a hockey trophy, suitably engraved, a souvenir program and on one occasion which each will probably prize for a lifetime.

Mr Brimacombe called on Anthony Cooper to present the trophies individually to the members of the Bantam club, each one being introduced by team manager Stan Manyluk.

Chamber of Commerce President Claude Chalmers made the individual presentations to the members of the Juvenile Club.

And so the evening ended . . an evening during which sincere honor and tribute had been paid to two young hockey teams, teams which had brought rare provincial recognition to the town, home town in the same season a unique and rare occasion.

---

## Isbay Locals

Sympathy is extended to Mrs. Forsyth Robert and family at Edmonton on the loss of husband and father last Thursday. Mr and Mrs. Jack Forsyth motored to the district for several years.

Mrs. Sylvia Gould had several relatives and friends from Lac La Biche Point and Lindbergh to visit her last Sunday.

Mr and Mrs. Wm. Potvin and friend motor home to spend Good Friday with their parents Mr and Mrs. W. Potvin. Mr and Mrs. Garfield Potvin and Elsie were home to spend Easter Sunday with their parents.

Mr and Mrs. Charlie Bonn left on Monday for Regina where Charlie is taking a short course in welding.

Mr and Mrs. Clarence Athey and Freddie from Edmonton called on Mr. and Mrs. F. McFadyen. The former's cousin, on their way to Lacombe to spend Easter Sunday with their mother.

Mr. and Mrs. Clarence Flood, Edmonton spent the Easter holiday with Marion's parents here also going on to Wainwright to visit with Mr and Mrs. Bruce McFadyen and children.

---

## New Barn For Fair Grounds

At a recent meeting of the directors of the Vermilion Agricultural Society the contract for the erection of a barn to provide additional livestock accommodation was awarded to Revelstoke Lumber. Vermilion Lumber contract will be supplied by W. J. Pettigrew Construction, while painting will be done by Stan Manyluk. It is hoped that this building will relieve the congestion that has occurred during the past several years when it was necessary to erect tents to house a large number of head of livestock.

### CARD OF THANKS

I wish to thank Rev. Carlton Miller and Lumsden Funeral Home for their kindness and help and the friends and acquaintances for their sympathy and acts of kindness during our recent bereavement, the loss of my brother, T. J. Good.

Edmonton — A. E. Good.

---

## Contractors Organize

Electrical contractors from all over Vegreville last week to attend a seminar conducted by Canadian General Electric and sponsored by Canadian General Electric Company Limited Ltd. The seminar dealt primarily with commercial wiring, which field Mr Marshall is a recognized expert.

In attendance were can tractors from Grand Centre, St. Paul, Athabasca, Bonnyville, Elk Point, Lloydminster, Vermilion, Wainwright, Killam, Provost and Vegreville.

During the conference the formation of an electric contractors association embracing contractors in northeastern Alberta was formed. Going under the name Northeastern Electrical Contractors Association the group selected R. Harris of Lloydminster as the inaugural president. Assisting Mr Harris on the executive will be Ken Hanna, Vegreville, secretary, and directors L. Woodward, Bonnyville, Dave Ellis and W. Manchakewsky of Smoky Lake.

**Bethesda U.C.W. Notes**

April meeting of the United Church Women of Bethesda was held in the Christian Education Hall with 35 members present. The devotional was led by the President Mrs. N. E. Jones with readings from Isaiah 55 and Mrs. P. H. Pasternak Mrs. W. R. Young and Mrs. J. Trum "God and His Promises" was taken for the study period. Mrs. A. Sirrs and the Lord's Prayer brought this portion of the meeting to a close.

Minutes of the last meeting were read and adopted also the financial statement was given. Several items were made and passed. One of these was that the Bethesda U.C.W. will donate a quantity of the remaining of the articles at the Adventure will be handed into pillows for the Red Cross. Legion Ladies Auxiliary Roundtable were sent a request to attend a Rural Area Council consolidation. Roadside tree planting, back damage. Resolutions were sent to the Department of Agriculture requesting the name of Vermilion County Councillors, (2) The Service Board (3) Eight farmers appointed by that Service Board (4) Assessment appointments currently 4-H activity and geographic location (4a) Four members of the Farmers' Union County Team (5) The Field Supervisor.

To date meetings have been held semi-annually and an attempt is made to have at least three new members each year in order to get the better half (the ladies) opinion, the new members were invited to bring a lady. On April 6th there were thirty present and the ladies did stimulate interest. Chairman Paris suggested the men always try to get smart in front of the girls. Councillors present were: Mr and Mrs. J. Stone, Ritscoty; Mr R. Goldsby and daughter, Mrs. R. Nickless, Streamsboro; Mr and Mrs. E. Fowler, Vermilion. Mr F. McGuigan Reeve, Islay; Mr D. Whiteside, Secretary, Agricultural Service Board; members present were Mr J. Hale Marwayne; Mr P. Dobson, Paradise Valley, Morley Douglas, D.A.; Vermilion; Mr R. Wilson, Field Supervisor; Farmer members were Mr. and Mrs. L. Mitchell, Ritscoty; Mr. T. Brown, Islay; Mr and Mrs. J. Kelly Lloydminster; and Mrs. F. Van Wagner, Ingen, Tolland; Mr and Mrs G. Wood, Vermilion; Mr A. Bailey, Paradise Valley; Mr J. Anderson, Tewkesbury, Mr and Mrs G. Cooney, Clandonald. Farmers' Union representatives Mr and Mrs N. Schook, Ritscoty; Mr and Mrs. C. Pinlay, Lloydminster; Mr and Mrs R. Marchand, Vermilion. Special speakers were Mr. H. Sherk, Superintendent of Schools for County of Vermilion River; Mrs. Marion Atkinson, District Home Economist Extension Service, Lloydminster. His Worship C. Miller, Mayor of Elk Point welcoming the farmer members of the A.S.B. to one meeting of another. Before the meeting adjourned a motion was made from the floor that advisory councils meet should not receive remuneration, the feeling being that this may restrict the members freedom of discussion.

**EPILEPSY IS NOW A HOPEFUL DISORDER**

Because of many recently perfected new drugs epileptics can now lead an almost normal life. While most cases are not yet curable, they can be controlled so that work, play, marriage and a normal life span is now not denied. And, medical research scientists predict that in the not too distant future a cure will be discovered.

The treatment of epilepsy requires constant consultation with a physician. His advice, plus these new drugs, keeps it under control. We are carefully reading all reports about its progress and stocking any of the new medicines any physician may prescribe.

# County Residents are Aware of Community

## Vermilion River Advisory Council Submits Recommendations

Vermilion River's Advisory Council reassures one's faith in the future of the rural community. Residents of Vermilion and the Extension Service operate an advisory council with a maximum membership of 23, but more often 17. Members are public spirited citizens who without remuneration, meet at least twice annually to discuss matters pertaining to agriculture and the rural community. Community awareness was well illustrated April 1. Legion Hall, Ritscoty, at which time the agenda included (1) Future of rural consolidated schools and the community (2) The District Home Economist Service in the County (3) Roadside tree planting to promote snow proof roads (4) Duck Damage and Wild Life Insurance (5) Amendments to Agricultural Service Board Act and how this will affect the community. The council, chaired by Park Dobson, managed to wade through this heavy agenda and discuss Crop Insurance, rat control and the D.A. winter program, all arising from the minutes Mr. George Finlay was elected secretary.

The Advisory Council works hand in hand starting promptly at 10 a.m. and adjourning just as promptly at 4:30 p.m. The Council has no authority but the Extension Service in fact is the whole Department of Agriculture in addition to the County. Delegates to discussions for advice Advice is forthcoming from 20 community minded citizens assemble from all corners of the County to discuss a subject so close to their hearts. The Council is chosen on a basis of (1) The County Councillors, (2) The Service Board (3) Eight farmers appointed by that Service Board (4) Four members of the Farmers' Union County Team (5) The Field Supervisor.

To date meetings have been held semi-annually and an attempt is made to have at least three new members each year in order to get the better half (the ladies) opinion, the new members were invited to bring a lady. On April 6th there were thirty present and the ladies did stimulate interest. Chairman Paris suggested the men always try to get smart in front of the girls. Councillors present were: Mr and Mrs. J. Stone, Ritscoty; Mr R. Goldsby and daughter, Mrs. R. Nickless, Streamsboro; Mr and Mrs. E. Fowler, Vermilion. Mr F. McGuigan Reeve, Islay; Mr D. Whiteside, Secretary, Agricultural Service Board; members present were Mr J. Hale Marwayne; Mr P. Dobson, Paradise Valley, Morley Douglas, D.A., Vermilion; Mr R. Wilson, Field Supervisor; Farmer members were Mr. and Mrs. L. Mitchell, Ritscoty; Mr. T. Brown, Islay; Mr and Mrs. J. Kelly Lloydminster; and Mrs. F. Van Wagner, Ingen, Tolland; Mr and Mrs G. Wood, Vermilion; Mr A. Bailey, Paradise Valley; Mr J. Anderson, Tewkesbury, Mr and Mrs G. Cooney, Clandonald. Farmers' Union representatives Mr and Mrs N. Schook, Ritscoty; Mr and Mrs. C. Pinlay, Lloydminster; Mr and Mrs R. Marchand, Vermilion. Special speakers were Mr. H. Sherk, Superintendent of Schools for County of Vermilion River; Mrs. Marion Atkinson, District Home Economist Extension Service, Lloydminster. His Worship C. Miller, Mayor of Elk Point welcoming the farmer members of the A.S.B. to one meeting of another. Before the meeting adjourned a motion was made from the floor that advisory councils meet should not receive remuneration, the feeling being that this may restrict the members freedom of discussion.

---

## Cancer Society Holds Meeting and Workshop

(concluded from front page)

The Vermilion branch of the Canadian Cancer Society met at a dinner meeting and workshop session on Wednesday March 31st at the Legion Hall with the President Mrs. L. Jones in the chair. Mrs. T. Steele Executive Director of the Alberta Division of the Cancer Society was present to give information and instruction to the workshop session. Mrs. Steele was introduced by Mrs. Jones and gave a very interesting talk on the work of the Society.

### T. STEELE GUEST SPEAKER

Mr. Steele was then introduced by Mrs. Arason and he explained his purpose in coming here. In his address he stated that the Alberta Division of the Society was investigating and rebuilding its cancer facilities at the present time. He said that in an object lesson are the organization and reorganization of communities or individuals in the work of the Society. Mr. Steele also stated that of four things to be stated some were marked.

### RESEARCH and EDUCATION

In a recent Gallup Poll Cancer was the last for cancer research and that is the primary aim of the Society. Education is also a strong point in the work of the Society. Every year thousands of new and better methods are discovered and put into use. Every year new instruments are invented. Every appeal can be made to the public for funds. Every year we are confronted with an ever increasing number of new information available and there is always

## WARNING

## Camp Wainwright Ranges

Firing will be carried out at the Camp Wainwright Ranges, Area of Alberta Danger Area Notice

Camp Wainwright is situated in T. Townships 42, 43, 44 and 45 Ranges 5, 6, 7, 8, 9 and 10 west of the fourth meridian and the danger area of the firing ranges is clearly defined by DANGER signs.

The danger area of the firing ranges comprises all land within the boundary of the Camp including stations, buildings and property within the aforementioned boundary.

Saving and excepting the travelled roadways which intersects the Northerly boundary of the Park between sections 3 and 4, Township 43, Range 6 west of the fourth meridian and which roadway continues in a southerly, southwesterly and northerly direction to the south boundary of the Park.

### STRAY AMMUNITION AND EXPLOSIVE OBJECTS

Bombs, grenades, shells and similar explosive objects are found to be dangerous items to use and to pick up or move. If you find any of these objects DO NOT touch them but report their presence or property immediately to the nearest police officer, who will then advise you what to do. Any arrangements will be made to remove this stray ammunition.

The public are warned NOT to enter the danger area.

The firing will not start until 0900 hours and will be discontinued at 1700 hours.

Dated this 19th day of April, 1965.

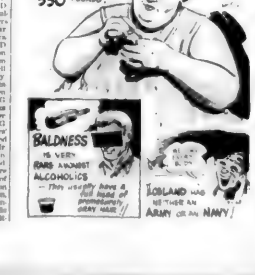
NOTHING BUT THE TRUTH by Arnold



# HEALTH UNIT NOTES

**WHAT IS EPILEPSY?**

Epilepsy isn't a disease in itself, but most commonly refers to one or more of the symptoms described below. Different individuals have different levels of sensitivity toward having a convulsion or epilepsy attack.

The group of individuals who have seizures without specific provocation and have no concurrent brain damage are referred to as the idiopathic group which represents the majority of cases.

Other individuals who have a variety of remediteasure n al variety of remediate or delayed damage to the brain may also experience seizures. These would include infectious conditions such as encephalitis injury such as brain hemorrhage and tumor and also some degenerative diseases.

Thus it can be seen that in some instances where the cause is known and corrective treatment can be applied, the epilepsy condition will be removed. In many instances, the condition of idiopathic epilepsy can be greatly alleviated at times held in complete abeyance following a period of prolonged treatment of several years with the appropriate drugs.

When the condition of epilepsy alone is present, an individual is entirely the same as all others in appearance, behavior, intelligence and feelings of well being. He is different only in regard to having seizures. Some misunderstanding has arisen in the past because a certain number of individuals have epileptic seizures as part of a general brain damaged condition. These individuals may have, in addition to epileptic seizures, also abnormal bodily movements, lowered intelligence and disturbed behavior.

They are severely handicapped in contrast to the individual with plain epilepsy, who is completely intact aside from his attacks. Even those who are severely handicapped by impaired intelligence, poor physical co-ordination and disturbed behavior arising from brain damage developed before, during or after birth can be helped a great deal. It is essential that complete medical treatment be provided to control seizures and to modify such behavior as physical overactivity and to overtake trends.

(To be concluded)

**WELL BABY CLINICS**

Friday, Apr. 23 — Mannville (School) 10 to 12 noon; 1 to 3 p.m.

Monday, Apr. 26 — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Tuesday, Apr. 27th — Wainwright (Health Unit Office) 1 to 4 p.m.

# Salvation Army Service For Roderick Sample

Funeral services were held on Friday, March 19 in the First United Church for Roderick Sample, aged 77 years, who passed away in the Vermilion Hospital after a short illness. Capt. and Mrs. Vales officiated.

Mr. Sample, who was born in Ontario, came west in the early 1900's and worked as a sawmill driller, later he operated a farm south of Vermilion. Upon retiring Mr. Sample took up residence here where he lived until the time of his death.

He leaves to mourn his passing his loving wife Kate, one daughter, Mrs. Arnold (Marion) Magee, one son Jack, of Edson, one stepdaughter Mrs. Ernie (Nora) Scharman of Vilna and one stepson Dick White of Mercer, B.C. There are fourteen grandchildren and eight great-grandchildren. He was predeceased by one daughter, Mrs. Harold (Ethyle) Schoof in 1962.

The pallbearers were Bernard Barr, Andrew Kinakewitz, Gib Stephen, Bill Ritchie, Eamon Long and George Martin.

Floral tributes were received from: The Families — Harold, Buddy and Barbara Schoof; Frances, Alma and Florie Watt; Edith and Stewart, Molly and Matt; Patty and Ed.

Flowers to the house: Mr and Mrs George Martin; Mary Wyman and boys; The Explorers; The Trio; Mr and Mrs Semenia Rebenak Lodge; Tom and Myrna Kling; Dorothy and Bill Pettigrew; Bill and Margaret McGaughey and family; Herb and Jessie MacFarlane; Alma Cameron; Millie and Ernie Holdsworth; Garnet and Blanche Edwards.

Gideon Bibles: Home League, Salvation Army, Vermilion; Mr. and Mrs. Walter Fish; Mr and Mrs. Knutson, Harold and May Seiler; Ralph and Kate Wilson; Mr and Mrs. Ira Scrivener; Mr and Mrs. Roy Watkins; Mr. and Mrs. Herb Mead. Mrs. Carl wright; Mrs. Lloyd and Jan.

The United Church Memorial Fund: J. S. Maxwell; Frances, Lorna and Andrew Kibblewhite; Jessie and Bill Crebb; Mr. and Mrs. Lyle Robinson.

The Canadian Cancer Society: Mr. and Mrs. Bill Hancock; Mr and Mrs. George Scrivener; Ruth, James and Billy Moore, Wilson and Vera Brooks, Billy and Leona McLaughlin; Mr and Mrs. Roy Jarv; Mr. and Mrs. C. L. Holden; Mrs. Hazel; Mr. and Mrs. Arthur Burton and George, Don and Jean Harrison; Mr. and Mrs. Jean McPhee; Wes and Isabel Lampon; Mr. and Mrs. Peter Free; Douglas and Lily Dawson.

The Alberta Heart Foundation: Mr and Mrs. Curtis Martin; Mr. and Mrs. Julius Prill; Edna and Mrs. Nordstrom, Cliff and Ada McCormick; Mrs. Woodruff.

Retarded Children's Association: Mr and Mrs Wes Walker Sr.; Mr and Mrs. Jim Duncan; Darrel and Stan Magnone and family, William and Mary Walker and boys; John and Flora Hall; The pallbearers were Bernard Barr, Andrew Kinakewitz, Gib Stephen, Bill Ritchie, Eamon Long and George Martin.

Sympathy cards: Ed, Betty, Patsy and Bruce; Gene and Stan Manyluk; Mr. and Mrs. Rieve Blunt, Merv and Muriel Hill; Mr and Mrs. E. T. Rooke; Minnie Torrance; W. I. Vermilion; Charlie Enid and Family; Mr and Mrs. Tom Scott; Ken and Mary Isley and family, Wilfred Kae and Margaret McLennan; Frank and Ben Welsh; Mr and Mrs. Jack Bell Mr and Mrs. Peter Jensen; Bob and Mary Al; Mr. and Mrs. H. Hodges and Elma; John, Evelyn and Ted Purdon; Gertrude Cole; Mrs Belle Cobb; Earle and Marjorie Keast; Afternoon Group Alliance Women's Prayer Band; Jimmy and Anne; Mr and Mrs. Ralph Cole; Mr. and Mrs. Bert Burdett; Mr. and Mrs. Lorne Dow and family; Nelle and Earl Gaske; Pete, Pat and family; and Mrs. T. Comby; Edith and Stewart; Mr. and Mrs. Geo. Mitchell and family; Mr. and Mrs. Roy Watkins; Peggy, John and family; Wes and Isabelle Lampon; McGinnis Family; Mr. and Mrs. Cora Rankin; Kathleen and Gordon Wright; Mr. and Mrs. Maskell Mr. and Mrs. Mapstone; Billie and Ethel Straughan; Isabell, Bev and Frances; Addie Mead. ## Wildwood (East)

The Wildwood Willing Workers have been conducting the annual Red Cross campaign in the Wildwood district for the past month. The canvassers wish to express their appreciation to all who have in any way helped with the drive for the generous donations and courteous attended them.

Mr. and Mrs. Laverge Lund and family were guests at the one of Eileen's piano recitals the week-end.

Margaret and Alf Jack were in Edmonton over the same week-end. The Jack family is preparing to move from Wildwood to this district where he has acquired a farm.

Neil Shenk accompanied Esther Dirksen on a business trip to the Edson and Whitecourt areas. They called on the Hawrys who are living at the other Wildwood.

Winners at the last card party were Bob Shenk, Jim Drysdale, Irene Dirksen and Mary Hawry; winners at the April 3rd card party were Jim Drysdale, David Drysdale, Barbara Drysdale and Pete Hardwick.

## Allandale News

(Held over from last week)

Wedding — April has been good to us for Students and rooms have been sent for some 11 to 12 of them. Some are leaving at this time of writing, April 9th.

The Ira Garfield's are a happy even for mom. We sent birthday to see our granddaughter Jenna Wilson, taking part in "Snow White and the Seven Dwarfs". The scenes for that play were painted by Mrs. Hilda Cross. She is to be congratulated for such beautiful work, which added to the play.

March 31st at 10:45 p.m. Herb McPhee and Orley Omness saw the light—less flashes, from that meteor, which was described on the radio the next morning. The illumination in the sky was reddish and very bright.

On April 2nd, Mr. and Mrs. Orley Omness had an enjoyable evening at the home of Mr. and Mrs. Wilford Mathison at Rivercoton. Slides were shown taken by Ken Ronald at Kinsella, where he had been working, pertaining to his Agricultural courses. This work is chiefly in experimenting with cross-breeding of cattle. Delicious refreshments were taken on holiday time.

Mr. and Mrs. Herb McPhee spent the weekend of April 3rd. at Camrose visiting their son and family, Mr. and Mrs. Gordon Mildred Baldwin.

The Ira Garfield's are a happy even for mom. We sent birthday to see our granddaughter Jenna Wilson, taking part in "Snow White and the Seven Dwarfs". The scenes for that play were painted by Mrs. Hilda Cross. She is to be congratulated for such beautiful work, which added to the play.

On April 2nd, Mr. and Mrs. Orley Omness had an enjoyable evening at the home of Mr. and Mrs. Wilford Mathison at Rivercoton. Slides were shown taken by Ken Ronald at Kinsella, where he had been working, pertaining to his Agricultural courses. This work is chiefly in experimenting with cross-breeding of cattle. Delicious refreshments were taken on holiday time.

Anniversaries observed. It was a happy occasion for all at the home of Mr and Mrs. Ralph Detale; Strome and family when they gave Mrs. Detale a parents, Mr and Mrs. Gus Throndson in town on their 60th wedding anniversary April 6th. A delicious dinner was served to the relatives.

A surprise to Aunt Ellen and Uncle Orley Omness when they too, were presented with a lovely anniversary cake topped with yellow daffodils being 41 years on April 2nd. Another anniversary is chiefly in experimenting with cross-breeding of cattle. Mr. and Mrs. Gus Throndson, town. Mr and Mrs Alvin Throndson and family, Mr and Mrs Ardeley Nelson and Leslie Mr and Mrs. Don Wilson and family and Mr and Mrs. Orley Omness.

ALLANDALE U.C.W.

The Allandale U.C.W. met at the home of Mr. and Mrs. Alvin Throndson on the afternoon of April 8th. All members were present. Baby layettes and crib spreads will be sent to Child Labor and Lamont hospitals. The quarterly collection was taken care of. The next afternoon meeting will be in June at the home of Mr and Mrs. Omness.

Mr. and Mrs. Ralph Blackfalds, were guests at the week of April 5th. Orley and Aunt Ellen Omness helped to honor some on the evening of April 8th, and had a good time.

Mr and Mrs C. Laird and daughter Kathryn and Margaret of Marwayne, motored to the city on the weekend of April 10th, to visit with Wayne in the University hospital.

Birthday greetings to Mr. Jon Killion, town, who will be 90 on April 12th. May he enjoy many more.

A phone call was made to Orla on April 9th to Mr and Mrs. Paul Orlene Whelan and family, this date being Orlene's birthday

## Silent riding, total performing... This is the way to drive into Summer!

We've put a whole lot of spirit into the new FORDs. There's a new 240 cu. in Big Six, standard on all Customs; Custom 500 and Galaxie 500 models — more powerful than any other Six in FORD's class. (And even more economical than last year's Six.) The exciting 352 cu. in. V-8 is standard on Galaxie 500 XL's and luxurious LTD Hardtops — optional on other models. FORD's ride is right in the thoroughbred class. Owners call it the sweetest-riding FORD ever. The 3-speed Cruise-O-Matic is FORD's very own. The middle gear gives you better passing acceleration. The Second Driving Range starts you in middle gear for surer take-off on slippery roads. We haven't forgotten your comfort. There's more room softer cushioned seats and Silent-Flo ventilation on 4-door hardtops. Test drive a new FORD soon.

Test drive and compare Ford's new quietness

FORD

Quietly takes your breath away!

MITCHELL MOTORS LTD. 3402-50th Ave. Phone 853-3151

# Double Ring Ceremony For February Bride

First United Church, Vermilion, was the scene at 8 p.m. on Saturday, February 27th, when Sandra Lenore, only daughter of Mr. and Mrs. George Harrison of Vermilion, was united in marriage with George Franklin Fry, youngest son of Mr and Mrs. Fred Fry of Mannville. Rev C. Miller performed the double ring ceremony.

Given in marriage by her father, the bride was lovely in a floor length gown of white satin, featuring a fitted bodice, rounded neckline and long pointed sleeves. The skirt was trimmed with appliqued lace flowers and had a bustle effect at the back. Her chapel length veil was held in place by a pearl and crystal crown. She carried a white Bible on which was mounted a white orchid

Miss Shirley Jones, as the only bridesmaid, wore a street length dress of turquoise taffeta with matching headpiece. She carried a bouquet of pink carnations.

The groom was attended by his brother, Jim Fry, and the ushers were Mr Jack Golledge cousin of the bride and Mr. Norman Wemp.

Mrs. Wm Waterfield of Lloydminster played the wedding music and Mr John Webb sang "O Perfect Love" and "Wedding Blessing" at the register The "Wedding Prayer".

For her daughter's wedding the bride's mother chose a pastel turquoise wool suit with matching pink and white accessories. Her corsage was of pink sweetheart roses.

The groom's mother chose a blue two-piece ensemble with a corsage of pink sweetheart roses.

The Auburndale U.C.W. catered to a reception held in the church hall. White wedding bells and bouquets of pink gladioli and white carnations decorated the hall. The bride's table was centered with a three-tier wedding cake which nestled in white tulle sprinkled with roses and flanked by bud vases of sweetheart roses.

Mrs. Burt Senate acted as hostess. The guest book was in charge of Eileen Linde and Judy Harrison, cousins of the bride. Mrs. Clif Crothers was in charge of the gifts.

Mr. Burt Senile as master of ceremonies called upon Mr Bruce Harrison, uncle of the bride, to ask the blessing. Mr Wm. Waterfield, an old time friend, proposed the toast to the bride, to which the groom responded. The telegrams were read by the best man.

Out-of-town guests were from Vermilion, Mannville, Edmonton, Wainwright, Lloydminster and south Durham, Que.

The Sapps young couple will make their home in Edmonton

## VERMILION W. I. Notes

The April meeting of the Vermilion W I was held at the home of Mrs. Lawing with six members present. The second vice-president, Mrs I. Wareham, was in the chair. The meeting opened in the usual way followed by the minutes for the Sunshine committee to sympathy and 7 get well cards were sent and flowers to a sick member. Thirteen calls were made back and shut-ins.

The roll call was held a letter from each member and we served to her postpone the Jubilee celebrations and we will decide at next meeting.

Lunch and later able to be held with Wildmere W I was discussed as to time of our meeting there were able to be present.

The next conference was a letter from the constituency conference to the conference. Mrs. Wareham read a letter from the Provincial executive with the Provincial executive was to be held in Edmonton on April 20th. Mrs. Wareham read a letter from the Provincial executive with the Provincial executive was to be held in Edmonton on April 20th.

## To Investigate Causes of Tractor Road Accidents

A research project to investigate causes of tractor accidents on roads is being conducted by Prof R T Stone, head of the Department of Agricultural Engineering at the University of Alberta.

The project, which is being financed by the Alberta Department of Highways, will be carried out by graduate students in agricultural engineering.

Prof. Stone said that the research will be concerned with the human factors involved in tractor accidents as well as the mechanical factors. He requests that anyone who has been involved in a tractor accident or is aware of the circumstances surrounding reasons for those accidents. He requests that anyone who has been involved in a tractor accident or is aware of the circumstances surrounding reasons for those accidents. All information received will be used in statistical evaluation of research purposes.

## Clandonald U.C.W. Notes

The Clandonald U.C.W. met at the home of Mr. and Mrs. Arnold Olson on April 8th with President Elsie Campbell in the chair and twelve members present. Mrs. Jimmie Taylor gave the Scripture from Matthew 6:25-34.

The December Sewing was discussed and it was decided to have a sewing meeting at the home of Mrs. Campbell on May 6th. Plans were also made for a Mother and Daughter banquet to be held in the near future.

During Roll Call each member answered with "What is Easter?" and a reading on the new Sunday School Curriculum.

Vermilion's 5th Annual Purebred Ladies' Calf Sale will be held Friday, April 23rd

An architect's drawing of the Multiple Handicapped Children's Centre. The building is in the form of a hollow square, to provide an outdoor recreation area with complete privacy.

## New Provincial Centre for Multiple Handicapped Children

The Minister of Health, the Hon. J. J. Donovan, Q.C. has announced the recommendation of Deputy Provincial General Hospital Services that the construction of Provincial Construction Co. Ltd. be accepted by the Provincial Government.

The Minister said that the recommendation was made by the Advisory Committee of the Provincial Hospital Services Commission and the Provincial Hospital Planning Council.

The Glenrose Hospital presently has a bed complement of 1,000 beds. The new facility will add 200 beds to this complement.

The Minister said that the Provincial Government is pleased to announce that the Glenrose Hospital will be the site of the new Multiple Handicapped Children's Program Centre. This is an important step in the development of facilities for the handicapped children in the province.

## Lets Call Them Accidents

It has been known for years that the drinking driver is responsible for many traffic "accidents" if we may call them that

Research studies conducted in various countries are focusing ever-increasing attention on the problem of people who drink and then drive. Post-mortem tests (tests made after death) for alcohol in body tissues of traffic-accident victims disclose that a startlingly high percentage took some alcohol before the accident.

National Safety Council figures, based on accident reports, give the following information.

Nearly one out of every three fatal motor vehicle accidents involved a drinking driver. Indeed, special studies indicate almost one out of every two R.C.M.P. reported Motor Vehicle deaths in Alberta during 1964 indicated a 50.64 per cent involvement with alcohol.

One out of every four adult pedestrians killed in a motor vehicle accident had been drinking.

Recently, the motorboat has begun to displace the automobile as a status symbol and the drinking driver of motorboats is becoming a problem.

## Wrong Shoulders

One by no means ill-educated young man, for instance, was recently overheard protesting with some vehemence "the taxes we pay Britain to support the Queen and all that jazz," a comment which was not contradicted by any one of the half-dozen or more in his audience.

The truth, of course, is that we have paid no taxes of any description to Britain for something like 200 years — certainly not since the 1770s, at any rate

Curious the way this kind of prodigious fallacy continues to be handled about and is accepted by otherwise knowledgeable people.

# GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

**NEW VARIETIES**

Manitou: A wheat variety primarily developed for its rust resistance. It is used in rust epidemics. It is about 5 days later maturing than Thatcher and yields about the same on brown soils. On black and grey soils Thatcher is a better yielder

Harmon: An oats variety similar to, but yielding slightly more than Rodney. It possesses better rust resistance. On brown soils it yielded better than Victory. There was no report about shelling. It is expected that Harmon will replace Rodney as seed becomes available

Conquest: A barley variety which shows promise for malting quality combined with resistance to loose smut and stem rust. In central Alberta this may serve a dual role for malting and feed. Even if this variety is not accepted for malting, its high yield potential makes it attractive On dark brown, black and grey soils of Alberta it has outyielded Parkland by 10 bushels per acre. This is however about 10 per cent below Husky and Jubilee There will be time before smut infection will make Conquest outyield Husky and Jubilee A fair supply of Conquest seed will be available by 1966 A word of warning regarding malting to date Alberta malt barleys have shown a reluctance to use any other variety of barley than 1205

Norstar: A flax variety offering a distinct improvement in yield, straw strength and lodging resistance In Northern Alberta it matures seven days later than Redwing and 10 days earlier than Redwood Norstar outyielded Redwing 10 to 15 per cent Seed stocks will be available in the fall of 1966

**SILAGE CROP**

Silage is no better than the crop used to fill the pit. Eagle or Victory oats mixed with 30 per cent Olli barley would produce the most popular silage crop Such a mix produced about 90 tons of barley forage. The crop is cut when the Olli barley is in the late dough stage It is usually cut with a sweather which stops up the speed of operations and gives the crop a chance to wilt Wilting reduces moisture. Forage should never cut of a forage harvester so that when a handful is squeezed it will slowly open Such forage will make silage with a 60-65 per cent moisture content. The oat-barley forage packed into a silo of a covered will produce a silage fairly high in protein and Vitamin A and as high in Total Digestible Nutrients (energy) as possible as this area without adding grain. High moisture silage levels make silage giving it the proper acetic fermentation. Immature or grass crops are more difficult to ensile, often produce big slimy, poor smelling silage Most complaints about silage as a poor feed which neither keeps a cow warm or in condition can be traced to an immature crop, low in starch and high in moisture

# ISLAY NEWS

Mr Hayard Stanton has returned after spending the winter in Norway

The school board has 1 n o t added 20 new desks to the school equipment at a cost of $196.00.

The farmers have got started generally - the land and quite a bit o wrood is reported in already.

Quite a number of settlers have come to Vermilion during the past few weeks. Some of them are buying lands and others are about to locate on rented property. Others until they can get settled.

Over 200 head of young cattle have been imported into Vermilion during the past two or three weeks from Winnipeg Among those who have brought these cattle are Norman McClellan, E. H. Gibbon, the Tucker Bros. and W. W. Shaffer

## Letter to Editor

Dear Editor

I have a little beef to bring up and there may be others with the same complaint.

When ask sheets from different stores are delivered door to door, why are they dropped on the sidewalk in front of the houses" I don't believe one person along our street even ever or picked up the last ones dropped at each gate The wind catches them, they get hold of them and they are torn and strewn all over the lawns and streets. Surely if they are worth sending out they could be put in more secure places. I don't think there is anything makes a town look more untidy than paper blowing around the streets.

What do others think about this"

I'm not against advertising, but surely there is a better way of doing it.

Mrs. J. Wallington.

Dear Editor,

I would like to reply to the comments of our friend, Mr Mallete, to our letter of February 4, 1965 in the Standard.

No doubt, we are on the opposite side of the political fence, and that being so, maybe we can help build a better Canada.

Re your remarks, Mr Mallete, of government handouts and doles, having been in the wheat and farming business for forty-eight years and raising eight children even through the depression, I never went to the municipality or government for a bushel of seed or relief. After all the hazard of rust, seventy-frost and droughts, grasshoppers, late springs and late and wet harvests what a nightmare to look back over. After all these years, I believe I am qualified to answer our politicians.

I might say these acreage payments were not made just before elections but before the Liberals got in. They were telling, and rightly so, that we should have $2.00 per bushel for our wheat The honorable Harry Hays admits most countries are subsidizing their farmers for wheat

Three fourths of the farming years has been endured under the Liberal regime so, Mr. Mallete, contrary to your assumption of conditions that revealed under Mr Diefenbaker, it was to rectify the conditions that had been building up under the prior administration Lest we forget — one that was in opposition to Ottawa for deficiency payments was the Liberal Agricultural Bearer for our constituency in the last election.

With all you or anyone else might say regarding Mr. Alvin Hamilton, I still believe he was one who knew our problems, he has done much for us, not only for farmers, but to the benefit of our country as a whole.

Re the Wheat Board, with all due respect for it, at the 1963 U.G.G. annual meeting in the speech by one of its members, he made this statement that the Russian market had just come up for renewal. The question that came up in my mind at the time "Was our Wheat Board not aware of the intention of the Rus it to slam wheat crop?" I have the documentary copy of this speech. So, Mr Mallete, considering what a tremendous part that wheat has played in the economy of our country I don't believe it should be left to the discretion of any body, without being answerable to the electoral representatives

**Test drive Meteor— you too will agree it's best!**

**best in ride! best in handling! best in performance! best in luxury! Best for you!**

Meteor gives you the newest, most comfortable ride! It all begins with a 123 inch wheelbase (longest in its class) and a new "isolastic" mount that serves as a muscle to absorb road shock and vibration. When you test-drive Meteor, head for the roughest road you know, and see how meteor's ride can tame it.

Meteor handles with the least effort, the most smoothness! Meteor's improved all-coil suspension gives cushioned comfort — wheel "floating" sensation. Handling advances include new 15" low-profile tires that provide broader, surer road contact. When you put Meteor through its paces, you'll find that its handling is engineered to handle you with ease.

Meteor's performance has never been more impressive! The road-hungry 352 and 390 V-8's give you an exciting insight into high performance. And the hot new 240 cubic-inch 'Avenger' Six has pioneered an unexcelled combination of power and economy. Pair any of Meteor's engines with the 3-speed dual range automatic transmission. And you can go gear-changing with 4-speed, 3- and 4-speed manual transmissions, both full synchromesh in all forward gears.

New Meteor's ride can tame it.

## Town of Vermilion Invitation to Tender

Sealed tenders with the words "Construction of Soil Cement Base Asphaltic Pavement, Concrete Curbs and Sidewalks and a Storm Sewer Extension" marked on the envelope will be received until 12:00 o'clock noon, Mountain Standard Time, Monday May 3, 1965 at the office of Associated Engineering Services Ltd., 12228 106 Avenue, Edmonton Alberta for the construction of the following:

1 - Highway Portion
23,300 square yards of soil cement base course, 6" thick and 3,800 lineal feet of concrete curb and gutter
2,600 lineal feet of 15", 21" and 24" reinforced concrete storm sewer with necessary manholes, catch basins and leads
2 - Town Portion
13,500 square yards of soil-cement base asphalt paving, 1,600 lineal feet of 8" wide concrete curb and gutter
600 lineal feet of concrete curb and gutter

Prospective contractors may obtain copies of the plans, specifications and contract documents at the office of the Consulting Engineer on or after 12, April 1, 1965 for a deposit of $25. This deposit will be refunded following the return of plans and specifications and no commercial use. If a tender by such a Contractor fails to submit a tender his deposit will be refunded only if plans and specifications are returned prior to the date of the closing of tenders.

Each tender must be accompanied by a surety in the form of a bond payable to the Town of Vermilion, as called for in the "Instructions to Tenderers" section of the documents.

The Owner reserves the right to reject any or all tenders and the lowest tender will not necessarily be accepted.

D. R. Mitchell,
Secretary-Treasurer,
Town of Vermilion,
VERMILION, Alberta.

Associated Engineering Services Ltd.,
12228 106 Avenue,
EDMONTON, Alberta.

## Bride Elect Honored at Shower

Miss Karon Armstrong of Vermilion, daughter of Mrs. Thelma Armstrong and the late Mr. Orville Armstrong, was honored at a miscellaneous shower on the evening of April 23rd at the home of Mrs. and Mrs. Woody Hary Wilson.

After a few comedy games, our hostess, on behalf of the thirty ladies in attendance, presented the bride elect with beautifully wrapped gifts and attended to her "out very best wishes".

Karon's mother, Mrs. Thelma Armstrong, grandmother, Mrs. Erna Armstrong and cousin, Mrs. Effie Nelson (Jean) assisted in opening the gifts, which were passed and admired by the ladies. The bride elect thanked all for the beautiful gifts she had received and did appreciate the kindness shown her by our hostess, those in attendance and those who sent gifts and were not able to attend.

A delicious lunch was served by Mrs. Wilson, assisted by the girls, closing a very enjoyable and happy evening for all.

There are no hopeless cases of mental illness today. Doctors have found new forms of treatment that help many victims rapidly resume normal living.

## ISLAY LOCALS

Mr and Mrs. Cliff Fenton of Edmonton spent a couple of days last week with the former's daughter, Mr and Mrs. John Maire.

Mrs. Rose Kennedy was a supper guest with her brother, Mr and Mrs. W. J. Potvin.

Mrs. Olive Cambridge was home to spend Easter.

Mrs. Alice Cambridge of Hay River, N.W.T., was home to spend Easter with her mother, Mrs. W. Landells She also visit ed with her sister and family, Mr. and Mrs. Harry Butler.

Mrs. Sylvia Gould left by C.N.R. Friday morning to attend the wedding of her granddaughter, Miss Carrol Thatcher at Whitecourt on Saturday

Mrs. Landells and son Alfred called on her daughter, Mrs. Marvin Gould at their recent trip to Regina last Saturday.

Mr. and Mrs. Allen McFadyen spent a couple of days last week in Edmonton.

The Islay Bees have five polled Angus pure bred bulls at the auction mill sale at Lloydminster this week. They also sold two bulls at the Vermilion sale last week.

Seventy motor hosts have been seen on the river lately Hunters apparently looking for the annual kill of beavers and muskrats

Feed is in short supply, grass is slow in coming, and farmers still have to have feed for their stock.

## Bride Elect Showered

(From Bowtell Bulletin)

On April 14th Mrs. Williams entertained 25 guests at a surprise miscellaneous shower in honor of Miss Karen Armstrong whose marriage to Mr. Edwards will take place in tender future. Over the chair where Karen sat, beautiful streamers and white bells were hung. Quite a number of the ladies wrote their message for the bride-to-be. A basket filled to overflowing with many lovely and useful gifts was then presented to Karen. The hostess, assisted by a few of the ladies, served sumptuous refreshments to close an enjoyable afternoon.

By-law 2046 relating to the dedication of Lot 2A Plan 4097S as road was given second reading.

By-law 2047 relating to the dedication of Lot 2B Plan 4097S as road was given second reading.

By-law 2048 relating to amendment to Zoning By-law 1744 was given second reading.

By-law 2049 relating to amendment to Zoning By-law 1744 was given second reading.

It was decided to send Dave Wilkinson to Oshawa, Ont., to take delivery of a GMC truck chassis and a garbage unit to be mounted on it.

Cr. F. S. Brimacombe was appointed Deputy Mayor for the months of May and June.

Cr. W. T. Garnett was appointed to check on condition of underground reservoir on Lot 1, Blk. 36, Plan 4097S and evaluate its importance to the town.

Applications for positions on town staff and dismissals from positions on town staff must be approved by Council before becoming effective.

A motion to the effect "That in the division of gross gate receipts for the Vermilion Tiger Hockey Club, games for 1965-66 season, 75% be given to Tiger Hockey Club and 25% to Town of Vermilion. Carried 3 to 2.

A report was given by Works Superintendent Emil Halverson.

# Paradise Valley

Guests at the home of Mr. and Mrs. F. Sirett over the Easter holidays were Mr. and Mrs. Fred Lees and family of Red Deer and Mr. and Mrs. John Willoughby of Lloydminster.

Mr. and Mrs. Bert Cosh and family spent Easter weekend at their respective homes at Consort.

Mr. and Mrs. Gordon took Beverly Dobson and Brian Gordon to Edmonton on Monday when Beverly and Brian enrolled in the Easter Short Course at Alberta College. The Gordons were accompanied by Mrs. J. Fahey.

The report showed 138 calls for flooding of yards, and some basements. He also reported on other municipal relations and maintenance work. He recommended an inspection of the CNR water bowel, owned by the town.

Secretary was instructed to write to Cres. C. Webb & Sons Ltd. re removal of machinery from Parcel 'A'.

They returned the same day.

A very fine choir program was put on in the community hall on April 15th by the Alberta Bible Institute.

Mr. and Mrs. P. Wotte spent a few days during Easter holidays visiting their son Joe and family in Calgary.

## Annual Meeting Of V.A.R.C.

The annual meeting of the Vermilion Association for Retarded Children will be held in the School for Exceptional Children on Thursday, April 29th at 8 p.m. New officers will be elected and financial and progress reports given. A new film on mental retardation "The Toymakers" will be shown. An invitation is extended to all groups and individuals to attend. Lunch will be served. 45-2

## Stepping lightly, comfortably and wearing 'Hush Puppies' by Greb...

# ROAD DAMAGE

We bring to your attention a County By-Law under which you can be prosecuted for damage to county roads through the indiscriminate use of truck, tractor or other heavy vehicles. Damage is defined as breaking through the surface of the road or causing rutting or breaking chunks from the road surface. Ten special constables are patrolling all roads, so for your own benefit and a saving in the long run, avoid travelling with heavy vehicles when the roads are soft.

County of Vermilion River No. 24

EPILEPSY IS NOW A HOPEFUL DISORDER

Because of many recently perfected new drugs epileptics can now lead an almost normal life. While most cases are not yet curable, they can be controlled so that work, play, marriage and a normal life span is now not denied. And, medical research scientists predict that in the not too distant future a cure will be discovered.

The treatment of epilepsy requires constant consultation with a physician. His advice, plus these new drugs, keeps it under control. We are carefully reading all reports about its progress and stocking any of the new medicines any physician may prescribe.

# Three Rivers District Boy Scout Council News

The annual meeting of the Three Rivers District Council was held in Marwayne, April 14th in the Elks Hall.

A lovely turkey banquet was served by the ladies of the Royal Purple co-operate with Elks of the Cubs and Scouts in Marwayne.

Scout Leader Ted Carson introduced the guests at the head table. Acting Mayor Gordon Hancock welcomed all to Marwayne. Rev. Lee Owens of Lloydminster spoke to the assembled groups on how to teach our children by the example we set ourselves. His remarks were very well received, particularly the Ten Commandments for wives, husbands and teen agers.

After the banquet the guests were treated to selections from Tchaikovsky rendered by vocal cowboys, farmhands and gentlemen of the 1st Marwayne Troop.

The meeting, chaired by President Bob Tildesley, then got on anyway. The minutes of the last annual meeting were read. Also those of the last District Council meeting.

The "Clean-up Our Highways" campaign sponsored by the Provincial Council failed to obtain the approval of the meeting. It was felt that due to the narrowness of our highways it was too dangerous a project to be undertaken by the boys; even with supervision.

The Treasurer's report was read, details will be given in a later news letter.

D. C. Ken Glover gave his report. There were 430 boys and 30 leaders in the Three Rivers district. Three Queen Scouts will be invested in a ceremony at Red Deer in May. An "Alexis Club" is to be organized. There will be a training course in Vegreville May 2nd. A camp-eve in conjunction with Beaverhill Hill will be held the long week-end in May. Patrols must be accompanied by an adult.

Cub Commissioner Mrs. Blake gave her report. She is pleased with the number and quality of Pack leaders.

Press Reporter Mrs. Freehill's report expressed dissatisfaction with lack of communications with the various groups reporting to her and the repetition of news in some areas.

The Erule Knorr night camp-over and other activities were all considered successful ventures.

A regional conference is in the planning stage.

D.C. Ken Glover invested Cub Leader Lloyd Nevill Ken was then presented with his "Wood Badge" by Cub Commissioner Dennis May.

Nominating Committee Chairman Albert George then took the chair and the meeting revolved to the election and installation of officers for the coming year.

Our new president is Mr. Keith Clarke of Lloydminster. Mr. Fowler Oster of Marwayne is 1st vice president. Mrs. Hancock is 2nd vice president. Mrs. Glover will continue as secretary until a replacement can be recruited. Mrs. Freehill continues as Press Reporter at the District Council level. Local Scouting and Cub news will be the responsibility of the Public Relations committee of the various Group Committees.

The "Job For Bob" project will take place from May 8 to 15.

The proposed date for the Cub Show conflicts with the 50th anniversary celebrations of Pack 67. It will be a new date must be arranged.

A hearty vote of thanks was given to retiring president Bob Tildesley and executive for a job well done. Bob has now been recruited as a Scout Leader.

The next District Council meeting is in Vermilion at the Scout Hall April 30th. See you there.

## Engineering Courses Revised At U. of A.

The Faculty of Engineering at the University of Edmonton has revised its first and second year curricula.

Changes in the first year program will become effective in September 1965. The new program retains the basic core of Mathematics, Physics, Mechanics and Chemistry but the total time in formal lectures and laboratories is reduced to make it more possible to the lecturer to deal currently in form in the Faculties of Arts and Science. Surveying, traditionally taken by all engineering students is eliminated in the first year and will be taken in the future only by the civil engineering students entering the second year.

The new programs commence specialization at the beginning of the second term of the second year rather than at the beginning of the third year as at present. This change reduces the number of technical courses required in all engineering studies and permits the student to elect a wider group of courses at least one of which may be in a non-technical area.

## Cancer Donations Total $74,090.00

The Alberta Division of the Ca[illegible] Society has received donations totalling $74 [illegible] after three weeks of cru[illegible] compared with $79,000.00 for the same period last year. Donations may be made by M. L. Hanson, Calgary, Provincial Crusade Chairman. This year's provincial goal is $421,175.00.

These returns represent a small percentage of funds donated to date because most cru[illegible] leaders have not yet completed their canvass. Hard conditions [illegible] and crops have added to the difficulties extremely difficult

# Health Unit Notes

**YOUR CHILD AND EPILEPSY** (Unabridged)

If the epileptic seizure involves loss of consciousness and shaking, try to get the child in such a position that he cannot hurt himself by bumping against objects. Loosen tight clothing, especially around the neck. After the initial phase during which his mouth muscles grow tight to over, you can help by inserting a firm, non-damaging object into his mouth to depress his tongue slightly, if you notice that he seems to have difficulty in breathing. A piece of leather, like a folded belt, will do.

No effort should be made to interfere with his movements. Neither let nor carry him while the muscular contractions are going on. Children who have an aura — a warning of the seizure coming on — can be encouraged to use this opportunity to get themselves in a safe position, ahead of time.

After the seizure the child should be placed in as comfortable a position as possible until he regains consciousness. No effort should be made to assist him in regaining consciousness. When he comes to, treat him matter-of-factly, unless his fear or nervousness is great, when reassurance is needed. Without reassurance, that is an [illegible] a physician should be called immediately. If you wish further information, contact your local Health Unit for reading material.

The question "is epilepsy inherited?" cannot be answered with a direct yes or no. Many forms of epilepsy are the result of brain damage at birth or after birth from organic cause. It is held that this type of epilepsy is not inherited, and that it cannot, therefore, be passed on to children. However, with so-called idiopathic epilepsy, where the cause is not known, it is believed that some tendency to inheritance does exist.

**WELL BABY CLINICS**

Monday, May 3 — Vermilion Health Unit Office: 9:30 to 12 — 2 to 4 p.m.

Tuesday, May 4 — Wainwright Health Unit Office: 2 to 4 p.m.

Wednesday, May 5 — Clandonald: 2 to 3:30 p.m.

Friday, May 7 — Dewberry School: 1:30 to 3 p.m.

## Bowtell Bulletin

Deepest sympathy is extended to the Bowtell family on the sudden passing of Mrs Borbford.

Mr. and Mrs. Warren and Susan were visitors to Edmonton on Tuesday.

Charlie Pearmen came home from the hospital on Friday after spending a few days there receiving treatment for a heart condition.

Robin Sherwood celebrated his seventh birthday April 30th.

Congratulations — I all good wishes go to Randal Sherwood and Robert Starr who are to be wed on May 19th.

Mr. and Mrs. Miller were pleased to have their grandchildren from Edmonton spend the Easter holidays with them.

Mrs Bagnley, Roy and Barbara were guests for dinner on Thursday at the writer's home.

Stopping in for a visit at the same home on Wednesday were Charlie Burt and Mr. Mercer.

Miss Shirley Williams was noticed home from her school in Edmonton for the holidays.

We are pleased to report that Mrs. Knutson is home again after spending a few days in hospital.

May and Dennis Monaghan spend Easter week visiting with their aunt and uncle, Lin and Hera.

Visitors at the home of Mr. and Mrs. J. Repp Friday evening were Mrs Cartwright, Jack and Kathy, Mr. and Mrs J. Mortensen, Mr. and Mrs. Arneson and family.

Brian Robinson had as his guest Shermet Shepherd for a few days during Easter week.

Half the married people in Canada are men.

## Electrical Contractors Form Association

The formation of a Northeastern Electrical Contractors Association took place in the Chateleine Banquet Room, Vegreville, Wednesday, April 14th following a two-day Business Management Seminar conducted by Mr. Doug Marshall, Canadian General Electric, Toronto. Electrical contractors from Grand Centre, St. Paul, Smoky Lake, Andrew, Two Hills, Lloydminster, Vermilion, Wainwright, Killam, Stettler and Vegreville registered for the course. The purpose of forming suchan association is to discuss problems with a view of upgrading, for all useful reasons, the promotion of scientific, literary, social, educational, benevolent, provident or sporting purposes connected with the electrical business. Pictured above are the officers of the newly formed association, left to right, Mr. L. Westrom, Vegreville, Director; Mr. R. Harris, Lloydminster, President; Mr. W. Manchakowsky, Smoky Lake, Director; Mr. J. Elko, Two Hills, Director; Mr. R. Hoggins, Vegreville, Secretary-Treasurer.

# Applicants Invited For Recreation Leadership School

The 1965 Recreation Leadership School, a month-long training course designed to provide persons interested in seeking recreational positions with the opportunity to develop their leadership skills, will be held at the Camrose Junior High School, Camrose, Alberta, from July 5th to July 31st.

The school is sponsored annually by the Department of the Provincial Secretary, and is directed by Miss Elsie M. McFarland, Supervisor of Community Programs for the Recreation and Cultural Development Branch.

Every community in Alberta has the opportunity to nominate candidates for the school. Candidates must be nominated by the local recreation authority or by a responsible organization in the community. They must be physically fit, prepared to provide leadership service to their community, and must have finished Grade 11 or be completing that grade by June 1965.

It will be the responsibility of the sponsors to screen candidates to be sure they are worthy representatives of the community, to assist them in selecting optional subjects that will be valuable to the community, and to assure the candidate the greatest opportunity to use their leadership skills in leading local programs.

Each candidate in the First Year Course will be required to take five required subjects and six optional subjects. In the Second Year Course there are two required subjects and a choice of eight optional subjects. Applicants must select at least three optional courses, which must be approved by their sponsors.

Candidates successfully completing the course requirements will be certified with a Letter of Credit for the First Year, and a Recreation Activity Leader's Certificate for the Second Year.

Early application is urged, in order that applicants may be assured of the options they and their sponsors desire, as there is a maximum registration in any one optional subject of 30 persons. The deadline for applications is May 31st, 1965, and information and application forms may be obtained by writing to Miss E. M. McFarland, Supervisor of Community Programs, 124 Legislative Building, Edmonton, Alberta.

## Field Supervisor Reports For Minburn County

CROP INSURANCE

An organization meeting of the Crop Insurance Group was attended when Mischa McKay, Art Wilson and Ed Pavlicek explained the setting up of a crop insurance district. There were four meetings held in the district to explain the policies of this insurance one at Ranfurly, Innisfree, Mannville and Vermilion. About 400 farmers attended the meetings and had the policy explained to them. There have been several farmers in the office asking questions, some in favor and some against. I have assisted in this program as directed by the council.

CALFHOOD VACCINATION

The spring calfhood vaccination has been advertised and applications had to be in the office by April 15th — that the calves could be vaccinated before going out to pasture. Also our grants have been received to date.

SHORT COURSE

Short courses have been attended at both Vegreville and Vermilion — and a 4-H club players annual meeting at Vegreville and a report of the year's work given to the ratepayers.

NEW FEED MILL

A new feed mill has been constructed at Mannville by the Mannville Grain company. The opening of this plant was well attended. Judging by the interest shown by the farmers this should be an asset to the district.

COMMUNITY PASTURE

The directors of the community pasture held their allotment meeting and there were about 450 head of stock that had to be culled out. There have been 500 acres of brush bulldozed out by the Department of Agriculture Ards and four water holes dug by the P.F.R.A. When the grass gets established this should help some

GOPHER - GETTER

The gopher-getter company has been reorganized and the price in the machine received. The machine has not been ordered as yet.

Vermilion Boy Scouts are holding a bottle drive on May 8

## Funeral Services Held For Mr. John D. Trach

Mr. John D. Trach, age 48 years, passed away March 19th at Edm. at his home in Vermilion.

He was born in Deverest in 1913 and farmed in the Clandonald district. In 1944 he married Ann Martin. In 1953 he moved to Vermilion and worked there until his death.

He is survived by his loving wife Ann, one son Peter and one daughter Joan, all of Vermilion; also his father John of Clandonald, seven brothers, Daniel of Derwent, Mike and Harry of Clandonald, Steve of Dewberry, Bill of Rorkyford, Peter of Standard, Walter of Elk Point, five sisters, Mrs. Steve Warawa (Stella) of Chymorne, Mrs. Carl Burns (Sophie), Mrs. Peter Zaraska (Mary), Mrs. Steve Shyshko (Julia) all of Clandonald, Mrs. Jim Kinsey, (Polly) of Lloydminster.

Prayer services were held in the Holy Name Roman Catholic Church in Vermilion on March 23rd at 7:30 p.m. by the Rev. Fr. Keenan. The funeral was held on the 24th at 10 a.m. said by the Rev. Fr. Keenan and Rev. Fr. Goutier said prayers at the graveside in the Vermilion R. C. Cemetery.

Donald Funeral Home Ltd. was in charge of arrangements

The pallbearers were Messrs Jerry Martin of Mirror, Pat Martin of Calgary, Peter Trach of Standard, Daniel Trach of Derwent, C. Hollington Hazel dine Steve Warawa, Chas owers

CARD OF THANKS

We wish to thank all who offered their help and showed their sympathy during the time of our bereavement, with special thanks to the ladies of town and district who helped in every way. Your kindness will never be forgotten.

Mrs. Ann Trach and family

Science has given us relief from many physical ailments, but there is no vaccine against mental illnesses. Anyone can be afflicted, even the children.

## Support Mental Health Association

Perhaps you have heard someone say that a certain person was "hopelessly insane."

This is terribly wrong.

And those who have not recovered are waiting until someone finds out how to treat their form of mental illness.

You spend this wonderful day by supporting the Canadian Mental Health Association's research program. Contributions may be sent to The Canadian Mental Health Association, 618 Revillon Building, Edmonton.

## Mannville Honors Retiring AGT Agent

Mannville district residents and Alberta Government Telephone representatives totaled over 450 strong on April 29 in the Mannville School Auditorium to honour A. M. Rutherford, retiring A.G.T. agent for the town.

Longest service record holder for A.G.T. agents in Alberta, Mrs. Rutherford has served the community as a telephone operator and agent for 48 years.

The town's celebrations for Mrs. Rutherford were held in conjunction with the Alberta Government Telephones "Telephone Show" conversion climax which featured a $10,000 telephone display and a two hour stage show

The conversion to automatic dial service at Mannville took place on Saturday, April 24th at midnight and witnessed the closing of the Mannville office

FIRST IN PROVINCE

The conversion to dial service at Mannville is the first underground cable project in Alberta as well as being the first area organized under the amalgamated mutual plan which saw the six rural mutual companies become one large mutual company. The amalgamation project was financed under the Revolving Fund

Mannville townspeople display ed many dramatic talents in a series of skits featuring many highlights of Mrs. Rutherford's long career of service to the community. It is quite evident that the care and multitudinous services rendered by Mrs Ruth erford will never be replaced

Mrs. Rutherford, by the people of Mannville and district. Taking leading roles were Mrs. J Cox ford and Mr. R. Lajoy

TEXT THROUGH AND PRESENTATIONS

Parting tribute to Mrs. Rutherford were His Worship Mayor Haskoff Aldin Cooper M.L.A. for the constituency, and the many who made presentations to her.

An antique wall telephone, complete with table plaque and which was stuffed with money was presented to Mrs. Rutherford by

## Advocate Three Day Waiting Period

Legislation stipulating a waiting period between the actual signing of a contract, and the time when such a contract becomes legal and binding, is now being widely advocated and may be introduced at the next session of the Alberta Legislature

Many people sign contracts on the spur of the moment or while under the spell of a salesman. The next morning they regret their action but by then it is too late. A three day waiting period has been suggested during which people may re-examine and re-assess the project or article they are being sold.

The Standard advocates that all people institute their own waiting period, and delay signing any contract until they have given the matter every consideration for at least three days

## May 9 — Mother's Day

Th second Sunday in May has, for decades, been known as "Mother's Day" and on that occasion Mother is supposed to be Queen for the Day. She probably receives a few gifts. If she is living and her children wear a red flower to denote her survival; if she is not living, the sons and daughters are supposed to wear a white flower.

Like birthdays, Mother's Day is a twenty-four hour dedication but a real Mother's Day gift would be something of lasting value — perhaps a promise of taking over some particular task that would would make her happier and healthier.

Many older mothers still have responsibilities and heavy housework and don't have time to pamper themselves or even to check up on what might be symptoms of any serious ailment, denial of faulty eyesight. Seeing that she has a medical checkup or just the needed glasses are provided could make Mother's Day into Mother's Year.

## Canadians Meet New Challenges

Enthusiasm for new challenges and opportunities is the most important single characteristic the Canadian economy will need over the next few years. At least that's the opinion of Karl Scott, President, Ford Motor Company of Canada Limited. In a recent Toronto speech to a business conference on the Economic Council of Canada review, Mr. Scott said regardless of technological advances, economic success will depend on our ability to excel in doing the human job. Mr. Scott said a working force that is adaptable, flexible, and willing to be mobile, need not be fearful of its security in Canada's changing economy. People who can and will contribute the best of their energies and skill in this context of change will ensure their own security and advancement.

## May 1 - 7 Mental Health Week

Canada marks a special week in the year to remind the public of the greatest advances made in diagnosis and treatment of mental illness. Public health education has changed the old fashioned conception of mental disease as a scandal to be hushed up, to an understanding that a wide range of disorders may affect the mind just as they do the body. As in all cases of ill-health, the sooner the patient is given proper diagnosis and treatment, the sooner he may be able to return to a normal life.

## Little Indication of Early Election

Most Liberal MPs went on election immediately, according to Blair Fraser, Maclean's magazine's Ottawa editor But...Fraser writes, Prime Minister Lester Pearson is reluctant to call an election without some kind of provocation.

Writes Fraser: "If Pearson could count on going ahead with his program in a reasonable orderly parliament he would still do so. According to men who work closely with him They simply cannot imagine him calling an election like a Jovian bolt from the blue.

The only issue that could possibly precipitate Mr. Pearson into an election is the proposed reform of parliamentary procedure This reform, writes Fraser in Maclean's, will deprive John Diefenbaker, of the negative control of the Commons which he has exercised for the past two years," and on that issue Diefenbaker, if he can muster the wavering support of the Conservative caucus, could bring on a deadlock in the House and an election in the country. Otherwise there is little indication of an early election.

**RAT WAR!**

Dispatches from the rat front during late 1964 and early 1965 tell of the progress of the guerilla war in South Viet Nam. Guerilla war it is, and if you and I are going to win we had better understand the adversary. The adversary is known as the Norway rat, the brown house rat, sewer and wharf rat. It doesn't matter what you call him, scientists call him Rattus Norvegicus. The white laboratory or pet rat is an albino colorless selection and given freedom will multiply, cause and do as much damage as any other rat

The average mature Norway rat weighs 10 to 17 ounces, could be redfish brown to grey black in color living almost wherever man lives. Food supply is the primary factor in controlling the rat population. Consequently as the pest must respond to rats as a farmer-citizen, usually a farm with plenty stored grain, self feeders, feed storage, and waste rats prefer to eat meat if they can get it, but will accept tables that mature etc They will eat food drink and holding or rubber pets but much prefer grain. They can get along with without meat for fat but will take it readily when provided.

A rats gestation period is 21 days. Litters of 6 to 14 young are weaned at about 4 weeks old. The young can mate 8 days after birth and give birth at 21 days. They then retire if all survive the year but most animals seems to be in the summer season. Researchers expect that one pair of rats and one bred female can produce fifty offspring in a fair season

## Annual Inspection Of Cadet Corps Monday

The annual inspection of the Vermilion Cadet Corps will be held at the Vermilion Stadium at 7:30 p.m. May 10th.

Parents and friends are cordially invited to attend the function which will include demonstrations in weapons first aid, rescue of those injured and the use of wireless equipment. Coffee and doughnuts will be served at the conclusion of the demonstrations

## 16 Years Ago Today

MAY 6th, 1949

Magnificent success has attended the 1949 Red Cross Campaign for funds in Vermilion and district with the total collected amounting to $11,161.02

A mountain of debris — this was the way the Standard expressed it after the most general clean up in years Twelve 3-ton trucks were kept busy all day Wednesday carting the piles of debris out to the dump

Dry Aprils are common. The dryness of the month just passed has been the subject of considerable discussion but a glance at the records of the Vermilion Radio Beam Station shows that dry Aprils are quite common. It is possibly more noticeable this spring because of the early disappearance of the snow and very little evidence of water in the ditches and ditches.

## Addresses Students On "Modernizing America"

"Modernizing America" will be the theme of a conference for 10,000 university and senior high school students this summer to be held at the Mural Re-Arena ment Assembly Center, Mackinac Island, Michigan

The students planning the conference believe that young Canadians and Americans will set the pace in accepting absolute moral standards as the basis for modernizing society. Through this conference they plan to train thousands of youth to take responsibility for their homes, communities, and nations.

The aims of the conference are to end moral pacifism and create a fighting spirit; to end racial bitterness and give birth to a nation that speaks with a united voice; to end dictatorship and ensure liberty for all men.

300 senior Alberta students will be selected as delegates. Financial assistance, where needed, will be made available through a scholarship committee under the distinguished patronage of Lieut. Governor J. Percy Page and His Worship Grant MacEwan, Mayor of Calgary. In order to give as many senior Alberta youth as possible a chance to apply, Dan showings and discussions are being held in high schools and youth groups.

Today Mr. John Bocock, a graduate of the Vermilion Agricultural and Vocational College spoke to the students of the Vermilion High School about the conference.

Groups or organizations wanting film showings, speakers or further information about the conference may write to Miss Carol Eriksson, Secretary, Alberta Student Committee, 10237-139 Street, Edmonton, Alberta.

According to the index of average wages and salaries paid in Canadian industry, Canadians now earn in less than 30 minutes the same pay for which they worker was hour in 1940.

## Turbo Jet Lands Here

(Held over from last week)

Last Monday a Dehavilland Heaver, turbo jet aircraft, landed at Vermilion airport to refuel. The aircraft, owned by an oil company in Edmonton, was en route from Churchill to Edmonton

It was the first of the "jet" age planes to land on the local strip.

## Health Unit Notes

(Part 1)

The rheumatic fever attack usually follows a throat infection but this infection may have been mild and not been recognized. A few days or several weeks later the child feels sick again. He complains of pain in the joints. It may be aching wrists one day, pain in the knees or elbows or ankles the next. He will have a fever and complain of stomachache and tiredness, be listless or lose weight or have nose bleeds. He may have an unusual skin rash. Sometimes the child is afflicted with chorea, popularly called St. Vitus' Dance which means that he is unable to control jerky movements of his arms, legs and face.

The time to see a doctor is when you first see important symptoms follow a sore throat or scarlet fever. Sometimes the symptoms are mild and the pains are dismissed as "growing pains". There are no such things as growing pains, but there are other leg pains that have nothing to do with rheumatic fever. They do have a cause, however, and with the help of your doctor the cause should be found and treated.

Rheumatic fever is an illness in which the joints of the body, the nervous system and the heart may be affected. The joints and nervous system are never permanently damaged though the heart may be. The exact cause of it is not known but it usually follows a streptococcus infection such as a sore throat, tonsilitis or scarlet fever. While the disease itself is not contagious, the strep' infections which precede it are. Children who have had rheumatic fever tend to get it again, and the effects of repeated attacks are, of course, more serious than a single attack.

The serious complication of rheumatic fever is the inflammation of the heart with subsequent scarring leading to a disturbance in the function of the heart valves. This can lead to serious heart disease but fortunately more than half the children who have had rheumatic fever do not have heart disease and of those who do have some heart trouble if is not sufficient to handicap them in any serious way for normal living. However, very serious heart disease may develop in some patients.

## Islay Reverts 50 Years... For Space of 12 Hours

ISLAY. — For the space of twelve hours or so Islay people reverted to fifty years ago. This was all caused by the violent wind and thunder storm of Wednesday, April 28th, which disrupted the electric power service and threw everyone into darkness.

Soon however, coal oil lamps and candles were showing faint light; the hospital janitor was hauling water from Bisnie's well, the only difference being that he used a car for transportation instead of a team of horses hauling a stoneboat carrying two wooden barrels; schoolchildren came to the well with pails for drinking water and thought that it was quite fun to pump the water by hand.

A neighbor who is completely elect'fied came over and said: "How is your coffee pot?" So a jolly morning was had Thursday morning breakfast. Gas was a never this time.

## Concert Association Prepares Now Season

Thousands of music loving Canadians have been thrilled by the performances of internationally acclaimed artists in recent years. People in rural communities, far removed from the larger population centres, have not been denied the privilege of enjoying fine instrumental, vocal and dance renditions by top professionals of concert hall or stage. Overture Elsmere Associations with headquarters in Vancouver, has played a big part in this movement to present outstanding cultural experiences to residents of smaller centers and rural areas across the country.

A fine season of entertainment in the Overture Concerts Series was brought to a close two weeks ago by the brilliant Lisele' Inter national Marionette "Concert Theatre" performance. The 1964-1965 concerts included a delight ful performance of "The Messiah" by artists of the Canada Opera Company.

## Riverton News

It has been some weeks now since we have reported any news from our district. This is independent has been too deeply involved in her own affairs lately to do any reporting. Instead of that her readers will excuse her.

We had a very successful Mother's Day Tea and Sale of Work held last week, but since then the weather has been so cold that it can be destroyed. It has been sunny and warm, more like June than April. However, at the time of writing we are in the midst of quite a blizzard and more than 6 is falling, so this will likely bring a change in conditions.

Mr. and Mrs. Donald Vivian drove to Edmonton this week to attend the funeral of Donald Vivian's aunt, Mrs. McCallum.

Mr. and Mrs. Clif Hamilton of Wainwright were visitors in the district last week.

Mrs. Bert Parr spent a few days visiting her daughter Joan and family at Valleyview last week.

Mr. and Mrs. Robert Cheek and children of Elmore were Easter week visitors at the homes of Freda's mother and brother.

### FIFTIETH BIRTHDAY PARTIES

The Riverton community was shocked and saddened to hear of the sudden passing of Mrs. Eva Hines of Kamloops on Apr. 8th. Mrs. Hines, the former Mary Ward, came to Riverton as a small child and lived here and in the Barrhedale district until moving to Kamloops district in 1927. Her sisters, Mrs Dorothy Lee and Hansen went by train to Kamloops to attend the funeral. They were joined there by their sister Mrs. Wood, who was already in Vancouver.

A very successful whist and crib party together with a bake sale, was held in Riverton Hall on April 10. The was sponsored by the Riverton Hall Association. A good time was enjoyed.

### F. U. A. MEETS

The April meeting of the F.U. A. was held in the Riverton Hall on April 29 with a good attendance of members and visitors. Guest speakers were Crs. Whiteside and Wheat who gave interesting and informative talks on the subjects of local roads and education problems in the county.

Education is learning one new fact a day.

## Claysmore Clippings

Mr and Mrs. Steve Warsen, Wayne, and Janice were weekend visitors in Edmonton. Jim spent the time with his dad at Woywitka home.

Best wishes for a speedy recovery go to Mrs. Ronnie Bauer who underwent major surgery in the Vermilion hospital last week. Also to Mr. Jim Hogg who is a patient in the same hospital and to the infant son of Mr. and Mrs. Frank Struckus who has undergone surgery in an Edmonton hospital.

Mrs. [illegible] Edmonton, Mr. Mackevin was a week-end visitor with her daughter and family Mrs. Allen Olstads. Also week-end visitors at the Olstad home were Bob Eiland and Alvin Naeland of Wetaskiwin.

Mrs. Barney Beard spent a few days visiting in Calgary recently.

Mrs. Annie Fraser and Jean of Vermilion were Friday evening [illegible] at the Watson home.

## MARWAYNE

The April meeting of the Marwayne F.W.I.A. was held at the home of Dorothy Allen with Frances, Leslie and Jean Milne as co-hostesses. There were 20 members, and three visitors from Stageleroy present. The meeting opened with the singing of "The Hymn of Peace".

Papers were read on "Agriculture" by Gaffine Kvill and on "Farm Safety" by Roby Kvill and Margaret Wilson. A donation of $10 was made to the Alberta Mental Health Association and $10 to the Cancer Fund. It was decided to purchase several prizes now lambs limit are on, for the Horticulture Show. Plans were finalized for the meeting.

The next meeting will be at the home of Ruby Hale on Monday May 24th. Witness to bring any good used clothing to this meeting.

## ISLAY NEWS

### BINGO AIDS FUND

The effort of the Centennial Committee Friday night was a huge success and the committee wishes to thank, through the Standard, the people who made it so.

The winners at the bingo, which was a novel one, were as follows: Mrs. Lund the articles made by our own artisans. The door prize was donated by the School for Exceptional Children and was won by Mrs. Ward, who came to Riverton as a small child and lived here and in the Barrhedale district until moving to Kamloops district in 1927. Her sisters, Mrs Dorothy Lee and Hansen went by train to Kamloops to attend the funeral. They were joined there by their sister Mrs. Wood, who was already in Vancouver.

### IF WOMEN ONLY KNEW

A talk entitled "If Women Only Knew" was recently given by Mrs. Norman Hewitt, well known solicitor and champion of women's rights.

The importance of appointing a guardian was stressed by Mrs. Hewitt. Some people have the mistaken idea that the executor of their will automatically becomes the guardian of their children. A guardian of minors must be specifically named in the will and care must be taken in their selection. They will step into the parent's shoes should the need arise.

### EVERY WIFE SHOULD HAVE A WILL

The importance of having a properly drawn up will was also stressed by Mrs. Hewitt. If a wife should have her own will, as well, a case was cited where a father left everything to his son, who in turn left everything to his new bride. No provision was made in the event that they should die within 30 days of each other. The couple were both killed in an accident; consequently the estate went to the wife's next of kin since she had no will. Not only did the property pass out of the father-in-law's family, but because the estate passed from three different people before it reached the wife's parents; hence, three opportunities for estate taxes were incurred.

### LIABLE TO HUSBAND

Women must also identify any money they bring into a marriage, or earn after marriage. This money should be recorded as a loan to the husband so that

Mrs. Ruth Stewart, having completed her third year in Arts at the U. of A., is spending two weeks at the home of her mother Mrs. K. C. Herbert, prior to leaving for a trip to Europe. She will be accompanying Miss Sharon Surby, formerly of Vermilion, Miss Flora Stone of Alix and Miss Diane Pearce of Provost.

Mr. and Mrs. Fred Stewart returned last Wednesday from the west coast where they had spent the Easter holidays visiting Mrs. Stewart's mother, Mrs. A. H. Michel in Victoria. On the return trip Mr. Stewart dropped off in Ladner to attend a reading and mathematics conference while in Victoria they visited with Mr. and Mrs. J. Hill and met Mrs. C. L. Whitby. Mrs. Stewart's millionaire aunt along their best regards to all their old friends. Flowers were blooming in profusion everywhere, typical of the beautiful coastal city at this time of the year.

Mrs. A. M. West who spent the Easter holidays in Banff at the home of her daughter and family Mr. and Mrs. Ted Langridge, returned home Saturday. She accompanied Miss Ruth Stewart from Edmonton by car.

Mrs. Fred Chantry, the former Irene Sullivan, of the Sullivan Lake district, left on April 27 to [illegible] New Mexico, spend the week-end as a guest of Miss Myrtle Killion. She was called to Canada due to the illness of her aunt, Miss Vie Sullivan, who is a patient in the Misericordia Hospital, Edmonton.

Miss Alma Cameron accompanied by her sister Mrs. J. Brisbin, motored to Edmonton on the 30th for eastern Canada where they will visit friends and relatives. The trip is being made via C.N.R.

Mrs. A. Cameron left this week for Drumheller where she will visit her son Roy and Mrs. Cameron and family. She returned home in June. Mrs. Cameron is looking forward to tulip time in Ottawa.

Mr. and Mrs. Charlie Thompson spent from Friday morning to Tuesday in Edmonton.

### ISLAY LOCALS

Several of the farmers are out on the land seeding. Puddle spots numerous so there isn't too much activity as yet.

Mr and Mrs Glen Cair and young daughter from Killam were visitors in the district last Sunday. They had supper with the latter's aunt and uncle, Mr. and Mrs Bert Gould.

Several from this area attended the Farmers' Union banquet at Vermilion last Wednesday. The evening was thoroughly enjoyed even though there were no prize winners from here.

Snowdrops and violas have been blooming for several days now in Mrs. Walter Cox's garden.

## Five Team Soccer League Formed For N.-E. Alberta

At a meeting held in Vermilion on Sunday, April 25th, a five team soccer league was formed with franchises granted to Cold Lake RCAF, Lloydminster, Vegreville, Wainwright and Vermilion. While representatives were not present from Vegreville and Wainwright it was fully understood that they intend to field a team in the league.

Discussion regarding senior of a trophy has been made to the league and while this offer has been accepted it has not been made final and further discussion is underway.

This trophy will go to the team which finishes at the top of the league. No playoffs will take place for it.

The league however would like to hear from anyone who would like to donate a trophy to be played for inside from the league trophy. This would be a sudden death draw, each team entered being eliminated with one loss. The object is to keep soccer growing in Alberta and to make it as interesting and competitive as possible.

Even of a club is in the league either it can still go on and win this trophy on the basis of end den death games. Anyone interested in donating such a trophy is asked to contact Jack Brown at P.O. Box 1601, Vermilion, or phone 853-4004.

PRACTICE STARTS

The Vermilion club has started practices, just off their regular pitch which is not ready yet. Practices are slated for Tuesdays and Fridays at 7 p.m.

OTHER PRACTICES

The junior practices are being held at the west end school grounds; Bill Crabb's boys meet Wednesdays after school; Bert Moore's boys on Thursdays after school; Geo. Hinton's boys on Saturday at 11 a.m. Edgar Wilkins will also coach wherever it is possible.

All boys interested in playing soccer are invited to attend these workouts. The membership fees are 50 cents for juniors and $1.00 for seniors. On payment of this fee you will receive a membership card which entitles you to practice and playing privileges. The money received in this way goes towards uniforms, goal nets etc.

It is hoped all will co-operate to get the inter-club league going and the seniors hope to put Vermilion at the top of the senior [illegible].

## Alberta Affairs Banquet, Kitscoty, Well Attended

The Alberta Affairs banquet and dance sponsored by the Alexandra Constituency Social Credit Association, and held in the Tracy Memorial Hall in Kitscoty attracted over 100 people and proved very successful in deed.

Chairman for the evening was the Constituency president Mr. Joe Hobart of Lloydminster, and all parts of the riding were represented.

Guest speaker of the evening was the Hon. Mrs. Ethel Wilson, Minister without Portfolio, who chose as the subject of her thought-provoking and inspiring address "Which Way Canada's."

Other guests included the Hon. Andrew Aalberg provincial treasurer and member for the constituency, Ashley Cooper the M. L. A. for Vermilion constituency; and Mr. Fred Barber Social Credit candidate for the Federal constituency of Battle River-Camrose.

Voicing the thanks of the gathering to Mrs Wilson for her interesting address was Mr. Robert Noyes of Lloydminster.

The excellent banquet was served by the Kitscoty Canadian Legion W.A.

## Vermilion Competes At Legion Track Meet

Six members of the Vermilion Track and Field Club attended a Clinic and Track meet sponsored by the Vegreville Legion in the Recreation Centre, Vegreville on May 1st. Four members of the Vermilion Club competed in the indoor meet.

Ernie Westertorp, Lionel Perrier, Arnie Wellert and Ken Ferguson coached the athletes in the various events. Geoff Elliott conducted a coaches' clinic. Ernie Westerhorp is the Secretary of the Alberta Amateur Athletic Union for Track and Field. Lionel Perrier is with the Faculty of Physical Education at the University of Alberta. Arnie Wellert and Ken Ferguson are coaches in the Vegreville school. Geoff Elliott is a former British Empire vault champion, now with the Faculty of Physical Education at the U. of A.

The track meet was started at 6.30 p.m. Gary Tidsbury, 2nd, Juvenile Men's 1000 yards; Ned Tidsbury, 2nd, Bantam Men's 1600 yards; Wendy Brown, 2nd, Juvenile Women's 50mt Put; Wendy Brown, 3rd, J.W. High Jump; Wendy Brown, 4th, J.W. 45-yard Dash. Arlene Goldsmith, Sit. Bantam Men's 45-yard Dash.

The track club has competed in four indoor meets this spring. The first was the University of Alberta Invitational indoor track and field meet, March 27th, competing Bill Porter, 35h, 45-yard dash, Men's Open; Janice Walsh, 2nd, 45-yard dash, Women's Open; Wendy Brown, 3rd, 45-yard dash, Women's Open; Mary Williams, 4th, 45-yard dash, Women's Open. Janice Walsh, Wendy Brown, Mary Williams, Kay Hutton, 3rd, relay, Women's Open.

The second was the Northern Alberta indoor track and field championship in Edmonton. Club placings: Bill Porter, 3rd, shot put, Men's Open; Bill Porter, 5th, 35-yard dash, Men's Open; Janice Walsh, 3rd, 35-yard dash. Midget Open.

The third meet was the Alberta indoor track and field champion ship in Edmonton. This meet drew champions from all over the province. Club placings Bill Porter, 5th, shot put, Men's Open; Janice Walsh, 5th, 30-yard dash, Midget Women's Open; Janice, 3rd, shot put, Women's Open; Janice Walsh, Wendy Brown, Mary Williams, Kay Hutton, 5th, relay Women's Open.

## Death of Mrs. Diana Patterson

Mrs. Diana Patterson of Vermilion, aged 79 years, passed away on April 28th. She leaves to mourn her passing two daughters, Mrs. Jack (Pete) Brown of Vermilion and Mrs. William (Ola) Holt of Longview; five grandchildren and five great-grandchildren. One sister, Mrs. James L. Scott resides at Fielding, Sask.

Private funeral services were held from the Donald Funeral Home on Saturday, May 1st with the Rev. C. Miller officiating. Interment took place in the Vermilion Cemetery.

There were approximately 457,000 births in Canada in 1964, compared with 405,000 in 1959 and the record high of 479,300 in 1958.

John Ilchuk contributed the highest priced Angus bull at the Vermilion Livestock Sale. He is shown here with the fine animal, Ellevenmere of Allandale, a 3 year old. The purchaser was Nick Klutz of Vermilion, who paid $460.00 to obtain the bull.

—A Standard News Photo

## Seek Selective Cancer Drug

In the world of cancer research, the search for a chemical or drug which will be selective in its effect on the cancer patient — in other words, which will attack the cancer cells and not affect the healthy ones — represents a large proportion of the activity taking place in many countries. At the University of Alberta Cancer Research Unit, which is supported by funds raised by the Canadian Cancer Society, there is a different approach.

"We are more concerned with the 'why' of the selective killing power of drugs already discovered," says the Unit's director, Dr. A. R. P. Paterson.

"There have been some very important signposts set up in the last fifteen years," he explains, "the effect of methotrexate and 6MP on leukemia and the remarkable effect of methotrexate on a type of cancer known as choriocarcinoma and several others.

"Naturally, the first rush of research in chemotherapy went down these roads as the signs directed, to see where they led. But it now appears that there is a good deal of important savory on route that must be examined carefully. This explains why three of the four groups of scientists doing cancer research at the University of Alberta are particularly concerned with antibiotic drugs and with the effects such drugs have on the chemical machinery of cancer cells.

"First attempts to exploit the anti-cancer drug discoveries Dr. Paterson explains were in many instances successes in organic chemistry. Its synthesis and testing of relative compounds.

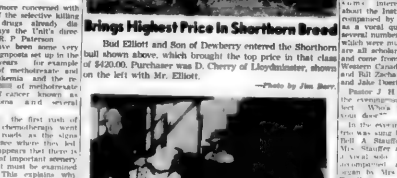
"It now appears more promising to seek to find with exactness the site in the enzyme machinery of the cell affected by the chemicals and it is perhaps even more important to learn what peculiarities in the susceptible cancer cell makes it vulnerable.

"Some thousands of new drugs are tested each year in the pursuit of one which will be entirely selective that is which will kill cancer cells only.

## Brings Highest Price In Shorthorn Breed

Bud Elliott and Son of Dewberry entered the Shorthorn bull shown above, which brought the top price in that class of $420.00. Purchaser was D. Cherry of Lloydminster, shown on the left with Mr. Elliott.

—Photo by Jim Barr



## Simonet Bull Brings High Price

Mike and Tony Simonet of Clandonald are shown with the Hereford bull, which brought $3000.00 at the Vermilion Livestock Sale. This was second highest for breed and for the sale. The bull was [illegible] of Tolland district.

Of the 114 different species of [illegible] are bred dogs [illegible] interest with [illegible] the Canadian Kennel Club. [illegible] bought and [illegible] the [illegible] number of registrations [illegible] and groups

Greenlawn Goodwill Club

The Greenlawn Goodwill Club held its April meeting at the home of Mrs. Max Maddex with 15 members present. Plans were finalized for the Tea Bake Sale and Bazaar which is to be held May 5th in the Greenlawn Hall. Cotton remnants which had been donated were distributed among the members to be made up into articles for the Bazaar.

It was voted to give a donation to the Crippled Children's Fund as in previous years.

The May meeting is to be held at Myrtle McMullen's, everyone is to bring a gardening hint for roll call.

With the meeting adjourned there were lots of laughs over the contest which required but other rather than skill Verna and Gladys Boyce tied for first prize.

A delicious lunch served by the hostess brought a very pleasant afternoon to a close.

Labor income in Canada increased from $17,638,000,000 in 1960 to an estimated $23,700,000,000 in 1965.

NOTHING BUT THE TRUTH by Arnold

## Dewberry Lions Club Celebrate Anniversary

DEWBERRY — The first anniversary of the Dewberry Lions Club was held in the Dewberry hall Saturday night. The programme consisted of a banquet followed by a social evening of dancing. Approximately 115 Lions and their wives from Dewberry, Tofield, Vegreville, Edmonton, Two Hills and Fort St. John, B.C., attended the celebration.

Toastmaster for the evening was Jack Debnar of Vegreville. The visiting clubs were introduced by John Pundek of Two Hills. This was followed by a very interesting talk on Lions International by Q. M. Miller Deputy District Governor from Fort St. John, B.C.

INDUCT NEW MEMBERS

Inductions of two new members Jack Stannard and Rudy Hall then was conducted by Ernie Holmgren of Edmonton Awards of merit attendance and [illegible] were presented by Ed Bagley of Tofield to Jack Stannard Sperry Dent Lloyd Ker Mel Lee Jim Hines Wally Klimek Head Tail Twister Ray Prasloski Curtain Grabber Raines and Stan Elliott.

FLOYD OXTON, PRESIDENT

The new officers for the coming year were introduced by Hendley Dewhirst the retiring secretary. They are as follows: Floyd Oxton, Immediate Past President Ken McLean First Vice President Lloyd Hansen Second Vice President Jack Rogstad; Tail Twister Ray Prasloski Hines Secretary Clas McVeety Treasurer Meredith Symonds Tail Twister Ray Prasloski Lion Tamer Gerald Holmen, Directors Barry Gardiner Willy Klimek, Stan Elliott and Don Braithwaite

## Bible Institute At The Alliance Chapel

Special guests in the Alliance Chapel May 2nd for the morning service were members of the Nipawin Sask Bible Institute a number of the faculty and Jim Tam Wall gave the sermon and a number of interesting facts about the Institute. He was accompanied by four young men as a vocal quartette they sang several numbers unaccompanied which were much enjoyed. They are all scholars at the Institute which is supported by churches in Western Canada they were Pete and Bill Zacharias, Fred Friesen and Jake Doerksen.

Pastor J. H. Bell presented in the [illegible] the [illegible] sent. Where that kneeling at their desk."

In the evening service a vocal trio was sung by Mesdames J.H. Bell A. Stauffer and Al Curtis Mrs. Stauffer also favored with a solo. The singing was accompanied at the piano and organ by Mrs Bell and Mrs Tyrell.

Of the Youth Fellowship report Lydia night a large amount enjoyed a social evening under the new leadership of Mr and Mrs. Arnold Stauffer and Mr. and Mrs. Lee Bell.

Visitors to the Sunday services were Mr. and Mrs. Norman Curnyn and family Thomas Edmonton, visiting his mother Mrs. Grace Curnyn Mr. and Mrs. Wilson of White Sands Mrs. Curnyn is the home of Mrs. Norman Curnyn.

# Various Credit Sources For Farmers Designated

The following information letter, Bill maximum loan is supplied by Alberta Farm $20,000 and repayment can be Credit Administrator K. G. Tay spread over 10 years. Loans ter, is designed to help farmers secured or land only cannot ex- decide which of the various 65 per cent of the appraised credit loans best fit their immediate value. In some cases needs. seeds, machinery part of the loan may

The Farm Credit Corporation operated in livestock and a federal government agency, purchases. supervised by 61 representatives The loan must be repaid with throughout the province. 20 years. Further information

GASLITE DAYS ARE HERE AGAIN

There is nothing quite like gas lights to add charm and interest to the outside of your home. They burn night and day, providing a pleasant light, yet cost pennies per day to operate. A constantly burning outdoor light discourages prowlers — provides illumination for front entrance, drive-way, side-walks or backyard patio. Gas lights do not attract insects

SPECIAL INSTALLED PRICE

'The Canadian' GAS LAMP $69.00

Sale price includes post, lamp, and up to 50 ft. from gas mains — Offer expires May 31st. Other models to choose from.

is available from municipal and

The Veterans Land Act provides for loans 3 per cent on the initial loan and 5 per cent on subsequent loans to veterans who satisfy the minimum service requirements. These loans may be used to buy land build- ings, livestock and equipment. The maximum initial loan is $6000 which must be repaid within 25 years. The V.L.A. holds title to the property until the loan has been repaid.

The Industrial Development Bank of Canada usually makes agricultural loans to farmers who cannot qualify under federal and provincial farm loan schemes often these farmers or companies already have one or more economic production units or are considered to be entering commercial production on a specialized nature. The current rate is charged on I.D.B. loans is 7% per cent. Offices are located in Montreal, Toronto and Winnipeg. Applications are made to the nearest branch of the parent bank and trust com- panies. Long-term loans are usually granted to farmers who are currently farming and have established records of good character and financial responsibility.

Farm Improvement Loans for equipment, livestock, building and other improvements are available through the chartered banks. Interest is 5 per cent and terms of repayment extend up to 10 years in some cases. The borrower is expected to pay from 20 to 40 per cent of the total cost. The maximum loan under this scheme is $15,000.

Under the Provincial Farm Home Improvement Loans Act, loans up to $2,000 are available at 5 per cent interest for im- provements to the home. These loans are processed by treasury branches and municipal treasurers may extend up to 10 years.

Chartered banks and treasury branches are the major sources of short term credit. They provide farm credit for operating expenses and other items at 8 per cent interest. Repayment terms may be extended over two or three years.

The manufacture of paper from ground wood pulp was first achieved by Charles Fenerty a lumberman a son of Sackville N.S. about 1838.

# Mrs. John Curtis Laid To Rest at Dewberry

Mrs. Alta Evelyn Curtis, dear wife of Mr. John O'Dell Curtis of Dewberry, passed away sud- denly in the Provincial Hospital on March 30th at the age of 65 years. Besides her loving hus- band she leaves to mourn her passing two daughters, Mrs. Ted Wilfred Mathison; Essie and Mr. and Mrs. A. C. Isert; Dora Ray Finley; Mr. and Mrs. R. E. Braithwaite; Tom Jarrett; Joe and Mrs. Tom Applegate; Mr. and Mrs. Alf Redman; Mr. and Mrs. Dave Moore; Mr. and Mrs. Ray Wilson; Mr. and Mrs. Phil Porter; Mrs. and Mrs. Percy Braithwaite; Mrs. Mary Axley; Mr. and Mrs. Herb Spicer; Roy and Doris Jones; Clarence and Ivy Isert; Frank and Winnie and family; Mr. and Mrs. Roy Ether- ington; Mr. and Mrs. Eby Walker; Mr. and Mrs. Earl Walker; Horace and Tomas- Ernest and Beatrice Cau- dian Order of Foresters.

Mrs. Curtis was born in Syne- ton, U.S.A., on Oct. 10, 1897. She married John O'Del Curtis in the U.S. on Oct. 11, 1924. She came to Alberta from Falkland, B.C. and taught school in the Telegraph School in the Landon- dale district for a number of years. She was also a member of the Greenlawn Goodwill Club.

Funeral services were held on Saturday, March 13th from the Dewberry United Church with the Rev. B. A. Hart officiating. Interment was in the Dewberry Cemetery.

Donald's Funeral Home was in charge of arrangements.

Flowers were received from The Acting Farm Tweedi Farm Jean and families Robert, Annie and Isaac Blair and Mary Smith and Ken and Jim Sweet and Hank Den Women's Finals, Vera and Tom and children, Fred and Phyllis and families Ronald and Vivian Thelma Greenlawn Goodwill Club, Greenlawn Old Timers, the Greenlawn Goodwill Club and Mr. Vaughan of A Staff.

CONTROL

THE FLEA BEETLE...he can destroy your Rape and Mustard

with NEW low flea

THIRALIN

specially formulated dual seed dressing. Before you even start worrying about the problem of flea beetles are at work destroying rape and mustard seedlings. Often, poor stands are blamed on the wind or on low germination . . . but well fed flea beetles did the damage.

A small purchase of NIAGARA'S THIRALIN seed dressing, just ½ oz. per lb. of seed, protects against flea beetles and against the other soil borne enemies of rape and mustard: "damping off", seed decay, and seedling blight. Application is easy, because free flowing THIRALIN sticks to the seed.

For higher yields, greater profit, treat rape and mustard seed with THIRALIN.

# Banquet, Presentations, Dance Wind Up Bowling Leagues

The Senior Mixed and Mixed Commercial Leagues completed the bowling season with a banquet, presentation of trophies and a dance in the Legion Hall on Tuesday evening last. A very fine evening was enjoyed and the winners are pictured elsewhere on this page

FIRST IN SENIOR MIXED BOWLING

First in the senior mixed bowling league was the team captained by Stan Woldenberger. Ernie Wotherspoon on the left, representing Allen's Texaco Service, is presenting the championship trophy to Stan Woldenberger. Nita Clark, Trevor Clark, Eunice Davis, and Ian Davis

SECOND IN SENIOR MIXED

Second place winners in the senior mixed league are shown from the left, Helen King, John King, Frances King, Ernie Wotherspoon and Phyllis Wotherspoon

THIRD IN SENIOR MIXED

Winning third in the Senior Mixed bowling league were, from the left, Clarence Bezaire, Thelma Bezaire, Lynda Moses and Ron Moses. Missing from the picture is Penny Simmonds.

WIN THIRD IN COMMERCIAL MIXED

The Barons, shown above, won third place in the Commercial mixed league. From the left the bowlers are, John Shaw, Edna Shaw, Sid Burdett, Hazel Coulbourne and Al Coulbourne.

INDIVIDUAL WINNERS

Individual winners of the Commercial league were, from the left, Art Gilpin, high average 222; Lil Fry, high ladies average 180; and Al Coulbourne, high single, 282

# Farm Credit Soars in 1964

OTTAWA. . . The Canadian farmer's need for and ability to use long-term mortgage credit to establish or expand his operation is amply demonstrated in the latest Farm Credit Corporation report.

FCC Chairman George Owen said lending continues to soar with 10,142 loans amounting to $154,813,900 approved in the fiscal year ended March 31st.

This compared with the previous high of 8,089 loans totalling $108,038,100 set last year and was an increase of 16.7% in the number and 44.2% in the amount of loans.

The breakdown of loans approved in the past year in the four western provinces is followed by the previous year's figures in brackets B. C. 487 (395) loans for $9,834,800 ($5,- 632,100) Alberta 2,692 (2,043) loans for $42,512,900 ($27,157,- 000) Saskatchewan 2,601 (2,332) loans for $35,570,400 ($25,200 - 800) Manitoba 4,361 (3,319) loans for $67,176,200 ($49,893,000)

Mr. Owen predicts that the demand for credit will grow. The number of current applications for loans is 53% greater than at the end of March last year.

The latest addition to the farm credit family is the Farm Machinery Syndicate Credit Act came into being late last year and the Farm Credit Corp began publicizing its provisions and accepting applications in January.

By the end of March, 22 syndicates had been set up involving 311 farmers. They had obtained approval of loans amount ing to $215,414 for purchase of about 110 items of machinery and equipment.

Many similar applications are under consideration. Other farmers have obtained the basic information about this form of credit to assist in co-operative ownership and are working out with their neighbors the details of organizing syndicates. They may then put in their applications in time for the next delivery they need for use in the coming season.

ALBERTA WHEAT POOL

Cash Refunds NOW BEING DISTRIBUTED

FROM A TOTAL PATRONAGE RETURN ON 1963-64 DELIVERIES TO POOL ELEVATORS OF $4,582,343.00

POOL MEMBERS

Pick up your refund cheque from your local Pool agent.

**After we paint the car, we paint the paint.**

And before we do either to a Volkswagen, we bathe it.

We bathe it in steam, we bathe it in alkali, we bathe it in phosphate. Then we bathe it in a neutralizing solution.

If it got any cleaner, there wouldn't be much left to paint.

Then we dunk the whole thing into a vat of cleto gray primer until every square inch of metal is covered inside and out.

After the dunking, we bake it and sand it by hand.

Then we paint it.

Then here the VW puts the paint on itself. The car is electrically charged to attract paint molecules by molecule.

You can't even see the paint going on.

All it seems to grow on the car. Thick and even.

After the baking, we wet-sand the finish by hand.

And another coat of paint is put on.

Then we bake again. And sand again. And add another coat of paint. The fourth.

Of course, every step we take in making a Volkswagen lengthens the same attention to detail.

And there are 5,200 inspectors sitting on production line to keep us from getting lazy.

## Of Many Things

By ARMOUR HILL

**SMUGGLING IS RISING**

Because the price of cigarettes in Manitoba is higher than any where else in the world it is said that a great deal of smuggling takes place. A man can easily make wages just by taking a couple of trips or so a month with his car loads loaded with smokes. Apparently authorities pay very little attention.

Yet smuggling is serious A man might begin in a small way to transport a few cases of cigarettes from one low-tax province to a high-tax area. Once started in such a business how ever there is a temptation to enlarge it and to add variety to the type of trade Liquor which is also target for the tax-hungry is often smuggled across, provincial borders and many folks wink at it

Smuggling activities, however lead to organized crime The little fellow might satisfy him self to make ordinary wages but if there is that kind of money in it for the little fellow it is not too long before the crime crowd moves in and starts to operate in a big way By smuggling they add other forms of illicit activity and soon more must be spent on crime prevention than the governments gain ed by inconvenience taxes in the first place

Law makers should see more cure Whenever there is a load ing car load law and order will come respect and crime increases Because governments have long fostered themselves on taxes on tobacco They have created a cynical disrespect among the people for any law affecting such products And when through excessive taxation they make these products likely targets for the smugglers and bootleggers they do a real disservice to society

Smuggling is nothing to take lightly Extremely serious crime can result

## Summer Fair Camp Cancelled For This Year

Due to an extensive renovation of dormitory facilities at the Vermilion Agricultural and Vocational College, the Vermilion Agricultural Society will be unable to operate the Fair Week, Summer Camp for boys and girls. This has proven a very popular event for many years and it is hoped that it will be available again for the 1966 Fair.

C. N. Brennan, Sec.-Mgr.

## C.G.I.T. Graduation Sunday, May 16 All Are Invited

The regular meetings of the C.G.I.T. came to a close May 10 although there are still the Graduation Service and the Mother and Daughter Banquet to be held May 16th and 17th respectively. Plans have already been made for next year by electing the new officers as follows

President Nancy Hill; Vice President and Press Reporter Barbara Wright; Sec-Treasurer [illegible]

C.G.I.T. [illegible] invite all those who are interested to attend the C.G.I.T. Graduation Service May 16th at 7:00 p.m. in the United Church. When a girl reaches 17 or is in Grade 12 and has had at least three years of C.G.I.T. she graduates. It may not be the last time she participates in C.G.I.T. work for she may become a leader or assist at camps but it is a big time as a Canadian Girl in Training. It is truly one of the most meaningful services in C.G.I.T.

## July 1st Sports At Mannville

The traditional sports program will be held at Mannville on July 1st this year sponsored by the Mannville Chamber of Commerce.

## Graduates In Elec. Engineering

Gary Hareuther son of Mr and Mrs. Albert Hareuther has graduated from the University of Alberta with his degree in Electrical Engineering. Gary has already accepted a position with the Federal Dept of Transport with headquarters in Vancouver. Gary with his wife and little son Dedi left on Thursday of this week for their new home.

## Off To Ottawa On Rotary "Adventure In Citizenship"

These three young ladies are the guests of the Ottawa Rotary Club this week in Canada's capital city on an "Adventure in Citizenship". Every spring the Rotary Clubs in Vermilion, Lloydminster and Vegreville, in co-operation with the Rotary Club of Ottawa, each send a student for a visit to the Parliament Buildings and many points of interest in the nation's capital. On their return the students are invited to speak at several club meetings relating their experiences.

Following being guests of the Vermilion Rotary at a noonday luncheon on Friday, Mr. Fred Stewart took the three girls and they are shown just boarding the super continental for the east.

From the left are girls: Miss Diane Almond of Lloydminster; Miss Kathleen King of Vermilion, daughter of Mr. and Mrs. John King; and Miss Beth Smolyk of Vegreville.

## CLEAN-UP

Residents of Vermilion are asked to co-operate fully in the spring clean-up campaign being organized jointly by the Chamber of Commerce and the Town Council.

The clean-up campaign is an annual event and all citizens are well acquainted with what is required of them.

The objective of the campaign is to make Vermilion neat, clean and attractive, a laudable aim indeed.

Many a visitor to Vermilion has made the remark "what a clean town". The annual spring clean-up has contributed not only this but has helped citizens to keep up the good work all the year long. Let 1965 be no exception.

* * *

## "KILL RATS"

The Norway rat is on the move. A colony was reported south of Islay a short time ago and another east of Kitscoty last week. There is talk also of a large rat colony central and that is to keep after them all of the time. It is everyone's responsibility to keep the area free of rats. Some people say it is impossible to get rid of rats. The Chinese said it was impossible to get rid of flies but they did it. They got rid of flies with much more primitive equipment than we have to eradicate rats. Signs, circulated along the Saskatchewan - Alberta boundary, are as capable of doing something as Chinese Communists or anyone.

* * *

## Children's Safety Responsibility of Adults

Children have an incredible ability to get hurt or killed. Sometimes it is the child's own fault but more often the responsibility is an adult's whose neglect allowed the accident to happen

Traffic accidents involving children are in many cases due to a child dashing into the road without watching traffic or obeying the traffic light. Poisonings may occur because the adults did not put medicines or household chemicals out of reach of the juniors.

Drownings can happen in very shallow water if children go adventuring.

The bicycle crowd can both cause, and be victims of, a traffic accident. Riding two abreast on streets or highway is dangerous and so is the common practice of taking a passenger either on the rear or front of the bicycle. A bike is a one person vehicle.

Insufficient lighting on the bike at night contributes to a death toll among youngsters. Every machine should have a light in front and reflectors on the back, with an extra precaution of luminous Scotch light tape to warn motorists who come up behind the bicycle.

* * *

## Car Check Time

During spring months the safety authorities hopefully encourage the motorists to have the tens of thousands of cars in this country checked for safety. Brakes, lights, tires, and all the big and little parts of a car should be thoroughly checked and rectified as to fitness. And most important of all is that extra part, the driver. While his car is being given a good bill of health, the driver might have his eyes tested and his general health given the once over — cases of sudden heart attacks while driving are not uncommon.

* * *

## Lack of Care Fire Causes

Last year, fires took the lives of 505 Canadians, 250 of them children. Property losses amounted to $146,114,180, according to figures released by the Department of Public Works. Few fires are due to natural causes, the majority being attributable to lack of proper care and precautions. Children playing with matches and lighters are responsible for many fires; lack of inspection of wiring and equipment in old houses contributes to many home fires.

## GREEN ACRES

By H. BEDLEY DOUGLAS
District Agriculturist

### SEED CLEANING PLANTS

The business of 46 seed cleaning plants was analyzed for the 1963-64 year by Alberta's Economics Branch. The plants included at Vermilion, Marwayne and Two Hills. Values were included of: (1) Risks Economists object to, as not high enough efficiency and volume of handling could be increased through enlarging the work facilities. There were two main risk factors contributing to the losses: (a) Fire during spring, a certain amount of volume was lost because plants were unable to do any more business. There is no way this could be released earlier, the volume of the plant could be increased and other methods available could be used to advantage. Cleaning facilities are built to handle most of the year in small, because it is during spring and a half or two months of the year. Increasing long hours and additional labor, during this season tend to be less efficient. In order to increase the economic success of the plant, it must be able to handle the maximum volume in the shortest possible time. This would require additional cleaning facilities, which would be used only for a few weeks each year. The latter they should be more efficient because they would be newer and more modern. Spring is the busiest season for most plants, April, May and June. This may produce a fire hazard. Most plants are not in operation all year, but it is necessary to maintain a high standard of safety.

### SMART BABIES

It pays handsome dividends to apply herbicides, 2,4-D and MCP early. In trials at the University of Manitoba, it appeared at the four leaf stage raised the wheat yield from 18 to 47 bushels per acre. When the spraying was delayed to the ear leaf stage the yield went down to 18 bushels. The acre. From this evidence it would seem that early spray-ing pays off. If you must spray wheat or barley earlier than the three leaf stage use MCPA.

### KILLING WILD OATS

The minimum cost of a wild oat herbicide is $2.50 per acre plus about 30 cents for sprayer, tractor and operator. This treatment allows a farmer to sow wheat at the optimum date of seeding and get the maximum yield. Before investing an additional $4 per acre the whole operation should be well thought out and planned. In this area it costs an average all costs (approximately) $25 per acre to produce summerfallow wheat.

## Agricultural Weather Forecast Has Resumed

By popular request the Alberta Agricultural Weather Forecast began its 40th season May 10th.

This service, very successful in whetting vote in favor of its continuance in a survey conducted last fall. Many of the farmers contacted wanted the forecasts on a year-round basis.

Sponsored jointly by the provincial Department of Agriculture and the Dominion Public Weather Office in Edmonton the daily forecasts are available by over thirty radio and TV stations from Monday to Saturday inclusive and also go to a number of daily newspapers. Each report covers a two-day forecasting period with an outlook for the third day. Whenever weather conditions permit, the outlook is extended to cover a further 4-day period.

The Agricultural Weather Forecast results of a farm weather synopsis and regional forecasts. The probable effect of weather on various operations is emphasized throughout. Such informa-tion has proved particularly useful during haying and harvesting operations. It is also very valuable for predicting insect outbreaks and enabling farmers to take the necessary precautions.

Last year a large number of listeners indicated that they would like the forecasts to be based on smaller agricultural regions. Although this is difficult from reports cover an extended period weather officials will try to indicate differences which are likely to occur within the Peace Parkland and Prairie regions.

A leaflet containing a map out-lining the three forecast areas and explaining how farmers can make the best use of forecast material is available from any district agriculturist's office.

Parents who are afraid to put their best down usually have children who step on their toes.

## Alberta Civil Service Makes Generous Grants

Miss Maria Moffett, Secretary of the Alberta Civil Service Welfare Fund Committee, has announced a number of grants made from the Civil Service Welfare Fund to the following charitable organizations:

Camrose Retarded Children's Society, $300. Marian Center, $200. Red Cross Society, $12,500.

The Alberta Civil Service Fund is maintained by contributions from all employees of the Provincial Government and, since 1941, a total of $1,538,500 has been granted to charitable organizations.

## Stabilization Board's New Butter Price

OTTAWA, April 29. The Federal Agricultural Stabilization Board has announced that its buying price for 40-cent creamery butter on a 6-cent basis will be 39 cents per pound, an increase of two cents. The increase will be made accordingly.

The effect of the Board's action is to reduce the federal consumer subsidy on butter from 10 to 8 cents. At the same time the subsidy was cut from 12 to 11 cents per pound on margarine. Hays said he did not think butter prices would be affected. In fact consumption went on to record production by 5 million pounds in 1964 after being in balance in 1963.

It is not expected that this change will have any significant effect on consumption.

The subsidy is paid by government to the milk producers through the manufacturing plants as "compensatory payment". It gives the producer the equivalent of 64 cents for his butterfat and it enables the retailer to set price tags below that level for the consumer.

The producers do not lose any benefits of the price support program by reduction of the consumer subsidy.

The new selling price means that compensatory payments to shippers of eligible manufacturing milk and cream for creamery butter production are adjusted accordingly, ranging from 13.3 cents per pound of butterfat paid in the 1964-65 dairy year, to 10.9 cents, effective with May 1st deliveries. The plants are reimbursed by the Board.

The famous Appian Way from Rome to Capua was wide enough to permit wagons to pass one another.

## THE ARTIST . . . And The Chief

By
Allen Monaghan, Consort Alta.

Somewhere near Raft Lake a very interesting meeting and conversation took place on the 13th of January, 1940.

Paul Kane, the artist, was traveling with a bridal party on the way from Fort Edmonton to Fort Pitt by dog team and cutter. The weather was cold and the snow was deep, about three feet on the average. Where convenient they travelled on the Saskatchewan River, where the river angled too far to the north they left it and travelled across country. They carried few provisions and killed buffalo for their daily needs. The sixth day they came upon Chief "Broken Arm", with his lodges of Crees.

"Broken Arm" is better known to Alberta readers by the Cree word for broken arm, Maskepetoon, as the McCreaghs knew him well and John McDougall, in his books referred to him many times by that name. The Blackfeet called him "More-guha-sose" or "The Great Chief" and Kerry Wood has written about him in the book "The Great Chief — Maskepetoon".

In 1840 Maskepetoon was already an experienced and well travelled chief of the Crees. He had been to Washington to meet the President of the United States, had crossed the Rockies to meet with Sir George Simpson at Fort Vancouver, he had met the Empress Maximiliani of Mexico at Fort Union on the Missouri River

Paul Kane had done his share of travelling too. Starting at what is now Toronto, he had travelled through the United States, sailing for Europe from New Orleans. He had studied painting in a number of centres in Italy and France. In 1846 he was on a transcontinental sketching and painting expedition which took him to the West Coast and on several side trips in the Pacific and Prairie regions.

What did the two travelers discuss in the lodge near Raft Lake?

Paul Kane has recorded one of the topics for us, the others we can never know. Isn't it remarkable that as we read it we can here echoes of ancient councils and modern conferences? The conversation could have taken place in this past January, it is so timely.

Maskepetoon told Paul Kane that he did not think that the efforts of missionaries amongst his people would be very successful. His idea was "that as Mr. Rundell (Wesleyan) had told him that what he preached was the only true road to heaven, and Mr Hunter (Anglican) told him the same thing, and so did Mr. Thebo (Roman Catholic) and as they all three said that the last two were wrong, and as he did not know which was right, he thought they ought to call themself among themselves and that he there would go with them all three, but until they agreed he would wait."

Maskepetoon would later die for his belief in peace, but in 1848, in the lodge near Raft Lake he was expressing his doubts.

At the Alberta Government vault, Honorable Raymond Reierson commences the validation of debentures assisted by Miss Alice Wilkes. The 2,000 separate debentures, representing the recent $10 million A.G.T. issue, require the signature of the Minister of Telephones for execution.

## 16 Years Ago Today

MAY 12th, 1949

On Tuesday, May 10th a group of Edmonton business men including Jack Ramsey, Tom Shandro, Don McLaughlin, Vern Hay and Ward, Don MacGregor and Maurice Fallow flew to Vermilion and met with a group of the local younger business men at a supper luncheon at George's Lower Deck with a view to forming a Kinsmen Club in Vermilion. With the formation of the club the following officers were elected: President, Keith Chalmers; Secretary, Lloyd Donnelly and Treasurer, Gerry Hunter.

Ab Sinclair, popular C.N.R. station agent here since 1942, moved out to Vancouver this week, having been transferred to the B.C. division of the railway.

A special meeting of the town council was held on May 9 with Mayor Pillar in the chair to consider accepting the recommendations of the steam heat committee that the town discontinue operating the steam heat plant as of May 31 1949.

* * *

The second annual Vermilion Musical Festival was held in the School Auditorium on Monday, May 9th and in spite of adverse weather conditions it was a well attended. Coming from the greatest distance to participate were the pupils and teacher of Jumbo Hill school, located 60 miles north-east of Vermilion. They had left their district at 5 o'clock in the morning, when they returned in the evening they took with them the Rural Demonstration Trophy as they were well recompensed for their efforts.

The gooey go-round purchased by the Rail Club for the town of Kitscoty, by the Vermilion Agricultural Society will arrive in town this week-end.

Signs of spring — Joe Wener is having a barn constructed at his residence in the west end. The work is being done by George Furness.

* * *

## 32 Years Ago Today

MAY 13th, 1933

Sparks from a stove pipe ignited a strawpile causing heavy loss at the farm of George Hall, man. north of Vermilion. A barn containing six horses, harness and several pigs was completely destroyed at noon on Friday. The horses were valued at $1700 and the total loss was over $1800.

The annual meeting of the Columbia Theatre, W. P. Pillar has very generously offered the entire proceeds of the opening evening of the new serial "The Shielding Shadow" which will be produced May 25th, for the very worthy object of buying furnish ings for the Vermilion Hospital.

Arbor Day was celebrated on the Grassy Lawn Reserve by the planting of over 5000 trees for windbreaks.

* * *

## 40 Years Ago Today

MAY 10th, 1917

Rigid economy in the matter of fuel and lighting is the order of the day at the Vermilion Hospital. Owing to the high cost of coal and coal oil, the Hospital Board has decided to close the hospital for the summer months, and only open it in case of emergency.

Mr. Wm. Hall, who has been in charge of the Bank of Commerce here for the past two years, has been transferred to Edmonton, and left on Monday for the capital city.

Mr. Hall has been a very popular citizen, and has taken a keen interest in all matters pertaining to the welfare of the town. He has been a member of the Board of Trade, and was also a member of the Vermilion Rifle Club.

Mr. Hall's successor has not yet been appointed.

## Mother's Day At The Alliance Chapel

Mother's Day was observed in all the services at the Alliance Chapel on Sunday, May 9th In the Sunday school many of the scholars took part, paying tribute to mother in readings and recitation

Pastor Bell preached at both services, his sermon titles were "A Salute to Mothers" and "The Almost Christian". Mr. Albert Mix sang a solo in the morning service. The singing was accompanied at the piano and organ by Mrs. Bell and Ken Tovell

Reports of the recently held women's rally were given in the morning service by their presidents, Mesdames F. Dibben and Al Curtis. Brian Harrison spoke briefly in the evening service about his experiences in Bible College and his future plans. A special offering was received in the morning service to help defray expenses of moving and settling missionaries' children in Viet Nam. Because of unsettled conditions in that country it has been necessary to take these steps and the children are from Dalat, Viet Nam Bangkok, Thailand, as a result of about $75,000. The operation has already been accomplished without incident with the great help of the Ament ran Air Force.

Wednesday, May 5 saw women of about ten Alliance churches converge on Vermilion for their annual Missionary Rally. The Theodore Jackson auditorium at 10 a.m. Guest speakers were Mrs. David Thet, Edmonton Mrs. Florence Lindbergh recently returned from Germany and Miss Annie Shaw, missionary with the Wycliffe Translators in Peru, S.A., now home on furlough.

Vocal selections were by Mrs. R. Tibbury, Mrs. A. Stauffer and Mrs. J. Bell. A short skit on the rally theme "What Both the Lord Requires of Thee" was presented by several of the local ladies. The chapel was tastefully decorated with curios and items of missionary interest At the noon hour a banquet was held in the Legion Hall, the evening meal was served in the lower auditorium of the chapel Al together about 85 women were in attendance, including a large group from the Mervs Alliance Churches in Edmonton

Pastor and Mrs. Bell left Sunday afternoon to attend the 7th annual council of the Christian and Missionary Alliance being held in Minneapolis May 12 to 17

# Geo. O'Brien Guest Speaker at Mannville C. of C. First Banquet

MANNVILLE A turkey banquet served by the Happy Hour W.A. of Christ Church, was followed by a number of residents of Mannville and district who are interested in having a Chamber of Commerce in Mannville

This was held on the evening of May 5th at 6.30 p.m. Rev. Bowbon asked the blessing. Seated at the head table were Dr. David Hasinoff, M.D., Mayor of Mannville, Mr. George O'Brien, Director of Public Information for the Canadian Utilities and guest speaker of the evening, Chamber President, Bryan Cork sry. first vice-president Mac MacLeod; secretary - treasurer Rev. W. A. Swinton and executive members Harold Corkle and Mrs. Laidler.

President Corkery called the meeting to order and introduced the guest speaker of the night to be both clever and most interesting.

Mr. O'Brien, who is very well acquainted with Chambers of Commerce, said in part, that a Chamber of Commerce, if it is to succeed in performing the duties that it is possible for an active organization to do, must have first a beliefs and be qualified to substantiate those beliefs with active programs. No other organization, in Mr O'Brien's opinion, has the material from which to draw that a Chamber of Commerce has. Therefore, it is vitaly necessary that this material be utilized to the fullest extend if the Chamber is to be of maximum service to the area from which it is derived. He stressed the value and great importance of a community having a Chamber of Commerce and need is ever lasting. He said if and when the president called for the members to act on commit tees that they should be willing and ready to give of themselves to do the best that could possibly be done

At the conclusion of this most thought provoking address Mr. O'Brien was sincerely thanked by the president given a hearty handclap before he and his companion, Mr. Nicolls, manager of C.U.T., at Vermville left the meeting to be on their way.

At this time, the general meeting of the re-organized Chamber of Commerce took place where the business of the meeting (at which it was decided that a Chamber be formed) and a banquet held were read and accepted.

**INTERIM EXECUTIVE**

The present executive was then increased with the election of Mr. Les Rowe as vice-president. Mrs. P. Laidler was given the office of publicity director. It was decided that the membership fee be set at $10.00 per person for gentlemen and $5.00 for ladies.

The meeting place is to be the Mannville Hotel Coffee Shop, by kind permission of Mr F. Maier The day set is the third Thursday of each month at 8:30 p.m. sharp. Next will be served by Linda's Coffee Bar.

**COMMITTEES**

Suggested committees at this first meeting were an Agricultural Committee, Industrial Committee and a Commercial or Retail Committee.

Plans were made in regard to bringing other businesses to the village and the appointment of a resident veterinarian are to be

**WELCOME WAGON HOSTESSETTE**

A Welcome Wagon Committee was chosen and also finalized at the meeting Mr Wilson of the Brewer Lumber Co. was introduced by the President and given a hearty round of applause in appreciation of his generosity and a welcome to the village

**BEER GARDEN COMMITTEE**

A Mannville Committee was also chosen They are Messrs. Ron Allingon, Ed Clubber Howard Cornfield, Les Bramley and Fred Proudfoot. If anyone is interested in the betterment of the village and district, and in being instrumental in making the Village of Mannville a place in which more people may desire to set up a business, also to retire in, now is the time for any suitable members do not wait to be asked. The Mannville Chamber of Commerce needs you.

**SPIRIT OF ENTHUSIASM**

Chambers of Commerce are born of enthusiasm and the need for achieving some community project Their continued existence and duly service to the community depends on the everlasting teamwork of its members.

**TODAY'S ACTIVITIES FOR TOMORROW'S NEEDS**

Just as at traveller has his printed map, an artist has his plans and blue prints, so the Chamber of Commerce has its program of work. It is the duty of today's activities for tomorrow's needs The best thought of the community should be put into action; and a good dried program can be set up for all communities—each must suit the local needs

To not sit back and wish for action be a part of the action Instead of Mannville being one of the best little towns in Alberta to help to make it The Best

Miss Shelley Brownlee of Vermilion, Boy Scouts are holding a car wash at Jim's Shell Service The car wash which will mark the return of the Club from their Job for Jamboree will be held from 1.30 to 5 p.m.

Mr. John Williams, Manager of the Canadian Salt Plant at Lindberg.

# Salt Plant Manager Speaker at Rotary

Shown above is Mr. John Williams manager of the Canadian Salt Plant at Lindberg, who he addressed the Vermilion Rotary Club on Friday last. Mr Williams was introduced by Charles Heckbert and thanked by Dou Mirsault.

Mr Williams gave a most interesting talk on salt production in this area. The manner in which the salt is extracted through the plant at Lindbergh, and the vast expansion which has taken place in the salt plant since it commenced operation there At that time the production was 25,000 tons per year and this has now been increased to 80,000 tons. A further expansion to the Lindbergh plant is being planned for next year. The salt deposits underlying the Lindbergh and Vermilion areas are sufficient to supply Canada for 2000 years.

There are 60 people on the staff of the plant with an annual payroll of $300,000.00.

Mr Williams showed an interesting films which depicted the complete process of mining, refining, packaging and distribution of salt

**WHEAT VARIETIES**

Beginning August 1 this year, the Board of Grain Commissioners has ruled that no several unlicensed varieties of wheat will grade no higher than No. 4.

Among the varieties are Prairie Pride, Spinchota, Centana and Preston.

**ICE CREAM "SOAPY"**

With the song of birds and blossoming of the trees, thoughts turn to summer and all it stands for For the children, summer is time for ice cream in its hundreds of different flavors and textures.

What is ice cream made of? We all know that by combining cream with milk solids, sugar and flavoring, and whipped in to this mixture while it is being processed and stored, quite fine or some other stabilizer is added to the ice cream to give it a smooth, even texture

Nutrients in ice cream are similar to those found in milk This ice cream is a good substitute for children at times who do not enjoy milk as a beverage

**TO STORE ICE CREAM**

Ice cream should be stored at zero degrees F.

To serve, let the ice cream soften slightly in the refrigerator Standing improves the flavor also

Have you gotten handy with the scoop? When the variety stacks of cones to your hungry brood or friends come, do not use a wet scoop. Droplets of water form undesirable large ice crystals in the ice cream.

Always put the lid securely on the container before freezing.

**SODAS AND SUNDAES**

Have you a 'soda jerk' around the house or ever wish you did? With some soda, an assortment of syrups, milk and ice cream, the classic sodas can soon be mastered Just add the desired amount of each, stir, add straws and serve

Other flavors to delight soda lovers are instant coffee, strawberry ice cream and sweetened strawberries; lemon or lime sherbert and lemonade; chocolate and chocolate ice cream, chocolate milk and peppermint candy. Combine these with chilled soda water and watch the appetites disappear.

**IN MEMORIAM**

Once again the time has come around this district for an annual 4-H Homemaking Clubs to display their achievements during the past terms.

These young girls and boys have worked very hard on their sewing or their cooking and deserve such credit and appreciation. Not only have they been learning the finer arts of homemaking, but they have been provided with spirit and support of their leaders and parents.

To all those who helped in any way we extend our thanks for the time and effort they have given to these young people.

Mrs. G Pullen accompanied Mr. and Mrs. H. Sherk and family to Edmonton Monday, April 26th. The three girls Candace, Marilyn and Eileen entered the Music Festival and the results were very gratifying. Candace, 97 points, Marilyn 83 and Eileen 85. Candace came second in her class and was given a certificate for her efforts. They returned home on Tuesday.

Cpl. Jim Smallwood of Camp Wainwright spent the Mother's Day weekend in Vermilion visiting his mother, Mrs. F. Smallwood, and sister Frances (Mrs. Al Zerbet,) and family south of town.

Mrs. Frank Donald returned recently from Regina where she had visited her mother Mrs. Jean Kreiker who is a patient in the Regina General Hospital.

Mrs. Don Eisdonen, of Grizzly Bear Ranch, accompanied by her daughter Mrs. Wm. Urwin and grandson Ronald, Mother's Day weekend visiting Mrs. Kostenuk's mother in Saskatchewan.

Mrs. Marie Dryden who spent the winter at Oliver, B.C., returned this week and will remain for a while visiting her daughter Mrs. A. Van den Ludder and family of Lake Vermilion Eddie and Chris of Lloydminster, and Jim and family south of Vermilion

**IN REMEMBRANCE**

In loving memory of our dear baby

**BRENDA LOREE**

who passed away May 13, 1963.
Memories are treasures
No one can steal.
Death is a heart-ache
No one can heal.
Some may forget you
Now that you are gone;
But we will remember
No matter how long
Ever remembered by Daddy, Mummy, Randy, Shelly and Darrin.

**IN MEMORIAM**

In loving memory of
**ROY C. STEWARK**
who passed away May 28, 1963.
"So many things have happened
Since you were called away,
Things that you would have enjoyed
Had you been left to stay.
So many things to share with you
In just the usual way,
Things that could have been so much nicer
If you were here today.
We cannot bring the old days back
But God has given us wonderful memories
Of one we loved so much.
Ever remembered and sadly missed by the family

**IN MEMORIAM**

In loving memory of
**SONJA PARSLOW**
who passed away May 16, 1960
A life ended with my own.
Day by day I miss you more
As I walk through life alone
Ever remembered by his loving wife, sons, daughters-in-law and grandchildren

**OBSERVE 30th ANNIVERSARY**

Mr. and Mrs. Harry Van den Dolder observed the 30th anniversary of their wedding May 7. They left Wednesday for a trip to visit members of the family in Penticton Oliver and Vancouver.

S. Carl Heckbert was in Edmonton on Monday evening to attend the first annual banquet of the Winston Churchill Society which was held at the Macdonald Hotel on Monday evening. The guest speaker was Field Marshal Lord Harding, the distinguished British Army officer and former chief of the Imperial General Staff and Commander of British Land Forces in the Far East. Lord Harding came from England to address the gathering of over 500 men.

Dr. and Mrs. R. N. Elden and son children of Edmonton visited their parents, Mr. and Mrs. J. L. Jones in Mannville and Mrs. Lillian Elden in Vermilion, over the Mother's Day weekend

The annual report of the Canadian Red Cross Society, Alberta Division, for the outstanding divisional record recently received from Mrs. F. Alborn of Elk Point Mrs. R. Lesley of Kitscoty Mrs. P. Laidler of Mannville Eddie and Chris of Vermilion F. H. Buckingham is a member of the Blood Donor committee

Mrs. Harriet Jenkins of Kitchener, B.C. and formerly of the Island Hill district is visiting her sons Edgar Williams and Herbie Williams and their families. She is accompanying her as two daughters Mrs. Phyllis Page of Radium Hot Springs and Mrs Gwen Smith La Fortune and her small daughter, Cheryl.

Mrs. Al Moss of Edmonton spent the week-end at the home of her mother, Mrs D. Cumming.

Mr. and Mrs Maurie Van den Dolder of Oliver, B.C were visitors in Vermilion and Lake Vermilion for a few days this week on a trip way made by car. They started the return journey this Wednesday and were accompanied by Maurie's grandparents, Mr and Mrs H Van den Dolder who will spend a holiday in B.C

**IN MEMORIAM**

Murray Kurek of Edmonton spent last week-end visiting his grandparents Mr and Mrs Ash ley Cleaver and his Aunt Lillian

Sympathy of their many friends is extended to three pupils of Vermilion who have recently received by the death of their father in Lloydminster whose father passed away in Calgary Mrs Darolin Webb is the death of her father in Lloydminster and Mr Fred Stewart whose mother passed away in Edmonton

**WINS IN ESSAY CONTEST**

Mrs. Ruth Chapelon of Mayerthorpe Herb School was one of the prize winners in the fifth annual Alberta Hereford Assn. Essay Contest sponsored by the Alberta Junior Hereford Association. The contest was open to all students in the province. The topic was "Why I Like Hereford Cattle"

Ever remembered and sadly missed by the family

**IN MEMORIAM**

In loving memory of a dear father and grandfather
**RICHARD SOWLEY**
who passed away May 13, 1964.
He has gone upon a journey
To that bright and happy land
Where a road that's calm and peaceful
Is guided by God's loving hand.
As we loved you so we miss you
In our lonely hours of pain
Your smile and your kindness
We'll always remember you

Your hand we cannot touch,
But God has given us wonderful memories
Of you we loved so much.
Ever remembered and sadly missed by the family

# Supervisor Attends Music Conference

Alberta was the host province for the ninth conference of the Canadian Federation of Music Festivals. Held in Calgary April 25th to 28th, the conference was attended by delegates from each province in Canada. Over 150 delegates were present from Nova Scotia to British Columbia.

Each province of the conference was scheduled with an hour's time to discuss matters of interest concerning music festivals in their province. Reports, presentations by representatives from each province, panel discussions, demonstrations on such topics as "Should Sight Reading be Required?" and "Should String Students Play Music in the Elementary Grades?" were among the many others A total of twenty-two hours were spent in the Palliser Hotel Ballroom during the conference.

Highlight of the conference was the Role of the Solo Festival in Music Education" panel discussion held on Tuesday evening at the Jubilee Auditorium. Guest Conductor at the Wednesday evening concert was Dr. Sidney Fox, Director of Choral Music at the University of Utah. Dr. Fox's subject was "Choral Music in the Elementary School" and Five Girls Choirs from Calgary and Edmonton participated in the concert.

Mrs. Dorothy Lamb, Provincial Director of Alberta and Mrs. Ruth Chapelon, Provincial Secretary attended the conference as delegates from Alberta.

## Traffic Safety Conference in Session

A delegation of five, representing the Alberta Safety Council, are in Winnipeg to attend the Canadian Highway Safety Council Conference. The Council's first meeting is being held at the Royal Alexandra Hotel.

The Alberta delegation is headed by Fred B. T. Stephenson, recently elected president of the province-wide council. Others include R. P. Lawrence, general manager of the council, R. D. Jorgenson, M. L. A., and past president of the safety movement; B. M. Hutton, Chairman of the council's Traffic Safety Committee and City of Edmonton Traffic Engineer and Mrs. L. P. Festa, co-ordinator of women's activities for the council, Miss Gordon Taylor and several others.

Resolutions include: 101 Brian Tacker, Legislation to control the drinking driver. Driver licensing; School bus operation and use of school bus patrols. Improving adult driver performance. The human factor in highway safety; A uniform traffic code for Canada. Recent findings by Cornell Crash Research; Carol Lane awards; A new look at motor vehicle inspection. Safety in the Elk Point Area.

The twelfth annual conference will be held at the Palliser Hotel in Calgary May 2 to 4 next year

## Mannville Teacher Attends English Council at Banff

MANNVILLE — Mrs. Willis Rea attended the English Council at Banff on April 22 and 23. About a hundred and twenty-five attended the conference. Although most of the delegates were from Alberta, there were teachers from British Columbia, Saskatchewan and Ontario. The main speaker of the conference was Robert F. Hogan. He is associate executive secretary of the National Council of Teachers of English. His topic was "Trends and Traditions" in today's teaching of English. He outlined many of the problems in the United States, problems very similar to problems in Canada. The banquet speaker was Dr. M. Huston, Dean of the Faculty of Pharmacy of the University of Alberta, Edmonton. Other speakers were Lou Wilson, Merron Chorney, Dr. E. Buxton and the Honourable Randolph H. McKinnon.

## Expo 67 To Recruit 400 Women For Guides

MONTREAL. Expo plans to recruit its 400 hostesses and guides from across Canada.

A team of Expo personnel will travel across the country in the fall of 1966 making its selections. Measurements of successful candidates will be taken at that time so that the uniforms can be made during the winter months in readiness for the April 28th opening.

Recruiting will be done through the National Employment Service which has offices across the country including 34 on university campuses.

Applicants must be bilingual. And they must be tall. Expo is looking for hostesses from 5'6" to 5'11" tall and between 18 and 25 years of age. Candidates are expected to have an agreeable manner an aptitude for dealing with the public, a pleasing appearance, a good physique and good posture.

Expo will give an intensive training course prior to the exhibition's official opening and this training will include physical conditioning.

"They will be doing a lot of walking here at Expo agreed Patrick MacLeod, who heads the Host Services Division, explained. The 325 hostesses will be used in three main areas as guides in the theme pavilions, at information centres and to escort official parties. The duties will be rotated during the six months of Expo.

A special group will be hired as interpreters and will speak 25 languages among them.

Other pavilions will require guides and hostesses too. In fact, there will be about 2,900 of them on the site in 1967.

## Confederation Caravan To Visit 80 Communities

Ronald Power, an engineering student of the U. of A. has been appointed by the Canadian Centennial Commission to coordinate a survey of sites throughout the province of Alberta which may be visited by the Confederation Caravan in 1967.

It is felt by the Commission that this survey is an important phase of the overall Caravan project, inasmuch as it will insure that these sites, selected by the Centennial Commission, will provide the best possible facilities to enable the greatest number of citizens to view the Caravan.

As more than eighty communities in the Province of Alberta have been selected by the federal commission as Caravan sites, this survey will require up to four months starting the first week in May. Each community has been notified in advance of the surveyor's visit and his future itinerary will be published in forthcoming issues of the Alberta Centennial Bulletin.

Although this week is being done in connection with a Federal Centennial Project the Alberta Committee is cooperating fully in the interest of ensuring a successful survey of the sites, and, ultimately, successful visits by the Caravan in 1967.

Tuna residents can fish on 300 sunny days in an average year.

## "John For Bob" Will Help Clean -UP Week

With Vermilion's Paint Up, Clean Up campaign scheduled for next week, cleaning with the pick-up day Wednesday, May 26, the public is invited to get the Scouts to do some of their clean up work.

If you have a Job for Bob get in touch with any member of the Scout Group Committee or leave a message with Mrs. Shipperley Murray at 853-3580 between 9 a.m. and 1 p.m.

## ISLAY LOCAL NEWS

Sympathy is extended to Mr. Wellington Barnett and family in the passing of wife and mother last Saturday in Vermilion.

Mr. and Mrs. Geo. Leyton were visitors with the Kennedy family last Friday evening.

Mr. and Mrs. Ed. McFadyen were visitors to Waterwright to see the former's mother who is a patient at the Auxiliary hospital there last Sunday. They went on to Czar to visit the latter's brother and family, Mr. and Mrs. L. Axley.

Mrs. Bert Gould accompanied by Mrs. A. Gillies were visitors to Vermilion on Mother's Day with daughter Jean and family, Mr. and Mrs. Keith Inman.

Mr. and Mrs. Wm. Axley and son Billie went to Dewberry to see their parents, Mr. and Mrs. Morton last Sunday.

The farmers are wowing early and late to endeavour to get their crops more before the season gets too late.

The Byrt well drilling outfit from Lloydminster is expected in this locality to drill for water soon.

Noticed on the golf course in Vermilion last Sunday, several golfers from Islay district.

Mr. and Mrs. Alex McFadyen were supper guests with the latter's parents, Mr. and Mrs. Anderson in Vermilion for Mother's Day.

Greetings are extended to Mr. Omar Easton who will celebrate his birthday on Thursday, May 13. May he have many more happy years.

Spain had a flourishing textile industry in the 16th century.

Courage doesn't consist in feeling no fear, but in conquering fear.

## Lloydminster Lady Wins $900.00 In C.O.F. Bingo

The annual bingo sponsored by the Vermilion Foresters was held on Wednesday, April 28th and attracted a large crowd of bingo fans, all hoping of winning some of the large cash prizes. The evening proved to be a profitable one for the ladies as they won eight of the twelve prizes including the grand prize.

The ten games ran through smoothly under the able direction of auctioneer Ken Knight, who came from Alix especially for the event.

**PRESENTATIONS**

At half time Mr. Lloyd Engelking, Chief Ranger for the Foresters, made presentations to several young hockey players who were outstanding on their respective teams: to Billie Isley, the most valuable player and captain of the Foresters; Damian Isaac and to Kenny Williams and Danny Wilson as the most outstand ing sportsmen of the Mite team.

**GAME WINNERS**

Winners of the bingo games played were: (\$100 prize): Harry Yacyshyn, Derwent; Mrs. Burns, Wainwright; Mrs. Jim Wallington, Vermilion; Mrs. Pete Thiessen, Vermilion; Sandy MacMillan, Vermilion. Game No. 6 for \$300 was won by Mrs. Grover Halterman; Carol Gartner of Vermilion was the winner of \$100 door prize which was drawn at the half way mark in the bingo: Mary Hall, Derwent; Russ Cowgills and Jim Brady split, \$25 each; Mrs. Clyde Hicks: \$800 grand prize was won by Mrs. G. Sandberg of Lloydminster.

Irvin Cooke, chairman of the bingo committee, is to be commended for a well organized and efficiently run event.

Leo Cambridge proved to be the super salesman for selling bingo tickets, outselling anyone else many times.

**TO DEVELOP PLAYGROUND**

The Foresters extend thanks and gratitude to all those who attended to make the bingo a success. It is hoped with the proceeds, to begin development of kiddies' playground in the east end of Vermilion.

Academic proficiency, suitability of personality and financial need are all considered in awarding the bursary. Please address all inquiries to Mrs. T. Jackson, 7827-154 St., Edmonton. Applications must be completed and returned by June 1st.

## New Symbol For Alberta Pacific Elevator

The world's tallest billboards will get a new look starting with the arrival of spring weather. That's the word from G.H. Sellers, president of Federal Grain Limited, largest investor owned grain elevator company in Canada.

Federal Grain and Alberta Pacific Grain who operate 740 elevators in the three prairie provinces plan to display a new symbol a solid triangle enclosed in a circle on each elevator.

"The circle reflects the complete service we offer farmer customers," Mr. Sellers explained, "while the triangle symbolizes the mutual benefit relationship between the producer, elevator company and grain buyer.

"The companies decided to adopt a new symbol," Mr. Sellers said, "to establish an identifying mark on the elevators our past name no

"They want their elevators to stand out distinctively as a distance and be the nearest and most attractive looking elevator in town," he said. "We agree with their thinking and in more as dry weather hits the prairies, we will launch our program."

## Potash Property To Be Developed

The Consolidated Mining & Smelting Company of Canada Ltd. made public its intention to bring into production its potash property at Belledo, 20 miles southwest of Saskatoon, Construction is the first Canadian-based firm to develop a western Canadian potash resource.

During the acute stage it is often best for the child to be confined for in hospital. While measures will be in the order of 1,000 per year and will be readily increased, the date sometimes it is necessary to require a capital expenditure of about $65 million. Shaft sinking follow the child's progress for is expected to commence some time in special tests which this year and will be completed you would be scheduled for early production by 1968.

# Health Unit Notes

Part II

### POST RHEUMATIC FEVER IS TREATED IN CHILDREN

There is no drug which can cure this disease However, medicine can be given to relieve the joint pains and the nervous symptoms. Time has been done treatment consists of a long period of rest in bed.

Another reason for putting the child in hospital is that it is often difficult for families to provide complete bed rest and 100% care at home. There may not be space to give the child a room by himself or his mother may not have time to give him special care and also look after the rest of the family. A rheumatic child has to get used to doing "nothing". He is unlike children in the family who are well and active.

Sooner or later however the child will come home but will have to continue to live in bed for a while. Continued medical supervision is important because it is sometimes possible to tell for some time whether the child has been damaged by rheumatic fever. Sometimes a child will appear to have had this disease simply because he has had attacks of rheumatic fever and his activities are restricted unnecessarily. This can be avoided by thorough investigation of the patient after the attack is over. Another attack on the important consideration is to prevent heart disease and a long period of rest is the best known way against permanent damage.

After an attack it is most important to prevent other attacks of rheumatic fever. A normal child will not have this to wholesome results of rest, good food and exercise will his doctor's approval. Diseases like tonsilitis must be treated and controlled. Children may be protected from repeated attacks of rheumatic fever by taking small doses of a sulpha drug or penicillin regularly. The decision as to whether this is advisable for any child who has had rheumatic fever

## Report From by C. S. Smallwood, M.P.

# Parliament Hill

C. S. SMALLWOOD, M.P.
Battle River-Camrose

In this report from Parliament Hill I would like to put before you my views regarding the Canada Pension Plan and my reasons for opposing it. I feel that the government should have waited for the report from the economic council before they introduced this plan in brief, might I say that this plan leaves out old age pensioners of today and many other thousands who really need assistance.

The following are excerpts from my speech given in the House of Commons on the evening of March 25th.

The government has plunged ahead with enthusiasm to have this measure.

The minister was in a state if frenzy immediately after the announcement to get a plan — any kind of plan before the public.

They brought forward a half baked scheme that was immediately shot down in flames by leading members of every labor and the provinces.

They couldn't sell it to the provinces.

Mr. Lesage got them off the hook by producing a version that was acceptable — the other pan was not.

It was accepted because it offered a tremendous fund of $8 billion dollars into which the government could dip with no fed eral control.

That is one of the mysteries of this plan.

What control do we as a Parliament exercise over the disposal of this fund?

As far as I can make out, the answer is none.

### EVERY PERSON TAXED

Those who are taking every person in Canada who has a job or business or farmer or fisherman will pay a tax of 3½ cent from his payroll cheque in order to set up a huge fund into which the federal government would keep the support of the provinces.

### PAYMENTS ARE LARGE

Payments are large.

People are being taxed twice what they ought to pay in regard to the benefits they are receiving simply so this fund can be established.

I can tell them that many others will only qualify for a few dollars a month.

That is another of the short comings of this plan.

It gives to those whose need is less and gives little or next to nothing to those whose need is greatest.

The minister may not be aware of this but farmers do not get generally earn an income that would enable them to qualify.

Therefore they get nothing, merely in view of these short comings it would be simpler were however, easier to administer by simply increasing the present flat-rate pension so that at least all who are now pensioners; and those would otherwise get little would at least get something.

I understand also that this plan will require every Canadian to carry a card with a number on it and that that number will be made available to the Income Tax Department which will be collecting the revenue for this plan.

I want to say to the minister that I come from a long line of Canadians who are not accustomed to carrying a card with a number on it. There are many people in my riding who have had experience in other countries of being required to carry a card having a number and other identities of this country.

Supersonic Jet Wings Of The Future

tion of the 1,454 m.p.h. Concorde supersonic jetliner that Canada and Europe in two and a half hours flying time. Artist's impression shows the graceful delta planform for the prototype Concorde in well underway. Aviation officials in Britain and France have placed orders for a total of eight aircraft, with options on a number of others. Aviation experts predict that the supersonic wingtips of the Concorde will produce a sonic boom as the aircraft's length will be 193 feet, and the total weight 230,000 pounds.

The second prototype of the Concorde is scheduled for early 1967, and Air France, which has purchased eight Concordes, has ordered transatlantic passenger service for 1971.

The current cutting and sewing machine of Concorde parts is an extensive program of aerodynamic production which began in 1962. To date, more than 1,000 different ingredients parts have been put through wind tunnel tests at the Aerospatiale Research Centre at Toulouse, France. Now, sub-contracts are being awarded for design systems including the electronic, air conditioning, radio and navigation systems, and the wheels and tires.

Test programs have also been launched for the Concorde's electric and hydraulic systems, and in 1966, static ground testing of the jetliner will begin in Toulouse.

When transonic speeds become operative in 1971 Air France's Concorde jetliners will accommodate 118 passengers and the Concorde will cruise at altitudes of almost 70 miles a minute at a maximum altitude of 60,000 feet.

# 1,333 Take Out Crop Insurance

A total of 1,333 farmers have insured their crops under Alberta's new crop insurance program. This figure represents 45.3% of the eligible farmers in the three test areas. The deadline for applications for insurance was April 30.

E. A. Patching, general manager of the Alberta Crop Insurance Corporation said he was pleased with the response of farmers to crop insurance being offered this year for the first time in Alberta.

### LIABILITY $9,350,000

The total liability of the Corporation would be nearly $9,500,000 and the premium income, including the 30% share paid by the Federal Government, will be over $900,000.

Mr. Patching said the, in the Vulcan - Nobleford area there was a 52 per cent s gn-up, in the Pemaka - Lacombe area, 45% of the eligible farmers were participating and in the Raniurly - Vermilion area 34% of the eligible farmers insured their crops.

### MINIMUM RETURN PER INSURED ACREAGE

Under this program offered by the Province of Alberta, with the backing of the Federal Government farmers are assured of a minimum return from their insured acreage. The amount of the guarantee and the premium farmers pay varies with the crop — whether wheat, oats or barley — the area, type of land and whether it is sown on summerfallow or stubble.

Protection is provided against losses caused by natural hazards such as drouth, flood, hail, insect pests and disease.

### TYPICAL COVERAGE

Typical coverage or guarantees for wheat sown on summerfallow in the Vulcan area is $25.80 per acre for a premium of $1.33 or $1.68 per acre which varies depending on the risk.

In the Lacombe - Pemaka area, typical coverage for barley on summerfallow is $13.85 provided at a cost of from 68 to 82 cents per acre, again depending on hail risk.

In the Vermilion area, typical coverage for wheat on summerfallow is $15.80 per acre for a cost of $1.22 to $1.37 per acre

## WILDMERE WINKS

Everybody is busy these days with spring work. Several expect to begin seeding this week

Lionel Hibbs has a new start on a new house. Paul Contractor is doing the work.

Jeanne Hodgson spent a few days at home with her parents Mr and Mrs Dave Hughes after university closed prior to going to her summer job at the hospital in Red Deer.

Allister Crothers left on Sun day following a visit spent at the home of his parents Mr. and Mrs Cliff Crothers. He will join a survey crew working out of Westlock.

Joan Hibbes spent the week end at her home with her parents Mr and Mrs Ken Hibbes.

Mr and Mrs. W. J. Garnett were supper guests at the home of Mr and Mrs. W. D. Garnett in town on Sunday

Mr and Mrs. Dan Ford and Kathleen from Edmonton were week-end guests at the Gibson home visiting relatives in town and in the Tolland district

A nice crowd greeted the new student minister Sunday. Come Rev. and get behind this man in his chosen field. Service is held every Sunday at the church at 10 a.m

Macfarlane Dean Emeritus of the Faculty of Medicine at the University of Toronto will receive the honorary Doctor of Laws degree A Convocation The which follows completes the Spring Convocation events.

There were 772 pupils in Canada's 32 schools for the blind and 2,581 pupils in 19 schools for the deaf in the 1963-64 school year

The three leading classifications of federal government expenditure are: health and welfare 38.6 per cent defence 19.9 per cent debt charges 11.2 per cent.

# Large Increase In Loans To Students Expected In 1965

A substantial increase in the amount of awards and loans to Alberta students is anticipated this year, following a change in the Student's Assistance Act announced by Education Minister Hon. R. H. McKinnon. The Act governs the Alberta Scholarship Education Scholarship Fund. It is administered by the Student's Assistance Board, which also handles the administration of loans under the Canada Student Loans Plan.

During the fiscal year ending March 31st this year, expenditures under the two plans will total approximately $3,300,000 as compared with $1,941,000 the previous year.

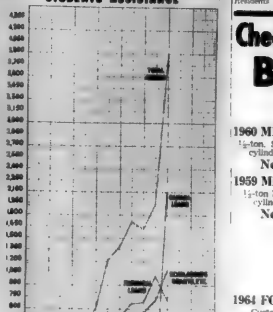
A total of 11,000 awards and loans were made in the 1964-65 fiscal year. The 5,400 provincial awards accounted for $1,100,000 and 5,600 federal loans totalled $700,000. Another 4,300 loans totalling $2,100,000 were approved through the Canada Students' Loans Plan.

During the new regulations assistance has been expanded in several areas. Province of Alberta Matriculation Scholarships and Province of Alberta Undergraduate Scholarships were previously limited to 300 in each category. These ceilings have been removed and sufficient funds provided to cover every student in both groups with an average of 75 or better. These scholarships are valued at $100 each and may be increased up to $1,200 financial need exists. The grants are awarded on the basis of the previous year's average and financial need.

Structure of the grant plan has also been changed. Now the dependents with an average of 60 to 64.9 receive grants up to $200. Those with averages over 70 may obtain grants up to $400.

University students may also be certified as eligible for loans up to $1,800 per year under the Canada Student Loan Plan, either separately or in conjunction with a provincial grant or scholarship.

Vocational students will also reap benefits under the changes announced. Grants are available at one of the provincial institutes of technology, students at agricultural and vocational colleges and apprentices who receive loans up to $1000 in any school year under the Canada Student Loan Plan. Those not eligible for these loans may obtain provincial loans through provincial plan. Provincial grants to these students have been increased from $300 to $400 for those standing in the top quarter of the class and from $200 to $300 for those in the second high est quarter of the class Students in apprenticeship are also available in addition to loans and grants. Prizes to worthwhile scholastic high achievement in courses have been increased Bursaries are available to sons of the Bandt School of Fire Arms and a new worker in the provincial jail also provides loans up to $1000 a year to indentured apprentices and tradesmen



# Marwayne News

(Held over from last week)

Mrs. Dalgleish had the misfortune to break the ice while bringing cattle on Monday, April 26. The following day Terry Frank fell as thrown from his horse breaking his ankle in two places. Terry succeeded in dragging himself to the house and phoned for help as there was no one home. Both men are in hospital.

Congratulations to Mr. and Mrs. Mike Harewerck on the birth of a daughter in Marwayne Hospital, Monday, Apr 19

More visitors here for Easter were Mr and Mrs. Arnold Krill and daughter of Smoky Lake at the home of their parents Mr and Mrs. Geo. Krill and Mr and Mrs. Johnnie Harewerck and children visited with their parents, Mr and Mrs. J. Ramsey Mr and Mrs. Ferguson, Mrs. Ferguson went back with them for a short visit.

Mrs Sally Lee of Burns Lake, B.C., visited with friends here

Mrs. Thorsen visited at the home of her daughter and son-in-law Mr and Mrs. J. Kowalchuk

R. A. Pearson of Three Hills is busy at the home of his son-in-law building an addition to and making improvements on their home.

Birthday greetings and all good wishes to Mrs. Ernest Kent and Mrs. Ernest Kent.

### 60TH ANNIVERSARY

Congratulations to the 50th anniversary of C.U.E.T. and to their parents who have been married 50 years. Mr. and Mrs. Ernest Kent.

### Auto Industry Swings To Sport Cars

Sports cars, the darlings of the European manufacturers, are a recent addition to North American automobile factories are now producing Japanese manufacturers.

Mr ... reverse definition ... sports car it is generally a ... powered automobile which ... and has a roll bar that ... protect the occupants ... turnover.

group is holding a social evening on May 12th.

Mrs C W Herring has went to Edmonton on Sunday Mrs. 2nd to meet their son and daughter-in-law, Mr. and Mrs Stewart Beattie and family who are returning from a two year stay as Canadian representatives in Ghana. They will be visiting Marwayne shortly.

# P.F.R.A. ANNOUNCE APPOINTMENTS OF REGIONAL WATER DEVELOPMENT OFFICERS

A. N. ANDREWS

R. M. "ANDY" AS

G. B. EVANS

The continually expanding water development program of the Prairie Farm Rehabilitation Administration is responsible for the appointment of three Regional Water Development Officers, R. M. "Andy" Assiniwi, of Brandon, well known in the area for the past 20 years, will be in charge of water development programs in Manitoba and eastern Saskatchewan, Maurice Lalloue, of Swift Current, will supervise similar duties for the remainder of Saskatchewan while Glen S Evans will supervise the Alberta region from Calgary.

In making the announcement the Director of PFRA M. J. Fitzgerald of Regina noted the wider and more diversified scope of PFRA water development activities and stated that the appointments will cover the field unit of the Water Development Service to provide an even greater degree of service to farmers in the three Prairie Provinces. These officers will also work closely with other agricultural groups and service agencies in each province.

Mr. Andrews has been with PFRA since 1946 at which time he served in the irrigation areas of southern Saskatchewan until 1949 he was transferred to Swift Current, Saskatchewan where the Prairie Development Farm was established there he was appointed assistant to the farm manager until 1958 when he was appointed Officer-in-Charge of the Water Development Office at Swift Current. Mr. Andrews is married and has two children.

Mr. Evans has had a wide experience in water development during the 20 years he has been with PFRA. He participated in the construction and maintenance of several of the large irrigation projects in southeastern Saskatchewan such as the Lucky Lake and Matador Projects. He has been engaged in Water Development District Office at Swift Current, Alberta, Weyburn, Saskatchewan and just recently at Lethbridge, Alberta.

The appointments are effective immediately.

## Alberta Population Increases

Alberta population figures, as established under the Municipal ities Assistance Act for the specific purpose of the allocation of grants shared unconditionally under the Act, show an increase of 22,879, to a total of 1,426,887. This while Mr. Albert in the Residents of Alberta occupy 10 largest town with 9,070 residents.

cities, 90 towns, 166 villages and summer villages, 28 counties 20 municipal districts and 48 improvement districts.

The two largest cities are Edmonton, 357,695, and Calgary, 279,113, while Mr. Albert in the largest town with 9,070 residents.
